Digital Commons @ Michigan Tech

- Managed by library staff
 - 1 librarian, 1 library assistant (~1 FTE) & varying amounts of student work (8-20 hours/week)
 - Mediated deposit for faculty
 - Metadata only records
 - Copyright research

A Few Issues

- Our service offers to do everything for faculty
 - Great for faculty!
 - Easy for library staff to take on too much
- Open Access can be a tricky topic on campus
 - Faculty equate with publication fees
 - Other misconceptions

Marketing Tactics

Before we had a well-developed process in place:

- ID author that publishes OA on campus to serve as example
- Send personalized emails about recent publications

After developing a sustainable, scalable process:

- Campus-wide brochure
- Monthly Stats flyer with blog post!
