UPS Students Will Take Part in Ballet

The Tacoma Civic Ballet will be guest at the UPS-Tacoma Symphony Orchestra tonight as a part of the Symphoney's regular concert series. The show, to be presented at Mt. Tahoma High School auditorium, will begin at 8:30 pm. There will be no admission charge.

Representing the University as a part of the ballet will be Lois Diane Hampson and Holly Anne Savage.

The new Tacoma Civic Ballet will be making its first performance of the year tonight. It is the only civic ballet of the Pacific Northwest.

The two UPS girls participating in the program have been quite active in local ballet and dance groups. Miss Hanson is a junior majoring in education. She is a member of the UPS Modern Dance Group and has danced professionally in the Seattle Aqua Theatre musicals. Lois has also appeared in five Tacoma Little Theatre musicals and is a regular performer in the Seattle Holiday Dance Concerts.

Holly Anne Savage, a sophomore physical education major, has studied ballet for six years. She danced in "Aida" at the Seattle World's Fair and in "Red-head" and "Kismet" at the Seattle Aqua Theatre.

The Civic Ballet is a non-profit organization and its members are chosen in an open audition judged by Harold and Lew Christensen of the San Francisco Ballet and Mrs. Cobey Larsen of Seattle.

Many of the dancers selected have appeared in both amateur

and professional productions throughout the Northwest for several years. The purpose of the Tacoma Civic Ballet is to provide top quality dancing by the region's most talented dancers for the pleasure of local audiences.

Sophomore Class Sponsors Mixer

The Sophomore Mixer will climax an evening of entertainment on the night of Friday, Feb. 21, when the Frosh One Acts are presented by the Freshmen Class. The Sophomore Mixer is an all school dance and all students are invited to attend. The dance will begin in the South Dining Hall as soon as the Frosh One Acts are over and will last until midnight. Admission is 50 cents per person.

Chairmen for the dance are the Sophomore executive officers headed by class president John Hightower.

Library Makes Changes to Cut Out Student Thefts

By Desmond Taylor

The book losses revealed by the library inventory this past summer have resulted in the need for a reasonable library entrance control to insure the proper charging out of all library materials.

The new entrance arrangements involve the following changes: The door by the charging desk will be the only exit door and will be separated from the other doors by a railing. All library users will then pass by the charging desk before leaving the building. This new arrangement will remind library borrowers to check out properly all library materials. The other two doors will only be used to enter the library.

In the past, students, faculty, and the library staff have been constantly frustrated by being unable to determine the location of many books. A controlled en-

trance will effectively discourage the inadvertent or deliberate removal of uncharged books from the library. Students and faculty will then have considerably greater assurance in being able to locate the library resources they require.

The library hopes that everyone will cooperate with the new arrangements. The entrance control has been devised to safeguard library resources so that all students and faculty can obtain the materials necessary for their needs or to determine when the materials will be available in the event they are checked out.

Valentine S-O-G Are Set By Spurs for Cupid Day

S-O-G is coming! Be ready! What's S-O-G? These three letters mean Valentine's Day or Spur-O-Gram is on its way.

Each Valentine's Day Spurs become cupids in white, delivering valentine messages to and from UPS students. The event, the largest fund raiser for Spurs, takes place this Friday, Valentine's Day.

Typewriters will be set up both in the Student Center and the basement of Jones Hall to take orders. Spurs will type and deliver the messages anywhere on campus and phone them to off-campus residents. They'll even sing them!

Concluding the day will be a

sit-down dinner scheduled for 5 pm. During the dinner Spurs will deliver messages to anywhere in the Student Center. A microphone will be set up for singing Spur-O-Grams. Prices for these bits of Valentine cheer will be 15 cents for four lines, and 5 cents for each additional line. A singing message will cost the giver 25 cents. No Spur-O-Grams will be delivered off-campus except to the fraternity houses. Chairmen of Spur-O-Grams is Clarice Myers.

Music Dept. to Dedicate New Pipe Organ at Chapel

The newest major addition to the School of Music of the University of Puget Sound is a pipe organ which will be dedicated during the regular weekly chapel service on Thursday, Feb. 13 at 10 a.m. with Dr. Alma Oncley, assistant professor of organ, playing the new instrument.

The organ is a two manual and pedal instrument designed and built by the Schlicker Organ Co., Inc., of Buffalo, N.Y. The organ is housed in the recital hall of the music building and is the second pipe organ installed in the building in the last three years, giving the University of Puget Sound one of the most complete facilities for organ instruction in the West. The new organ will be used as a teaching instrument as well as for recitals. The other organ will be used as a practice instrument.

Included on the program for the dedicatory service will be:

"Andante" from "Trio Sonata No. 4," J. S. Bach.

Chorale prelude "Nun bitten wir den heiligen Geist," Buxtehude.

Agincourt Hymn, Dunstable. Chorale prelude "Wacht auf," J. S. Bach.

Two Choralvorspeile, Helmut Walcha: "Frohlich soll mein Herze springen" and "Nun Komm der Heiden Heiland."

Prelude on the Welsh hymn tune "Rhosymedre," R. Vaughan Williams.

Toccata from 5th Organ Symphony, Widor.

Editorial Comment

Closed period comes at the end of each semester. During this period of time all student body activities officially shut down. The ASB office is locked up, the *Trail* ceases publication, and no campus events are scheduled. In essence, all campus events are blacked out.

Now just exactly why does UPS have a closed period? It seems apparent that closed period is offered so the student at the University can concentrate on upcoming final examinations. It is supposedly a week set aside for review and organization of the semester's work. But is this its real function?

It is impossible for students to review and study for upcoming finals when regular quizzes continue to be given during this week. Closed period should not be a catch-up week for work delayed by the instructor during the semester. Closed week is a common practice at nearly all universities. Dead weeks or closed periods can be quite useful, but they should be utilized in the proper manner.

w.h.b.

Congratulations are in order to Mistrs Sprague, Abelsett, Dahlstrom, Brines, Havnaer, Peyton and the rest of the Logger cagers who nearly upset the Seattle University "pros" last Wednesday in the Fieldhouse.

It was quite interesting to hear on radio the comments of SU's Coach Bob Boyd after the contest. He made some remarks about his boys let down for the "easy" games and how these games are close sometimes. He also had a compliment for "that fellow who played high post" for the Loggers.

Home town boy, Bob Sprague, sinks two of his 14 field goals against SU "import" Tresvant.

Well, coach, that "fellow" who played high post and who scored 32 points and who was not imported from Washington, D.C. or Puerto Rico or Timbukto will be back next year. And so will three of his starting teammates; and so will that reserve with springs in his shoes; and so will a fast, poised starting guard who had to sit out the game because a hulking clod from Pacific Lutheran fractured his nose; and so will a 6-foot 7-inch transfer from the University of Washington who recently scored 31 points in an AAU contest and who will be eligible next year. Yes, coach, I am sure all of them would be glad to issue personal invitations to you and your team for another return engagement at the Fieldhouse — another one of those "easy" benefits!

DR. ALMA ONCLEY will play the Music Department's new pipe organ at chapel tomorrow. The organ was recently installed in the recital hall. (Story on page 1)

Shirley Gegax Wins College Board Mademoiselle Contest

A place on the Mademoiselle College Board has been won by Shirley Gegax, junior student in English and journalism at the University of Puget Sound.

Her essay on college life was judged one of ten best in the nation submitted to Mademoiselle magazine in its annual contest. Coeds from Vassar and Radcliffe colleges and Stanford University were among the winners.

Shirley Gegax Wins Contest

Miss Gegax is now eligible for the final essay competition, by which the magazine will choose 20 guest editors to go to New York in June and assist the staff in producing the August college issue. Guest editors will be chosen from the prize winners, from 35

who received honorable mention, and winners of previous years who are still in college.

Miss Gegax originally wrote her winning essay as a journalism class assignment.

Progress Proceeds On Stadium

Work on the new stadium is proceeding nicely and is on schedule, according to Dr. R. Franklin Thompson. The work is under the direction of the Earley Construction Company.

Completed work thus far has included the entire reconditioning of the playing field. The subsoil and the playing turf have been entirely reconditioned. New drainage and complete watering facilities have been installed.

The stressed concrete uprights for the stadium are being poured at the moment. Following the setting and the curing of the uprights, they will be placed in position and the seats will be poured.

Dr. Thompson again stressed how pleased the entire Board of Trustees is with the progress thus far.

Young Democrats Represent UPS at State Convention

A delegation consisting of Guy Sherman, UPS Club president, Jerry Thorpe, Pat Spangler and Steve Spickard traveled to Spokane last weekend to represent the University of Puget Sound at the state convention for the Young Democrats of Washington. The delegation looked forward to a busy three days amassing a majority vote to re-elect their own incumbent, Jerry Thorpe, present treasurer of the state association.

The University of Puget Sound is one of 13 represented colleges from the state, competing with 22 other county and city clubs. Altogether about 500 delegates participated in the convention which terminated Sunday with a banquet and keynote address by Senator Henry M. Jackson.

Another UPS student, Dianna Darland, sought a office as a candidate for state secretary. She is not a member of the UPS delegation so campaigned as a member of the Central Pierce Young Democrats.

Jerry Thorpe, UPS delegate, explains that the state convention serves a dual purpose for the young Democrats. First, it elects new state officers to conduct state-wide business for the following year. Second, it concretely summarizes the party's views in a platform and communicates this consensus to the senior party.

Christensen Set For Talk Before GOP Youths Tues.

Dick Christensen, preacher-turned-politician, launches an event-filled spring semester for the UPS Young Republicans with an after-dinner speech next Tuesday in the Student Center. Christensen, a gubernatorial candidate in Washington, speaks at 6:15 pm in room 8 after a 5:30 dinner. All interested UPS students are invited to the dinner, speech and following.

question - and - answer session which follows. Keith Weeks, president of the UPS Young Republicans, anticipates a good turnout, larger than last November's attendance at a speech by Al Thompson, a present state senator and candidate for lieutenant governor.

Tentative plans for the rest of the semester include the appearance in April of Jim Toeves, head of the Goldwater-for-president faction in the State of Washington. Arrangements are also being made for a visit from Dan Evans, GOP candidate for governor.

A delegation of ten will represent the UPS Young Republicans at their state convention Mar. 6 and 7. Representatives include Keith Weeks, president, Larry Porter, vice-president, Peggy Adams, secretary, Ron Willhite, Ray Carnes, Fred Golladay and Lesley Wasserberger.

JUDY ANDERSON as the Old Maid and her servant, played by Eloise Wagner, urge a stranger (Linn Johnson) to stay and "make yourself comfortable" in a scene from Menotti's "Old Maid and the Thief," to be presented this Friday and Saturday evenings at 8:15 in the Recital Hall by the School of Music.

Scenes from Comic Opera Presented By Musicians

Scenes from Grand and Comic Opera will be presented this Friday and Saturday evenings by the School of Music in the Recital Hall at 8:15 p.m.

Appearing in a humorous trio from Mozart's "Don Giovanni" will be Bruce Martin, Neil Smith, and Edith Woodward. Of contract will be a dramatic excerpt from "Cavalleria Rusticana" by Mascagni, acted and sung by Joy Wardin, Sally Yoder and Robert Pruitt.

Two scenes from Menotti's "Old Maid and the Thief" will feature Eloise Wagner, Judy Anderson, Rosalie Watson and Linn Johnson. Betty Martin and Bob Northrop will portray a tender romantic scene from Puccini's "La Boheme." The new Musical Drama, "Susannah," by Carlisle Floyd, will be represented by a scene sung by Florence Mesler and Dr. Charles Fisher, who is producer of the program.

These Workshop portrayals will be given without authentic scenery or costumes, thus relying fully on effective singing and acting for realistic drama. The public is invited.

Accompanists for the occasion will be Virginia Clinton, Mary Fagerlin, Gwendolyn Seales, Dan Waddell and Dr. Alma Oncley.

STUDENT SPOUSES, pictured above, will model for fashion show "Splendor in Styles."

Student Wives Present Fashions

The UPS Student Wives Club will present "Splendor in Styles" in the Student Center lounge at 8 pm Wednesday, Feb. 19.

Fashions will range from sports wear to semi-formal. Club members modeling the styles include: Mrs. C. B. Coulter, Mr. and Mrs. Clarence Durham, Mrs. Tommas Hoffman, Mrs. Larry Hoover, Mrs. George Wilkinson, Mr. Bob

Badham, Mr. and Mrs. Burt McGee, Mrs. Betty Kitchel, Mrs. Chuck Hunter, and Mrs. John Taylor. They will present the fashions to the public.

Beth Pederson will present the entertainment during intermission and a tea will follow the show.

Tickets will be on sale in the book store for \$1.

HERMES 3000

Seattle U. Squeeks By Inspired Loggers

An inspired, clawing University of Puget Sound five dropped a hard fought 87-80 decision to a highly touted Seattle University quintet on the Loggers home maples before the seasons largest home crowd.

The final score was no indication of the closeness of the contest as a plucky underdog UPS team took the fight from the big town neighbors and led throughout most of the game.

As all was told and the game was over it proved that in actuality it was the Loggers aggressive play that cost them the game as starters Mike Havnaer and Bob Abelsett along with ace reliever Joe Peyton were forced to the sidelines with five personal fouls. Havnaer was whistled to the bench with more than 12 minutes showing on the clock. Abelsett was soon to follow suit.

The Chieftains from Seattle University took an early 8-1 lead before the stage fright wore off the hometown boys. From this point the Loggers moved to a 16-16 tie. SU once again jumped to a four point advantage only to find the UPS Axemen in the lead 23-22 moments later. Playing against first and second units the Loggers widened their margin to a 39-32 halftime advantage. This was the largest point spread of the period.

Out for scalps the Loggers opened the second half with a vengeance and during the early going found themselves enjoying leads up to 14 points. They managed to hold this margin through-

out most of the first 10 minutes of the second section of play.

The roof started to fall in on the gallant Loggers with their forces depleted via the foul route, and big Bob Sprague slowed considerably due to four rule infractions called on him while he was holding jumping John Tresvant under reasonable control.

Hot shooting Greg Vermillion and Tresvant, now able to score over the wary Sprague, started to pick away at the lead. Sprague, with much of his supporting cast reduced to spectators, was forced to take up the slack. Although Dick Dahlstrom and Rich Brines were playing solid ball. The two contributed many key counters that kept UPS in the game. It was Sprague who was forced to carry the brunt of the load.

Determinedly the Loggers held on and with a little more than three minutes left to play a Dahlstrom basket tied the game at 75-75. This was the last time the two teams were on even terms. The weary foul-stricken UPS five was unable to keep pace with the fast breaking SU quintet.

Six foot nine inch Sprague took scoring honors with 32 points, 16 in each half. Abelsett with 13 and Peyton with 10 were the only other Loggers to hit the two digit column. The Chieftains superior scoring balance proved the difference in the contest as Charlie Williams led the attack with 21 counters followed closely by Tresvant and Vermillion with 19.

Logger Ski Team Gets Sixth Place at Banff, Crystal, Bend Next

By John Ullis

After finishing sixth in the United States-Canadian International Collegiate Ski Meet at Banff, Alberta, Canada, the University of Puget Sound varsity ski team will head the University's delegation to this country's biggest winter Ski Carnival, at Bend, Oregon, Feb. 20-Feb. 23. Fifty colleges will compete in the 8th annual skiing meet sponsored by Portland State College.

Dave Yaden, director of the Winter Carnival, said that skiing competition this year will be the stiffest ever seen at the Winter Carnival. Ski events in which top national ski teams will participate are the slalom, giant slalom, down-hill races, cross-country, and jumping. U S Olympic skier Bob Johnson and Hjalmar Hvam will direct the competitive events this year at Bend. Teams with championship standing competing in the racing events are Chico State College, Nevada State College, Sierra Junior College, U C L A, and Weber College. The UPS varsity ski team representing the University has already began preparations for the Winter Carnival since it is the biggest ski meet of the year. The ski team participated in

the ski meet at Banff Jan. 31, Feb. 1 and 2. The University of Washington won the meet. The UPS team finished with 108.6 points. PLU compiled 76.3 points at the meet at Banff. The UPS team was the only one that had women on its team. Jean Blodgett and Jo Goldschmid were the two women skiers who raced at Banff.

Crystal Mountain is the scene this year for the 18th Annual Northwest Inter-collegiate Ski Association championships. The meet will take place Feb. 14, 15, and 16. The University of Washington is sponsoring this meet. Ski teams from colleges and universities in Montana, Alberta, British Columbia, Idaho, Oregon, and Washington are participating.

Sports Line

Life on a merry-go-round can at times be interesting, but more often that not it is merely frustrating and you often wish that the man in the middle would stop the music long enough for you to get off. At the present time head basketball coach Russ Wilkerson and the entire student body are wishing they had bought a ticket for some other ride. They are not complaining that the ride is not exciting, with the possible exception of Coach Wilkerson, but they feel that the record is stuck. Lately it has been playing the strain "win at home, lose on the road, win at home, lose on the road" over and over with increasing monotony.

The fact that the Loggers have been unable to win important games on the opposition's floor cannot be blamed on one single factor I suppose, but it seems more than strange that every game the Loggers have lost this season, with the exception of two losses to Seattle U and PLU at home, have been in gymnasiums designed for watching checker matches or listening to first year piano recitals.

These "crackerboxes" are not gymnasiums; they are legalized pointshavers. A gymnasium such as PLU's or Whitworth's gives the home team as much as a 10-20 point advantage. This is the approximate point spread that the Loggers have lost by these athletic monstrosities.

In these gyms the crowd is packed into a small area that is not only close to the playing surface but appears to "hang" over the floor. The ends of the gym are only 20 feet from the spacious areas at each end of the Logger's court.

As previously stated, there is probably no single cause for the Loggers' losses on the road, but a noisy, partisan crowd compacted into an area no bigger than Jones Hall Auditorium is enough to rattle the best teams.

Well, as the immortal parrot once said, "anybody have a cracker?"

RALPH BAUMAN

Last Monday night Ralph Bauman, the pride and joy of Logger football buffs, received his Associated Press Little All-American certificate at the Tacoma Athletic Commission's Hall of Fame Banquet. The valuable certificate was presented by Jack Hewins, the AP's Northwest Sports Editor.

It was a memorable event for the UPS senior and his coach for the last four years Mr. John Heinrick.

* * *

It would behoove any Logger fan who has in the past, or ever will, feel that things are not going well on any given night to consider the plight of Baltimore (Md.) Institute's basketball team recently. They were beaten by Alleghany Community College 210-23.

Baltimore was behind by 28 points before they even scored, and went to the locker room at halftime trailing 90-8. The second half was slightly better; they scored 15 points.

UPS Swimmers Near Fifth Straight Title

By Ron Mann

Three down and three to go is the way swimming coach Don Duncan reads the remainder of the Loggers' schedule. The UPS mermen have defeated Eastern Washington State twice (71-24 and 66-22) and the vastly improved Central Washington State Wildcats one (58-36) during the first half of the Evergreen Conference schedule, thus running their string of consecutive Conference victories to 36.

Only a double dual meet with Central and Whitworth this Saturday and a meet with the perennial league door-mat, Western Washington State, the following Friday stand in the Loggers way of finishing the season with a perfect conference slate. Both events will take place in the Hugh Wallace Memorial Pool on the UPS campus.

In addition to their three conference victories the UPS forces have beaten the University of British Columbia 53-41. However against the larger NCAA schools Paul Bunyon's heroes have not fared so well. The University of Oregon (24-71), Oregon State University (40-54), and Washington State University (35-60), have all ambushed the Loggers in their pools so far this season. This gives the Lumberjacks an overall two and five mark against NCAA competition for the last two years. The encouraging news to Logger swim fans is the fact that each year UPS is coming closer to defeating these prominent schools and it is only a matter of time until Coach Duncan's paddlers will be able to compete on an equal basis with any swimming team in the Northwest.

At this midway point in the swimming season four Varsity records have been broken and everyone of the conference standards have unofficially been bettered. Bill Marcy, Bob Harper, Doug Hanna, and Byron Stauffer obliterated the existing 4:08.0 record in the 400 yard Medley Relay when they finished the event in 4:01.9 early this season.

Harper turned in a 2:31.6 in the 200 yard breaststroke to break the varsity record he had set for that race only last year. His previous record had been 2:33.8.

Freshman Doug Hanna has been the brightest star in the Loggers swimming horizon thus far. In his first year of competition he has not only filled an important gap, caused by the graduation of last year's co-captain John Seremeta, in the second best 400 yard Freestyle relay team in the NAIA, but has also broken two UPS varsity records.

The 200 yard Individual Medley was the first event to fall victim to Hanna's swimming prowess. His 2:15.2 bettered the 2:22.4 record set by teammate John Jewell two years earlier.

In addition to the Individual Medley record, Hanna erased Gary Dyer's 2:33.6 record in the 200 yard Butterfly last weekend at Eastern when he finished the same event in 2:30.0. It was the first time Hanna had attempted the event singly. All his work with the Butterfly had previously been in connection with his specialty, the Individual Medley.

From here on out the Loggers will be pointing toward the all important Conference Meet that will be held Feb. 28 and 29 at Central. UPS has won the last four league championships. Last year they piled up a record breaking 201 points in winning the crown. However this year's meet promises to be much closer as several of the teams are greatly improved from last season.

RICH HURST (left) and JOHN JEWELL are two of the main reasons for the Loggers' successful season.

Swimmers Face C.W.S.C. Saturday

The UPS swimmers will take on their strongest opponent this Saturday afternoon when the Central Washington Wildcats invade the UPS pool for a highly important meet. The Whitworth Pirates will round out the competition for the double dual meet which is scheduled to start at 3 pm.

"I expect this to be one of the closest meets of the year," commented Coach Don Duncan. "Central is a greatly improved team and could give us a lot of trouble," he continued.

Joe Lanza

Leading the Wildcats this season has been newcomer Gerry Malella, an excellent swimmer who could be swimming for any major college. He is undoubtedly the best Butterfly man in the conference and has turned in times that have ranged up to 25 seconds better than the league record for that event.

Several of the races are expected to be close and could go either way. Of these the 50 and 100 yard freestyle and the medley and freestyle relays shape up as the events to watch closely.

Attendance at the first home meet was excellent according to Coach Duncan. "We are hoping for another good turnout this Saturday. It should be the outstanding meet of the year," commented the Loggers head swimming mentor.

AWS Plans Convention

"Today's Potential, Tomorrow's Achievement" is the theme of the State Associated Women's Students convention to be held on the UPS campus Feb. 21, 22.

250 AWS cabinet members representing 26 Washington Colleges, will be on hand to discuss such topics as Freshmen orientation, and the part the AWS should play in college life. The featured convention speaker will be Dr. Hester Turner of Lewis and Clark College in Oregon.

Delegates will arrive Friday night in time for the Frosh One-Acts and the Sophomore Class Mixer and attend discussions group meetings Saturday. The Convention will conclude with a banquet Saturday afternoon.

Convention chairmen include Maggie Gibbs, general chairman; Laurel Frahm, banquet; Jo Baxter, discussion topics; Lynn Warner, publicity; Mary Jane Miller, housing; and Barbara Rich, registration.

The only totem pole we ever bought

*Strange purchase? You'd be surprised
at all that Standard buys...and where!*

The totem pole, carved by Chilkat Indians for our new Alaskan Refinery — Alaska's *first* refinery — depicts the story of oil in the 49th State.

While it's one of the most unusual purchases we ever made, it illustrates a Standard Oil Company of California policy: To support *local businesses* and *communities* with local purchases.

The Chilkat clan was one of the more than 18,000 suppliers who filled our exploration, producing,

manufacturing, transportation, research and our marketing requirements last year.

Our annual shopping list is more than 50,000 items long, and it helps many a small, local business to prosper.

Yes, even the money Standard pays for this space in your newspaper is another example of local spending. By bringing dollars into your community, it also helps you.

Planning ahead to serve you better
