Annual Report of the Public Health Nurse

Hebron 1945

An Immunization Clinic was held at the schoolhouse in Hebron. 11 children were protected from diphtheria and 3 were vaccinated against smallpox. This included infants and preschool children.

Seventeen visits were made to infants and preschool children to encourage parents to have physical examinations by their family physicians and to encourage immunization early in infancy.

Five visits were made to expectant mothers to provide them with information and instructions vital to their own health and that of the child.

Eight visits were made to assist in the control of communicable diseases.

Twenty-three visits were made to the homes of school children to assist in securing corrective work. Five visits were made to schools for conferences with teachers, to demonstrate eye examination and to assist with inspection for skin infection.

The Audiometer hearing test was given in Hebron schools. 72 tests were given. 12% were found to have some hearing loss.

I wish to thank the Town Officials, Health Officer and teachers for their interest and cooperation in the Public Health Nursing Program.

Respectfully submitted,

CLARICE B. PURCELL, R. N.

Report of School Committee and Superintendent of Schools

To the Citizens of Hebron:

We hereby submit our annual report covering the fiscal year from February 1, 1945, to February 1, 1946.

We have been fortunate in having local teachers to carry on instruction in the Hebron schools this year. The situation in general in regard to teachers is still a critical one and the towns paying lowest salaries are having difficulty in keeping positions filled. Hebron has been enabled to raise its teachers more than in ordinary years because of additional state funds which resulted from the passage of the McKinnon Bill at the last session of the legislature.

The following elementary schools are now in operation:

School	Teacher	Enrollment
Academy	Mrs. Lucy Henderson	19
Center	Mrs. Nettie Dimock	10
Bridgton Hill	Mrs. Gertrude Conant	24

Eighteen pupils are attending the school in West Minot and six pupils are attending school in Mechanic Falls. Three pupils from Minot and four pupils from Turner are attending the schools of Hebron.

The following is a list of Hebron students who are attending high schools in nearby towns:

Auburn (Edward Little)	5
Buckfield	1
Dixfield	1
Gould Academy	1
Mechanic Falls	5
Norway	1
Paris	8
	—
Total	22

The Academy School was painted in 1945 and a new combination screen and storm door was hung. Regular cleaning and minor repair jobs were done at the other schools.

At the present time the ell at the Academy School needs new roofing, the Center School is in need of shingles and the Brighton School needs outside painting.

Hebron did not qualify for equalization money from the State this past year but we have been notified that it will receive \$838. in equalization funds in December of 1946.

In completing this report, we wish to acknowledge the friendliness and co-operation which has been forthcoming from those connected with the schools and from parents and other citizens and to express our thanks for this encouragement. While there may be no easy solution to educational problems, they become less difficult when we work together for the best interests of the boys and girls.

Respectfully submitted,

CHARLES PUFFER,
Superintendent of Schools.

ALICE COLLINS,
SEWARD STURTEVANT,
HELEN L. PERRY,
School Commitee.
