Annual Report - 1973

During 1973, staff consisted of two full-time counselors and one part-time counselor, providing services to adults with emotional and family problems. Another full-time counselor, working, primarily, with the schools has instituted a new program of screening children with respect to mental retardation, learning disabilities and educational disturbances, John Gallagher is coordinating the program. Charles W. Eastman, M.D. and John A. Arness, M.D. provide psychiatric services, a total of three days per week.

An alcoholism counselor has been involved in the schools and industries, setting up educational programs. Alcoholism programs were introduced to three industries in the area. Direct services have been provided to alcoholics and their families.

Our overall case load increased by 21% for the year of 1973.

In your town 0 children and 3 adults were seen for a total of 28 interviews.

Report of Auditor

HAROLD L. JORDAN
Public Accountant
250 Summer Street
Auburn, Maine 04210

February 11, 1974

Board of Selectmen
Town of Carthage
Dixfield, Maine

Gentlemen:

In accordance with your request, the records of the Town of Carthage have been audited for the fiscal year ended February 2, 1974.

An analysis was on a basis consistent with that of the preceding years, and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the town appear to have been appropriately conducted.

The records incorporated in this report present the results of the financial condition and operations of the town for the period designated.

Respectfully submitted,

HAROLD L. JORDAN

Auditor

HLJ/bmc

COMMENTS Year Ended February 2, 1974

An audit of the financial records maintained by various officials of the Town of Carthage has been completed for the fiscal year ended February 2, 1974.

An analysis was made of receipts and deposits as well as disbursements and bank charges. Vouchers and cancelled checks were examined on a selective basis.

The Trust Funds, Town Clerk's records have been reviewed and the Security Bond coverage examined.

The Balance Sheet shows a cash balance of \$13,312.23; Taxes Receivable for 1972 and 1973 shows a balance of \$2,445.18. Amount due from Tax Collector is \$141.39. Balances carried total \$17,878.13, with Surplus overdrawn \$(1,587.82).

The Tax Collector should deposit with the Treasurer on a regular and more frequent basis. Tax collections and cash sheets should be the same. The Tax Collector should prepare unpaid tax list, balance her commitment before audit. This would save considerably on audit time.
