Mentorship On Course

A mentoring program for women who work on the water, launched late July 2018

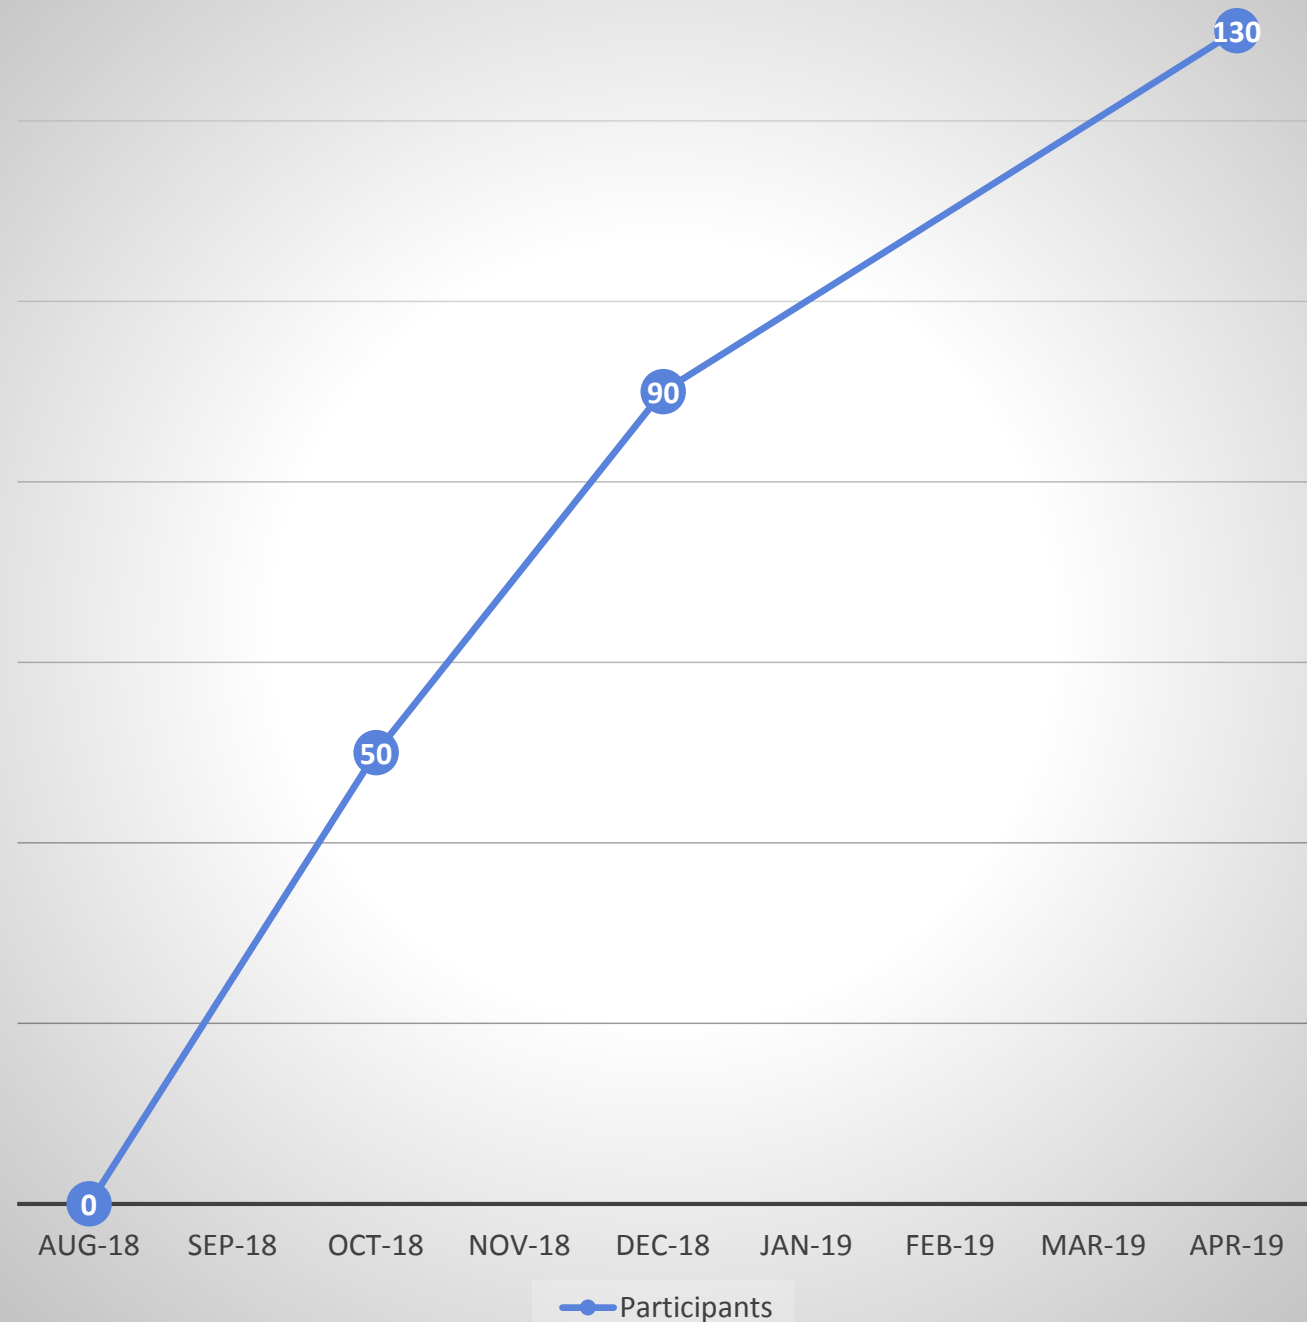

Growth: **130** Participants in 8 Months

Currently:

- Mentors **78**
- Mentees **104**
- Both **50**

Loops
98

Goals: **150** Participants by July 2019
Grow **100/year** until **1000**

Women Making Waves on the Mentorship

Surveys every 3 months for feedback and check how pairings are going.

- Make new pairings as needed
- Find out how the mentoring has gone so far.
- Tracking goals

Recent feedback:

- Participants wanted more reminders
- Participants requested more information on how to get the conversation going
- Participants unsure on what goal to set

“For me this mentoring program has been a terrific way to give back. I am interested in helping women that are new to the industry and this program is a great way to connect.”
