MEN'S LOCKER ROOM

WOMEN'S LOCKER ROOM

In fall of 2010, the Wofford cross country and track and field teams were welcomed back to campus with a new team room and locker room facilities. The area, located on the second floor of Andrews Fieldhouse, is adjacent to the golf practice room. The men's and women's teams each have separate changing areas that include new lockers. All teams share a large room that can be used for meetings, stretching, workouts and yoga. A variety of foam rolls and bands are available in the air conditioned space, along with a flat screen television.

Wofford College Mission Statement

Wofford's mission is to provide superior liberal arts education that prepares its students for extraordinary and positive contributions to society. The focus of Wofford's mission is upon fostering commitment to excellence in character, performance, leadership, service to others and life-long learning.

Wofford College does not discriminate on the basis of race, color, creed, religion, sex, age, national origin, disability, veteran status, sexual orientation or any legally protected status.

NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on 'Compliance,' or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or "booster/donor" he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

REMEMBER THE #1 RULE: 'ASK BEFORE YOU ACT!'

THIS IS WOFFORD

Wofford College, established in 1854, is an independent liberal arts college located in Spartanburg, S.C. It offers bachelor's degrees in 26 major fields of study, and is well known for its programs leading to graduate and professional studies. Affiliated with the United Methodist Church, the college is committed to quintessential undergraduate education within the context of values-based inquiry.

Wofford College consistently finds itself as a benchmark for what higher education should be now and in the future, and how students can find an exciting and fulfilling undergraduate experience that also is a good value both in financial investment and in value-added by that educational experience.

The college has scored high on the National Survey of Student Engagement (NSSE), which measures the level of academic challenge, active and collaborative learning, student-faculty interaction, enriching educational experiences, and a supportive campus environment.

Wofford can be found in numerous college guides that provide perspectives from a variety of sources. Among those are *U.S. News & World Report's* "America's Best Colleges," *The Princeton Review's* "Best 376 Colleges," *The Fiske Guide to Colleges*, *The (Yale) Insider's Guide*, and *Peterson's Colleges for Top Students*.

Forbes.com ranked Wofford as one of "America's Best Colleges" in 2011, the highest rated institution in South Carolina. In its November 2010 issue, *Kiplinger's Personal Finance* magazine ranked Wofford among the nation's best private college values, at number 31.

Wofford consistently lands on "best value" lists in various other national college guides and publications. In *U.S. News & World Report's* 2010 "America's Best Colleges," Wofford was included in "Great Schools, Great Prices," a listing of 31 liberal arts colleges.

Wofford ranks ninth in the country in the percentage of undergraduates receiving credit for studying abroad, according to Open Doors 2010, a report published by the Institute of International Education (IIE).

The Village, Wofford's apartment-style housing for its senior students, has earned a number of national recognitions. The Michael S. Brown Village Center opened in the fall of 2011 with loft-style apartments along with a grand Galleria, deli restaurant and market. It is anchored by the Mungo Center for Professional Excellence.

Wofford was named to the President's Higher Education Community Service for 2010, presented by the Corporation for National and Community Service, an independent federal agency tasked with fostering an ethic of volunteerism and service in America. Wofford also was included in the 2009 Guide to Service-Learning Colleges & Universities, highlighting the college's programs to encourage student engagement.

Wofford's entire 175-acre campus is a national arboretum, which was named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor. More than 5,000 trees have been planted on the Wofford campus since 1992.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. They provide students with meaningful study-abroad experiences, exciting and socially useful service opportunities, career-related and experiential learning possibilities, interaction with great academicians from across the world, and exposure to renowned authors, artists, and business and professional leaders. Such “focal point” programs include, but are not limited to:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus.

The Bonner Scholar Program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Success Initiative, a leadership and scholarship program that offers practical, project-based experience.

The Vocational Discernment and Pre-Ministerial Program, a counseling and mentoring approach to helping students make personal decisions regarding further study and careers in the ministry.

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the rigorous and challenging program. It operates both on Wofford’s campus and at the new Glendale Shoals Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along the Lawson’s Fork Creek.

Neuroscience, a program in which students examine the nervous system and its regulation of behavior through an experimental approach, offered jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing interdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

Learning Communities, an interdisciplinary approach to learning that links courses in two or more departments through a common theme.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigors of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty writers that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers themselves.

Presidential International Scholar, an opportunity for an outstanding, intellectually gifted student to visit other parts of the world researching specific academic areas of interest.

The Community of Scholars. Student fellows in this summer program work under the supervision of faculty mentors engaged in parallel or related research. The projects encompass all disciplines, including science, the humanities, the social sciences and the fine arts.

Presidential Seminar, a weekly seminar hosted by Wofford President Benjamin Dunlap for outstanding seniors, in which seminar members explore interdisciplinary subjects of current significance.

Liberty Fellowship, a two-year leadership experience hosted by the college and a partnership of South Carolina businessman Hayne Hipp, of Greenville, the Aspen Institute and Wofford, for young citizens of South Carolina with exemplary promise for societal achievement.

RICHARDSON BUILDING

THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department is the Richardson Physical Activities Building. The facility includes offices for the administration, football, basketball and other sports on the second floor. Also included on the second floor is an aerobic dance room and weight room with machine and free weights along with a variety of cardio machines. Locker rooms for football, men's and women's basketball, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus and Carolina Panthers owner Jerry Richardson made a \$1 million donation in 2008 that was used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

Enhancements to the Richardson Building include new paint and carpet in the entire facility. The coaching and administration suites have been reconfigured to provide better reception areas. Football and men's basketball offices are outfitted with a new video system, including computers, editing software and large-screen monitors. This new system is similar to those being used by the NFL and NBA.

Inside the Harley Room, a new audio/video system was installed to handle the variety of events held in the room. New displays for academic honors, Southern Conference honors and the Hall of Fame are a part of the project. Additional murals and photos compliment the building and give it a fresh look.

In addition, the fitness facilities have been upgraded as well. Nearly \$100,000 worth of new equipment was added to supplement the current selection of treadmills and elliptical machines. The cardio area features six flat panel televisions for viewing while working out. The fitness area is used by the entire student body at Wofford.

THE JOE E. TAYLOR CENTER

Wofford alumnus and South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including men's and women's soccer, baseball, men's and women's golf, volleyball, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

MISSION STATEMENT

The aim of the Wofford College Strength and Conditioning Department is to allow every student-athlete the best training opportunity with proper instruction and program implementation to create progressive gains in strength, speed, fitness levels, mobility and body composition over the tenure of the athletic career. This will be achieved through a created culture consumed with hard work, discipline, commitment, and knowledge of the craft of training in a highly competitive environment.

THE PHILOSOPHY

The Strength and Conditioning Program consists of prescribed training based on sport specific demands with a great emphasis on properly executing movement patterns and training within the assigned threshold to optimize abilities and capabilities. Keys to this are:

- Evaluation and Assessment
- Individual Needs / Sport Specificity
- Weight Training Movements
- Running Prescription
- Plyometric Training
- Student-Athlete Health
- Recovery and Restoration
- Training Culture

Wofford alumni live in all 50 states and more than 35 foreign countries. They include six Rhodes Scholars, five Truman Scholars and two Barry M. Goldwater Scholars.

Of 16,446 living alumni, 1,547 are in senior management of corporations or organizations, 1,283 practice medicine, dentistry or other health care professions, 750 are attorneys or judges.

THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the five-week camp include ESPN, Fox Sports Net, *USA Today* and *Sports Illustrated*. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/Winston-Salem are on campus on a daily basis.

According to SI.com's Tim Layden, "as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields with a stand of tall pines on two sides and a steep hillside -- where fans sit and watch -- on another. Fans, many of them young boys and girls, lined up along the fence, getting autographs after practice. It's a scene straight out of football's past."

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

Andrea Kelsey the latest cross country/track and field athlete named Phi Beta Kappa.

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city. Much of that military reservation has become Croft

State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing companies formed the backbone of the Spartanburg

economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metropolis that extends along the South Carolina portion of the I-85 corridor.

2013-14 WOFFORD CROSS COUNTRY/TRACK AND FIELD MEDIA GUIDE

HEAD COACH
JOHNNY BOMAR
WESTERN CAROLINA '02

Johnny Bomar enters his third season at the helm of the Wofford College cross country and track and field programs in 2013-2014

Bomar highlighted last season with the track & field team being selected for the 2013 All-Academic Women's Track & Field teams. As noted by the U.S. Track & Field and Cross Country Coaches Association (USTFCCA), Wofford's women's team had the highest cumulative GPA of 3.61 in all of Division I. The women's team was one of six SoCon teams to be honored. The men's track & field team was also honored posting a 3.07 cumulative GPA and was only one of four SoCon schools to receive the honor.

Highlighting the 2012-13 season on the track, the

men's indoor team broke five school records, and eight records were broken for the women. In outdoor, Wofford's men's team broke two school records, while the women broke 10 school records.

During his first season at Wofford in 2011-12, Bomar initially had two new school records in cross country both for the men's and women's teams, four school records for indoor track and field for the men, and seven more for the women.

Also in 2011-12, the outdoor teams set two records on the men's side, and 10 for the women. The season was highlighted at the Terrier Relays where the women broke four school records and finished first in all four events. The women's cross country team had its second highest finish in school history at the SoCon Championships finishing ninth place.

Academically, he also had 31 athletes earn 2011-12 Southern Conference Honor Roll honors, the most in the program's history. Six different athletes earned SoCon Fall All-Academic Team and ten different athletes earned Winter and Spring All-Academic Teams under Bomar's guidance.

"We are excited to have Johnny join our staff at Wofford as the cross country/track and field coach," said Wofford Athletic Director Richard Johnson. "He will be a great addition to our staff and a valuable asset to our programs."

Before Wofford, Bomar served as an assistant at Western Carolina where he worked with the hurdlers and sprinters. WCU finished second in the indoor and outdoor SoCon Track and Field Championships on both the men's and women's side.

Prior to his time with the Catamounts, he spent five years at King College--two years as head coach and three years as assistant coach. While at King, he coached seven NAIA National Champions, 27 NAIA All-Americans, 20 conference champions and 58 NAIA national qualifiers. He

was also named the AAC Coach of the Year in 2009. Bomar spent his first three seasons as assistant track and field and assistant cross country coach before overseeing all programs as the head coach track and field coach in 2008.

Bomar is 2002 graduate of Western Carolina and served as a graduate assistant from 2003 until 2005. In his first stint at WCU he coached 20 Southern Conference Champions, 36 All-Conference Athletes, 20 NCAA Regional Qualifiers and one Junior National All-American. He was also the assistant cross country coach for the Catamounts during that time.

He was a part of the 1999 WCU squad which captured both the SoCon Indoor and Outdoor championships. He was an eight-time Division I letterman and a three-time All-SoCon student-athlete.

STRENGTH COACH
JOSH MEDLER
HANOVER COLLEGE '02

Josh Medler joined the Wofford College athletic department staff as Director of Strength and Conditioning in June of 2013. Medler most recently completed his sixth season on the University of Memphis strength and conditioning staff.

He primarily works with football and men's basketball, while overseeing the strength and conditioning development for all eighteen sports at Wofford.

While at Memphis for six seasons, he was responsible for the men's and women's soccer teams, volleyball team, and the men's and women's track sprinters, as well as assisting with football and baseball.

Prior to his return to Memphis in 2007, Medler was the head strength and conditioning coordinator for Union Public Schools in Tulsa, Okla. As the first-ever Union system strength coach, Medler was in charge of building a training program for all freshman, junior varsity and varsity athletic teams.

Medler first went to Memphis in the summer of 2004 as a graduate assistant strength and conditioning coach, working with football, baseball, softball, and the track sprinters. Medler graduated with his master's degree in

human movement sciences from Memphis in the spring of 2006.

He began his professional career as strength and conditioning coach at Anderson University, a liberal arts NCAA Division III school in Indiana. While at Anderson, Medler was responsible for training the football team and coaching the defensive line.

As a native of Berne, Indiana, Medler was a four-year football letterman at Hanover College, where he earned his bachelor's degree in sociology in 2002.

He is a Certified Strength and Conditioning Specialist (CSCS) through the National Strength & Conditioning Association and is a certified level one club coach by USA Weightlifting. Medler resides in Spartanburg.

The Southern Conference athletic directors established the honor roll prior to the 1988-89 athletic year as a way to recognize the league's outstanding student-athletes.

The academic honor roll consists of student-athletes who participated in varsity sports at member institutions and posted a 3.0 grade point average or higher while passing at least 24 hours in two semesters of classes or its equivalent for other academic calendars.

The Southern Conference established the academic all-conference teams for each sport beginning in the winter season of 2002-03. Teams are selected during the fall (football, volleyball, soccer and cross country), winter (basketball, indoor track and field and wrestling) and spring (baseball, softball, outdoor track and field, tennis and golf) season.

To be eligible, a student-athlete must have at least a 3.2 cumulative grade point average entering this season and be at least a sophomore academically. The student-athlete must have also competed in at least one-half of the team's competition. GPA raised to 3.3 in 2011.

THE FIRST TERRIER RELAY WAS HELD ON APRIL 2, 2011 AT THE SPARTANBURG HIGH SCHOOL TRACK.

ANDREA KELSEY IN THE SECOND TERRIER RELAYS ON APRIL 7, 2012.

The Southern Conference, which begins its 93rd season of intercollegiate competition in 2013, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first conference basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on Capital One Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, including Wofford volleyball player Rachel Woodlee, who earned the honor last year.

The Conference currently consists of 11 members in five states throughout the Southeast and sponsors 19 varsity sports and championships that produce participants for NCAA Division I Championships.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The

decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations were accepted and the withdrawing schools formed the new

The Southern Conference office is located in the refurbished Beaumont Mill in Spartanburg, less than a mile from the Wofford campus.

league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings, the league officially extended invitations to former members East Tennessee State and VMI, as well as Mercer, to join the league for 2014-15.

Today, the league continues to thrive with a membership that includes 11 institutions and a footprint that spans five states: Alabama, Georgia, North Carolina, South Carolina, and Tennessee. Current league members are Appalachian State, The Citadel, Davidson, Elon, Furman, Georgia Southern, UNCG, Samford, Chattanooga, Western Carolina and Wofford.

CHAMPIONSHIP HISTORY

The first Southern Conference Championship was the league basketball tournament held in Atlanta in 1922. The North Carolina Tar Heels won the tournament to become the first recognized league champion in any sport. The Southern Conference Tournament remains the oldest of its kind in college basketball.

Commissioner Germann spearheaded the Southern Conference's expansion to include women's athletics during the 1983-84 season. That year, league championships were held in volleyball, basketball and tennis.

The SoCon declares champions in 10 men's sports – football,

soccer, cross country, basketball, indoor track and field, outdoor track and field, wrestling, baseball, tennis and golf – and nine women's sports – soccer, volleyball, cross country, basketball, indoor track and field, outdoor track and field, tennis, golf and softball.

Wofford won the 2003, 2007, 2010 and 2012 SoCon Football Championships.

Wofford won the 2009 Men's Soccer Regular Season and Tournament Championships.

DR. NAYEF SAMHAT

PRESIDENT

The Wofford College Board of Trustees elected Dr. Nayef H. Samhat as president of the college on Tuesday, May 14, 2013. He began his duties at Wofford on July 1.

Samhat has served as provost and professor of political science and international studies at Kenyon College in Gambier, Ohio, since 2009.

"We have conducted a thorough, national search for the 11th president of Wofford College," says J. Harold Chandler (Class of 1971), chair of the Wofford Board of Trustees. "Our search committee was led by an able and accomplished individual and its 12 members have done their job in a thoughtful and comprehensive manner. The board of trustees, led by its Human Resources Committee, has completed its review and have voted to accept the mutual recommendation of the Search Committee and the Human Resources Committee in the naming of Dr. Nayef H. Samhat as the next president of Wofford College. We are honored that Dr. Samhat has accepted our call and we are excited and ready to begin our important work together."

Samhat held several positions at Centre College in Danville, Ky., from 1996 to 2009, including associate dean of the college, the Frank B. and Virginia Hower Associate Professor of Government and International Studies, chair of the Division of Social Studies, and the National Endowment for the Humanities Associate coordinator of the Environmental Field Experience Program and an instructor in the Department of Political Science at Northwestern University in Evanston, Ill., from 1995 to 1996.

After receiving his bachelor's degree in international economics from The George Washington University in Washington, D.C., in 1983, Samhat received his master of international affairs degree from Columbia University in New York City. He received his Ph.D. in political science from Northwestern University, where he also received a minor in comparative political economy.

While at Kenyon, Samhat has overseen a number of major grants, including two from the Mellon Foundation: a Critical Languages and Innovative Pedagogy grant to support post-doctoral teaching fellowships for Russian and Arabic languages, and a grant for the Center for Innovative Pedagogy and The Essentials: Renewing General Education within the Curriculum to enhance the endowment for a previously Mellon-funded Teacher Teaching Teachers grant.

Samhat has made a number of presentations, participated in numerous panels and written papers centering on the challenges of the liberal arts college, the role of provost, developing faculty leaders and other topics. He also has written numerous papers, reviews and essays on foreign policy, international relations and global environmentalism.

A native of Detroit, Mich., Samhat is married to Prema Samhat, director of the Knox Community Hospital Foundation and director of marketing and communications for Knox Community Hospital. They have three daughters, Alia, Jehan, and Leila.

RICHARD JOHNSON

ATHLETIC DIRECTOR

Richard Johnson is in his thirteenth year as director of athletics at Wofford College. The former head basketball coach has been an instrumental figure on campus for over 25 years.

Johnson officially began his new duties on Dec. 3, 2001. In 17 years as head basketball coach at Wofford (1985-2002), Johnson had a 100 percent graduation rate for all players who completed their eligibility under him. He was the runner-up for SoCon Coach of the Year honors twice in the Terriers' five seasons of league play under him. His 200th win was a 79-74 victory at Clemson during the 1999-2000 campaign.

A 1976 graduate of The Citadel, Johnson came to Wofford after serving nine years as a basketball assistant at his alma mater under legendary coach Les Robinson. Johnson also holds an MBA from The Citadel.

During his Wofford coaching tenure, Johnson guided the Terriers from NAIA membership to NCAA Division II in 1988, Division I Independent status in 1995 and the Southern Conference in 1997.

Over the past several years as athletic director, he also has been a driving force behind the development of several facility projects. Russell C. King Field and Switzer Stadium returned baseball to campus in 2003. The Richardson Building was renovated in 2008, while the Joe E. Taylor Athletic Building and a golf practice facility were completed in 2009.

Johnson has also been responsible for the growth of the athletic endowment to a current level of over \$34 million, with a long-term goal of endowing all scholarships in the department. He is a member of the NCAA's Legislative Council and the Division I Football Championship Committee.

Johnson and his wife Carol, have two daughters, Lindsay and Lauren, and a son, Rich. Lindsay is a 2001 Wofford graduate and Lauren graduated from Wofford in 2003, while Rich is currently a student at Wofford. The Johnsons also have four grandchildren. Lindsay and Brad Lowry are the parents of Louisa and Brady Lowry, while Lauren and Dr. Reece McWilliams are the parents of Mac and Walker McWilliams.

DR. JAMEICA HILL

FACULTY ATHLETIC REPRESENTATIVE

Dr. Jameica Hill '88, Professor and Chair of the Chemistry Department, is in her eighth year as the Faculty Athletic Representative (FAR) at Wofford.

Dr. Hill represents Wofford to the National Collegiate Athletic Association and the Southern Conference. She is responsible for certifying the eligibility of student-athletes and assuring integrity in the eligibility process. In addition to supervising athletics policies, the FAR also serves as a liaison between the faculty and the student athletes, looking out for their individual well-being with regard to academics and athletics.

Hill, a native of Due West, S.C. and a member of Phi Beta Kappa, earned her Ph.D. degree in inorganic chemistry at Clemson University, where she was a Graduate Teaching Assistant of the Year. She received Wofford's 1995 Martin Luther King Jr. Humanitarian Award and was also an associate director for a summer science program that was funded by a grant from the Howard Hughes Medical Center.

Hill's interest in athletics has been a lifelong one. Her father was a high school coach, and she participated in many different sports (including being named a SC All-State point guard and playing in the North/South game). As a professor at Wofford and the wife of Jason Hill '89, a former Wofford quarterback and assistant coach, Hill has always supported Terrier athletics. Her daughter Shelby is active in competitive cheerleading (Level 5—Worlds Division), while her son J.L. plays football for Boiling Springs High School as well as AAU basketball on a team based in Greenville.

Hill, a 1988 graduate of Wofford, was also a cheerleader for the football and basketball teams as a student.

TERRI LEWITT

SENIOR ASSOCIATE ATHLETIC DIRECTOR FOR DEVELOPMENT / SWA

Terri Lewitt is in her 29th year as a member of the Wofford athletic department. Lewitt's main duties as senior associate athletic director for development revolve around the Terrier Club and serving as the Senior Woman Administrator.

She also chairs, along with the Terrier Club president, many of the events and activities administered by the Terrier Club and its board of directors, including the Terrier Ball.

After coming to the college as an administrative assistant in March 1985, Lewitt became the sports information director two months later. In addition to those duties, she was the business and ticket manager for the department. She has also served as the compliance director.

In 2008, she was recognized by the Southern Conference for her role in the growth of women's athletics as the conference celebrated 25 years of women's championships.

Lewitt was promoted to assistant athletic director in 1989, associate director in 1996, and senior associate athletic director in 2012. The Burlington, N.C. native earned her B.A. degree in history from Elon in 1984. Lewitt and her husband, Mark, have two children: Lauren and David. Lauren is a sophomore at Wofford.

MARK LINE

SENIOR ASSOCIATE ATHLETIC DIRECTOR FOR SPORTS PROGRAMS

Mark Line, Wofford's all-time winningest baseball coach, returned to the Terrier athletic department in July 2003 in the role of associate athletic director for internal operations and sports programs. He was promoted to senior associate athletic director in 2012. Among his myriad of duties, Line supervises the Olympic sports while also overseeing the department's budget and serving as liaison to the Carolina Panthers and several on-campus groups and committees.

A 1977 graduate of Erskine, Line posted a 210-158 record (.571) in 10 years as the Terriers baseball coach (1986-95). He received District Coach of the Year honors in his second season as the 1987 squad put together as a 23-11 mark. Wofford then set a single-season school record for victories the following campaign with a 27-12 record. It marked the first time Wofford qualified for postseason play in consecutive seasons. Line's 1991 team established another Terrier mark for wins with a 30-9 record.

Line was selected as a 2004 inductee into Wofford's Athletic Hall of Fame. The first-base dugout at Russell C. King Field, the Terriers' on-campus baseball facility, is named in his honor.

Line has served as chairman of the physical education department since 1988. Following the 1995 season, Line accepted a role as associate dean of students in the Wofford student affairs office. He worked with volunteer services, Bonner Scholars, the campus judicial system and a host of other activities involving campus life.

Line and his wife, Pam, have two children: Alyse Worley, a 2010 graduate of Wofford, and Sam, a student assistant coach at Emory and Henry College while completing his masters degree.

AL CLARK III

ASSISTANT ATHLETIC DIRECTOR FOR DEVELOPMENT AND MAJOR GIFTS

Al Clark is in his eighth year on the Wofford staff. For two years, he served as the assistant director of the Terrier Club. In May, 2008, he was promoted to assistant athletic director for development and major gifts. In this role, Clark has responsibility for many of the major fundraising efforts for the athletic department. Included in these efforts are scholarship endowments and facilities, such as the Taylor Center.

He also continues to coordinate the Terrier Club Mini-Tour, a series of golf tournaments held throughout the Southeast that help raise scholarship funds for Wofford student-athletes. Clark worked for five years as a sales executive before joining the Wofford staff in 2007.

Clark is a third generation Wofford football player. His father, Al Clark Jr. '76, and grandfather, Al Clark Sr. '50, preceded him as Terriers. On the field, Al III was a four-year letterman and was

Wofford's Linebacker of the Year in 2000. He was a preseason All-SoCon selection in 2001 and his 79-yard fumble return vs. Middle Tennessee State in 1999 is the second-longest in Wofford history.

A 1996 graduate of Dorman High School, Clark was the team's Defensive Player of the Year as a senior. Clark graduated from Wofford in 2001 with a bachelor of arts in history. He and his wife Jennifer reside in Spartanburg.

ANDY KIAH

DIRECTOR OF ATHLETIC FACILITIES

Andy Kiah is in his 18th year on the staff at Wofford and twelfth as the director of athletic facilities.

Kiah oversees the maintenance and operation of all athletic facilities, including Gibbs Stadium, the practice fields, the Richardson Building, Snyder Field, Russell C. King Field and the Benjamin Johnson Arena. Wofford's facilities, which are also used by the Carolina Panthers for training camp, have been ranked among the best in the country.

Kiah first came to Wofford as an assistant baseball coach. A 1996 graduate of the University of Massachusetts, Kiah was a four-year letterman for the UMass baseball team. The 1996 Minuteman squad advanced to the NCAA Regionals and was within one game of reaching the College World Series. He was captain of the 1996 team that set a school record with 40 wins.

A native of Brewer, Maine, Kiah holds a bachelor's degree in sports management from the University of Massachusetts. His wife Amy, is head coach of the Wofford women's soccer team. They have two daughters, Kayleigh and Mikenna.

LENNY MATHIS

ASSOCIATE ATHLETIC DIRECTOR FOR MARKETING AND PROMOTIONS

Lenny Mathis is in his eleventh season on the Wofford staff as the assistant athletic director for marketing and promotions. In his role he oversees the marketing and promotions for all eighteen sports and ticket sales efforts. He coordinates the gameday experience, supervising the cheerleaders, dance team, and pep band.

Mathis comes from a minor league baseball background. Prior to running the Stingers, he served as the director of ticket operations in 2002 for the Class A Savannah Sand Gnats. He also worked two summers, 1999 and 2000, with the Greenville Braves. In 2000-01, he served as a marketing representative for the Clemson Tiger Network's radio affiliate in Columbia, SC.
