 Feb. 15, 1940,

Report of the Superintendent of Schools and Board of Education

To the Citizens of the Town of Hebron:

We hereby submit our annual report as Superintendent of Schools and members of the school committee covering the year from February 1, 1939 to January 31, 1940.

THE ELEMENTARY SCHOOLS

Five elementary schools have been maintained during the year as follows:

School	Teacher	Enrolled (Jan. 15)	Per Pupil Cost
Academy	Mrs. Catherine Savage	26	\$25 77
Center	Mrs. Thelma Conant	19	34 79
Brighton Hill	Mrs. Gertrude Conant	14	43 35
Sodom	Miss Helmi Piippo	7	86 71
Nelson	Mrs. Mary Scribner	8	71 37

The per pupil cost in each school for teaching, janitor, and fuel is quite significant. It shows that maintaining schools with small enrollments is much more expensive, proportionally, than maintaining the larger schools. Last summer we felt that it would be a decided economy to close the Sodom school and convey the pupils in that district to Brighton Hill, but we were influenced to continue it in operation by reports that the parents in that community desired to have it continued. If it could have been closed a saving of about \$300

could have been effected for the school year. The same holds true of the Nelson school, but road conditions and the support received from Oxford tend to make it better business to continue this small school.

Three conveyance routes have been maintained all through the year and a fourth for part of the year as follows:

Name	Route	No. Wks.	Per Wk.	No. Pupils
Mrs. Orman L. Grover	Back Street to Center School	36	\$ 9 00	6
Leslie E. Perry	Alders District to Bri. Hill	36	7 50	6
Seward Sturtevant	Sanitorium Hill to Center	36	10 00	13
Weston Brown	Residence to Nelson School, 7 wks., 1 da.		5 00	4

HIGH SCHOOL TUITION

The expenditure for high school tuition varies from year to year.

In 1936 there was expended \$1,485.13, while in 1937 the amount was \$1,148.13 and in 1938 it was \$1,809.69. This past year it has been necessary to spend \$2,223.13. Pupils are attending high schools or academies in Norway, Bridgton, Paris, Auburn, Bethel, Hebron, Mechanic Falls and Buckfield this year. A total of twenty-six Hebron pupils are enrolled in these schools and the town of Hebron is legally responsible for their tuition which will probably amount to about \$2,000 for this school year.

REPAIRS

Minor repairs have been made in several of the buildings at town expense. In the Academy school, electric lights have been installed by the interested parents at no cost to the town. In the Center School considerable repairing has been done by the interested parents. This includes refinishing the floor, providing a coat rack and book shelves, a new sink and also the installation of electric lights, all without cost to the town. It seems to us that the town should be grateful for the work of these two Parent Associations and should pay the monthly electric light bills for these buildings from now on. The total cost would be about \$25 per year.
