## Extensive Repairs to College Buildings

Oak Hall is being clothed in new vestments and so are a dozen more of the older college buildings as the result of the extensive and thorough repairs now being carried on all over the campus. C. Parker Crowell '98, a Bangor architect, has been

flattened pitch has replaced the original leaky slate roof. The old ram pasture on the top floor is being refinished into rooms with a plaster finish in place of the wall board partitions erected after the ram pasture passed out of existence. New toilet

ment bath room, and a coat or two of paint outside and inside will make the Mt. Vernon House rival the celebrated original mansion.

North Hall, now serving as the Home Economics practice house, is to receive an outside

hired by the University to superintend the work and is devoting a good share of his time to repairs in progress.

\$75,000 is the state appropriation for this purpose during the present year and \$50,000 next year.

The feature of the improvements is the erection of fire escapes on each dormitory so that every room will have access to a modern fire exit.

The most extensive repair job going on is in Oak Hall. A new tar and gravel roof with a

and shower facilities are being added and all the old plumbing has been removed. Two large fire escapes will be erected, one on the north end and the other at the southeast corner.

In Hannibal Hamlin Hall the roof is being repaired, new doors have replaced the broken ones, and three large fire escapes are being erected. Doors have been cut from the front to the rear suites so that all rooms will be connected with a fire escape without going into the corridors.

Foundation repairs, a base-

coat of paint and be reshingled, while doors will be cut through to connect rooms with the new fire escapes.

Steel ceilings and plastering repairs are concentrated upon Balentine Hall. Fernald Hall foundation is being repaired and the tower and belfry of Wingate Hall is being put in shape for another class scrap. Even the Power Plant will shine in the sunlight with its new roof.

The University buildings are coming back to normal.

## Coaching Lineup for Athletics

The "big three" who will have charge of the athletic destinies of the University were determined at the summer meeting of the Athletic Board held Sunday, July 1, at Graduate Manager Bryant's summer hotel, The Montreal House, Old Orchard. They are Fred Brice of Manchester, N. H., who moves to Orono in the fall to continue as head coach of football and to assist in baseball and basketball, "Cuddy" Murphy of Dartmouth fame who will continue as assistant football coach but will be head coach in basketball and baseball, and Frank Kanaly who will handle the cross country, relay and track teams.

In addition to the three head coaches, W. S. "Bill" Murray '22, who will return to the campus in the fall to continue his graduate study will be the freshman coach. His acceptance just forwarded to Graduate Manager Bryant completes the coaching personnel. Stanley Wallace, last year assistant professor of physical training will act as trainer of the football team.

Each of the head coaches was present at the summer meeting of the Athletic Board where a general agreement as to duties and co-operative policies was reached. Prof. Archer Grover '99, presided at the meeting. Prof. Halvorsan and Sprague, the other faculty representatives were in attendance, as were the alumni members, C. Parker Crowell '98, Wm. McC. Sawyer '01, and Phil. R. Hussey '12. Trustee representative Hosea B. Buck '92, Athletic Treasurer Towner '14 and Jim Blair '25, student secretary of the board were also present.

The result of the meeting was that each of the coaches had a better understanding of the policies, ideals and duties of each of the other coaches.

**COACH FRED M. BRICE**  
Varsity Football Mentor

The coaching situation in detail was lined up as follows:

In football, Coach Brice continues as head coach with Murphy as his assistant. Murphy will devote his time primarily to the line. His work last year in developing a green line into a first string combination was in no small measure responsible for the success of the team. "Bill" Murray who developed under Coach Baldwin in 1920 into a capable left tackle will devote his time to the yearling class. It will be remembered that the freshman rule goes into effect this fall. Consequently interest in the freshmen teams will be much greater than in past years. Murray's job is a real one and will be watched

**"CUDDY" MURPHY**  
Head Coach of Baseball

with much interest. Contrary to press notices the varsity and freshmen squads will not start preliminary training at Old Orchard but will report early in September at Orono.

In track, cross country and relay, Coach Kanaly is the sole individual responsible for the coaching. Kanaly handled the entire squad at M. I. T. for years and by doing so at Maine will relieve Murphy from the job of coaching the weight men, thus enabling him to devote his time to other branches of sport.

In basketball, the resignation of Coach Flack leaves an opening which Murphy as head coach and Brice as assistant coach should ably fill. Murphy was good enough to join the professional ranks in basketball and should prove a worthy successor to Flack. Brice will coach the freshman team.

In hockey, the choice of a varsity coach is left open until the season opens when it is expected that some local man of experience can be secured.

In baseball, Murphy will fill the bill as head coach succeeding Wilkie

Clark '00, who resigned last June. Murphy was a varsity pitcher at Dartmouth, entered the professional game after leaving college and continuing to the present as a professional and semi-professional player. This summer he is player, manager and coach of the fast Penobscot Chemical Fibre Team of Great Works.

**W. S. MURRAY '22**  
Freshman Football Coach

The destinies of the freshman team will be in the hands of Brice.

Fred Brice, in addition to his coaching duties in the three sports referred to, will oversee the winter carnival sports which are becoming such a popular pastime with the students.

This program balances the time of the coaches very evenly, giving each one the opportunity to direct the sport in which he is most proficient and to assist the other coaches whenever possible. Great results are expected of this team work.

## Bananas and Trainer at Beach

Not long ago the editor found a stack of exchanges on the top of his desk. Wading thru the list of exchanges is ordinarily a task reserved for rainy days when alumni visitors and workers are not dropping into the office. This day, however, the July 7 issue of the "TURN o' the TIDE" breathed an atmosphere of friendliness which had been absent from the previous pages. He couldn't resist the temptation to glance thru its pages. On page thirty-three it was that your editor read the following concerning those two inseparables, Stackpole and Bananas, now sojourning at Kennebunk Beach:

"Kenneth Stackpole has brought with him a pet that's a bear! He rejoices in the name of 'Bananas.' (Oh, yes, we have some bananas!)"

"Bananas created an enormous sensation when he appeared on the beach. In spite of the fact that he was chained, the children had to be coaxed before they would go near him, for they believed that fairy tales and the 'Jungle Books' were the only proper places for bears. 'Bananas' is the mascot of the University of Maine, it appears, and Mr. Stackpole declares that he is going to keep him here all summer."

## Summer School in Session

The summer session for 1923 has reached a registration of two hundred fifty-eight students. This is a decrease over last year but the quality of the student body more than makes up for this falling off. There are twenty-nine members of the faculty offering seventy-nine courses. Of these, courses in psychology and German are offered for the first time, while a new course in biology conducted by President Little, and the course in the English Bible conducted by Dean Stevens, are also included.

A special feature of the summer session has always been the chapel services. This year the students have been addressed by various members of the faculty and several musical selections and readings have been heard. On Wednesday evenings Reverend George S. Cooke, of Houlton, is giving a series of lectures on the Archaeology of Palestine and Egypt. These are very scholarly in their character and are proving of decided interest. Sunday afternoons at 4.00 P. M. a vesper service is held and the speakers of these services include Dr. A. M. Little, Reverend Clinton W. Wilson, Reverend T. E. Fairchild, President C. C. Little, and Dr. Ashley A. Smith. On Friday evenings a social function is held in Balentine Hall for the purpose of giving the students an opportunity to get better acquainted. On Saturdays week-end excursions have been planned by Dean Colvin and Miss Kellogg and a large number of students have availed themselves of these privileges. Professor Flack, who has charge of courses in physical training, has organized a tennis tournament, for the winners of which suitable prizes will be awarded at the end of the session.

As usual, a large number of students come from other colleges, there being as many as sixteen from one institution. While there are a number of undergraduates registered there are a sufficient number of mature students to lend a spirit of earnestness to the work of the session. It is the general opinion of the members of the teaching staff who have been for a long time connected with this work that the session of 1923 is an unusually satisfactory one.

### PUBLICATION COMMITTEE

Roy H. Flynt '04 John P. Ramsay '18  
A. L. T. Cummings

Editorial and Business Office, Room 310, Eastern Trust Bldg., Bangor, Me.  
Office of Publication, 331 Water Street, Augusta, Maine.

**Summer Issues** The editorial staff of the ALUMNUS will keep on the job all summer so that semi-monthly issues will be forthcoming on this date, August 4 and 18, and September 1. Volume IV will then be completed and the inauguration of Volume V with a host of new ideas will be on the calendar.

**Summer Athletic Meeting** The recent meeting of the Athletic Board at Old Orchard was another step in the right direction. The meeting was called to discuss policies and to plan for that co-operation which an institution must have in its working elements. Your editor was privileged to attend the meeting and he was once more pleased at the ideals which permeated every activity and every plan discussed by the board and coaches. Athletics which inculcate wrong principles, athletics which do not inspire clean morals, clean living, and an intelligent use of fair and gentlemanly play have no vindication in a college community.

Whatever the past may have been at Maine, whatever the present may be at other collegiate institutions, have no fear but that at Maine athletics will be for the greatest benefit of the individual who is partaking in them. In Coaches Kanaly, Brice and Murphy the University has found clean living exponents of the worth-while lessons which athletics inspire. Your Athletic Board is with them and solidly behind them. Support them yourself. The result will be interesting.

# The Memorial Fund Campaign

## JUNE PAYMENTS

Owing to the tremendous amount of clerical work which the Memorial Fund Office necessarily is handling at the present time, it has been impossible to tabulate and segregate the subscriptions which call for a payment on or about June 1, 1923. Advance notices of payments due will be sent out eventually. Alumni and former students who are now awaiting such notices will confer a favor upon the Memorial Fund Committee if they will meet their payments promptly.

## THE CAMPAIGN CONTINUES

The hot summer months may not be ideal months for the Memorial Fund workers, yet your committee is plugging away with renewed determination that the \$500,000 alumni goal shall be reached. There is a steady influx of subscriptions coming into the Headquarters Office which indicate that the response from the alumni and former student body is being sustained. Eventual success will be the result, if field workers do their part and all potential subscribers meet the issue squarely.

## A GUILTY FEELING

We know of an individual who will be ashamed of himself every time he reads of the University of Maine. The words "University of Maine" will stare out at him from the printed page just because he has failed to do something in the first great call for assistance for his Alma Mater. When he meets a University of Maine man he will be unable to look that person in the eye.

Why, you say?

That individual knows that he should give and can give something—yet he hasn't.

Don't let that individual be you.

## Maine Men in Summer Ball

Maine is a summer baseball state. Every town and city has its team and the sport lovers follow the crack of the bat. For the college player Maine is the mecca. Therefore it's perfectly natural that quite a few University of Maine undergraduates and alumni ball players should be actively playing the game.

Of chief interest to the University fans has been the contest between the "Cuddy" Murphy-coached P. C. F. team and the "Wilkie" Clark-coached Bar Harbor team. The "past" vs. the "present" is the way some of the fans look at it, for Clark is last year's University coach and Murphy the coach-elect. Feeling between the two clubs has been strong. Unfortunately a disagreement between the players and management has cancelled all future clashes between the clubs, the series standing with two wins for P. C. F. and a win and a forfeited game for Bar Harbor. "Jack" Jowett '23 and "Ike" Prescott '23, this year's battery have been a winning combination for the Bar Harbor team. "Fat"

Lunge '24, last year's football captain and first baseman this spring is covering the initial sack for P. C. F. His timely hitting has won more than one game for the Great Works aggregation.

Up Millinocket way "Pat" French '17 is covering the middle garden and in the deadly town series has been stacked against "Coach" Wood ex'21, who is outfielder for the East Millinocket team.

With Sanford, "Don" Coady '21, is playing center field, "Bear" Osgood, varsity short stop the past two seasons, is cavorting around the short stop position, and "Hypie" Rowe ex '18, is holding down the hot corner.

Drew Stearns '24 varsity third baseman, hockey captain and pole vaulter is playing with Farmington; "Crabby" Newell '24, varsity pitcher and basketball star, is pitching stellar ball for the Calais team; Repscha '25, the varsity south paw is heaving for Woodland; and so the list goes.

All hail to the summer baseball artists.

## The Goal

### \$500,000

NOTE—Inasmuch as the above is the objective for alumni, exclusive of subscriptions from students and friends, the pile of bricks now represents the total of subscriptions from alumni only.
