To The President of The Bank
of Baltimore.

Dear Sir

On the part of Mr Tenant it is our duty to inform the Bank
that differing as we do from the Board in the view they have
taken of their responsibility for the defalcation of Richard S. Cox
after these defalcations became known to the Bank, we have
thought it desirable to refer the subject to the decision of
a Court of Law, and in order that ~~this~~ may be done with
the least trouble to the parties interested, and in a manner
likely to insure a full and speedy adjustment of the points
of difference between ^{them}, we beg leave, through you, to propose
that suits on either side shall be docketed by consent at
the next term of the Court and that under plea of the general
issue all such matters shall be presented to the Court (notice
being given to the parties respecting interests) as shall bring
up the entire merits of the questions in controversy.

Balt. July 16. 1834

Very respectfully

Yours
John P. Kennedy
