DR. EDWIN L. SHUEY

having served on the Board of Trustees  
for eleven years and as President for  
five, died September 27, 1924.

He was a man of affairs and a man of  
learning who brought to the problems  
of the administration a mind quick and  
alert, and a spirit which gave fully of  
itself for the welfare of Otterbein.

DR. WALTER G. CLIPPINGER, A.B., D.D.

*President of the College*

He is a man gifted as an executive, a man of wide perspective and quick discrimination in principle and policy, whose efforts in behalf of Otterbein have been tireless and triumphant. Absolute and concise in speech and manner, with a mind equally apt in keen penetration and calm deliberation, and a spirit always generous and lofty, he has made happy his fourteen years' association with Otterbein.

## Cleiorhetea

When, in 1871, the roll of the Philalethean Literary Society became so large that effective literary and parliamentary training became an impossibility, eleven members withdrew to organize the Cleiorhetean Literary Society. This organization has lived and grown to perpetuate the high purpose of the societies in giving its members the best available training to fill places in society in the world later. Experience in delivering papers, literary and practical, the rendering of musical selections, and drill in parliamentary procedure are all emphasized because of their practical value in later life.

## Philalethea

Since 1852 Philalethea has been the contributor to one of the most vital phases of development to the women of Otterbein. In the literary training that receives the emphasis by the literary societies Philalethea has held a high place. In fact the work of the literary societies on the Otterbein campus has won literary renown for the College all over the state.

## Philophronea

Philophronea, founded in 1857, has been one of the most beneficial factors in Otterbein for the training of successful men in life. Innumerable alumni of the Society return to bear witness to the value of the training received in Otterbein's excellently equipped society halls and through the rigid program of orations, debates, musical sessions and parliamentary drills. Formerly each Society maintained its own newspaper, but these have been merged in the Tan and Cardinal.

## Philomatheia

Organizing at the same time as the Philophroneans, the members of the Philomathean Literary Society formed their organization to succeed the preceding society that could no longer accommodate the large numbers in it. The two men's societies are the outgrowth of a previous society which split into the two existing today.

In Philomatheia, too, is the literary standard held high and the same training in parliamentary procedure stressed. In the past the rivalry existing between the societies has aided in creating and maintaining a high interest in the forensic and cultural training afforded.

## Y. M. C. A. Cabinet

Led by President "Paddy" McGuire, the Y. M. C. A. Cabinet endeavored to carry on an aggressive program among the men of the college to develop the four natures of the students. Social events such as the general student banquets at the first of the year, the Mixer, and the annual Roundup were all sponsored by the "Y". Later in the year a co-ed sleighing party was organized by Y. M. C. A. officials and was a decided social success.

The bringing of speakers to the campus and the weekly religious meeting provide stimulation for religious thought among the members and are valuable assets in the construction of character.

### Y. W. C. A. Cabinet

The Young Women's Christian Association has served faithfully the women of Otterbein since 1882, being the first college Association organized in the state of Ohio and the third in the United States. The objective of the Association is to reach every woman on the campus with a vital religious, social, and recreational program.

Among the activities sponsored by the Y. W. C. A. are the publication of the Otterbein handbook, the Big Sister Movement, the giving of Christmas baskets to poor families in Westerville, numerous social activities such as Parents' Day, and the annual May Morning Breakfast which is put on by the Association to raise funds to send delegates to the summer conference at Lake Geneva.

### Pi Kappa Delta

Pi Kappa Delta, Otterbein's only national fraternity is composed of students and faculty that have represented Otterbein in intercollegiate oratory and debate. The Ohio Epsilon Chapter of the National forensic fraternity at Otterbein has the unusual distinction of having in its roll four wearers of the diamond key which is the highest award that can be attained. Mc Guire, Troop, Wood and Howard of the local chapter have the distinction of wearing diamond set keys.

All members of the local organization are members of the order of debate excepting Prof. Schear whose order is oratory while Earl Hoover and Prof. Troop belong to both the order of oratory and debate.

## The Varsity Debate Squad

In his first year as coach of Otterbein debate teams, Prof. Leon Mc Carty had innumerable obstacles to overcome, and this he did with gratifying results, placing forensics on a higher plane in Otterbein than they had been for years. In debates won and lost the record could be much improved over the actual results of the season, but in the final consideration of fortune and the variable factor of judges' decisions, it may be said that the season was a distinct success.

With the opening debate of the season but a week away one of the regular speakers was taken ill and a new speaker had to be developed on short notice. The Affirmative team was built around two veteran debaters in Wood and Mc Guire, although Miller had seen one year of Varsity service as an alternate. On the Negative team the only veteran available was Howard while Knight and Harrold started the season and had only had experience in the Freshman-Sophomore debates in Otterbein. Later in the season, following the oratorical contest, Hoover was added to the team and proved a valuable addition. The only Conference decision won this year was by the Negative team over Hiram, while that same team lost to Heidelberg, and also to Muskingum and Capital in barnstorming events. The Affirmative team defeated Capital in a pre-season debate, lost to Ohio Northern and Baldwin Wallace in Conference debates, but reached a perfect climax for the season in defeating Wittenberg, Otterbein's most bitter forensic rival for years.

Wood, Mc Guire, and Howard have won degrees of Special Distinction in Pi Kappa Delta and are permitted to wear the diamond by virtue of having attained that degree.

## Cap and Dagger Club

The Cap and Dagger Club furnishes opportunity for those interested in dramatics to develop their ability as actors and also affords opportunity to discuss questions relative to the stage and study dramatic interpretation.

Membership in the club is honorary and those in the club are selected after a try-out in which dramatic ability is observed in order to keep the club membership to a high standard.

## Oratory

Otterbein's high standard of oratory was maintained this year in inter-collegiate circles by Earl Hoover. By virtue of winning the Russell Oratorical Contest, Hoover represented the college in the State oratorical contest to which it was Otterbein's pleasure to serve as host.

The President of the State Oratorical Association was Mr. Floyd McGuire, '25, and as is customary, the contest in which seven Ohio Colleges participated was held at the home school of the president of the Association.

From the smoke of the battle Otterbein emerged with her representative, Hoover, holding a practically undisputed second place, which was a little above the average for Otterbein forensics. In the past six years Otterbein, in state oratorical contests has won one sixth place, two fifths, one third, one second and one first for an average of third place for the six years.

Hoover's oration was on the subject, "Civilization or War?" and was a changed form of the one used last spring in winning first place in the State Peace Oratorical Contest.

The other contestants in the local Russell Oratorical Contest this year were Mildred Swab who took second place with her oration "The Modern American Home", and Dwight Arnold who placed third with his oration entitled, "The Golden Key".

GORDON, FANNING, BINGHAM

## Declamation

For the second time in as many years Frances Fanning proved herself to be Otterbein's foremost declaimer. By winning the Russell Declamation again this year she still holds her title won in the contest last season. The selection rendered by Miss Fanning in the 1925 contest was Carlyle's "The Honor of Labor".

Second and third places respectively were won by James Gordon and Lois Bingham whose selections were "Abraham Lincoln", by James A. Garfield, and "Toussaient L'Overture", by Wendell Phillips.

Appearing in 24 concerts before more than 12,000 people throughout the 1925 season the Otterbein Men's Glee Club is one of the best advertising agents that the school has inasmuch as its itinerary has covered large areas of two states. A unique feature of the Club this season has been the making of phonograph records of several of Otterbein's most favored songs.

## Otterbein Band

For the first time in many years Otterbein had an organized band that filled a much needed place on the campus especially during football season. Under the direction of Rodney Shaw of Columbus, the band turned out to be the best organization of its kind that has been in existence here for years.

The biggest event of the year for the band was the trip to Cincinnati when Otterbein met St. Xavier there in football in the closing game of the season.

# ATHLETICS

COACH DITMER

Of Coach Ditmer's devotion to Otterbein and her athletics not enough can be said, but as the teams he turns out catch his spirit of absolute self sacrifice and the school as a whole follows his example and gives its unswerving loyalty, then will he have shown Otterbein the way, not only to successful teams, but also to successful living.

DITMER, EDLER, TROOP

## Otterbein's Coaching Staff

The close of the year marks the completion of Coach Ditmer's fifth season with Otterbein teams. During his stay here, his path has been far from flowery, but even in adversity he has shown himself a master at all times. Numerous successful teams loom on the horizon to bear witness to the fact that when given proper material Coach Ditmer can mould teams surpassed by none in the state, but the need of Otterbein is now, as it has been in the past, men, more men.

However, with the men he had in hand, Mentor Ditmer worked, and into that work he put every ounce of mental and spiritual energy that he could command. It is futile to attempt to express Otterbein's appreciation of "Dit's" services in words. His deeds have made manifest his confidence in Otterbein, and his example has made its indelible impression upon the lives of students who have come to know and love Coach Dit.

"Deke" is the first Freshman coach that Otterbein has ever had. Edler is a real athlete as can be readily seen when it is recalled that in his own college days he was awarded All-Ohio honors in football, basketball and baseball. "Deke's" attention was given to the Freshman football team and to Varsity basketball this season. His personality inspired hearty cooperation among his men and roused in them a determination to give their all.

Although Troop received no compensation for his services he offered what help he could give toward putting out real football and track teams. In football he served as line coach and gave the linesmen the training necessary to the proper execution of their positions, but above all was the manifestation of his spirit to give and give freely whatever he had for Otterbein regardless of any returns that might come to him.

## Varsity "O"

Under the leadership of "Skipper" Mc Carroll, the Varsity "O" Association this year became more of a power on the campus than it had been for several years past. The enforcement of the Freshman regulations was placed in the hands of this body with telling effect.

A new program was inaugurated when the Association staged the highly successful Varsity "O" minstrel, thereby securing funds enough to provide most of the members with excellent sweaters for their letters.

CAPTAIN "DAVE" RECK.

## The 1924 Football Squad

Otterbein's 1924 football squad faced the heaviest schedule that an Otterbein team has had for many years, and although the results were not quite equal to the standard set by the 1924 team, still the season was far from being a discouraging one. Four of the teams played this year finished among the leaders in the Ohio Conference and the other three finished well up in the list. Injuries added their toll and played an important part in several of the defeats, especially the one administered at Wesleyan when Otterbein's two heaviest men were kept on the bench because of injuries.

At such an early date, predictions for next year are rather hazardous, but at present the outlook is brighter than it has been for some years. Only five of this year's team will be lost by graduation, and a large number of this year's Freshmen, for the first time under the supervision of a Freshman coach, will be fighting to fill the places of those men that will be lost. Next year's schedule, too, will favor better results than have been experienced recently, because in former years most of the schools met have been larger than Otterbein, while next year the schedule links the Tan team up with schools in its own class. In addition, there is an unprecedented number of home games which will lend their influence and give an additional boost to the team.

RECK—"Dave" deserves any praise that may come his way concerning his record on the football team. He was a hard fighter and a steady and consistent player, one who is well fitted to lead a team and who was justly rewarded with the All-Ohio honors that were his.

MC CARROLL—"Mac" was the mainstay of Otterbein's backfield this year and although greatly handicapped by an injured knee, he was a constant worry to opposing teams. He was a master at analyzing opponents' plays and a "whale" of a buckler.

RICHTER—"Bozo" was elected to captain next year's gridiron outfit because of the brand of football he put up this year. Bozo is a formidable man on the line because of his weight and his ability to carry it.

---

o.....Wooster.....28

Otterbein took the field in the season's opening game against Wooster at Wooster with the odds against her. Wooster, Conference Champions of 1923, had already played one game and were fully organized by the time they stacked up against Ditmer's outfit. Beside the advantage of experience Wooster had the edge over Otterbein in both weight and speed, but nevertheless, to Otterbein can be paid the greatest tribute a loser may know—she went down fighting!

DURR—Although slow, “Kotsy” was a steady, reliable guard who played hard but clean. He is known to have gotten “mad” several times but swears that he never swore.

RUFFINI—In “Ruff” Otterbein had one of the fastest and most dependable ends in her history. “Ruff” was always down under every punt and was “right there” at nabbing forward passes.

BEELMAN—“Beeny” is a Ditmer product who came to school without ever having handled a football, but he developed into a hard tackler and blocker, and had such speed and nerve that he became one of Otterbein’s best backfield men.

---

6.....Case.....19

With a week more for practice after the first game, Otterbein journeyed to Cleveland to take on Case. The strength of Bob Fletcher’s outfit was unknown and yet Otterbein followers hoped to repeat the tragedy of the “Wolf in Sheep’s Clothing” that had been enacted the year before. Early in the first quarter Otterbein scored a touchdown and throughout the remainder of the period continued to outplay the brown and white aggregation, but Case’s many substitutions kept ever-freshened men in the lineup, while Otterbein plugged on with fifteen men who were held scoreless after the first quarter of the game.

CARROLL—To Otterbein followers “Johnny” proved that he could play football even though it was only his first season on a college gridiron. With two years to go, Otterbein fans can expect to see some real football from him.

WIDDOES—“Widder” was another of these boys that came to Otterbein with no knowledge whatever of the college sport. Although he has seen only one season, Widdoes has shown speed and shiftiness that have enabled him to get away for long gains.

FELTON—A bad knee bothered “Bonnie” for most of the season, but did not keep him from showing some high class football at tackle. Opponents found that left tackle was the wrong place to hit for their gains.

o.....Ohio Wesleyan.....35

With a badly injured team Otterbein tackled Ohio Wesleyan at Delaware. The small Tan team forced their heavier opponents to the limit throughout the entire game which finally ended 35-0 in the Methodists' favor. The Wesleyan line thrown against Otterbein weighed ten pounds per man heavier than Ohio State's line and thirty-five pounds per man heavier than Otterbein's. Any team deserves credit that makes the showing of perseverance and fight that Otterbein showed in the face of such odds.

o.....Heidelberg.....6

Before the largest Homecoming crowd in the history of the school Otterbein met the highly touted team from Tiffin on the local gridiron. The game was evenly fought and hotly contested, but several breaks gave the visitors a 6-0 victory. McCarroll was probably the offensive star of the game and his return of a kickoff to the middle of the field during the final quarter was the real thriller of the game. On the defense the entire team played “heads-up” ball with Reck and Richter stopping play after play launched by the tri-color.

GARVER—"Bot" answered an emergency call in the middle of the season and laid down many of his duties to don the moleskins and come to the aid of his team, when injuries had put it in bad shape. "Bot" filled in at tackle and how he did it is shown by his All-Ohio mention in the Columbus Dispatch.

POROSKY—In "Swede" Porosky Otterbein had a formidable end. Being big, "Swede's" long suit was pulling down passes that no one else could reach. "Swede" packed a mean boot too, and his punting furnished many of the bright spots in the season's games.

SNAVELY—It is seldom that a Sophomore steps into the position of safety man on the Varsity, but "Bob" did just that and to a queen's taste. When occasion demanded, "Bob" could call signals and in doing it proved himself a good strategist and field general.

---

18.....Hiram.....o

Following the game with Case, Otterbein again invaded northern Ohio determined to reverse her fortunes of the preceding week. The Tan and Cardinal outplayed the Cherry and Blue outfit, never allowing her opponents within thirty-five yards of scoring. Some of "Mac's" brilliant line bucking, and the Renner-Porosky pass combination completely bewildered the Hiram defense. Captain Reck was probably the outstanding defensive man of the game, if there can be said to have been an outstanding man.

COLLIER—In his first year of Varsity football, “Toad” came across with the same kind of fight that his brother showed on the field two years ago. He handled his guard position in fine style for a first year man.

MILLER—Roy didn’t get into many games, but when the opportunity came he took advantage of it and put forth his best efforts and made his opponents regret his presence in the lineup.

RENNER—Toward the close of the season “Art” came across with some classy football and nifty passing. In all of “Art’s” years of football experience he never made a touchdown until this year although he has started innumerable scores with his accurate passes. One more year for Renner guarantees a good passer next year.

---

20.....Muskingum.....13

The victory over Muskingum made “Westerville Day” a success in every way, and was fitting revenge for the stinging 6-0 defeat suffered at the hands of the Black and Magenta at the close of the 1923 season. In the first three minutes of play Muskingum scored thirteen points against Otterbein, and almost certain defeat loomed up, but, undaunted by the gloomy first half, the team staged as dramatic a comeback as fiction has ever described and put up some of the best football ever seen in Westerville. The New Concord outfit was completely outplayed and Otterbein came off the field on the right end of the 20-13 score.

LAMBERT—"Chuck" was the smallest linesman on the squad this year, but what he lacked in weight he made up for in fight and grit. He has two more years yet in which to complete his contribution to Otterbein that he began this year.

CLIPPINGER—"Prexy" put forth every possible effort to make the past season a successful one. No football team could want a better, more capable, nor a more considerate manager than Don made.

SCHEAR—Mark made a reliable substitute, filling in at any position from center to fullback, and although he did not make his letter this year, in two more seasons he will fill the role of a regular and that role will be filled right!

---

o.....St. Xavier.....48

The trip to Cincinnati this year ended in disaster as Otterbein was completely outplayed by the heavy and strong Irish eleven. For some unknown reason Otterbein did not put up a game characteristic of the Tan outfit, while the down-staters played way "over their heads" and produced a brand of ball that would have enabled them to handle any team in the Conference. The score is no real indication of the actual strength of the two teams because Otterbein was "off color" and St. Xavier played the best game of their season.

CAPTAIN MC CARROLL

## The Basketball Squad

The basketball season of 1925 was marked and characterized with considerable bad fortune and numerous setbacks. The first came early in the season in the form of an injury to Captain McCarroll that hampered him the remainder of the year. Then when things seemed to be on the up grade again, Coach Edler was compelled to go to the hospital for an operation. But even these two reverses could not discourage McCarroll and his buddies and the team came back and won two games toward the close of the season. For these two victories Coach Ditmer deserves much of the credit and praise because of the manner in which he assumed "Deke's" duties and stepped into his shoes.

Twice in three weeks the College bell rang out its song of victory and it seemed again that Otterbein had come into her own after two years of striving. With the available material among the Freshmen this year and with the ability shown by the underclassmen in the closing games of the 1925 season, Captain-elect Widdoes and his cohorts should be able to boost Otterbein's basketball stock about fifty per cent next year.

McCARROLL, CAPT.—Although handicapped by a bad knee most of the season “Mac” displayed some real defensive work and proved a capable leader of his teammates.

WIDDOES, CAPTAIN-ELECT—Widdoes was easily the star of Otterbein’s offense this season. His accurate shooting brought the Tan and Cardinal team out of the hole in many critical pinches. “Widder” ranked among the ten highest scorers in the Conference and was mentioned repeatedly for All-Ohio honors at forward.

SEIBERT—“Eddie” at guard was one of the mainstays of the team this season and will again be in his place next year when the 1926 season rolls around.

39.....Alumni.....36

McCarroll and his team mates got off to a good start for the season by snatching a fast and hard fought game from the alumni 39-36. The game was a nip and tuck affair throughout and neither team had a great advantage at any point in the game.

37.....Denison.....59

The first Conference game of the season went to the snappy Baptist outfit with a one sided score and the team from Granville looked stronger even than the 1924 team that finished well up on top of the Conference heap.

31.....Kenyon.....54

Disaster accompanied Coach Edler’s outfit to Gambier when the Tan team took on Kenyon and was forced to accept defeat at the hands of the Episcopalians. Widdoes played best for Otterbein, but Van Epps was the best performer of the game.

31.....Ohio Wesleyan.....56

The Varsity cagers put up some really classy basketball during the first half of the Wesleyan game, but the Methodists set too fast a pace and finally the rangy Methodists swamped the smaller, but no less game Otterbein men.

CARROLL—In “Johnny” Otterbein had a good, scrappy substitute for either a guard or center position, and judging from the way that he threw himself into the game when opportunity offered itself great things can be expected from him in the next two years.

UPSON—“Uppie” earned his first letter this year by playing both center and forward positions. Upson was an accurate shot and also proved himself a good dribbler.

SNAVELY—The baskets, for some reason or other, were not placed at the spot “Bob” often hit but his everlasting drive and exceptional floor work made him a mainstay of the outfit this year. Two more years for “Bob” will make him one of the most valuable men that Otterbein will have around.

54.....Wooster.....31

In Otterbein’s fourth attempt in Conference circles, defeat again rewarded her efforts. The Bolesmen inflicted this defeat after a slow game in which both teams were considerably off color in shooting ability.

28.....Hiram.....30

Wow!! This was a close one!!!! Early in the game Otterbein broke away to a 13-5 lead, which Hiram gradually overcame and managed to hold although a few minutes before the end of the game Otterbein took a spurt and arrived only two points behind her Northern adversaries.

19.....Denison.....61

In Otterbein’s second meeting with Denison she failed to penetrate the Big Red defense and failed, too, in stopping her offense.

The 61-19 score was the disastrous result and with it came Otterbein’s sixth Conference defeat.

40.....Wester Reserve.....39

In an over-time period at Cleveland, against Western Reserve, Otterbein finally broke her two-year defeat jinx!! Every man that took the floor for Otterbein scored at least two points and Widdoes again led the scoring with three fielders and six free throws.

SEAMAN—"Ted" was another that won his first "O" this year and although he wasn't one of the fastest men on the squad, he was one of the most persistent. His efforts were rewarded with opportunities to play and of these opportunities he took advantage as his "O" will testify.

ROYER—In his capacity as manager "Happy" made his contribution to Otterbein and her athletics, and in this capacity he won the gratitude of the team which he gave his best to serve.

STAIR—"Goofy" was another that cinched the coveted "O" by performing in many of the games at the first of the season.

21.....Wittenberg.....39

Otterbein, although not outclassed in the Wittenberg fracas was unable to strike her gait in shooting with the result was that the Lutherans wound up at the end of the game with almost a double score over Otterbein.

22.....Kenyon.....53

For the second time in the season Otterbein accepted defeat from the Episcopalians, this time on the Otterbein floor. Van Epps, the scoring ace of the Ohio Conference was held to five points in this game and this fact attests to the close guarding done, but other members of the team came through with enough points to more than double the count.

36.....Muskingum.....35

Otterbein wound up the season to a queen's taste by defeating Muskingum in a game that abounded in thrills and in many ways resembled the football game in the fall. At the end of the first half the United Presbyterians led with a 21-14 score but an Otterbein rally soon took it to 24-23 when Muskingum again took a spurt and rang up nine more points with only four minutes to go. "Uppie" then came through with one goal and Widdoes followed with three in quick succession and then with only thirty seconds to go Seibert followed the good example of his brethren and put another through and while the net was still swaying, the gun fired and gave Otterbein her second win of the season and a victory with which to end the year.

## The Collegians

For the first time in the history of Otterbein a recognized girls' team was put into the field. This season only four games were played but of these two were won, and the girls ended up their first year as a College organization with an average of .500. Of those who broke into games this season, only one will be lost by graduation, so next season's team ought to bring more laurels to Otterbein.

## 1924 Baseball Squad

The baseball season of 1924 was a successful one in spite of the fact that continuous spring rains kept the diamonds unfit for practice. The resultant lack of practice is therefore largely responsible for the team's inability to connect safely when at bat, and for the poor fielding that was sometimes evident. The baseball season itself is a short one, and is indeed too short, for the producing of a winning team. The overloading of the one coach who had both baseball and track together with his spring football practices proved an added handicap to the team last year. With half of last year's men back, the 1925 aggregation should bring a good many scalps into Otterbein's camp.

HANCOCK—"Hank" had the distinction of being Otterbein's only pitcher for a whole season. He was forced to the limit at times, but proved himself a master in the pinches.

PIERCE—Handling the catching berth for an entire season without an error is indeed an accomplishment, but "Reed" did just that. He also proved himself a real "sticker".

MC CARROLL—The first sack was "Mac's" field of operations, and on first his work was highly commendable. He again showed himself a valuable man in anything he does.

o ..... Ohio U. .... 4

Bruce, the diminutive pitcher of Ohio University turned the trick against Otterbein in the opening game of the spring. Bruce's brilliant pitching and Otterbein's inability to connect safely when at bat, together with costly errors gave Ohio University the initial contest of the season.

4 ..... Denison ..... 1

Two weeks of practice after the Ohio University defeat brought the team up to such shape and condition that Denison was defeated at Otterbein in spite of the fact that Denison made more hits and fewer errors. "Mac" was the only Otterbein man to connect safely more than once, and his quota for the game was two hits, while "Andy's" homer and Pierce's double helped the game along materially.

JACOBY—"Jake" proved himself a small but mighty sub. The 1925 season should make him a first stringer, and a valuable one to Otterbein.

SEIBERT—Short stop was "Eddie's" position and when not occupied there he made a specialty of hard and long hits.

RENNER—Although it took "Art" a little time to get started, he showed some real stuff when moved in from right field to occupy third base.

15.....Denison.....0

The swat-fest at Granville on May 13 turned out to Otterbein's favor with a score of 15-0. Just why the Big Red was given such a drubbing will never be known but one good reason is that every Tan player except one hit safely. "Chic" Staats was the star of the game with three hits and four runs to his credit. Pierce, with his four singles, Seibert, with a single and a homer, and Mc Carroll with a double and single were the heavy hitters of the game, while everybody did considerable boosting of his batting average.

5.....Ohio U.....2

For the second time during the season Ohio University proved itself superior to Coach Ditmer's understudies. It was the unfathomable Bruce again that brought defeat, and Otterbein fans agreed with Conference followers that he ranked among the first pitchers of the state. Errors again added their costly toll, as three of them on third in one inning enabled three Ohioans to cross the plate.

GARVER—The season was too short for “Bot” to get to going just right, but the last two games were his best and were so good that his team mates rewarded him with the captaincy for the 1925 season.

ANDERSON—As a centerfielder “Andy” reigned supreme. He didn’t know what it was to miss a fly ball and when he wasn’t out gardening himself, he handled the stick so well that his opponents had plenty of it to do.

LEFFEL—Returning to the game after being out of school for a year “Hurvey” came back with some real baseball and nifty fielding.

---

8.....Hiram.....2

Hiram sent a team to Otterbein on May 23 that was supposed to rank among the first in the Conference, but “Chic” and his warriors handled the invaders with ease. Otterbein led the northerners every minute of the game, and to Staats, Seibert and Leffel goes much of the credit as two hits apiece were chalked up to them.

---

3.....Wesleyan.....7

On June 7 Otterbein traveled to Delaware and took a warping at the hands of the Methodists in a contest that was featured with heavy hitting. Otterbein’s hitting was on a par with Wesleyan’s but errors again reaped their unwanted harvest.

## Review of Early Spring Season, 1925

As the Sibyl goes to press, the 1925 baseball and track seasons have just begun with gratifying results.

---

### BASEBALL

5.....Denison.....2

In the season's opener Otterbein got off to a good start by scoring a victory over the Baptists when Denison was defeated 5-2 with the score of earned runs 4-0. The game was the first that "Willie" Wilburg ever pitched in college so the win is all the more noteworthy.

6.....Kenyon.....7

What will probably be the longest remembered game on Otterbein field for the 1925 season was the one with Kenyon. Although Otterbein found herself holding the lean end of the 6-7 count, still the lead 4-1 that Kenyon took in the fourth inning, the Otterbein rally in the lucky seventh that netted the Tan and Cardinal three more runs, and the two home runs by Carroll and Garver will mark the Otterbein-Kenyon game as the best money's worth given on the field this year.

---

### TRACK

With two track meets of the present season already over, the Tan and Cardinal has emerged victorious both times. Two decisive wins have been scored over Kenyon, in retaliation for the baseball defeat administered, and over Wittenberg when the Lutherans were defeated by a score of more than three to one.

In the first meet, Stoughton was Otterbein's outstanding performer, running the 100 yard dash and 440 yard dash in record time. In the former event he equalled the Otterbein record of 10 flat, and in the second event he bettered his own record by one tenth of a second.

Widdoes was the high scorer for Otterbein in the meet with Wittenberg, taking sixteen points by winning firsts in the high hurdles and the pole vault, and by taking seconds in the javelin and the low hurdles.

## 1924 Track Team

A glance at the record of the 1924 track team reveals that Otterbein's season was a successful one. The season was one of the most successful that an Otterbein track or any other team ever experienced. The truth of the matter is that in 1925 track bids fair to displace baseball as the major spring sport at Otterbein.

The performance of the relay teams in the Ohio State Stadium leaves little to be asked of Ditmer's proteges in the running events. The fact too, that the relay team broke their own record of one year's standing is significant. Four other records of long standing in the fields of javelin throw, shot put, 440 dash and low hurdles were smashed by the Otterbein track men in the season of 1924, a year that will go down in Otterbein's athletic annals as one of the best seasons that Tan teams have enjoyed in any realm of athletics.

STAATS—In the low hurdles “Chic” always discouraged his opponents with his “flying start.” “Start things right” was his motto, but he generally added insult to the injury of his opponents by finishing things right as well.

RICHTER—A big man with a heavy heave was the mighty “Bozo” Richter. The best testimony to the ability of “Bozo” as a putter of the shot is that the College record is held by none other than the husky Richter himself.

ANDERSON—Although experiencing his first season in college track events, “Andy” found himself right at home on the cinders and in his first meet he broke the college low hurdle record.

57.....Ohio Wesleyan.....80

The annual Otterbein-Ohio Wesleyan meet at Delaware turned out to be a real battle as compared with other seasons. Anderson was the outstanding star for Otterbein, carrying away 11 points and walking off the field with a new low hurdle record for Otterbein tucked under his belt. The new record bettered the old one by 1/5 of a second.

72.....Kenyon.....45

With practically a one-man team Kenyon came here expecting no great difficulty, but the first three events, in which Otterbein took three firsts and two seconds, disillusioned them. Had it not been for Rhyback, Kenyon’s star, the Episcopalians would hardly have been in the meet for he scored three firsts and a tie for first in four events that he entered. Ruffini, Stoughton and Upson were constant worries to Kenyon fans throughout the meet.

POROSKY—Although a first year man in intercollegiate track “Swede” performed like a veteran, and his form was that of an experienced athlete. Bearing witness to this fact is the new javelin record that he set up in the final meet of the year at Denison with a throw of 162 ft. 3½ inches.

UPSON—“Uppie” is further evidence that good things come in small packages. His middle name was speed and his others were determination and “guts”.

BROADHEAD—In “Broadie” Otterbein has a man that can perform as well on the cinder track as he can on the ivories. As a member of the relay team that copped honors in the Ohio State Stadium he proved himself a man of achievement in athletics.

---

80½.....Ohio Northern.....30½

May 10 saw Otterbein take on Ohio Northern University at Ada and although the track was heavy and slow, the Norsemen proved to be even less formidable opponents than Kenyon had been. The result was a third victory of the season with a decisive outcome of 80½ to 30½ in favor of the Tan team of Coach Ditmer.

BEELMAN—Even a bad ankle wasn't enough to keep "Beeny" from showing his opponents some real speed. He was another member of the famous record breaking relay team of 1924 and his presence on that quartet is enough tribute to his track ability.

STOUGHTON—"Doc" was another record breaker. His field of supremacy was in the 440 where he lowered the standing record by seven-tenths of a second. With "Doc" sticking around we need not worry about the "440" in any meet next year.

WIDDONES—In "Widder" Otterbein has another Roy Peden in the making. Hard working, conscientious, and determined, he is sure to show some high class pole vaulting next year.

---

92.....Muskingum.....39

On May 24 Muskingum came to Westerville hoping to break Otterbein's winning streak but much to her surprise and distress went home with the lean end of a 92-39 count. The United Presbyterians scored only one first place while Stoughton, Ruffini, Widdoes and Porosky each carried away two firsts.

SCHULTZ—Although no track star, “Schlitz” showed himself to be a real plugger. Three years in the “long runs” is far from easy work and men willing to carry on as Schultz did are worthy of commendation.

KEIM—Keim was a Senior who through sheer determination mastered the form necessary to a two miler and won his track letter in his final year at Otterbein.

CARPENTER—Becoming manager in his Junior year “Carp” proved himself to be a dependable and considerate manager and no more than that is to be expected from any team man. Carpenter’s efforts were tireless and ceaseless in behalf of his men.

---

62.....Denison.....69

In the final meet of the year Otterbein lost the closest match of the season to Denison by the slim margin of seven points. Although it was a defeat in terms of the final score still it was a distinct victory for Otterbein in as much as four new records were hung up. Porosky set up a new record for the javelin throw while Stoughton broke the 440 record, and then to keep things going “Bozo” Richter smashed the shot-put record and finally to finish the job up right the relay team broke its own record standing since 1923.

RUFFINI, STOUGHTON, BEELMAN, UPSON

Otterbein emerged from the Ohio State University Relays with the Tan and Cardinal flying high above the colors of any other school in its class. Out of four events entered, Ditmer's proteges came out with three victories and the Class B championship. This victory was achieved on April 19 and the victories spurred the team and other track men on to greater achievements. The more tenable fruits of victory were two large loving cups, two placques, four gold watches and numerous medals.

#### OTTERBEIN IN THE "BIG SIX"

In the annual meeting of the Big Six Otterbein came out in eleventh place, with a total of  $8\frac{1}{2}$  points, of which "Bozo" Richter took three in the shot-put. Beside this Stoughton took fourth place in the 440, Widdoes tied for a third in the pole vault and Upson placed fifth in the 220 yard dash.

BREDEN, PATRICK, BROWN, MATTOON, ROBY, BECHTOLT

## 1924 Tennis Squad

The 1924 tennis season turned out to be a successful one in spite of the wet weather that made practice impossible on the Otterbein courts. Captain Mattoon and ex-Captain Cornetet formed the nucleus around which the tennis teams were built. However, Patrick, Bechtolt, Roby and Brown developed rapidly and proved to be valuable men before the season grew very old. Patrick played his best game against Ohio Wesleyan and his best in that game was such that the Captaincy of the 1925 season was given him.

3.....Heidelberg.....0

On April 25 Heidelberg journeyed to Westerville to open the local tennis season only to return to Tiffin with a 3-0 defeat. Captain Mattoon won his first set 6-4 and the second 7-5 after coming from behind and trailing Heidelberg's man 5-1. In the other singles Cornetet played true to his old form and won in straight sets of 6-4 each. After losing the first set of doubles, Patrick and Brown staged a brilliant come-back, winning the last two sets 7-5 and 10-8 thereby giving Otterbein a complete victory in the opening match of the 1924 season.

0.....Antioch.....3

Otterbein's little jaunt down to Yellow Springs the day after the Heidelberg meet resulted in a three to nothing count for the Co-ops.

2.....Ohio Northern.....1

Undaunted by the defeat at the hands of Antioch, Capt. Mattoon and his men defeated Ohio Northern here in a hard fought court battle. The tennis fans received thrills a-plenty when Cornetet bested Carlyle, Ohio Northern's star, in two straight sets of 6-4 each.

0.....Antioch.....3

On May 6 Antioch again proved herself superior to Otterbein's courtsters and won by the same score that was rolled up in the previous meet, but with their increased experience the Otterbein men forced the Yellow Springers to the limit every time.

3.....Ohio Northern.....0

Ohio Northern again proved easy picking for Mattoon and his followers when the two schools got together at Ada on May 16. To prove that the former 2-1 victory over the Norsemen was no accident, Otterbein returned a 3-0 verdict in this contest.

2.....Heidelberg.....1

The day after the victory over Northern the Otterbein team traveled to Tiffin and took the Tri-color into camp with a 2-1 decision. This marked the season's second win over the Heidelbergers.

1.....Ohio Wesleyan.....5

On May 21 when Ohio Wesleyan paid Westerville a visit the Fates rather favored her in the final tallies of the day. Wesleyan went home with a 5-1 victory over the Tan and Cardinal men. Patrick was the only Otterbein man to overcome his opponent and he was able to win easily in straight sets and for his brilliant work in this meet was elected to lead the tennis team of 1925. In the doubles the count was close as Cornetet and Mattoon forced the Methodists to the limit in three full sets.

1.....Ohio Wesleyan.....5

Two days later Otterbein repaid Wesleyan's visit but was not able to turn the tide of victory, and again Otterbein went down in defeat with Patrick the only man who could dispose of his opponent, but he did do this and in an easy fashion.

0.....Muskingum.....3

In the closing match of the 1924 season Muskingum came to Otterbein and left us holding the lean end of a 3-0 count. June 3 closed the season for the Tan and Cardinal and also closed the careers of Cornetet and Mattoon who appeared for the last time supporting Otterbein on the courts.

## Intramural Athletics

---

### Soccer

The interclass championship in soccer was won by the Senior team with little trouble. From the two rounds that were played to determine the winner, the Seniors emerged with a clean slate.

---

### Interclass Basketball

By virtue of winning every game that they played, the Junior girls were acclaimed the winners among the co-ed teams, while their fellow class mates did not fare so well even though they had been picked as the winners. The fast Sophomore outfit laced the "twenty-sixers" in a fast game and with it won the interclass title.

---

### Group and Prune League Basketball

The Annex Club team lost only one game throughout the race for the Group and Prune League Championship. In winning their title the Annexers had little trouble in disposing of the Priest Club which had emerged as the victors of the Prune League race.

---

### Girls' Group Basketball

As the Sibyl goes to press the girls' group basketball championship is still undecided, with only half of the series of games played. However, judging by the past the outcome may be rather safely predicted. Thus far the Onyx has won every game played and seems to have the upper edge, while the Tomo Dachi's follow a close second and the Owls third.

## Scrap Day Events

In the Scrap Day events this year little was settled as to the supremacy of the Freshman or Sophomore classes in physical prowess. The Frosh has little trouble in annexing a win in the first event, the relay, but the sack rush ended with a victory accounted on the opposite side of the ledger so both teams went into the tug of war determined that it would drag the other through the watery Alum.

Both teams pulled with little advantage on either side until the rope scored a win by breaking and allowing both sides to sit down in the mud. When a new rope was secured, both teams pulled for fifteen minutes but neither could bring its opponents even to the water's edge, much less, through the creek. After sides were exchanged, still another fifteen minutes failed to score a win and for the first time in the history of the tug of war at Otterbein the event was called a tie and the participants in the event for all their blistered, torn and raw hands were forced to accept the other side as equals as the events of the day had determined no victor.

---

## Freshman-Sophomore Football Game

Still stinging under the ineffectiveness of Scrap Day, both the Freshman and Sophomore teams went into their annual gridiron combat determined to come out on top. After a close game which kept the two teams see-sawing up and down the field Drexel finally took the ball over for the Freshmen in the last few minutes of play and scored the only points that were made throughout the game. Thus the Freshmen claimed the supremacy which they felt should have been theirs on Scrap Day.

## 1924 Scholarship—Athlete Award

Harold Anderson, '24, was awarded the 1924 Norris and Elliott medal as being Otterbein's leading scholar-athlete. "Andy" was a four letter man and excelled in every sport. In football he was mentioned for All-Ohio honors, and in basketball he captained his team, while in track he broke the Otterbein high hurdle record in the first college track meet in which he participated. Similarly, in the field of mental achievement "Andy" ranked high and in recognition of his attainments was granted the Norris and Elliott medal and his name is engraved on the silver loving cup.

## Special Invitation to Students of Otterbein College

We want every student in Otterbein College to come to the Rexall Drug Store and get acquainted not only with the store and its splendid stock of the things they want in their studies and for personal use, but get personally acquainted as we know how it is to be away from home and out of touch with the local dealers they have been accustomed to deal with all their lives.

The invitation to come to the Rexall Drug Store is extended to every one and you may be assured of a welcome as soon as you come here. Make this your headquarters for everything and you will find your away-from-home troubles simplified.

We carry a very large stock of School and College needs and of course the things you will expect to find in a drug store such as Brushes, Combs, Toilet Articles and Novelties, Souvenirs, Jewelry.

Look to this store for your needs. If anything is wanted and we do not have it in stock, we will be glad to get it for you without delay.

We trust you are finding things pleasant for you in Westerville and that you are progressing in your studies even to the fullest of your expectations.

Don't fail to come in and see our stock. Learn our way of doing business. We want to know you personally and have you think of our store as your own in your home town.

Come in and make yourself known at any time

Yours very truly,

## “It is Better to Travel Hopefully than to Arrive”

The spirit of the Christian College is to inspire hope and confidence in the heart of the individual student, to quicken the intellectual step, to enliven the ambition and to extend the period of productivity and usefulness far into old age.

Stagnation is a sign of decay and old age. It is likewise a cessation of the learning and acting processes of the human being.

“To have arrived” is to have died intellectually and spiritually. “To travel hopefully” is to keep the fountain of eternal youth flowing freely in the heart of man.

The purpose of Otterbein College is to keep the spirit of youth alive in the hearts of its students and alumni. An open, receptive mind, a warm heart and a will to work will accomplish it.

History and philosophy, language and literature, science and mathematics, music and art, contribute to this. The happy associations of college students with one another on the college campus and throughout the world contribute their share.

Write for catalog about courses of study, expenses and other particulars regarding student life.

SCHOLAR-ATHLETE FOR 1925

The 1925 Scholar-Athlete award given each year by the Norris and Elliot Co., was won by Abel Ruffini. Ruffini is a three sport man, having played end on the football team, played baseball and served as Otterbein's track star supreme. "Ruff" captained the 1925 track team and in every contest won his full share of points. Beside his athletic activity, Ruffini has assisted in the department of chemistry and maintained a high standard of scholarship throughout his course.

# INSURANCE ON YOUR PRINTING

You plan a piece of printing to obtain a certain effect. You have a mental picture of just what you want.

You turn it over to a printer and await results.

What you get depends entirely upon the skill and experience of the printer you deal with—not upon his promises or protestations.

For printing is not a standardized product. Each job differs from others in kind, size, style, quantity or purpose.

Your only guarantee against dissatisfaction on the finished work is the reputation of the printer you give it to.

We invite you to seek printing insurance of this sort at our shop.
