Who will it be, now that you're through with me?

*p-f*

Who will it be who will need sym-path - y?

I loved you mad - ly, I say it glad - ly,

But once you had me you just laughed when I felt bad - ly.

*Sva ad lib.*

Who'll be the fool you will rule with your charms?

Who'll share in my mis - er - y? —————

If you don't hap - pen to find one, I'm still a fool and a blind one;

Just think of me And then tell me, who will it be? be?

PATTER CHORUS

Who will it be now that you have giv-en me the chase, I won-der who will take my place Who will it

be, tell me, how soon are you gon-na start to break some-bo-dy el-se's heart I loved you mad-ly, and oh!

I say it glad-ly you know, But once you had me, you laughed a lot, and then for-got when I felt bad-ly.

Who'll be the fool that you'll rule, he'll let you be the boss and then he'll get the double cross. Who'll share in my mis-e-

-ry, I ought to hate you dear, but Gee! Though we are far a-part, you know my heart is al-ways yearning

And if perhaps you happen to find the spark of love still burning, Just think of me, and then tell me who will it be?

Who will it be?
