United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Gorham and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Portland state office at 207-780-3575 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
RULES AND ADMINISTRATION

Dear Friends of Gorham

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Angus S. King, Jr.
United States Senator

Dear Neighbors:

It is an honor and a privilege to serve you in the Maine House of Representatives.

As your voice in Augusta, my priority is to work on the issues that matter to working families here in Gorham and around the state.

I am honored to be appointed to the Legislature's Taxation Committee. The committee oversees policy relating to tax matters including: sales, use and excise taxes, the Bureau of Revenue Services, property taxes, tax exemptions and credits, property valuation and assessment and municipal revenue sharing.

As you read this letter, the Legislature will be considering the biennial budget which will guide state spending over the next two years. The budget is the clearest way to define our values. While we negotiate a balanced bipartisan budget over the next few months, I won't forget my promise to put working families first. My hope is that we are able to make it easier for students and families to live and work in Maine, protect public education funding and prevent increases in property taxes.

The Legislature will also be considering other important bills focused on addressing the opiate crisis, creating a regulatory framework for recreational marijuana, affordable energy and economic development. Democrats and Republicans need to work together to move Maine in the right direction.

Please feel free to contact me with any questions or concerns or if you need assistance with state government. I can be reached by email at maureen.terry@legislature.maine.gov or by phone at 287-1430.

Once again, I am honored and grateful for the opportunity to serve you.

Sincerely,

A handwritten signature in black ink, appearing to read "Maureen Terry".

FREQUENTLY ASKED QUESTIONS

What types of services are available online?

www.gorham-me.org

Many services that are available at the Municipal Center are also available online. From the Town's Homepage, click on one of the "Where do I go for" links to:

Re-Register vehicle	Re-Register ATV, Snowmobile, Boat, Trailer
Register dog	Obtain a Hunting or Fishing License
Obtain a Burn Permit	Register for a Recreation Program
Reserve or Renew your Library book	Obtain Tax information and print Tax Maps
Search the Library's catalog	Download and print Building Permit Applications
Access Interactive GIS maps	View Meeting Videos
Pay Property Taxes	

* This is not a complete list of the services the Town offers. Please visit the Town's website for a complete listing.

The Town of Gorham also offers an online mapping application. The WebGIS is an interactive map that runs in a web browser and provides the public with geographic data not previously accessible. Some of the data that is available includes: road centerlines, property lot lines, zoning, utilities (Sewer & Water), floodplains (Current and new Proposed FEMA Maps), and much more. Click on the Interactive GIS Maps in the "Where do I go for" section on the Town's homepage.

When are my taxes due?

Taxes are normally due November 15th and May 15th. The Town Council may occasionally change these dates if they fall on a weekend.

How can I view my property tax bills?

Access this information by going to the Town's website www.gorham-me.org. From the homepage, go to "Town Departments" and then click on "Assessing Department". Scroll down to find the link for "Real Estate and Personal Property Tax Bills". Choose the desired year to view. Choose the file with the first letter of the property owner's last name as of April 1st. If you are printing a copy of the tax bill, be sure to choose "print current page" or "print selected record" on the printer menu so you don't print the entire file.

Can I pay my taxes online?

Yes. Beginning November 10, 2014, Residents can make credit/debit card payments 24 hours a day, 7 days a week by clicking on the Online Transactions Link found in the "Where Do I Go For" section on the Town's home webpage. Property taxes can be paid with a Visa, MasterCard, Discovery, or American Express card. Payments are processed through Maine PayPort Online, a third party service working in partnership with the Town of Gorham. By using this third party service, your credit card information is processed through a secure site. For any questions regarding this service, please call (207)222-1611.

Maine PayPort will assess a 2.5% service fee for each transaction; however, all transactions that are \$40 or less will only be charged a \$1.00 fee. **PLEASE NOTE:** Overdue taxes may NOT be paid using this service and must be paid at the Town Office.

To pay your bill, you will need the account number located on your tax bill and a valid credit card. If you are unsure of your account number, or the amount owed, you can call the Town Clerk's Office at (207)222-1670.

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your Homestead Exemption is in place and will carry over from year to year. If you move, you will have to submit an application for the new property.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge (only during the above listed hours) from the Town of Gorham website at www.burningpermit.com.

At other times you are able to obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00, 24 hours a day, 7 days a week.

How can I get a Fireworks permit?

You can apply for a fireworks permit by going to www.fireworkspermit.com or go to the links on the Town of Gorham's Web Page or Gorham Fire Departments Web Page. Residents, who are 21 years old and are going to use the fireworks on their own property or have written permission to use some else's property, may apply for a Fire Works permit. If weather allows and the Town is issuing burning permits, those that have applied will have their fireworks permit approved after 09:30 on Saturday morning. No permits will be available after 12:00 noon on Saturdays. Once the permit has been approved, you must print it, sign it and have it with you while using the fireworks. You must be a least 150 feet from any structure.

How can I obtain a passport?

As of May 1, 2011 and until further notice, the Town Clerk's Office will no longer be accepting passport applications due to changes in the Western Hemisphere Travel Initiative. Applications and photos may be processed at the Gorham Post Office.

When will my trash be picked up? What if there is a holiday?

There are several different trash pickup days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Dispatch at 839-5581.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in to process the registration. Anyone can re-register a vehicle.

Proof of Insurance from your Insurance Company can be e-mailed to townclerk@gorham.me.us or faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Lease agreement (If a leased vehicle)
- Proof of Insurance
- Old Registration (if old plates are being used)
- Maroney Label (Window sticker if a brand new vehicle)
- Current Mileage

If purchased in a private sale (Note that sales tax must be paid to Town Office):

- Bill of sale
- Previous owner(s) original title assigned to you on the back by seller or the blue copy of title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance and current mileage

If previously registered out of State:

- Out of State Title or lien holder's address
- Lease agreement (If a leased vehicle)
- Out of State Registration
- Proof of Insurance
- Current Mileage
- Paperwork for Vehicle Re-registration
- Old Registration - Proof of Insurance - Current Mileage

Do you accept credit cards?

The Town of Gorham offers the convenience of accepting credit cards or debit cards for payments. Due to the fees charged to the Town by the Bank to process these transactions, a non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The fee will be disclosed at the time of the payment transaction with the option for the cardholder to decline the fee and make the payment via check or cash. A fee of 2.5% of the transaction amount will be charged for any amount over \$40. A \$1.00 minimum will be charged for any transaction amount under \$40.

REPORT OF THE TOWN MANAGER FOR FY 2015-16

It is my pleasure to provide the Annual Report for the fiscal year beginning July 1, 2015 through June 30, 2016 to the Town Council and the citizens of Gorham.

Before I begin the report, I would like to take a moment to express my appreciation for all of the people who have volunteered this past year to help the Town. Many of you serve as volunteer coaches through the Recreation Department for one of our youth teams; others volunteer at the Library or help the Town at events. Those volunteer efforts help us come together, build strong networks and build a strong community. It is no accident that Gorham continues to be one of the fastest growing communities in Maine and a place where people want to live and raise families.

This past year, our local economy performed very well. The Town issued 84 permits for new homes, 19 permits for condominiums and 32 commercial building permits for a total of 135. That is the highest in over 10 years and compares with a total of 89 permits the prior year and a low point back in the middle of the recession year of 2008/09 when only 46 permits were issued. Local contractors and businesses also indicated that they were mostly having a good year.

As mentioned in my annual report last year, in May 2015, the Council heard a presentation from Shaw Brothers Family Foundation about their interest in purchasing a 258 acre parcel of land on lower Main Street owned by Ecomaine. Their concept plans for the property included providing parking for public access to the Presumpscot River, constructing public trails for walking, snow shoeing and cross country skiing, revitalizing the former hay fields that once existed on this property and providing an opportunity for a local farmers market. This past year, Shaw Brothers Family Foundation moved forward and purchased that property.

In June 2016, Sebago Brewing Company, our own local brewer, announced plans to develop a new 24,000 sf destination brewery on this property. They are currently brewing their beer in a facility located in the Gorham Industrial Park that they have outgrown. As the fiscal year is coming to a close, they were having discussions with the Town's Planning Department as they refined their plans and received preliminary support from the Town Council on the development of a Tax Increment Financing (TIF) District to support their project. We anticipate the project being started in late fall or early 2017.

On School Street, Avesta Housing completed a new 24-unit affordable and safe housing project for elderly and handicapped residents called Ridgewood at Village Square. This building also has an impressive array of solar panels designed to produce 75,000 kwh of solar electric power to offset much of the building's electrical needs. The new building adds to their existing facility of elder housing units at what used to be the former Millett Grammar School.

The old gas station on Main Street in Gorham Village was an eyesore for a number of years and was purchased by Great Falls Builders in 2015. Great Falls Builders demolished the building in June of 2015 and replaced it with a very attractive 4-unit commercial building. The attractive 4-unit building is now fully occupied.

In November 2014, voters approved a project to build a new Police Station and completely renovate the existing Public Safety building into a new Central Fire Station. Construction on the new Police Station and renovated Fire Station began in June 2015 and continued throughout the past fiscal year. In March of 2016, the Police vacated their space in the Public Safety Building and moved into their building, which allowed renovation work on the public safety building to ramp up. As the fiscal year was coming to a close, this project was nearing an end. I anticipate the project being completed sometime in August 2016.

The new multi-purpose athletic field at the Little Falls Recreation Area received a set-back in the fall of 2015. It was anticipated that the field would be ready for use in 2016, but after applying grass seed in the fall, the Town experienced a very heavy storm event which washed away much of the grass seed. Since it was too late in the year to reseed the field, it had to be reseeded in the spring. Unfortunately, that meant the field could not be used as planned in 2016; however, the grass has been doing well this growing season and the field should be ready for use next year. In March 2016, the Council appropriated additional funds from the Town's Recreation Impact Fees to make improvements on a second field to continue the improvements at the facility.

One negative that has hung over the Town for the past several years has been the financial problems at the University of Southern Maine. The University of Southern Maine is one of the community's largest employers, and students help support many of Gorham's businesses. During the past few years, USM has gone through a period of significant decline in their enrollment which led to reductions in programs and employment. In April 2016, the Town Council had a breakfast meeting with the new President of USM, Glen Cummings, and members of his staff. At the time, USM officials were cautiously optimistic about enrollment for the coming year. As the fiscal year was coming to a close, there were increasing signs that USM was experiencing a solid turn around and anticipated better enrollment numbers for the upcoming school year.

In an effort to provide more visibility to the University, the Town Council voted in June 2016 to recognize that Gorham was the home of USM on the Town's "Welcome to Gorham" signs.

During this past year, the Council authorized several referendums. In November 2015, the voters approved the borrowing of \$1.175 million for repairs to school roofs and other hardware and mechanical projects in the school system. The Town issued bonds at very attractive interest rates in January. In June 2016, the Council asked for voter approval to authorize the purchase of a Tank Fire Engine to replace a 26 year old vehicle and a 27 year old Ladder Fire Engine. The estimated cost of those vehicles was \$1.365 million. The voters approved that referendum and the purchase of the vehicles are scheduled in the next fiscal year.

Between 1972 and 1992, three Historic Districts located in Gorham, located on the campus of the University of Southern Maine, Gorham Village and along South Street were recognized on the National Register of Historic Places. In addition, there are several monuments in Gorham listed on the National Register. Back in May 2014, the Town Council appointed a Historic Preservation Committee to identify historic assets. In January 2016, the Council authorized the Committee to develop a Historic

Preservation Ordinance for the Town Council to consider. The Committee worked diligently through the winter and spring to prepare an Ordinance and I anticipate it being presented to the Town Council early in the upcoming fiscal year.

This past year, the Town Council sold several properties that were no longer needed. First, the Town sold property at 21 Main Street and a second property at 10 Preble Street. Both properties had initially been acquired in 2012 in anticipation of using the property to provide more parking to Gorham Village. After conducting a parking study and considering several parking proposals, the Council decided to sell both properties; however, a portion of the property at 10 Preble Street was retained for future use.

The Town Council decided to sell the McLellan/Sampson house located on South Street, next to Baxter Memorial Library, with conditions that its historic character be maintained. This building was acquired in 1938. The Town hadn't directly used the property for a long time and in recent years, leased the building to the Regional Land Trust. The building was in need of significant repairs, and the Regional Land Trust recommended that it be sold to someone who could use Historic Tax Credits to lower the cost of making the repairs. Initially, the Town Council approved a new Conditional Zone for this property that would complement the surrounding neighborhood and then listed the property for sale. The Town Council accepted a conditional offer to purchase the property. Selling the property alleviated the Town of having to bear the cost of significant repairs, returned the property to taxable property that will pay property taxes and made the property available for more constructive use.

In October 2015 the Council received the Main Street Master Plan. The development of this plan had been initiated in the prior year and was intended to update the Gorham Main Street Master Plan adopted in March 2000.

In December 2015, the Town Council held a goal setting workshop and identified as the Town's top priority the development of a sustainable highway from the Maine Turnpike that would connect to the southern end of the Bernard P. Rines Highway. It took over 50 years of sustained effort for the construction of the Bernard P. Rines Highway, which runs from Route 25 and loops around Gorham Village down to South Street. That highway has been very successful, but the road network needs to be finished to provide a transportation network that is efficient and safe. In February of 2016, the Town Council sent a letter to the Maine Turnpike Authority expressing their continued support for their effort to provide this important highway.

The Town's current Comprehensive Plan was adopted in 1993 and amended in 1994. Over the years, as Gorham continued to be one of the fastest growing communities in Maine, the Plan had served the community well, but it was in need of an update. The effort to update the Comprehensive Plan began in 2013 when a preliminary update was prepared. That was followed by public hearings and a workshop by the Town Council. A new updated plan was prepared and presented to the Town Council and public in April 2016. That was followed by more public hearings and another Council workshop. In June 2016, the Town Council appointed a nine-member Comprehensive Plan Committee to review the draft plan. As the fiscal year was coming to a close, the Committee had already held several public meetings on the plan with more scheduled for July and August. I am hopeful that a new Comprehensive Plan, which will guide the community into the future, will be adopted by early fall.

This past year, the Town accepted five new roads; Bramblewood Lane, Tink Drive, Stephanie Drive, Old Dynamite Way and Hidden Brook Drive, adding approximately one mile of new road.

I am also pleased to report that for the 12th consecutive year, the Town received a Certificate of Achievement of Excellence in Financial Reporting from the Government Finance Officers Association. Gorham is one of a small number of communities in Maine to receive this distinguished award.

Finally, I would like to recognize our municipal employees for their dedicated efforts to provide high quality professional services every day. Their dedication to serving our citizens and helping the Town respond to a changing and challenging environment is greatly appreciated.

Respectfully submitted

David O. Cole
Town Manager

ASSESSING DEPARTMENT

The Assessing Department assigns and updates tax values on all existing and new tax parcels in Gorham using a computer-based assessing program (Vision), including a geographic information system (GIS) component. This process includes property inspections and technical data entry, sales studies and analysis and changes within the system when appropriate. We provide a wide range of property information to real estate professionals and others through the Town of Gorham website and over the telephone, through email and in-person at our office. We review and assign addresses and tax map/lot numbers for newly created lots and subdivisions and frequently work with contractors, other Town of Gorham departments and Emergency-911 agents regarding address issues, including the E-911 mandated naming of driveways. We also process all property owner transfers and maintain files on each taxable parcel. We digitally store deeds and maintain sale price records. Annually, we produce updated tax maps of all real estate tax parcels in Gorham.

We also administer a number of tax exemption programs and special use designations, including tree growth, farm use, open space, homestead, veteran and blind exemptions, and the personal property BETR and BETE programs that result in tax savings for Gorham property owners and businesses. We provide assistance and question resolution regarding these exemptions and tax reduction programs. Annually, we compile a total value for all assessed taxable property and respond to a variety of State of Maine reporting requirements.

** The drop in the tax rate for fiscal year 2008 & 2016 was the result of a Town-wide value adjustment for all real property tax parcels.

BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library serves our community as a welcoming and accessible gathering place for information, lifelong learning and enjoyment. The library strives to foster the exchange of ideas, values, traditions and conversations. Through its membership in the MINERVA Library Consortium, the Baxter Memorial Library has access to books and resources from over 60 libraries throughout the state, making it truly a library without walls.

Interlibrary Loans Lent (to other libraries)	10,100	9,702	11,061	11,484	9,177
Grand Total Circulation	115,826	116,987	115,477	110,239	109,048
Internet Use Sessions [^]	7,233	6,507	5,987	4,332	4,088
Reference Questions	18,360	21,013	20,466	20,297	19,714
New Patrons ⁺	1,035	893	898	800	1,783
Total Patrons (at end of fiscal year)⁺	7,300	7,165	7,066	7,814	4,585
Program Attendance	4,815	6,460	7,129	7,890	8,152
Library Attendance (estimated)	67,260	68,229	68,915	69,467	70,683

* To align with Minerva policies, we increased our movie and magazine loan periods from 1 week to 3 weeks in July 2014. This has decreased the number of renewals and, therefore, our total circulation starting with FY2015. This change has been popular with our patrons and initial checkouts have continued to increase.

** We discontinued Digital Downloads in February 2014. This service is available through the Portland Public Library and we issue Portland Public Library cards at Baxter Memorial.

[^] Internet Use Sessions exclude wireless access, which is available at the Baxter Memorial Library 24/7, both inside the library and within a short radius outside. We are currently unable to gather statistics on wireless access. With the proliferation of mobile devices, we expect this number will continue to fall until we are able to count wireless access sessions.

⁺ Inactive patron records are culled each year. On July 1, 2015, any patron that had not adopted our new library card was removed. This action resulted in both an unusually low Total Patron count and an unusually high New Patron count for FY2016. These numbers are expected to normalize going forward.

CODE ENFORCEMENT OFFICE

The Code Enforcement Department encompasses the plan review and permit issuance of new construction and property reuse and redevelopment. The Department also conducts inspections of all building projects to ensure that the construction is in conformance with issued building permits, Codes and Ordinances. The Code Enforcement Officers provide review, interpretation, inspection and enforcement of the Gorham Land Use and Development Code, the 2009 International Residential Code (IRC), 2009 International Building Code (IBC), 2009 **International Energy Conservation Code (IECC)**, 2014 National Electrical Code (NEC), 2000 Uniform Plumbing Code, 2011 Subsurface Waste Water Code, the 2007 ASHRAE Energy Code, the 2007 ASHRAE Ventilation and Indoor Quality Code, the 2009 International Existing Building Code (IEBC) and the State of Maine Life Safety Code NFPA101. The Code Office further reviews development applications regarding Shoreland Zoning, Flood Plain and applications for appeals to be heard by the Zoning Board of Appeals. The Code Officers perform plan review as members of the Development Review Team and Project Review Group. They also conduct site inspections on minor site plan developments and are compliance officers for Planning Board-approved projects. The Code Officers also review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information (copies, deeds, etc.), investigate complaints and enforce ordinances. They work closely with the Planning and Fire Departments to ensure compliance with related codes and work in conjunction with the State Electrical Inspectors Office, Department of Economic and Community Development and the Maine Department of Environmental Protection (MDEP) to ensure compliance with relevant state and local laws and ordinances.

Gorham Access Television & Technology
GGETV Channel 3 (Government/Education) – www.gorham-me.org
GOCAT Channel 2 (Community Access) – www.gocat.org

Mission Statement:

To be a communication resource for use by the Town and its citizens.

Gorham Access staff maintains the broadcast and technical functions for two PEG (Public/Educational/Government) TV stations. Management of streaming video system and other on-line video content is also handled by staff. Production studio and office is located at the Gorham Municipal Center.

Channel 3 (GGETV) – the government and education station is staffed by GOCAT and records and programs for broadcast of municipal and school meetings, as well as information provided by county and state departments. We provide official information pertinent to citizens regarding their government.

School and Town events are well documented through the efforts of the staff in recording and editing. GOCAT is present 24 hours a day on the Time Warner Broadcast System and over the internet. Our on-line activities continue to grow and we are devoting more hours in this area.

Other duties that support the Town & School Departments include: requests for informational productions, media support, audio/video support, designing presentations, video edits and media duplication. The Station Manager maintains technical operations and repairs for the TV Studio and broadcast functions for both channels.

Channel 2 (GOCAT) – the community access station provides assistance to residents wishing to create their own media presentations. GOCAT also works with many local non-profit organizations to bring timely information concerning services and events to the town. Gorham GOCAT Studio houses the production suite and multiple computer workstations that provide a range of technology related software.

Programming Priorities

- GGETV – local meetings/ State and Federal government agencies/ health programs
- GOCAT resident produced/ local non-government/ shared programs from GGETV/ alternative programming from other access TV stations

Approximate Monthly Production Hours for recorded local events:

- Town meetings - 20 to 30 hours
- School & other agencies – 20 hours
- Miscellaneous local productions/ edits – 60 hours

Programming on Cable TV

Broadcasting 24 hours a day on 2 PEG Channels

Program replay block is 15 hours a day from 8 am – 11pm

Community Bulletin Board runs between program gaps

- Approximately 40 % of broadcast hours are of local origination – produced by staff

Programming Statistics Earth Channel Stream

On-demand and live video stream views – 7/1/15 – 6/30/16

This is the video provided though the Towns website- mostly Government viewers

600 sessions and 6,165 hits

Programming Statistics YouTube.com/gorhamtimes/GOCAT

Streaming video available through the Internet:

Over 365 days (7/1/15 – 6/30/16)

2,873 views

Top 3 local programs: Yoga for Elementary Kids

Light Parade – Tips for decorating

Gorham Girls' Basketball Semi-finals 2/16/16

Other Social Media Initiatives

Vimeo – better video quality where we post some of our best productions.

Facebook – Using this platform to develop more community awareness and highlight specific programs.

Staff:

- One full time Station & Video Systems Manager
- Part time - Media Specialist
- Auxiliary/On call – Videographers/ Production Assistants
- Volunteers

Major Equipment:

Equipment: Digital video and still cameras, Non-Linear Edit Systems, Remote Camera Systems, field production system, *computers:* 2 Apple / 6 PC, variety of production and graphics software, public address system, microphones, audio mixers, theatre light system, video servers, character generator for text and graphics.

Updates:

The Burleigh Loveitt Council Chambers and the GOCAT Studio have been updated to HD (high definition) systems. Time Warner Cable continues to broadcast Gorham's Access Channels in standard definition.

Time Warner Cable was recently purchased by media giant Charter Communications.

GORHAM ECONOMIC DEVELOPMENT CORP.

The Gorham Economic Development Corporation (GEDC) has prepared this activity report as a way of providing an account of its development efforts and results for the prior year. The Corporation's focus is to engage in business attraction and retention practices that will allow for the expansion of the business community in Gorham thereby stabilizing and expanding the tax base and creating jobs for its citizens. While constituted as a stand alone corporation, it is funded by the Town of Gorham. Staff also participates in special development projects including managing the town's revolving loan fund, grant applications and regional planning efforts. The corporation is staffed by one part time employee and overseen by a nine-member volunteer board of directors which meets monthly.

2015/2016 was another solid year for attracting and retaining business in the town, coupled with investment by these companies that expanded the tax base.

Development Activity

July 1, 2015 - June 30, 2016

34 Businesses Assisted
4 Businesses Attracted
6 Businesses Retained/expanded

Attraction:

Attraction efforts focused strongly on the village include Gorham Growl, Goodfella's Barber Shop, Gorham Hair Co. and School Street Pub. Thirsty Turf Irrigation also completed their move to a new facility in the Gorham Industrial Park in 2016.

Retained/Expanded:

Similar to 2014, 2015/16 activity was significant on the side of expansion and retention. Casco Federal Credit Union, Woods Excavating, Plowshares Community Farm, V & M Rental, Serv Pro and Century 21 Real Estate all completed or nearly completed expansion or relocation projects. Sebago Brewing also announced plans for expansion and relocation to a new manufacturing facility to be constructed on Route 25.

Special Projects:

Through the town Revolving Loan Program, we completed \$100,000 in financing to Woods Excavating as part of their expansion/relocation to a new facility in the New Portland Parkway. A \$29,000 bridge loan to Plowshares Community Farm in anticipation of a federal grant was also completed. The loan will help build infrastructure at the farm on Sebago Lake Road.

A new initiative in 2016 targeted will use a portion of the loan program funds for new and existing sign replacement. Mr. Bagel is the first recipient of this program that lends up to \$5,000 interest free for five years to replace or create new signage for businesses.

\$120,000 grant approved through Cumberland County Community Development Block Grant Program for sidewalk improvements in Little Falls was completed.

Continued process for joining the Main Street Network Program administered by the Maine Development Foundation.

Staff continues participation as an ex-officio member of the board of directors of the Westbrook-Gorham Chamber of Commerce.

TOWN OF GORHAM PLANNING DEPARTMENT

Statistical Summary for FY2016

The Planning Department provides planning assistance and technical support to the Planning Board, the Administrative Review Committee, the Town Council and the general public. The staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or the Administrative Review Committee. The Department also oversees special planning projects, the development and adoption of new ordinances and amendments to the Land Use and Development Code, as well as the Official Zoning Map of the Town.

During the current fiscal year, the Planning Department has processed applications for 50 new developments and amendments to previously approved projects, and 14 applications carried forward from 2015, for a total of 64: 33 have been approved, four were withdrawn, and 18 were carried forward for completion in FY 2017. The Planning Board and staff also prepared and/or reviewed two zoning map amendments, nine zoning text amendments and one Contract Zone application, with one zoning map amendment and five zoning text amendments being adopted by the Town Council and four zoning amendments and one Contract Zone application being carried forward for completion in FY 2017.

Development Activity

Beginning of FY 2016	No. of Applications Pending	18

PUBLIC WORKS DEPARTMENT

The Public Works Department is primarily responsible for the maintenance of over 146 miles of Town roads and 14.98 miles of State roads. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Public Works Director, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capacities when needed.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clippings and leaf drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. In 2015, EcoMaine eliminated the annual assessments to Towns. DPW estimates that approximately 2,331 tons of solid waste is handled by the curbside collection contractor annually. 175,000 15-gallon trash bags and 95,000 33-gallon trash bags were sold in FY16.

RECREATION DEPARTMENT

The Gorham Recreation Department provides people of all ages, opportunities for activities and experiences that support healthy living and community involvement. The Department offers a wide a variety of youth and adult sports programs, family outdoor recreation opportunities, including hiking, biking, skiing, canoeing and a host of community special events, including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year round basis.

TOWN OF GORHAM, MAINE
Balance Sheet
Governmental Funds
June 30, 2016

Reconciliation of the total fund balances - total governmental funds
to the total net position of governmental activities:

Total fund balances - total governmental funds, Statement 3 \$ 19,643,422

Amounts reported for governmental activities in the statement of
net position (Statement 1) are different because:

The deferred charge on the refunding bond in governmental
activities is not reported in the funds. 758,875

Capital assets used in governmental activities are not financial
resources and therefore not reported in the funds. More
specifically:

Non-depreciable capital assets	6,428,625	
Depreciable capital assets, net	75,003,160	81,431,785

Long-term liabilities are not due and payable in the current period
and therefore not reported in the funds:

General obligation bonds	38,157,180	
Bond premium	1,226,977	
Notes payable	210,642	
Capital leases	404,010	
Net pension liability, including related deferred inflows and outflows of resources	1,806,479	
Compensated absences	1,027,533	
Accrued interest payable	264,926	
Other postemployment benefits	845,168	(43,942,915)

Unavailable revenues - property taxes
not reported on Statement 1 670,100

Net position of governmental activities \$ 58,561,267

See accompanying notes to basic financial statements.

See accompanying notes to basic financial statements.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2016

Net change in fund balances - total governmental funds (from Statement 4)	\$ (1,891,651)
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$8,366,565) exceeded depreciation expense (\$4,258,943) and book value of disposal (\$399,818) in the current period. (Note 6)	3,707,804
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(60,670)
Bond, note and capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond, note and capital lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. (Note 11)	1,617,107
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond.	22,431
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences. (Note 11)	(22,848)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in other post employment benefits liability. (Note 11)	(98,563)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	31,058
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in net pension liability with related deferred inflows and outflows.	(188,602)
Change in net position of governmental activities (see Statement 2)	\$ 3,116,066

See accompanying notes to basic financial statements.
