Launching and Supporting Writing Workshop

This teacher friendly workshop will provide participants with a fast-paced overview of some of the most practical and effective strategies for supporting students to write clear, coherent pieces of writing across genres. Throughout the workshop, participants will learn specific strategies for supporting a wide range of students. This workshop will touch up ways to help students brainstorm ideas and plan sections of their work. This workshop will help support the new ELA Standards of Learning

Content covered includes:

- The Types of Writing in the New Standards of Learning
- How to create effective Mini Lessons that are transferrable and Strategic
- How to support the challenges of Organization and Elaboration,
- How to support Independent Writing
