Annual Report Of The Chief Engineer Of The Fire Department.

I hereby submit the ninth annual report of the condition of the fire department for the year ending Feb. 1, 1906, containing a full and complete list of the officers and members, condition of apparatus, number of fires, the cause, the loss and insurance as near as can be ascertained, the amount of money expended, and recommendations.

FORCE OF DEPARTMENT

The force of the department consists of forty-three men classed as follows: One chief engineer, two assistant engineers, four foremen, four assistant foremen, thirty-two hosemen, ladder men and axe men.

FIRES AND ALARMS.

The number of alarms the department has responded to from Feb. 1, 1905 to Feb. 1, 1906, are as follows: Six bell alarms and two still alarms.

Bell alarm March 22, at 11.45 o'clock a. m., at Capt. Reed's grist mill, Kimball street, fire on roof, cause, spark from engine. Extinguished by chemicals from hose one. Damage slight.

Still alarm Mar. 28, at 5.15, p. m., from Daniel Knight house, School street, chimney fire, extinguished by Hook and Ladder company. No damage.

Still alarm April 7, at 2.30 p. m., from Robert Preble house on Main street, chimney fire. There being no danger, let it burn out.

Bell alarm, May 6, at 4.15, a. m., from Ruel H. Adams' house, Mt. Pleasant. Mr. Adams fought the blaze as best he could, but the fire got well underway before the alarm was rung in. The department responded very promptly, and although it has always been supposed an impossibility to get water at this high point, still the firemen worked faithfully and succeeded after a short delay in lay

ing 1350 feet of hose from hydrant number 9 and got a good stream to the surprise of every one present. This was the first fire on the hill and taking into everything consideration the department deserved all the praise they received. The house burned to the ground, the loss being about one thousand dollars and was fully covered by insurance. Cause was a defective flue.

Bell alarm, June 29, 11 p. m., at R. H. White's house occupied by Mell Blackman. We coupled on to hydrant No. 31 and run out about six hundred feet of hose. It being a dead end the pressure was considered good for this distance. The fire was well underway before the alarm was given and when the fireman arrived every attention was given to the surrounding property. The house was situated in the town of Bowdoinham and the total loss was estimated at three hundred dollars.

Bell alarm July 15, 9.30, a. m., J. K. Hathorne's residence, corner Kimball and Front street. The department responded and hose was laid from hydrant number 12, but this fire being in and around the chimney was handled wholly by chemicals. Damage \$5. Insured.

Bell alarm Nov. 21, 5.15 a. m., from Jericho in building occupied by F. R. Duren as a lumber shed. The fire was caused by sparks from passing freight train. The department responded promptly and hose was laid from hydrant number 22 on North Pleasant corner Kimball street. The fire was promptly extinguished, damages about \$10.

Bell alarm Dec. 12, 10.45 a. m., from Geo. H. Theobald residence on Pleasant street. The department was quickly on hand; hose was laid from hydrant number 28. This fire was caused by a defective flue, setting fire to the woodwork upon the second floor. By the quick and effective work of the department, it was speedily extinguished with a loss of about \$200. A very close call. Insured

LOSSES AND INSURANCE.

The entire loss by fire this year is about \$1215 00 Covered by insurance.

RECOMMENDATIONS

I would recommend an appropriation of \$500 for the fire department for the year ending 1906.

CONCLUSION

As we have already stated there has been six bell alarms and two still alarms. Had it not been for the prompt and efficient work of the department our fire losses might have been very much larger. As the different companies are composed of the old members, nothing more need be said of the efficiency of the department.

Very respectfully yours,

J. CLARK FLAGG, Chief

SCHOOL REPORT.

For The Financial School Year Ending Feb. 1, '05

I respectfully submit my sixth annual report. For receipts and expenditures see items in Selectmen's report.

HIGH SCHOOL.

Winter term, 12 weeks. No. of pupils 55, average 51.

Spring term, 11 weeks. No. of pupils 55, average 50.

Fall term, 11 weeks. No. of pupils 48, average 45.

Teachers:

Winter term, Principal, H. D. Stewart, salary \$80 per month.

Assistant, Miss Katherine Shea, salary \$10 per week. Owing to illness, Mr. Stewart was obliged to have a substitute for the Spring term and Mr. Archibald T. Shorey very kindly accepted the position although it was his last term in college. Mr. Shorey gave to his work his very best efforts and was very much liked by the students, who were very fortunate in having Miss Shea remain during this term as it was the last term of the year and the absence of the former Principal was not felt as much as it would have been with a new corp of teachers.

Fall term. Principal, Herbert D. Stewart, salary \$80 per month.

Assistant, Miss Mabelle Holmes, salary, \$10 per week.

Graduates of the class of 1905: Agnes Christine Borjesson, Melissa Brown, Harriett Lucinda Crocker, Catherine Melissa Coughlin, Mildred Florence Duren, Nellie Louise Deehan, Lulu Mabel Greenlaw, Roy Clifford Harlow, Lena Marie Hill, Flora May Higgins, Frances Patten Kidder, Albert Warren Kidder, Harriett Maul Newell, Minnie Warren Pert, Beatrice May Page, John William Palmer, Myrtle Verne Ridley, Earl Abiud Randlette, Frederick Drummond Rogers, Myra Louise Small, Cleora May Sheldon, Bertha Eldora Yeaton.

Class officers: President, Earl Abiud Randlette; vice president, Albert Warren Kidder; secretary, Frances Patten Kidder; treasurer Frederick Drummond Rogers.

Graduation exercises held in Opera House, June 23, 1905.
