ANNUAL REPORT
Of The
MUNICIPAL OFFICERS

Of The Town Of

CUTLER

Maine

2013-2014

We, the Board of Selectmen for the Town of Cutler, decided to take this opportunity to say a very special “Thank You” to Teresa M. Bragg for 16 years of Public Service to our town. She was hired in 1998 by then Selectmen, Dave Eldridge and Patrick Taylor. She was, in fact, an elected Official and had to resign her post as Selectman so that she could apply for the position which was held by Paula Maker. In the years to follow, Teresa has seen her responsibility grow to what it is today. As a person that once held some of her duties, I am truly amazed at the amount of work required including reports done weekly, monthly, quarterly, semi-annually and year end. She tackles each task with a positive attitude and meets deadlines, all the while handling the daily needs of our citizens. She gets the sometimes unpleasant remarks of the taxpayers, but always manages to diplomatically answer each comment to a satisfactory conclusion. She has a huge financial obligation to the Cutler School Department as well as being Treasurer for the Town. One must realize that under town laws, all monies must be kept to the penny for audits and accountability. She has been instrumental in applying for and receiving grant money for the town as well as bearing the burden of getting the best possible loans for some of our latest road and school projects. Her job includes many responsibilities that most people are unaware of and which the Selectmen learn about on a daily basis. With Sincere Thanks from the present Board and the Town, we say “THANK YOU Teresa!!”

Dear citizens of Cutler:

As a state, we have taken great strides over the course of the past years.

Growing our economy, decreasing our energy costs, and improving our educational system are the priorities of my administration. Maine needs to create a pro-growth environment that encourages our businesses to create jobs. It is critical that we focus on promoting policies which support and attract new investment. To achieve this, we need to keep taxes low on our families and businesses, and find ways to increase efficiency in government while protecting our most vulnerable citizens.

We have made great progress toward these endeavors. We passed **the largest tax cut in Maine's history**. Two-thirds of Maine taxpayers will get income tax relief, and 70,000 low-income Mainers will no longer pay income tax. My goal is to continue to drive down Maine's income tax.

We are striving to also cut the cost of electricity through our spearheading of a regional effort with Massachusetts, Connecticut and Rhode Island to expand the use of hydropower in Maine. Additionally, Maine is currently one of the fastest states in natural gas expansion.

We have passed legislation that will decrease the cost of health insurance for school districts, allowing more money to be spent in the classroom. Putting students first is important to me. Education is what saved my life, and I want every child in Maine to have the same opportunity I had. With the passage of charter school legislation, hundreds of families now have options for their children.

There's still a lot to do. The recent decision by the legislature to take money from our state's rainy day fund in order to pay revenue sharing in 2015 is fiscally irresponsible. We need government decision makers to act responsibly.

Maine has a great tradition of civic involvement and citizen participation in the decision making process. Thank you for taking the time to become informed and for working with your neighbors to hold government accountable.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

SPECIAL COMMITTEE
ON AGING,
Ranking Member
APPROPRIATIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends:

It is a privilege to represent Maine in the U.S. Senate, and I welcome this opportunity to share some of my work from the past year.

Encouraging the creation of more jobs remains my top priority. I have developed a Seven Point Plan for Jobs in Maine, which includes proposals to spur small business investment, ensure robust workforce education and training, reduce regulatory red tape that stifles job creation, support Maine agriculture and manufacturing, and invest in the infrastructure needed to expand our economy. Traditional industries and small businesses remain the backbone of Maine's economy, and innovation will be important for future jobs as well. I have supported Maine's effort to lead the world in deepwater wind technology and was proud when the University of Maine and its private sector partners launched the first prototype this year. This emerging industry has the potential to create thousands of good jobs here in Maine.

BIW remains a major Maine employer and is critical to our national security. I have worked hard to support the Navy's request for a 10th DDG-51 and to continue construction on the DDG-1000s at the shipyard. This year's annual defense policy bill also contains more than 30 provisions to eliminate sexual assault from our military, including several provisions that I authored.

Partisan divisiveness in Washington continues to prevent us from addressing some of our nation's most serious challenges. Gridlock reached a peak in October with the federal government shutdown that pushed our country to the brink of defaulting on its financial obligations and damaged our economy. As the shutdown continued with no end in sight, I presented a proposal I believed both sides could support. Within days, I was leading a bipartisan coalition of 14 Senators that worked night and day to craft a plan to reopen government, avert default, and restart negotiations on a long-term plan to deal with our nation's unsustainable debt of more than \$17 trillion. Known as the "Common Sense Caucus," we will continue to work to develop solutions and bridge the partisan divide.

Earlier this year, across-the-board federal spending cuts known as "sequestration" took effect. These indiscriminate cuts jeopardized priorities from national security to medical research and stand in stark contrast to the thoughtful and thoroughly debated spending priorities set at town meetings throughout Maine. To bring some Maine common sense to this process, I authored bipartisan legislation to allow federal agencies to set priorities in administering the required cuts and wrote a new law to ensure that sequestration would not disrupt air travel, which plays such an important role in fueling Maine's tourism economy.

I have also enjoyed my work as the ranking member of the Senate Special Committee on Aging where, with Senator Bill Nelson of Florida, we work on issues of critical importance to Maine seniors. The committee has created a toll free hotline (1-855-303-9470) to make it easier for senior citizens to report fraud and scams and to receive assistance. I also serve as the Senate Co-Chair of the task force on Alzheimer's, a devastating disease that takes a tremendous personal and economic toll on more than five million Americans. Better treatment for Alzheimer's and ultimately finding a cure should be an urgent national priority.

Finally, I am proud to reflect our famous Maine work ethic by completing another year of service without missing a single roll call vote. I have not missed a vote since I was elected – a streak that stands at more than 5,300 in a row.

May 2014 be a good year for you, your community, and our great State of Maine.

Sincerely,

Susan M. Collins

January 2014

Dear Friends:

Last year saw some of the most bitterly partisan political fighting in Washington in recent memory. However, the gridlock in Washington has not slowed my efforts to fight for Maine's businesses and industries on the national and international level. I will continue to visit and speak with Maine's small businesses and manufacturers to hear firsthand about their successes and challenges. This is an important part of my ongoing "Make it in Maine" agenda which consists of initiatives to boost domestic manufacturing and support job growth in our state.

In 2014, it will be my great honor to continue serving our nation's veterans as the Ranking Member of the House Veterans' Affairs Committee. Over the course of the last year, I worked with Representative Jeff Miller (R-Florida), the committee's chairman, to pass a number of bills important to veterans. Some that we passed would reduce the VA's disability claims backlog, help get veterans their compensation faster, and improve training and educational opportunities. One critical measure we advanced through the committee would ensure that all VA programs receive funding a year in advance so no veterans will have to worry about services being disrupted.

While I am proud of these accomplishments, I know there is still so much to do. I will continue to fight for new advances in areas such as veteran employment, veterans' health care, and the ongoing concerns with the VA claims backlog.

I believe Washington is at a crossroads. There are many members of Congress on both sides of the aisle that truly want to get things done for the people they represent. Congress needs to work together to get things done and make Washington work again. I continue to be committed to making that happen, and continue to regularly meet with Democrats, Republicans, and Independents to forge a way forward.

As we move forward into a new year, my highest priority remains ensuring that Mainers receive timely and quality constituent services. Whether you have a specific concern with a federal agency or need help connecting to resources, please don't hesitate to reach out to me at any of my offices. I also encourage you to visit my website (www.house.gov/michaud), where you can email me as well as connect with me on Facebook and Twitter.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud

Helping Washington County
Communities Plan for Tomorrow

Judy East, AICP
Executive Director

January 2014

To the Member Municipalities of the Washington County Council of Governments (WCCOG)

Please accept my thanks for your annual support. *Some highlights* are summarized below for the year 2013:

In Local Comprehensive Planning:

- Assisting with Comprehensive Plan Updates for the towns of **Baileyville**, and **Princeton** and the Tribal Community of **Indian Township**. Anticipate submission for State review in early 2014.

In Grant writing and Resources Development, WCCOG helped:

- **Pembroke** obtain a \$100,000 CDBG Public Infrastructure grant to reconstruct drainage in the village.
- **Eastport** obtain a \$500,000 CDBG Public Infrastructure grant to continue sewer system upgrades.
- **Milbridge** prepare an Aid to Firefighters grant to purchase new equipment (pending).
- **Calais** obtain a \$500,000 CDBG Public Infrastructure grant to continue sewer system upgrades; and a \$500,000 CDBG Downtown Revitalization grant for façade improvements.
- **Perry and Pembroke** obtain a \$12,468 Shore and Harbor Management Planning grant to prepare mooring plans and ordinances.
- Obtain a \$26,000 Coastal Communities grant to extend the Climate Vulnerability Assessments drafted in 2013 to the working waterfronts of **Milbridge**, **Jonesport**, **Machiasport**, **Cutler**, **Lubec** and **Eastport**.
- **Multiple towns:** CDBG applications for Public infrastructure, Public Facilities, Community Enterprise, Business Development and Community Planning including assistance with income surveys, application preparation, data and eligibility analyses, and project development (Phase II); **Small Harbor Improvement Plan** applications; **Small Community Grant** applications and eligibility reviews.

In Transportation:

- Preparing **Bold Coast Scenic Byway Corridor Management Plan** along Route 1 and other peninsula highways; over 150 stakeholders engaged and contributing to project.
- Completed **Eastern Interior Corridor (Route 6) Management Plan** and initiated update to **Downeast Coastal Corridor Multi-Modal Corridor Management Plan**.

In Natural Resources and Land Use:

- Updated WCCOG web pages on Clams, Land Use and Economy with municipal and landowner toolboxes.
- Assisting **East Machias**, **Jonesport** and **Marshfield** with revision to their Shoreland Zoning maps.
- Added additional content to on-line resource manual for municipal officials on **alternative wastewater treatment options** where large sewage treatment systems are not feasible.

In Economic Development:

- Near full commitment (in 2 years) of second 3-year **Brownfields Assessment** grant; to date completed 20 Phase I Site Assessments, 12 Phase II Site Assessments, and remediation/redevelopment planning on 13 sites resulting in creation of 50 new jobs and an increased property tax base of ~\$2,500,000.
- Continuing regional planning initiative **GROWashington-Aroostook** (www.gro-wa.org) with extensive outreach and policy development in areas of local food system planning, adaptation to climate change, on-line parcel and planning map services, regional housing needs, regional transit, transportation infrastructure in support of economic development, and water infrastructure. Preparing for early 2014 release of data sets, inventories, maps, policy options and implementation strategies for all towns to ease the burden of preparing local Comprehensive Plans. Note however that control of land use is left entirely to local decision makers.

Respectfully Submitted,

Judy East

2013 ANNUAL REPORT TO THE CITIZENS OF WASHINGTON COUNTY

During 2013, the Sheriff's Office worked hard to meet goals around training, department cohesion, and community involvement. Our dedicated employees show their commitment to our agency and the community through their willingness to work with other agencies and the care with which they approach their work. I continue to be impressed by our phenomenal staff. Our officers responded to a total of 3,922 calls for service in 2013 - an average of more than 10 calls per day. The Uniform Crime Reporting statistics show that the Washington County Sheriff's Office continues to rank among the top agencies in the state for reported crimes that were solved or cleared. Our K-9 partner Stryker has again proven his worth to the department by assisting deputies. Stryker is certified for a range of narcotics detection.

2013 brought changes to the administration within the department. Shawn Donahue, a former deputy and past chief of the Baileyville Police Department, joined us as Chief Deputy. Shawn has worked hard to bring our deputies together to increase their efficiency as a team. Richard Rolfe, a one-time MDEA agent and former patrol sergeant, has taken on the role of Jail Administrator. Despite funding restrictions from the state, Rich has worked with corrections officers to improve jail procedures. The state inspection of the jail this past spring went very well with a 98% approval rating.

Collaborative law enforcement has been aided by the new records management system which was put in place last summer. This database is used by all law enforcement agencies in the county. Several days of training were held to make sure that employees could use the system to its greatest advantages. Domestic violence continues to be an issue, not only in Washington County, but across the state. In 2013, I was appointed to the Domestic Violence Committee of the National Sheriff's Association. This appointment, along with our continued successful partnership with The Next Step Domestic Violence Project, supports my conviction that our agency is involved at the ground level in tackling the important work of eliminating domestic violence. In 2013 I received the Next Step First Annual Community Partner Award.

The Washington County Sheriff's Office Board of Visitors continues to play a vital part in the success of the agency.

We couldn't be more proud of those citizens who continue to amaze us with the concern that they have for others in their communities. There are networks, both formal and informal, for checking on the elderly and house-bound. During the last few weeks of 2013, there was widespread concern for the well-being of those without heat, power, and water. While we are always happy to perform well-checks, we also applaud those who go above and beyond to make sure their neighbors are safe and cared for.

Thank you to the citizens of Washington County for your support of the Sheriff's Office. We appreciate your confidence and trust.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Donnie Smith", written over a horizontal line.

PRESS RELEASE
For Immediate Release

Municipal officials are pleased to announce that the **Town of Cutler** has received a **\$567** dividend check from the Maine Municipal Association as a result of its good loss experience and loss prevention programs.

The Maine Municipal Association offers three self-funded pools for municipal and quasi-public entities in Maine: the Workers Compensation Fund formed in 1978, the Property & Casualty Pool formed in 1987 and the Unemployment Compensation Fund formed in 1978.

The programs are overseen by governing boards of elected and appointed municipal officials. Each year the boards review the programs' loss experience to determine if dividends may be paid. Patricia Kablitz, Director of Risk Management Services for MMA, said more than 78 percent of program participants received a dividend this year for their good risk management practices and loss experience.

This year the Workers Compensation Fund has distributed almost **\$650,000** in dividends to participants and the Property and Casualty Pool has paid dividends of nearly **\$550,000**, for total payments of over \$1.1 million provided directly to MMA members.

Since 1997, the three programs have returned over to **\$15 million** in dividends to participating members. For more information about any of the MMA Risk Management Services programs, including online training programs and other services, check the offerings on their website at www.memun.org and click on the Risk Management Services link, or call 1-800-590-5583.

FIRE CHIEF'S REPORT

May 24, 2013

The Cutler Volunteer Fire Department responded to: 1 Structure Fire, 1 Garage Fire, 1 Car Accident, and 1 assist at Bold Coast Trails.

For ongoing training the CVFD along with other area fire departments burned a house in Cutler and then joined the East Machias Fire Department in burning a house in East Machias.

We would like to welcome anyone interested in joining the fire department to come join us at a meeting. For more information on meeting dates, please contact your Fire Chief, Wayne Dennison.

In closing we would like to thank everyone who volunteered their time in support of the Fire Department.

Respectfully,
Chief Wayne Dennison

PLANNING BOARD REPORT 2014

The Cutler Planning Board will continue to meet monthly on the second Wednesday of each month. Completed Building Permit Applications will be accepted up to that day for consideration that night. Incomplete applications will wait until the next month. From April 1, 2013 through March 30, 2014, a total of 18 permits have been issued including 5 “tear downs”, 3 “commercial construction”, 1 “change of use” and 1 new house. The other 8 residential permits included sheds, garages, mobile homes, decks and a greenhouse. The Planning Board is in need of 1 full time member plus an alternate. We are still looking for a secretary as well. If anyone is interested, please contact the town office. Just a reminder: Building Permit Applications are available at the town office or online at www.cutlermaine.net

Respectfully submitted, Linda Throckmorton, Chair

LOUISE CLEMENTS LIBRARY REPORT 2014

The Louise Clements Library is open for your use Monday – Thursday, from 9am-4:30pm. The library offers wireless internet access and has two computers for public use. Despite the popularity of electronic book devices, the library remains busy. Since April 1st of 2013, I am pleased to report that nearly 500 titles (books and movies) have been signed out by children and adults. I thank all those who have made book donations to the library this past year. If we receive duplicate copies of a book, we pass them on to another library or to Veteran’s Facilities. Stop in and browse our selection of books and movies – if we don’t have the book that you are looking for, please leave your request with the town clerk and we will do our best to add it to our inventory!

Respectfully submitted, Linda Throckmorton

HARBOR MASTER REPORT - 2014

Allan Fitzhenry was appointed as Harbor Master during this past year and received his training this spring at Maine Maritime Academy. We welcome him to our team. We thank Nick Lemieux for his prior service as a fellow Harbor Master. We continue to work with Noel Musson of The Musson Group to maintain and update our official harbor plan (mooring map). We ask that all mooring holders, please place your mooring number that was assigned to you on your balloon if you have not already done so. Remember all mooring changes or placement of new moorings must have written approval by your Harbor Masters. This will allow us to do our job in a fair and efficient manner for all involved. If you have any questions on this or wish to apply for a mooring, please contact one of your Harbor Masters or the town office.

SUPERINTENDENT OF SCHOOLS ANNUAL REPORT

**To: The Cutler Board of Selectmen, Cutler School Committee
and the Citizens of Cutler.**

It is with great pleasure that I report the state of the Bay Ridge Elementary School to the citizens of Cutler. The Bay Ridge Elementary School administrators and staff members continue to work diligently to ensure that all students receive a high quality education. The staff members continue to work on implementing new Common Core learning standards in math and english language arts that are currently required in Maine law. The Maine Learning Results Standards are still in place in all other content areas with new Common Core learning standards in development for the future.

I feel fortunate to have such a strong administrative team at the Bay Ridge Elementary School. Darlene Wheeler, Principal of the Bay Ridge Elementary School has provided excellent leadership and always has the best interest of the students in mind when making decisions. I also appreciate the work of Mary Maker in her role as the AOS 96 Special Education Director and Ken Johnson in his role as the AOS 96 Federal Programs Manager and Curriculum Coordinator.

I am excited to report that the proposed 2014/2015 school budget of \$1,173,579.89 reflects no increase in the tax commitment for education. While keeping the tax commitment flat for education, the School Committee was still able to invest in resources to enhance the curriculum, as well as, make improvements to the physical plant. The improvements to the physical plant include replacing classroom carpets and paving the parking lot.

In closing, it has been a privilege to work with the Cutler School Committee. Chairperson Melanie Ferguson, Anita McKinley, and Renee Patterson have dedicated many hours of service to ensure that the Cutler School System has the necessary resources required to provide an excellent education for all of our students.

I welcome the citizens of Cutler to contact me anytime if any of you have questions or concerns that need to be addressed. Thank you for your support of the Cutler School System.

Scott K. Porter, Superintendent of Schools
AOS 96 -Machias Bay Area School System

REPORT OF THE SELECTMEN - 2014

The Cutler Board of Selectmen respectfully submits our annual report for 2014. We encourage all residents to attend our Annual Town Meeting on Thursday, June 12, 2014 at the Bay Ridge School starting with the School Budget at 7:00 PM. As before, we will be called upon to raise and/or appropriate the necessary funds that will allow our town to maintain our standards of Education, Administration, Safety and Welfare that we have come to expect.

This past year, we have seen major road improvements in Cutler with work being done by Hanscom Construction, Lane Construction, and our own Road Commissioner. This will allow us to do more cost effective upkeep and keep the roads safer for travel. This year we propose a new topcoat on both sections (old and new pavement) of Destiny Bay Road, the finish topcoat on Little Machias Road, and a topcoat on the Ackley Road. The Town voted not to purchase land to expand the new Cutler Cemetery, but did approve funds for expansion which the Cemetery Committee used to level and make available many new plots for future use. This project was by far, well done and a good use of our money. The Town also had the new security and fire system installed at the Town Office and we are pleased with the level of security and protection this gives us. Money well spent!

We are close to construction of the Project at the Sand Beach. All permits are in and we are now waiting for CES to put the project out to bid. We expect this to help with parking and access to Cutler Harbor. An upcoming project for this year is the possible construction of a salt/sand building which is proposed at an 80:20 cost. State is 80% and Cutler 20%. More details will be available at Town Meeting.

We are very pleased to have Elaine Cale as our Deputy Clerk at the Town Office. She brings a good work ethic and invaluable work experience to the position. She has transitioned to our town needs very well, and continues to receive the necessary training. We hope everyone will continue to make her feel welcome!

We thank both Lauren Cates and Peggy Sue Look for their office assistance during the past year.

We have been told that the State will be hot topping from the Cutler Post Office to the Lubec Corner. We only wish they would redo the road from East Machias to Cutler again.

We are always in need of people to fill vacancies on several boards. If you are interested, please call or stop by the Town Office.

Don't forget that we are online at www.cutlermaine.net

THE WARRANT

To: Melanie Ferguson, a resident of the Town of Cutler, County of Washington, and State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Cutler, in said County and State, qualified by law to vote in town affairs, to meet at the Bay Ridge School in said Town on Thursday, the 12th day of June, AD 2014 at 7:00 o'clock in the evening, Daylight Savings Time, then and there to act upon the following articles, to wit:

ARTICLE 01: To choose, by written ballot, a Moderator to preside at said meeting.

ARTICLES FOR TOWN OF CUTLER SCHOOL BUDGET

ARTICLE 02: Shall the Town be authorized to expend \$588,792.60 for Regular Instruction?

ARTICLE 03: Shall the Town be authorized to expend \$185,047.44 for Special Education?

ARTICLE 04: Shall the Town be authorized to expend \$3,012.00 for Other Instruction?

ARTICLE 05: Shall the Town be authorized to expend \$700.00 for Student and Staff Support?

ARTICLE 06: Shall the Town be authorized to expend \$38,394.67 for System Administration?

ARTICLE 07: Shall the Town be authorized to expend \$40,923.82 for School Administration?

ARTICLE 08: Shall the Town be authorized to expend \$75,999.01 for Transportation and Buses?

ARTICLE 09: Shall the Town be authorized to expend \$180,296.00 for Facilities Maintenance?

ARTICLE 10: Shall the Town be authorized to expend \$60,414.35 for All Other Expenditures?

**ARTICLES 11 THROUGH 12 RAISE FUNDS FOR THE
PROPOSED SCHOOL BUDGET**

ARTICLE 11: Shall the Town appropriate \$868,786.98 for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and shall the Town raise \$583,605.00 as the Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688?

Explanation: The Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

ARTICLE 12: (Written ballot required) Shall the Town raise and appropriate \$267,599.02 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$248,617.50 as required to fund the budget recommended by the school committee?

The school committee **recommends \$267,599.02** for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by \$248,617.50: The Cutler School Department budget is over the Essential Programs and Services model in student to teacher ratios, school administration, system administration, maintenance, clerical costs, and the difference between the secondary tuition rate and the EPS tuition rate. In addition, the Essential Programs and Services model does not fully fund co-curricular activities and the model has not been fully funded by the State.

Explanation: The additional local funds are those locally raised funds over and above the Town's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act that will help achieve the Town budget for educational programs.

**ARTICLE 13 SUMMARIZES THE PROPOSED
SCHOOL BUDGET**

FINANCIAL STATEMENT – TOWN OF CUTLER

The issuance of bonds by the Town of Cutler (the “Town”) is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town as of the date of this Town Meeting:

* Bonds Now Outstanding and Unpaid	\$984,613.00
* Interest to be Repaid on Outstanding Bonds	\$143,679.00
* Total to be Repaid on Bonds Issued	\$1,128,292.00
* Additional Bonds Authorized But Not Yet Issued	\$0.00
* Potential New Interest on Bonds Not Yet Issued	\$0.00
* Total Additional Bonds (now proposed) to be Issued if Approved by Voters	\$222,400.00
* Estimated of Potential New Interest	\$ 37,500.00
* Total Additional Bonds To Be Issued and Estimated Interest if Approved by Voters	\$259,900.00

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters’ ratification of the bonds may not be affected by any errors in the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued, and the total cost of principal and interest to be paid at maturity.

Teresa M. Bragg, Town Treasurer

ARTICLE 35: To see if the Town will vote to authorize the issuance of up to \$165,500.00 in general obligation bonds or notes for the construction
