

Dr. Chad Deering

Department of Geological and Mining Engineering and Sciences
cddeerin@mtu.edu

My background

BSc & MSc at Michigan State University; PhD at University of Canterbury, New Zealand

Post-doc at University of Washington and Assistant Prof. UW-Oshkosh
Former Marine and HVAC Technician

Areas of research/expertise

Super-eruptions

- ✓ Magma Reservoir Dynamics
- ✓ Predicting the 'state' of the system

Geothermal Exploration and Exploitation

- ✓ Blind geothermal resources
- ✓ Source to Surface – heat and mass transfer

Chad Deering, cddeerin@mtu.edu
