## INTRODUCTION

The Fall 2016 Enrollment Report provides summary information regarding enrollment at the University of Maine System for the 2016 Fall Semester. All data reported is as of the census date, October 15, 2016.

**Note:** USM graduate student figures include the University of Maine School of Law.

**Data Source:** PeopleSoft Database; the University of Maine System; 10-15-2016.

## TABLE OF CONTENTS

<u>Topic</u>	<u>Page</u>
Highlights	2-4
Headcount, FTE, Credit Hours by Campus	5-7
High School Early College Programs	8
Headcount, FTE, Credit Hours by Degree Level	9-11
Headcount by Residency (tuition status)	12
Headcount by Gender, by Status (full-time vs. part-time)	13
Headcount, Credit Hours by Campus by Residence	14-15
Headcount, Credit Hours by Campus by Gender	16-17
Headcount, Credit Hours by Campus by Status	18-19
Incoming Degree/Certificate-seeking Students	20-26
First-time Students	21-22
Transfer-in Students	23-24
Readmit Students	25
Graduate Students	26
Headcount by Race/Ethnicity	27
Headcount by Age Range	28
Headcount by Residency (based on student address)	29
Credit Hours of Distance Ed by Mode	30
Credit Hours of Distance Ed by Mode by Degree Level	31

## Fall 2016 Enrollment Report – The University of Maine System

---

### HIGHLIGHTS

#### Enrollment by Headcount, FTE, Credit Hours

- Headcount enrollment is up 1.6 percent in the University of Maine System over last year. Undergraduate headcount enrollment gained 0.6 percent and graduate enrollment increased 9.3 percent versus Fall 2015. Campuses that are down versus Fall 2015 include UMA (-5.7 percent), UMM (-5.2 percent), and UMF (-0.8 percent). Gains in headcount enrollment compared with last year came from increases at UM (2.7 percent), UMFK (22.1 percent), UMPI (2.9 percent), and USM (1.5 percent). Headcount overall is down 5 percent compared to Fall 2012.
- Baccalaureate headcount enrollment is down 1.2 percent from last year and Associate degree enrollment declined 18.7 percent, a continuing trend. Increases from last year in headcount came from non-degree undergraduate enrollment, which is up 17 percent compared with the previous year. Non-degree graduate enrollment increased 46.2 percent and graduate enrollment grew by 4 percent compared with Fall 2015.
- FTE enrollment is up 1.1 percent compared with Fall 2015. Gains over last year came from UM (2.4 percent), UMFK (15.5 percent), UMPI (7.5 percent), and USM (0.6 percent). Although UMM declined 5.7 percent in headcount compared with Fall 2015, FTE enrollments fell 0.1 percent, indicating that UMM is enrolling more full-time students than last year.
- Baccalaureate FTE is up 0.4 percent compared with last year, demonstrating that our campuses are enrolling more full-time baccalaureate students when contrasted with the overall headcount decline of 1.2 percent. Baccalaureate FTE is down 3.5 percent compared with Fall 2012. Associate degree FTEs declined 20.3 percent from Fall 2015 and fell 52 percent compared with Fall 2012. Similar to headcount, non-degree undergraduate FTE (19.9 percent), graduate FTE (0.4 percent), and non-degree graduate FTE (41.6 percent) are driving increases in total FTE when matched with Fall 2012. Graduate FTE is down 10.2 percent and non-degree graduate FTE is down 31.6 percent compared with Fall 2012. Law student FTE is down 2.3 percent from Fall 2015 and fell 15.4 percent versus Fall 2012.
- Credit hour enrollments increased 1 percent in the University of Maine System compared with last year. Credit hours have declined 4.5 percent overall compared with Fall 2012. FTE derives from credit hours and therefore credit hours generally track closely with FTE.

#### Enrollment in Early College Programs by Headcount, FTE, Credit Hours

- A new measure in the enrollment report is the inclusion of high school students in early college programs in order to study that student group's effect on enrollments at some of our universities. High school student headcount enrollments in early college programs are 9.3 percent of the undergraduate student body in the University of Maine System as of the Fall 2016 census. Early college students generate 4.1 percent of undergraduate FTEs and credit hours. UMF has the lowest percentage of high school early college students at 0.5 percent of undergraduate headcount and 0.1 percent of FTE. UMFK has the highest percentage of high school early college students at 39.7 percent of headcount and 19.6 percent of FTE.
- High school early college students comprise 61.2 percent of the total non-degree undergraduate headcount in the University of Maine System.

#### Enrollment by Residency

- In-state headcount enrollments increased 0.4 percent from last Fall due to an 11.2 percent growth of in-state graduate headcount enrollments. Undergraduate headcount enrollments declined 1 percent versus Fall 2015. Overall, in-state headcount enrollments have decreased 10.2 percent versus the Fall 2012 census. Out-of-state headcount enrollments are up 9.3 percent from last Fall and increased 32.4 percent compared with Fall 2012. NEBHE tuition rate students are up 1.4 percent from Fall 2015 and increased 21.8 percent versus Fall 2012.

---

## Fall 2016 Enrollment Report – The University of Maine System

---

- Credit hours for in-state students declined 1.1 percent from Fall 2015 and fell 11.7 percent compared with Fall 2012, a continuing trend. Out-of-state credit hour enrollments have continued to increase year after year, up 40 percent from Fall 2012 and increasing 11.6 percent compared with last year. NEBHE credit hours are up 2.5 percent from 2015 and 24.7 percent versus Fall 2012.
- In-state students comprised 82.4 percent of the student body in Fall 2016 and enrolled in 78.8 percent of all credit hours delivered. Out-of-state students by contrast are 14.4 percent of all UMS students and take 17.1 percent of all credit hours, indicating that out-of-state students are more likely to be full-time. NEBHE students comprise 1.4 percent of all students and take 2.5 percent of credit hours delivered.

### **Enrollment by Gender**

- Women comprised 59.4 percent of the student body in the University of Maine System, while men made up 40.6 percent. Female students increased 2 percent while male students increased 1.1 percent versus Fall 2015. Compared with Fall 2012, male headcount declined 4.3 percent and female headcount fell 5.4 percent.
- Credit hours delivered to men made up 43 percent of all Fall 2016 credit hours. Women enrolled in 57 percent of credit hours.

### **Enrollment by Status (full-time vs. part-time)**

- Full-time student headcount enrollments are down 0.2 percent from Fall 2015 and fell 6.4 percent versus Fall 2012. Full-time students make up 64 percent of the student body and take 82.4 percent of all credit hours.
- Part-time student headcount enrollments are up 5.1 percent compared to Fall 2015 and are down 2.3 percent compared with Fall 2012. Part time students comprise 36 percent of the student body and took 17.6 percent of all delivered credit hours in Fall 2016.

### **Incoming Degree/certificate-seeking Students**

- First-time student headcount enrollments are up 4.9 percent over the Fall 2015 census. Incoming graduate students are up 8.1 percent over last year. Declines occurred among transfer students (-8.9 percent) and readmit students (-8 percent) compared with Fall 2015. All categories of incoming students are down when comparing Fall 2016 with Fall 2012.

### **Transfer Students**

- Students transferring in from the Maine Community College System (MCCS) are down 7.9 percent compared with Fall 2015. Transfers from external institutions other than MCCS declined 6.6 percent from Fall 2015. Transfers between UMS institutions are down 15.6 percent versus last year. Compared with 2012, the number of transfer-in students has dropped 16.9 percent.

### **Enrollment by Ethnicity**

- The number of ethnically white students increased 1.5 percent compared with last year and declined 7.5 percent compared with Fall 2012. The Hispanic/Latino demographic is now approximately even with the Black/African American ethnic category as one of the largest minority demographic groups in the University of Maine System, at 2.2 percent of the student body each, respectively. Minorities overall comprise 6.9 percent of the student body and minorities have increased 16.7 percent compared with Fall 2012.

---

## Fall 2016 Enrollment Report – The University of Maine System

---

### Enrollment by Age

- The largest growing demographic is the Under 18 age range, which has increased 34.2 percent in the past year and 152.2 percent compared with Fall 2012 due primarily to the expansion of high school early college programs. The 18-24 year old demographic increased 0.5 percent in the past year and is 59.2 percent of the student body as of Fall 2016. Compared with Fall 2012, 18-24 year olds have decreased 3.8 percent. Students aged 25 and over fell 2.3 percent from Fall 2015 and declined 19.1 percent compared with Fall 2012.

### Migration of Students

- The University of Maine System enrolls 35.3 percent of the Maine resident student body from Cumberland County (20.7 percent) and Penobscot County (14.6 percent). Students originally from Maine make up 80.4 percent of total headcount enrollments. Out-of-state students from New England make up 63.1 percent of the total out-of-state enrollments, with Massachusetts (32.7 percent), New Hampshire (12.3 percent), and Connecticut (10.6 percent) in the top three states. International students comprise 1.9 percent of the student body, with Canada (24 percent) and China (15.7 percent) in the top two nations for international student enrollments.

### Distance Education

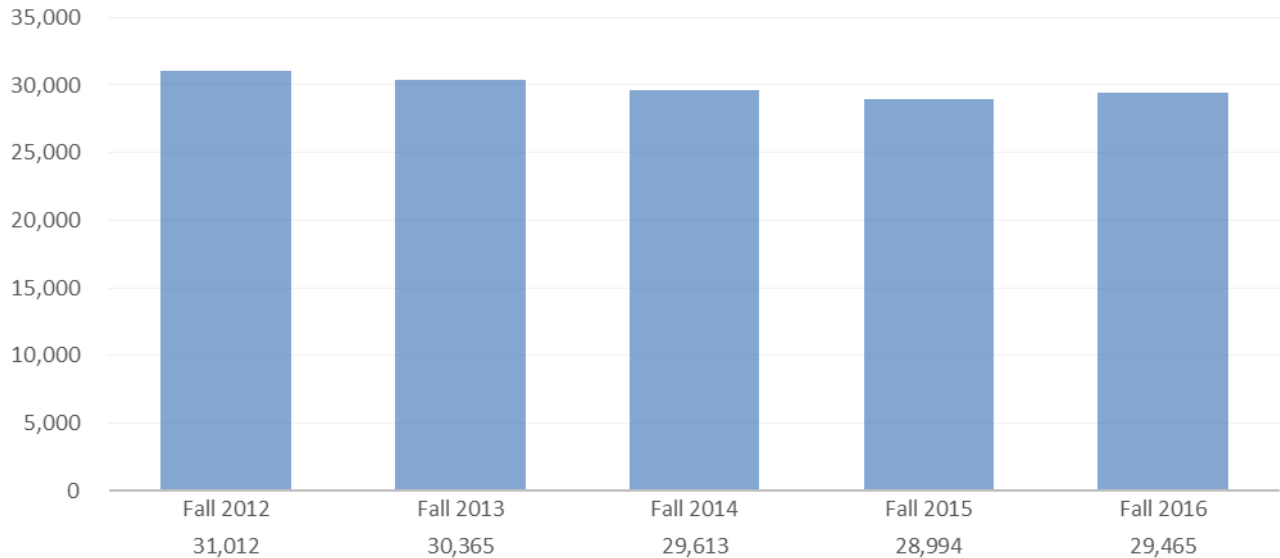

- Distance education delivered online is now 83 percent of all distance credit hours and 16.7 percent of total credit hours. The online modality grew by 6.5 percent compared with last year and is up 31.3 percent versus Fall 2012. Distance ITV is down 39.4 percent compared with last year and 62.7 percent compared with Fall 2012, which implies a shift away from the ITV modality. Distance video conference is down 16.6 percent compared with last year and is up 26 percent compared with Fall 2012. Distance onsite declined 6.8 percent from last year and 16.2 percent compared with Fall 2012. Total distance education is up 0.7 percent from Fall 2015 and 12.7 percent versus Fall 2012.
- Baccalaureate students enrolled in around 75.1 percent of all distance credit hours offered, non-degree undergraduates enrolled in 12.1 percent, and graduate students enrolled in 6.2 percent of distance credit hours.

### Fall FTE Enrollments

\* The formula for calculating Fall FTE (for all campuses except UMF starting in Fall 2006) is as follows:  
 Fall Undergraduate Credit Hours/15 + Fall Professional (Law) Credit Hours/15 + Fall Graduate Credit Hours/9 = Fall FTE + UMF: Fall Undergraduate Credit Hours/16 + Fall Graduate Credit Hours/9 = Fall FTE  
**Note:** Percentages are rounded. Law is included in graduate student figures under USM.

**Notes:**

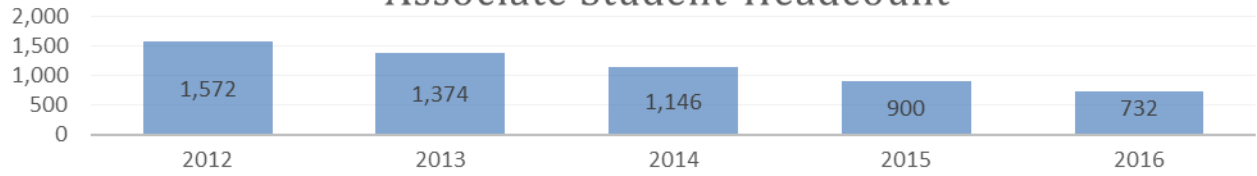

1. Totals may not add to detail due to rounding.
2. Early college majors obtained by academic plan.
3. UMPI early college categories were updated after census.
4. Early college students appearing in both the aspirations and dual enrollment categories count as aspirations for the purpose of this analysis.

**Notes:**

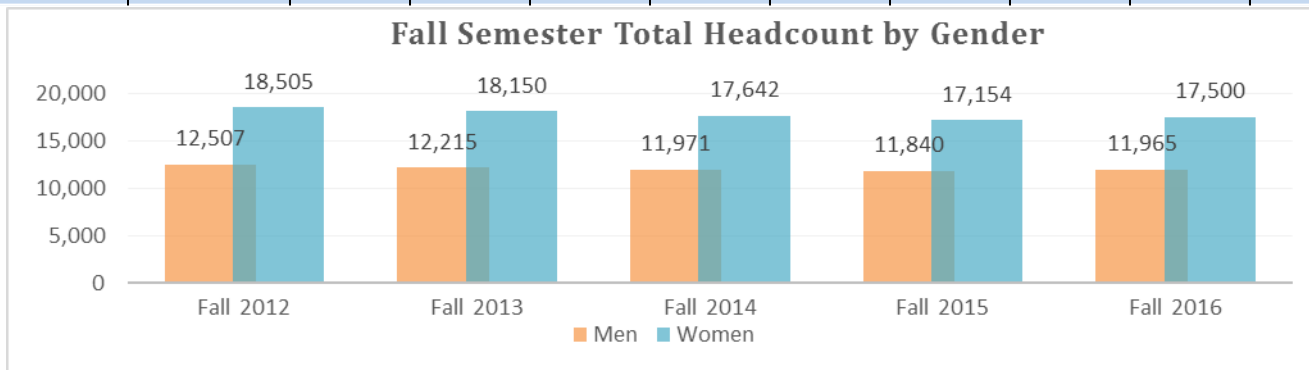

1. The following table shows student residency based on the student's tuition rate.
2. Students enrolled under the New England Regional Student Program (NEBHE) pay 150% of in-state tuition, which may include out-of-state students and Canadian students.
3. Students with a tuition residency of Online at UM are included with the out-of-state category.
4. Percentages are rounded.
