AUDITOR'S REPORT.

BLUEHILL, MAINE, Feb. 13, 1911.

I have this day examined the books kept by the municipal officers of the town of Bluehill during the past municipal year ending Feb. 13, 1911, together with each order drawn. I find them correct, and the books neatly kept, and sufficient vouchers on file for each disbursement.

HENRY B. DARLING,

Auditor.

R E P O R T
OF THE
S U P E R I N T E N D E N T O F S C H O O L S.

To the Citizens of Bluehill:

The superintendent of schools hereby submits the following report:

Number of persons belonging in town between the ages of 5 and 21 years, April 1, 1910, 452; number of different pupils registered in the spring term, 233; in the fall term, 230; in the winter term, 208. Number of schoolhouses in town, 18; number of schoolhouses used for school purposes, 13.

Number of different teachers employed during the year, 25; number who are residents of Bluehill, 16; number who are non-residents, 9; number of teachers who are graduates of normal schools, 1; number of teachers who are normal school students, 5; number of teachers who hold State certificates, 19; number of teachers continued in the same school for the year, 7; number of teachers who had had previous experience, 23; average wages of teachers per week, \$8.18.

The above statistics are for the common schools.

Pupils who passed the entrance examinations for Bluehill-George Stevens academy in 1910: Beulah R. Bettel, Grace E. Littlefield, Georgia E. Sargent, Beatrice J. Abram, Marian E. Stover, Guy L. Carter, Raymond H. Parker, Bluehill grammar school; Merle B. Grindle, Long Island school; Henrietta Conary, East Bluehill grammar school; Lois M. Candage, Morgan's Bay school.

SCHOOLS WITH AN AVERAGE ATTENDANCE BELOW EIGHT.

A school that does not maintain an average attendance of eight pupils for the year is discontinued by law, and cannot be continued unless the town so votes.

The schools in districts 7, 10 and 12 have not averaged the required number the past year, and so I have had inserted in the town warrant the following article: "To see if the town will vote to continue the schools in districts 7, 10 and 12."

The names and ages of the pupils who will probably attend school in these districts, provided the schools are continued, are as follows:

District 7, Granite—Austin E. Howard, 11; Helen L. Howard, 9; Olive M. Howard, 6; Esther E. Wood, 5; Hattie M. Curtis, 9; Edwin F. Maddox, 6.

District 10, Witham—Alexander W. Grieve, 11; Marie Osgood, 11; Merle A. Pert, 6; Walter J. Webber, 14; Esther A. Webber, 5.

District 12, Long Island—Lila H. Grindle, 9; Raymond W. Grindle, 16; Sadie Grindle, 14; Lester L. Pettengill, 13; Agnes M. Pettengill, 11.

The ages given will be the ages of the scholars on April 1, 1911.

TRANSPORTATION OF PUPILS.

Last year eight schools did not maintain an average attendance of eight pupils for the year and were discontinued by law. By a vote of the town the schools in districts 10, 11, 15 and 17 were continued. The scholars in districts 2, 6, 14 and 20 have attended schools in other precincts.

District 2, Bluehill Falls—James and Roy Hall attended South Bluehill school; Stuart Conary attended Bluehill grammar school; Dorothy Chatto and Seth Conary

attended Beech Hill school during the spring term, and the schools in Bluehill village during the fall and winter terms; Henry Carter's family lived in this district the latter part of the spring term and all the fall term. In the spring two of his children were transported to Beech Hill, and in the fall to Bluehill village.

District 14, South street—Newton Stover went to Beech Hill school in the spring and to Bluehill grammar school in the fall and winter; Philip Stover attended Beech Hill for the year; Helen McIntyre went to Bluehill village all three terms; during the fall and winter terms Ralph Dodge and John Clough were transported to Bluehill village.

Total expense of transportation for districts 2 and 14 for the year is \$343.70. The expenses of these districts are combined because one team conveyed scholars from both districts during the year. The cost of schools for these precincts this year would have been \$400.

District 6, North Bluehill—Cora Haskell, Marian Saunders and Harold Wescott attended school in district 5; Clarence and Charles Moon attended in district 11 during the spring and fall, and district 5 during the winter; Archie Candage went to district 11 in the winter.

Total expense of transportation for this district is \$54.90. The cost of a school for this precinct for this year would have been \$200.

District 20, Kingdom—The scholars in this district were transported to Beech Hill. The whole number attending for the year is ten. The total expense of transportation is \$270. The cost of a school in this district for this year would have been \$200.

This report shows that the town gained financially by not continuing the schools in districts 2, 6 and 14, but lost by not maintaining a school in district 20.

ATTENDANCE.

The following pupils were not absent during the year :

District 1, South Bluehill—Raymond Emerton, Forrest Eaton.

District 4, Beech Hill—Nina Horton, Etta Horton, Velma Myrick.

District 5, Hinckley—Bertha Hinckley.

Districts 8 and 9, Bluehill village—Arthur Snow, Albert Snow, Edward Snow, Rufus Grindle, Everett Marks, Archie Grindle, Roland Howard, Frank Mello, Edward Snowman, Gale Hinckley, Alton Horton, Emma Horton, Daisy Emerton, Ruth Bettel, Elsie Cooper.

District 10, Witham—Alexander Grieve.

District 11, Billings—Lura Emerton.

District 13, West Bluehill — Ora Gray, Leforrest Gray, Gerald Gray.

District 15, Stevens—Wendall Grindle.

District 17, Morgan's Bay—Lois Candage.

REPAIRS.

For repairs the sum of \$400 was appropriated. In district 1 the foundation of the schoolhouse was repaired and the exterior of the building painted. Expense, \$22.93. In district 5 the outside of the schoolhouse, the walls of the entries, and the outbuildings were painted. New water-closets were built. Expense, \$101.81. In district 7 the outhouses were repaired. Expense, \$20.72. A new stove was purchased for district 10, and the outbuildings repaired. Expense, \$27.83. In district 11 new water-closets were built. Expense, \$37.48. In district 16 the school building was painted and some small repairs made. Expense \$85.74.

Total amount expended for repairs in these districts is \$296.51. The balance of the appropriation was used

for minor repairs in the other districts, and for the purchase of brooms, dustpans, waterpails, dippers, etc.

BLUEHILL-GEORGE STEVENS ACADEMY AND FREE
HIGH SCHOOL.

Spring term—Principal, William J. Nutter, salary \$950; assistants, Miss Christine Shaw and Miss Cora M. Shaw; salary of each, \$450. Attendance, 51; length of term, 12 weeks.

Fall term—Principal, F. E. Wood, salary, \$900; first assistant, Miss Lillian Lowell, salary, \$504. The position of second assistant was filled by Miss Ethel C.
