- BUAD 699 **Business Policy & Strategy (3)** Integration of the content of all core courses through the analysis of cases in business production and service industries. **Prerequisites:** ALL core courses and final semester in program.

## Business Law 745-3471

- BLAW 300 **Legal Environment (3)** Provides a background in the legal environment of business. Topics include: business entities, employment discrimination, consumer protection, and products liability.
- BLAW 500 **Legal Environment (2)** An introduction to legal questions as they relate to the business world. Topics include: contracts, formation of different business entities, business torts, and product and service liability.

## Chemistry 745-3351

- CHEM 140 **Principles of Chemistry I (3)** An introduction to the basic principles of chemistry (syllabus available upon request).
- CHEM 141 **Principles of Chemistry I Lab (1)** A lab course to accompany CHEM 140.
- CHEM 142 **Principles of Chemistry II (3)** A continuation of CHEM 140 covering Organic Chemistry and Biochemistry. **Prerequisite:** CHEM 140
- CHEM 143 **Principles of Chemistry II Lab (1)** A lab course to accompany CHEM 142.
- CHEM 240 **Organic Chemistry I (3)** Introductory course treating the structure, preparation, reactions, and properties of organic compounds. **Prerequisite:** General Chemistry II.
- CHEM 241 **Organic Chemistry I Lab (1)** The practice of fundamental operations involved in the synthesis, separation, purification and identification of organic compounds. **Prerequisite:** General Chemistry I lab.
- CHEM 242 **Organic Chemistry II (3)** A continuation of CHEM 240 which extends the treatment of fundamental organic chemistry. **Prerequisite:** CHEM 240
- CHEM 243 **Organic Chemistry II Lab (1)** Continuation of the laboratory work of CHEM 241 with increased emphasis on the reactions and synthesis of organic systems. **Prerequisite:** CHEM 241. **Corequisite:** CHEM 242.

## Classics There are no summer offerings in this department.

## Communication Arts 745-3087

- COMM 101 **Oral Communication (3)** Speech fundamentals as applied to public speaking and listening skills.
- COMM 107 **Interpersonal Communication (3)** Understanding of and classroom practice in effective communication between persons.
- COMM 110 **Art of the Film (3)** Film as a modern art form, treating sound, motion, editing, light, acting, director's style, and film analysis.
- COMM 299 **Special Study (3)** An in-depth study of a specific topic or area in communication (Permission of advisor).
- COMM 360 **Introduction to Advertising (3)** A comprehensive examination of the advertising process and the principles involved in its preparation and production. Focus is on the three major components of advertising: audience, message and the channels.

## Computer Science 745-2015

- CSCI 170 **Computer Science I (3)** Problem solving, algorithm development and verification, programming in a block structured language. Data manipulation, procedures, functions, arrays, fundamental algorithms, and files. **Prerequisite:** Secondary math proficiency.
- CSCI 175 **The "C" Language (3)** Structured programming and problem-solving. Data manipulation, functions, arrays, structures, pointers and files. Fundamental algorithms. **Prerequisite:** Proficiency in a computer language.

## Criminal Justice 745-3518

- CJUS 140 **American Government and Politics (3) (POLI 140)** Introduction to the theory and practice of the American political system.
- CJUS 434 **Disruptive Child (3)**

- CJUS 634 **Disruptive Child (3)**
- CJUS 210 **Basic Constitutional Law & Am Just I (3)** Principles; special reference to rights and obligations of various role players in the criminal justice system. Structure and functions of the courts.
- CJUS 610
- CJUS 266 **Crime & Personality (3) (CJUS 566, EDCL 266, PSYC 366)** Root causes of crime in the individual and in the culture. Consideration of personality dynamics and treatment approaches.

## Decision Sciences 745-3229

- DECS 200 **Intermediate Business Statistics (3)** Diagnosis of business problems and the generation of alternatives for improvement using statistical techniques. Topics include problem sensing, problem description, analysis of variance, regression and correlation and design of experiments. **Prerequisite:** MATH 156 and INFO 100.
- DECS 250 **Applied Quantitative Methods (3)**
- DECS 501 **Managerial Statistics (3)** Descriptive statistics, discussion of frequency distributions, exploratory data analysis and measures of central tendency, dispersion and skewness. Classical statistical inference, probability and probability distributions, sampling distributions, estimation, test of hypotheses, simple linear regression and correlation analysis, and an introduction to multiple regression analysis and computerized data analysis. **Prerequisite:** College Algebra
- DECS 503 **Intro to Managerial Science (2)** An intro to management science models and techniques. Topics include linear programming, transportation and assignment problems, project scheduling (PERT/CPM), inventory models, simulation, waiting line models and decision analysis. The use of management science software is introduced. **Prerequisites:** DECS 501 and INFO 501-Managerial Computer Applications or equivalent
- DECS 642 **Statistics for Quality Improvement (3)** Provides a broad introduction to statistical tools relevant to addressing today's quality problems. Topics include control charts/process capability studies, full/fractional factorial capability studies, simple/fractional factorial experimentation, the Taguchi Method, Shainin Methods, EVOP philosophy and an overview of the statistical components of quality function deployment. **Prerequisite:** DECS 501.

## E Pluribus Unum

- UNST 100 **E Pluribus Unum (1)** Introduces first year students to the opportunities cultural diversity presents, and to the issues of stereotyping, prejudice and discrimination and their relation to the exercise of power in American society.

## Economics 745-3051

- ECON 200 **Microeconomic Principles (3)** Principles governing the efficient allocation of the nation's scarce resources. Economic behavior of consumers, producers, and resource owners.
- ECON 201 **Macroeconomic Principles (3)** Economic activity of the economy as a whole. The role of public policy in relation to issues of full employment, price stability, economic growth, government finance and international trade. **Prerequisite:** ECON 200.
- ECON 300 **International Trade & Business Environment (3)** An analysis of international trade and finance; the behavior of the multinational enterprise; the impact of global economy on traditional business strategies. **Prerequisite:** ECON 201.
- ECON 501 **Economic Analysis (4)** An accelerated introduction to economics. Emphasis placed on the principles of microeconomics with a brief exposition of macroeconomic theory.
- ECON 601 **Economic Environment (3)** Advanced course in the macroeconomic analysis of movement in real income, aggregate price, interest rates and factor prices using classical, Keynesian, and post-Keynesian models. Emphasis on the use of monetary and fiscal policy in an international economic environment. **Prerequisite:** ECON 501 or equivalent
- ECON 627 **International Economics & Business (3)** Growth and direction of trade, internationalization of businesses, role of governments. Mechanics of financing foreign trade and investment. **Prerequisite:** ECON 601 or equivalent.

## Mathematics 745-2015

**MATH 105 Fundamentals of Math (3)** Rational numbers, percent. Polynomials, rational expressions, exponents. Linear and quadratic equations in one and two variables. Graphic. This course is not applicable to the core requirement in mathematics.

**MATH 110 Principles of Contemporary Math (3)** Patterns and problem solving in counting and calculating with integers. Operations with fractions, rationals, and irrationals. Probability and statistics (for ED majors).

**MATH 111 Principles of Geometry (3)** Geometric figures and reasoning. Measurement and geometry with coordinates. Equations and inequalities, graphs of linear and nonlinear relations. Motions in geometry (for ED majors).

**MATH 113 Mathematics of Finance (3)** Simple and compound interest, discounting, annuities, amortization and sinking funds, stocks, bonds, insurance.

**MATH 115 Topics in Applied Mathematics (3)** Topics in the application of elementary mathematics to real world problems: management science, voting schemes, theory of games, population growth, other models.

**MATH 116 Elementary Statistics (3)** Description of sample data. Simple probability, theoretical distributions, normal and binomial estimation. Tests of hypotheses, correlation, regression.

**MATH 120 Pre-Calculus (3)** Fundamentals of algebra, inequalities, absolute value. Identities. Solutions of equations and graphs for polynomial, rational, algebraic, exponential and logarithmic functions.

**MATH 150 Elements of Calculus I (3)** Limits, the derivative, differentiation techniques, curve-sketching, maximum/minimum problems, elementary integration, exponential and logarithmic functions. **Prerequisite:** MATH 120 or equivalent.

**MATH 156 General Statistics (3)** Descriptive statistics, probability distributions, confidence intervals and hypotheses testing, regression and correlation, Chi-square tests, analysis of variance, nonparametric tests. **Prerequisite:** MATH 150 or equivalent.

**MATH 230 Differential Equations (3)** Ordinary differential equations: first order, second and higher order with constant coefficients. Numerical methods. Series solutions. Laplace transforms. Applications. **Prerequisite:** MATH 221 - Calculus III

## Military Science 745-3646

**MILS 299 ROTC Leadership Camp (4)** Six weeks of paid Army ROTC training at Fort Knox, Kentucky during the summer. Especially designed as substitute for other lower division courses. Camp graduates are eligible to enter the Army ROTC advanced course.

**MILS 399 Army ROTC Advanced Camp (4)** This training is conducted at Fort Lewis, Washington, and normally takes place in the summer following the junior year. This internship is six weeks in duration and oriented on the execution of Advanced Military Tactics, Cadet Leadership ability, and physical endurance. It may be substituted by attendance at the U.S. Army Ranger School by qualified students.

**MILS 499 Directed Study (Credit to be arranged)** Open to especially qualified students with the consent of the department chair.

## Modern Languages 745-3464

For further information contact department.

## Music 745-3801

**MUSC 150 Class Piano (1)** Group instruction in basic piano techniques.

**MUSC 152 Class Guitar (1)** Group instruction in basic guitar techniques.

**MUSC 304 Music Technology I (3)** A survey of the technology currently available to the music industry with a focus on music printing, sequencing and tutorial software.

**PHIL 290 Theory of Knowledge (3)** The interplay between human knowledge and the world it knows, the possibility of objective knowledge, and the nature and development of modern science as a theoretical and practical project.

**PHIL 321 Ethical Business Decisions (3)** Case studies of several critical issues in business, analyzed according to the contemporary context and ethical principles.

**PHIL 329 Medical Ethics (3)** Moral issues arising in health care delivery, including social policy as well as clinical problems.

**PHIL 355 Principles of Political Philosophy (3)** Principal problems of political philosophy, with emphasis on philosophical and religious legitimation of political institutions and on the nature of justice and law.

## Physics 745-3626

**PHYS 104 College Physics I (3)** For pre-med, pre-dent, and others. Mechanics, heat, sound, electromagnetism, optics and modern physics. **Corequisite:** PHYS 105. **Prerequisite:** Algebra

**PHYS 105 Introductory Physics Lab I (1)** **Corequisite:** PHYS 104

**PHYS 106 College Physics II (3)** See description above.

**PHYS 107 Introductory Physics Lab II (1)** **Corequisite:** PHYS 106

**PHYS 134 Our Universe—Light (2)** An introductory course in earth science. **Corequisite:** PHYS 135

**PHYS 135 Our Universe—Light Lab (1)** Lab required to accompany PHYS 134.

**PHYS 118 Our Universe—The Sky (2)** Introductory course in astronomy. **Corequisite:** PHYS 119

**PHYS 119 Our Universe—The Sky Lab (1)** Lab required to accompany PHYS 118.

## Political Science 745-3478

**POLI 140 American Government and Politics (3) (CJUS 140)** Introduction to the theory and practice of the American political system.

CONTINUED ►

- POLI 372 **International Political Economy (3)**  
 POLI 374 **U.S. Foreign Policy (3)** A survey of American foreign policy since World War II with special emphasis on contemporary issues.

## Psychology

745-3533

- PSYC 101 **General Psychology (3)** Basic psychological processes such as sensation, perception, motivation, learning, psychological measurements, personality development.
- PSYC 121 **General Exp. Psychology (Lect) (2)** Introduction to the scientific method used in psychology, covering topics such as sensation, perception, learning, emotion, motivation. Fulfills science requirement for non-psychology majors. **Corequisite:** PSYC 122.
- PSYC 122 **General Exp. Psychology (Lab) (1)** Laboratory experiments demonstrating principles described in the lectures. **Corequisite:** PSYC 121.
- PSYC 123 **General Exp. Psychology II (Lect) (2)** Introduction to the structure and function of the nervous system, which serves as the basis for the study of human behavior and psychopathology. Fulfills science requirement for non-psych majors. **Corequisite:** PSYC 124. **Prerequisite:** PSYC 122.
- PSYC 124 **General Exp. Psychology II (Lab) (1)** Laboratory experiments demonstrating principles described in the lectures. **Corequisite:** PSYC 123.
- PSYC 211 **Computer Applications for the Social Sciences (3) (SW 211)** Introduction to the fundamentals of the use of personal computers and main frames. Examines measurements, data collection, data processing, statistical packages (SPSSX) and application, and word processing issues. Emphasis on basic knowledge for computer-based decision making and social science applications in applied settings.
- PSYC 221 **Exp. Psychology I (Lect) (2)** Basic exploration of the scientific method as applied to psychology. Includes research design and appropriate statistical analyses. **Prerequisites:** PSYC 101,210,211. **Corequisite:** PSYC 223.
- PSYC 223 **Exp. Psychology I (Lab) (1)** Development of hypotheses, design and carry out psychological research, analyze data and interpret results. **Corequisite:** PSYC 221.
- PSYC 231 **Developmental Psychology (3) (ED 231)** Factors influencing man's life span. Application to stages physiological maturation, developmental tasks, social learning, personality integration.
- PSYC 232 **Child Psychology (2-3) (EDCL 232)** The genetic study of growth and development; hereditary and environmental factors; early and later childhood to puberty.
- PSYC 261 **Social Psychology (3) (EDCL 261, SOCW 261)** The individual's personality, attitudes and behavior in multi-individual situations.
- PSYC 271 **Intro to Emotionally Disturbed Children (2) (EDSP 271)**
- PSYC 276 **Psychology of Delinquency (2) (CJUS 276, CJUS 576, EDCL 276)** Types and causes of juvenile delinquency together with brief case histories.
- PSYC 277 **Abnormal Psychology (2) (EDCL 277)** Dynamics of the disturbed personality; symptoms, causes, treatment of psychoneuroses, psychoses, deviant personalities.
- PSYC 321 **Industrial/Organizational Psychology (3) (HRES 330, MGMT 321)** Psychological basis for organizational decisions from employment to the maintenance of motivation and job satisfaction of people. Research, measurement and practical application are emphasized.
- PSYC 366 **Crime & Personality (3) (EDCL 266, CJUS 266/566)** Root causes of crime in the individual and in the culture. Consideration of personality dynamics and treatment approaches.
- PSYC 379 **Psychological & Achievement Tests (2-3) (EDCO 579)** Principles of mental testing - norms, reliability, validity - along with a familiarization of various psychological tests and discussion of factors in mental testing, e.g., anxiety, maturation, ethics, sources, scoring techniques.
- PSYC 430 **Skills for Working with SMD (EDSP 430) (3)**
- PSYC 503 **Advanced Educational Psychology (3) (EDFD 503)** The course is aimed at extending each student's knowledge of recent developments in psychology as applicable to the field of education.
- PSYC 530 **Learning and Motivation (2-3) (EDCL 530)** Theories of learning and motivation mainly within the context of education. Three families of learning theories: mental discipline, stimulus-response conditioning, cog-

nitive psychology. Particular emphasis upon the place of intrinsic motivation.

- PSYC 533 **Counseling Principles & Techniques (2-3) (EDCO 533)** Foundations of counseling, specific methods used in counseling, basic issues related to the counseling process and special problems that are part of the counseling process.
- PSYC 536 **Group Process/Guidance (3) (EDCO 536)**
- PSYC 580 **Psychopathology (3) (EDCL 580)**
- PSYC 590 **Practicum: Experimental Psych (3)**
- PSYC 591 **Practicum: Clinical Psychology (3)**
- PSYC 592 **Practicum: Counseling Psychology (3)**
- PSYC 595 **Supervised Clinical/Counseling Experience (3)**
- PSYC 644 **Motivation and Behavior in Organizations (3) (MGMT 644)** To help students gain knowledge of various concepts & controversies relating to attempts to explain the motivation & behavior of people in organizations.
- PSYC 653 **Early Cognitive Development (3) (EDME 563)** Review of theories of the nature and development of the human cognitive system and how it relates to developmental processes. Special attention is paid to Piaget's theory of cognitive development.
- PSYC 699 **Master's Thesis (3-6)**

## Social Work

745-4262

- SOCW 211 **Computer Applications for the Social Sciences (1-3) (PSYC 211)** Introduction to the fundamentals of the use of personal computers and mainframes. Examines measurements, data collection, data processing, statistical packages (SPSSX) and application, and word processing issues. Emphasis on basic knowledge for computer-based decision making and social science applications in applied settings.
- SOCW 261 **Social Psychology (3) (PSYC 261, EDCL 261)** The individual's personality, attitudes and behavior in multi-individual situations.
- SOCW 430 **Skills for Working With SMD (3) (PSYC 261, EDSP 430)**

## ► WORKSHOP INFORMATION

### REGISTRATION FOR WORKSHOPS

Registrations will be accepted beginning March 29, 1994 and are accepted on a first come, first serve basis. Openings in workshops are most likely to be available to those registering prior to the deadline date. Registrations after the deadline date will be processed only if space is available. Full tuition and fees must accompany the registration form. Registrations may be done by mail or in person (see page 35). Degree-seeking students new to Xavier must complete the proper application form and be accepted prior to registration.

### GRADING POLICY

**One** credit hour course..... Pass/Fail • Unless otherwise indicated  
**Two** credit hour course..... Pass/Fail • Student may petition for a grade  
**Three** credit hour course.... Grade

### WORKSHOP LIMITS

Only two semester hours maximum of graduate credit or undergraduate credit may be obtained in a one week workshop *unless* the workshop is listed as three credit hours in the bulletin. Credit hours for any workshop may not be increased by doing additional work. No more than six semester hours workshop and/or institutes may be applied toward a graduate degree program.

### GRADUATE COURSE INFORMATION

Workshops with a course number of 500 or greater are graduate courses. Workshops that are from 200-400 level may be taken for graduate credit by permission of program director ONLY.

### FINAL GRADES

Grades will be run three times during the summer sessions. Contact the Registrar's office for the dates the grades will be mailed.

The following workshops are in alphabetical order.

### ► Adapting Teaching Techniques to Learning Styles

#### TWO OFFERINGS :

(1) EDWS 501-WS • Two Credit Hours

June 13 to 17 • ALT 213

8:30am to 3:30pm (MTWTh) • 8:30am to 12:30pm (Fri)

(2) EDWS 501-SW • Two Credit Hours

June 17,18,24,25 • ALT 213

4-9:00pm (Fri) • 8:00am to 5:00pm (Sat)

This seminar will present a hands-on opportunity for participants to explore the fascinating and practical Dunn Model of Learning Styles. Every student, young or old, is an individual with particular modality strengths which function best when used in complementary settings. Using learning style theory does not mean one-on-one tutoring; group learning techniques will be experienced as participants learn about themselves and students as active learners. **Director:** Dr. Margaret Stier • **Guest Speaker:** Julie LaMothe For more information contact Dr. Stier @ (513) 761-7600, ext. 340, or (606) 491-3359.

### ► Addiction: An Epidemic

SOCW 407-WS or EDWS 310-WS or PSYC 407-WS • One Credit Hour

July 8 to 10 • ELT 11

6:00 to 9:30pm (Fri) • 8:30am to 5:00pm (Sat/Sun)

**Director:** Dr. Carolyn Jenkins, LISW

Various forms of addiction are becoming the leading social problems of this century. An overview of addiction will be imparted as well as specific manifestations such as sex, gambling, eating disorders, and drugs. The impact of addiction on the individual, family, and society will be discussed. Addiction ruins countless lives, drains money from the economy, causes violence and dysfunctions at all levels of society. This workshop has been approved for 15 clock hours toward Ohio social work relicensing. **NOTE: Grades given only to students who register for credit.**

LIMIT: No Limit

NONCREDIT Fee With Documentation: \$140 (SOCW 407-DO)

Suggested Registration Deadline: June 25

### ► America Through the Lens: Hollywood As Cultural Messenger

HIST 286-WS and EDWS 286-WS and COMM 297 • Two Credit Hours  
July 25 to 29 • ALT B-11  
4:00 to 9:30pm  
**Director:** Robert Cotter

This course is built on the premise that Hollywood films and television shows, though created for reasons of entertainment, profit and art, are in fact cultural artifacts. Film and TV represents the values, myths, ideologies and assumptions of its culture. Delivered to us by powerful mass communication technologies, film and TV shape our collective consciousness, affirm accepted ideological/cultural beliefs and myths, and sometimes modify them as well.

American film and television narrative "texts" will be analyzed in order to identify and determine their cultural and historical messages. We will also examine the formulas and conventions of Hollywood genres such as westerns, musicals, family melodramas, film noir, and horror.

LIMIT: 20 Participants

MATERIALS' FEE: \$20.00

NONCREDIT Fee: \$115 (HIST 286-NC)

Suggested Registration Deadline: July 15

### ► Baseball & American Culture: History, Literature, Cinema

HIST 287-WS • Two Credit Hours  
June 6 to 10 • ALT B-11  
4:00 to 9:30pm  
**Director:** Dr. John Fairfield

An impressive array of commentators have long argued that baseball affords a window into American culture and the American character. Over the past two decades historians of the sport have unearthed an enormous amount of material which not only verifies that insight but allows us to be precise about the society. This workshop explores the history of the game and its role in our culture using a variety of historical, literary, and cinematic sources.

Tentative topics include: "A City and Its Team: The 1974 Cincinnati Reds"; "Playing for Pay: Baseball as Sport and Business"; "Baseball as Myth and Ritual"; "From Sports Writing to the Great American Novel"; and "The Cinema of Baseball."

LIMIT: 25 Participants

MATERIALS' FEE: \$20.00

NONCREDIT FEE: \$115.00 (HIST 287-NC)

Suggested Registration Deadline: May 23

### ► Childhood Psychopathology: Identification, Assessment & Treatment Strategies

PSYC 716-WS or EDWS 500-WS • One Credit Hour  
June 16 to 18 • ELT 11  
9-4:00pm (Thurs & Fri) • 9-12:00pm (Sat)  
**Directors:** Dr. W.M. Nelson and Dr. A.J. Finch

Many advances have occurred within the area of child and adolescent psychopathology in the past few years. This workshop is designed for

professionals and graduate students in psychiatry, psychology, counseling, education, social work, corrections, and other related fields who work with children and adolescents in a therapeutic capacity.

While this workshop is developed to present the theoretical basis and recent research in child/adolescent psychopathology, the primary focus will be on developing practical clinical skills. We will explore: cognitive-behavioral conceptualization of psychological disorders, assessment techniques, and treatment procedures. Video tapes of therapy sessions, role playing, films, small group discussions, and lectures will be utilized to develop the understanding and clinical expertise of the participants.

Clinical procedures including self-instructional techniques, stress-inoculation, and pain control strategies will be presented as methods in dealing with disorders such as anger, depression, delinquency, phobias, hyperactivity and learning disabilities. This workshop has been approved for 13 clock hours toward Ohio social work and counseling relicensing.

LIMIT: 35 Participants

Suggested Registration Deadline: June 3

### ► Children Out of Control

SOCW 338-WS or EDWS 320-WS • Two Credit Hours  
June 20 to 24 • JOS 306  
4-10:00pm  
**Director:** Dr. Cecile Hewitt, MSW

For teachers, parents, social workers. Workshop will concentrate on adolescence and how it is being played out today. Learn about the family as a social organization and how it has changed through the years. Learn what the role of an adolescent was then and how the child interacts within a family situation today.

Today's children are exposed to a gamut of cultural situations such as television, fashion, technology (video games, fun factory) drugs, sexuality, etc. Techniques will be taught to enable you to cope with the contemporary adolescent. You will learn about who is actually making the decisions in their lives and who is really in control—the parent or the child—the teacher or the child. This workshop has been approved for 30 clock hours toward Ohio social work relicensing. **NOTE: Grades given only to students who register for credit.**

LIMIT: 45 Participants

NONCREDIT Fee With Documentation: \$280 (SOCW 338-DO)

Suggested Registration Deadline: June 6

### ► Collaborative Skills for Inclusion

EDSP 680-WS • Two Credit Hours  
August 15 to 19 • CBA 3  
8:30am-3:30pm  
**Directors:** Dr. Sharon Merrill and Dr. Jim Boothe

This workshop is designed for regular and special education teachers to learn and practice collaborative skills that are essential for interactive planning and teaching in achieving successful inclusionary situations. Small group dynamics, interpersonal communications and relationship building are developed and practiced culminating with methods and techniques for combining IEP's into the curriculum-based classroom.

LIMIT: 25 Participants

Suggested Registration Deadline: August 8

### ► Common Sense & Education: Low Tech Solutions in a Hi-Tech World

EDWS 375/575-WS • Two Credit Hours

June 13 to 17 • ELT 318

8:00am to 4:30pm

**Co-directors:** Dr. Timothy Riordan and Diana Duncan Holmes

**Tired of jargon and false promises about education?**  
**Tired of school reform panaceas?**  
**Tired of quick-fix formulas for the classroom?**

This workshop will encourage you to use what you've known all along about education, and will renew confidence in your own perception and judgment as a teacher, counselor, supervisor, or administrator. Some of the issues and alternatives to be addressed are:

- Examining myths and beliefs about education
- Trusting instincts and perceptions of reality
- Viewing education in an urban/rural landscape
- Analyzing classroom language
- Thinking clearly - and critically
- Counteracting media hype and technology
- Dealing with public misconceptions about education
- Addressing the "whole person" in a fragmented world
- Integrating knowledge in an era of "information"

LIMIT: 15 Participants

Suggested Registration Deadline: May 30

### ► Cooperating Teacher Training

EDWS 507-WS • One Credit Hour

June 24 and July 1 to 8 • JOS 206

9:00am to 3:00pm

**Co-directors:** Dr. Sharon Merrill

This workshop is designed to train certified regular and special education teachers who have had three years of experience so that they have the skills to provide a successful learning experience for student teaching. Areas of communication, interpersonal relationships, collaboration and assessment will be addressed.

LIMIT: 25 Participants

NONCREDIT Fee: \$115 (EDWS 507-NC)

Suggested Registration Deadline: June 14

### ► Delivering the Text: Prose and Poetry

July 8 to 10 • Schott Building (1st night)/Theater

5-9:00pm (Fri) 8:30am-5:30pm (Sat) 1-6:00pm (Sun)

**Directors:** Cathy Kuhlman and Joe Wessling

How does one bring a text to life in oral presentation? Making poetry sing, a speech move or a scripture inspire—there are ways to do these things. This workshop will be of value to school teachers, actors, professionals and to anyone who may need to read a speech to an audience, a poem to a class, a scripture passage to a congregation, or a dramatic excerpt to an auditioner. Instruction will be intensive and individualized.

### ► Developing a Multicultural Perspective I

EDWS 340/540-WS • Two Credit Hours

June 13 to 17 • ALT 217

8:00am to 4:00pm

**Co-directors:** Dr. Susanne Kirk and Dr. Tyrone Williams

This field-based workshop is designed primarily for educators and health and social service personnel who wish to develop a multicultural perspective. You will develop your cultural understandings and sensitivity through hands-on experiences in several Cincinnati neighborhoods. Two Cincinnati cultures will be highlighted: African Americans and Appalachians. Speakers will include community residents and leaders, as well as professional educators, who will examine issues of schooling, race, class, religion and poverty. On-campus sessions will focus on African American and Appalachian literature, history, film, and creative arts. We will guarantee that you will grow in self-knowledge and in multicultural understanding through this educational experience.

The text "Voices In Black and White" will be in the bookstore. A journal and paper are required. Students may earn a letter grade or opt for pass/fail.

LIMIT: 30 Participants

NONCREDIT FEE: \$115 (EDWS 340-NC)

Suggested Registration Deadline: May 31

9:10am-4:10pm (Wed/Thurs) 9-12:00pm (Fri)

**Directors:** Dr. W.M. Nelson, III and Dr. William Groman

Although Gestalt therapy is over three decades old, there was a sharp increase in interest and use of Gestalt methods in psychotherapy in the 1970s until it is now well established both as a major affiliation of psychotherapists and as a style of personal growth.

This introductory workshop is designed for professionals and graduate students in psychology, psychiatry, counseling, social work, corrections, education, nursing, and other related fields who work with adolescents and adults in a therapeutic capacity. While the workshop is developed to present the continually developing body of knowledge and philosophy of Gestalt therapy, the primary focus will be on developing the practical clinical skills for the participants who work with various clients.

Since the focus of Gestalt therapy is primarily experiential in nature, didactic material will be emphasized and supplemented by demonstrations and discussion. Another aim of the workshop will be to provide each participant with a group experience in Gestalt therapy coupled with an explanation of how such experiences are generated and can be used for personal growth. Particular emphasis will be on awareness exercises and dream work.

LIMIT: 30 Participants

Suggested Registration Deadline: July 25

### ► Hands-On Connected Math & Science

**Two Offerings:**

(1) EDWS 532-WS - Three Credit Hours • CBA 2, 1 & 3

June 20-July 1 • 8:30am to 3:00pm • PLUS 4-hour follow-up in fall

(2) EDWS 532-SW - Two Credit Hours • CBA 2, 1 & 3

July 11-22 • 8:30am to 3:00pm • PLUS 4-hour follow-up in fall

**Director:** Dr. Terry Toepker

The workshop integrates mathematics and science along with field trips in astronomy, life science and pharmaceutical chemistry. Content morning sessions are supported and supplemented by afternoon hands-on sessions. Teacher-participants will have the opportunity to invite "special students" to the follow-up session in the fall.

Science and mathematics anxiety, writing across the curriculum, cooperative learning, assessment, and cultural and gender sensitivity are topics that will be presented in the Across the Board sessions.

The program is staffed by Ann Dinkheller, Dave Flaspohler, Jim Gaffney, Mary Herrmann, Nancy Stepp and Terry Toepker.

**There is no tuition cost for this program.** Support is provided by a grant under the federally funded Dwight D. Eisenhower Mathematics and Science Education Act administered by the Ohio Board of Regents.

**NOTE:** Registration is by special application that must be submitted by March 15. For further information and application form contact the Project Discovery office at (513) 745-2016. Application forms are also available in the Summer Sessions office at 101-A Alter Hall.

LIMIT: 36 participants in each session

MATERIALS' FEE: \$75.00

### ► Hollywood: A Social and Cultural History of American Movies

HIST 285-WS or COMM 197-WS • Two Credit Hours

May 9 to 13 • Screening Room/Alter B-11

4-9:30pm

**Director:** Dr. John D. Fairfield

Hollywood has always taken historical themes for some of its most ambitious projects, a trend that has become even more pronounced in the past decade. What has not always been understood is that Hollywood and the development of the America movie industry has been a central element in the social and cultural history of 20th century America. Thus this workshop has two purposes: to critically examine various film images of American history and, equally important, to place Hollywood and its products in the larger context of 20th century American history.

The workshop will include the screening of six or seven major films and clips from many others. Robert Sklar's *Movie Made America* and Larry May's *Screening Out the Past* will serve as the primary historical texts. Guest speakers will focus on specific cinematographic and historical aspects of American filmmaking. The workshop should be particularly useful for secondary teachers interested in enriching and broadening their use of film in the curriculum.

LIMIT: 30 Participants

MATERIALS' FEE: \$20.00

NONCREDIT FEE: \$115 (HIST 285-NC)

Suggested Registration Deadline: April 26

### ► The Humanistic Manager/Leader

MGMT 645-WS or CJUS 686-WS • Three Credit Hours

May 17 to 21 • NYCE Room

8:30am to 4:30pm (Mon-Thur) • 8:30am to 7:30pm (Fri)

**Director:** Dr. Daniel W. Geeding

This course is designed to integrate the philosophy, theories, and techniques of three powerful humanistic systems: Transactional Analysis (TA), Gestalt Therapy, and Neurolinguistic Programming (NLP) with the process of leadership. Leadership is one of the important functions of management, administration education and other areas involved in human resource development.

Integration is achieved through a balanced, didactic-experiential approach with focus on attaining behavioral and intellectual competencies. Behavioral competencies are identified for TA, Gestalt, and NLP; participants will be evaluated on their ability to demonstrate attainment of these goals. After short theory-demonstration segments, participants will practice utilizing each component. The basic components will be combined into higher level systems that will become part of each participant's behavioral repertoire.

LIMIT: 60 Participants

MATERIALS' FEE: \$25.00

Suggested Registration Deadline: April 29

### ► Instructional Leadership and School Reform

5-10:00pm (Fri) • 8:00am to 6:00pm (Sat)

Suggested Registration Deadline: June 3

Co-directors: Dr. Jack Richardson and Dr. Susan Gaffield

Rational behavioral therapy is a self-help form of counseling which teaches people how to increase their skill in reasoning so that they will be better able to deal with problems and stresses of daily living. It can enable normal people to improve their lives and disturbed people to regain emotional and mental health. Participants will receive individual training from Dr. Richardson and the University of Kentucky, College of Medicine RBT staff.

LIMIT: 12 participants per workshop

### ► Is Existentialism A Humanism?

PHIL 403-WS • Two Credit Hours

August 25 to 29 • CBA 3

9:00am-4:00pm

Directors: Dr. Richard Polt & Dr. Duane Davis

World War II has just ended. At this moment of European renewal, Jean-Paul Sartre writes a manifesto defending his existentialist philosophy as a radical humanism—an ethical doctrine that puts man at the center of a godless cosmos and holds human beings responsible for freely creating their own essence. Sartre confidently claims that Martin Heidegger, the German philosopher of existence, shares his views. But Heidegger retorts that Sartre has profoundly misunderstood human existence: Humans can be properly human only if they respond to something beyond themselves—the call of "Being." The famous and influential Sartre-Heidegger exchange is at the center of the most important issues in 20th century continental European thought.

This workshop, intended for students who have taken at least one course in philosophy, will familiarize participants with the issues through reading and lively class discussion.

LIMIT: 15 Participants

NONCREDIT Fee: \$115 (PHIL 403-NC)

Suggested Registration Deadline: August 8

### ► Leadership Skills Update IV

EDWS 571-WS - Two Credit Hours

### ► Making Musical Instruments for Multi-Curricular Use

MUSC 280/680 or EDWS 355/535-WS • Two Credit Hours

August 8 to 12 • CBA 9

9:00am to 4:00pm

Director: Dr. Craig Woodson

Ethnomusicologist Dr. Craig Woodson of Cleveland, Ohio, recently completed a revolutionary new project with the National Symphony Orchestra in Washington D.C.. National Public Radio reported the event where over 25,000 school children from the D.C. area created simple musical instruments and performed with the symphony. The event was front page news in local newspapers because the music was composed by local Covington musician Phil Kaplow. Woodson travels nationally holding workshops at schools, universities, art museums and centers. He and his students are frequent guests of symphony orchestras.

Teachers will enjoy this hands-on workshop building and playing 25 simple international musical instruments from inexpensive materials. Videos showing multicultural music will be viewed. The course is designed for kindergarten to 8th grade classroom use. Along with musical activities for the non-music teacher, participants will gain creative ways of teaching math, science, history, social studies and the visual arts. Those who have musical training will benefit from a fresh approach to familiar subjects, such as conducting, composition, improvisation, band/orchestra performance, and notation. Instruments to be made represent the four families. No musical or technical skills are required and all tools and materials are provided except for three large coffee cans students need to bring.

LIMIT: None

MATERIALS' FEE: \$55.00

NONCREDIT FEE: \$115 (MUSC 280-NC)

Suggested Registration Deadline: August 1

### ► Marital and Family Therapy

PSYC 627-WS or EDWS 580-WS • Two Credit Hours

June 13 to 17 • JOS 312

8:30am - 4:30pm

Director: Dr. Vytautas J. Bieliauskas

In the past few decades, there have been noticeable increases in marital and family difficulties. In recognition of this fact, various mental health professionals have been giving greater attention to developing new methods and techniques specially designed to provide help to couples and families.

The purpose of this workshop is to: (a) give an overall introduction into marital and family therapy; (b) to acquaint the student with the newest advances in marital and family therapy, and; (c) provide training in family therapy. While the emphasis will be given to the systems approach, other approaches and theoretical orientation such as the Adlerian point of view will be discussed and evaluated. The presentation will follow action-oriented style with maximum involvement of participants.

The course is designed for mental health professionals dealing with individuals and with family therapy: psychiatrists, psychologists, social workers, marriage counselors, school counselors, graduate students of psychology, counseling, social work, etc.

LIMIT: 20 Participants

Suggested Registration Deadline: May 27

### ► Modern Physics

PHYS 370-WS • Two Credit Hours

June 13 to June 17 • LND 103

9:00am to 4:00pm

LIMIT: 10 participants, first come first served

Director: Dr. Stephen Yerian

This workshop for high school physics teachers will emphasize hands-on laboratory experiments in various areas of modern atomic and nuclear physics. Participants will be able to choose from a variety of experiments including:

- Atomic emission spectra
- Photoelectric effect and the quantum hypotheses
- Magnetic interactions within atoms
- Nuclear decay processes
- Chart of fundamental particles and the standard model
- Quantum theory
- Gamma ray spectroscopy with high resolution detectors
- Radioactivity and counting statistics
- Half-life of radioactive nuclei
- X-ray diffraction of crystals

The last afternoon will be devoted to participants sharing their favorite modern physics topics and demonstrations.

**There is a reduced tuition cost of \$100.00 for this program.** The remainder of tuition and the lab fee will be covered by a private gift to Xavier University for the professional advancement of high school physics teachers. The \$10.00 Xavier registration fee will be waived.

For more information, call Dr. Stephen Yerian at (513) 745-3407.

### ► Multicultural Adult Literature

EDCH 341/541 or ENGL 352 • Two Credit Hours

June 13 to 17 • CBA 5

8:00am to 4:00pm

Director: Dr. Robin Ikegami

This workshop is designed for high school and community college educators who are interested in discovering strategies and resources for including multicultural literature in their classes. We will focus on brief samples of poetry, fiction and drama produced by Americans of non-European descent—African, Asian, Latinas/os and Native Americans—as we consider various pedagogical issues, including the following:

- Providing a cultural context for the literary work
- Mediating cultural/ethnic differences among students and between teacher & students
- Empowering students to share and examine interpretations and assumptions
- Creating appropriate assignments
- Gathering and evaluating teaching materials

We will experiment with different approaches, including incorporating films/videos, working in small groups, and designing student-interactive activities. Guest speakers will offer alternate perspectives.

**NOTE:** This course may *not* be taken in lieu of EDLC 520.

LIMIT: 30 participants

MATERIALS' FEE: \$10.00

NONCREDIT FEE: \$115 (EDCH 341-NC)

### ► Our Appalachian Heritage

HIST 292/592-WS or EDWS 292/592-WS • Three Credit Hours  
June 20 to July 1 • LND 101  
10:30am to 5:00pm  
**Director:** Dr. Paul L. Simon

This is the type of course that is designed specifically to fill the needs of teachers in grade or high schools who are teaching units dealing with ethnicity or regional history where knowledge of Appalachian history and culture is necessary. It would also appeal to regular students or history "buffs" who are interested in learning more about our Appalachian heritage.

The course will cover the entire spectrum of the history of the largely Scots-Irish Appalachians beginning in the mid-1650s in Scotland and Ireland to 1994, with a regional emphasis on the Ohio Valley and the greater Cincinnati area.

The lectures will be supplemented by movies or videos as well as several field trips. There are day trips planned to the area Urban Appalachian Council sites, longer trips to Ohio's Appalachian counties, and an over-nighter to Berea and other sites in Kentucky.

**NOTE:** Students should be prepared for an additional out-of-pocket expense of approx. \$50.00 to cover such costs as: a) car-pool driving, b) entrance fees, c) overnight motel stay and food.

**TEXTBOOK:** *The Foxfire Book*, Vol. I. Edited by Eliot Wiggington and His Students. Anchor Books: ISBN 0-385-07353-4.

LIMIT: 35 Participants  
NONCREDIT Fee: \$115 (HIST 292-NC)

### ► Performing Shakespeare and the Moderns

COMM 295-WS or ENGL 381-WS • One Credit Hour  
July 15 to 17 • Schott Building (1st night)/Theater  
5-9:00pm (Fri) 8:30am-5:30pm (Sat) 1-6:00pm (Sun)  
**Directors:** Cathy Kuhlman and Joe Wessling

Xavier is proud to make available to you the talents of Nancy Nevinson, a prominent actress whose work with the Old Vic Company, Stratford-Upon-Avon, and numerous West End theaters has garnered for her wide acclaim. She has appeared with Laurence Olivier, John Gielgud, Paul Scofield and Dame Edith Evans. As a noted dialect coach she has worked with Franco Zeffirelli and David Lean ("Dr. Zhivago"), and supervised dialects for the American Film "Ellis Island".

Nancy's extensive experience will be of extraordinary value to actors, instructors, and directors. The workshop is designed specifically for those who seek a hands-on experience. Emphasis will be on diverse acting styles appropriate to Shakespeare and more recent forms of dramatic expression.

Participants should prepare in advance two monologues (five minutes total) of the participant's choice—one from Shakespeare, one from a play of the last century. This course may be taken with or separate from the workshop "Delivering the Text" (see page 22).

LIMIT: 25 Participants  
MATERIALS' FEE: \$25.00 (Covers Friday dinner and Saturday lunch)  
NONCREDIT FEE: \$115.00 (COMM 295-NC)

### ► Self-Discovery in the American Short Story

ENGL 377-WS or EDWS 325-WS • Two Credit Hours  
 May 31 and June 2, 4, 7, 9, 11 • ALT 219  
 6-9:30pm (Tues/Thurs) 9:00am-4:00pm (Sat)  
**Director:** Dr. Trudelle Thomas

Our growing understanding of human development shows that important stages of growth occur not just in adolescence but also in early adulthood, mid-life, and full maturity. Each stage brings unique challenges as well as opportunities for growth and creativity. In this workshop we will explore how women and men move through key "passages" in a number of American short stories and films.

Do women and men experience life's seasons differently? What changes occur in relation to sexuality, money, family, work, and community? Jungian archetypes and other perspectives on human growth will provide a framework for our discussion of stories by Cather, Hemingway, Jewett, O'Connor, Rylant, and more.

This course counts toward Xavier's literature requirement. For a letter from the director describing advance reading, check at McDonald library reserve desk two weeks in advance.

LIMIT: 18 participants  
 NONCREDIT Fee: \$115 (ENGL 377-NC)  
 Suggested Registration Deadline: May 17

### ► Taft Seminar for Teachers

PO 741-WS, HIST 741-WS or EDWS 590-WS • Three Credit Hours  
 June 13-17 & June 20-24 (10 days) • CBA 15  
 8:45am to 3:30pm  
**Co-directors:** Dr. Neil Heighberger & Dr. John Ray

Elementary, secondary and community college teachers, librarians and administrators with responsibility for social studies are eligible for this course. The goal of the seminar is to introduce educators to the world of practical politics and government in an academic environment so that they in turn will be better prepared to teach about the American political process.

Taft seminars offer an exciting opportunity to explore American politics and the two party system with practicing politicians and government leaders. This year's theme is "Pluralist Democracy in the 1990s." Over half the presentations will be made by practitioners, the remainder by university faculty. The course is sponsored by Xavier University and the Robert A. Taft Institute of Government.

June 20 to 24 • 4-6:30pm • JOS 206

Director: Dr. Jack Richardson

For more information regarding this course, see above course: "Understanding Juvenile and Adult Offender Behavior."

LIMIT: 30 Participants

NONCREDIT FEE: \$115 (CJUS 336-NC)

Suggested Registration Deadline: May 23

### ► Women and Work

SOCW 355-WS • Two Credit Hours

June 6 to 10 • ELT 11

4-10:00pm

Director: Dr. Cecile Hewitt, MSW

Can working women have it all? Bring home the bacon, fry it up in a pan, and still remain sensuous? How does one combine a successful home life *and* a successful career? How can one successfully deal with sexual harassment or discrimination practices? These provocative questions and more will be explored in this five-day workshop.

Demands that are placed on women by men, children and the workplace and can cause pressure and tension to build up in their lives. Through this workshop you can learn about these pressures and how to alleviate them by using tools such as prioritizing, setting goals and relaxing techniques. Learn how to find yourself, love yourself, and take care of yourself as well as everyone else. This workshop has been approved for 30 clock hours toward Ohio social work relicensing. **NOTE: Grades given only to students who register for credit.**

LIMIT: 30 Participants

NONCREDIT Fee/With Documentation: \$280 (SOCW 355-DO)

Suggested Registration Deadline: May 23

### ► Writing is Power: A Writer's Workshop

ENGL 305-WS or EDWS 525-WS • Two Credit Hours

June 13-16 and June 20-23 (8 classes)

9:00am-12:30pm • CBA 3

Director: Dr. Trudelle Thomas

If you want to write more clearly and powerfully, and to enjoy writing more, this workshop will help you. Specifically, you will learn about:

- Overcoming writer's block
- Strategies for finding ideas to write about
- Guidelines for revising and editing your own work
- Building a self-study library
- How to get your work into print
- Skills for giving and seeking constructive criticism
- Principles of clear, effective writing
- Time management for writers

This workshop will feature prominent local writers as guest speakers, and will also include films, response groups, and individualized guidance from the director. Past participants include business people, teachers, closet novelists, students, thesis-writers, and homemakers.

Because we will use the innovative techniques endorsed by the National Writing Project, this course will be especially useful to teachers of language arts and English at all levels. The workshop is geared to the mature student, and we assume participants have mastered basic grammar and sentence structure.

**NOTE:** Participants should check the reserve desk at McDonald library two weeks in advance for a letter from the director with required reading.

LIMIT: 15 Participants

NONCREDIT FEE: \$115.00 (ENGL 305-NC)

Suggested Registration Deadline: May 30

### ► Zoos Are Classrooms

EDWS 345-WS or BIOL 301-WS • One Credit Hour

May 8, 15, 22 and June 5, 12 • Saturdays at the Zoo

9:15am to 12:15pm

Director: Dr. Stanley Hedeon

This workshop will demonstrate how a zoo may be used as an educational facility. Participants will be introduced to the Cincinnati Zoo residents: mammals, birds, reptiles, amphibians, fish, and invertebrates. Animal behavior, ecology, evolution, conservation, adaptations, classification, and other zoo-related topics will be examined. Resource persons will include the zoo's keepers. On the first day of class, participants should meet at 9:00 am outside the zoo auto gate for free zoo admission. On-street parking is free.

LIMIT: 20 participants per class

Suggested Registration Deadline: April 25

## ► GENERAL CAMPUS INFORMATION

### Sports Center Information

The O'Connor Sports Center will be offering a special summer membership rate of \$30.00 to all Xavier Summer Sessions students. This membership will be good May 15 through August 22, 1994. To apply for membership, stop in the O'Connor Sports Center and present proof of student status. For more information call the Sports Center at 745-3208.

### Food Service Information

During the summer, Xavier's food service operates two dining facilities in the University Center: the main dining room—located on the first floor—and the Musketeer Inn, located on the ground floor.

The main dining room is used primarily for conference groups and camps; however, anyone may purchase the cafeteria style meals on a pay-as-you-go basis when the facility is open. The Musketeer Inn is a retail food operation featuring breakfast items, lunch specials including a salad bar, pizza, snacks, and beverages.

For more information about food service or the hours of operation call 745-3717 or 745-4874.

### Consortium Opportunities

Through the Greater Cincinnati Consortium of Colleges and Universities, full-time students may register at other schools in the area for courses not available at Xavier, subject to the approval of their college dean. For schedules and details about cross-registration, check with the Registrar's office. **There will be no consortium cross-registration of non-Xavier students before May 9.**

The member institutions are:

- The Art Academy of Cincinnati
- The Athenaeum of Ohio
- Chatfield College
- Cincinnati Bible College & Sem.
- Cincinnati Technical College
- College of Mount Saint Joseph
- Hebrew Union College-Jewish Institute of Religion
- Miami University
- Northern Kentucky
- Thomas More College
- University of Cincinnati
- Wilmington College
- Xavier University

### Class Schedule Changes

Courses listed are the best estimate of the semester offerings. The university reserves the right to change these courses as deemed necessary. Changes in the schedule of classes are in the summer addendum located in the Registrar's office.

## Final Exam Schedule

Final exams will be taken during the last scheduled class day of the session.

## Final Grades

Grades will be run three times during the summer sessions. Contact the Registrar's office for the dates the grades will be mailed.

## Additional Academic and Financial Information

**Academic policies** are explained in the *University Catalog*. **General financial policies** are published in the *University Catalog* and the *Undergraduate Colleges Schedule of Tuition and Fees* (Bursar's Office).

## Summer Financial Aid

Listed below are the only financial aid resources available to summer students.

- Center for Adult and Part-Time Students degree seeking students may apply for summer scholarships through the CAPS office - **deadline is April 15th**. Call the CAPS office at 745-3355 for further information.
- Stafford and Supplemental (SLS) loans may be available to qualified summer students. Call the Financial Aid office at 745-3142 for more information on student loans.

## Academic Computing Support Center

The Xavier University Academic Computing Support Center (ACSC) assists faculty, students, and staff with their instructional and research computing needs. ACSC is located on the ground level of Alter Hall. Facilities at this location include two large labs (B-2 & B-15), and the office of the manager and two coordinators of Academic Computing. The Faculty Resource Center (FRC) is also located within the suite of rooms (Alter B-14). ACSC is open seven days a week during the fall and spring semesters, and maintains a liberal operating schedule during the summer terms as well.

ACSC manages and operated four major computing labs on campus. Alter lab is composed of two work areas:

(1) B-15 - contains VAX terminals and McIntosh computers, and (2) B-2 - contains IBM PS/2 Model 70 and Apple IIe computers. Elet lab (rooms 101 & 105) and CBA Lab (rooms 21 and 22) contain mostly IBM PS/2 Model 55SX computers. Cohen lab (room 108) is the first lab to

## ▶ TRANSIENT STUDENT INFORMATION

A transient student is a student who is currently or will be attending another university and is just taking courses at Xavier for the summer.

- There is a onetime \$10.00 matriculation fee.
- Transient students register as nondegree students
- A transient student application must be filled out (see page 37) and turned in with registration form.
- There is NO undergraduate transient application fee
- You must also register for the class at Xavier either in person or through the mail (see page 36).
- Transient students must have permission from their university verifying that the credit will transfer before they take a course at Xavier.
- You MUST also fill out a "Request for Transcript" form and turn it in to the Registrar's office towards the end of the session in order for your university to receive your credit hours.

## ▶ UNDERGRADUATE PROGRAMS

Xavier offers Baccalaureate degrees in over 50 majors and associate degrees in over 10 concentrations.

Admission to the university as a degree-seeking student must precede registration for undergraduate courses. Two categories of undergraduate students are recognized: **degree-seeking** and **nondegree** undergraduate students.

Prospective degree-seeking students under 22 years-of-age should consult the Admissions office at 745-3301 for specific admission requirements.

Prospective degree-seeking students age 22 and over should consult the Center for Adult and Part-Time Student (CAPS) office at 745-3355 for specific admission requirements.

The procedure for application to nondegree status requires the completion of the application on page 37. All nondegree undergraduate students apply through the CAPS office.

## ▶ GRADUATE PROGRAMS

Xavier offers graduate degrees in the following areas:

- Business Administration
- Criminal Justice
- Education
- English
- History
- Hospital & Health Administration
- Humanities
- Nursing
- Psychology
- Theology

Admission to the university must precede registration for graduate courses. A student must hold a bachelors degree to be admitted to graduate student status.

Two categories of graduate students are recognized: **degree seeking** and **nondegree** graduate students. (Please note that the MBA program does NOT admit nondegree students.)

Prospective students should consult with either the MBA Office (745-3525) or the Graduate Programs Office (745-3360) for specific requirements regarding admission into degree programs.

The nondegree category serves students who wish to begin graduate study before being admitted into a program, as well as those who wish to take classes for initial certification, certificate renewal, enrichment or personal interest. The procedure for application to nondegree status requires the completion of the application on page 38 confirming the student holds a bachelor's degree from a regionally accredited college or university.

Please note that graduate level business, psychology and hospital and health administration courses are only open to students admitted into those degree programs.

## ► RESIDENCE LIFE

Each residence hall is air conditioned and has a number of attractive, convenient facilities available to students. They include:

- Chapels** - The hall chapels hold masses and also serve as places for quiet reflection.
- Computer Rooms** - All of the residence halls have computers for the students to use.
- Kitchens** - Fully equipped kitchens, and kitchenettes with microwaves, are in each hall. Refrigerators for students' rooms can be rented from the university upon arrival.
- Laundry Rooms** - Card-operated washers and dryers are located in laundry rooms. The machines operate on the All Card System.
- Recreational Areas** - Large recreational areas with televisions and game tables can be found in each of the halls.
- Storage** - Storage space in the residence halls is limited to the space available in students' rooms.
- Study Lounges** - Each residence hall has space designated for quiet study.
- Telephone Service** - Each room is equipped with telephone service. Students must provide their own push-button telephones. Long distance calls can be made by dialing collect or by using the university's long distance telephone service.
- Vending Areas** - Vending machines offering snacks and drinks are located in each of the halls. In addition, ice machines and change machines are available.

Xavier's newest hall opened in the fall of 1993. It is designed to meet the increasing demand for upperclassman housing and accommodates 205 students in 2-3-4 bedroom suites. The bedrooms have tile floors and are furnished with a bed, desk, chair and built-in closets with drawer space. Each suite includes a bathroom, a carpeted living room with a couch, tables, two side chairs, and a microfridge (microwave, refrigerator/freezer unit).
