DEDICATION

Richard H, Eastman

Richard H. Eastman was born in Ft. Knox, Kentucky on May 1, 1953. He moved to Fryeburg Maine at the age of one. Rick attended school in Fryeburg, graduating from Fryeburg Academy in 1971 as the 6th generation of the Eastman family to do so. He attended the University of Maine in Orono and while working in the college kitchen he met his bride to be Kathryn Keene from Westbrook, Maine. Rick and Kate married in 1973 and after living in Fryeburg and Brownfield bought the former Ralston Bennett home on Old Stage Road in Center Lovell where they raised their three children Eric, Ben, and Emily. They named this property Center Hill Farm where Rick and his family raised a variety of livestock, sold produce, Christmas trees, and countless cords of fire wood to local people. Rick is an avid sportsman who loves the great outdoors.

Rick has proudly served the Town of Lovell as a member of the Lovell Volunteer Fire Department, served on the Planning Board from 1984 to 1989, and also served as a Lovell Selectman from 1989 to 2009. In the summer of 2009 Rick and Kate sold their home in Center Lovell and moved back to Fryeburg where they currently reside.

Rick is the owner of Western Maine Nurseries in Fryeburg. He is also part owner of the Pequawket Water Company, a bulk spring water pumping facility located on the nursery property in Fryeburg. Rick is a devoted husband, father, and grandfather who is loved and respected by all of his children and adored by his three grandchildren Kalie, age 10 Jordan, age 7 and Jaxon, age 2.

The Lovell community thanks Rick for his many years of service and devotion.

WARRANT FOR TOWN MEETING

To: Larry Fox, constable of the Town of Lovell, in the County of Oxford and State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell in said county, qualified to vote in town affairs, to meet at the Town Hall in said town on Saturday, March 6, 2010, at 9:00 A.M. then and there to act on the following articles, to wit:

Art. 1. To see if the Town will nominate and elect a moderator to preside at said meeting.

Art. 2. To see if the Town will nominate and elect one member of the Board of Selectmen, Assessors and Overseers of the poor for a term of three (3) years.

Art. 3. To see if the Town will nominate and elect a Building Inspector for the ensuing year.

Art. 4. To see if the Town will make a recommendation to the Selectmen for an appointment of a C.E.O. The appointment is required by Maine State Law.
Art. 5. To see what the Town wishes to do regarding fixing the compensation of the town officers.

LAST YEAR

SELECTMEN \$4,239.64 EACH	\$16,958.56
PUBLIC WORKS COMMISSIONER	\$38,827.41
TOWN CLERK/TREASURER	\$32,088.97
TAX/EXCISE COLLECTOR	\$32,088.97
CEO	\$15,378.05

Budget Committee & Selectmen recommend we give no raises this year to salaried employees.

Art. 6. To see if the Town will nominate and elect one member to a five-year term on the Planning Board. (2015)

Art. 7. To see if the Town will nominate and elect one 1st associate member to serve a term of one year on the Planning Board.

Art. 8. To see if the Town will nominate and elect one 2nd associate member to serve a term of one year on the Planning Board.

Art. 9. To see if the Town will nominate and elect one member to a term of three years on the Budget Committee. (2013)

Art. 10. To see if the Town will nominate and elect one member to serve a term of seven years on the Budget Committee. (2017)

Art. 11. To see if the Town will nominate and elect a second member to serve a term of seven years on the Budget Committee. (2017)

Art. 12. To see if the Town will nominate and elect one member to serve a term of one year on the M.S.A.D. #72 Board of Directors.

Art. 13. To see if the Town will nominate and elect one alternate to serve a term of one year on the M.S.A.D #72 Board of Directors.

Art. 14. To see if the Town will nominate and elect all other necessary town officers for the ensuing year. (Board of Health, School Fund Officers, School Fund Trustees, Surveyors, Fence Viewers, Fire Wards, Forest Committee)

Art. 15. To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12 of the budgeted amount in each budget category of the Lovell annual budget during the period from January 1, 2011 to the first Saturday in March 2011 Annual Town Meeting.

Art. 16. To see if the Town will vote to increase the property tax levy limit of \$881,672.00 established for the Town of Lovell by state law in the event that the municipal budget approved under the following articles will result in a tax commitment that is greater than that property tax levy limit.

Art. 17. To see what sum of money, if any, the Town will vote to authorize the municipal officers to appropriate from unappropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during the fiscal year.

Selectmen recommend take from surplus up to \$25,000.

Art. 18. To see if the Town will vote to allow the Selectmen to accept, at their discretion, any unrestricted contributions, properties, and any and all grants that they may apply for.

Art. 19. To see what sum of money the Town will vote to raise and/or appropriate for the New Town Office Account, unexpended balance to be carried forward.

Expended \$2,460.00: balance forward \$940.00.

Budget Committee & Selectmen recommend raise no money. (11-0)

Art. 20. To see if the Town will vote to raise and or appropriate \$5,716.86 for overdrafts in the following accounts; \$4,462.98 for Cemetery & \$1,253.88 for Beaches & Landings.

Selectmen recommend take \$5,716.86 from balance forward in Town Charges

Budget Committee & Selectmen recommend raise \$2,000.00. (11-0)

Expended \$.00; balance forward \$43,108.98

Art. 76. To see if the Town will fix a date when taxes shall come due and payable, and to see if the town will vote to set a rate of interest on taxes remaining unpaid after said date. Maximum rate allowable for 2010 is 7.00 %. Selectmen recommend 60 days after commitment date and rate of interest at 7.00%.

Art. 77. To see if the Town will vote to allow the School Fund Committee to use the interest in the School Fund for the purchase of books for the New Suncook School Library, unexpended balance brought forward.

Selectmen recommend we do so.

Expended \$90.88; balance forward \$0.00

Art. 78. To see what sum of money the Town will vote to raise and/or appropriate toward the Lovell Athletic Field Account, balance to be carried forward.

Budget Committee & Selectmen recommend raise \$10,500.00. (11-0)

Expended \$9,500.00; balance forward \$0.00

Art. 79. To see if the Town will vote to take the money collected for Dog Licensing to be used for our Animal Control Account and carry the balance forward.

Selectmen recommend we raise \$500.00. (11-0)

Expended \$00.00; balance forward \$238.00

Art. 80. To see what sum of money the Town wishes to raise and/or appropriate for the Forest Committee Account and carry the balance forward.

Selectmen recommend raise no money. (11-0)

Expended \$00.00; balance forward \$60.28

Art. 81. To see what sum of money the Town will vote to raise and/or appropriate for the Milfoil Account, unexpended balance to be carried forward. Request \$17,500.00 and take up to \$20,000.00 from Surplus on an as needed basis, per approval of the Selectmen.

Budget Committee & Selectmen recommend raise \$17,132.00 with balance forward and up to \$20,000.00 from Surplus on an as needed basis, per approval of the Selectmen. (11-0)

Expended \$15,822.24; balance forward \$368.30

Art. 82. To see what sum of money the Town will vote to raise/or appropriate for the Salvation Army. Request \$250.00

Budget Committee & Selectmen recommend raise \$250.00 (11-0)

Art. 83. To see what sum of money the Town will vote to raise and/or appropriate for REACH. Request \$500.00

Budget Committee & Selectmen recommend raise \$500.00 (11-0)

Art. 84. To see what sum of money the Town will vote to raise and/or appropriate for the WEB Site Committee Account. Request \$500.00.

Budget Committee & Selectmen recommend raise \$500.00 and carry the balance forward. (11-0)

Expended \$1,363.00; balance forward \$00.00.

Art. 85. To see what sum of money the Town will vote to raise and/or appropriate for Senior Transportation Program. Request \$625.00.

Budget Committee & Selectmen recommend raise \$625.00. (11-0)

Art. 86. To see what sum of money the Town will vote to raise and/or appropriate for the American Red Cross of Southern Maine. Request \$1,000.00

Budget Committee & Selectmen recommend raise \$1,000.00 (11-0)

Art. 87. To see what sum of money the Town will vote to raise and/or appropriate for the Families in Crisis Task Force. Request \$200.00.

Budget Committee & Selectmen recommend raise \$200.00 (11-0)

Art. 88. To see what sum of money the Town will vote to raise and/or appropriate for the Digital Mapping Account, unexpended balance carried forward.

Budget Committee & Selectmen recommend raise \$4,400.00 (11-0)

Expended \$4,005.65; balance forward \$790.00.

The following Articles were received after the Selectmen had set a deadline for requests.

Art. 89. To see what sum of money of money the Town will vote to raise and/or appropriate for Western Maine Transportation Services, Inc. Request \$500.00.

Art. 90. To see what sum of money the Town will vote to raise and/or appropriate for the Kezar Trailbreakers Snowmobile Club. Request \$1,500.00.

Art. 91. To see what sum of money the Town will vote to raise and/or appropriate for the Greater Bridgton Lakes Region Chamber of Commerce. Request \$200.

2009 Selectmen Report

The Selectmen want to wish you a Happy New Year and we hope that things worldwide start to improve.

We have a few areas that we feel you all need to be aware of for this coming year.

First of all we want you to know that the Selectman are fully aware of the economic crisis that is occurring worldwide. With that being said we came in under budget last year of around \$60,000.00.

We are required by the State of Maine to follow Legislative Docket 1, (LD1) which sets a limit on the percentage the Towns can increase its municipal budget annually. In order to exceed this limit the state requires the Town to incorporate an article into the annual Town Meeting Warrant asking the citizens of Lovell if they wish to do so. (There will be an article to allow us to do this at this year's Town Meeting.) We will be presenting a budget, which stays within the LD1 limit. We are also proposing a budget exceeding LD1 that will allow us to increase the property tax limit.

If you refer back to the 2005 Town report in our Selectman's report we stated that we have about 50 miles of roads that must be maintained and upgraded for our future. Historically, the Town has paved about two miles of road annually. With the large increase in the cost of asphalt we can only pave half of the distance that we used to. This is not allowing the Town to effectively maintain its roads and we are falling further behind each year. For this years budget we are asking for \$100,000.00 more than in the past to help alleviate this problem. We have established a road plan and we are hoping that we will have your support with this.

This alone will push us over the LD1 limit. With the projected increase in the cost of our share of the School Budget, the County Budget and the Municipal budget increase we expect to have to raise the mill rate by \$.75. This will equate to \$75.00 per \$100,000 valuation.

Another new policy is the MUNICIPAL FUNDING POLICY & PROCEDURE In order for an organization or agency to receive funding from the Town at its annual Town Meeting, this procedure must be followed:

The Board of Selectmen must receive in writing **NO LATER THAN DECEMBER 15th** the request for funding. This request will be reviewed by the Selectmen and if approved will be sent to the budget committee for review. Please explain the need for your request and include in your request the total number served and the number or percentage of Lovell residents served.

We have just about completed all the work at the Cushman Pond Dam. We feel that the project was well done and looks great

We all recognize how special Lovell is and we need to all work together to in order to keep Lovell growing and to guide it towards the future.

Respectfully Submitted,
The Selectmen of Lovell

GREATER LOVELL LAND TRUST

The mission of the Greater Lovell Land Trust (GLLT) is “to protect the ecosystems of Kezar Lake and adjacent watersheds by promoting an appreciation of natural resources and responsible preservation, conservation, stewardship, development and public policy.” We continue to work closely with private landowners and community leaders to set aside our most valuable natural assets for community benefit.

The GLLT partnered with two landowners in 2009 to protect their property by means of conservation easements: including 16 acres on the shore of Horseshoe Pond, abutting other conserved land and 116 acres at the top of Hatch Hill Road in Lovell. Preserving these lands for sustainable land uses, including forest management and agriculture will help preserve the water quality of the Kezar Lake watershed, preserve valued viewsheds and wildlife habitats and when combined with all our other efforts, will have a positive impact on the economy of our region.

The Lovell Farmers’ Market was a huge success during its first year in 2009. While the market is not a GLLT program it is due in large part to the efforts of GLLT Director, George Westerberg who has led our agricultural program. He convened farmers, growers and producers to focus on effective means to advance local farming and farmland protection. The Lovell Farmers’ market grew out of these efforts, aided in large part by the Bridgton Farmers’ Market Association. A huge thank you goes out to Bryan and Meryl Molloy, who provided their property for the market and prepared it for use, on short notice. We join with many in looking forward to 2010 Lovell Farmers’ Market.

The Greater Lovell Land Trust was named Maine’s 2008 Landowner of the Year, Conservation Category, by the Maine Department of Inland Fisheries and Wildlife. Receipt of this award honors the long-standing commitment of the GLLT to maintain, to the greatest extent practicable, traditional uses of the properties under its direction while preserving environmental and conservation values as well as wildlife habitats. We are deeply grateful to everyone who made this award possible and cherish this recognition of our stewardship values. In addition, on December 14, 2009 the Susan L. Foundation (Camp Susan Curtis) announced that the GLLT and its Executive Director, Tom Henderson would receive an award for their support over the years stating that “ It has been invaluable in helping us advance our mission and serve more than 500 underprivileged children annually at the Camp Susan Curtis Leadership Center.”

We are continuing to raise funds through grants and donations for the purchase of Amos Mountain and the associated 198 acres. Amos Mountain is a prominent feature of the North Lovell landscape and has been enjoyed by hikers, horseback and snowmobile riders and hunters for many years. As part of the Heald and Bradley Ponds Reserve, this property can host such users for generations to come on 802 fabulous acres. We have raised \$147,500 to date and have another \$106,000 to go to complete the purchase.

This past year, we experienced unprecedented numbers of participants in our summer youth and family programs, our evening lecture series and our docent led walks, affirming our commitment to build strong human ties to our natural world. We regularly post new programs, all of our newsletters and news items of interest on our website at www.gllt.org .

The GLLT is thankful for the broad community support for our mission and programs and particularly grateful to the many volunteers and donors that make our efforts possible. We invite and encourage all to visit and enjoy the special places you have helped to protect for ourselves and future generations. For more information on how you can participate, please contact Tom Henderson, Executive Director at 925-1056, tomgllt@earthlink.net or by visiting our office at 208 Main St. in Lovell Village or at the web www.gllt.org.

Bill McCormick
President

LEWIS DANA HILL MEMORIAL LIBRARY

The Lewis Dana Hill Memorial Library hereby officially requests funding from the Town of Lovell. We would appreciate your continued support of \$5,000.

Our total patronage so far this year 2009 is 430. We are looking forward to increasing this number in 2010.

In an attempt to promote literacy with our younger residents and the number of home schooled children, the library has dramatically increased the young adult literature. We would like to continue this trend by purchasing more "first readers" which is the first level of the multi-level system our local schools use in their literacy program.

The board is committed to hosting occasional Saturday activities aimed at familiarizing our local children with the joys and benefits a small library can provide. Our first attempt, "A Spooktacular Event", found us painting pumpkins with over a dozen children! Many, if not all of the children, took additional time to visit the children's room to enjoy the seasonal book display and to check out books.

In addition to these activities there is maintenance and further winterization consisting of such projects as additional storm windows and exterior painting. The library has increased its hours to accommodate our reading public. Two hundred and eight books have been purchased this past year.

As always, we are thankful for the Town of Lovell's continued support of our unique local library.

Respectfully submitted
Ruth E. Mitchell, Acting Chairman

THE LOVELL HISTORICAL SOCIETY ANNUAL REPORT

Last year we continued to have a significant increase in our membership, cash donations and contributions to our collection. We now have over 700 members, made up not only of year-round residents but also summer residents and people interested in their Lovell roots. We are very fortunate to have this support.

We reached two major achievements in 2009. Our new publication, *The Lovell News*, was made available for sale. The book replicates a newspaper published during the 1930s by three Lovell boys and includes over sixty images. Next, our web site, www.lovellhistoricalsociety.org, now features a documents link. Transcriptions of Lovell's vital records, early maps and the town's updated cemetery records are currently available to view.

The Society's hours of operation are Tuesdays and Wednesdays from 9 to 4 pm and Saturdays from 9 to 12 pm. All are welcome to stop by and conduct genealogical research, investigate the Town's history, or just enjoy the museum display. For those unable to visit the Kimball-Stanford House during the new hours of operation, additional times are available by appointment. We can be reached at 925-3234, 925-2291 or by email - lovellhist@fairpoint.net.

Don't forget that the Society has more than 11,000 collection records online at our website. There are over 7,000 images to view as well as information on our archival material and library collections. We update the collection records monthly and encourage you to contact us regarding additions or corrections. If you would like to add family photos to this site, we would be more than glad to receive them or scan them and promptly return them to you.

It has been enjoyable being a part of the Society's growth and none of this could have been achieved without the support and dedication of the townspeople. Your contributions, which have taken many different forms, are greatly appreciated. Thank you so much!

Sincerely,
Catherine Stone, President

LOVELL VOLUNTEER FIRE CO. INC.

P.O. BOX 37 CENTER LOVELL, ME 04051

As I sit here on this cold winters day reflecting on 2009 I can't help but think thank god it's over! After a record snowy winter it was great to see the spring, but a few sunny warm days later we settled into a wet and windy summer. This helped to cut down on brush fires but caused numerous power outages and false alarms! The fall was spectacular as usual and winter returned cold and **no snow**, go figure. We truly are never really happy, are we. As we all know the economy has been in the tank for a couple of years with 09 showing little to cheer about!

With all of that said, I personally am very optimistic moving into 2010 hoping that we have seen the bottom and we're climbing out.

After watching membership slip in 09 we have seen an increase to start 2010, with several new members signing up eager to be trained and helpful at all levels. Many thanks to all of our members for the gift of their time and efforts, despite the increasing demands at home and at work.

The Department continues it's strides to keep up with changing regulations. Starting with our 3rd annual Super Saturday, where all members get their mandatory annual refreshers out of the way. We've also entered into new agreements to keep up with fleet maintenance, pump testing and maintenance, and continue to look at ways to upgrade our equipment to meet these requirements.

Long term projects include the "New" forestry truck which we have been building. The Department has been working on this truck for about a year, with a lot of member participation, wheeling, dealing, and hard work. It should be a piece of equipment that will give many years of service. Our goal is to have this project completed by the start of the spring fire season.

We have also been working on installing a generator at the Center Station. We acquired this from a neighboring town for a very reasonable price (free) and felt it could enhance our ability as a shelter. This project should also be completed spring 2010.

The next long term project, replacing the village tanker as well as engine 176 is underway. The truck committee has already spent months researching trucks to find the best fit for our Department moving into the future. I believe this is an important step in upgrading our fleet. Eliminating two 30 plus year old trucks and ultimately saving money. We are hoping to complete this project by mid 2011.

I close this year hoping for prosperity for all in 2010 and give my sincerest thanks to everyone who makes this community we live in a great place to call home. If you should ever have questions or concerns regarding the Lovell Volunteer Fire Dept. please feel free to contact me.

Respectfully submitted
Mark S Moulton, Chief L.V.F.D.

KEZAR LAKE WATERSHED ASSOCIATION

Our Community is blessed with magnificent lakes and ponds which comprise the Kezar Lake Watershed. To a large degree, the towns of Lovell, Stowe and Stoneham rely on our water bodies for their economic and social lifelines. Therefore, preserving the quality of Kezar Lake and its six surrounding ponds is critical to our water bodies for their economic and social lifelines. Therefore, preserving the quality of Kezar Lake and its six surrounding ponds is critical to our communities' well being and represents the platform upon which the Kezar Lake Watershed Association was created. As local residents and taxpayers, we all have a stake in this endeavor, with responsibility falling to both individuals and businesses alike.

The health of our watershed, nevertheless, remains at risk. As reported last summer, a plant fragment, later identified as Eurasian Milfoil, was removed from a fisherman's boat prior to entering Kezar Lake during a state-sanctioned bass fishing tournament. Were it not for an alert Courtesy Boat Inspector that morning in August, Kezar Lake could have joined Maine's growing list of lakes and ponds identified with invasive aquatic plant infestation . . . with far reaching consequences to our community!

Despite heavy rains during the spring and early summer, the KLWA's sampling results showed continued excellent water quality on Kezar Lake and the 6 ponds in our watershed. However, the dual threat of invasive plant infestation as well as harmful pollutants entering our water bodies remains a serious, on-going challenge; and we must do more! In our effort to further protect and preserve our treasured resources, the KLWA needs your continuing help and support.

The KLWA's Annual Membership Meeting will be held on Saturday, July 10, 2010 at the United Church of Christ in Center Lovell. All are welcome!

Respectfully,
Charlie Dattelbaum, President

LOVELL OLD HOME DAYS

A determined group of runners, parade participants and spectators braved the morning downpours, ensuring that the 2009 Lovell Old Home Days was a success. Friday night was the start of the weekend with many youngsters marching in the Kiddie Parade and winning baked goodies in the popular Cake Walk while the Kezar Trailbreakers provided a wonderful dinner with their annual Pig and Turkey Roast.

The 5k run had its most competitive field ever and continues to attract both local and regional runners. Two things of note from last year's run: an increased number of younger runners and the inclusion of a 70+ age group category (Congrats to Chet Rogers and Jim Munroe).

After the parade, the Athletic Field was busy with children playing many creative and home-made games. Adults enjoyed the live music at the gazebo and visited various booths staffed by local organizations.

We would like to recognize the generosity of countless volunteers who each year makes this event possible. We especially are grateful to those who help close the roads and make sure that the runners and marchers are safe.

As we plan the 2010 Lovell Old Home Days, the Committee hopes to expand the exhibits at the Athletic Field with an emphasis on Lovell's rural and agricultural roots. Please do not hesitate to join us or contact us with any suggestions!

PLANNING BOARD

The Planning Board acted on only one conditional use application this year, which may be a reflection on current economic conditions.

The Board began a study of our conditional use application process with a view to improving the quality of the documents submitted for approval of conditional use permits. The results of this review will eventually be proposals for amendments to the Zoning Ordinance. The same is true for current requirements in the ordinance regarding signs and lights, which the Board looked at and found more complex than appropriate for the needs of Lovell. We expect to complete work in both of these areas early in 2010, and will schedule one or more public hearings on the results before asking for any Town Meeting action.

Another area of Board activity this year has been public access to our waterbodies for boating, fishing and other recreational activities. Where is greater access needed and what is the best way to provide it? The Board plans to hold public hearings on this subject before taking any proposals to the Selectmen and the Town.

We completed a redraft of the Lovell Floodplain Management Ordinance this year. This was necessary in order to meet state requirements and maintain town eligibility for property owners to participate in the National Flood Insurance Program. Board recommendations for revisions were approved by voters at a special Town Meeting in June.

Regular Planning Board meetings are held on the first Wednesday of each month in the Town Office starting at 7:00 pm. Public attendance is always welcome.

2009 ANNUAL REPORT

CHARLOTTE HOBBS MEMORIAL LIBRARY

2009 has been a significant year of transition for the Hobbs Library. We said farewell and best wishes to our library director Patty Friedman, and welcomed former director Anna Romer back to succeed Patty. Rosie White continues to provide great support, as does our highly experienced staff and our many volunteers. We also have begun construction of our long awaited building addition, and expect completion by next July. The construction is being financed by private, state, and foundation contributions without any cost to the participating towns.

The Library continues to offer monthly programs for adults and children. MINERVA provides computer access to the resources of other Maine libraries. The annual Arts and Artisans Fair and the December Tree Lighting drew larger crowds from the town and a wider public. We also sponsor cooperative programs with the Greater Lovell Land Trust, the town Recreation Department, and the Historical Society.

Our library use, computer use, website hits, and program attendance *all continue to increase*, as they have in recent years:

	2008	2009	%
People Using the Library	16,324	16,745	2.6
Reference Questions	1,606	1,580	-1.2
Computer uses	2,919	3,473	19
Total Circulation	23,338	22,817	-2.2
Website hits	158,254	162,931	2.95
Program attendance	5,020	5,105	1.7

We continue to maintain reduced winter hours (closed Tuesdays) to reduce our expenses. We will reevaluate our policies once our building addition is completed.

Operating budget request: For 2010, we are requesting from the Town of Lovell, a contribution of \$37,500 toward our operating budget. This is the same amount we have requested for the past two years. By reducing hours and tightening our belts in other ways, we keep the library open as many hours as possible to meet community needs. We continue to raise over half of our budget through private contributions and the extraordinary fund-raising efforts of volunteers. The Library also continues to seek funds to complete our building expansion, furnish the interior, and establish a reserve to help defray anticipated increased operating expenses. We are grateful for the continuing operating budget support of the Town of Lovell, without which our "public library" could not sustain its current level of operation. We know that our expansion will also increase those costs for the future, and are preparing to minimize the burden on both town and library.

Robert C. Williams, President, for the Trustees: Dawn Ferguson, Joel Hardman, Mary Heroux, Kim Marie, John McCann, Jane Nesbitt, Bill McCormick, Fran Pollitt, Marcia Storkerson, Stan Tupaj, and Lyn Korth.

HELEN R. COE TRUST

In 2009, the Coe Fund Governing Committee disbursed \$65,000.00 from the Trust, with loans to 26 students. The Trust was unable to provide grants for non-profit organizations serving the Lovell community due to the unavailability of additional funds in 2009. Interest-free loans to students pursuing post-secondary education are available from the Trust to Lovell residents and are based on demonstrated need.

Students and organizations interested in receiving help from the Trust can get further information and application forms at the Lovell Town Office.

The Governing Committee:

Ed Ryan, Chairman

Karen Bacchiocchi, Secretary

Linda Dunlea

LOVELL RECREATION DEPARTMENT

P.O. Box 236 Center Lovell, Maine 04016 (207) 925-6272

Michael Mendonca, Recreation Director (207) 697-3574

Lovell Recreation Hotline (207) 925-1084

Lovell Rec. Web Site: www.lovellrec.com

In 2009 the Lovell Recreation Department programs had 575 participants. The department's mission of providing a variety of recreation opportunities for all ages was once again met with many sports programs, fitness activities, and recreational fundraising events.

The department's major programs: King Pine Ski, Baseball, Swimming, Tennis, Golf, Hershey Track & Field, Soccer, Basketball, and Wrestling programs continued to thrive, with registrations for swimming and tennis reaching saturation levels. New programs for 2009 were Archery, Girls Softball and Adult Pilates. Additionally, the King Pine Ski program now accepts grades 1-2 in the *Knee High* program; and the Lovell Recreation adult exercise program *Vitality & You* runs for nearly seven months of the year promoting health and wellness during those tough winter months. Management of the department programs ran quite smoothly in 2009 due to: families familiar with the seasonal program registration process; coaches and volunteers rehearsed in program delivery and administrative accountability; and excellent communication at all levels.

While maintaining the current level of operation of all Lovell Recreation programs and activities, our department's additional objectives for the 2010-year is to:

- Replenish the uniform inventory of several sport programs
- Collaborate with the school department in creating a summer day camp
- Provide program scholarship opportunities for families needing financial assistance
- Construct a tennis storage shed and rec. equipment storage building shelves
- Develop a Lovell cross country ski/snowshoe trail system

Improving Lovell Recreation Department's resources and keeping programs affordable in a tough economy is essential. Clearly, our department is one of your key town organizations that must collaborate with other area organizations in achieving the goal of community wellness. Additional factors in accomplishing this goal are having devoted Lovell Rec. Committee members that are in touch with community needs. Also the excellent support we receive from the Town of Lovell, the local businesses, and the SAD 72 School Department. Lastly, the department's foundation for success is in caring individuals that donate their time and resources to make the recreation programs fun and accessible to participants from Lovell and the towns our department serves. Yet another busy year awaits the department; so let us get together and "Keep on Rec-in!"

Sincerely,

Michael Mendonca

Director, Lovell Recreation Department

FRYEBURG RESCUE TOWN REPORT

To the citizens of Fryeburg, Brownfield, Lovell, Stow, and Chatham

2009 has come to a close on the books of Fryeburg Rescue. Fryeburg Rescue responded to 592 calls in 2009, up 2.59 % from 2008. The breakdown was as follows: Fryeburg 384; Brownfield 113; Lovell 55; Stow 18; and Chatham 13, others 9. Fryeburg Rescue would like to thank and acknowledge the help and support of all other agencies and organizations that assist us in our duties.

The break down of the types of calls we were dispatched for were: Abdominal pain, Anaphylactic Reaction, Animal Bites, Assaults, Auto vs. Pedestrian, Back Pain (Non-Traumatic/Non-Recent Trauma), Breathing Problems, Burns, Cardiac Arrest, Chest Pain, Choking, Diabetic Problems, Electrocutions, Eye Problems, / Injury Fall Victims, Fire Standbys, Headaches, Hemorrhage/Laceration, MCI (Multiple Casualty Incident), Medical Alarms, Overdoses, Pain, Pregnancy/Childbirth, Psychiatric Problems, Seizure/Convulsions, Sick Persons, Stroke/CVA, Traffic / Transportation Accident, Traumatic Injury, Unconscious/Fainting .

We have several members who are instructors for either the American Red Cross or the American Heart Association. They have given many CPR and First Aid classes throughout this past year. We also have several Instructor Coordinators that can give a variety of different classes as well. If you or your organization is in need of any classes please feel free to call and we will try to accommodate your needs. United Ambulance, Conway Rescue, Center Conway Rescue, North Conway Ambulance, and PACE have provided us with ALS Intercept coverage as well as mutual aid when we require it. The support of Life Flight and Dart continue to assist us with calls and they are extremely valuable services to have supporting our operations.

Historically and for 2010 we once again ask the Towns to support our Operational Expenses and our New Unit Fund. All other expenses such as training, licensing, new equipment, radios, turn out gear, and office supplies are paid for from Rescue Association raised funds. These expenses range between \$50,000.00 and \$100,000.00 annually. Our Rescue Barn is staffed from 8:00 A.M. until 5:00 P.M. We feel that this is in the best interest of all the Towns that we serve. This has been working extremely well for us.

As of January of 2010 our leadership includes a board of directors as well as EMS officers. As in the past any concerns should be addressed to our chief.

We are always looking for people who would like to join our squad. We offer a way for you to serve your community while learning some very valuable skills. Involvement does not require a doctor's medical expertise just a willingness to help people in need. We have applications in the rescue building, if you are interested please stop by and fill one out.

The officers for the 2010 calendar year were the following:

Chief, Stephen Goldsmith

Deputy Chief, Phil Remington

Assistant Deputy Chief, Mitchell Sparks

The Board of Directors for the Association is:

President, Edward Grove
 Vice President, Penny Parmenter
 Secretary, Jimmy Oliver
 Treasurer, Bob Ramsay

Other Board Members-Roberta Lord, Cathy Berg, Webster Fox

If you have any questions or concerns about Rescue please feel free to call me.

Thank you again for all of your support.

Respectfully Submitted by,
 Stephen Goldsmith, Chief of Fryeburg Rescue 2009

FRYEBURG RESCUE ASSOCIATION OPERATIONS BUDGET 2010
Revised 12/31/2009

	2009 funded	As of 12/31/09	2010 request
Stipends	8000.00	8000.00	8000.00
Building maintenance	7000.00	7423.08	7500.00
Electricity	4200.00	3863.04	4200.00
Building heat	5000.00	3595.57	4000.00
Medical supplies	20000.00	9943.78	16000.00
Insurance	13200.00	14396.30	15000.00
Radio maintenance	3000.00	931.04	2500.00
Telephone	2000.00	2468.50	2500.00
Vehicle maintenance	6000.00	4455.23	6000.00
Water	200.00	164.30	200.00
SMEMS dues	1030.00	1029.20	1250.00
Immunizations	500.00	0.00	500.00
Paramedic intercepts	3500.00	1600.00	3500.00
Vehicle fuel	8000.00	7179.28	8000.00
Misc. fees	500.00	703.82	750.00
Daytime payroll	28000.00	28697.01	32000.00
Totals	110130.00	94450.15	111900.00
Total without payroll			

As of 12/31/2009 I show a balance in the operations account of \$14,820.91.

Subtract balance from request brings request to \$97,079.09

% Breakdown by towns remains the same for this budget cycle.

Using the year-end figures town requests are as follows.

	2010 operations	2010 new unit payments
Fryeburg	69% \$66,985.00	50% \$8,250.00
Brownfield	16% \$15,533.00	20% \$3,300.00
Lovell	8% \$ 7,766.00	20% \$3,300.00
Stow	3% \$2,912.00	5% \$825.00
Chatham	4% \$3,883.00	5% \$825.00
Totals	\$97,079.00	\$16,500.00

LOVELL INVASIVE PLANT PREVENTION COMMITTEE (LIPPC)

Good News / Bad News

You have probably read, "Report of Eurasian milfoil found on a boat this season is expected to raise awareness of all lake residents." The good news is that our alert Courtesy Boat Inspector (CBI) spotted the milfoil fragment and prevented it from getting into Kezar Lake. The bad news is that the potential exists for a real disaster unless we remain vigilant and back efforts to prevent infestation of Lovell's valuable revenue producing water resources

At the 2009 "Battling the Invaders Roundtable" held at St Joseph's College, it was reported that after the introduction of Eurasian milfoil in Arrowhead Lake, property assessments declined by 10-20%. If this were to happen on Kezar Lake the effect would be felt by every taxpayer in Lovell. Presently lake front property accounts for approximately 80% of the Lovell tax income. An invasive plant infestation of the lake that caused a measurable drop in assessment of lakefront property would make it necessary to increase mil rate to meet the town's budget requirements. This would impact not just lakefront property owners but every taxpayer in Lovell. This possible scenario should heighten our community wide awareness of the Lovell Invasive Plant Prevention Committee mission, to protect our water bodies from invasive species.

Intercepting the milfoil on a tournament boat in 2009 has proved the effectiveness of Courtesy Boat Inspections. This technique of visual inspection is judged to be the most effective means of preventing the movement of invasives from one water body to another. The commitment of the town, its selectmen, the LIPPC, CBI volunteers, and independent organizations such as KLWA has been effective and needs our continuing support. Equally important is involvement of all citizens in being vigilant regarding invasive aquatic plants and invasive aquatic species. The hydrilla found in 2009 in Damariscotta Lake was detected when a lake resident, who had recently attended an invasive plant identification training program, reported suspicious plants in a small cove on the lake. This prompt action may have prevented wider damage.

Finding a fragment of Eurasian milfoil on a boat inspection is hardly a cause for celebration. However if this event triggers a greater awareness in the community of the dangers of invasive aquatic species, it will be good news indeed. We need the participation of all members of the community in learning to recognize and reporting possible invasive species and as Courtesy Boat Inspection volunteers as well as the active backing of all organizations concerned with protection of the Lovell revenue producing water bodies to succeed in keeping our lakes and ponds free of infestations.

Respectfully submitted,
Lovell Invasive Plant Prevention Committee

LOVELL CONSERVATION COMMITTEE

2009 Annual Report

This year the Commission, with the generous help from the Coe Fund, was able to send three Lovell youths to the University of Maine 4-H Camp and Learning Center at Bryant Pond (what we used to know as the Maine Conservation School).

The young people who have participated in these programs have all expressed an appreciation for this opportunity.

This years campers had this to say;

Thank you for sponsoring my stay at the Bryant Pond 4-H Camp and Learning Center.

I'm having a great time! The councilors are great! Everything is fun! I learned a lot. All of the activities are great experiences. I really enjoyed Safari-in-a-box. Looking at all those skulls and furs was fun! P.C.

Thank you for sponsoring my stay at the Bryant Pond 4-H Camp and Learning Center.

Thank you for letting me go to camp I'm having so much fun I love it here & I'd love to come next year. I've learned so much stuff. It's very fun. M.E.

Regretfully the Coe fund will not be available to our campers this year which compels us to ask the town for greater assistance.

The Conservation Commission has continued with the planting of flowers at the intersection of Rte. 93/Rte. 5, the Minuteman Park next to the Library and the Town Office.

Sincerely,
Eric Gulbrandsen

KEZAR TRAILBREAKERS SNOWMOBILE CLUB

The Kezar Trailbreakers had a fantastic 2008-2009 season. We were very lucky to have lots of great snow and support from people in town. However the weather in 2009-2010 is a different story. At the time of this letter we have not been able to open the trails in nearly a month. While this has allowed club members to be well rested due to the fact that we are not grooming through the night, it has greatly affected local businesses as well as our club in a negative way. As everyone knows without snow, we do not get the traffic that brings in donations. With that said, our club continues to hold several fund raisers throughout year helping to raise money to operate our Pisten Bully groomer and maintain our trail system.

We start off every year with our poker rally in February, a landowner appreciation pig roast and barbeque in July, and a golf tournament in August that has been booked solid with players for the past two years. Again all of this could not be done without the generosity of land owners, Lovell residents, businesses and tourists alike. If you do not already attend our fundraisers we strongly encourage you to come, they are always great events for the entire family. We are already looking forward to next winter and we hope that mother nature will take better care of us in 2011.

FROM: Millicent M. MacFarland *m.m.*
 Clerk of the House

Many municipal annual reports include the category of "Representative to Legislature" at the conclusion of the listing of Municipal Officers.

In the belief you may want to aid citizens to more readily contact their House member, we are hopeful that you will include the following information in the Municipal Officers section:

Representative to the Legislature
 (term exp. 12/1/10)

	District: 98
State Representative:	Hon. Richard M. Sykes
Home Address:	P. O. Box 86 Harrison, ME 04040
Residence:	(207) 583-2958
Business:	(207) 287-1440
E-Mail:	rksykes@myfairpoint.net
Capitol Address:	House of Representatives 2 State House Station Augusta, ME 04333-0002
State House E-Mail	RepRichard.Sykes@legislature.maine.gov
Telephone:	(207) 287-1440 (Voice) (207) 287-4469 (TTY)

Year-Round Toll Free House of Representatives Message Center 1-800-423-2900

COMMITTEE:
HOMELAND SECURITY AND
GOVERNMENTAL AFFAIRS
Floor Speech Member
APPROPRIATIONS
ARMED SERVICES
SPECIAL COMMITTEE
ON AGING

Town of Lovell
P.O. Box 236
Lovell, ME 04016

Dear Citizens of Lovell:

In 2009, I began my third term in the United States Senate. I remain deeply honored by the trust the people of Maine have placed in me, and I appreciate this opportunity to report on some highlights of my recent work in the U. S. Senate.

A significant accomplishment came in December when the President signed transportation legislation that includes a provision I authored to create a one-year pilot project to allow trucks weighing up to 100,000 pounds to use federal highways in Maine. This is moving heavy trucks off Maine's secondary roads and out of our downtowns and onto our modern, multi-lane, controlled access highways for one year, during which time a study of the impact on safety, commerce and road wear-and-tear would be conducted. In addition, this change helps to level the economic playing field, as neighboring states already have this exemption.

My appointment in early 2009 to the powerful Appropriations Committee has allowed me to have greater influence on the funding of priorities that are important to Mainers, such as shipbuilding, health care, education, and transportation, while also giving me the ability to continue pressing for the elimination of wasteful spending that exacerbates our federal deficit.

As a member of the Senate Armed Services Committee, I continue to be an advocate for Bath Iron Works, the Portsmouth Naval Shipyard, the Maine Military Authority in Limestone, and the many other defense contractors and institutions in Maine that contribute so much to our national security. In August, I traveled to Iraq and Afghanistan and had the opportunity to meet with many service men and women from Maine. My conversations with them were the most important aspect of my trip to the region. Our troops are brave, dedicated, compassionate, and highly skilled. I will continue to work hard to ensure that they have the support their difficult missions require.

Perhaps the greatest challenge facing our nation continues to be the struggling economy, and among my highest priorities are getting our people back to work and our economy back on track. That is why in early 2009 I joined a bipartisan effort to pass the American Recovery and Reinvestment Act. The bill contains robust infrastructure spending, significant funding for state aid and education, and tax relief for low- and middle-income families and for small businesses. As a result of this bill, Maine is receiving approximately \$133 million for highway investments, more than \$50 million combined for the Clean Water and Drinking Water State Revolving Funds, and \$70.5 million for weatherization and energy efficiency projects.

Energy policy remains another great challenge: America's reliance on foreign oil harms our economy, our security, and our environment. Meeting the challenge of developing energy alternatives will provide great opportunities for Maine to build an economy for the future, with new industries and thousands of good jobs. This endeavor received a significant boost last October when the U.S. Department of Energy announced an \$8 million grant for deepwater offshore wind research at the University of Maine, and Congress also approved \$5 million I sponsored for the Maine Offshore Wind Initiative at UMaine. This January, the U.S. Department of Commerce announced a \$12.4 million laboratory construction grant for the University of Maine. I strongly advocated for these projects because, with some of the strongest winds in the nation off our coast and some of the best engineers in the field, Maine has great potential as an ideal location for offshore wind projects and can take the lead in the development of clean, renewable, and affordable energy for America. Estimates are that development of five gigawatts of offshore wind in Maine — enough to power more than 1 million homes for a year — could attract \$20 billion of investment to our state and create more than 15,000 green energy jobs that would be sustained over 30 years.

Of course, this past year brought not just successes. A disappointment was the failure of Congress to produce bipartisan health care reform legislation that would contain soaring costs and provide more choices for struggling families and small businesses. I am deeply concerned about the nearly \$500 billion in Medicare cuts included in the bill.

It is fiscally irresponsible to raid Medicare — a program which already has long-term financing problems — to pay for a new entitlement program, particularly at a time when the number of Medicare beneficiaries is on the rise. The bill would saddle Maine's hospitals with some \$800 million in Medicare cuts over the next ten years, and could push one in five hospitals, nursing homes, and home health providers into the red. Ultimately, such cuts could jeopardize access to care for millions of our nation's seniors.

As the Ranking Member of the Senate Homeland Security Committee, I am committed to ensuring that our nation is as safe as possible and that government is better prepared to respond to disasters. The Christmas Day terrorist attempt to detonate explosives on an aircraft reminds us of the dangers we continue to confront. My homeland security priorities include further strengthening our defenses against terrorism and providing our first responders with the resources they need.

On March 19, 2009, I reached a personal milestone when I cast my 4,000th consecutive roll call vote, continuing a record of participating in every single roll call vote since I first came to the Senate in 1997. I am grateful for the opportunity to serve South Berwick and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County office at 207-283-1101, or visit my website at <http://collins.senate.gov>. May 2010 be a good year for your family, your community, and our state.

Sincerely,

A handwritten signature in black ink that reads "Susan Collins". The signature is written in a cursive, flowing style.

Susan M. Collins
United States Senator

IMPORTANT**ALL TAXPAYERS SHOULD READ THE FOLLOWING
REQUIREMENTS AND COMPLY WITH THEM**

Chapter 81, Section 35 of the Revised Statutes of Maine require the Assessors to give notice to bring up lists of taxable property. If no lists are brought in, no claim for abatement.

“Before making an assessment, the assessors shall give reasonable notice in writing to the inhabitants by posting notifications in some public places in town, or shall notify them in such other way as the town directs, to make and bring in to them true and perfect lists of their polls, and all their estates, real and personal, not by law exempt from taxation, of which they are possessed on the first day of April of the same year. If any resident owner after such notice, or any nonresident owner after being reasonable requested thereto by the assessors, does not bring in such a list, he is thereby barred of his right to make application to the assessors, or county commissioners, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon nonresident owners may be proved by a notice sent by mail to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayer.”
