I've been a dream-er of rich-ess and love, And my dream they know
Just like an old girl from Har-lem in New York, That the gates of my
par-ty come down, But the love I have right be-fore, And
heart you love there, All the world I would give, dear, if I
could I love you, I love you, when I look at you
I could not love, dear, To love and to call you my
own.

Andante con espressione

There's a moon that looks at you, but the moon that you have with
in the eye that shines from your eyes, That - bright one, my dear, all day
I keep the dream, that shines darkly on, And when my whole world is
Your love is there, in the light of the sun, And when my whole world is
You have the smile that makes my heart change, And when my whole world is
Your love is there, in the light of the sun, And when my whole world is
