\$5,000.00 Per Week for Singing this Wonderful Song. There are so many big and well known professionals singing this song that their weekly salaries are over five thousand dollars per week, and when you stop to realize how very particular the big singers are when picking out a song to popularize you must know this really is a wonderful song, and not just because we say so.

True it's written by two of the best and most successful writers we have in this country, and true the famous Maud Lambert, "The Queen of Song," originally introduced it, but even then, if the song did not contain all the elements of success, if it were not just the "kind of a song" the Public want, all the singers, and money, and boozing in the world couldn't make it **Popular**.

We print here, part of the chorus, so you can judge for yourself. It's a beautiful little story, well told, and a melody that's just as beautiful, and it's truly a song that brings comfort and consolation to our hearts, and when anything can do that, it's surely worth while possessing. We want you to have a copy, because you'll be just as enthusiastic as we are, and you'll tell your friends about it, and they'll tell theirs, and so on. Don't put it off another day—get a copy and be happy—in no other way can you get **so much** for so little—for this song is for sale at all the ten cent stores and Music Departments all over the world.

Not in the history of songs do we know of a more artistic, "classy" little song than this one. It's what the music publishers call a "novelty ballad," because there is much novelty in the idea and treatment of the theme, and at the same time, it's also a ballad. The "chimes" effect in this song has already been widely imitated, as are all original ideas, but the imitations in this case are simply boosting this original song, and it's quickly getting to be one of the big hits of the year. Many well known professional singers are featuring this song, and every day more are taking it, as we suggest you put this song down on your list of the "good things that last" and that you must have. Here's the full title, so that the clerk won't misunderstand—"NEXT SUNDAY AT NINE" or "DEARIE WON'T YOU CALL ME DEARIE"—written by Evans Lloyd, and published by Will Rosster. We mention all this, because we don't want you to get any of the bad "imitations" and then be disappointed in the song and blame us. There's a lot of "middle of the road" going on in the music business, and we're glad to warn you when we can. Will Rosster "The Chicago Publisher," is giving the Public more for their money than any other publisher, and all the big singers sing his songs, so you'll always be safe in buying any of his publications. Don't forget to get a copy of "NEXT SUNDAY AT NINE," etc., the next time you are in the Music Department.

## "DOWN HOME RAG"

By Roger Lewis and Wilbur C. S. Sweatman

Every one who has heard it declares it to be the greatest stage hit since the days of the now old and famous "TURKEY IN THE STRAW." This new one was first published as an instrumental number for Band and Orchestra, and it made such a big hit every time it was played, that somebody said "why don't you make a song out of it?" Well! we woke up then, and right away sent for Roger Lewis, the man who wrote "YOU CAN'T EXPECT KISSES FROM ME" and the "OCEANA ROLL," and told him our ideas, and the answer is?—Roger Lewis (with Wilbur Sweatman's music) has produced one of the biggest hits of the season. "DOWN HOME RAG" is a mighty funny song, and it's a "great" barn dance. I'll wager you can't keep still when you hear it. Lee White & Geo. Perry, of New York Vaudeville fame, were the first to introduce it, and now they're all falling over themselves to get it and sing it on the stage. You'll miss half your life if you miss a copy of the song "DOWN HOME RAG."
