

THE SAN ANTONIO COMPATRIOT

SAN ANTONIO CHAPTER #4 • TEXAS SOCIETY OF THE SONS OF THE AMERICAN

Compatriot Robert Hancock, President — Compatriot Frank Rohrbough, Editor

Mar-Apr 2015

PRESIDENT'S REMARKS

WOW! It is hard for me to believe, 2015 is almost half over! Our Chapter has been very busy the past two months. We had our State SAR Convention in Houston in which we were well represented and won our share of the awards - Gosh it is hard to be humble. We have been active in participating in School History Fairs, judging the Knight Essay contest and are in the middle of awarding SAR medals to outstanding Junior and Senior ROTC students in our area. We also, participated in selecting the winner of the EC Snyder Jr Memorial Scholarship Award.

It was a real honor to be asked to provide Color Guard SAR participants at the Texas Society State DAR Conference, held at the Omni Hotel in San Antonio on March 5th thru 8th. The DAR ladies really know how to conduct a State Conference. They know when to be formal and when to have a good time - I was impressed.

Our Chapter was again asked to provide the Color Guard at the Pioneer Ball during Fiesta. We also, participated in the Pilgrimage to the Alamo which is always a solemn event. **For more details, see page 5 .**

Tom Small, as Chapter President Elect, has really jumped in and has taken over the duties of the Office and is doing a superb job. He attended the Texas Society Annual Conference in late March and took some very detailed notes of interest that were announced and reported them to members during our Executive Committee (business meeting) on April 9th. Of particular note, Tom records our events as they occur in the Chapter for our Annual Report, which eliminates any guess work when the Chapter compiles its End of Year Report. Tom thanks! We are working on our Fall Chapter Gala in October; if you wish to help with the planning please let me know. I know it will be great success.

As a final note, I have appointed Compatriot Ed Snyder as our Chapter Chancellor replacing Compatriot Ben Wallis, Jr. I am grateful for Ben's service as Chancellor these past two year. Compatriot Snyder will be reviewing and updating our Chapter By-Laws.

Respectfully, *Bob Hancock*

GUEST SPEAKER TELLS ABOUT ARMY'S PERSONNEL RECOVERY PROGRAM

On April 15th, Mr Doug Sanders, Retired Military and US Army Ranger was our Guest Speaker. He is currently serving as a Department of the Army Civilian, HQ. US Army South, as the Director of the Personnel Recovery Coordination Center.

Mr. Sanders stated that "Personnel Recovery is defined as the sum of military, diplomatic, and civil efforts to effect the recovery and return of US military personnel, Department of Defense civilians and contractors who are isolated in an operational environment." He spoke about the process of recovery of U.S. personnel held as prisoners in hostile countries around the world who are returned home following extended periods of captivity. He explained how they were transitioned back into life within their home and military or civilian community. This re-integration process is usually a lengthy process, especially if the individual was held in captivity for many years like those held in Iran, Columbia or Vietnam. As a recent example, Mr. Sanders spoke about the re-integration process of Sgt. Bowe Bergdahl, the controversial U.S. soldier who was recovered in Afghanistan last year after five years in captivity.

PILGRIMAGE TO THE ALAMO

On April 20th eight members of the Chapter assembled at the Vietnam War Memorial near the Tobin Center to participate in the Pilgrimage to the Alamo — an annual event held by the Daughter's of the Republic of Texas. Many civic and patriotic organizations participate in the solemn procession as a tribute to those Texians who died at Alamo fighting for their independence from Mexico on March 6, 1836. According to DAR sources, more than 30 of them were descendents of Patriots of the American Revolution. **(Photo at right)** Participating members included: Carrying the Parade Banner are Compatriots Larry Loop (L) and Tom Small (R).
