Dear reader:

Consistent with its Jesuit and Catholic tradition, Xavier University provides a vibrant learning environment that challenges a diverse and capable student body intellectually, morally and spiritually. Our teachers and scholars contribute significantly to the advancement of knowledge in the classroom and to the intellectual life on campus. The University's faculty development program, under the guidance of the faculty development committee, is designed to foster growth in teaching and scholarship in our academy.

What follows is a listing of the scholarly works of the faculty during the period 2007-2011. I am confident you will appreciate the breadth of scholarship represented and that you will recognize the importance of scholarship in our community.

Thank you for your continued interest in and support of Xavier University.

Sincerely,

Michael J. Graham, S. J.

#### PRESENTATIONS AT ACADEMIC CONFERENCES

- Buot, M.** (2011). *The role of data visualization in teaching statistics*. Presentation delivered at the Department of Mathematics and Statistics Colloquium, Wright State University, Dayton, OH.
- Buot, M.** (2011). *Data visualization in introductory statistics*. Presentation delivered at 2011 Joint Mathematics Meeting, New Orleans, LA.
- Buot, M.** (2010). *Estimating a multivariate normal covariance matrix subject to a Loewner ordering*. Poster presented at the R User Conference, Gaithersburg, MD.
- McKenzie, G., Zascavage, V., Woods, C., & **Buot, M.** (2010). *Emergent readers in early Montessori classrooms: Relationship between three dimensional print and flat print*. Paper presented at the American Montessori Conference, Baltimore, MD.
- Zascavage, V., **Buot, M.**, Winterman, K. G., & Masten, W. (2009). *Student life stress and the education and health service major*. Paper presented at the Southwestern Psychological Association Annual Convention, San Antonio, TX.
- Zascavage, V., Winterman, K. G., & **Buot, M.** (2008). *Advising students for success: Student life stress in education and health services majors*. Paper presented at the 28th Annual Lilly conference on College Teaching, Miami University, Oxford, OH.
- Buot, M.** (2008). *Statistical models for globular cluster luminosity distribution*. Poster presented at the Nonparametrics Statistics and Mixture Models Conference, Pennsylvania State University, State College, PA.
- Catral, M.** (2011). *Drazin and group inverses of matrices with bipartite digraphs*. Paper presented at the 17th International Linear Algebra Society Conference, Braunschweig, Germany.
- Catral, M.** (2011). *Eventually nonnegative matrices and their sign patterns*. Workshop presented at the Banff International Research Station for Mathematical Innovation and Discovery (BIRS), Alberta, Canada.
- Catral, M.** (2010). *Sign patterns that require or allow power-positivity*. Paper presented at the 16th International Linear Algebra Society Conference, Pisa, Italy.
- Catral, M.** (2010). *Sign patterns that require or allow eventual positivity, eventual nonnegativity, or power-positivity*. Paper presented at the AMS Central Sectional Meeting, St. MN.
- Catral, M.** (2010). *Sign patterns that require or allow eventual positivity, eventual nonnegativity, or power-positivity*. Presentation delivered at the Western Canada Linear Algebra Meeting, Banff, Alberta, Canada.
- Catral, M.** (2010). *Eventual nonnegative matrices and related class*. Poster presented at the Western Canada Linear Algebra Meeting, Banff, Alberta, Canada.
- Catral, M.** (2010). *Career options for underrepresented groups in mathematical sciences*. Workshop presented at the Institute for Mathematics and Its Applications, Minneapolis, MN.
- Catral, M.** (2008). *The Kemeny constant in finite homogeneous ergodic Markov chains*. Paper presented at the 15th International Linear Algebra Society Conference, Cancun, Mexico.

- Catral, M.** (2008). *Group inverses of matrices with path graphs*. Poster presented at the Western Canada Linear Algebra Meeting, Winnipeg, Manitoba, Canada.
- Catral, M.** (2008). *Nonnegative matrix theory: Generalizations and applications*. Workshop presented at the American Institute of Mathematics, Palo Alto, CA.
- Kuchey, D., Moore, J., & **Doran, S.** (2009). *Assessing the impact of four newly developed middle childhood mathematics content courses*. Paper presented at the We EXCEL Regional Spring Conference, Dayton, OH.
- Moore, J., & **Doran, S.** (2008). *Assessing the impact of four middle childhood mathematics content courses on PRAXIS scores*. Paper presented at the TEAM-Math 2008 Conference on the Mathematical Preparation of Teachers, Tuskegee, AL.
- Goldweber, M.** (2010). *A Taulbee report for the rest of us*. Special presentation delivered at the 41st ACM Technical Symposium on Computer Science Education (SIGCSE), Milwaukee, WI.
