Men's Basketball

March madness was felt by all at Xavier. Stealing the Atlantic 10 Conference Tournament title, after a rough season prior, was the start of climbing to the top. Beating Louisville, Mississippi State, and Texas was exciting. Duke halted the efforts, but barely. All in all, it was a dream come true for fans and team members.

On behalf of the 2004 yearbook staff, thanks for a great year. Louis Romano was editor in chief and staff included Jessica Moman, Jessica Butler, and Meredith Liles. You may contact the ladies for coverage in the 2005 book!! Special thanks to Luther Smith and Carol Reid in Student Development and to SGA for assistance.
