Master strokes by song writers whose combined earning power is over \$100,000 a year.

Never before have four such capital A-1 songs been offered for sale at one time. Each song a gem. Love ballads of the *sensible sort*. Just the kind of sweet love sentiments you want your daughters to sing.

"Come Back, Dixie!" Never was melody more haunting. Play it, sing it; quick; you will find a warm spot for it "in the orchard 'way down in your heart."

"When You're In Love With Someone Who Is Not In Love With You" is so good you don't need the expression marks to guide you. You don't have to coax and tease the melody—it's *there*—instinctively you feel its charm.

"Norway" (The Land of the Midnight Sun) is a ballad far more bewitching than the average. Both lyrics and melody are most beautiful.

If you were an artist, a sculptor, a poet—how would you describe "the girl of your eye"? **"All I Can Do Is Just Love You"** tells how. The lyrics are entrancing—the music gayly dancing.
