# Warrant For Town Meeting

---

Franklin, ss

State of Maine

To C. E. White, a Constable in the town of Carthage in said County,  
Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the said town of Carthage qualified by law to vote in town affairs, to assemble at the Grange Hall, Berry Mills, in said town on Monday, the seventh day of March, A. D. 1921 at ten o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose all necessary town officers for the year ensuing.

Art. 3. To see how much money the town will vote and raise for the repair of roads and bridges.

Art. 4. To see how much money the town will vote and raise for winter roads.

Art. 5. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in section 18 of chapter 25 of the Public Laws of 1916.

Art. 6. To see if the town will appropriate and raise the sum of three hundred dollars, or more, for the improvement of the section of the State aid road as outlined in the report of the State Highway Commission, in addition to the amount regularly raised for the care of ways, highways, and bridges, the above being the maximum amount which the town is allowed to raise under the provisions of section 18, chapter 25, of the Revised Statutes of 1916.

Art. 7. To see how much money the town will vote and raise for the support of common schools.

Art. 8. To see how much money the town will vote and raise for text books and supplies.

Art. 9. To see how much money the town will vote and raise for schoolhouse repairs.

Art. 10. To see how much money the town will vote and raise for schoolhouse insurance.

Art. 11. To see how much money the town will vote and raise for school office expense.

Art. 12. To see how much money the town will vote and raise for superintending of schools.

Art. 13. To see if the town will vote to continue the Potter school.

Art. 14. To see how much money the town will vote and raise for schoolhouse flags.

Art. 15. To see how much money the town will vote and raise for the support of poor.

Art. 16. To see how much money the town will vote and raise for current expense.

Art. 17. To see if the town will vote to give a discount on all taxes, excepting poll taxes, for the year 1921 commitment, paid on or before August 20, 1921, and raise a sum of money for the same.

Art. 18. To see if the town will vote to charge interest on all taxes of the year 1921 commitment that remains unpaid November 15, 1921.

Art. 19. To see what sum of money the town will vote to pay the town officers.

The selectmen give notice that they shall be in session for the purpose of correcting the list of voters, at the shop of Lester S. Libby, Berry Mills, in said town, on March 2nd, 3rd, 4th and 5th, between the hours of ten and eleven-thirty o'clock in the forenoon and at the Grange Hall, Berry Mills, at nine-thirty o'clock in the forenoon on the day of said meeting.

Given under our hands at Carthage this sixteenth day of February A. D. 1921.

LESTER S. LIBBY,  
O. V. HUTCHINSON,  
L. E. JUDKINS,

Selectmen of Carthage.

# Report of the Superintendent of Schools

---

To the citizens of the Town of Carthage:

I have the honor to present for your consideration the annual report of the condition of your schools.

I can say without hesitation that your schools have been very successful, although the attendance has not been what it should. Still it has been better than last year.

The spring terms gave 40 pupils registered with an average attendance of 32.66 or 80.1%. The fall terms show 41 pupils with an average of 31.67 or 77.2%. I cannot give the figures for the winter term as the school at the Newman is not finished at this writing. We had to close this school for three weeks during the early winter on account of an epidemic of the measles and as a result, it is in session later than the others.

Miss Helen Kimball, who was teaching at the Ellis a year ago, resigned at the end of the winter term. Miss Hilda Bowie was engaged for the spring term and had a very successful school. This school has been maintained at the Potter school building for the fall and winter terms with the same teacher, who has kept up her good work. It will be necessary for the Town to vote to continue this school for the ensuing year, otherwise it will become discontinued by law, the average attendance having fallen below 8 for the past year.

The school at the Newman has been larger than last year. This school has been a pronounced success in every way and excellent improvement has been noted. The pupils are all up to grade and will furnish their elementary course well fitted to enter high school.

Mrs. White taught a very good term of school at the Mills last spring. The fall and winter terms have been under the instruction of Mrs. Lula Stevens of Strong. Mrs. Stevens is a teacher of experience and training and the school is enjoying a prosperous year.

The High School was discontinued at the end of the spring term, there being too few scholars to maintain it with profit. There is only one eighth grade scholar in town at present, so I can see no prospect of reopening this school for a few years.

Last spring the children in the Stiekney district were transported to the Towle school in Dixfield, but since the beginning of the fall term they have been carried to the school at East Dixfield. There are five attending that school at a cost of \$6.00 per week for conveyance and \$3.00 per week for tuition.

The schools are well supplied with text books at present and no large appropriation will be necessary for next year. A very valuable reference encyclopedia, "The World Book" in ten volumes, has been purchased for the Newman and Mills schools, at the cost of \$48.50 and this amount has been included in the estimates. I would recommend that another set be purchased so that each of these schools could have them to use all the time. However, I don't know as the voters would wish to do this at this time.

Some very much needed repairs have been made at the Mills and Newman buildings during the year. A sanitary toilet has been built at the Mills with doors opening out of the school room. This is something that was badly needed and is a lasting improvement. The Newman building has been painted and papered inside, also the roof of the ell part has been shingled. One side, at least, of the roof of the main building ought to be shingled this year, and nearly enough shingles for that purpose are on hand to do the work. These improvements have caused an over-draft in the Repairs account but I don't believe there is a voter in town but is glad that we have had this work done.

The way things appear now, there will be no school at the Ellis for some time. I think we ought to begin to plan to expend some money for repairs at the Potter school after this year. This building is in bad shape and needs sheathing inside, new floor, new seats and a sanitary toilet, in fact, a general renovation.

During the year insurance policies have been renewed on the Mills and Stiekney buildings. This year premiums fall due on the other three houses and an amount is included in the estimates to cover these.

School administration for the past year has been a great problem on account of the critical teacher situation. An amazing scarcity of teachers has been evident and as a result salaries have risen to a large extent, and these salaries have come to stay. For the first time in history the trained teacher is receiving a salary that is her due. I do not look for any general increase in salaries as was the case last year, but I do expect that the trained teachers will receive increases according to individual ability.

The \$240.00 received from the State Equalization Funds was given expressly for teachers' salaries and your Committee decided to hold this amount back till the end of the spring term and distribute it as a sort of bonus instead of including it in the weekly salaries, and the teachers were hired with that understanding. So in reality the balance of \$231.14 as shown in the common school account is an overdraft of \$8.86.

The estimates for common schools for next year is a problem. It is no use to try to get good teachers for less than we are paying now and the recommendations are based on practically that figure. It is interesting to note that the average salary per year paid your teachers at present, including the State Fund, is \$585.00, while the average for the entire state is \$703.00, and for Franklin County \$636.00. I wish that the voters of Carthage would decide to give their scholars more than 30 weeks schooling per year. The boy and girl in a 30 week town is at a disadvantage when compared with those in a town which maintains 36 weeks. It seems as though they ought to be given a 32 week year at least. I hope the voters will consider this matter, and if it is deemed advisable, add \$150.00 to the estimate as given, which is figured on a 30 week year basis. The school estimate as recommended is \$2,415.75 or \$235.75 more than was raised at the last annual meeting.

In closing, I wish to thank the teachers and the members of the School Committee for their co-operation and assistance in the administration of all school matters.

Respectfully submitted,

H. W. COBURN, Superintendent.

# Vital Statistics

---

To the selectmen of the town of Carthage:

The following returns of births, marriages and deaths for the year ending Feb. 14, 1921, in the town of Carthage, have been made to this office:

## BIRTHS

1920

April 7, to the wife of Antony Wrishenkis, a son, 4th child.
