2015

ANNUAL REPORT of the MUNICIPAL OFFICERS of the TOWN OF LIMERICK MAINE

For the Fiscal Year Ending December 31, 2015

This report is subject to be audited by a qualified accountant, in compliance with provisions of Title 30, M.R.S.A., Section 5253

Allan H. Chamberlain

The Town of Limerick's 2015 Annual Report is dedicated to Allan H. Chamberlain, who has devoted many years to the Town of Limerick.

Allan was born in Norwood, Massachusetts and moved to Limerick, Maine in 1953. He owns and operates Maple Grove Farm.

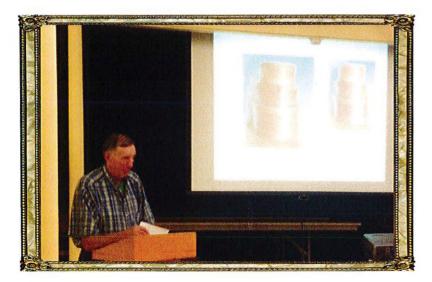

Allan was first elected as Selectman, Assessor and Overseer of the Poor in March of 1974 - 1995. He was Selectmen for a total of twenty - one years, and as Chairman to the Board of Selectmen for fourteen years.

Allan also served on the Planning Board beginning in 1970 and again in 2003, for a total of seven years. Meanwhile in 1973 he was also appointed as Sealer of Weights and Measures for a total of sixteen years.

Allan was also appointed as Civil Defense Director in 1989 - 1994. He also served as a volunteer on the Limerick Volunteer Fire Department for nineteen years. He was also a member of the Highland Lodge # 48 for thirty - nine years.

Allan worked at the Limerick Shoe Shop for twenty years where he held the position as foreman, and worked for the United States Postal Service here in Limerick for thirty - two years.

We would like to thank you Allan for all your years of dedication and devotion to the Town of Limerick.

Thank You!

Town of Limerick NOTICE TO DOG OWNERS

Your 2016 dog license was due and payable January 1st. If unpaid by January 31st, a late fee of \$25.00 is added. Do not look for a Collector to call, this is a license, not a tax, and it is up to you to see that it is paid.

1. All dogs 6 months of age have to be licensed on or before January 1st, or when they become 6 months old P.L. 1969 C.94.

2. All dogs 6 month old SHALL be immunized against rabies, including all KENNEL dogs 6 months old. The certificate must have a STATE seal on it as well as showing the immunization date within 730, P.L. 1969 C.244.

3455. Dogs not to run at large

It shall be unlawful for the owner of any dog, licensed or unlicensed, to permit such dog to run at large, except when used for hunting.

3456. Disposal

Any police officer, sheriff, deputy sheriff, gave warden or constable shall seize, impound or restrain any dog in violation of section 3455 and deliver such dogs to any person or shelter authorized to board dogs by the Department of Agriculture under section 3406. Such dogs shall be handled as strays and abandoned dogs.

2357. Penalties

Instead of seizing and impounding the dog, the officer having jurisdiction may prosecute the owner of any dog running at large and any person upon conviction shall be punished by a fine of not less than \$24, nor more than \$100.

The Town of Limerick adopted a fee of \$35.00 for dogs running at large and also for the cost of keeping dogs at a dog pound or roaming at large after causing a nuisance. The owner of a dog which is found running at large, who knows or has been advised that the dog has caused a nuisance and has failed to keep the dog on his/her premises or under his/her control or under the control of a person charged with that responsibility shall, for the first offense, be punished by a fine of not more than fifty dollars (\$50.00). For a second offense and subsequent offenses, the owner shall be punished by a fine of not more than one hundred dollars (\$100.00)

WARRANT 2016

York, ss. STATE OF MAINE To: Antonio Nappi, Jr., Constable for the Town of Limerick in the Said County:

GREETINGS:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of said Town of Limerick, qualified to vote in the affairs of the town, to assemble at the Municipal Building on the 11th day of March 2016 at eight o'clock in the forenoon to act on the following articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 to wit:

Article 1: To choose a moderator to preside at said meeting.

Article 2: To elect by secret ballot, One Selectman, Assessor and Overseer of the Poor for a term of three years, One Director RSU# 57 for a term of three years, One Director RSU# 57 for a term of one year, One Planning Board Member for a term of three years, One Planning Board Member for a term of two years, One trustee of the Limerick Sewerage District for a term of three year's, One Trustee of the Limerick Water District for a term of three year's, Two Library Trustee for a term of two years, Three Budget Committee Member's for a term of three year's. The polls for the election of officers, as herein before specified, will be opened at eight o'clock in the forenoon and close at eight o'clock in the evening Friday March 11, 2016. The votes shall be counted and results announced; the meeting will be adjourned until 9:30 a.m. on Saturday, March 12, 2016

Article 71: To see what sum the town will vote to raise and appropriate to begin the process of developing a program for the revitalization of the Main Street Village District.

Selectmen and Budget Committee recommend \$9,000.00

Article 72 : To see if the town will vote to raise and appropriate up to \$12,498.00 to complete the second half of the two year plan of installing fire hydrants at the intersection of Silver Lane and Harbor View road (Lake Arrowhead Community Maintenance Dept. will supply all Labor). LAC will do all the installation work and ongoing hydrant maintenance. Limerick will never pay for any hydrant rental or cost of water used by their fire department for fighting fires in Limerick including any mutual aid to Waterboro. The LAC Board of Trustees will sign a Memorandum of Understanding to that effect as they did with the town of Waterboro.

Selectman and Budget Committee recommend: a Yes Vote

(If all the articles are passed as the Selectmen recommend, Limerick is within the LDI tax levy limit for 2016, as it also was in 2015, 2014, 2013, 2012, 2011 and 2010. The following article is proposed as insurance in case the state does not fully fund its obligations to the town or an unforeseen expenditure becomes necessary in the upcoming year.)

Article 73: To see if the town will vote to increase the property tax levy established for the Town of Limerick by Maine State Law LD1. Town of Limerick by Maine State Law LD1.

The Registrar of Voters will be in session at the Municipal Building on March 11, 2016 at 8:00 A.M. to 8:00 P.M. to correct the list of voters and to enroll new voters.

LIMERICK BOARD OF SELECTMEN Limerick, Maine Roland (Sonny) LePage Joanne L. Andrews

TOWN OF LIMERICK TOWN MEETING REPORT ANNUAL TOWN MEETING MARCH 13, 2015

The annual meeting to elect town officials was opened at 8:00 A.M on March 13, 2015 at the Municipal Building, Richard Nass was elected as Moderator. Polls closed at 8:00 P.M. and the ballots were counted. A total of 505 votes were cast. The meeting was adjourned until 9:30 A.M., Saturday morning March 14th at the Brick Town Hall.

The legislative body set the date of commitment as September 1, 2015 and proceeded to pass all remaining Warrant Articles as written with the following exceptions.

Article 12. Passed to amend, to see if the town will vote to raise and appropriate \$3,000.00 for the Sokokis Lake Public Boat Ramp. (For the monitoring of the Sokokis Lake Public Boat Ramp.)

Article 13. (Failed). To see if the town will vote to raise and appropriate \$1,000.00 to install a gate at the Pickerel Pond ramp on Rt. 11. (Concern was who owns the land of where the Pickerel Pond gate is now located?)

Article 21. Passed to amend, to see what sum the town will vote to raise and appropriate for the Incidental Account for the ensuing year.

(To see what sum the town will vote and appropriate for the Administrative Operating Account for the ensuing year, \$30,927.00.)

Article 43. Passed to amend, to see what sum the town will vote to raise and appropriate for supplies and expenses of the Limerick Fire Department/EMS. (To see what sum the town will vote to raise and appropriate for supplies and expenses of the Limerick ME. Volunteer Fire Department, \$131,850.00.)

Article 53. Passed to amend, to see if the town will vote to authorize payment of costs and equipment related to informational technology and \$12,676.00 for Limerick's share of the Saco River Community Television regional Public Access Facility. Said amount shall not exceed the amount that the town receives from the cable company Franchise Fees.

Article 60. Passed to amend, to see if the town will vote to raise and appropriate up to \$10,000.00 and \$1,000.00 will be paid to St. Matthews Food Pantry as was requested and the remaining \$9,000.00 the town authorize the municipal officers to utilize as they deem advisable to meet unanticipated expenses and emergencies that may occur during the year.)

SPECIAL TOWN MEETING June 9, 2015

York, ss. STATE OF MAINE TO: Antonio Nappi, Jr., Constable for the Town of Limerick in the Said County:

GREETINGS:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of said Town of Limerick, qualified to vote in the affairs of the town, to assemble at the Municipal Building, located at 55 Washington Street, on the 9th day of June 2015, at eight o'clock in the forenoon, to vote by secret ballot, to act on the following Articles 1, 2, 3, 4, and 5 to wit: Polls will open at 8:00 A.M. and close at 8:00 P.M.

Article 1: To choose a moderator to preside at said meeting.

Laura May was elected moderator Polls opened at 8:00 A.M.

Article 2: To see if the Town will vote to raise and appropriate \$500.00 for Home Health Visiting Nurses.

Passed: 272 Yes 72 No 10 Blanks

Article 3: To see if the Town will vote to raise and appropriate \$500.00 for York County Community Action.

Passed: 253 Yes 91 No 10 Blanks

Article 4: To see if the Town will vote to raise and appropriate \$500.00 for Maine Behavioral Healthcare (Counseling Services).

Passed: 239 Yes 108 No 7 Blanks

Article 5: Shall an ordinance entitled "Recall and Removal of Elected Municipal Officials" for the Town of Limerick, Maine be enacted pursuant to Title 30-A M.R.S.A. § 2602 (6) amended October 13, 1993 with the exception of school board members as noted in Title 30-A M.R.S.A., § 2602.

Passed: 213 Yes 132 No 9 Blanks

Total Raised \$1,000.00

SPECIAL TOWN MEETING Tuesday, October 13, 2015 at 7:00 p.m.

York, ss. STATE OF MAINE

TO: Antonio Nappi, Jr., Constable for the Town of Limerick in the Said County:

GREETINGS:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of said Town of Limerick, qualified to vote in the affairs of the town, to assemble at the Municipal Building, located at 55 Washington Street, on the 13th day of October 2015, at seven o'clock in the evening, to act on the following Articles 1, and 2 to wit:

Article 1: To choose a moderator to preside at said meeting.

Randy Oliver was nominated as Moderator.

Article 2: Shall the Town vote to allow the Selectmen to enter into a 3-year contract for telephone service in the best interest of the town.

Passed as Written! (Fair Point Communications)

There were 17 registered voters whom attended.

A representative from Fair Point attended the meeting was voted by 2/3 of the people to speak regarding their proposal.

Savings per month with Fair Points new proposal would be \$374.33.

Caller ID Free.

Should have received a credit on September 2015 bill of \$7,395.53, because the town and Fair Point did not review the current contract that we had with Fair Point. Fair Point went back five years.

Meeting Adjourned at 7:30 P.M.

State House Telephone:	(207) 287-1400 (Voice)
State House Message Phone	e: 1-800-423-2900
State House TTY Line:	(207) 287-4469

Dear Citizens of Limerick:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely, Paul Relage

Paul R. LePage Governor

WASHINGTON, DC 20510

COMMITTEES ARMED SERVICES BUDGET ENERGY AND NATURAL RESOURCES INTELLIGENCE RULES AND ADMINISTRATION

Dear Friends of Limerick:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I cosponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that 1 have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

AUGUSTA 4 Gabriel Drive, Suite F1 Augusta, ME 04330 (207) 622-8292 PRESQUE ISLE 169 Academy Street, Suite A Presuue Isle, ME 04769 1207) 764-5124 SCARBOROUGH 383 US Route 1, State 1C Scarborough, ME 04074 12071 883–1588

In Mane sat foll-free 1-800-000-500 Fronted or Hocycled Paper Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide lifesaving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at 1-800-432-1599 or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.pov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Augus S. Ling, f.

Angus S. King, Jr. United States Senator

413 DIRKSELLSENATE OFFICE BUILDING SVASIBINGTON, DC 20516-1904 (202) = 14-2525 (202) 224-2633 (FAX)

United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a muchneeded additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Limerick and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County Office at (207) 283-1101, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Junan M Collins

Susan M. Collins United States Senator

Senator David C. Woodsome 3 State House Station Augusta, ME 04333-0003 (207) 287-1505

Dear Friends and Neighbors:

I am so grateful that you've selected me to represent you in the Maine Senate for my first term. I am honored that you've put your trust in me and I will continue to work tirelessly for the betterment of you and our neighbors. Let me provide you with a recap of the first session of the 127th Legislature as well as with my hopes for the second session, which will begin in January 2016.

The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers through job creation, tax relief, and streamlining government. To this end, my fellow legislators and I accomplished a great deal during the first session of the 127th Legislature.

We passed a biennial budget that ensured that more Maine families received a tax cut than did in the "largest tax cut in Maine history" in 2011. The budget stopped taxes on military pensions, restructured portions of our welfare system, increased funding for nursing homes, and put more funding towards eliminating waitlists for services for brain-injured and intellectually disabled Mainers.

I'm the Senate Chairman of the Energy, Utilities, and Technology Committee. In that role, I've been able to work on another area of policy that I particularly care about – expanding broadband Internet to Maine communities that will benefit from its presence. We passed legislation that would encourage efficient and effective broadband buildout by communities, which I'm very proud of.

I'm looking forward to watching how the significant changes we've already made will better the everyday lives of Mainers. I serve in Augusta because I believe that I can have an impact on the direction of our district and state. As you know, more changes are necessary. During the second session of the legislature, we need to make progress towards addressing the cost of energy in this state. As the chair of the Energy committee, I look forward to putting my own efforts into legislation that would lower your costs. On another front, working to combat the drug addiction epidemic our state faces is a crucial piece of what we should accomplish in the State House this year and I am hopeful of what we will get done to curb this critical problem.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or <u>dcwoodsome@gmail.com</u> if you have comments, questions, or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

David C. Woodsome

CHELLIE PINGREE Congress of the United States Ist District, Maine

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1st District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to www.pingree.house.gov.

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended preschool to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

Chellie Pingree Member of Congress

February 24, 2016

Dear Limerick Residents,

It is an honor to serve as your State Representative. As I come to the end of my 6th legislative term as a State Representative, I want you to know that I am working hard to achieve the best laws and policies for our community and for our great state.

This year, the Legislature's agenda will be limited mostly to emergency legislation and bills carried over from 2015. We are scheduled to adjourn by the end of April.

Among the issues we intend to work this session are increasing jobs and wages, supporting our senior citizens, promoting veterans issues, keeping energy and heating costs down, improving our schools while containing education costs and responding to Maine's drug addiction crisis.

We have already begun to respond to Maine's substance abuse epidemic with a bill that provided much needed resources for enforcement, treatment and prevention. It was supported by statewide law enforcement, medical and treatment professionals, people in long term recovery, and others. The bill passed the House and the Senate unanimously as an emergency, and the governor has signed it into law.

In terms of my own legislation, we continue to work on LD 68 "An Act To Authorize a General Fund Bond Issue To Attract Business by Investing in High-speed Broadband Infrastructure, which was carried over from last session. The bill would provide for a bond issue in the amount of \$10,000,000 in order to expand high-speed municipal broadband infrastructure. As I write this, the fate of the bill is still undecided, but it remains important to make sure all Maine people and Maine businesses including those in rural areas have access to high speed internet so that they may participate in today's global economy.

I will continue my work as a member of the Labor, Commerce, Research and Economic Development Committee (LCRED), where I maintain a strong voice advocating for the hard-working people of Maine.

Whether we are dealing with the above issues or any other topic, I stand ready to work with my colleagues, regardless of party affiliation, to make sure we're doing the best we can for the people of our district and all the people of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My phone number is (207) 793-2396.

Respectfully,

James J. Campbell, Sr. Maine House District 21 - Alfred, Limerick (part), Newfield, Parsonsfield (part) and Shapleigh (part)

HOUSE OF REPRESENTATIVES 2 STATE HOUSE STATION AUGUSTA, MAINE 04333-0002 (207) 287-1400 TTY: (207) 287-4469

Jonathan L. Kinney 179 Beaver Berry Road Limington, ME 04049 Residence: (207) 637-2366 Business: (207) 637-3000 Jonathan.Kinney@legislature.maine.gov

January 28, 2016

Dear Friends and Neighbors,

It is an honor to serve as your State Representative for District 22, which includes Limington and parts of Standish, Buxton, and Limerick. As we begin the Second Session of the 127th Legislature, I will continue to work and communicate with the constituents of District 22 concerning the issues we face today.

It is my focus to make sure our communities are well represented in the State Legislature. We have made important bipartisan investments in our districts roads and bridges. The Maine Department of Transportation's \$2.2 Billion *Work Plan 2016-2017-2018* continues to make significant investments in the road and bridge infrastructure of District 22. The bridges of East Limington, Steep Falls, and Bar Mills are great examples of current and future investments, along with the projects planned for paving our roads.

Other important areas of my legislative work concern getting additional resources for our disabled and senior citizens. The 2016-2017 budget also includes 2 million dollars for Maine's struggling nursing homes. This allowance will trigger a federal match bringing the total over the biennium to 16 million dollars. The budget also includes an additional 15 million dollars for our fellow citizens and neighbors with disabilities who find themselves on waiting lists for needed services.

The job market in Maine continues to hold steady through 2015 with 6200 jobs available at the Maine Job Bank. I will continue to pursue policies that grow the strength of Maine's economy, advocating for strategies that expand business and entrepreneurial opportunities, that in turn will raise wages for all Maine citizens. Overall, the financial condition of our state continues to improve. Maine's total debt has been decreasing and our state presently has over 111 million dollars in the rainy day fund.

I am humbled to be the voice for District 22 and am constantly inspired by the people and places that make this state so special. Please do not hesitate to contact me if you have any questions or concerns regarding your state government.

Sincerely,

Jonathan Kinney

Jonathan L. Kinney State Representative

Sallie Chandler York County Commissioner District 1 <u>salliebc@metrocast.net</u> (207) 457-2197

County of York Commissioners Office

Over the past year York County has experienced many positive changes that affect our citizens and the towns in which they live. A few of the highlights are listed below.

The County hired Art Cleaves as Director of Emergency Management. Art has hit the ground running and has done a great job building relationships with officials in our towns. Along with Art's expert knowledge of emergency management, Art has secured funding for our County Emergency Management Agency by approximately \$100,000.00. This is a direct benefit for our towns. It helps us to plan for emergencies and to provide training for individuals. We have successfully started a school based emergency management curriculum in some of our schools and it has been well received.

During the past year, we also hired our first full time Facilities Director, Tim Amoroso, who brings with him a great depth of knowledge on facility management. We enjoy working with Tim and the knowledge he brings to the County.

As I have reported in the past, we hired a Human Resources Director. Linda Corliss's hard and dedicated work is paying off exponentially through reduced Worker's Compensation costs and strong return to work programs. Linda has been instrumental in helping the County save in excess of \$40,000.00 in reimbursements and credits.

As part of our many services to the towns and cities in York County, we also offer a contract deputy program. With a contract deputy approach, towns without Police Departments can secure a police presence in the community for a fraction of the cost of funding their own Police Department.

The level of desired service is discussed with the Sheriff. The costs are then discussed with the County Manager and put into a proposed contract with the town. Because the County welcomes the Town's active participation in the protection of their citizens, the County only recoups the actual costs of employing the assigned deputy.

If you would like more information on contract deputy program, you may contact either Sheriff William King or County Manager Gregory Zinser.

These are just a few examples of how York County continues to do more with less.

Respectfully Submitted

Sallie Chandler

PUBLIC LIBRARY

In 2015, the following items were added to the collection 601 adult books, 407 children's books, 25 audio books and 231 DVD's. These additions to the collection were made possible through budgeted purchases and generous donations. Circulated in 2015 were 11,556 books and 3647 non-book materials. The library has 2,512 patrons with library cards, some of those are family cards "one card used by multiple family members". We borrowed 341 books for Library patrons from libraries throughout the United States. We loaned 49 books to other Maine Libraries. Patron visits for 2015 totaled 8,400. The public computers were used by 1945 patrons.

Patrons were able to borrow the free or reduced admission passes to the Maine Wildlife Park in Gray and Willowbrook Museum in Newfield.

The Limerick Garden Tour and annual Book Sale generated \$4,192. Memorial donations were received in the amount of \$830. Some of these donations were used to purchase large print books.

There were 190 programs at the library attended by a total of 1,319 patrons. The following is a partial list of the programs: Weekly pre-school story-time, adult book discussions, adult card games, adult coloring, knitting, seasonal paper craft programs, Summer Reading Program, Author and artist talks, pumpkin carving, and Affordable Care Act health insurance sign-up. In addition, we partnered with the Limerick Fire Department for a music event/fundraiser for the Line Elementary School anti-bullying program. We had one of the quilts from the NAMES Project Foundation / AIDS Memorial Quilt on display in July as well an Author and speaker to help us commemorate those who have died of AIDS.

The annual Summer Reading Program was completed by 82 children in 2015. Congratulations to the children and their families who supported them.

Thank you to the 37 volunteers who donated 783 hours of service in 2015.

For current news, activities, and programming visit the Library's facebook page. The online catalog, monthly newsletter, and calendar are available at the Library page on the Town of Limerick web site at: <u>www.limerickme.org</u>.

Respectfully submitted,

Cynthia E. Smith

Library Director/Librarian

SELECTMEN'S REPORT

Another year has passed with continued emphasis on auctioning town owned properties and the goal of getting these properties back on the books generating tax income. We thank the LAC Advisory Committee and our office Staff, especially Jeri Libby, in coordinating three more LAC auctions which generated the sale of some forty lots at \$35,240.00. The Selectmen also successfully auctioned two other parcels, a lakefront cottage on Pickerel Pond, Map 24 Lot 10, for \$95,000.00 and a 4.10 acre lot on Range E Road, Tax Map 30 Lot 16, sold for \$35,000.00. The grand total of \$165,240.00 per voter direction has been deposited in the Capital Project Reserve Account to be used for future capital projects.

Life safety issues arising from the State Fire Marshalls violation notice for the Brick Town Hall, were addressed with the goal of finalizing all these safety issues; a Statement of Deficiencies and Plan of Corrections has been signed by the Board of Selectmen.

The Handicap Access Committee acquired a \$10,000.00 grant from the Stephen and Tabitha King Foundation to be used toward the installation of an eighty square foot first floor handicap accessible restroom. The design and bid package for this project was developed by TTL Architects and after advertising for bids and receiving none, local contractors were sought for carpentry, electrical and plumbing; this project will be debuted during the 2016 town meeting.

The towns grant writer John Cleveland of Community Dynamics applied for four grants in 2015 two are pending approval and two were awarded in 2015 from the Morton-Kelley Charitable Trust and the Belvedere Historic Preservation Fund. These grants total \$17,500.00 and have been awarded for historic preservation projects for the brick town hall including window restoration. Several more grants will be sought in 2016 for exterior repairs for our town hall, Main Street Revitalization projects and exploring grant funding for Main Street water and sewer to replace the one hundred year old sewerage and water distribution systems.

The following contracts and projects were put out for bids and awarded to the following bidders in 2015:

- Snow removal for Main Street sidewalks and certain other intersections awarded to Dereck Welch, \$16,000.00 a year for 3-years.
- Snow removal of sidewalks on Washington Street awarded to Derek Welch for the 2015-2016 snow season at \$500.00 per storm plus \$125.00 per storm for sanding.
- Paving of town roads contract awarded to FR Carroll Inc. in the sum of \$185,340.00.
- Three year contract for door to door household waste collection awarded to Mellen and Son, the lowest of four bidders at \$95,000.00 per year.
- A 3-year contract for cleanup and mowing of town owned properties was awarded to Freeman Sprague Jr. the lowest of four bidders at \$12,615.00.
- JP Carrol won the bid for # 2 heating oil at \$2.399 a gallon and K1 at \$2.799 a gallon for the 2015-2016 heating season.
- A Limerick Business Park project to stump, strip, grade, reclaim and seed portions of Lots 1 and 6 was awarded to the lowest bidder Alderwood Farm at \$6,995.00.

• After a special town meeting to enter into a 3-year contract with FairPoint, a contract was signed by the Selectmen thus saving taxpayers hundreds of dollars a month and acquiring a credit from FairPoint totaling approximately ten thousand dollars.

Limerick was reclassified by the State of Maine to a priority 4 municipality stating that Limerick is not required to construct a sand/salt facility as long as the current location of the salt and sand pile is not moved to another location, this saved taxpayers hundreds of thousands of dollars.

A Memorandum of Understanding was executed and signed between Lake Arrowhead Community and the Town of Limerick regarding phase one of a two phase project for the installation of fire hydrants for fire safety in the Lake Arrowhead community and the surrounding town areas. Phase one of the project was approved by the Voters at the 2015 town meeting and phase two of the project is an article in this year's warrant.

A policy for the procedure used in obtaining background checks for new hires was adopted and signed by the Selectmen.

A joint meeting of the Selectmen and the Budget Committee was addressed by Don Tyler of Human Resource Partners. This company was approved by Voters to conduct a salary survey for town employees, and the results of this survey were discussed at this joint meeting.

In May, per diem Firefighter/EMT positions were approved and after interviews were conducted by the Selectmen, a total of 11 positions were filled. These trained dedicated people fill paid daytime shifts at the firehouse being on-call for emergencies thus saving response time and the need to rely on mutual aid from other municipalities.

2015 saw the resignation of two members of our Planning Board. Andrew Ivey and Howard Burnham resigned late in the year as well as the Chairman of the Board of Selectmen, Dean LePage; we thank these citizens for their service to the Town.

Respectfully submitted,

Roland C. LePage, Jr. Joanne L. Andrews

SACO RIVER COMMUNITY TELEVISION

In 2015, **Saco River Community Television** marked our 15th year Anniversary and this gave us time to pause and reflect on the changes in technology we've seen throughout this time period.

Back in 2000 when our six town non-profit consortium began, town meetings were stored on VHS tapes. Who knew we'd have the explosion in multi-media platforms we now enjoy today? SRC-TV is better able to serve Limerick's citizens because the cable broadcasts are now linked with our online PEG (public, education & government) player. The <u>src-tv.org</u> website/PEG player enhances and elevates locally produced programs and a wide variety of Limerick-specific content for citizens that may not have a cable connection.

Citizens are certainly paying attention to town affairs. They are watching online. And they are watching on cable. SRC-TV believes these technology developments work to keep the citizenry involved and informed. We also archive and often process and enhance meetings if they are found to have technical flaws. Currently, we have 282 meetings can be seen online at the convenience of local people.

The town meeting tradition is alive and well. We continue to be impressed by the level of civic engagement in Limerick. Attendance at the meetings appears to be consistently strong and we routinely hear from local people in regards to a wide array of Limerick meetings. No other town in our consortium televises a wider variety of meetings than Limerick and we're pleased to play a part in this uniquely local, grass roots form of electronic democracy.

Some may not know this but SRC-TV is also a media training center. We are here to provide no cost training to any Limerick citizen in the use of our camera's and editing equipment. The training we offer is free of charge and citizens are encouraged to use this training to create programs focused on events taking place in the town. These events are wide and varied. Most recently, we had volunteers visit with businesses and individuals along the Annual **Snowflake Trail** event. In the past, we've had volunteers record **Memorial and Veteran's Day** events, holiday parades, a business profile of **Natures Way**, a town PSA recorded on **Hosac Mountain** and an **AIDS Quilt discussion** at the **Limerick Library** as well as a very highly regarded performance by organist **Roy Cornils** of the **Portland Symphony Orchestra** performing at the **Limerick Free Baptist Church**.

SRC-TV strives to create a locally relevant alternative for Limerick's cable and online audience. We're excited about the future and look forward to helping the town navigate their way through the changes in technology we can all expect moving forward.

Respectfully submitted,

Patrick A. Bonsant Manager, Saco River Community Television

SACO RIVER CORRIDOR COMMISSION "Communities Working Together To Protect Our Rivers"

The Saco River Corridor Commission (SRCC) works to protect the Ossipee, Little Ossipee and the Saco River through the standards, programs and laws described by the Saco River Corridor Act. The Maine legislature devised the Act in an effort to protect these great rivers after many citizens in the 20 surrounding towns approached them for help. Each of these 20 towns has an opportunity to be represented on the Commission by having the town appoint two people — a member and an alternate.

The Town of Limerick is fortunate to have Toni Carros and Jane Lougee Bryant on the Commission. In a practical sense, being on the Commission gives the Town of Limerick an opportunity to participate in the present and future development patterns throughout the entire corridor from Fryeburg to Saco. The Commission looks at land use issues, water quality and conservation issues covering a wide range of topics during the year. Anyone interested in obtaining more information about how to represent your community through this Commission should contact the Commission Staff and we will explain the town's role and the individual's role as well.

We are pleased to report that we are concluding our fifteenth successful season of our Saco River Basin Water Quality Monitoring Program in September, 2015. Currently, we have over 10 volunteers monitoring for dissolved oxygen, pH, turbidity, temperature, total Kjeldahl nitrogen, total phosphorus, orthophosphate, Alkalinity and *Escherichia coli*. We also do macro invertebrate testing and conductivity testing at many sites within the corridor. Our testing takes place on a bi-weekly schedule along the Saco, Ossipee, and Little Ossipee Rivers at 34 different locations during the months of May through September. All of the information relating to the past fifteen years of the Commission's monitoring program can be found on our website located at <u>www.srec-maine.org</u>.

The Commission and staff work hard to keep the rivers clean and healthy, but we cannot do it alone. Anyone from Limerick interested in filling the alternate position on the Commission or interested in obtaining additional information about the Saco River Corridor Commission's work or for a copy of the water quality monitoring information should feel free to call Dennis J. Finn, the Commission's Executive Director. The Commission office is located at 81 Maple Street in Cornish, Maine (Telephone 207-625-8123) and can be found on the web at <u>www.srcc-maine.org</u>.

PLANNING BOARD

In 2015 the Planning Board was busy with the usual scheduling, fifteen regular meetings were held and six workshops were also scheduled for various issues. The board held eight public hearings and the members attended eight site walks dealing with four conditional uses and two subdivisions. A major 7-lot subdivision was approved on Doles Ridge Road entitled Doles Woods and a minor subdivision for the revision of Lot # 5 in Fox Ridge Estates on the Watson Hill Road was also approved. Four conditional use permit applications were presented to the board, three were approved and one is pending.

The board has tried to work on proposed zoning changes and additions to the Land Use Chart but did not have much time to devote to these issues.

On behalf of the Planning Board I would like to thank Andy Ivey and Howard Burnham for their hard work and dedicated service.

All in all it was a very interesting and busy year with the board dealing with many diverse issues.

Respectively submitted; Aaron Carroll — Chairman

TRANSFER STATION & RECYCLING FACILITY

2015 was another good year at the transfer station with more and more residents using the facility, up to 30% of household trash is now being brought to the facility. Our household waste is incinerated for energy production and our single sort recycling also goes to Ecomaine where it is separated and recycled. It is so easy to separate cardboard, paper, magazines, mail, catalogs, paper bags, office paper, envelopes, wrapping paper, phone books, hard cover books, clean paper plates, milk and juice cartons, drink boxes, aseptic containers, and shredded paper along with plastics, water bottles, milk jugs, detergent bottles, all rigid containers marked with a #1 through #7, tin cans, empty aerosol cans, aluminum cans and foil, pots and pans, all clean glass bottles and jars, and all colors of glass items; this entire list can be thrown into our compactor, no separating, and shipped for 100% recycling. Between 60% and 80% of everyone's household trash can be recycled and would save over \$50,000.00 in tipping fees.

Less than 40-tons of demolition went to a landfill from Limerick a 250-ton reduction since the demolition that was sent to the landfilled back in 2004. Just over 100-tons of burnable demolition was separated out and shipped for waste to energy; the remaining reduction of 110- tons is due mainly to a very busy "Take It Shop" with good useable items given to residents for re-purposing and re-use, every item given away reduces shipping and tipping fee costs, a true win, win situation for everyone.

We take all fluorescent lamps and compact fluorescent light bulbs free. In 2015 we shipped 2,163 feet of fluorescent bulbs and 225 compact fluorescent bulbs. We also recycled over 200 pounds of rechargeable batteries and cell phones. In addition 257 tons of brush was chipped and sent to Sappi for waste to energy as well as 76.40 tons of ground demo wood. Limerick now participates in the "Recycle with Paint Care" program a free program where we accept liquid left over oil base paint as well as latex paint.

Residents disposed of 196 sofas, 186 chairs and recliners, 321 mattresses and boxsprings, 448 TV's and computer monitors, 105 printers, 346 tires and 127 room size carpets plus 3,078 pounds of mixed electronics like stereos, CD and DVD players and other miscellaneous electrical components; the above items no longer end up in a landfill saving the environment and our tax money.

Thank you to all who help us out during the year, we really appreciate the pride you all have in your transfer station.

Joanne L. Andrews Maine Licensed Transfer Station Operator & Limerick Solid Waste Manager

ROAD COMMISSIONER

Spring, Summer, and Fall Seasons

Sweeping of winter sand from intersections and town ways was completed during the months of March, April, and May.

F.R. CARROLL Inc. was again awarded the towns paving of about two miles.

Grading of 5 plus miles of gravel roads was done on as needed. Adding crushed gravel as needed. We now have 34 houses on these roads, which school buses travel many times a day.

With our continued roadside mowing of grasses and small suckers that tend to grow during the year, also help visibility around corners and curves of roadways, done by Gregory LePage. Fine Job.

64,046 Ft of double yellow centerlines was completed in September, a cost of \$5,123.68 @.08 per foot. Burnham Doles Ridge Enterprise New Dam Range E Stone Hill Roads

.

NOTE; Expenditures of the Highway Budget is always determined by weather occurrences throughout the year.

RSU 57 prepares respectful, responsible and creative thinkers for success in the global community.

3 February 2016

To: Limerick Selectmen From: Dr. John A. Davis, Supt. of Schools

I am pleased to report to your community the state of our schools for 2015-2016. This represents my final year with RSU #57, an organization I have been very pleased to be associated with these past five years. There are several topics I will address with the greater community here in this report.

Curriculum and Instruction: Our school district remains committed to helping all our students prepare for the many challenges they will face in their lifetime. We know they will need to know how to think, solve problems, assemble, sort, and digest an extraordinary amount of information and data and do this while working in groups that will change composition quickly. We must challenge our children beyond memorizing information. We must help prepare them to use information to solve really difficult problems.

Our district is continuing its effort at moving our instructional practices to a place where we will expect all students to demonstrate what they have learned and that they have learned to levels much higher than was expected of us. As a school, community, and nation, we must insure that our students are the best prepared and most determined to be successful.

Finance and Budget: We are in the midst of building next year's budget. The Board will be reviewing their goals, the needs as expressed by state and federal requirements, and be reviewing the input of staff as they negotiate the many requirements of a school district operating in today's environment. The budget adopted by the Board and approved by the RSU #57 community has proven reliable and on target.

Facility and Maintenance: The Board and Finance Committee continue to address the larger maintenance issues such as roofs, leachfields, upgrades to the sport fields, and schools that will soon begin to exceed their life expectancy. School buildings, as with any building, have a limited life span. For example, schools are generally built to last 40–50 years before they require significant upgrades and remodeling. Over the next several years the Board will be making sure that our schools are maintained, roofs are attended to and flooring is replaced as needed.

A bigger and bigger issue we are facing is the number of students with allergies that require carpeting to be replaced with tile floors.

The total enrollment for 2015-2016 for RSU #57 was **3,140** students in grades kindergarten through 12 based on the October 1 count. A total of **523** students from **Limerick** represent **16**% of the total district enrollment:

Line Elementary School (K-5)	225
Lyman Elementary School (K-5)	1
Shapleigh Memorial School (K-5)	3
Waterboro Elementary School (K-5)	9
Massabesic Middle School (6-8)	109
Massabesic High School (9-12)	119

The total General Fund Budget for the 2015-2016 school year for RSU #57 is **\$38,794,553.00**. The Town of **Limerick's** local portion of this budget is **\$2,905,650.00**, which equals **12.89%** of the total local tax assessment and represents an increase in **Limerick's** local tax of **\$33,639.00** or **1.17%** over the 2014-2015 assessment. The district per pupil expenditure continues to be one of the lowest in the state, while the instructional programs and services continue to meet the needs of the students.

Education is a community effort and the community is invited to visit and/or volunteer in our schools. School Board meetings are held on the second and fourth Wednesday of the month at 7:00 p.m. and a schedule of meetings can be found on our website or you can contact RSU #57's Central Office and we can provide this information. Additionally, the District Budget Meeting will be held on Tuesday, May 17, 2016 at the Massabesic Middle School at 7:00 p.m. in the cafeteria. We hope you can attend.

Respectfully submitted,

Arcend

John A. Davis, Ed.D. RSU 57 Superintendent of Schools

CODE ENFORCEMENT OFFICE

A new year, with new Issues.

This year the updated building codes will take effect once the State has fully adopted them. This will be the International Code of 2015, excluding what section or chapters the State does not approve. It will super seed the 2009 International code. There are a lot of changes between the 2009 and 2015 codes.

I will keep anyone who is interested updated of the States acceptance and when it does become in effect.

I am in the code business and I like to help people out, especially to keep anyone from having a violation. Or to help people plan out their project or give them advice on possible dividing up their property.

Give me a call and maybe I can help.

Permits Issued for 2015

There were a total of 68 building permits;

- 10 New Homes
- 9 Remodeling
- 6 Additions
- 6 Garages
- 1 Barns
- 1 Chimney
- 1 Retaining wall
- 3 Decks
- 3 Porches
- 7 Sheds

- 4 Foundations
- 1 Swimming Pool
- 2 Storage Buildings
- 1 Enclosed Porch
- 6 Renewals
- 2 Carports
- 2 Demo's
- 1 Commercial Building
- 1 Restoration of Natural Area
- 1 After the Fact

- **31 Plumbing Permits**
- 31 Subsurface Waste Water Disposal Permits

Respectfully submitted Norman Hutchins Code Enforcement Officer

EMERGENCY MANAGEMENT

2015 was a quiet year for Limerick EMA. After the winter of 2014-15 some quiet time was needed. Limerick EMA has moved to the municipal building office in the basement. The county director and his staff have done a great job getting all the training that everyone needed. We are back to regular meetings for the winter months and all is going well. A big thank you to Ray Bishop for all your help this year.

Respectfully submitted,

4

Michael Ward Limerick EMA Director

Mike Ward Director 207-608-5837

Ray Bishop Assistant 207 -651-6075

ANIMAL CONTROL

2015 was, as usual, busy with many people having to get their dogs from the shelter because their dogs were roaming at large. I receive calls day and night and respond as soon as I can to your concerns and try to locate owners prior to taking their pet to the shelter. I continue to average 35 lost cats and over 20 lost dogs per year.

Other calls I receive in addition to lost pets include animal abuse complaints by individuals and the State, possible rabies reports, dangerous dog complaints, dog bites with attacks on both humans and other animals.

I am also available to do municipal kennel inspections to those pet owners that have more than five dogs; this saves the owners of having to license their dogs individually with the town.

I am on call to help Inland Fisheries and Wildlife when called upon to do so; every year I get many calls concerning wild animals with rabies. I am not able to respond to wild animal complaints, Game Wardens will take care of those types of calls but I am available to help them in any way I can but I always respond to rabies reports.

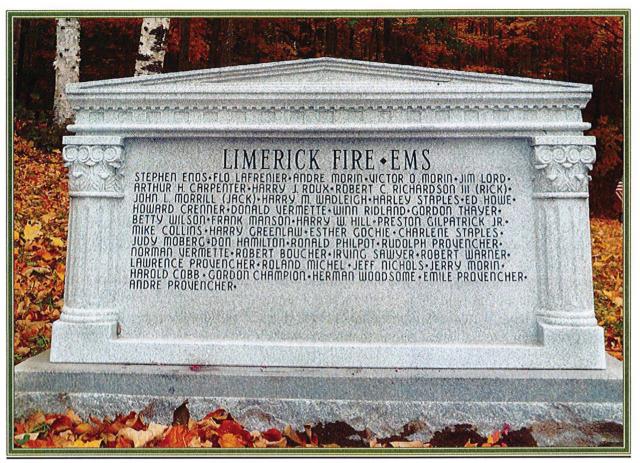

Please license your dog and have them vaccinated against rabies this protects them as well as you and your family, every year I am notified of rabid animals in our area. Periodically you will see rabies clinic being held in our area these clinics charge very reasonable fees and don't forget to have your outdoor cats vaccinated as well.

It becomes so much easier to reunite you with your pet if you have taken the time to license them and remember to place the tags on your pets collar, this eliminates the stress of them being transported to the shelter because I can't find you the owner not to mention the fees the shelter charges you.

I am required to take annual courses to keep up to date with Animal Welfare Laws, this past year I took a day long course on updated laws and exotic animals that was extremely interesting.

You can call me at 207-459-0369 leaving a voice mail and I will respond as soon as possible to your call.

Sincerely, Wade E Andrews – Limerick Animal Control Officer Limerick ACO

FIRE DEPARTMENT

This year, Limerick Fire and EMS had a larger than usual call volume of 498 EMS and fire calls where members donated approximately 2,700 hours. This increased demand was met by an additional per diem position Monday through Friday and staffing Saturday and Sundays from 8am to 5pm during the summer. Doing so resulted in a reduction in response times of 47%, and a 44% decrease in reliance on mutual aid. Given that success, we will be asking to staff the station on Saturdays and Sundays for the entire 2016 year.

For the coming year, we will be looking to replace Engine 2, our 1991 Ford pumper, with an equivalent piece of apparatus that can safely carry up to six fire fighters to a call. This piece of apparatus will cost roughly \$450,000. This is an investment that will help protect this town for the next 25 years.

Training is important to us as our services are needed more and more each day, and we must maintain a high level of competency. Assistant Chief Jason Johnson has completed his fire instructor's course giving Limerick two in-house fire instructors. He has also recently upgraded his license as an Advanced EMT. The department would like to recognize Michael Welch has completed his Fire Fighter VII and Josiah LaCourse has finished his basic Fire Fighter, giving Limerick fourteen interior qualified fire fighters. We have worked with our selectmen about using the old dump as a fire training ground. This will give us the ability to train week nights and weekends throughout the year. Earlier this year we unveiled a memorial stone in Tibbets park for all past fire and EMS members. As previously mentioned, if a loved one has served this community and their name is not present please contact either the Town office or fire station. I would like to thank Howard Smith for his 35 years of dedication to this department. This year he retired from active service and for that we have retired his call number, 1273.

Our current fire station that has served Limerick for many years, and we have far out grown it. Looking to the future we would like to come up with a plan, not a 3-million-dollar plan, but a reasonable plan that will allow for future growth. I believe we can work together and get something done.

Lastly, I would like to thank each member of this department and their loved ones who allow us to do our job 24 hours a day, 7 days a week, 365 days a year. I would also like to thank the citizens of the community for your continued support.

Best regards,

Michael McLean, Chief Limerick Fire/EMS

HANDICAP ACCESSIBILITY COMMITTEE

The Handicap Accessibility Committee (HAC) continued to meet monthly during 2015, reviewing the comprehensive planning document *Code Compliance and Existing Conditions Assessment and Survey* prepared by ttl-architects of Portland, Maine for the Brick Town Hall. Construction documents were completed during 2015 for relocation of a new restroom on the first floor and a 3 story tower addition containing a stairwell and an elevator by ttl-architects. Both of these projects are necessary to move the town toward compliance with the Americans with Disabilities Act and improve the safety of the Brick Town Hall's occupants during an emergency.

In March of 2015 the town was awarded \$10,000 from the Stephen and Tabitha King Foundation from a grant that the HAC submitted. The committee voted to recommend to the Select board, the monies be used for the relocation of the first floor restroom so that it would meet ADA requirements. In August 2015 the committee submitted their final recommendations to the Select board for contractor selection.

At the March town meeting in 2015, \$3000 was approved by the citizens for a grant writer for the Brick Town Hall. In the summer of 2015 the Town entered into a contract with Community Dynamics Corp. (CD Corp) of Auburn, Maine, to identify grants that would match the building's needs.

CD Corp submitted the following grants in 2015 on behalf of the Town:

- Belvedere Fund for Historic Preservation
- Morton Kelly Charitable Trust
- Narragansett Number One Foundation
- Central Maine Power Corporate Sponsorship Program

The Town also issued a purchase order to Home Energy Audits of Brunswick, Maine for the completion of an energy audit of the Brick Town Hall. The information that this report will contain is required for additional grant submissions. The report is expected to be received in January of 2016.

Most of the work was also completed by CD Corp for a Community Development Block Grant (CDBG) Letter of Intent in 2015 and will be submitted in January of 2016. This is a preliminary document required by the CDBG process, for future grant submissions.

In December of 2015, the Town was awarded \$7500 from the Belvedere Fund and \$10,000 from the Morton Kelly Charitable Trust, both for window restoration at the Brick Town Hall.

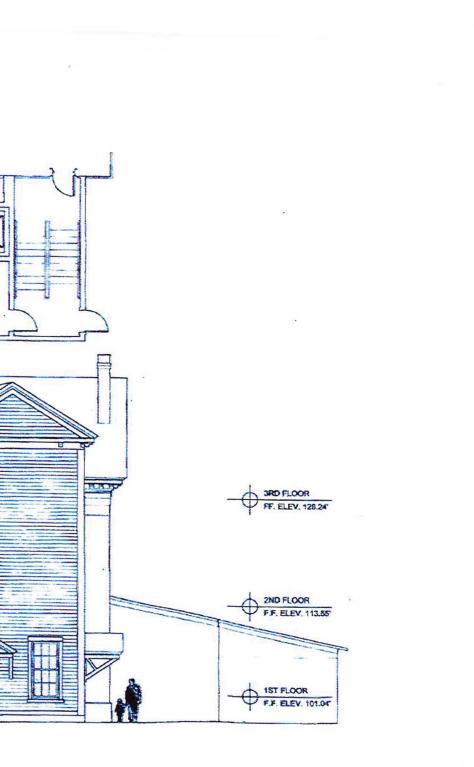

We wish to thank the citizens of Limerick for their support of our efforts.

Respectfully submitted,

4

Gail Libby, Tony Nappi, Mike Ward and Wendy Thorne

BUDGET COMMITTEE

The Limerick Budget Committee completed its fifth year of budget review and recommendations, since the election of the committee, by the residents of Limerick.

The first meeting for 2015 was held on November 19th. Thereafter, the committee met a total of 7 more times thru February 18th, 2016. Attendance by the committee averaged 6 of the 7 committee members.

The Budget Committee and the 2 Selectmen, along with the Treasurer, met together listening to all department presentations and then reviewed the Warrant Articles one by one. Several Department Heads appeared before the Committee more than once to answer questions regarding their funding requests. The discussions were very productive and we appreciate the cooperation and collaborative effort given by all. The time spent by the various departments in preparing their budgets contributed to a smooth budget review process.

This year, the Town of Limerick Budget Committee Ordinance was challenged in regards to the ordinance's exclusion of any town employee becoming a member to the committee. The word employee was thought **not** to include per diem staff of the Limerick Fire/EMS Department. There were 2 such employees who wanted to run for election. After discussion of the fact that the ordinance was written to exclude employees and department heads, so as to not have a stacked board, it was deemed that the Chair should get a definition of employee from Maine Municipal. Upon doing so, MMA defined any town employee as an individual who earned a dime from the Municipality of Limerick. Therefore, per diem staff of the Fire/EMS Dept. is most certainly employees of the Town of Limerick.

There was also much discussion of the Code of Ethics and the fact that certain individuals on the Committee should morally recuse themselves.

The committee receives no funding, all supplies used are donated by the members themselves, and there is no stipend paid.

Committee Members: Denise Benton, Chair Gil Harris, Co-Chair Stephanie Bishop, Secretary Wendy Thorne Steve Grigg Steve McLean

We look forward to seeing you at the Annual Town Meeting on Saturday, March 13, 2016.

Respectively Submitted, Denise L. Benton, Chair

HEALTH OFFICER

I hope everyone stayed healthy last year.

There was a lot of health issues around the State this past year, but Limerick had no major medical sicknesses or illness reported.

Just remember some of the smallest germs can cause some of the biggest problems and sicknesses. Mold is one of these little germ groups that can get you sick. There are many different kinds of mold. So, if you spot any, you need to get rid of it right away. I have some booklets that explain about mold and the different kinds. Also these booklets will tell you how and what to use to clean up and get the mold gone.

So, if you have any questions on anything relating to health issues, give me a call at the office 207-793-2166 ext. 5

And remember that the Public Health updates are on the Limerick web site www.limerickme.org.

The Center of Disease Control (CDC) has a website with information at <u>http://go.usa.gov/g6u.</u> Or call toll free 1-800-821-5821

Respectfully submitted

Norman Hutchins Health Officer

PARKS AND RECREATION DEPARTMENT

The Parks and Recreation Department formed a committee consisting of five members who meet on the first Monday of each month at 6:30pm in the Community Conference Room. The meetings are announced and open to the public. The current Committee Members are; Amanda LePage, Lisa LePage, Michele Boucher, Dennis Ramsdell and Israel Rodriguez.

- The Recreation Committee worked together to develop and implement a structured process in which to run our Co-ed Recreational Soccer and Basketball programs as well as our Travel Basketball program.
- This year we;
 - > Introduced a Pee Wee level for both Basketball and Soccer.
 - > Hosted a three week session of "Skills and Drills" taught by a local college soccer player.
 - > Hosted a one week session of "Skills and Drills" for basketball.
 - > Collaborated and played with both the Waterboro and Hollis Recreational Soccer programs.
 - > New team t-shirts for all the Soccer and Basketball players.
 - > Provided coaches for both Basketball and Soccer with coach kits.
- Sponsored graham cracker house building, felt holiday tree craft and wooden ornaments during the Limerick Village Holiday Event.
 - > Approximately 100 participants ranging from toddlers to adults.
- Sponsored a presentation on Suicide Prevention by the JD Foundation.
- Sponsored a Basketball Free Throw Tournament by the Knights of Columbus.
- Hosting monthly free movies open to the public in the Community Conference room.
- Worked with the Local Fire Department to set up a community ice rink at the Ball Field.
- Completed a walkthrough with the Selectmen at the Ball Field to identify and plan upgrades, repairs and needs.
- Completed a walkthrough at Boy Scout Island Beach to identify and plan upgrades, repairs and needs.
- Documented current status and plans of both the Ball Field and Boy Scout Island Beach and shared with the Selectmen.
- Playground upgrades at the Ballfield include;

Sumac removal, Bush Hogging, replacement of wood chips under equipment, placement of new trashcans, new nets for soccer goals and new nets for outdoor basketball hoops.

Made use of the Brick Town Hall in order to accommodate the number of Basketball participants.

I would like to thank each and every person who volunteered, donated, assisted and supported the Parks and Recreation Department this past year. Thank you so very much for all the help, support and guidance you have given; not only to the Parks and Recreation Department but to me as well. You stepped up and offered to help create something that would benefit so many. Working as a tem to sculpt and implement a smooth, consistent operation for our department is what has led us to a path of success. The journey is far from over, but having people like you can only lead to greatness.

Sincerely,

Amanda LePage Recreation Director

WATER DISTRICT

Operation of the Limerick Water District has been generally satisfactory during the year. Testing of water required by the Maine Drinking Water Program produced satisfactory results.

Items Requiring Attention:

*A water-main break on Route 5 North occurred in late January and progressed into February. Apparently, the cause of a period of steady extreme cold, deeper than usual frost and the location of the break directly over an eroded portion of an old drain line made the exact location of the break extremely difficult to find. Excavation work was hampered by the same conditions plus frequent snowstorms but with help of some very knowledgeable people, both local and otherwise, the leak was repaired with no loss of water.

*One Frozen water service, twice

*Painting of doors and trim at Washington St. reservoir and Emery Corner Rd pump station

*Shingled 1/2 roof at Emery Corner Rd. pump station

*Replaced well pump at Emery Corner Rd

*Replaced main valve upper Main St

*Water storage tank on Swasey Hill off Elm St. was sandblasted, cleaned and painted along with the replacement of about 2,500 rivets. The heads of which were nearly worn flat by ice working up and down in the tank over the years. Some other unscheduled repair work was also done. This tank should be good for another 15 year cycle.

*Customers in the upper village lost water service one Saturday evening. Apparently, due to a thundershower, but service was resumed the same evening.

*Three water leaks were discovered and remedied:

A hydrant on a private sprinkler line.

A private service line.

A hydrant line on Allaire Dr.

A leak of this type will lose 12,000 to 15,000 gallons of water in a 24 hour period and are sometimes quite difficult to locate.

*Several chemical feed pumps were repaired

*Two new houses on John & Marie Dr. and the new Dollar General Store on Washington St. were added to the system.

Conforming to the policy of the District, liens will be placed against the property whose owners are delinquent in the payment of water charges.

Respectfully submitted,

Trustees

SEWER DISTRICT

Operation of the Limerick Sewer District has been generally satisfactory during the year. Wastewater testing required by the Dept. of Environmental Protection has been done with satisfactory results.

Items Requiring Attention:

*Two frozen sewer service lines

*Wooden trim at the treatment plant repaired and painted. Doors and window trim painted.

*Sewer service line problem apparently created during Washington St. reconstruction.

*Replaced effluent pump at treatment plant

*Replaced influent meter at treatment plant, apparently struck by lightning.

*Replaced rusted steel door to head-works with a fiberglass door.

*Cut back trees and bushes behind lagoons.

*Removed and replaced liner and stone in pump station enclosure on Burnham Rd.

*Wastewater license renewed for 5 years.

*Two new houses added to the system on John & Marie Dr.

*Work is in progress for adding the Dollar General Store to the system.

Conforming to the policy of the District, liens will be placed against property whose owners are delinquent in the payment of sewer charges.

The district shall not be responsible for the cost of any repairs, reconstruction or unclogging of any private sewer service line, or any overreach into the District's infrastructure performed by any person or persons, or any firm hired by the property owner.

Respectfully submitted,

Trustees

Proven Expertise and Integrity INDEPENDENT AUDITORS' REPORT

Board of Selectmen Town of Limerick Limerick, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Limerick, Maine, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Limerick, Maine as of December 31, 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

1

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison schedule on pages 4 through 11 and 35 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Limerick, Maine's basic financial statements. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual non-major fund financial statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards

generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.
