Nature's Grace

Cover Page Footnote

"Nature's Grace" granite sculpture by Jim Boyd, New Brunswick, CA

Natures Grace

curved lines and a horizon
spinnaker set leafnetsardinespine
pas de deux stone spiral
waltz tango
gliding step then another
no boundaries sky and water
we ask so much
of stone it answers
our touch cool, smooth
heads bent in whispers
we dance we dance
on a granite ledge at the edge of the sea
