Annual Town Report

2016 Annual Town Report Dedication Brownville Free Public Library

The Town Report this year is dedicated to the Brownville Free Public Library and the many people who make its continued operation possible. The Brownville Free Public Library has grown steadily in recent years to offer a wider range of public services and because of this has become a central part of the community.

The library's success is possible because of its valued Board of Directors; Nancy Paprocki, Margaret Williams, Christopher Crockett, Virginia Wentworth, Jean Brown, Allana Washburn and Betsy Bessey. Nancy also volunteers almost every week at the library. Autumn Chadwick, the hard working and dedicated Library Director, is instrumental in ensuring that the numerous programs offered by the library are implemented and that patrons can make use of the library with ease. It is to this group of people and their civic contributions to the library that we dedicate this report.

The Brownville Free Public Library has excelled in the mission of promoting literacy and raising the excitement of learning with our local children by offering a wide variety of programs and activities, from free visits to the Maine Discovery Museum to drawings for free Kindle e-reader devices.

The library is constantly offering new ideas and programs including holiday themed fun activities, summer reading programs, and summertime events. Many of these events have included snacks, prizes for young people, games and other outdoor activities.

In a day when people are spending less time reading, the library truly has become an inspiration and a good reminder to all of the joys of reading, and it has become a focus to many of our young people where they now have a viable alternative for after-school and summertime activities. It has also grown to provide a valuable resource to many of its patrons providing needed internet access and computer resources.

We encourage every citizen of the Town of Brownville to visit and make use of the library. We are also excited to see the library continue to grow and are thankful to all of the people who help make that happen. We thank them for providing such a wonderful commodity to our town and look forward to their continued success.

2017 Brownville Budget Committee Report

The committee is comprised of seven members. The Budget Committee met four times to work on the 2017 budget. The meeting dates were January 31, 2017, February 7, 2017, February 21, 2017, and March 6, 2017. All budget meetings were open to the public and meeting minutes are available at the Town Office. The committee has one new member this year; Gary Chapman replaced George Dean as George was voted in as one of our selectpersons. If you have questions or concerns about the 2017 Budget Committee or the process contact me or any of the other committee members.

The Town Employees and Town Manager have once again practiced due diligence in preparation of the initial budget the committee received. This made it easier for the Budget Committee to do its work. I want to thank the hard working Budget Committee members.

It is very difficult to keep taxes down unless we start looking at cuts in some of the town's basic services. Please let us know what you think of current service levels. One of the biggest town property tax issues is the ever increasing school budget. The school budget last year was 49 percent of the town's overall budget. Brownville normally has had a low turnout on the day voting takes place on the school budget.

Take time to review the 2017 Annual Town Warrant prior to the town meeting so you can come prepared. Come to The Town Meeting, and be part of the truest democracy we have.

Sincerely, Terrance R. Knowles, Chairperson

TOWN OF BROWNVILLE

OFFICE OF THE TOWN MANAGER

2016 a Year in Review

Dear Residents,

Another year has passed and I would like to thank the residents of Brownville for their support. Although I have worked for the Town for 23 years, this past year has been the most challenging. Taking on the job of Town Manager, and continuing to perform my duties as Office Manager and Town Clerk has been a little overwhelming. With the help of the Board of Selectpersons and the great employees that we have here in Brownville I made it through.

The Town was able to save a considerable amount of money by combining the two positions and with all the budget constraints this was very helpful.

Our staff continues to be creative in working as a team to continue to provide various services on a tight budget. The Sewer Pump Station Project will continue this spring and thanks to grants that were available, there will also be a project to replace the Front St. culvert this summer.

Marvin Lundin retired this year after several years working as a part-time employee. Although we wish him well and hope that he enjoys his retirement it left a big gap in our Public Works and W/S Dept. We will miss his great attitude and friendly personality. Eric Bubar also left the Town for different employment and Jeffrey Witham was hired to fill the open position.

Brownville's staff and Select board are a very dedicated group of individuals trying their best to meet the needs of our citizens. If you have ideas, concerns or suggestions please feel free to ask me or any of our Board members. We work on your behalf and want your input. The Board meetings are always open to the public.

Sincerely, Kathy K. White Town Manager / Town Clerk

2016 Brownville Police Department Report

I would like to start by saying that I am humbled to be issuing the 2016 yearly report for the first time as the Chief of the Brownville Police Department. We ended the year with a total of 1,725 calls for service, which was up slightly from 2015. We, as a department, issued 33 criminal/civil summonses and we performed approximately 140 traffic stops over the course of the year.

In 2016, we saw a lot of change within the department. In March we implemented a new Law Enforcement computer system that was being utilized by other agency's within the county. This system makes it much easier for our officers to do their job as it is specifically designed around public safety concepts. This system was made available for us to use by the Piscataquis County Sheriff's Office at no additional cost to our citizens.

In April, Christopher Gibson stepped down as the departments Patrol Sergeant. I then had the opportunity to move from a part time patrol officer to the Sergeant's position to fill the void. In Mr. Gibson's absence we also had the opportunity to hire Melanee Mitchell as the towns new Animal Control Officer. ACO Mitchell has done a wonderful job as she has transitioned into her new role.

As we moved into and through the summer months, we, along with many other Law Enforcement Agencies in the region, were struggling to find adequate staffing to fill our open shifts. In an effort to combat this trend, our command staff worked closely with the Town Manager and the Board of Selectmen to provide a pay increase for our reserve officers, which better aligned our wages with the industry standard.

We have also added several part time patrol officers to our roster in order to combat the staffing problems that seems to have affected every department in the region. We added Officer Michael Larson, Officer David Boxwell, Officer Matthew Nadeau, Officer Joseph Stalter and Officer Lance Sanborn. The additional support has allowed us to maintain our standard coverage for the town. Along with Mr. Gibson, we had one other officer resign in 2016. Officer, now Inspector, David Henderson accepted a job with the Maine Fire Marshals Office and his duties prohibited him from continuing his employment with us.

The Brownville Police Department continues to follow a "community policing" model of Law Enforcement. We are striving to make your department as transparent and inclusive as possible to better facilitate positive growth and trust between the department and the people we serve. We will always focus on the needs of the citizens and businesses that call Brownville home.

The Brownville Police Department has continued to work well and create a strong, professional relationship with the Milo Police Department, the Piscataquis County Sheriff's Office, the Maine Warden Service, the Maine Forest Service and the Maine State Police. We both provide and receive assistance to the Milo Police Department in a mutual aid capacity on a regular basis. We have continued to bolster our relationship with the Maine Warden Service by working with them on the ATV Grant program, which, along with the Underage Drinking Task Force Grant, has allowed us to detail additional officers with no added cost to the community. We look forward to maintaining our relationships with these agencies while we work to build and enhance relationships with others.

The Brownville Police Department continues to employ a dedicated group of officers who routinely work with a high level of professionalism and work ethic. These individuals, working together have made it possible for the department to function at the level that it does today. Thank you to Cpl. Chad Perkins, Officer Jay Hallett, Officer Jason Heal, Officer Michael Parady, Officer Scott Mahon, Officer Derek Hersey, Officer David Peters, Officer David Boxwell, Officer Matthew Nadeau, Officer Joseph Stalter and Officer Lance Sanborn for their continued dedication and support to the Brownville community.

I would also like to thank the Milo Police Department, the Maine Warden Service, the Maine State Police, the Maine Forest Service and the Piscataquis County Sheriff's Office for their assistance throughout the year.

And, in closing, I would like to express my gratitude to the citizens and business owners of Brownville. It is no secret that without your overwhelming support, we would not be able to provide the level of law enforcement and services that the town requires to maintain a safe environment for our citizens.

Sincerely,
Seth C. Burnes
Chief of Police, Interim
Brownville Police Department

2016 Animal Control Officer's Report

I am pleased to make this 2016 yearly report as my first year as the Animal Control Officer. 2016 was a good year as far as animal welfare was concerned. I took over in May of 2016 for Christopher Gibson, who resigned from the position.

Since becoming the ACO for the Town of Brownville, the town has maintained a high level of on time licensing and compliance with barking dog, and dog at large ordinances.

It is the goal of the Animal Control Officer to make every reasonable effort to get lost animals back to their owners as opposed to taking them to an animal shelter. In the last year there have been several dogs successfully returned to their owners after getting loose. The Town of Brownville hosts a Rabies Clinic every year, which is typically in the fall, prior to licenses expiring. You can follow us on the Town of Brownville or Brownville Police Department Facebook Pages for more information.

All dog licenses expire on December 31 of each year, regardless of when you license the dog. Dogs must be registered at six months of age or within ten days of ownership. Maine State Law determines the licensing and late dog fees (\$25.00). Neutered and spayed dogs are \$6.00 and non-neutered and non-spayed dogs are \$11.00. You must provide proof of rabies vaccination at the time of registration. You may license your dog(s) at the Town Office during regular office hours.

8:00 am - 4:00 pm Monday - Thursday
8:00 am - 5:00 pm (Last Wednesday of each month)
8:00 am - 3:00 pm Friday

If your phone number or address has changed, or you no longer own a dog that you have previously licensed in the Town of Brownville, please call the Town Office so that our list can remain current on actively licensed dogs.

"Caring For the Community since 1970"

To the town of Brownville:

Once again this year has flown by and as always it has been a pleasure serving the community. We are starting the 47th year of serving our community. We are being served by some of the best professionals in the area, and I could not be more proud of the accomplishments, we have made. This year we have hired a Basic Emergency Medical Technician and have lost a Paramedic, due to moving out of the area and an Emergency Vehicle Operator, due to medical issues.

We have seen an increase again in the call volume to 908. We also were unavailable for many calls, as they came in when we were already out on a previous call. Our mutual aid services were called to cover these calls.

We would like to thank Milo Fire First Responders for all the help they have given us this past year. We continue to work well together in providing the best care possible for our community. Milo and Brownville Police for being on scene to lend a hand and ensuring that the crew is safe when needed. Also, the Milo Public works for clearing the snow to make sure we are able to go out when called.

WATER AND SEWER DEPARTMENTS

Administration & Collection Report

In 2016, we served an average of 359 residential and 34 non-residential water accounts. While many pay their bills in a timely manner, we mailed a total of 417 disconnection notices, with 3 actual disconnections occurring, and 3 reconnections following disconnection. We also negotiated 96 payment arrangements throughout the year. In 2016, we billed customer accounts a total of \$210,608 for water service. At year end, the Brownville Water Department had a total accounts receivable (outstanding customer accounts) balance of \$3,933.70 (principle, interest, & lien costs). This included 33 accounts with credit balances of \$3,444.77 and 43 accounts with outstanding balances totaling \$7,378.47 (principle, interests, and lien costs). The Department followed Maine Public Utilities Commission Rules for disconnection due to non-payment and lien procedures to secure outstanding balances.

Sewer customers were billed a total of \$170,118 for sewer service in 2016. At year end, the Brownville Sewer Department had a total accounts receivable (outstanding customer accounts) balance of \$20,596.62 (principle, interest, & lien costs). This included 2 accounts with credit balances of \$140.05 and 94 accounts with outstanding balances totaling \$20,736.67 (principle, interests, and lien costs). The Department followed lien procedures to secure outstanding balances.

Water and Sewer Department Operations

Personnel were quite busy responding to issues related to operation of the water and sewer systems. In total, 14,403,200 gallons of water were produced in the Village and Junction systems. Much of the Department's time was spent with routine maintenance, flushing, testing, and operations within the systems to ensure compliance with our license standards. We invite folks that would like more information about our specific operations to review the Consumer Confidence Report that we have on file each spring.

In 2016, the Brownville sewer systems (11 small subsurface systems in the Village and one more traditional subsurface system in the Junction) treated 9,466,212 gallons of influent (waste). Much of the Department's time was spent with routine maintenance, testing, and operations within the systems to ensure compliance with the standards outlined in our various wastewater licenses. A great deal of time and money was spent dealing with plugged sewer pumps caused by inappropriate materials being disposed of in the collection system.

Over the last year, we have had many plugged sewer pumps due to inappropriate material being flushed down the drain. These plugs are costly and, if continued, may likely lead to increased sewer fees to pay for overtime and sewer pump repairs. While flushing other material may seem more convenient, it will cost sewer customers a lot of money in the long run if the problem continues.

The ONLY items that should go into the toilet are human waste and toilet paper.

2016 Recreation Department Report

The Recreation Department wrapped up another successful year in 2016 where we were able to offer many different recreation programs for all age groups. This year would not have been successful without the help of our limited and seasonal part-time staff and volunteers.

The Brownville and Milo Recreation Programs continued to work very closely in a partnership that has grown over the past few years. Working together allows us to provide more programs at a lower cost and to keep programs alive with dwindling numbers. We want to give a large thanks to Jessica Atkinson, Milo Recreation Director, and her high school assistants for their hard work and dedication to making this partnership run smoothly.

This year we were able to take our Travel Baseball and Softball Teams to Boston for a Red Sox Game, something that has not occurred in a few years. This was an experience that these kids will not forget, as I have yet to forget the wonderful times I got to go with the Rec. Department. This trip would not have been possible without the help of the parents who spent hours working fundraisers. Special thanks to Lynn's Country Creations for the donation of signs to sell as a fundraiser and to all of the community members who stopped at the Fill the Helmet and other events. We once again were able to partner with the YMCA, MSAD #41 and our local Kiwanis to offer a swim program. Without the Kiwanis' contribution to this we would not be able to offer this fabulous program, which sends up to 40 children to swim, many thanks to them.

We need to thank MSAD #41 for allowing us to use the Brownville Elementary School for our winter youth basketball programs. This collaboration is part of a service swap agreement between the school, for plowing services, and the Town, for use of the building, aimed at saving the taxpayers money. The Recreation Department would like to send out a special thank you to the janitor at Brownville Elementary who is relentless in her efforts to help things run smoothly when we are there. Thank you Miss Heidi Thomas.

Town of Brownville Emergency Management Report for 2016

Good news! Once again, we have had no reportable incidents and have not activated the Emergency Operations Center (EOC) once this year.

We had two training events this past year. One dealt with ethanol spills and one tested individuals' response to initial callout. In the training sessions, the County Emergency Management Director and Maine Emergency Management Agency contracted instructors were involved. Local Brownville and Milo firefighters and police were in attendance.

The first session was classroom training dealing with ethanol tank car spills. The contract instructor covered containment and fire fighting. During the next session we did some hands-on training with the purpose of the exercise to evaluate all members' actions and capabilities during a non-standard initial response.

I want to thank all our first responders who attended the trainings. I would also like to thank the Piscataquis County Emergency Management Director and the Maine Emergency Management Agency.

The Police and Fire Departments handle countless calls every year that could be classified as emergency which require the activation of an Incident Command System. They deal with the problems in a quick and professional manner. This truly makes my job much easier and you more secure.

I want to pass on another good news story. The Brownville Fire Department has picked up some more and younger fire fighters. Thanks to Chief Kevin Black and his Officers, regular training is being conducted and a vibrant fire fighting team is emerging.

Thanks to all those who have volunteered their time at no cost to prepare the town to respond to emergencies.

Terrance R. Knowles, Brownville Emergency Management Director

Brownville Free Public Library 2016 Report

Over the past year the Brownville Free Public Library circulated almost 1,000 books and nearly 200 DVDs. The Library welcomed 44 new patrons and had a total of 1,644 visits! Since libraries aren't just for borrowing materials we also offer FREE Wi-Fi (24/7), 2 public computers and copying services. These great extras were used 686 times in 2016. Remember, if you ever need assistance using a computer or any other device we'd love to help!

For the 2nd time in as many years the library applied for, and was selected to participate in a "Let's Talk About It" book discussion program offered by the Maine Humanities Council. All the books and materials for this program were provided by the Maine Humanities Council and the Maine State Library at no cost. The Maine Humanities Council also provided us with an excellent facilitator that guided the group through discussing each book in the "Mysteries by Maine Authors" series. We were thrilled to have a total of 13 participants! We may have the chance to offer another of these great programs in the future, so keep your eyes peeled!

In March the Library hosted an Easter egg hunt at the Church Street playground. Over 100 eggs were hidden and all of them were found by the 35 kids that joined in on the hunt. We plan to host an Easter egg hunt again in 2017. In April the Library purchased a Maine Discovery Museum pass with funds remaining from a Stephen and Tabitha King grant. We were able to loan out 1 pass per day which covered admission for up to 4 people. A total of 26 kids and adults borrowed this pass to visit the Maine Discovery Museum for free! During the month of July we had a group of 13 kids get together on Tuesdays and Thursdays for our summer reading program "On Your Mark, Get Set, Read!". Everyone took turns reading and participating in some friendly competition. We spent a few afternoons at the playground to enjoy the fresh air, read and race. On one of the days we went to the playground we did a rainbow scavenger hunt and brought back 5 bags of very colorful litter! Each day a child attended the reading program their name was entered into a drawing to win 1 of 2 Kindles donated by the Pleasant River Lodge of Masons. Rylee Heal and Michael Drake were very excited to have their names drawn as Kindle winners. On Halloween the Library Board of Directors dressed up in costume and handed out candy and books. We had 11 fabulously dressed Trick or Treaters stop in for a treat. On December 23rd the library opened its doors from 5-6pm for our 3rd annual "Candy Canes, Cocoa & Christmas Stories". We were very excited to share snacks & stories and to celebrate the holidays with 15 little visitors.

As always, everyone at the Brownville Free Public Library is very pleased to have had the opportunity to serve our community for another year and we would like to thank everyone who has supported us, volunteered time or made donations to help us along the way!

Respectfully submitted,

Autumn Chadwick, Library Director

COVERNOR

STATE OF MAINE OFFICE OF THE GOVERNOR 1 STATE HOUSE STATION AUGUSTA, MAINE 04333-0001

Dear Citizens of Brownville:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

WASHINGTON, DC 20510-1804

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Piscataquis County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor state office at (207) 945-0417 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins United States Senator

Dear Friends and Neighbors:

Let me begin by thanking you for the honor of serving you in the Maine Senate. I am humbled that you have put your trust in me to represent your interests and can assure you I will continue to work tirelessly on your behalf. Please let me provide you with a recap of the 127th Legislature, as well as my hopes for the upcoming 128th Legislature, which convenes in December.

Last year, we continued the work of reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco and lottery tickets with welfare benefits. While there is more work to be done in reforming our welfare system, I believe these efforts will help to deter such abuse of the system and help ensure that benefits are going to those who truly need them.

Another accomplishment of the last session was the passage of tax relief for commercial agriculture, aquaculture, and wood harvesting businesses that employ so many of our fellow Mainers. We were also successful in conforming Maine's tax code to the federal code, making permanent tax cuts meant to stimulate job creation in Maine.

I was pleased to have played a part supporting tax relief efforts in my previous term, and am hopeful we can build on that momentum to enact further relief during the coming session. It is clear that we must continue to do all we can to attract more jobs to our state and you have my promise to continue advocating for proposals which will expand economic opportunity for all Mainers.

You have my sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or sendavis@myottmail.com if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

January 2017

Dear Friends & Neighbors:

Our county and communities continue to face significant challenges, as we are experiencing the effects of an on-going, 20-year decline in our population. The 25-54 age cohort dropped 26% this decade alone. Furthermore, student enrollment in Piscataquis County has lost over 1,000 students in the past 20 years, while our senior population continues to expand, leaving healthcare services strained.

Jobs and the Economy – The forest products industry is a key foundation in sustaining and creating jobs. As a member of the Commission to Study the Economic, Environmental, and Energy Benefits of the Maine Biomass Industry, along with my appointment to the Agriculture, Conservation, and Forestry Committee, I have been given the opportunity to be an influential advocate for matters involving agriculture and forestry.

Broadband/Technology – It is an honor to be working as part of a bi-partisan coalition that is backing a \$10 million bond for broadband development in rural Maine. Currently, the county-wide broadband planning process will lay the foundation for accessing funds from the bond.

Education – The proposed State budget challenges our current funding practices. Being a long-time educator, having experienced the impact of school funding on rural schools, it is important that our interests are heard. Rest assured, I plan to maintain an open dialogue with leaders from both parties in order to ensure equitable resources for our young people.

Drug Epidemic – In partnership with the Maine Medical Association and the Prevention and Harm Reduction Task Force, legislation has been submitted to fund a model prevention program for the State in Piscataquis County. It will create a collaboration of schools, healthcare providers, law enforcement, and community action groups.

Seniors/Health Care – The aging tour conducted by Maine's previous Speaker of the House clearly identified challenges in our region. As such, I am coordinating with telemedicine officials, in conjunction with the broadband initiative, to create expanded access to in-home healthcare monitoring.

Thank you for allowing me to be your voice Augusta. I look forward to responsibly "cooperating" with my fellow lawmakers to create a promising future.

Sincerely,

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of voters in advance of the Annual Town Meeting day. It should be kept in mind that if copies are left at home, there may not be enough remaining to go around on Town Meeting day. This year or any year; it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you to the Annual Town Meeting on Monday, March 20, 2017.
