# The Bonds of Liberty

By George Thornton Edwards

Let's buy the good old U. S. bonds,  
The bonds of Liberty,  
Let's buy to win fair Freedom's fight  
And make the whole world free,  
And help the allies make the world  
Safe for Democracy,  
While they go marching to Victory.

(CHORUS)

Let's buy, let's buy, let's buy for Liberty,  
And help our boys to make the whole world free;  
Sure Uncle Sammy's bonds are good enough for  
you and me,  
So we will buy them for Victory.

So let us work and save each day  
From morning until night  
And buy the Bonds of Liberty,  
And buy with all our might,  
For we must help the boys out there,  
To win this wicked fight,  
So they may march on to Victory.

(CHORUS)

No sacrifice that we can make,  
Could ever be too great,  
Let's come across and come on big,  
Before it is too late.  
Our boys are on the firing line,  
But we will pay the freight,  
So they may march on to Victory.

(CHORUS)

Let's buy the bonds of Liberty,  
And don't make any fuss,  
Just come across and help the boys,  
Who went across for us,  
And show the Kaiser, Uncle Sam  
Is sure some sporty cuss  
When he goes marching to Victory.

(CHORUS)
