Classroom Conduct	<ol style="list-style-type: none"> 1. Be in class on time. Please do not come five, ten, or twenty minutes late. Distracting interruptions are inconsiderate, disrespectful, and time-wasting. There is no excuse for repeatedly arriving late. Parking is often a hassle; allow enough time for it. 2. Students are expected to fully participate in all classroom activities. Full participation means that students arrive on time, have prepared for class by completing all assignments, and are ready for active and purposeful engagement with the topic at hand. 3. The use of CELL PHONES OR ANY OTHER ELECTRONIC DEVICE is not allowed in class. All electronic devices should be turned off before class begins and should not be on your desk. 4. Feel free to ask questions of the instructor during class. But please do not ask other students, as talking disturbs my concentration and the concentration of other class members. 5. Students are expected to treat faculty and fellow students with respect. Any actions that purposefully and maliciously distract the class from the work at hand will not be allowed. 6. Civility in the classroom and respect for the opinions of others is very important in an academic environment. It is likely you may not agree with everything that is said or discussed in the classroom. Courteous behavior and responses are expected.
Academic Integrity	<p>Academic integrity</p> <p>Academic integrity is fundamental to the process of learning and evaluating academic performance. Academic dishonesty will not be tolerated.
