VOICE

Sad and gray was the day, when you and I both had to
I've looked here, I've searched there, but I find none with Dai-sy

say good-bye, I've been true, true to you, now I find that with-out you I can-not do.
can com- pare, I loved her, she loved me, some sweet day I thought that she my bride would be.

Last night I dreamed with you it seemed I was slow-ly walk-ing down that lone-ly lane,
Her pic-ture dear, I'll al-ways keep and I'd have it with me 'till I go to sleep,

I wish that I could make my dreams come true, and I would hold you in my arms a - gain.
Then in my slumber deep I can re - turn, back to the days that used to be my dar-ling.
