Down-Staters Win Out Over Blue, 23 to 18

Lawrence, Leading Three-Fourths of Way, Falters, Then Falls; Denny Defense Flashy

In a game in which the victors were the vanquished three-fourths of the way, Carroll college pioneers invaded Lawrence camp last Friday night, and, at Armory G, took the Denny men in tow, 23 to 18. The largest crowd of the season was present and witnessed one of the tightest, and probably the most thrilling game played on a Lawrence floor in several years.

The Blue, playing air-tight and almost perfect ball in the opening frames, started off to an early lead, led 10 to 7 at half-time, and with the game about three quarters spent were comfortably four points in advance, when something snapped. Dugan, tall Carroll pivot, stepped up to center-floor, caged two long ones in a row, and opened the wedge that ended in ultimate victory—for the visitors.

Both teams battled about evenly on the offensive, and what little advantage in superior play there was accrued to Lawrence, for the Denny men were stronger on the defense, and Carroll found herself completely at loss to maneuver Denny's defensive combination. Most of the visitors' points came on long throws.

Zussman Starts

Jake Zussman opened the firing in the opening moments of play with a goal from directly under the basket. Denny's proteges began a brilliant passing game from the start and before the down-staters had gotten hip to the game's opening, were into a two-point lead. ... missed a free-throw for Carroll, on Zussman's foul, but a moment later Rueli dropped the oval for the first Carroll marker. Sterr followed with another basket, but missed a chance for two more points when his freethrows on Zussman's second personal foul went wide of his mark.

At this juncture Heideman was sent in to relieve Hulbert, and justified his entry by a clever tally from the extreme right corner. Todd added a point for Carroll, but Kotal took the Blue ahead again a moment later with a long one, and Zussman's free throw made it 7 to 5 for the Blue. Another at the end of the period brought Lawrence to its 10-point fore, but Dugan cut it by

MENTION FORMER LAWRENTIAN FOR VICE PRESIDENCY

Dr. Royal S. Copeland, a former Lawrence student, now United States senator from New York, is being mentioned as a possible candidate for the vice-presidency of the United States, in case William G. Mc Adoo receives the Democratic nomination for president in the coming presidential elections.

Besides having studied here in his undergraduate days, Dr. Copeland received the honorary degree of A. M. in 1897, from what was then Lawrence university. He received the degree of M. D. from the University of Michigan and did post-graduate work in medicine in various countries of Europe. For a time he held a professorship at the University of Michigan.

From the year 1918 he was Commissioner of Public Health and President of the board of health in New York City. Dr. Copeland is also known as the author of several text-books and scientific treatises.

Tau Tau Kappa's "Skate" Is Unprecedented Success

Tau Tau Kappa's second all-college roller-skate was, as was its predecessor, a decided success!

Over 250 Lawrentians, students and faculty, vied with each other in manipulation of the wheeled shoes, amidst decorations of red and white, and, in the final and closing hour, of confetti and streamers, in true Mardi Gras style, in Armory G Saturday night. A grand march completed the evening's merriment.

Richard Nelson, '27, was in charge of the affair.

Professionalism, Poor Scholarship Bar Blue Cagemen

Professionalism, flagrant and indisputable, and scholastic ineligibility this week crept into Lawrence basketball camp and undermined the Blue's chances of a favorable standing in the Mid-West and Little Five conference races for this year, leaving in addition an influence that will menace even succeeding seasons.

Clarence "Babe" Morrison, '26, star center of the Blue quint, was on Monday declared forever ineligible to any future athletic competition governed by Wisconsin Interscholastic association rules. He was found guilty of professionalism when he played with Company F, a national guard team of Portage, Wisconsin, in that city on Christmas day.

Vernon Grove, '27, whom Coach Denny has been developing into a guard, with exceptional results, is disqualified for the balance of the season due to scholastic ineligibility. Grove, who is a former Menasha high school star and all-sectional selection in the district high school race here a year ago, was one of the "comers" among the first-year material.

Morrison who won his spurs already in his high school days at Columbus, when he won a reputation that was statewide, was without doubt one of the strongest centers in the two conferences of which Lawrence is a member. His loss is the more pathetic in that it closes two years of collegiate competition that still lay before him, and in that a mere few moments of professional play forever bars that possibility. He was being mentioned as a likely candidate for the 1925 Blue captaincy when the announcement of his ineligibility closed the door.

The formal announcement of Morrison's barring from Wisconsin Interscholastic association rating, made formally to the Lawrentian Tuesday by Prof. J. H. Farley, president of the state board, and Lawrence faculty representative, follows:

"According to the rules of the Intercollegiate Athletic Association of Wisconsin, no student can participate in intercollegiate athletics who plays on any professional team or who plays under an assumed name.

"If a student violates his amateur standing in the W.I.A.A. by playing on any team not under the auspices of a religious or educational institution, such violation during college sessions shall entail forfeiture of all athletic honors, such as letters, sweaters, certificate, medals, cups or other awards, as also erasure of name from any honor roll or picture of athletic team.

"According to two affidavits duly sworn to before a notary public, on February 2, 1924, and later acknowledged by Mr. Clarence Morrison, Mr. Clarence Morrison, contrary to the rules of the Intercollegiate Athletic Association of Wisconsin, played on a professional team, namely Co. F. team of Portage.

"Accordingly Mr. Clarence Morrison has become forever ineligible to play on any Intercollegiate team in Wisconsin, governed by the W.I.A.A. rules, and thereby also

Debaters To Begin Year's Competition

Tackle Carroll Here, Affirmative To Ripon, Feb. 28; Two Veterans on Squad

1924 Lawrence debaters will swing into action in their first triangle debate of the season one week from to-night, Thursday, Feb. 28, when the Blue negative meets Carroll affirmative team here, and Lawrence affirmative travels to Ripon to tackle Ripon's negative. The teams are announced by Coach A. L. Franzke, as follows: Affirmative, Willard Henoch, Winifred Bird, Harry Hoeffel. Negative, Dan Hardt, Chester Seftenberg, Gordon Clapp.

The subject for debate this year is the Huber Unemployment Insurance plan, nationally applied. It is the subject selected by most of the colleges of the middle west this year, and is arousing national interest.

The meet with Ripon is one of the most uncertain of the season, according to Professor Franzke. Ripon has never beaten a Blue and White debate team but are determined to do it this year. They have already debated the question twice this year, while their meet with Lawrence will be the first match of the season for the local squad. Ripon also has the added advantage of a full-time debate coach this year, as they are employing two men in their department of public speaking. Carroll, it is reported, has one of its strongest teams in years.

The second triangle in which Lawrence will participate will be with Albion college of Michigan and Illinois Wesleyan of Bloomington, on March 14.

Only Two Veterans

Lawrence has only two veterans on its teams this year, Dan Hardt, '25, and Willard Henoch, '26. Hardt has debated with Lawrence the past two years, and is negative leader. Henoch is a sophomore and did remarkable work last year. He is the leader of the affirmative team. Both Hardt and Henoch were on the winning Lawrence negative trio last year, which won five debates against the strongest teams in Wisconsin, Michigan, Minnesota and Oregon.

The debate at Lawrence will take place in Peabody hall, at 7:30 o'clock, and will be free. The judges for the debate have not yet been announced.

Actors For Sunset Play Picked From Drama Group

The cast for "The Turtle Dove," the third group of plays to be presented by the Sunset Players at Lawrence Memorial chapel on March 14, has been selected as follows: Kweenlin, Laurette Anderson; Chang-sut-yen, Olive Hamar; the Mandarin, Lala Rosenzweig; Chorus, Bernice Porterfield; Fate, Leola Robinson; property man, Ruth Grote.

The other two plays are "The Brink of Silence" and "The Pot-Boiler," by Alice Gurstenberg.

becomes forever ineligible to play on any intercollegiate team of the Mid-West Conference of Colleges, and furthermore loses his amateur standing throughout practically all of the reputable colleges of the United States."

Morrison's ineligibility was declared following a meeting of the association executive board at Milwaukee last Friday. Ashman, who made an excellent showing in the final moments of the Carroll game Friday, will replace Morrison at varsity center.

Lawrence Orator

Willard Henoch

Willard Henoch, '26, of Milwaukee, represents Lawrence tonight in the state oratorical contest, to be held in the auditorium of the conservatory of music, in which orators of five Wisconsin colleges will compete. Henoch, who will speak on "America and the Tragedy of Versailles," won the right to represent the Blue when he was awarded first place in the all-college contest, held during the Fall term.

Sherwood Eddy to Speak at Lawrence February 27, 28

Dr. Sherwood Eddy, a world figure in Christian leadership, will bring to Lawrence a rare opportunity when he comes next Wednesday and Thursday, February 27 and 28, to conduct a series of evangelical lectures. Lawrence is the only school in Wisconsin besides the state university at Madison which will have the opportunity of hearing Mr. Eddy this year.

Dr. Sherwood Eddy has an enviable record as a Christian worker and world statesman. His prominence in world affairs cannot be over-estimated for much of his life has been spent in the study of world problems and questions of international importance and he comes to Lawrence with an almost unlimited supply of interesting information. He has lectured to large audiences all over the world.

In Hongkong, 4000 students and business men attended his lectures and it was necessary to hold three meetings in three successive hours in one of the largest theaters in the city to accommodate the crowd. The officials of China, from the president and vice-president down to governors and local officials, received Mr. Eddy, sometimes sending out official proclamations of the meetings. During the early years of the war, Mr. Eddy was with the British army in France and during the closing year, on the American, British, and French fronts.

Since the Armistice, his regular work has taken him across Asia, including Egypt, Palestine, Syria, Mesopotamia, and Turkey, through the stricken countries of Europe, and around the world. He has spent twenty-four years abroad.

Just From Europe

Dr. Eddy has just returned from Europe where he has made a study of political, social, and industrial problems. Last year he visited or worked in eighteen of the principal countries of Europe, holding conferences with the prominent statesmen and students to further his knowledge of world problems. He made a special study of conditions in Germany and Austria after the war, and had extended interviews with such men as President Ebert, the minister of Reparations, the late Chancellor, and representatives of the universities of Labor, of the Church and of the State.

Stage Is Set For Orators' Meet Tonight

Willard Henoch Will Uphold Blue In State Oratory Contest in Peabody Hall

The stage is all set for the 1924 state oratorical contest of Wisconsin colleges, to take place to-night, beginning promptly at 7:30 o'clock, in the auditorium of Peabody hall, with Lawrence as the entertaining school. Five orators, representing the five strongest colleges in Badger state, will compete in the event. They are Beloit, Carroll, Ripon, Milton and Lawrence.

Willard Henoch, '26, who won first place in the all-college contest held late in the fall term, will represent the Blue. He will present "America and the Tragedy of Versailles," a subject dealing with the failure of the late Woodrow Wilson to establish his fourteen principles of peace at the Versailles conference, in the final scene of the World War.

Advance dope as to which college is likely to carry off honors is scarce. Speculation is rife and

A business meeting of the Wisconsin colleges' oratorical association, which is sponsoring the state oratorical contest at which Lawrence is host, in Peabody hall to-night, was to be held this afternoon at which time officers were to be elected for the ensuing year. The place of the 1925 contest was to be chosen, and other accrued business given attention. All five member-colleges have representatives at the business session.

opinion at ends in the enemy camps as to which of the five contestants will represent Wisconsin in the inter-state contest to be held some time late this spring.

Those who have heard Henoch deliver his oration, however, are confident Lawrence will win a place. This is the first time for a number of years that the Lawrence speaker has been below junior rank, and in view of this fact it will be an added honor should Henoch win first place.

Have Good Record

Lawrence has an enviable reputation to uphold in the contest tonight. Two of its orators within three years have been sent to the inter-state contest and one of these, Karl Trever, '23, won fourth place in the national contest at Northwestern university, Evanston, Ill. The other, Victor Werner, '21, was one of the three winners in the inter-state contest and was sent as a delegate to the national contest.

Prof. A. L. Franzke, head of Public Speech, has announced the program to be as follows:

- 1—Music by George Mecholson.
- 2—"America and the Tragedy of Versailles," Willard Henoch, Lawrence.
- 3—"College and Leadership," Mattocks Jones, Carroll.
- 4—"Sydney Carton," George Burgan, Ripon.
- 5—Music by Bernard Behnken.
- 6—"Our Duty to the Farmer," Elmer M. Bingham, Milton.
- 7—"America Must Decide," Francis R. Beorick, Beloit.
- 8—Music by George Mecholson.

The Judges

The judges who will decide the contest are Prof. H. C. Henderson, Milwaukee Normal; Prof. J. L. Lardner, Northwestern University; and Dean S. H. Goodnight, University of Wisconsin. This is the official announcement of the Carroll coach who had charge of the final selection of judges.

No arrangements to formally entertain the representatives of the other competing colleges after the contest have been made.

The contest tonight is open to the public and is free. Every Lawrentian should be present.

Glee Club, Home From Tour, Sings In Chapel Feb. 26

With the home concert set for Tuesday evening, Feb. 26, in Memorial chapel, Dean Carl J. Waterman is daily drilling the Lawrence Men's glee club, which returned to Appleton Tuesday, after a successful tour in the southern and eastern parts of Wisconsin, to make a record appearance before the Appleton audience.

The club will sing the same program Tuesday which was so popularly received by the audiences in all the cities on the first trip. Concerts were given at Madison, Janesville, Wauwatosa, Milwaukee, Sheboygan and Fond du Lac.

According to the music critic of the Wisconsin State Journal, the club made its best impression on the large audience which heard the concert at Madison.

Madison Praises

"What impressed me profoundly was the rendering of each individual selection," the article states. "Each received the best possible expression, and one readily recognized the training of a master. Throughout the program the clear diction, fine clear tones, shading from pianissimo to forte, were outstanding features."

In addition to the soloists—Miss Lucille Meusel, soprano, George Mecholson, baritone, Harry Sisson, violin, G. Bernard Behken, euphonium, and La Vahn Maesch, piano—the following men compose the concert group:

Club's Personnel

Tenors: Gordon Bush, Ralph Coggeshall, Reed Havens, Archie Hawkes, Marvin Hintz, Rudolph Kubitz, George Landon, Harold McGillan, Wesley Perry, John Phillips, Harold Ritehey, Darrell Sample, Harry Seidmore, Gordon Schiffer, George Staley, Quentin Ulrey, Harry Vine, John Wilcox, William Wright and Orris Young.

Bass—Robert Benedict, Clyde Blackwell, Paul Cary, Howard Deming, Lewis Empson, Nick Engler, Raymond Gault, Norman Greenwood, Lawrence Hatlestad, Marshall Hulbert, Robert Jacobs, Robert Locklin, George Maxson, George Mecholson, Edwin Poole, Gordon Prout, Elmer Rehbein, Austin Schraeder, Claire Shogren and Ellsworth Stiles.

Mme. Mainsonnat Talks Before International Club

Mme. Marguerite Mainsonnat, instructor in French, and president of the International club, addressed the organization, Tuesday evening on the subject of the French government and constitution.

Formerly known as the foreign students' club, the local group has recently reorganized under the present name, for the purpose of securing a charter from the national organization of International clubs.

Ten foreign students or faculty members, with five Americans form the club's membership. They are Mme. Mainsonnat, and Miss Bachhofen of the

Seniors Initiated Into Honor Scholars' Group

Eleven seniors were initiated into the Lawrence chapter of Phi Beta Kappa, national honorary scholarship fraternity, on Wednesday afternoon at the conservatory. A reception banquet for the new members was held at the Hotel Appleton following the initiation services. The initiates are Alice Lyons, Norton Masterson, Ina Dunbar, Albert Smith, Muriel Millar, Laura Sievert, Maurice Averson, Frances Messerole, Ruby Johnson, John TeSelle and Ralph Culnan.

Following the banquet, Dr. Irving Mauer, president of Beloit college, spoke in commemoration of the tenth anniversary of the Lawrence chapter of Phi Beta Kappa, at a public meeting held in the conservatory auditorium.

Commencement Plans Gotten Under Way

At a meeting of the Senior class Thursday, work preparatory to getting commencement plans in motion was undertaken. Committees were appointed, and the matter of adopting a standard ring for all senior classes at Lawrence was considered. The class decided to hold the Senior dance at some date early in May.

The following were appointed to committees: Programs and Announcements, George Benson, chairman; Evelyn Jarret, Laura Sievert, Grant Verhulst, Catherine Cheverton. Commencement Program and Speaker; John TeSelle, Chairman; Gertrude Kaiser, Ellen Kinsman, Maurice Averson, Rex Rendall. Senior Dance; Charles Luce, general chairman; Mildred Hoover, chairman of decorations; Roy Grignon, Naomi Oberweiser, Allan Hackworthy, Dwight Hunting, Idele Hulsether, chairman of program; Harold Hollis, Dorothy Lymer. Floyd Friday, chairman of music; Esther O'Hara, chairman of hall; Ednae Mae Jones, James Bray.

Brokaw "Listens In" On Coolidge's New York Talk

Brokaw radio fans, through the set of Irvin Schwab, '27, "listened in" on an address delivered by President Coolidge in New York City through station W.E.F. Tuesday evening of last week. The president's message dealt with present economic conditions, the oil scandal, America's attitude toward the League of Nations, and general questions of foreign relations.

About \$850,000 has been raised so far for the million dollar Memorial Union building at the university of Wisconsin, faculty, with Mme. Yvonne Fourniere, Albert Ogilvie, Donald Lee, and Messrs. Chun, Hoh, Yeh, Jinno, and Ota of the student body. The American student members are Rebecca Benyas, '26, Grace Hannigan, '27, Helena Koletzke, '27, George Mecholson, '24, and Elbert Smith, '24.

COLLEGE DEBATE ON HUBER PLAN TO BE PRINTED

The department of public speech at Lawrence, of which Prof. A. L. Franke is acting head, has been honored by a request from the H. W. Wilson company, publishers of reference works, of New York City, that they be sent a complete affirmative and negative debate on the Huber Unemployment Insurance plan, which Lawrence teams are debating this year. They plan to publish the debates in "The University Debaters Annual of 1923-24."

In view of the fact that practically all of the colleges in the middle west are debating this subject this year, it is a notable honor for Lawrence that it should be selected by the company to furnish the debate. The company has offered to pay all stenographic charges for a complete report, and each member of the team and the coach will be given copies of the book when it is published.

Second Time

This is the second time that Lawrence has been singled out to furnish material for one of these volumes. The Lawrence debate on "The Minimum Wage" in 1914, was also published in a similar volume. Mr. Franke, who is coach of this year's teams, was a member of one of the teams at that time.

Freshman Class To Dance February 23

The Freshman class will be the second class to take advantage of the new college dance rule, and is planning a dancing party for Saturday evening, Feb. 23 in Eagles' Hall. This was decided at a meeting of the class, held in chapel Friday morning at chapel-time. The Eagles' Hall has been reserved for the dance because it will accommodate a greater number than any other hall in the city.

The party will be restricted to Freshmen and their friends, it being requisite that one of the couple attending the dance be a member of the Freshman class. Mellorimba Society orchestra will play.

Tickets for the party will be on sale Wednesday, Feb. 18, by class members. Only 125 tickets are to be sold, so it behooves those planning to attend to get their tickets early!

New sports at Kansas State Agricultural college this year include gliding, bicycling, and boxing.

State Normal Teacher To Succeed Dr. Foster

Miss Emily Daw of Trenton, N. J., has been engaged as successor to Dr. Foster, associate professor of English, whose resignation will take effect at the end of the present school year, according to Dr. Samuel Plantz.

Miss Daw received her Bachelor of Arts degree and her Masters degree from the University of Pennsylvania. She has completed required work for a doctor's degree, with the exception of a thesis, at the same university. She expects to receive this degree her first year at Lawrence.

Miss Daw comes to Lawrence highly recommended by the state normal school at Trenton, where she was taught for the past few years, and by the University of Pennsylvania.

Metropolitan Star Charms In Concert

One of the most pleasing concerts of the season was given by Madame Florence Easton, dramatic soprano, as the last number of the Community Artist series in Lawrence Memorial chapel, Tuesday evening.

The program consisting of five groups of songs by Madame Easton and four solo numbers by Elinor Renick Warren, accompanist for Madame Easton, was of wide variety and appeal. Madame Easton proved a careful singer, one who shades every song to suit the context. She is versatile, and had perfect diction in the groups of songs in French and English in her program.

One entire group of songs were those written by Elinor Renick Warren, accompanist to Madame Easton. Miss Warren also played a solo, "Frolic of the Elves," of her own composition.

George Christenson, '26, has been appointed student manager of track for this spring. He will be assisted by Ralph Warnecke, '27. The duties of track manager are to arrange meets, take charge of purchasing necessary equipment, and to act as general executive over all matters pertaining to track.

ATTEND THE CONTEST TONIGHT

Our football season every fall abounds with enthusiasm and student support. We hold weekly mass meetings, snake dances around bonfires, attend the games one hundred per cent strong in order to demonstrate to the team that we want them to win. If they win, we celebrate; if they lose, we attempt to console ourselves by offering alibis. In either case we are with them, heart and soul.

In forensics the situation is quite different. Few students realize the strength of our forensic department. In the last five years of competition our orators have been the winners of the state contest three times, taking second place the other two times, have been the winners of the interstate contest (comprising seven states) for two consecutive years, and in those same years have been the winners of fourth and fifth places, respectively, in the divisional contest against orators from thirteen central states. Such a record, together with an equally enviable debate record, has given us the prestige of having one of the strongest collegiate forensic departments in the middle west.

Tonight orators from five Badger colleges will vie for state honors in Peabody hall. All five orations deal with vital, present day issues, ranging from the question of our duty to the farmer to America's stand in relation to present efforts toward international peace. Willard Henoch, our representative, after several months of diligent work, is thoroughly ready to do battle tonight. Let's show our interest by attending the contest. Help Henoch place the laurels one rung higher in our enviable forensic record!

WHAT THEY READ

At the time of the Japanese earthquake The Chicago Tribune sold each day for a week about 585,000 papers, 5,000 above the daily run for that season of the year. When Jack Dempsey fought Tom Gibbons out in Shelby, Montana, and won in fifteen rounds, The Tribune sold 100,000 extra copies. It repeated the same sales when Firpo, the South American Hercules, attempted to lift the heavyweight championship out of the English language by knocking out Dempsey.

Only sporting events like these are news to a great many people. These people include those disinterested members of society who think that the league of nations is composed of Winnipeg, New York, Los Angeles, Cincinnati, Detroit, Chicago, and Philadelphia and that it plays ball; that the Bok peace plan is a method of settling disputes between labor and capital; that the Esch-Cummins act is in vaudeville; that La Follette is a manufacturer of shaving cream; and that Ramsey McDonald recently won the lightweight championship of Great Britain.

Do you belong to that class? Are you that college student whose interest centers only in the activities of the Mid-West and Little Five conferences, in the latest spring vogues of Paris, or in the last issue of "Photo Play"? Are you that future leader in society who believes that Henry Ford will be our next president, that the conflict in Mexico is war between that country and the United States, that the Mellon tax proposition is a new automobile license tax, and that the "Teapot Dome" is a newly discovered scandal among the "400" of New York?

Thomas Edison, on his seventy-sixth birthday, made the remark that college men don't know what is going on. "They are dense. Newspapers are a great force and college boys overlook them." Let's avail ourselves of the opportunities of keeping abreast of news of the day by browsing through the numerous periodicals in the college and city libraries.

Even though we lost to Carroll last Friday evening, our men deserve credit for the clean, hard fight they put up in what was undoubtedly the best game of basketball witnessed on the home floor in two years.

Murmuring of The Elms

SONG

Let's meet again tonight, my Fair,
Let's meet unseen of all;
The day-god labors to his lair,
And then the evenfall!

O living lute, O lily-rose,
O form of fantasia,
When torches waste and warders doze,
Steal to the stars will we!

While nodding knights carouse at meat
And shepherds shamble home,
We'll cleave in close embraces—
sweet

As honey in the comb!
—Thomas Hardy.

That Noah was 600 years old before he knew how to build the ark; and, that before that time he didn't Noah thing about it!

Or—

That the old-time prosperous family that used to unfurl to the neighborly vision four hundred feet of clothesline fluttering like white sails in a yacht race now has a successor that washes its scant silken lingerie in the washbowl and dries it on the radiator over night.

Bell: Look at the coat he gave me!

Some people make mistakes, others go to a "christian college."

Still others get on the faculties of those colleges.

After seeing "Common Law," we are ready to grant there IS a Providence.

Lawrentian: What are your terms for Lawrence students?
Appleton Landlady: Dead-beats and bums.

Our idea of a deadly opponent is a cross-eyed poker player who wears glasses.

The Air at Large—

Lawrence is host tonight to the five best talkers of the five best (they admit it) Wisconsin colleges. Is it coincidence or a wise Providence that has placed the contest in Peabody Hall, where so many flat air have already been heard? —Invite me to your next blow-out!

Or Vice Versa

"If I win next Thursday," says Lawrence college orator modestly, "it will be because of the time and energy 'Al' has spent on me."

—And by the same token, if he should lose, will it be because 'Al' didn't spend enough time on him?

Yes, we're going to quit,—but not before:—
Final exams again a week nearer!

—You're welcome!

The teaching profession as the only one for which college prepares directly is worthy of the serious consideration of the senior class, said Prof. W. E. McPheeters at Monday's chapel. He pointed out the opportunities in the field of educational administration, and the financial advantages of teaching positions. He concluded with a discussion of the personal qualities required in a teacher.

Treats Internat'l Problem at Forum

Dr. Nehemia Boynton Speaker at Last Forum Meeting of Year

Dr. Nehemia Boynton of New York, chaplain of National Paper Manufacturers' association, discussed "America And Her Relation to the World Court", at the last program of the year in the Peoples' Forum in Memorial Chapel, held Sunday night.

Dr. Boynton who is considered one of the most popular speakers of greater New York, expressed the problem, "Is the World Court a Danger, or a Safety Valve?" His wit and effective speech was a delight to all who heard him.

During the address Dr. Boynton stressed the need of a clear understanding of internationalism, tracing its development from the compass and printing-press down to modern science and invention.

Was At Versailles

"I can speak without prejudice and with a clear understanding of the league of nations, because I was closely associated with many of the officials at Geneva, spending several months in the league buildings myself," Dr. Boynton said.

In conclusion Dr. Boynton stated "The reason the United States is not in the league is summed up in one word, 'political' When our great mass of intelligent people see fit to lay down the law to their officials at Washington, we can begin hoping to be classified with the great majority who welcome peace, prosperity, and mutual understanding," he said.

The musical program was furnished by Prof. Percy Fullinwider of the conservatory faculty.

Music Students Present Recital at Conservatory

The third of a series of student recitals was presented by Dean Carl J. Waterman, of the Conservatory of Music, in the recital room of Peabody hall Saturday afternoon.

Included in the program were Nora Siewert, Milda Schneider, Caryl Short, Ethelyn Swanson, Arla Bell, Nina Shields, Lorna O'Neil, Virginia O'Connor, Nellie Althaus, Lois Werner and Lester Ballet of the Buntrock, Quinlan, Hess, Fullinwider, Brainard and McKee studios.

The student body has increased 86 per cent in size at the University of Wisconsin during the last decade.

Can't Count Storm Toll In "Mere Money"

By "Kube"

Although actual damages suffered by Lawrentians as a result of the pro-longer blizzard of a week or so ago, are not be measured in mere money, they were nevertheless of great consequence.

In the first place, the general belief that students hate school with a persistent and undying hatred and come only when forced by parental authority, was forever shattered by a certain Charles O'Boyle, of Kaukauna. When the Kaukauna-Appleton street car became stranded in a drift at the Riverside Sanitarium, Tuesday morning of the storm period, O'Boyle waded through three long miles of the beautiful white snow, and with the aid (?) of snowshoes, reached the Kimberly station where he secured a ride into Appleton on a snowplow. All hope for the younger generation is not lost!

Snowstorms, in general, were given the air at all the dormitories and fraternity houses because of the disturbing effect on the delivery of mails. This hardship seemed of all the hardest to bear. The mailman, who at other times was considered the most welcome visitor at the various "dorms" and "frat" houses, became the bane of the day. Instead of the usual checks from home to cover the recent outlays "for books," and the daily missile from "loved ones," to spread cheer into the hearts of the recipients, there came only bills from local dealers, with more or less modest reminder that the last two installments were overdue. Occasionally the monotony was relieved by a pretty picture advertisement from local clothiers, depicting the latest styles.

"Dead Man's Curve," which up until the time of the storm had been a name for name's sake only, and sanguinely descriptive of the fearful curve on the road to Russell Sage, was the claimant of its first official victim during the storm. 'Tis said that several of our more adventurous co-eds, desiring to sneak in a little advance track practice for the coming spring track meet for girls, tried jumping off the bridge leading to Smith House. Several long jumps were reported,—and only one mishap!

Deep snowdrifts caused students an unusual amount of anxiety, and the decree from higher authorities that chapel, that dearest of all Lawrence institutions, would be suspended for several days because of the precariousness of approaching the chapel from the south, brought tears to the eyes of many. As a result of the three extra half-hour's of study, student grades should be abnormally high for that week. In spite of this unheard of laxity on the part of the higher authority, Snyder maintains that business was not much higher than the usual. This may in all probability be due to the fact that the Pi Delt "dawg" business weathered the storm.

Argue Huber Plan Before Chamber of Commerce Men

Lawrence 1924 debate teams argued the Huber Unemployment Insurance plan before the Appleton Chamber of Commerce at its regular meeting last Tuesday night. The affair started with a banquet at the Conway hotel at which the members of the teams and the coach, Mr. A. L. Franzke, were guests.

A representative of the Babson Statistical organization spoke on the modern business trends, after which the debate men were given the floor. The negative team is composed of Dan Hardt, Chester Seftenberg, Gordon Clapp; the affirmative, Willard Henoch, Winifred Bird, and Harry Hoefel.

"I can't insure until I get out of debt."

Sometimes a debt is for an education. The honest man wants to pay it as soon as possible. If he continues to live he will pay it. But maybe the end will come too soon and then the creditor is never paid. Debt means obligation—the obligation to carry insurance until the debt is paid.

Denny Plans Water Meet for Lawrence

All Men of College Eligible; Will Take Place in March

In accordance with his plans to make minor sports more popular on Lawrence campus, Coach A. C. Denny is now sponsoring a swimming and diving tournament which is to be held at the city Y.M.C.A. on the afternoons of either March 14 or 15. Any man attending college may enter the tournament providing he turns in his name to Coach Denny on or before Mar. 7.

The program of events will include: Swimming, 20 yd. swim—any style; 40 yd. swim—any style; 20 yd. swim—breast stroke; 100 yd. swim—any style; Plunge for distance. Diving, 5 dives, three of which are compulsory; 1st—plaint front; 2nd—Front Jack-knife; 3rd—Swan dive; Last two are optional.

Rules and Regulations

1. A man can enter only three of five swimming events and one of which must be the 100-yard swim.
2. The winner will be determined by a system of points, five points being awarded for first place, three for second place, two for third place, and one for fourth place. The man winning the highest number of points will receive the first place medal.
3. Only one event (swimming or diving) can be entered into by a person.
4. Dives will be graded by a committee, the man receiving the highest grade winning the first place diving medal.
5. Entries can practice either in the college pool or if a member of the Y.M.C.A. he can practice there.

Collinge Quits Athletic Managementship; Ap't Trezise

Prof. Fred Trezise was appointed executive manager of athletics for the remainder of the year, to succeed Roger Collinge, '25, who resigned. Mr. Collinge resigned because of an over-taxed curriculum. His work as executive manager was exceptional and distinguishes him as one of the best executive managers Lawrence athletics has ever known.

INTER-GREEK BOWLING

Phi Kaps	15	12	.553
D. I.'s	16	14	.533
Phi Taus	5	19	.208
Sig Eps	5	22	.185

Delta Sigs went into first place in inter-fraternity bowling the past week when the D. I.'s won two out of three from the Thetas who were in the lead. The Betas are again in third place after winning three straight from the Sig Sps, while Phi Kaps jumped up from sixth to fifth place when they took three straight from the D. I.'s, who are now in fifth.

Lawrence Co-Eds Will Play Kenosha Gagers

For the first time in years a Lawrence girl's basketball team will meet outside opposition when the girl's varsity plays the Kenosha town girl's team on Saturday, Feb. 23, in Alexander gym. The girls have been practicing hard under the tutelage of Coach William Smith, and as a result show a great improvement in team work. The Kenosha team, it is reputed, is strong enough to make the contest interesting.

To make the event more attractive for the ladies, who, by the way, are the only "public" that will be admitted, will be a program of dances put on by Irene Bennett's dancing class.

Admission 25 cents

The game starts promptly at 7:30 P. M. and an admission of 25c will be charged.

Freshmen To Play Valley Champions

Coach William Smith's Freshmen eagern journey to Stevens Point this weekend to play the strong Stevens Point high school quint in that city Saturday night. The Stevens Point team is being coached by Walter Hunting, ex-Lawrence gridiron star, who graduated last June, and who has turned out one of the strongest basketball teams in the state.

Victories over Wisconsin Rapids and Wausau have given the Point team undisputed claim to the central valley championship. With such a record the freshmen squad will undoubtedly be forced to their utmost to win from the Pointers.

Members of the freshman squad who were on the team during the first part of the season but who are now on the varsity will also make the trip.

Program of Dances Will Follow Girls' Cage Game

Dances will be given by five girls selected from the aesthetic and interpretive dancing classes conducted by Irene Bennett, '26, after the Kenosha-Lawrence girls' basketball game in Alexander gymnasium Saturday evening, February 23, at 7:30 o'clock.

Miss Bennett has prepared a program, consisting of "Poppies" and "Venus Regien Waltz," by Mildred McEathron, Betty Kendall and Catherine Walker, and "The Highland Fling," by Dorothy VonBerg and Mildred Bodway.

Ruby Johnson, '24, spent the week end at her home in Fair Water.

Saturday's Results

Delta Sigs 13, Sig Eps 11.

Thetas 30, Phi Kaps 25.

Betas 15, Phi Taus 14.

First place in the interfraternity caging tournament was practically cinched by the Delta Sigs when they won in their hardest game of the season from the Sig Eps by a narrow margin of two points, Saturday, 13 to 11. The fight for second place has narrowed to two teams, the Thetas and the Taus, with the Thetas having the advantage of one game over the Taus. These two teams meet next Saturday and should the Taus win, a tie for second place between the two teams will be the result.

Delta Sigs 13, Sig Eps 11

With both teams playing air-tight ball throughout the entire game, the Delta Sigs managed to slip in one more basket than the Sig Eps and thereby won the Sylvester and Nielson first place award of a handsome silver loving cup. The score at the half period stood seven-all, but a sudden spurt by the Delta Sigs at the opening of the second half gave them a margin which the Sig Eps never overcame.

"Plut" Smith and Gribble were the shining lights of the Delta Sig line up with Feldhausen and Cole playing outstanding ball for the Sig Eps.

The lineups: Smith and Dawley, forwards; Flatland, center; Neuman and Gribble, guards; and Sig Eps, Hunting and Tieggs, forwards; Cole, center; Feldhausen and Gebhardt, guards.

Thetas 30, Phi Kaps 25

Staging a most spectacular comeback in the second half of their game with the Phi Kaps, the Thetas overcame a 23-12 lead which the Phi Kaps held at half time and by holding the Phi Kaps to a single field goal while they made eight field goals in the second period, the Thetas overcame their lead and won by five points. The playing of the Phi Kaps during the first half indicated an easy victory but the second half told a new story. Nesbit started things for the Thetas by making four "sleeper" shots in quick order and soon had the score tied.

The lineups: Thetas, Monte, Nesbit, forwards; Hurless, center; Gander, Redekker, guards. Phi Kaps, Brooks,

Approach Finals in Wrestling Contests

Winners of Preliminaries Will Meet During Cage Tourney

Preliminary matches in the wrestling tournament were completed last Saturday afternoon when Taylor, Nobles, and Clayton threw Stoker, Thuss, and Gomers respectively, for two straight falls. These three matches were in the 158-pound class.

The championship matches will be held during the district interscholastic basketball tournament which will be held under Lawrence auspices, March 14 and 15, by way of entertainment for visitors. Winners of these matches will hold the championship of their respective weights until next year when another tournament will be held. A wrestling medal will be awarded to the champion of each class.

The Schedule

Championship matches which will take place on the afternoon of either March 14 or 15 are:

- 115 pound class—Lee vs. Wilcox.
- 125 pound class—Anderson vs. Hawkes.
- 135 pound class—Collinge vs. Edwards.
- 145 pound class—Clayton vs. Purvis.
- 158 pound class—Taylor vs. Nobles.
- 175 pound class—Schini vs. Kanis.
- Heavyweight class—Packard vs. Blackburne.

Cookson, V. Clark, forwards; McLaughlin, center; Olsson, J. Clark, guards.

Betas 15, Taus 14

With the score thirteen-all at the end of time, the Betas entered the extra five-minute, over-time period and made a single field goal that won the game from the Taus. The Betas surprised the strong Tau team by their careful guarding. By breaking through the Tau defense they managed to drop in enough baskets to win the game.

The lineups: Betas, McElroy, center; John Barnett and "Jimmy" Barnett, forwards; Meyer and Boettcher, guards. Taus, Kanouse, center; Conates and Bank, forwards; Steele and Holdridge, guards.

two with another long one, just before the whistle blew.

Zussman opened the scoring again in the second frame on two free throws caged perfectly. Sterr and Schulze then counted and Dugan tied, 12 to 12, when he made a free-throw off Kotal's foul.

Blue Still Leads

Heideman's free-throw, another long one by Kotal, and a second free-throw by Morrison gave Lawrence her lead again, when the fatal moment came. For an instant the flashy Blue defense weakened, and Dugan stepped in and counted. Carroll tied, went into the lead on Ruel's follow-in and Sterr's free-throw point, and the invaders held the rest of the way.

It was the ease of a momentary waver that lost. Ashman was sent in to replace Morrison who was beginning to show signs of weariness, and Lawrence made a desperate effort to regain her lost hold, but to no avail. Carroll stalled largely the rest of the way, and the failure of the Blue to come out of their five-man defense until far too late took from them their last chance to retrieve. Several bad passes, directly into the hands of the Carroll players, were the direct cause for the break.

Pre-Lim Contest

In a preliminary, two pick-up teams clashed, with the Greens victors over the Whites, 15 to 10. The first half ended with the Greens in the lead, 7 to 4. Clark, Feldhausen, Flatland, Koehler and Monstead for the Greens, and Nesbit, Medway, Dawley, Banks and Counsell for the Whites, played.

The line-ups of the conference match follow:

Carroll: Sterr, Ruel, forwards; Dugan, center; Todd, Schulze, guards. Lawrence: Hulbert, Zussman, forwards; Morrison, center; Kotal, Christoph, guards. Substitutions, Heideman for Hulbert, Ashman for Morrison. Referee, Berg, Wisconsin.

Idle This Weekend

Due to difficulty in arranging suitable dates so as to secure the armory, the Blue and White will be idle this week-end, playing two games on the following week-end. Coach Denny gave his men a two-day rest but started Wednesday afternoon to give the squad some exceptionally hard drilling in preparation for the Ripon and Beloit games which are to be played on Feb. 29 and Mar. 1 respectively, the former at Ripon and the latter in this city.

Kinsman Makes Speech To Sheboygan Business Men

Dr. D. O. Kinsman, head of the Lawrence Economics department, addressed the Sheboygan Association of Commerce on Socialism and Capitalism, last Thursday night.

Dr. Kinsman analyzed capital and socialism and asserted that the capitalistic regime is the only method of working out destiny. He said that when the laborer is given his share of profit and when the capitalist abolishes competition, socialism as a recognized political philosophy will cease to exist.

Times Change

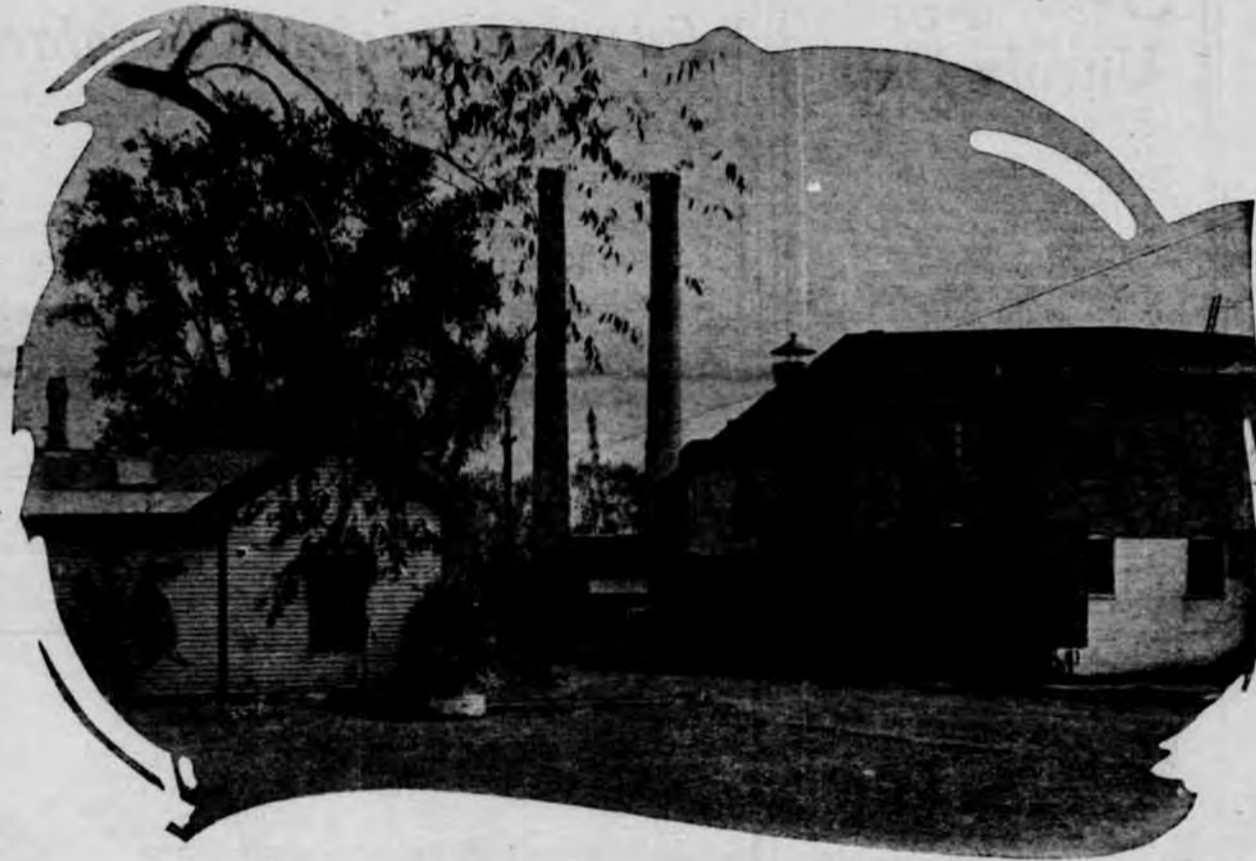

In the London Coffee houses of the seventeenth century, the young gallants drank merrily of Oatmeal Gruel.

While one cannot but admire their wisdom in selecting so healthful a beverage, the drinking of a bowl of gruel would hardly be considered a festive occasion today.

Much more to the liking of the twentieth century palates is the delicious Oatmeal served at Snider's.

With a generous portion of rich milk or cream it is an ideal breakfast food.
