Please donate to **Music for Food** before leaving tonight!

What is **Music for Food**?

Music for Food believes both music and food are essential to human life and growth. Music has the power to call forth the best in us, inspiring awareness and action when artists and audiences work together to transform the ineffable into tangible and needed food resources.

Music for Food is a musician-led initiative for local hunger relief. Our concerts raise resources and awareness in the fight against hunger, empowering all musicians who wish to use their artistry to further social justice.

Donations of non-perishable food items or checks will be accepted at the door. All monetary donations are tax-deductible, and will be processed by the national office of **Music for Food**. 100% will be sent to the food pantry at St. Joseph's.

Each year the St. Joseph Food Program distributes thousands of pounds of food to those who are hungry in the Fox Valley. Lawrence is proud to help.

Graduating Seniors

Sasha Higgins

Major/degree: Clarinet Performance and Music Education (Inst/Gen) with a minor in Ethnic Studies

Post-Graduation Plans: My hope is to move to Boston to be part of the El Sistema fellowship program at the New England Conservatory. I also have another opportunity to move to Philadelphia to continue my work as a teaching artist for an El Sistema inspired program, Play On, Philly! I also plan to go to graduate school in my future to pursue my master's in woodwind pedagogy. In the meantime, I will also continue to play my instrument, hopefully with gigs in pit orchestras, and continue my other passions with flute and voice.

Favorite WE Memory: Performing Maslanka's "A Child's Garden of Dreams" during the Minneapolis Tour.

Fantasy Graduation Gift: A key to my own beautiful home with unlimited pets waiting for me.

Maralee Mindock

Major/degree: Oboe Performance and Music Education (Choral/General/Instrumental)

Post-Graduation Plans: student teaching in the Oshkosh School District and abroad in New Zealand

Favorite Memory from WE: The dress rehearsal before performing John Mackey's *The Frozen Cathedral*, dedicated to Laura Van Asten, in Fall 2017. I have never felt more connected to an ensemble or moved by a performance.

Crazy Unrealistic Gift: To travel the world for the rest of my life

In 2018 all lighting in Memorial Chapel was updated to LED. Spray foam insulation with an R-value of R40 was added to the attic. The savings associated with these projects are estimated to be more than 105,000 kilowatt hours and \$10,000 per year. Project funded in part by the LUCC Environmental Sustainability Fund.
