# APPLIED SCIENCES AND TECHNOLOGY

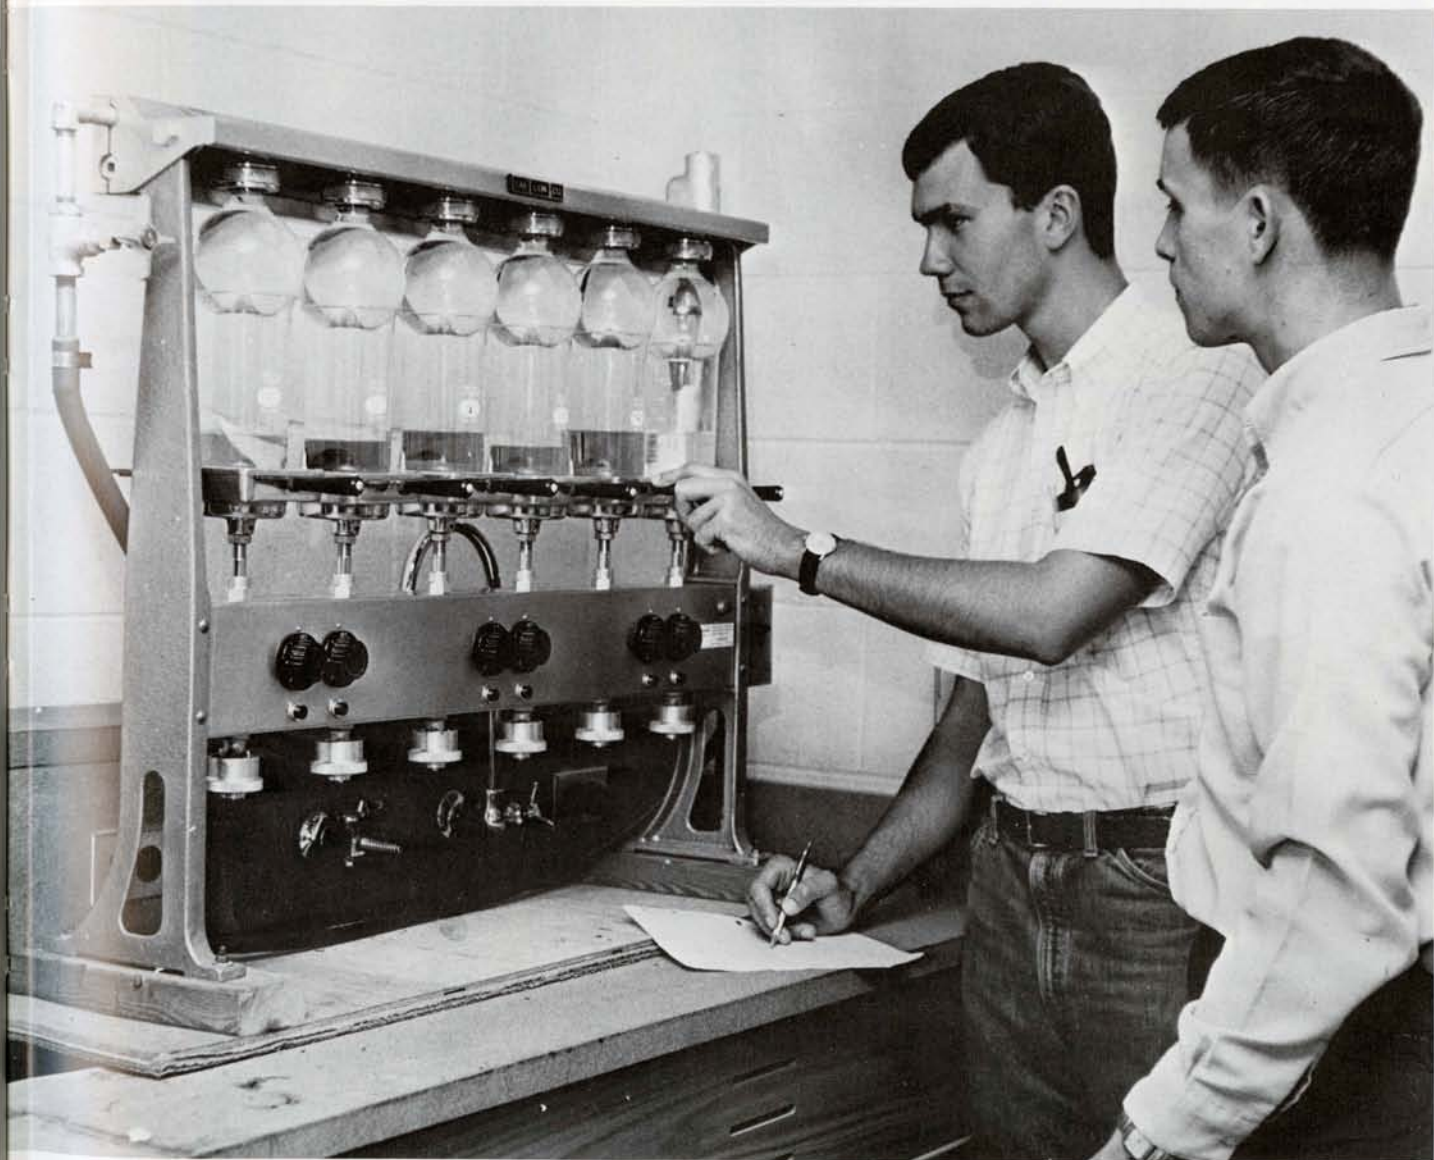

The School of Applied Sciences and Technology at Morehead State University includes the departments of Industrial Arts, Home Economics, Agriculture, and Business.

With more than 200 courses listed, the school seeks to prepare graduates for professional and technical positions in business and industry as well as teaching.

Utilizing combination lab and lecture periods, the students are given practical experience combined with theory. Departmental research by individual faculty members brings innovative processes to the classroom in each of the academic areas.

Education Building

Moving into a new building was the highlight of the year for the School of Education.

As the fall semester opened, many new classroom experiences were available to the students in the three million dollar education building. Labs for research, testing, special education and instructional media were utilized for the first time.

A spectacular six-story building with a nine story office tower, the offices for Research and Development, the School of Education, Secondary Education, Elementary Education, Psychology, Testing, Instructional Media, and Educational Television are found in the brown brick and concrete structure.

# SCHOOL OF HUMANITIES

*Dr. J. E. Duncan, Dean*

With the completion of the Art Building and the addition to Baird Music Hall, the School of Humanities opened new vistas of study for the students majoring in art and music.

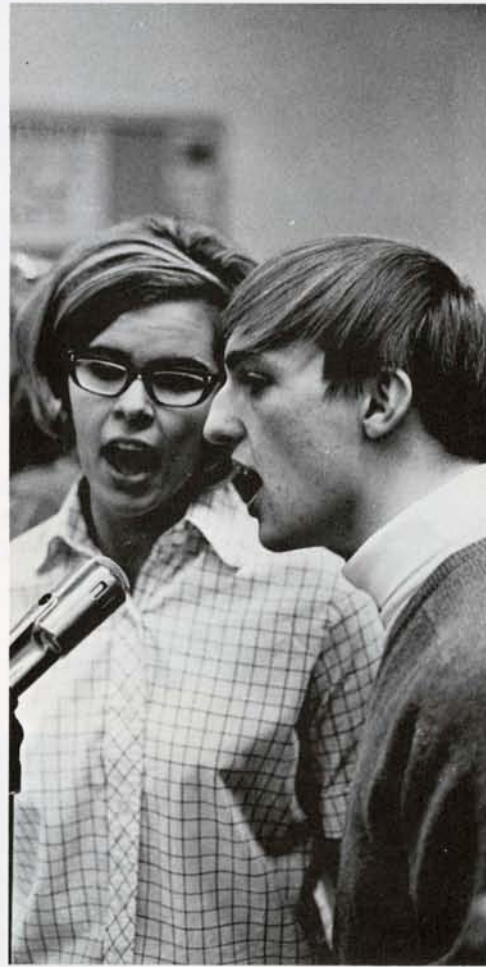

The other areas of the School of Humanities, Languages and Literature, Philosophy, and Communications also added opportunities for additional study during 1969. The combined class offerings of the school numbers over 300 courses on the undergraduate and graduate levels.

Named for two former art teachers, Mrs. Naomi Claypool and the late Mr. Tom Young, the Art Building features a three level gallery, both indoor and outdoor classroom areas and faculty studios.

## SCHOOL OF SCIENCES AND MATHEMATICS

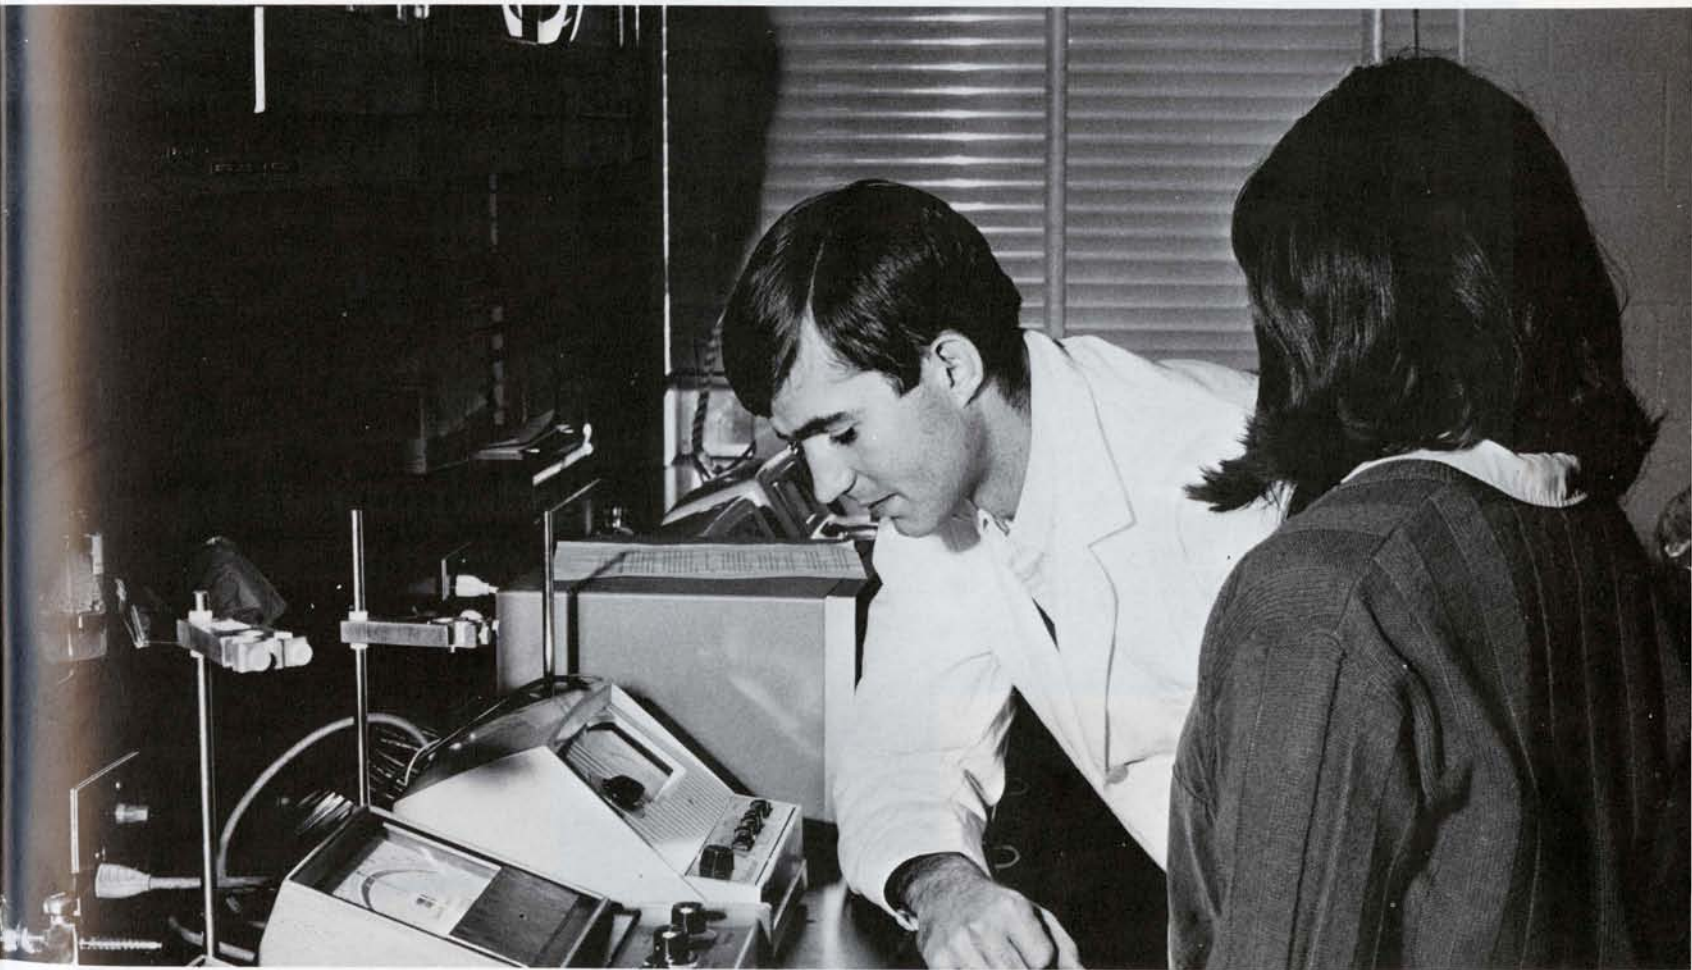

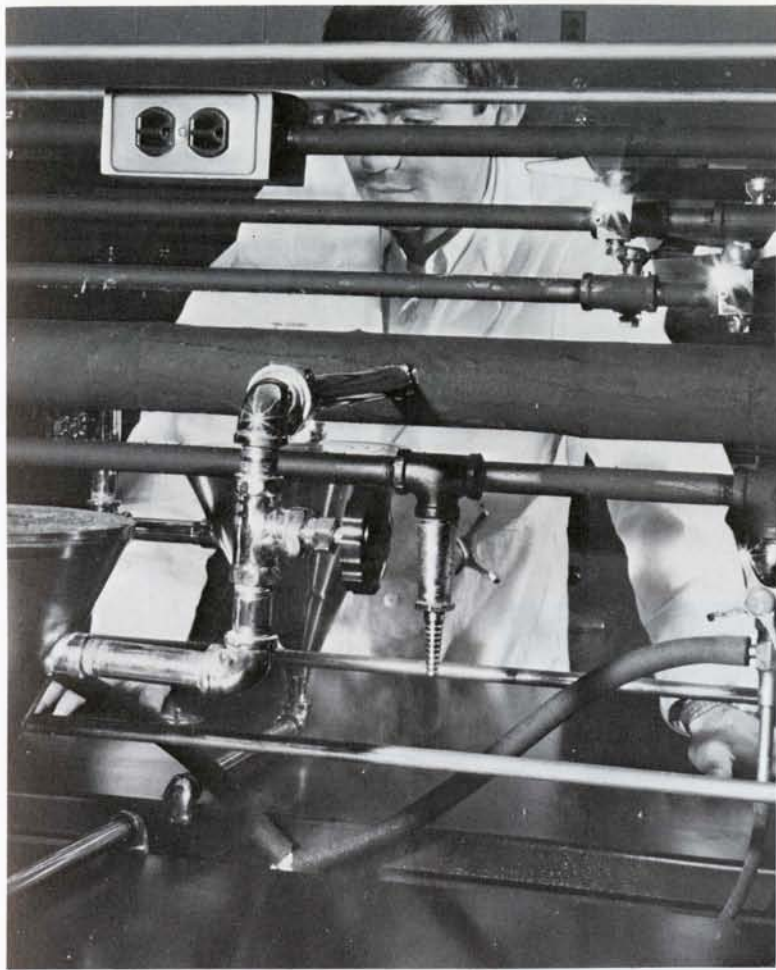

Students enrolled in the School of Sciences and Mathematics are involved in classroom, laboratory, and library experiences designed to lead them into careers in one of the five science disciplines: biology, chemistry, earth science, physics, and mathematics.

With the belief that a basic knowledge of scientific principles is needed to understand current technology, the school offers survey courses for all students as part of the general university curriculum.

Many pre-professional programs are offered by the school as well as a master-of science degree in biology.

# SCHOOL OF SOCIAL SCIENCES

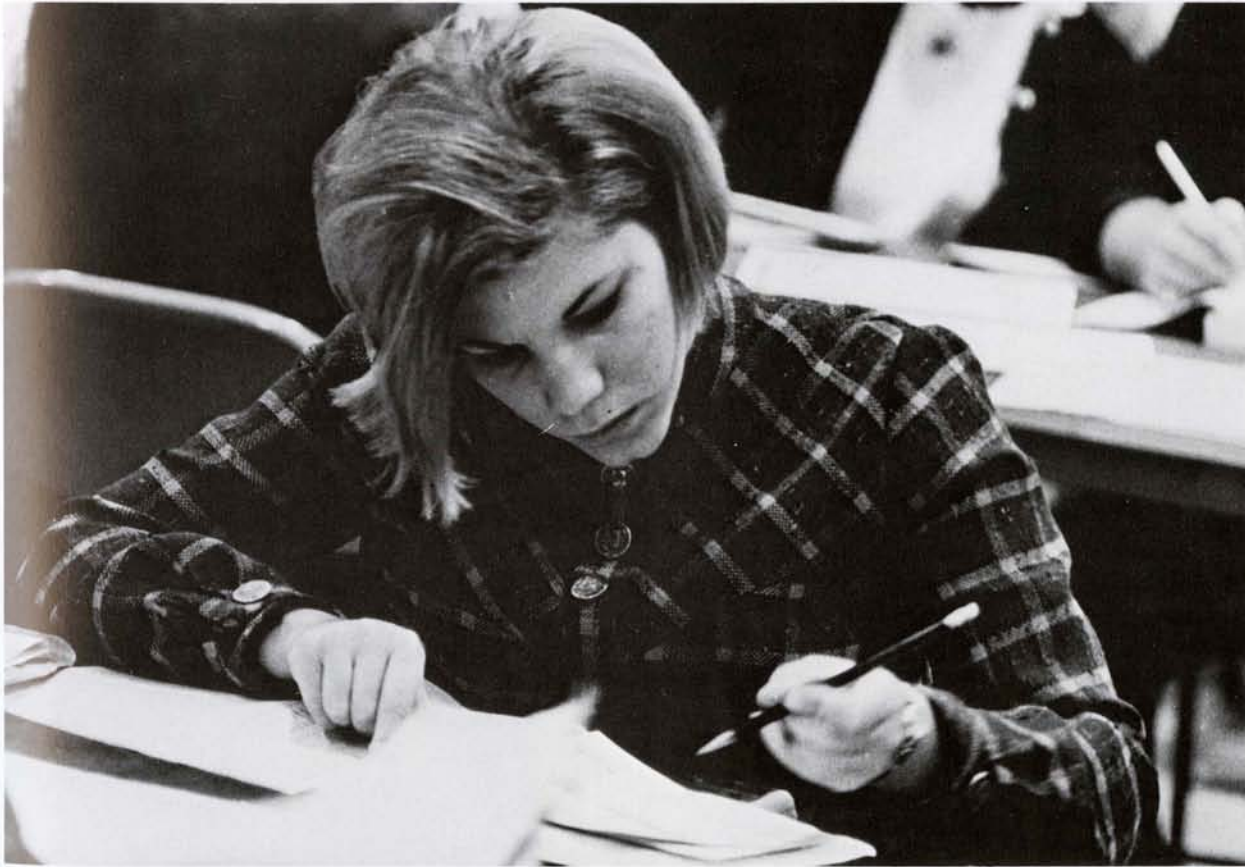

A new major in Urban Affairs headed the list of accomplishments for the School of Social Sciences during the 1969 academic year.

The school offers three degrees, the Associate of Arts degree in Social Work, the Bachelor of Arts degree, and the Master of Arts degree with specialization in History.

Specialized training in the area of Pre-Law is offered through the school along with a program for social workers and an internship program for those interested in state government.

# The 1969 Pacesetters

As another year of the University passes and becomes history, one can look back and see how the mood of the student body was directed, and by whom. The 1969 Pacesetters are those student leaders who pulled from the front and pushed from the back the weight of progress and molded it into something meaningful and worthwhile. These are individuals: they stood as living examples of their beliefs and instead of daring someone to challenge them, they invited all to join them. Instead of seeking recognition they first found consistency and inner satisfaction of reaching their goals; recognition and applause naturally follow. Therefore, the student-faculty selection committee present the 1969 *Raconteur* Pacesetters.

## Bill Bradford

Bill Bradford set a pace of leadership to the student body of M.S.U. He served on the student council as head of the freshman Steering Committee, as a sophomore, treasurer, then announced his candidacy for president of the spring of 1968. After winning the election, he served as student representative of the Board of Regents and headed the Student Council in one of its most successful years. He announced his candidacy for re-election in the spring of 1969 and again was elected. Bill was also awarded the President's Cup and is a member of Sigma Phi Epsilon and Circle K.

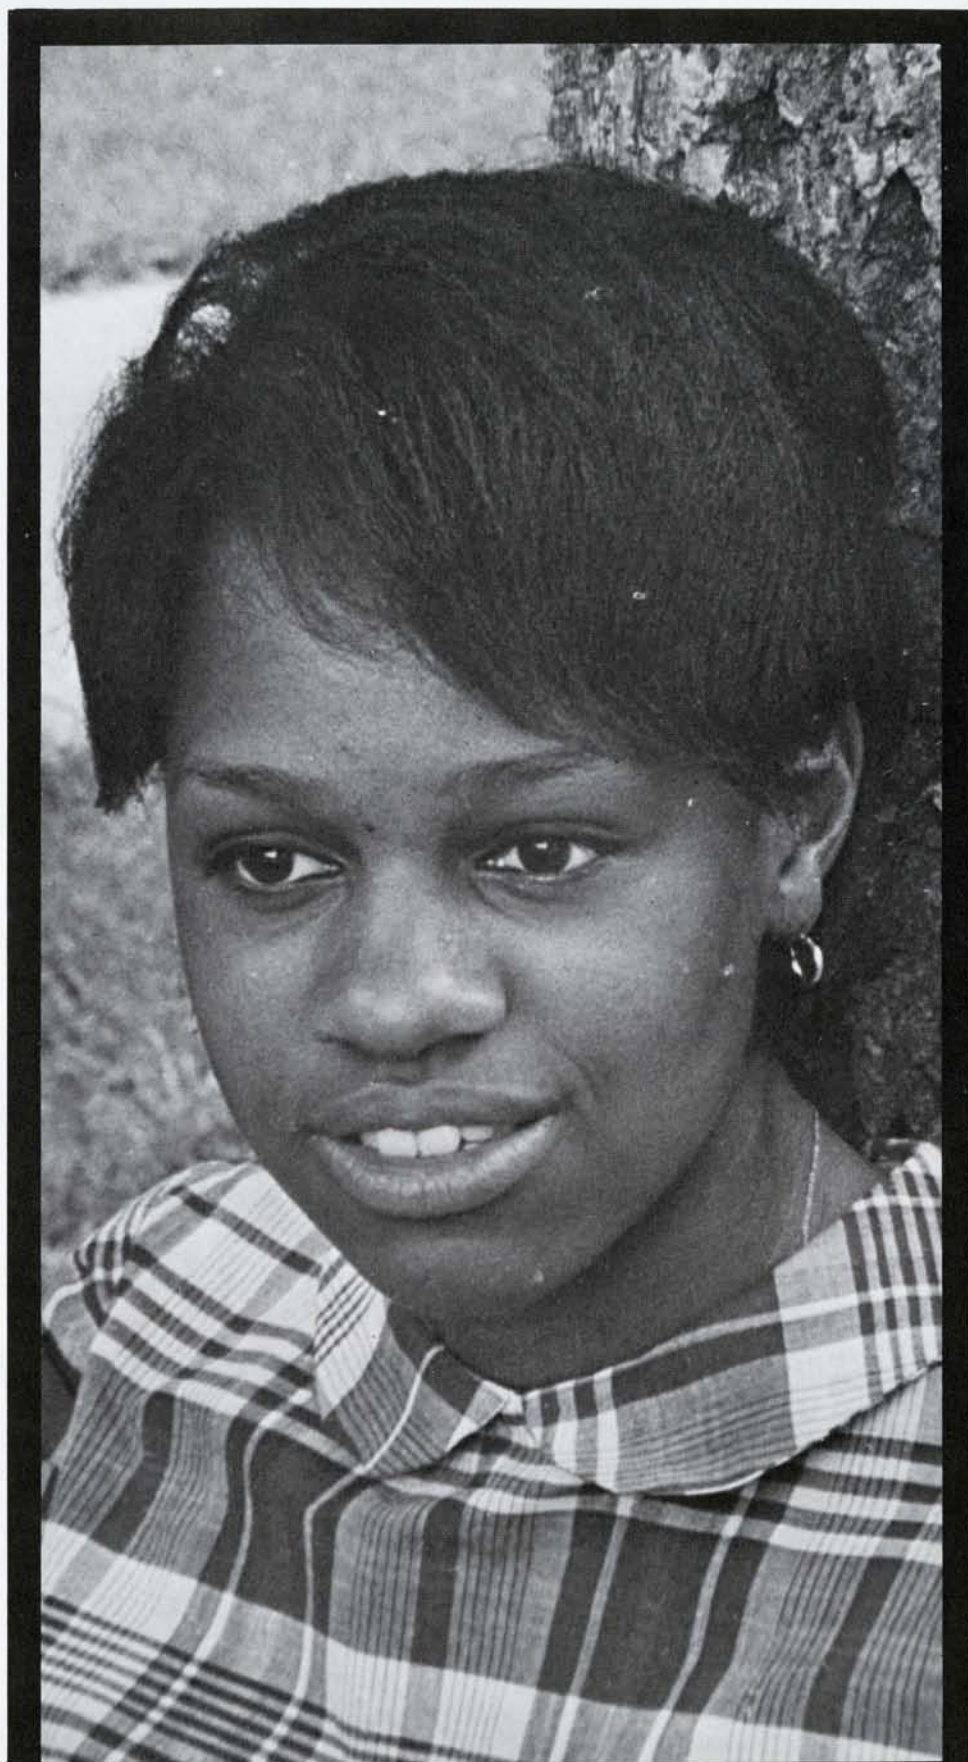

## Linda Brewer

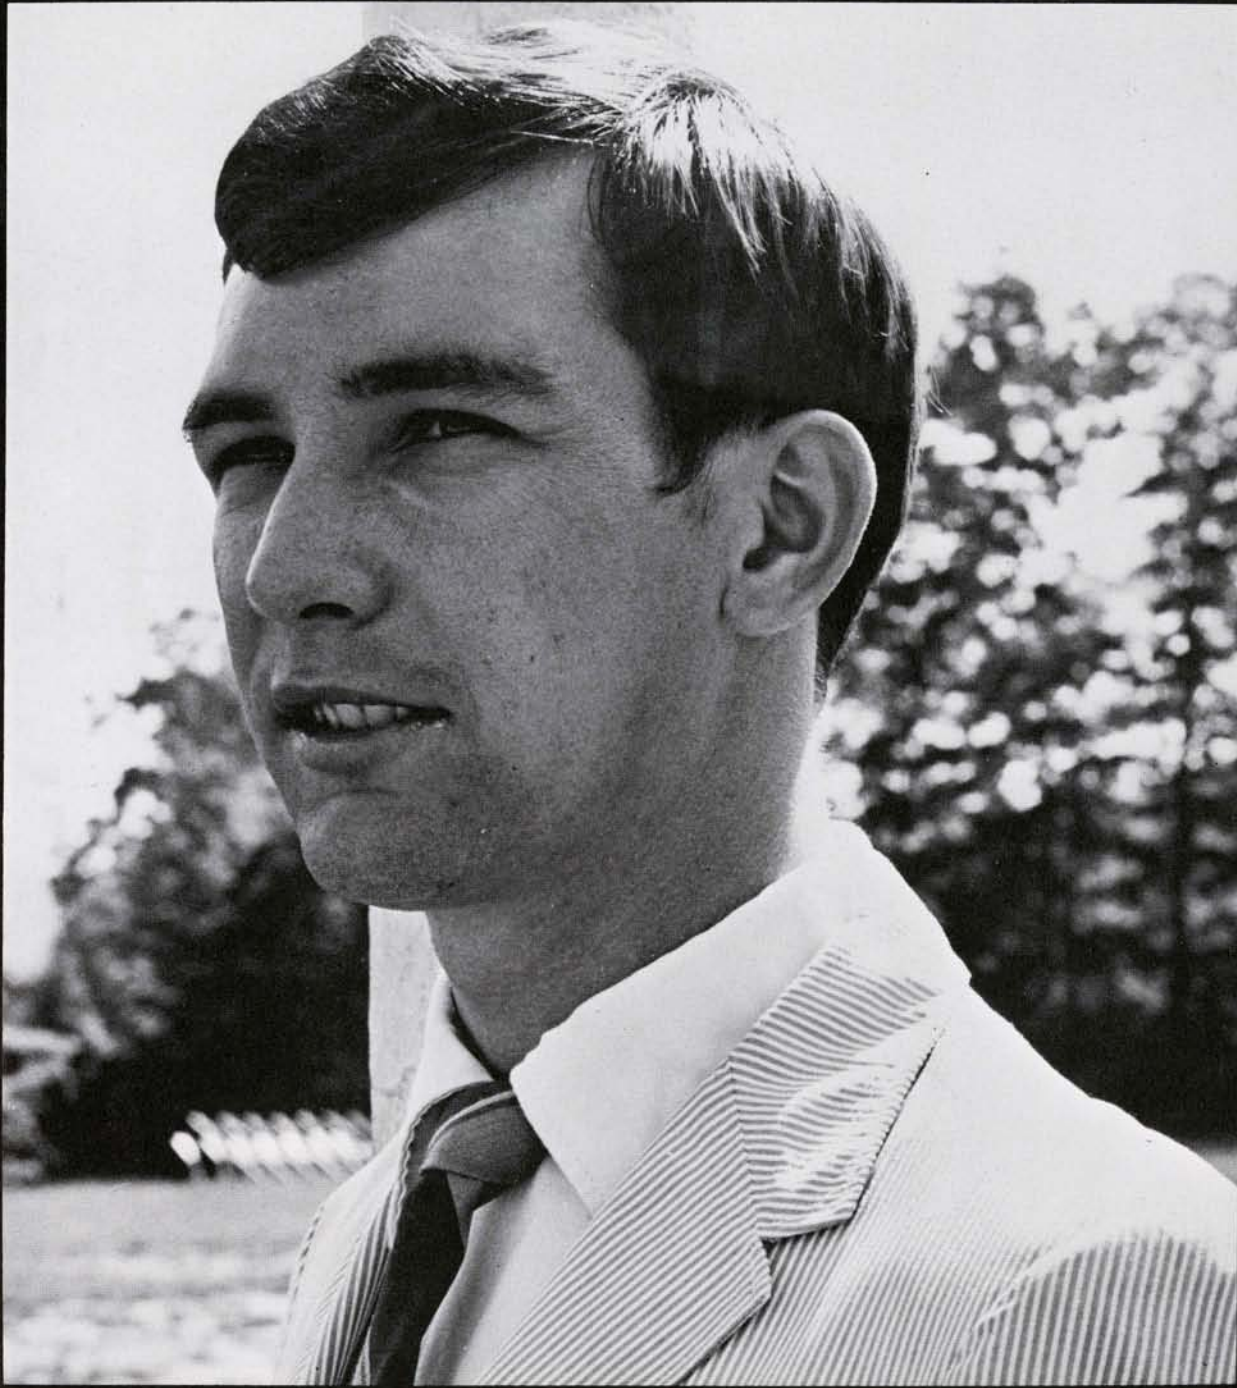

For four years, the name Linda Brewer was known by a majority of the student body on M.S.U.'s campus. She served as president of Alpha Gamma Epsilon sorority for two years and was a driving force in attaining the club's national affiliation with Sigma Sigma Sigma. As a cheerleader, Linda led the Eagle fans for two years. Besides being a member of Open Forum, Cwens, and Who's Who. Linda was a Campus Club Calendar girl, K-Mate, and on the 1969 Homecoming Court.

## Lauretta Flynn

The pace set by Lauretta Flynn was persistent but seemingly quiet and easy-going. As a physical Education major, she was an active member of Sigma Delta professional honorary. Lauretta represented Alpha Omega Iota sorority in Panhellenic Council and was chosen to serve as president of the sorority for the 1969-70 school year. She spends her summers as a tutor-counselor for Upward Bound.

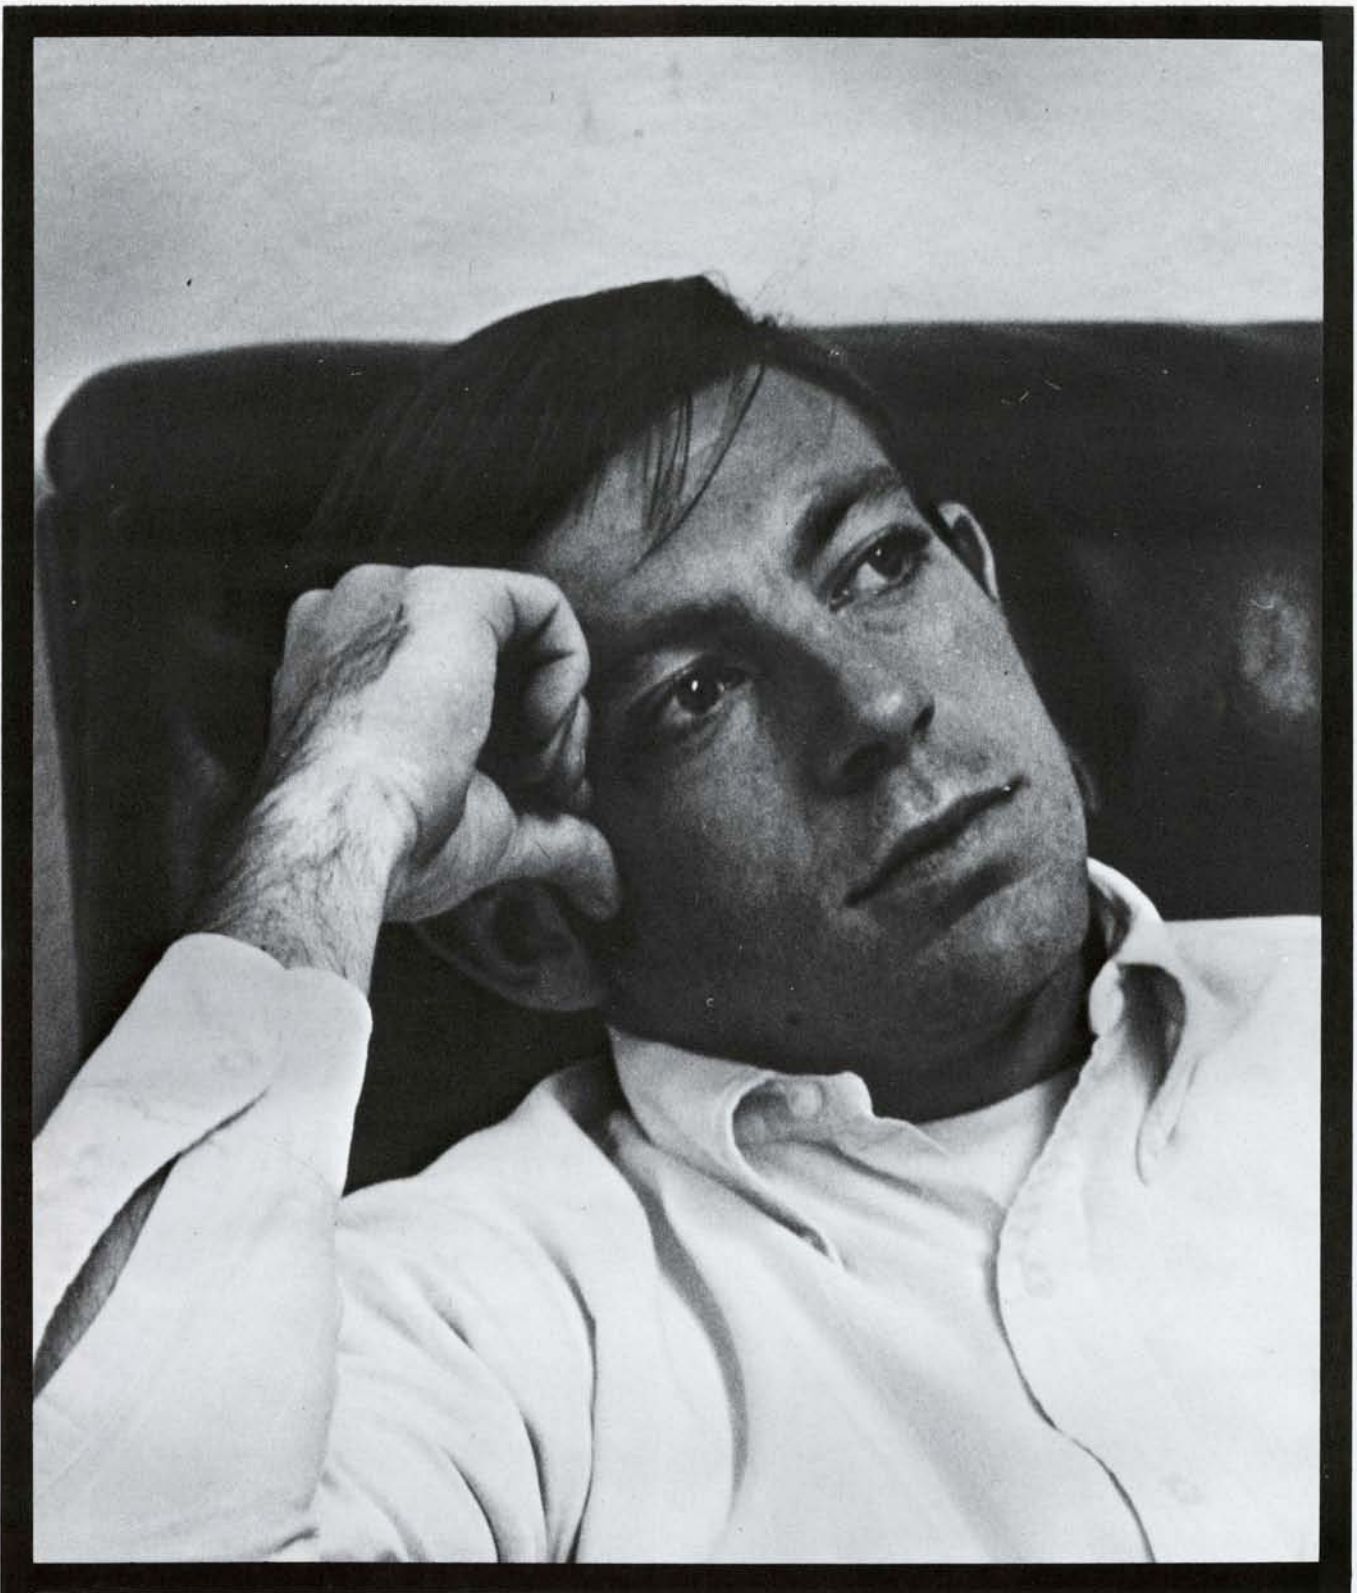

## Dan Ginter

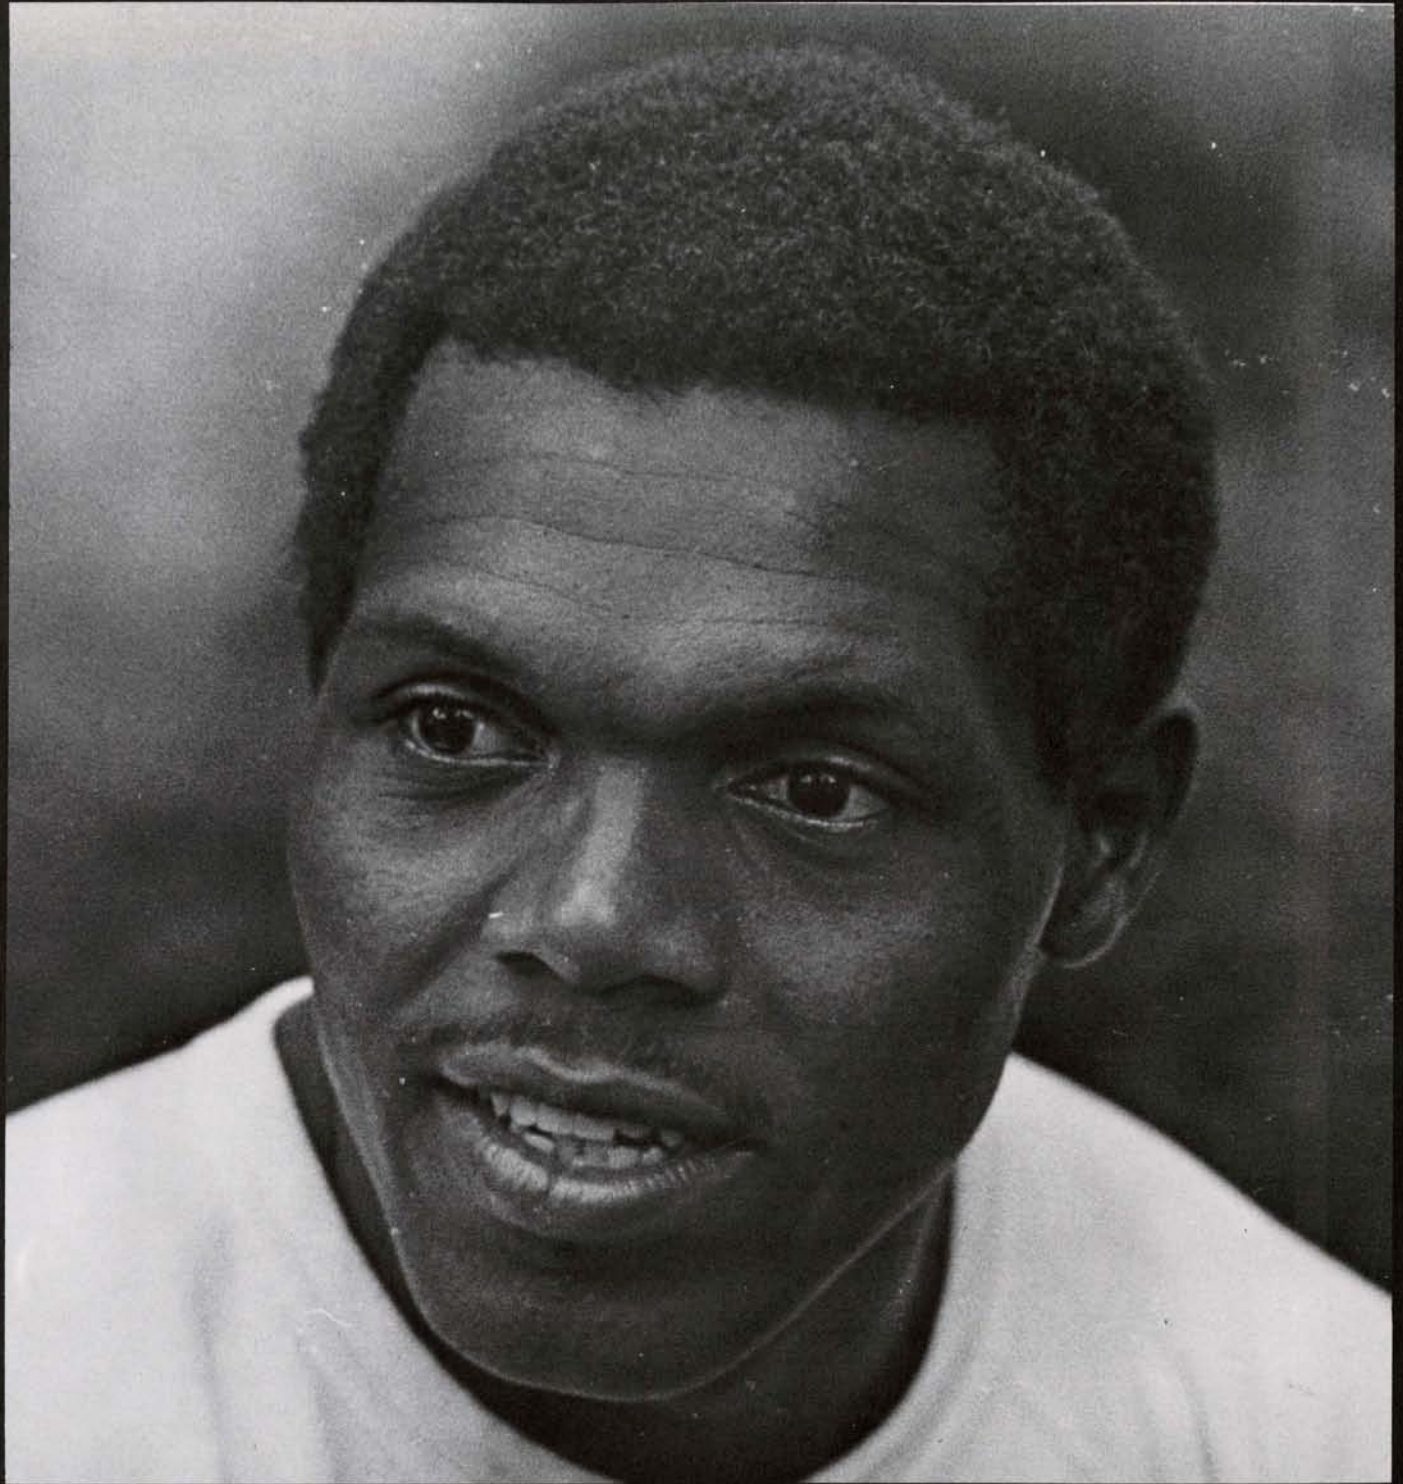

As president of Sigma Delta professional honorary fraternity, Dan Ginter was a leader in his professional field of Physical Education. He also showed leadership in other facets of the university as a member of the Archaeology Club and as vice-president of Delta Gamma Phi fraternity.

## Larry Gooding

Larry Gooding came to M.S.U. as a History, Radio and Communications major. An avid sports fan, Larry turned to broadcasting and soon became the leading sports announcer for the M.S.U. home and away athletic events over WMKY-FM. He also had a musical program for the station and as his interest in radio grew, he worked to form the Morehead chapter of Iota Beta Sigma broadcasting fraternity and become charter president. He was also a member of the Political Science club and was a photographer for the *Raconteur*.

## Willie "Hobo" Jackson

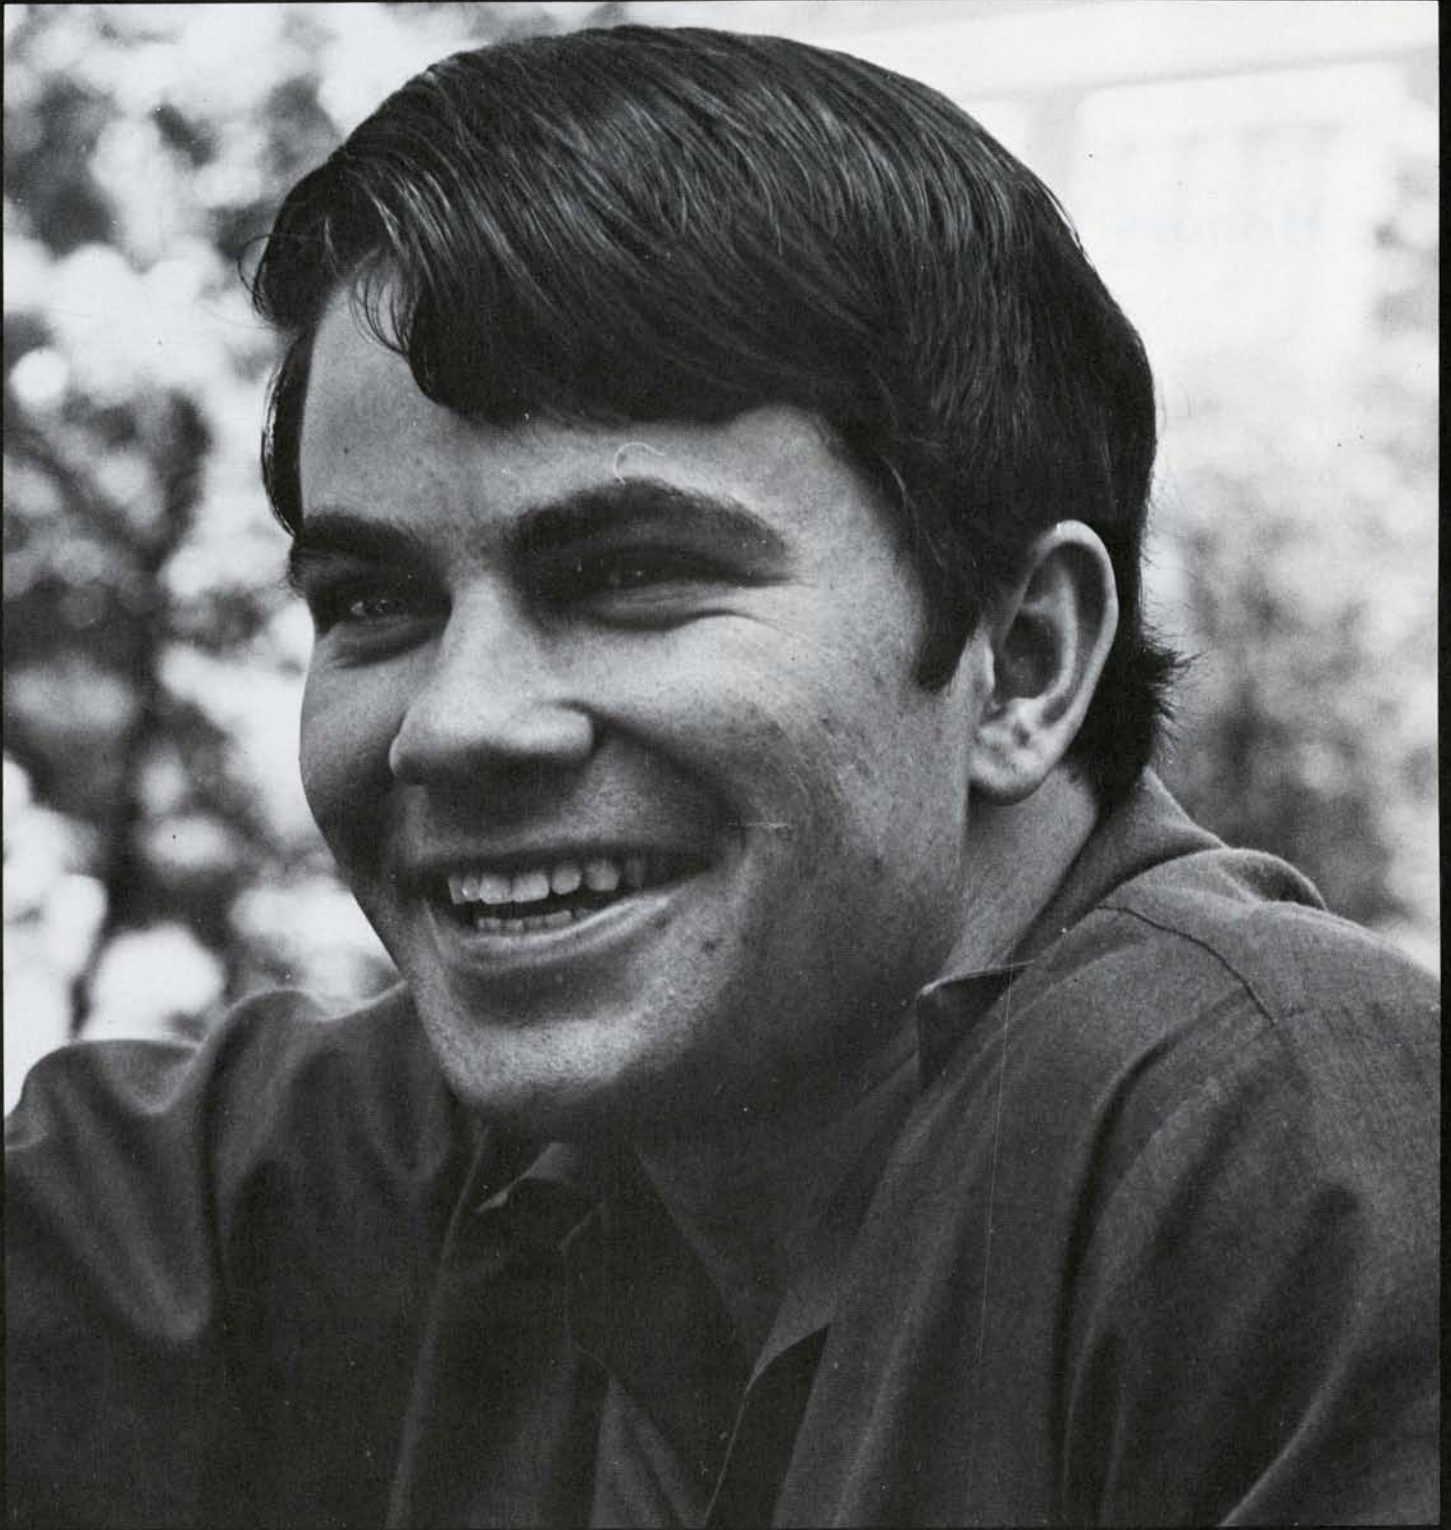

Willie "Hobo" Jackson will long be remembered as the Gentle Giant" in M.S.U. basketball. This six-foot, seven-inch center played in the Kentucky-Indiana Senior All-Star game and was awarded the M-Club Athlete of the Year award. Representing the Baptist church, Hobo has spoken the various Youth groups around the state and has become a favorite on the Upward Bound staff. He is a member of Mu Iota Kappa fraternity and the M-Club.

## Brad Jones

Although his claim to fame started in the music department, Brad Jones is known all over the M.S.U. campus. He started his own quintet which performed for various campus and state-wide productions. He is soloist for the M.S.U. stage band and is often recognized as the best sax player in the state. Brad is also a member of the marching band, choir, symphony band, and different vocal groups.

## Alan Tongret

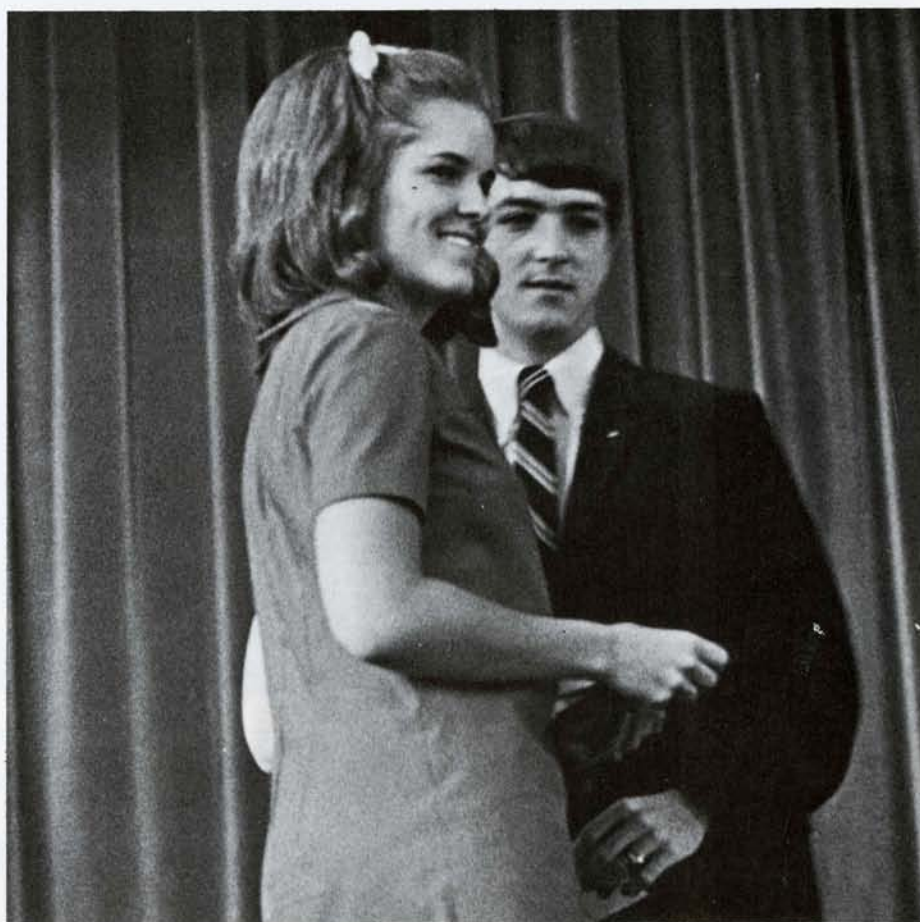

On stage or off, the pace set by Alan Tongret was one of professional self-discipline. For four years he performed in many of the Morehead Player productions, ending with the lead role in "Hamlet." Other than being an outstanding member of the Morehead Players, Alan was a member of Blue Key National Honor fraternity and Les Courants.

# Student Council

Among the achievements of the Student Council, were a new entertainment program, buses to both the East Tennessee and Western basketball games, and the adoption of new rules for council elections. The council's entertainment headtax brought such groups to campus as "The Iron Butterfly," "The Happenings," "The Lettermen," and "Jay and the Americans." A singular failure of the Council was their inability to agree on a new constitution for the MSU student body.

Council president Bill Bradford was successful in his campaign for re-election against Darrell Carter. Bradford promised a continuation of his present policies for the 1969-70 council term. Other students chosen in the spring election were Larry Knipp—vice president, Pat Terry—Secretary, and Connie Ankrom—Treasurer.

## Circle K

Circle K is an international organization consisting of members of the Kiwanis International. It has as its purpose the furthering of good character, leadership, and scholarship.

*Seated:* Dennis Shepherd, William Bradford, Jim Foster, Bob Matney, Leonard Cieslak Jr., Steve Kinder, William May, Roger Stewart, Gary Young. *Standing:* Robert Klaren, William Jackson, John Sparks, Bob Durham, William Phelps, Nick Saunders and Keith Fowler.

## Blue Key

MSU's national honorary fraternity for men is Blue Key. Its purpose is to offer men students opportunities for scholarship and leadership. Their annual banquet, which was the highlight of the year was held in Lexington. Several lectures were presented during the year to the members including one by Father James Murdock, a member of the MSU faculty, on "Christianity for Today."

Front row: Lyra Haitz, June Wilson, Marti Hall, Penny Coleman, Terry McBrayer and Janet Vaughn. Row two: Diane Gilbert, Brenda McFall, Susan Sherman and Sue Wilson.

Cardinal Key is an honorary sorority for junior and senior women. The Morehead colony of Cardinal Key became a full national chapter second semester. The organization honors women who have shown leadership ability and interest in service to Morehead State University.

Open Forum was organized at the request of students as a means of discussing both campus problems and those of a general nature in state and national affairs. Meetings include guest speakers who lectured on topics concerning college students. Membership is determined by a letter of application submitted by the prospective member to the club explaining why he is interested in joining Open Forum.

Left to Right: Linda Brewer, Pat Terry, Diane Mount, Linda Carrol, Kay Newman, Terri Williams, Pat Pinto, Bobbie Ratliff, Kathy Hamilton, Madge Walters, Lyra Haitz, Karen Cline, Francis Salton, Diane Potter, Joe Wolfe, Tim Dominique, Bill Kraft Tom Dominique, Fred Johnson, Wayne Tullis, Lowell Conley, Bob Goldie, Jim Finch.

# SNEA

# Gamma Beta Phi

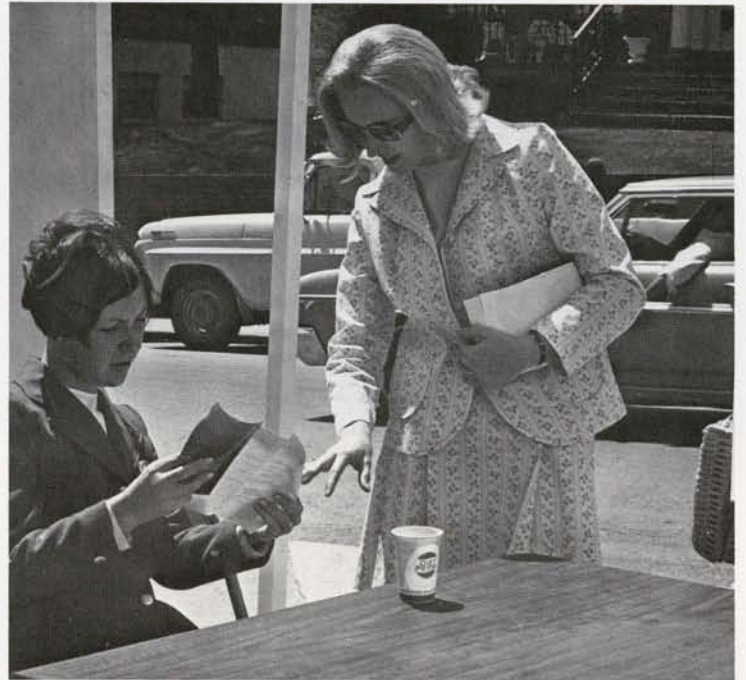

MSU's professional society for students interested in teaching as a career is the Student National Education Association. The SNEA is active in the problems of state education, and participates in workshops for University students. Members are constantly striving to become familiar with new trends in education.

Gamma Beta Phi Society is an organization providing an incentive for high school Beta Club members to continue their affiliation with the organization. All incoming freshmen who graduated from their respective high schools as Beta Club members are automatically eligible for membership.

Cwens is the women's sophomore national honorary sorority on campus. Cwens members served the University by helping with freshman orientation, welcoming returning alumni during homecoming, and registering high school students who attended the two senior days at the University. In addition, Cwens members offer a guide service for visitors on Saturdays. The society offers an incentive toward academic achievement for freshman girls.

# Trail Blazer

A new office location, a new editor, and a new policy all characterized the 1969 *Trail Blazer*, MSU's official news publication. A successful campaign, organized by managing editor John Cannon, resulted in the weekly publication of the newspaper. By changing from bi-weekly to weekly publication, the *Trail Blazer* was able to extend coverage of campus events and offer more recent news.

Editorials by the staff resulted in several comments from both students and alumni, though the overall reaction to the newspaper was favorable.

# Forensic Union

Forensic Union is an organization that has as its goal the promotion of speech activities through participation on the campus and with other institutions of higher learning. Members of the Forensic Union are members of the varsity and novice debate teams as well as those students who have shown an active interest in speech communication. Often ignored on campus, the debate team through the Forensic Union won many victories in 1969. The varsity team, composed of Craig Martin and Don Cetrulo placed first in the state tournament in Lexington. The novice team placed second in their tournament class. The debate squad worked many long hours in 1969 under coach Mrs. Julia Webb to become recognized as one of the best teams in the nation.

*First row:* John Chullen, Ed Taylor, Don Cetrulo, Pat Pinto, Craig Martin. *Second row:* Connie Wells, Mike Greene, Bob Armstrong, Tom Hauger, John Sharp. *Third row:* Dennie Taulbee, Dan Egbers, Margaret Kenner, Jennifer Rice, Linda Phelps, Doug Whitson.

# Sigma Delta

Organized as a national society for physical education students, Sigma Delta offers its members a chance to serve the University during the year. The members serve as ushers for all football and basketball games. Membership can be gained only by invitation; only students with a 3.0 standing in physical education courses are considered.

## Iota Beta Sigma

Iota Beta Sigma is the National Honorary Fraternity of Broadcasting. The organization strives to give recognition to outstanding students in college broadcasting, to aid in the advancement of broadcasting journalism, and to promote closer ties between students and alumni in the broadcasting field.

## Cosmopolitan Club

MSU's Cosmopolitan club has as its purpose the development of a cosmopolitan attitude on campus. Students from many nations work together toward the goal of goodwill among men.

A program held second semester showing the dress and customs of each country represented was a highly successful event of the club.

## Lambda Iota Tau

Lambda Iota Tau is a newly formed literary society. The organization was started in January 1969, and has been concerned with attracting new members since its final approval. Members must display an interest in English and Literature.

The purpose of the Morehead Players is to promote interest in the dramatic activities of the University, to encourage the viewing and reading of the better plays, and to develop an enthusiasm for drama.

## Morehead Players

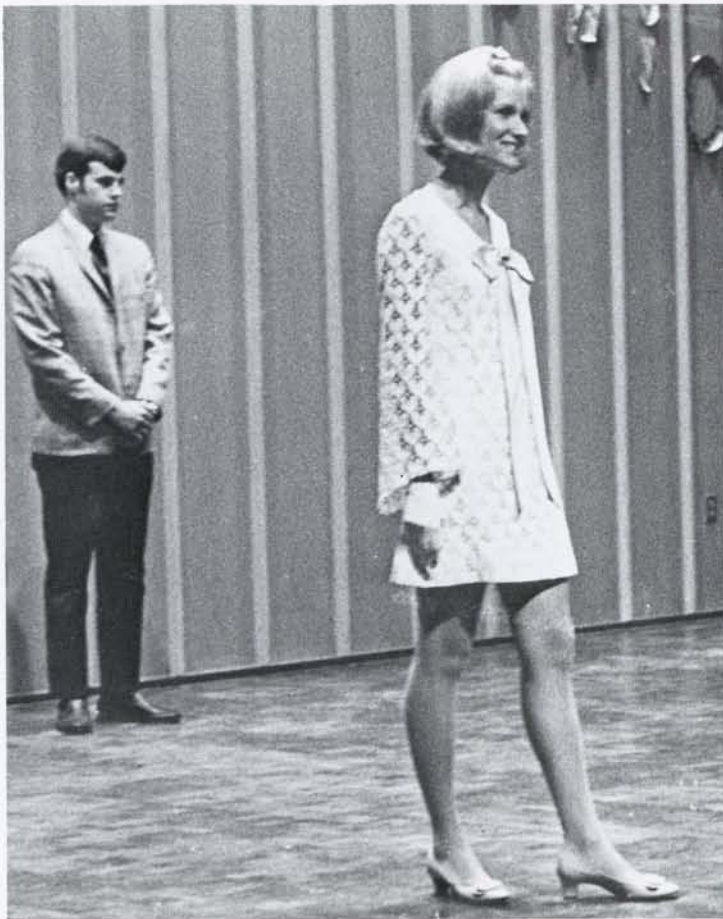

## Theta Alpha Phi

MSU's chapter of Theta Alpha Phi, the national drama fraternity, was established in 1968 for the purpose of honoring those students who have excelled in the field of drama. Since their installation as a chapter first semester, Theta Alpha Phi members have written, directed, and starred in two plays, "Ozymandis" and "An Evening in Topaz."

## SPORTS

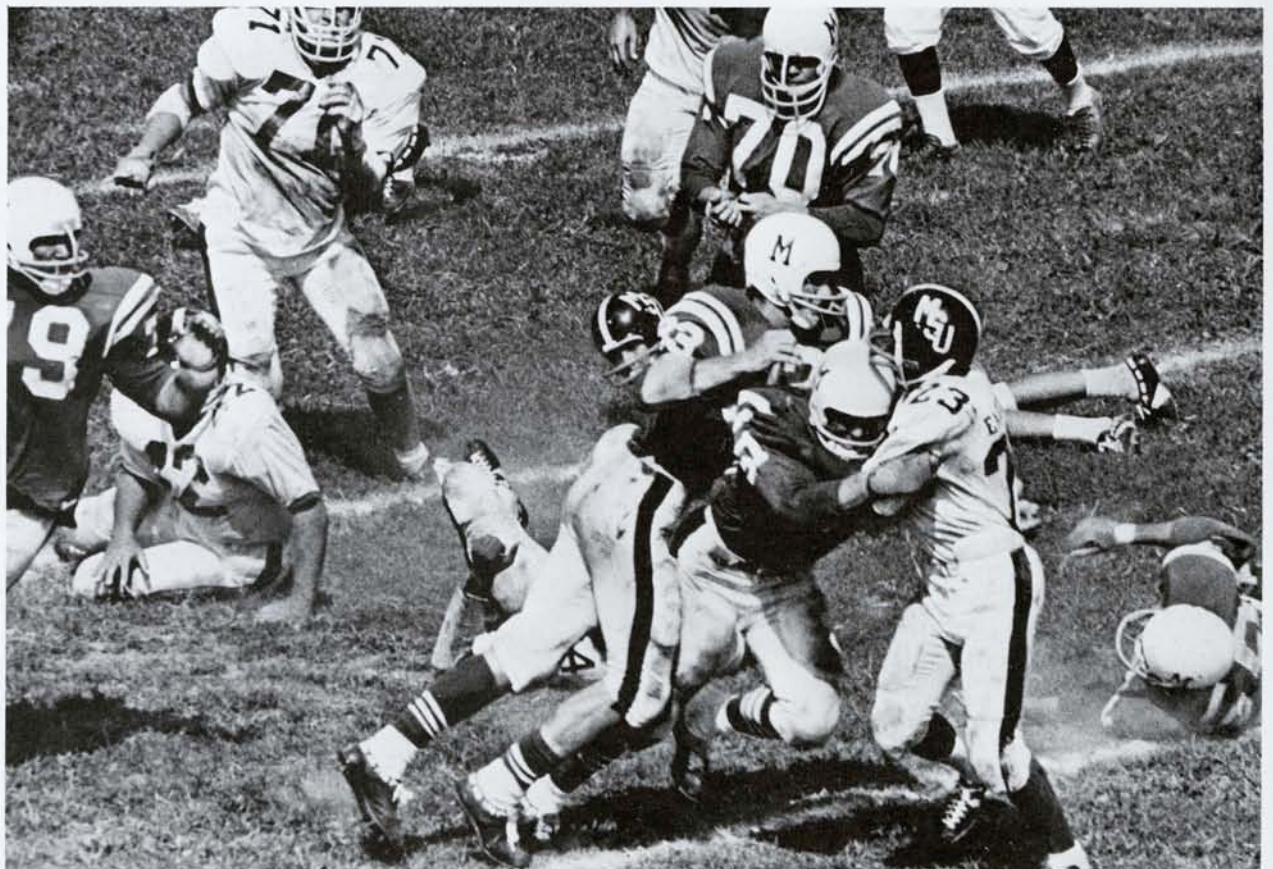

# DISAPPOINTING FOOTBALL SEASON ENDS 3-6-1

With the youngest team in many years reporting for practice in September, head football coach Jake Hallum and his assistants (with one exception, all new-comers to college coaching) began talking Eagle Spirit at the outset of the football season. When the season came to a disappointing close in November, Hallum and the Eagles were still full of "Eagle Spirit."

Several key lettermen were on the injured list during the opening days of practice, and the starter for the full-back position was still doubtful as the squad traveled to Huntington, West Virginia for the season opener against The Thundering Herd of Marshall University.

Sophomore tailback Louis Rogan carried the ball 28 times for 121 yards, and scored the Eagles' lone touchdown against Marshall. Morehead quarterback Bill Marston completed only one of seven pass attempts as he played the entire game with a mild shoulder separation following an injury in practice.

Halfback Charlie Burnett set up the Morehead touchdown by intercepting a Marshall University pass and running it 24 yards to the 12. Rogan carried three times to reach the one yard line, and two plays later the Eagles were assessed a holding penalty which sent them back to the 15. The score came two plays later as Rogan went

# DISAPPOINTING FOOTBALL SEASON FOR THE EAGLES

over on a seven yard pitch-out play. With one second remaining, John Clark toed the ball through the uprights for the conversion and Morehead led 7-0.

Marshall scored their only touchdown during the second quarter on a pass play. Both teams had scoring chances during the second half, but neither could reach the scoreboard.

"Usually I don't like open dates, but I was really glad to have this one," said Coach Hallum following the Marshall contest on September 14. With the next game scheduled for two weeks later, Hallum was looking forward to the evaluation of the team's performance in the 7-7 tie game with the Herd and the chance for some of the injuries suffered by the Eagles to heal before the start of OVC play.

The Eagles huffed and puffed in Murfreesboro, Tennessee hoping to blow down the Blue Raiders of Middle Tennessee but ended the action on the low side of a 28-18 score.

Down at one time 21-6, the Eagles came back to within three 21-18 before the powerful Raiders closed out the scoring with a last quarter touchdown.

Mistakes in ball handling took credit for the defeat as the Eagles gave up two 18-yard touchdowns on fumbles.

Murray State University invaded the Breathitt Sports Center on October 3

for the Eagles' first home game, but the third time wasn't charmed as the team again failed to reach the win column.

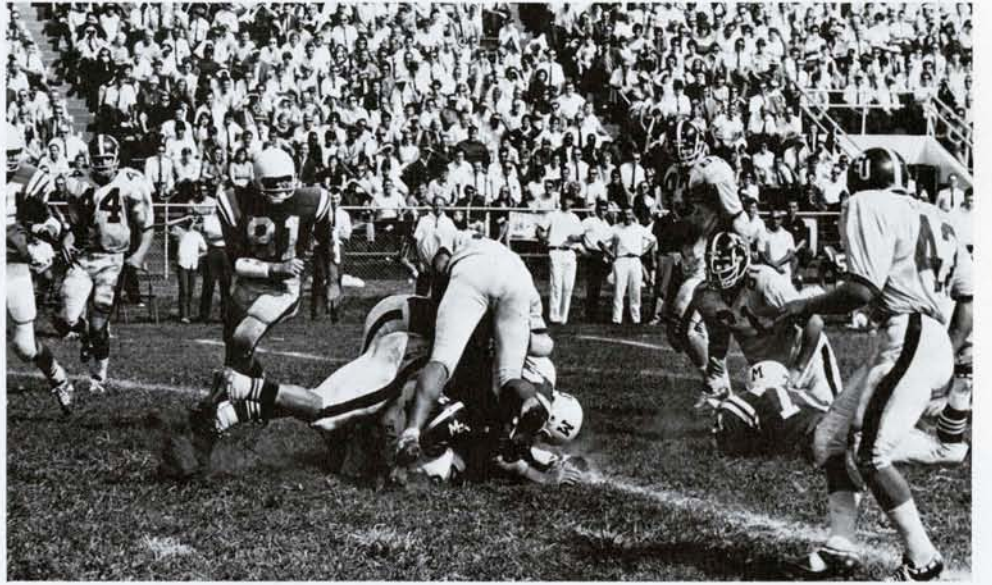

Morehead had a chance to win or tie until the final minute.

Trailing by the final score, MSU was faced with a fourth down and two situation on the Murray 28-yard line with 43 seconds remaining. For an instant it seemed as though the Eagles

would be able to pull out a win. Marston dropped back and fired a pass to Marvin Hicks who was all alone in the end zone. Hicks dropped the ball and the chances for a Morehead victory over the visiting Thoroughbreds.

Hard luck again struck the Eagles as they travelled to Austin Peay, only to return on the losing side of a 17-16 score.

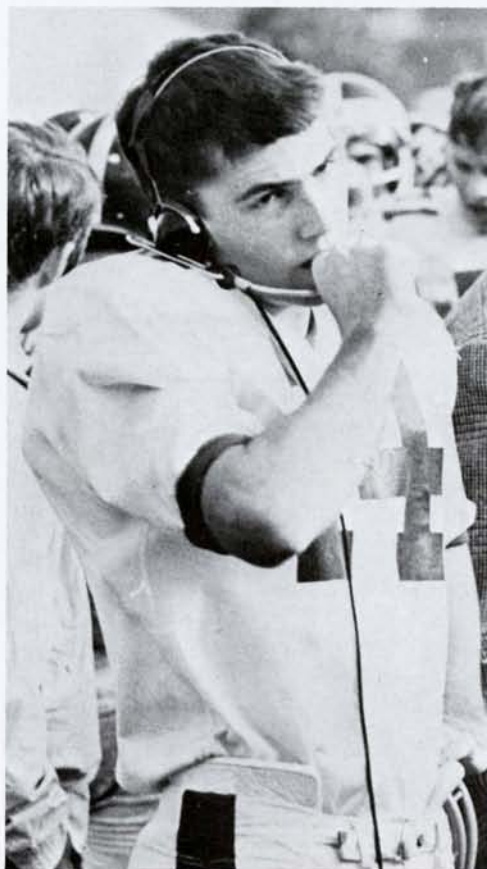

Going into the final quarter, More-

head held a 16-7 lead before the Governors' kicking specialist, Rodney Collins, split the goal posts with a 22-yard field goal with eight minutes left in the game.

With a minute and a half remaining the Gavs scored another touchdown, and again the accurate toe of Collins lit the scoreboard to break the tie.

Many MSU Homecoming fans left the game at the half after the Eagles went to the dressing room trailing 26-0.

Following the intermission, the Morehead team returned to the field, and the scoreboard situation quickly reversed itself.

The Eagles held the visiting Penguins scoreless during the second half, while scoring three touchdowns in the third period and two in the fourth to clinch the win.

Pleased over the homecoming win, Hallum immediately looked forward to Tennessee Tech and another chance to enter the winning column in con-

ference competition.

MSU left the cellar against the Tennesseans as Louis Rogan tallied 167 yards in 36 carries to lead the Eagle offense.

Morehead and Tech, tied for last place in the conference, went into battle in the Breathitt Sports Center. When the field was cleared and the Tennesseans were placed on their bus for Cookeville, the score books declared an MSU victory 24-12.

Leading 14-6 at the half, MSU kicker John Clark booted a 20-yard field goal in the third quarter and Rogan ran 22 yards for the final score in the fourth period.

In the "Battle of the Backs" during the Tech game, Tech's Larry Schrieber and Morehead's Louis Rogan, first and second in the conference rushing race, dualed for ground gaining honors.

Rogan was clearly the winner as he chalked up 167 yards in 36 carries while Schrieber was picking up 73 yards in 18 carries.

Western Kentucky's Hilltoppers outlasted the Eagles in another conference battle as the visitors took a narrow victory home to Bowling Green.

Forced to play a passing game because of key injuries, Western managed to hold a 24-21 final edge after the Eagles fought back to take the lead with 4:53 remaining in the game.

Two freshmen completed a spectacular play for the Eagles which gave them a 21-18 advantage. John Coning and Maurice Hollingsworth teamed up to bring the crowd to its feet. Coning took a pitchout from Marston and ran to the right sideline where he

sent a perfect 62-yard pass downfield to Hollingsworth for the score. Marston then threw to Larry Baldrige, for a two point conversion, and the Eagles seemed on their way to an upset victory.

Western came back with a last ef-

fort which proved successful as they marched 73 yards for the final score and victory.

A field goal with four minutes remaining knocked the Eagles' hopes of another conference win as the East Tennessee players rallied to post a 16-13 score in the Johnson City contest.

The Bucs capitalized on Eagle mistakes throughout the game, and successfully penetrated the Morehead pass defense on several occasions to help set up their scores.

Freshman Harry "Sugar Bear" Lyles played a standout performance at linebacker to lead the MSU defensive unit. Lyles finished the contest with nine tackles and six assists.

With seven different players making the scoring columns in the Kentucky State game, Morehead fans were treated to a happy victory as the Eagles trounced their visitors 46-0.

With 9:24 remaining in the first period, Maurice Hollingsworth pulled down a pass from Bill Marxton and went over for the first score.

Louis Rogan then took a hand-off and went through the middle for 16 yards and another touchdown. A few plays later, Harry Lyles blocked a Kentucky State punt, picked up the ball and returned it 15 yards for MSU's

third TD of the day.

During the second half four additional Morehead touchdowns were tallied in the scoreboard lights. Marston reached pay dirt after an eight-yard run early in the third quarter, and fullback Otto Gsell soon followed with a three-yard run. Late in the quarter Morehead linebacker Tom Lehman intercepted a K-State pass and returned it 41 yards for a touchdown.

Reserve quarterback George Malone played much of the fourth quarter, and the final score came when he rifled a nine-yard scoring pass to end Marvin Hicks.

Morehead fans traveled to Richmond the following Saturday for the finale of the season and the closing game of the conference schedule. Late in the afternoon they traveled back slowly and quietly, without the jubilation and

fanfare which accompanied them when they left.

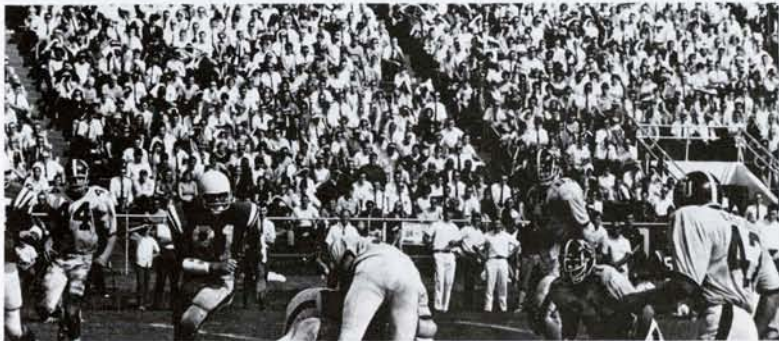

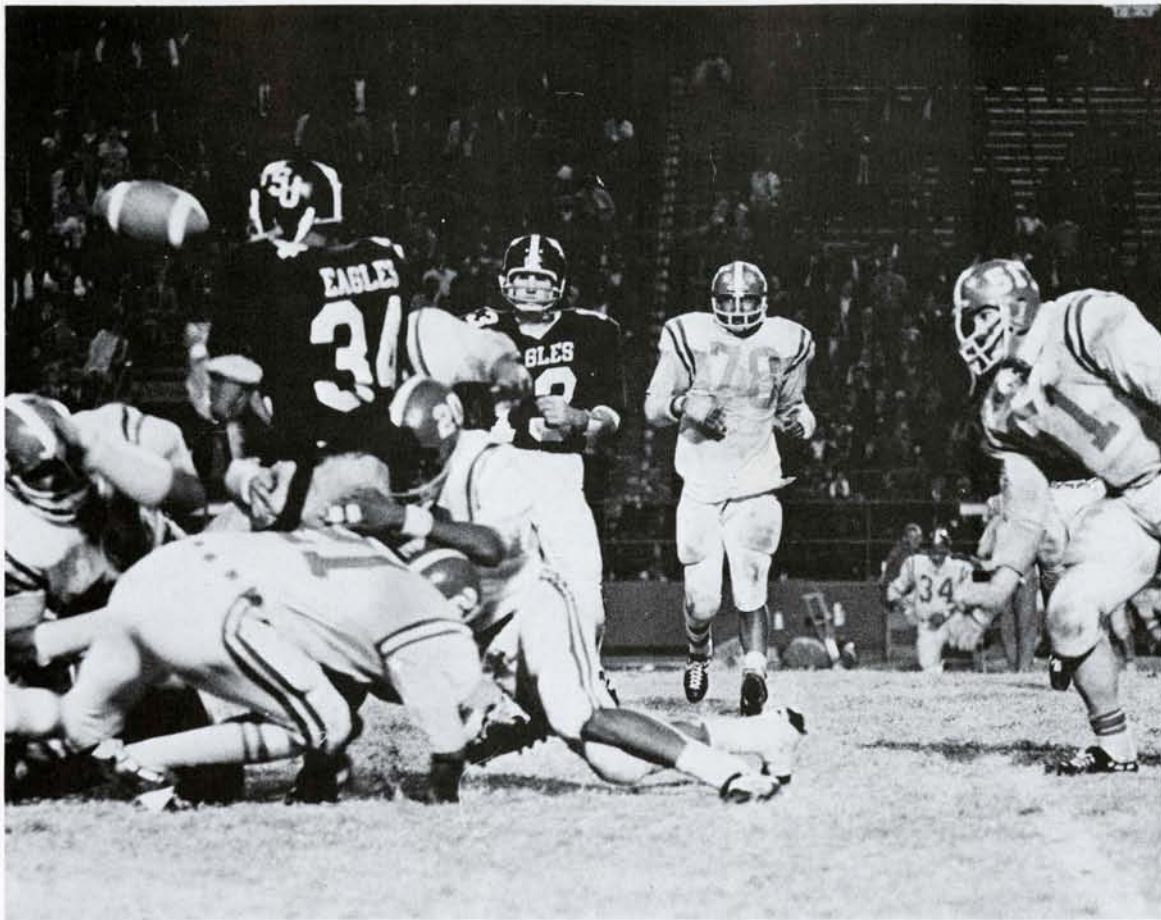

Eastern Kentucky's Colonels established a quick lead, 14-0, following runs of three and one yards, and played defensive football to its best advantage in holding the OVC's leading rusher, Morehead's Louis Rogan to his lowest output of the season.

The lone Eagle score came in the second quarter when Bill Marston threw to Maurice Hollingsworth for

a gain of 28 yards to the Eastern one. Marston immediately went through the line on a quarterback sneak for the score, and John Clark booted the ball through the uprights for the extra point.

Only 18 seconds later Colonel quarterback Jim Guice hurled a pass to tight end Don Buehler who broke free through the middle for a touchdown play covering 67 yards.

Second half action was dominated

by Eastern as they scored one touch-down in each period while holding the Eagles scoreless. 35-7 was the final score.

Louis Rogan set a new conference record for most rushing attempts during one season, and twelve freshmen earned letters for their efforts. The 1969 team promises to be much improved with the experience of the 1968 season.

Morehead's winningest team, coached by Dr. Mohammed Sabie, was faced with tough competition this past season.

The team went into the season with an amazing 24-4-1 over-all record, 11-0-1 being last season's effort.

The team suffered the loss of three starters from graduation and two others that transferred leaving only six returning lettermen.

Outstanding individual efforts were turned in by Lenny Kocis, Ahmed Sabie, Wally Lenow, Frank Konen, Chet Bobala, and Mike Egan.

# SOCCER — MOREHEAD'S WINNINGEST TEAM

# EAGLE CAGERS FINISH FIRST

From the beginning of the season Morehead basketball fans predicted that Coach Bob Wright's hardboard crew would set records in the OVC and the nation.

With the envy of other league coaches, Wright took the floor for the opening game with three seniors and two juniors comprising the starting five. Depth in the Eagle lineup proved to be the deciding factor for many of the close contests during the season, and with two seniors, five juniors and five sophomores waiting to relieve the starting quintet, the Eagles boasted the most experienced bench in the OVC.

A 96-69 victory over Carson-Newman opened the season for the basketball Eagles, but the individual members of the team committed many costly errors while chalking up the win.

Following several days of practice to correct the mistakes which showed up in the opening victory, the Eagles played another home contest against the visiting Broncs from Pan American College.

The game against Pan American

proved that the Eagles had done their homework, as the defensive efforts time-and-again took control of the ball from the visiting five.

Morehead was easily the winner with the final score reading 119-75, and the fans chanting "Bring on Marshall."

After a short trip to Huntington, Morehead's basketball team took the floor against arch-rival Marshall University. Building up a 12 point half-time lead was a relatively easy task, but the Herd came back from the intermission to whittle away at the Morehead advantage, and during the last few seconds, pull in front.

Following a disagreement between Willie Jackson and one of the Marshall players which emptied both benches, the hosts sank an insurance shot to make the final score 85-82 and gave Morehead its first loss.

When the Thoroughbreds of Ken-

tucky State College invaded the Laughlin Fieldhouse the Eagles had reworked their machine from the defeat by Marshall and were eagerly awaiting the encounter.

The clock showed 17:36 remaining in the first half, and the scoreboard lights had the Eagles down by one, 5-4 when it all broke loose. Jerry Conley hit a jump shot to put Morehead on top, and Coach Wright's charges never trailed in rolling up the 116-86 victory.

Next, the Eagles traveled to Richmond for the opening of OVC play against the Colonels of Eastern Kentucky University. Four of the Eagles reached double figure scoring during the contest and MSU took an immediate lead in the OVC race by defeating their hosts 73-69.

Once again the Eagles were handed a three point loss by Marshall University as the West Virginia school took their first sweep of the series since 1950.

Although the MSU cagers made seven more field goals than their opponents, the Thundering Herd converted 34 of 45 free throws into points to clinch the win.

"Our boys went to Texas with the idea of winning the tournament" said Coach Wright after the final game of the Pan American College 82-74.

Three Eagles, Jerry Conley, Lamar Green and Ron Gathright were selected to the All-Tournament team.

Coming back to Kentucky, the Eagles found themselves in the number one position in the Nation as their average points per game went to 95.8 points per outing.

Once again the powerful Eagles went wild in the second half to defeat Murray's visiting Thoroughbreds.

Utilizing a full court press early in the game the birds built up an early 14 point lead and Murray could never recover.

Upset minded Austin Peay narrowed the Morehead margin to 70-65 with

8:26 remaining but cooler heads prevailed as the Eagles came back to out-score their opponents 15-1 in the next four and one-half minutes.

This important win over the Tennesseans raised Morehead's OVC record to 3-0 and gave them the top spot in the conference standings. The final score was 97-89.

The first loss on four OVC starts

came to the Morehead team on the road as they played Middle Tennessee in Murfreesboro. With the game tied 79-79 at the end of regulation play, the Eagles were outscored 14-9 with two starters fouled out during the overtime period.

"Heartbreak weekend" culminated the following Monday as the Eagles dropped another overtime battle, this one to Powerful Western Kentucky.

Morehead fought back from a seven point deficit to tie the score 78-78 at the end of the second half. However, the extra period proved futile as the Eagles were out scored by one, 87-86 at the end of the contest.

Bouncing back from two-in-a-row overtime losses is no easy task, but the Eagles got back in the winning track by downing Tennessee Tech 93-84 in Cookeville.

The winners put in 36 of 63 field goal attempts to tally a percentage of 55.4 while adding the ninth win in 13 starts.

Morehead's fifth conference win came over the Buccaneers of East Tennessee State University 63-59.

With both teams visibly tired from the travels of the weekend, the game was mostly a defensive one as the Eagles finished more than 30 points below their average in defeating the Tennesseans.

Final exams brought a halt to bas-

ketball at Morehead State University as the team took a break from action to complete their courses and register for new ones. During the break, the cagers played three non-conference games beginning with a win over Morris Harvey, 92-78.

Travel difficulties hampered the Eagles in the other two contests.

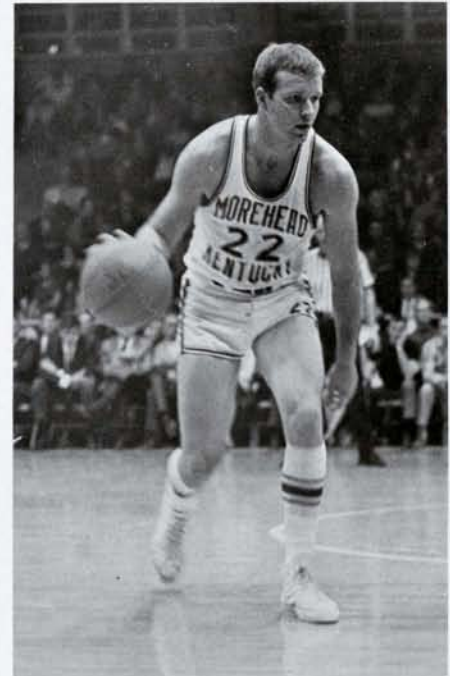

While traveling to Southern Mississippi, the plane was forced to circle Atlanta for nearly three hours before landing at another airport. The next installment in the trip came when the team could not get another flight to Atlanta where they would make connections for Mississippi, and they were forced to take taxi's for the 170 mile journey.

Enroute to Atlanta, the lead cab narrowly missed a collision with an oncoming trailer truck, and still later lost a tire.

After spending the night in Atlanta, the Eagles flew to New Orleans where they rented cars and traveled the 100 miles to Hattiesburg, arriving only a few hours before game time.

The team's tiredness showed in the game although they nearly pulled out a victory. With no opportunity to practice, the Eagles missed half of their free throw attempts in the 93-85 decision for Southern Mississippi.

Fortunately, no transportation problems were encountered when the team traveled to Florida for a game with Miami University. Once again, the

Eagles lost an overtime thriller by one point as the 92-91 loss dropped Morehead's road record to 3-5.

Another OVC win over Eastern Kentucky University put the Morehead Five back in the winning column, and the Eagles began planning for Middle Tennessee.

An overtime loss to MTSU early in the season was still fresh in the minds of the Morehead squad as they took the floor against the visiting raiders.

Taking no chances, Coach Wright's charges played a flawless game in defeating the visitors 106-74, and Lamar Green out-rebounded the leading rebounder in the OVC 30-9.

A non-conference victory went on the books as the Eagles overtook the Kentucky State Thoroughbreds 79-72 after trailing for 28 minutes of the contest.

Clarksville, Tennessee and the Austin Peay Governors awaited the Eagles for the second time during the season the red-shirted Gobs were defeated by the boys in blue, 90-75.

A dropped pass and a foul made the difference between victory and defeat when the Eagles traveled to Murray, and the basketball team fell victim to the Racers 91-89 in overtime.

It was Morehead's fourth overtime loss, and despite a heroic comeback, the Eagles dropped to third place in the conference when Murray's Jim Young dropped through two free throws with nine seconds remaining.

"I thought I was going to be the bum of the day."

That's the way Morehead's Lamar Green explained his thoughts after missing the first of two free throws with three seconds remaining in the home tilt against Western.

At that time the score was 77-77.

Green's second shot rolled around the rim once, hesitated and then dropped through. The basket gave Morehead a 78-77 margin and the game because the Hilltoppers did not have enough time to get the ball back up the floor.

Controversial was the word for the season and Morehead's game with Dayton was the most controversial, as a fight erupted involving players, fans and officials with 4:32 left in the second half.

The end result? Referee Bobby Smith terminated the game and the score on the board at the time was ruled the final tally. The Eagles lost 75-63.

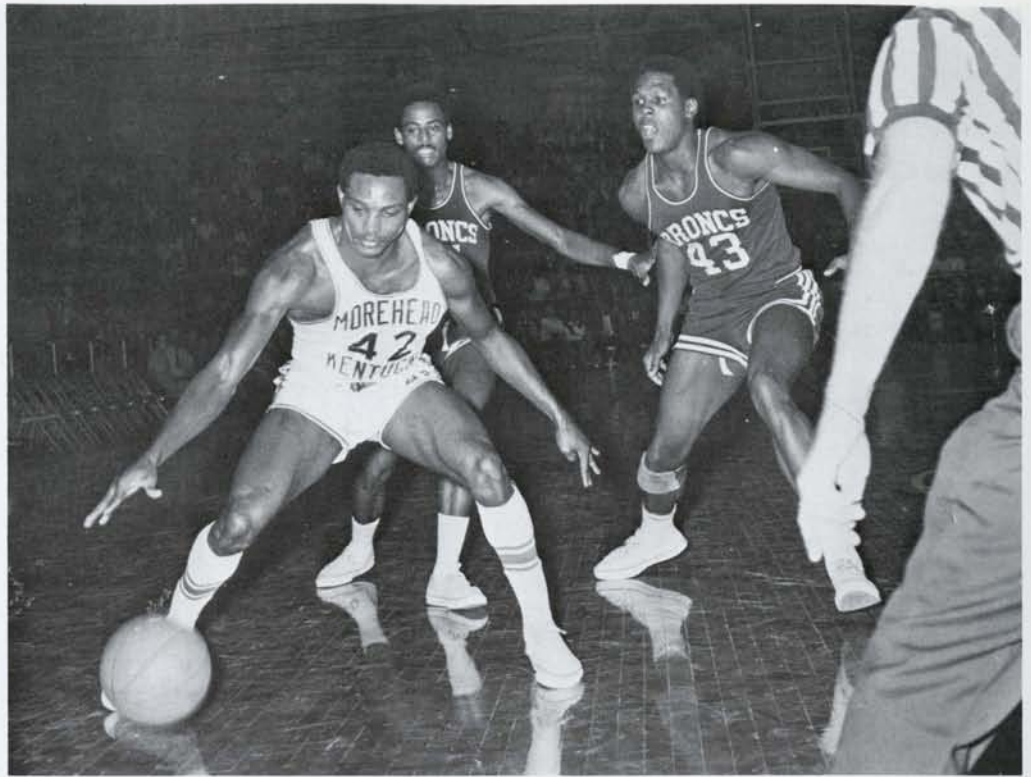

Following the loss to Dayton, Morehead returned home to face OVC foe Tennessee Tech in a do-or-die situation. The Eagles did by 20 points, 84-64 and left immediately for Johnson City, Tennessee and the closing game of the regular season.

Led by Willie "Hobo" Jackson, the Eagles outlasted East Tennessee to win 77-67 and grab a share of the OVC hardwood crown.

The nets were cut down, the players were carried off the floor and the visitors' dressing room was the scene of war yells, dancing and fully clothed coaches in the showers. More than 500 MSU students made the long journey to Johnson City for the closing game of the season and all wanted to help the team in its celebration.

Shortly though, the team began to realize the implications of their victory and all thoughts were turned to the playoff scheduled only 48 hours away.

Morehead State University closed down Wednesday afternoon March 5, and everyone went to Bowling Green. The reason? MSU was to play Murray

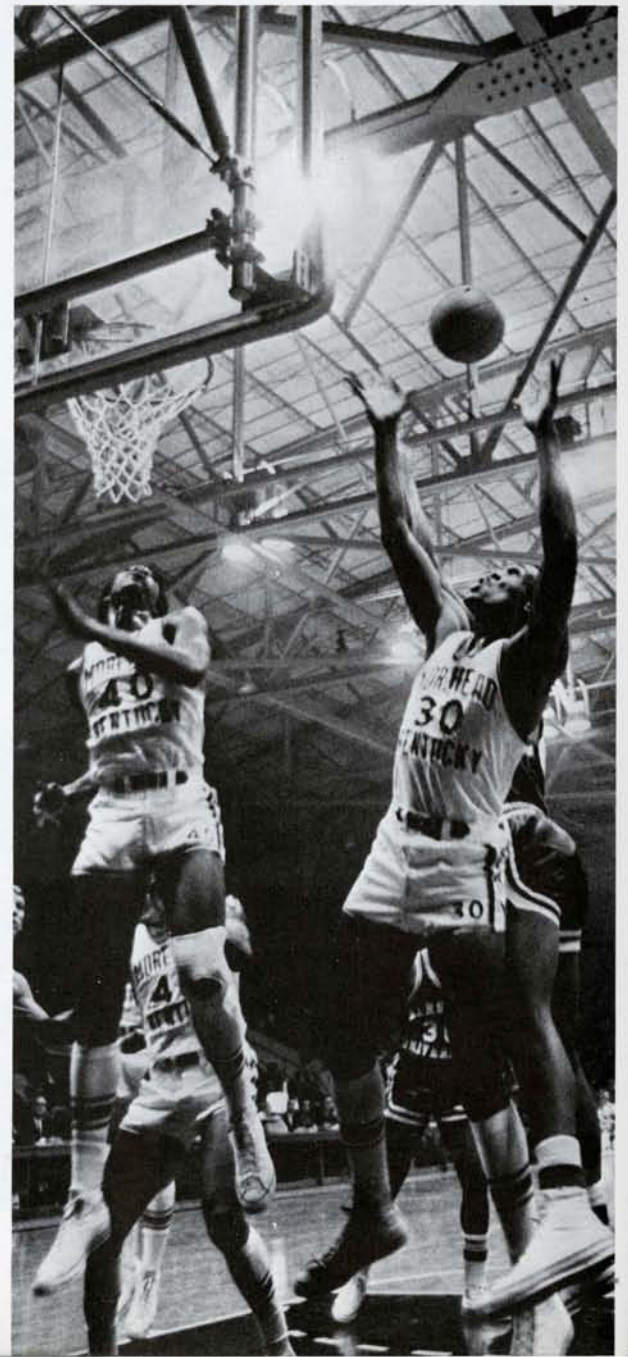

for the opportunity to represent the OVC in the NCAA tournament.

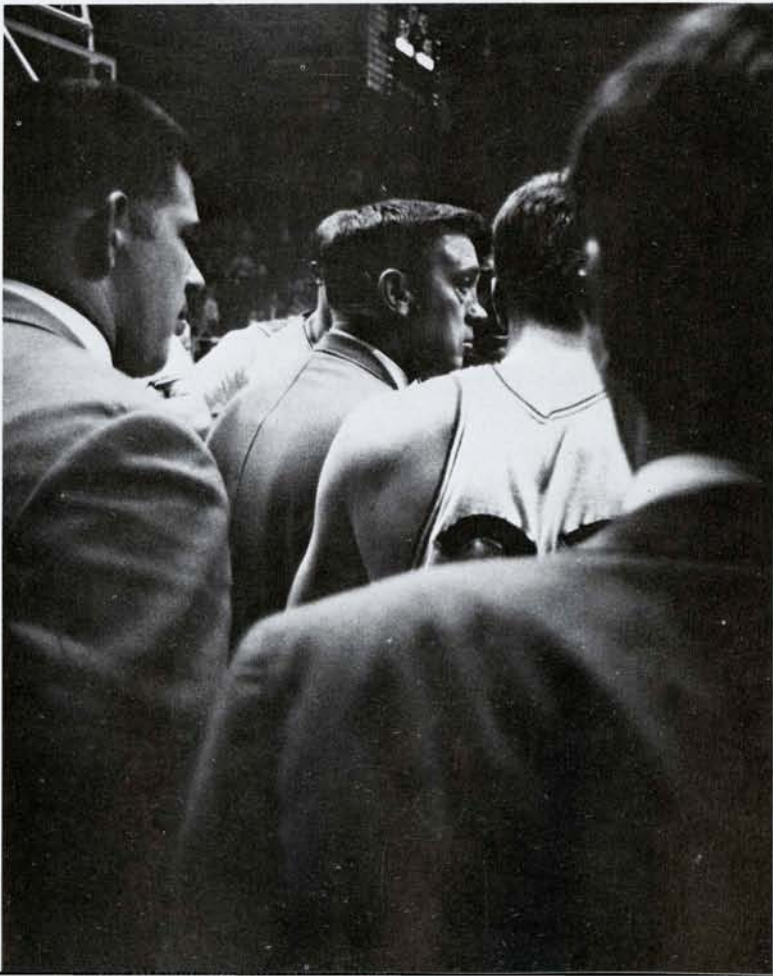

Both schools had identical OVC records, 11-3; and the teams had split their two previous contests, Morehead winning 111-78 in the Laughlin Field house and the Thoroughbreds downing the Eagles in overtime at Murray 91-89.

MSU didn't fare well in the playoff as the racers handcuffed the Eagles to a 94-76 loss before 12,500 fans in Western's Diddle Arena.

Hampered by cold shooting and an aggressive Murray defense, the Eagles connected on only 34.4 per cent of their shots from the floor while Murray swished 50 per cent of their attempts through the nets.

The 18-9 overall record posted by Bob Wright's charges represented the most wins since the 1960-61 season when the Eagles finished with a 9-3 record.

Final statistics showed that MSU averaged 88.6 points per game, a record which was among the top ten offensive teams in the nation. In the rebounding department, the Eagles averaged 58.6 grabs per game, second best in the OVC and the nation behind Middle Tennessee. The leading Eagle rebounder was Lamar Green who pulled in 17.9 per game to lead the league and place fourth in the nation.

Five talented seniors graduated from the squad, and the new head basketball coach, Bill Harrell will be shifting his returning players in an effort to equal the records established by the 1968-69 Eagles.

## TANKMEN SPLIT SEASON 4-4

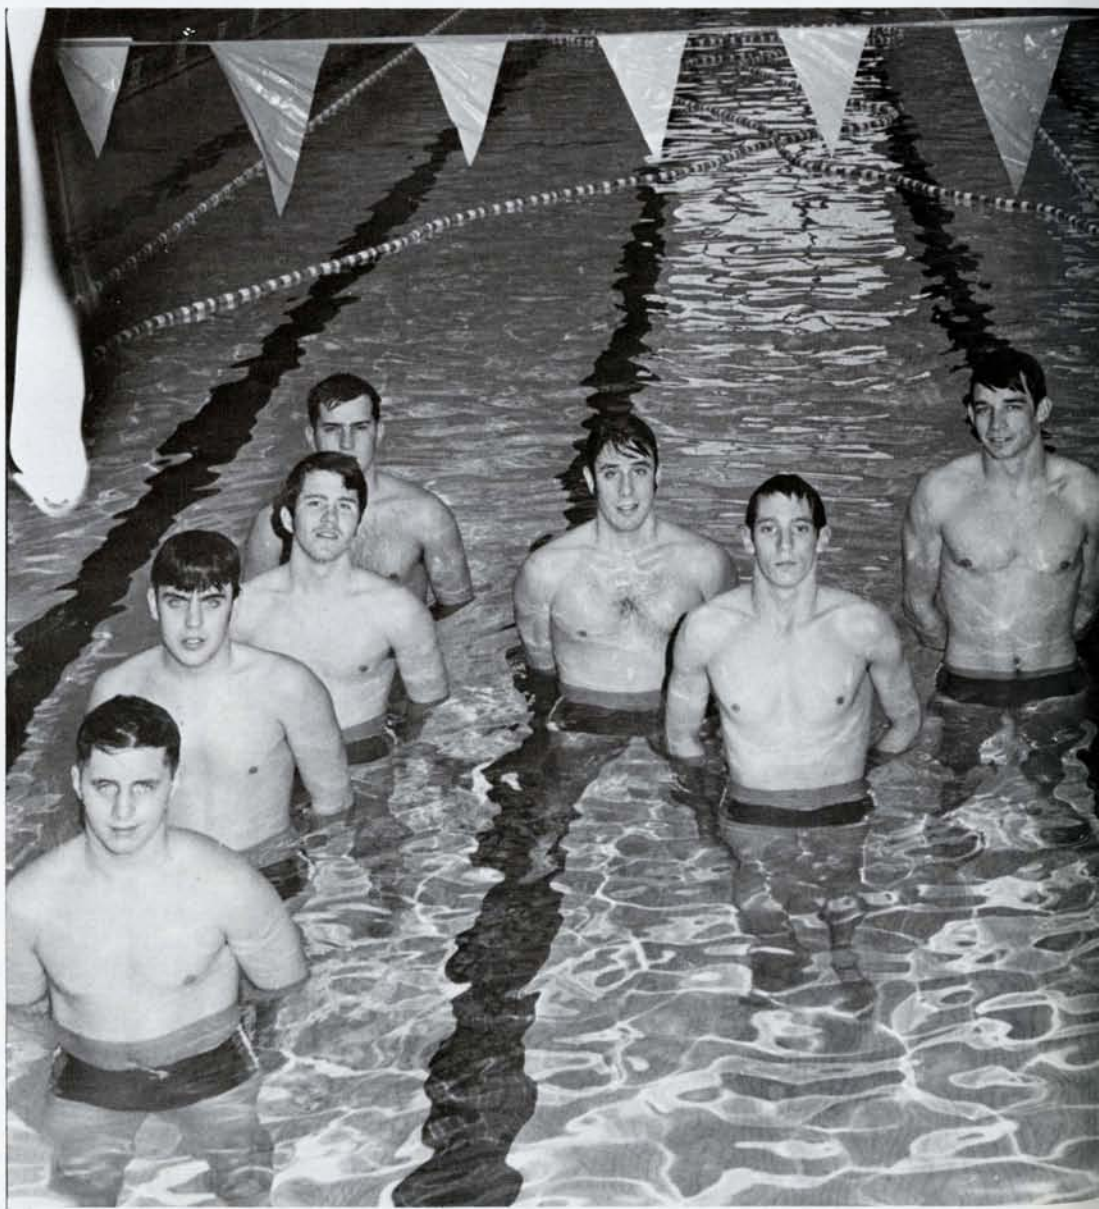

The Morehead Swimming team compiled a 4-4 record for the 1969 season.

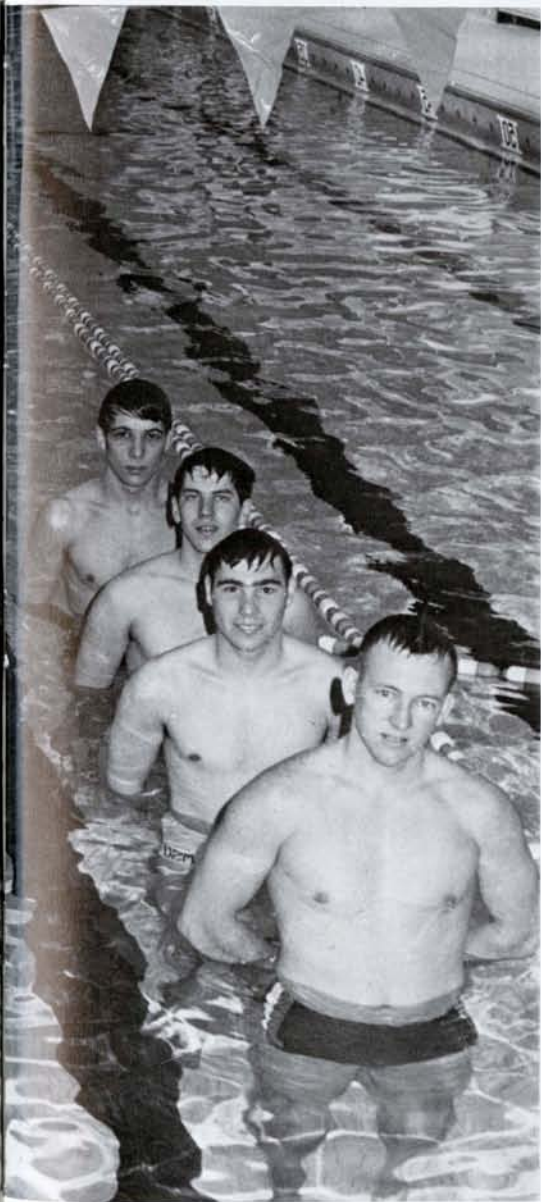

The most outstanding effort on Coach Bill Mack's team was contributed by freshman Bob Abell of New Albany, Indiana. He set four records and tied another one.

Abell's first record was set on December 13 when he swam the 100-yard free style in 52.3 seconds. This mark established a new pool record for Morehead swimmers at Senff Natatorium. He continued to break the 220-yard free style, the 500-yard free style, the 50-yard free style, and tied the 60-yard free style.

"We are most pleased to have such an outstanding freshman as Abell," Coach Mack said. "We only wish we had several more swimmers of his caliber. He is the best freshman I've ever coached." MSU tankmen placed third in the state swimming meet in Lexington.

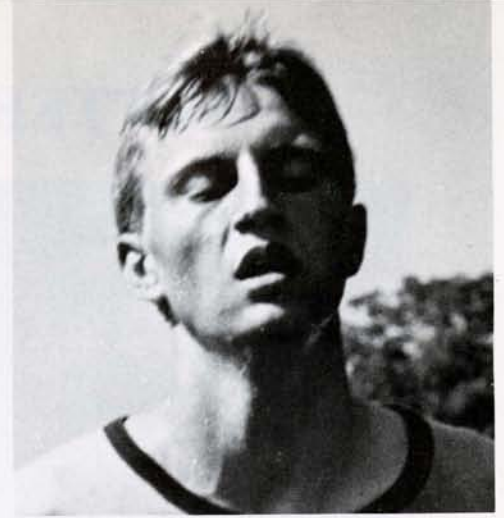

# INDIVIDUAL EFFORTS SPARK THINCLADS

Coach Marshall Banks' track and cross country teams were sparked by individual determination this year. Both teams failed to finish high in the OVC championships, track, seventh place and cross country, fifth.

Many of the men, however, made considerable improvement over last season. Phil Hardin, a graduate of Rowan County, finished seventh in the seventh annual Ohio Valley Conference cross country championships at Johnson City, Tennessee with a four-mile distance time of 19 minutes and 43 seconds. Other notable performances were turned in by cross-country men Jack White, Mike Price, John Wikoff, and Steve Inglehardt.

The track team, who went into the OVC championships with a 2-1 dual meet record, underwent a year of rebuilding. Strong individual efforts were made by broad and triple-jumpers Bill Schardein and Clint Walker, sprinter Dennis Hersey, high jumper Dave Neely, and four two-sport athletes. MSU basketball forward and hurdler Don Byars, All-OVC football tackle and shot putter Dave Haverdick, linebacker and discus thrower Tom Lehman, and halfback and hurdler Jim Bayes.

Coach Banks, a former Morehead track star, is in his fourth season as the Eagle track and cross country coach.

## NETTERS FACE TOUGH FOES

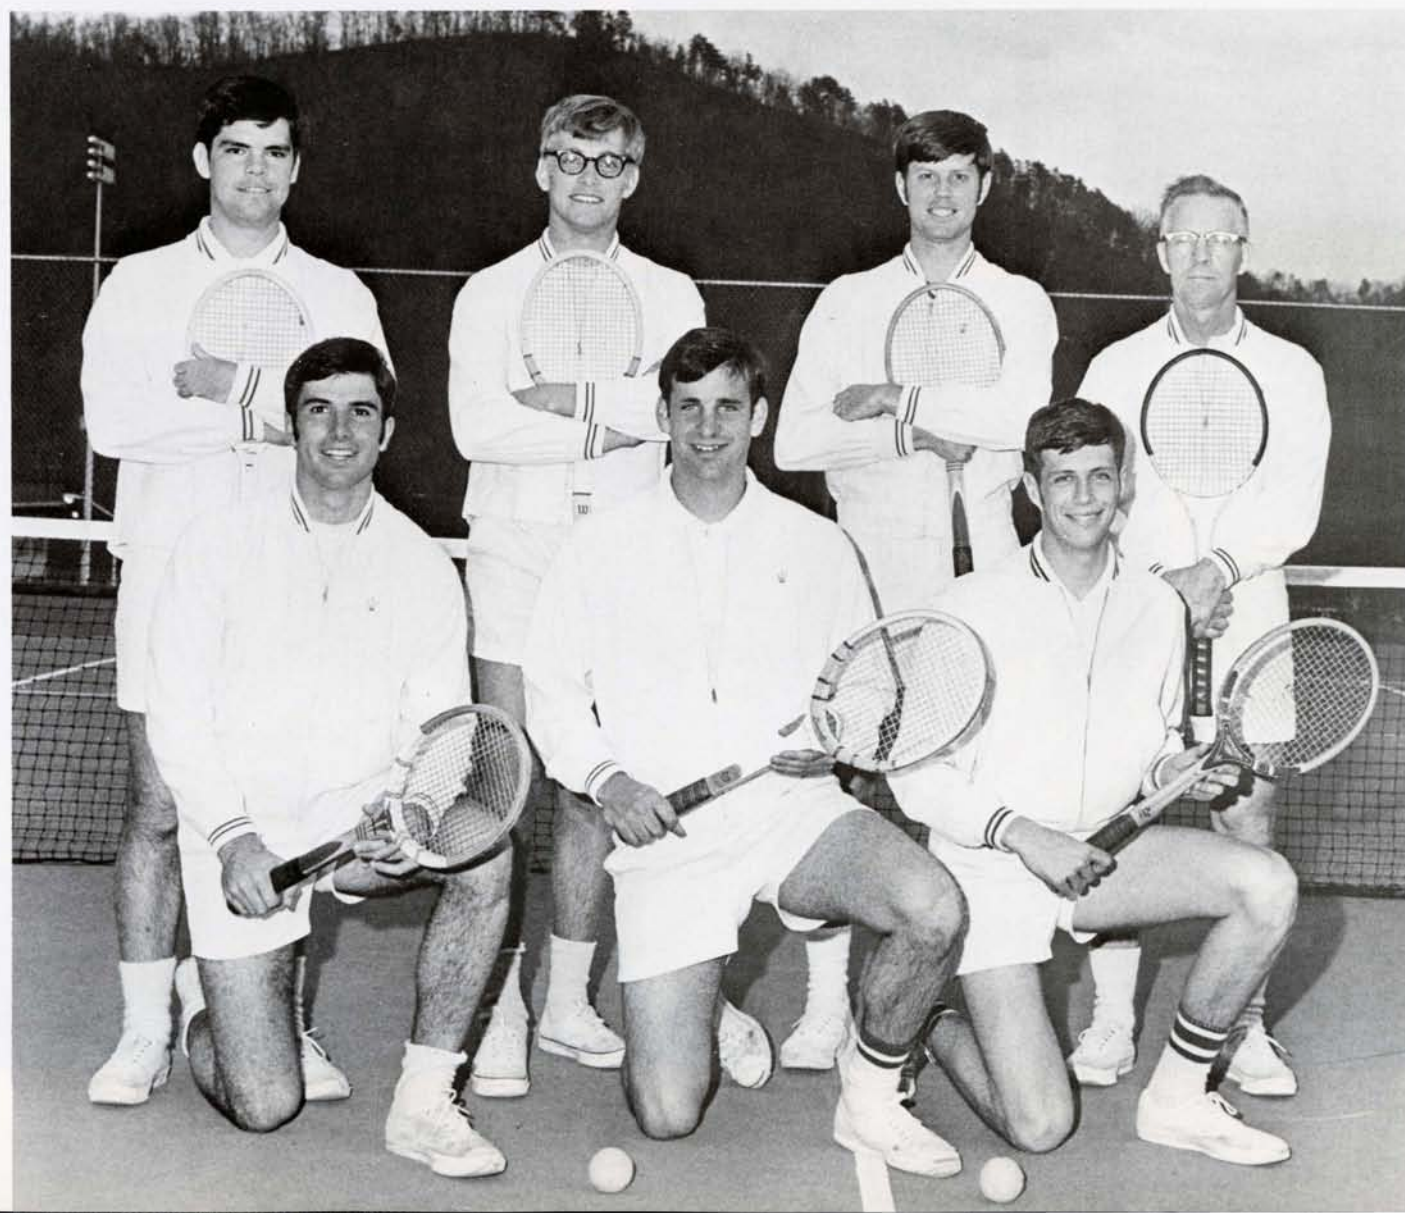

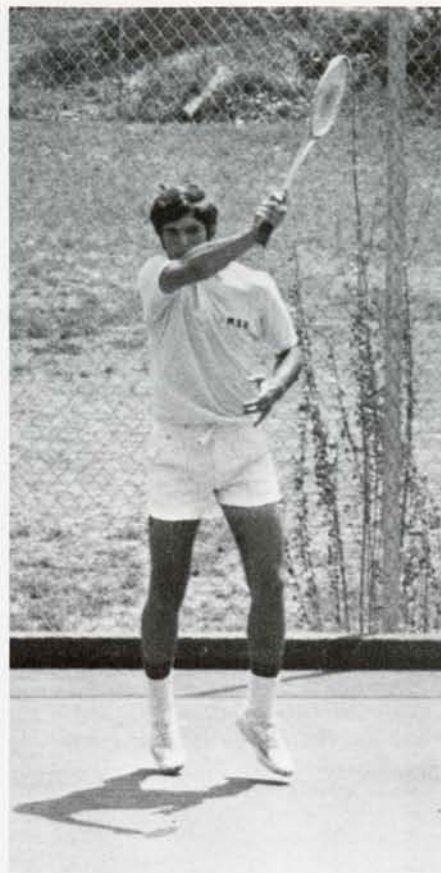

Morehead's tennis team was plagued this year by tough competition. The team, coached by George Sadler, finished a disappointing sixth in the OVC play-off.

The season was not all downhill. MSU netters had a seven-meet winning streak during the season and many outstanding individual efforts.

The team is looking optimistically for a better season next year.

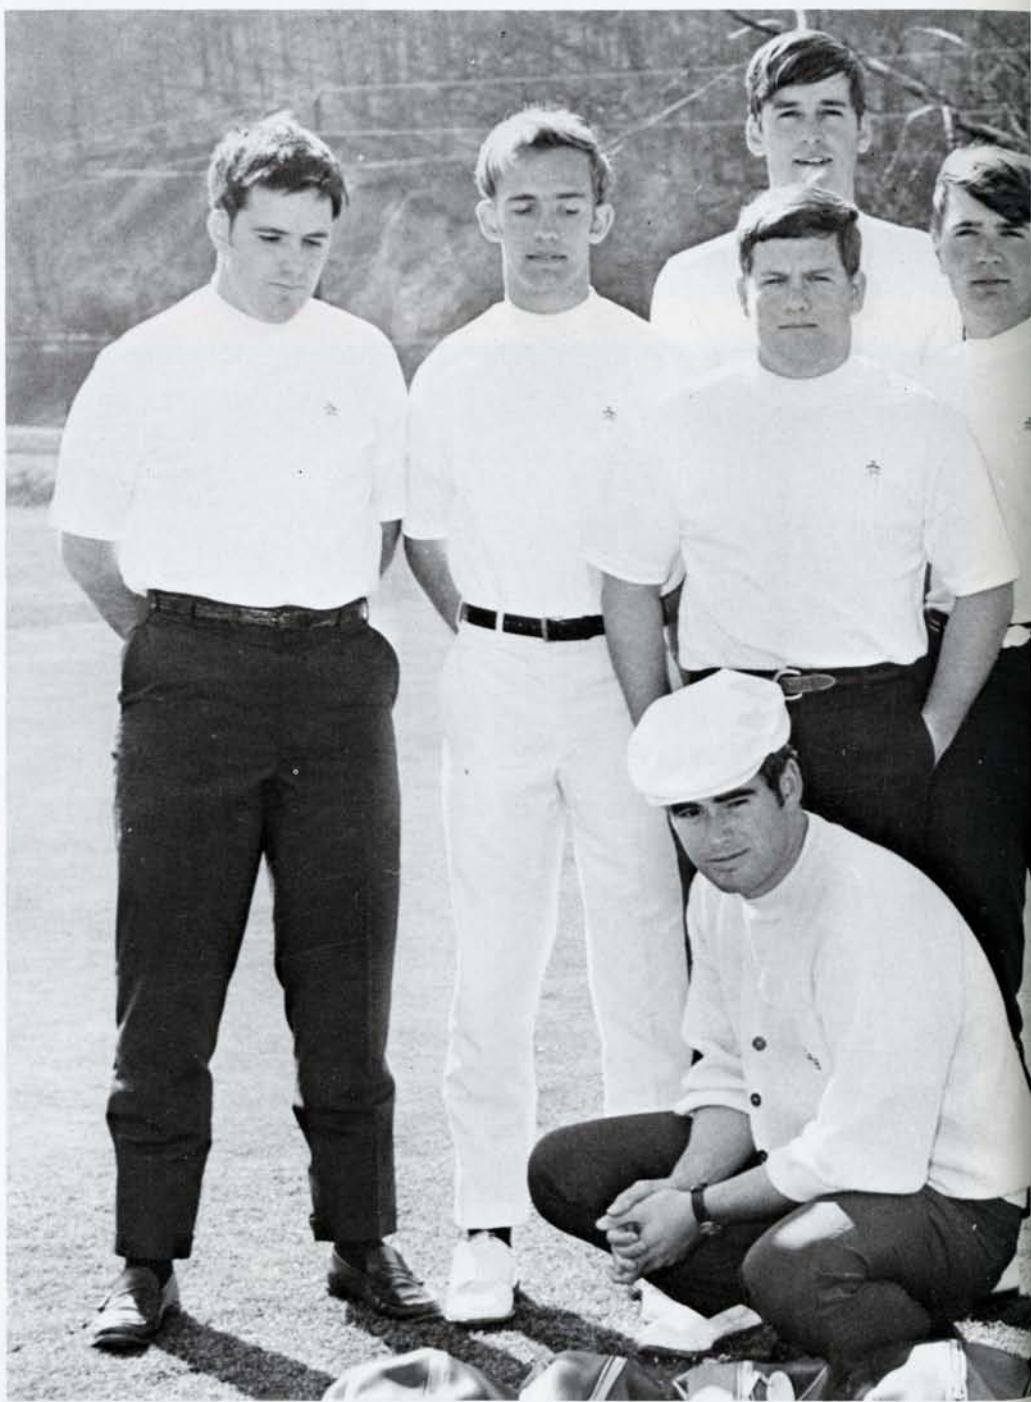

MSU's golf team, coached by Ed Bignon, had the most improved spring sport record over last year's standings. Bignon's first year of coaching at Morehead proved successful as he led his young team to a third place standing in the OVC.

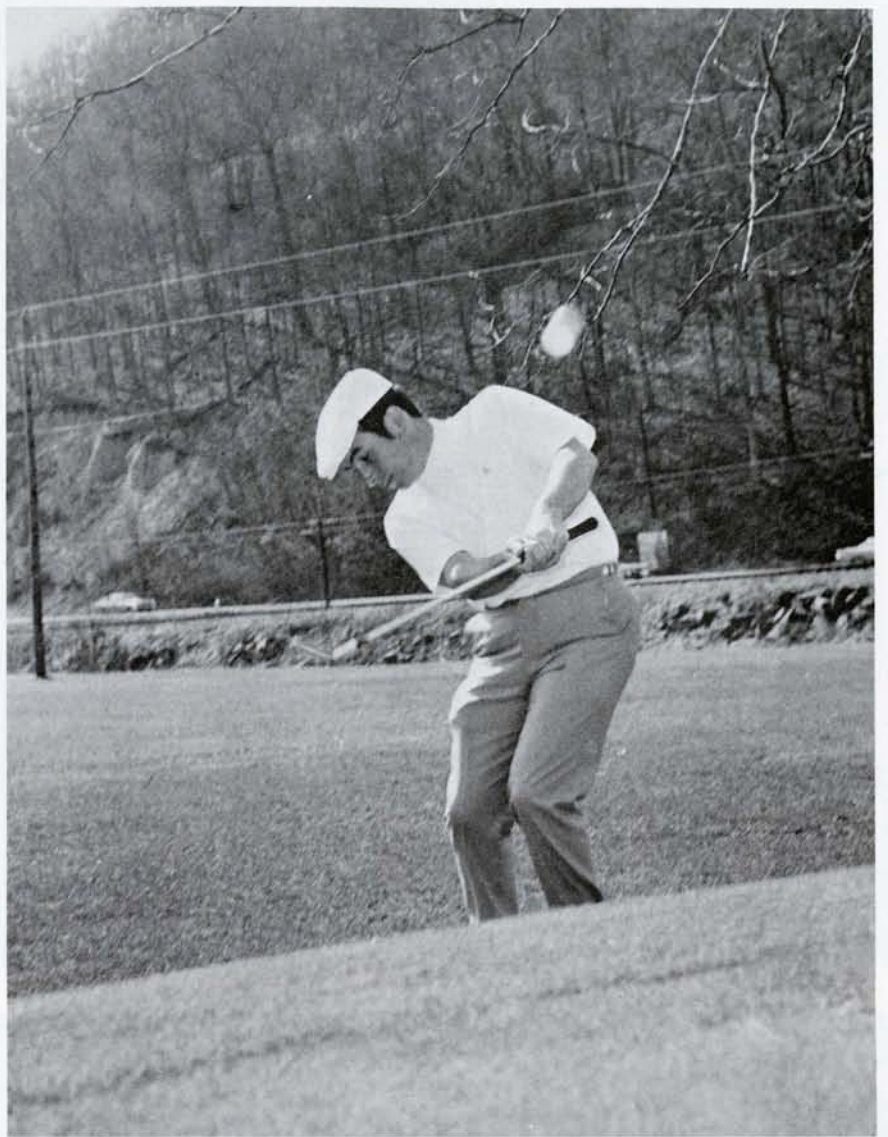

The Eagles opened their season, April 2-5, in the Gulf of America Invitational Golf Tournament at Cape Coral, Florida. Freshman Bill Spannuth shot a 72-hole total of 296 to finish eighth. Spannuth, who was a member of the Anderson High School team that won the Indiana state championship three of the past four years, fired 77, 72, 76, and 71 to lead his team to 10th place in the 44-team tournament.

Spannuth also broke the MSU Golf Course record with a 65 during the 282-314 victory over Bellarmine-Ursulane College. His new record replaced the record of 66 set by Bruce Walters and Butch Van Beversluys last season. Walters, the lone senior on the team, started the year as the No. 3 man. Walters finished fifth individually at the OVC championships with a 178 score.

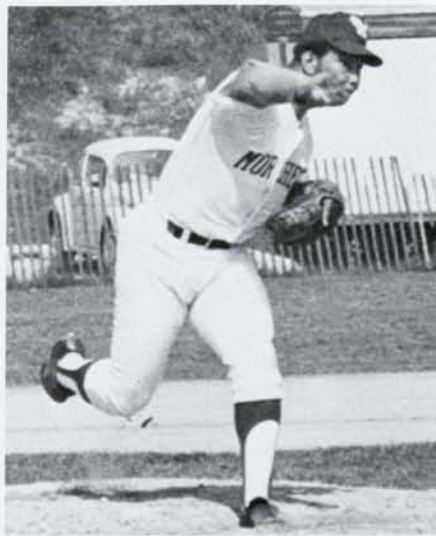

Van Beversluys started the year as the No. 4 man. A sophomore, Van Beversluys had the lowest average on the team in 1968 and shot 72 a game this year. With contributions from Bobby Williams, Bill Buckner, and Gary Arnold, Morehead's linkmen look forward to an even better season next year.

# EAGLES CAPTURE OVC CROWN

Morehead State University won its first Ohio Valley Conference baseball championship since 1963, when it defeated Western Kentucky 7-6 and 6-3 in the playoff held on the Breathitt sports center diamond.

Al Frazier's two-out single to left field in the seventh inning scored Eddie Wallingford from second base to give the Eagles a first-game victory. Wallingford and Tim Dawson had walked with two outs before Frazier delivered his game-winning blow.

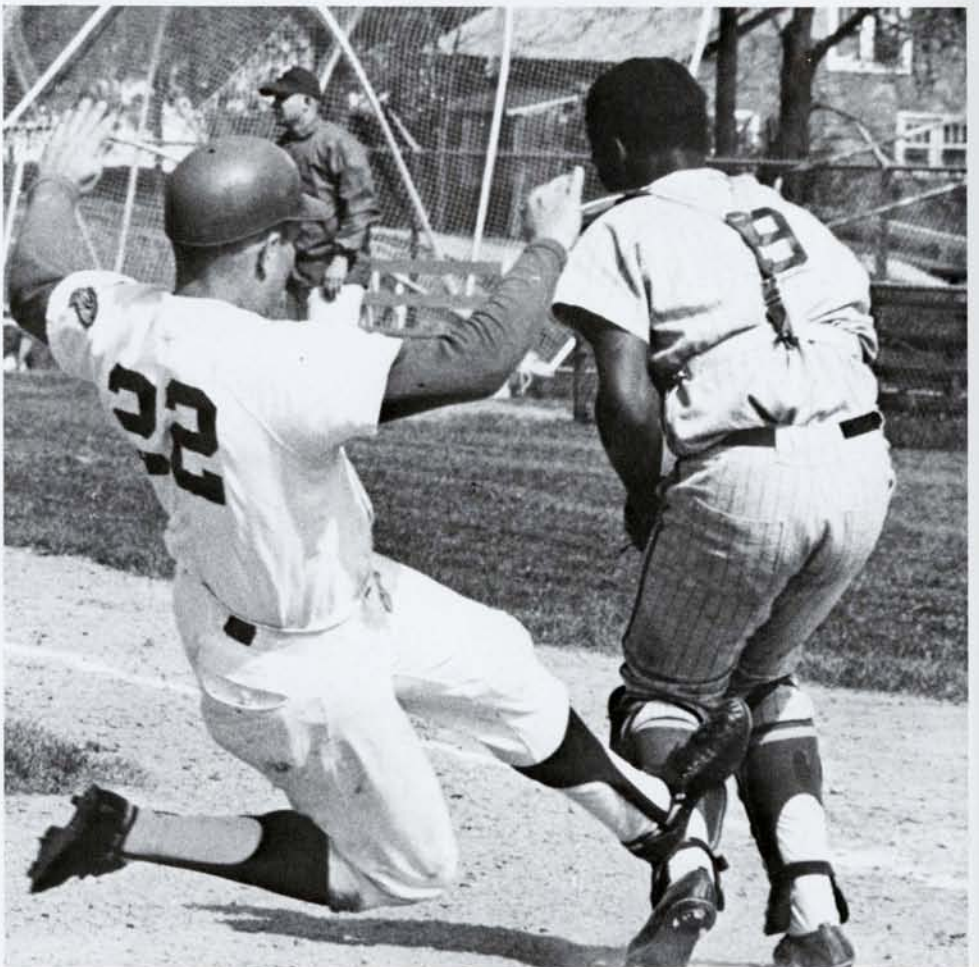

Frazier was 3-for-4 in the first game to help lead a 12-hit Morehead attack which featured a home run by third baseman Mike Punko. Jim Martin went all the way for the Eagles to run his record to 5-2.

Back-to-back home runs by Reese Stephenson and Punko gave Morehead a 3-0 first-inning lead in the second game as the Eagles went on to win 6-3. Stephenson's home run came with Sam Daugherty on base, and Punko followed with his seventh round-tripper of the season.

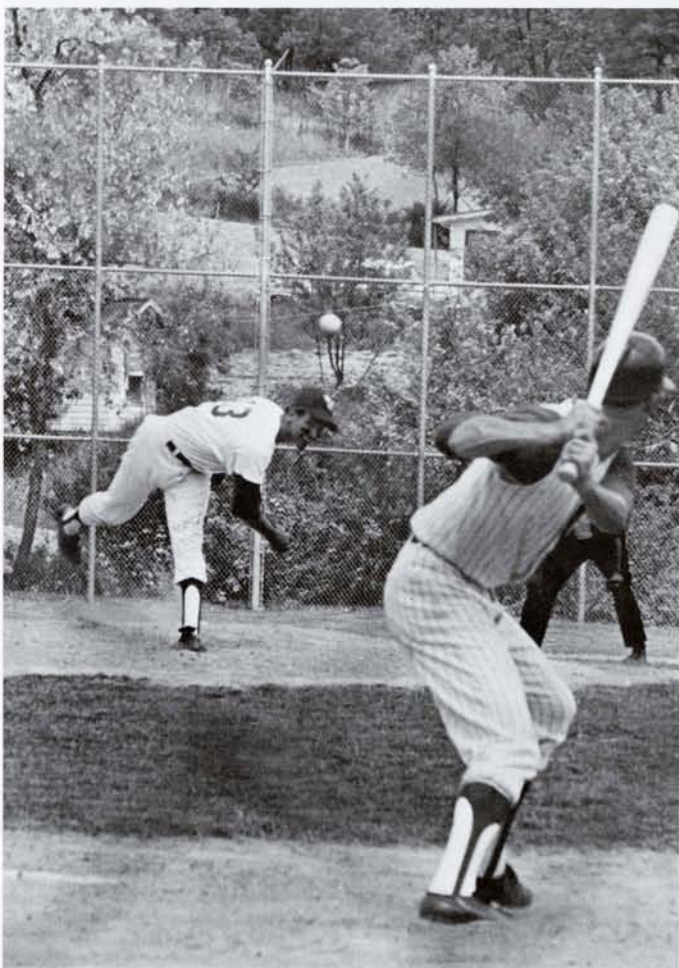

Lefty John Lysien scattered five Western hits in going the distance for Morehead. Lysien finished the season with a 5-1 won-lost record.

Morehead's overall record for the season was 22-6 with a 9-4 OVC mark. One of the highlights of the season was April 9, when the Eagles whipped Center College three times in one day. On seven occasions, the Eagles scored 10 or more runs in one game.

The Eagles' team batting average was an amazing .332, and the pitchers posted a 3.38 ERA. Wallingford, Frazier, and Dunker all hit over .400 for the season with marks of .462, .438 and 4.12, respectively.

# INTRAMURAL PROGRAM — ACTIVE IN 1969

Morehead's intramural program again provided students with a widely diverse list of sports to participate in.

Under the direction of Robert "Mickey" Wells, the intramural participation was extremely competitive and active this year. Both independent and greek sponsored teams vied for the many trophies which were offered.

The awards are presented annually during activities awards day with trophies going to the outstanding players and coaches, and a special award to the "Coach of the Year." This year the "Coach of the Year" award went to Jake Grooms, with Bill Newland winning the "Official of the Year" award.

All intramural champions were: 1st place, Al Frazier; 2nd place, Jake Grooms; and 3rd place, Russ Kline.

The Karl Smith Award winners were Frank Konen and Suzanne Lyle.

## **GREEK LIFE**

# GREEKS — A YEAR OF CHANGE

New ideas, national affiliation, and a revised approach to fraternal life re-structured Morehead's greek system this year. The transition from "social clubs" to fraternities served as an impetus for new definitions of brotherhood, sisterhood, changes in rushing, pledging, and an overall re-evaluation of the demands to fulfill the greek life.

The fraternal life of the greek at Morehead is now caught in a whirlpool of uncertainty—just what is necessary for a man or woman to be a "greek" man or woman, what is necessary for a fraternity to be a "fraternity", has been greatly re-shaped by the onset of national fraternities.

Past pledging systems have been re-vamped, new approaches to rushing are undergoing trial and error. The greek population has increased almost twofold—new fraternities have made their debut, each one searching for the right man—the right woman, and offering their way of life for 1969 and the future.

In an attempt to better introduce the various fraternities to the prospective pledge, a new system of rushing was established last fall.

Greeks, as well as rushees, were introduced to formal rush parties, the hard and soft sell, and the culminating effect of long hours of deliberation and voting—the final bid. This new system also provided for an extended pledging period from three to ten weeks. Pledging provided for the pledge many hours of sometimes frantic excitement combined with frustrated hopes, long hours of searching, wanting, and learning—all leading to the fellowship, warm interaction, acceptance, and handshake that seemed to make it all worthwhile.

The end of pledging starts a new year for a fraternity at Morehead, new projects, new planning, new aims, and the fellowship that lasts a lifetime.

# RUSH — PLEDGING: A NEW OUTLOOK

# SPRING BRINGS ΣΣΣ SONGFEST AND CAPA

The Morehead greeks have come of age—and with this age comes progressively more activities, projects, and services. Some of these activities have become well known campus events, some are behind-the-scene services. Taken together, these services provide a guiding nucleus for campus progress.

The ΣΣΣ Songfest offered successfully for the second year a chance for “the old fraternity sing”. The CAPA Carnival again enabled the greeks to provide the campus with a night of entertainment. Both of these events encompass the total campus participation. There are numerous other greek sponsored services, however, that are unknown to some—services that are provided by the various greeks as representations of goodwill, as expressions of the brotherhood ideal which guides their existence.

# CARNIVAL

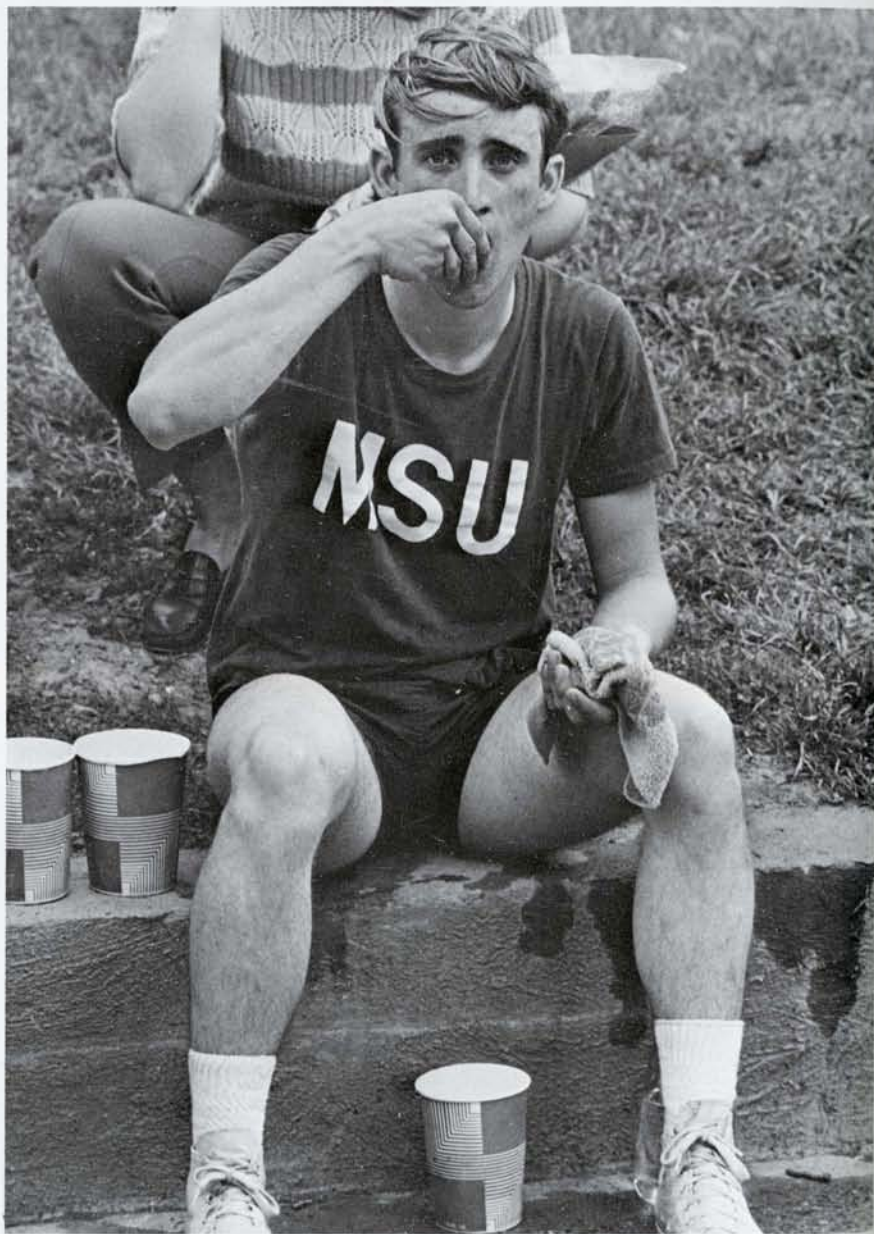

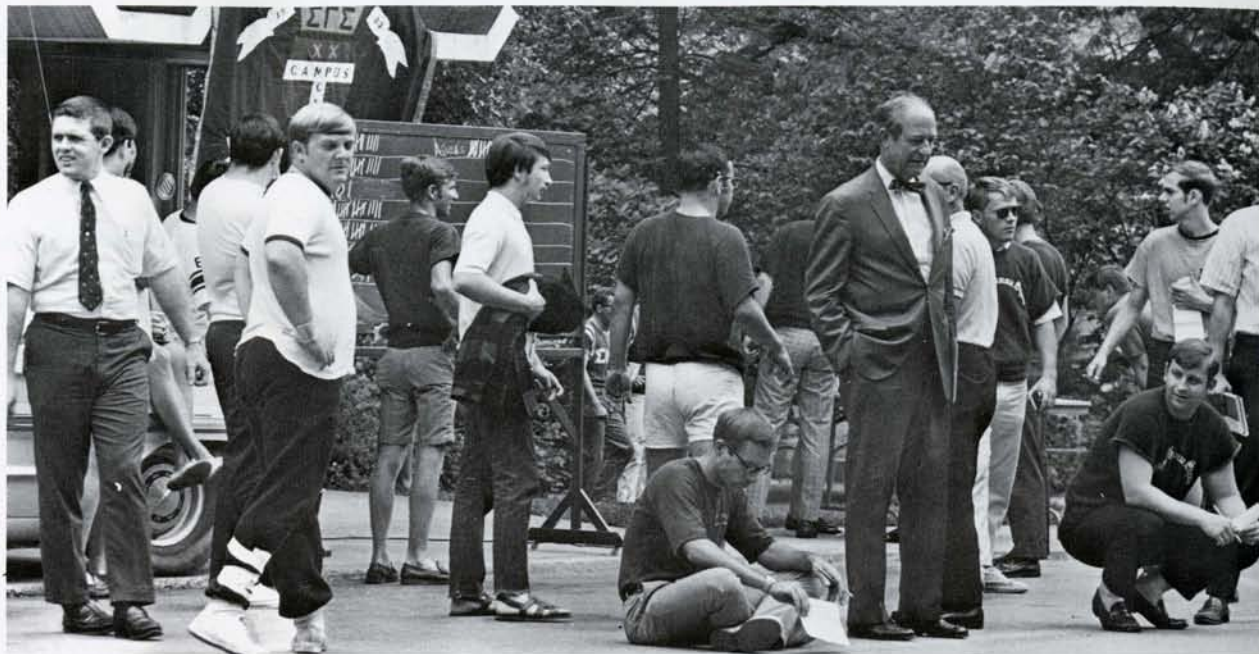

The annual TAE (Lambda Chi Alpha) Decaedron again provided fun and games for the "ardent" pledges and amusement for all. The Decaedron, Carnival, and Songfest are samplings of active greek life—all afford a chance for a large facet of the total greek life—having fun, escape from the classroom, and a chance to talk about old times, now times, and tomorrow's times.

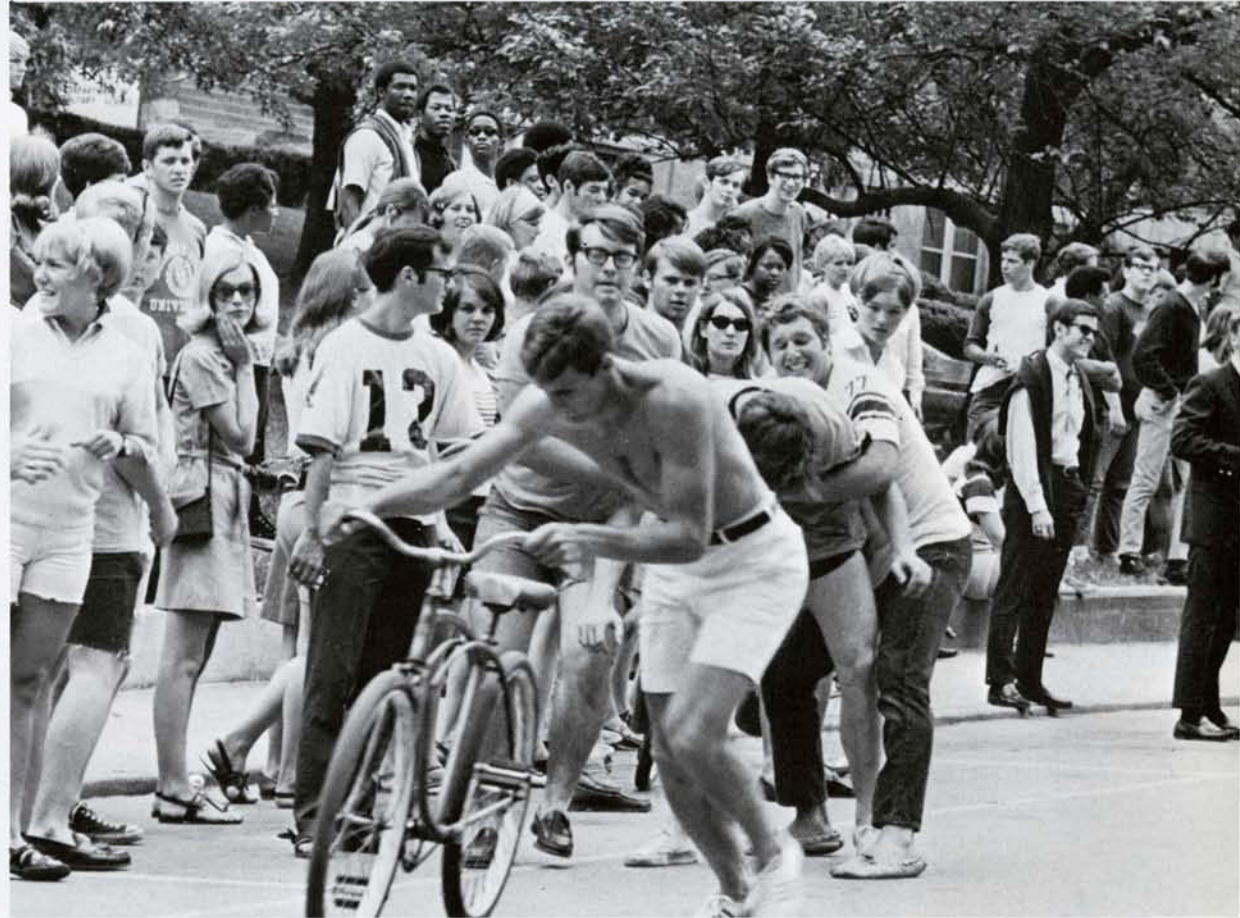

# DECAEDRON: PLEDGES PLAY GAMES

The annual Campus Club Bike and Trike races kicked off the time for MSU greeks to shine, a time of their own—greek week. The CAPA Tridents, Sigma Chi Alpha, and Bank's Rejects won the trike, greek bike, and independent bike races respectively.

# ΣΓΣ BIKE-TRIKE RACES: ACTIVES PLAY GAMES

# GREEK WEEK: GREEKS STEP OUT

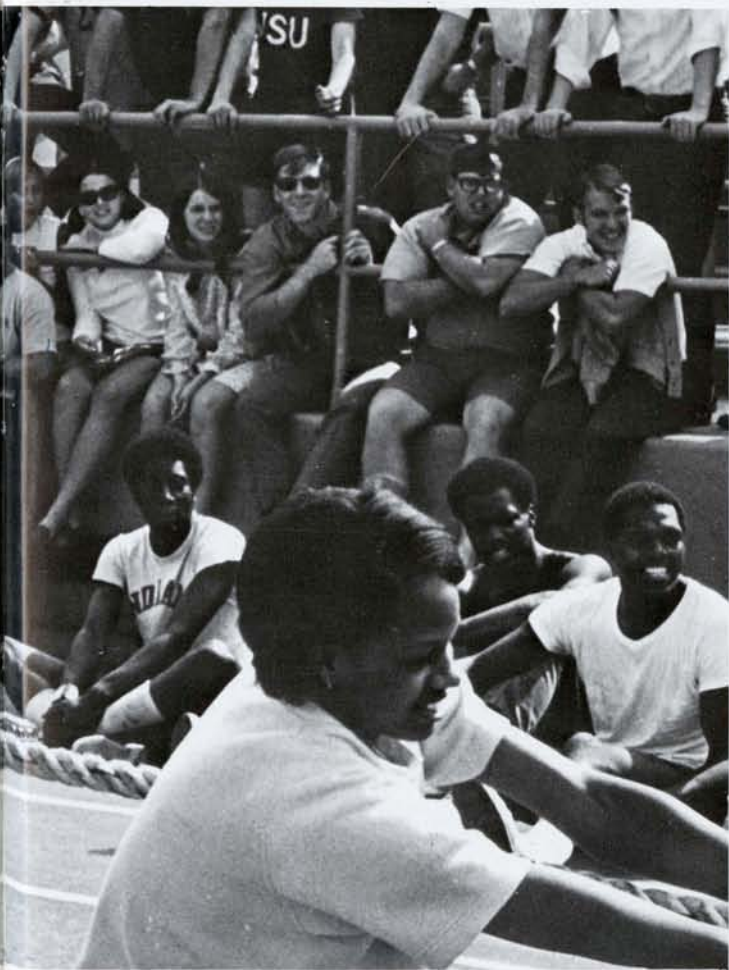

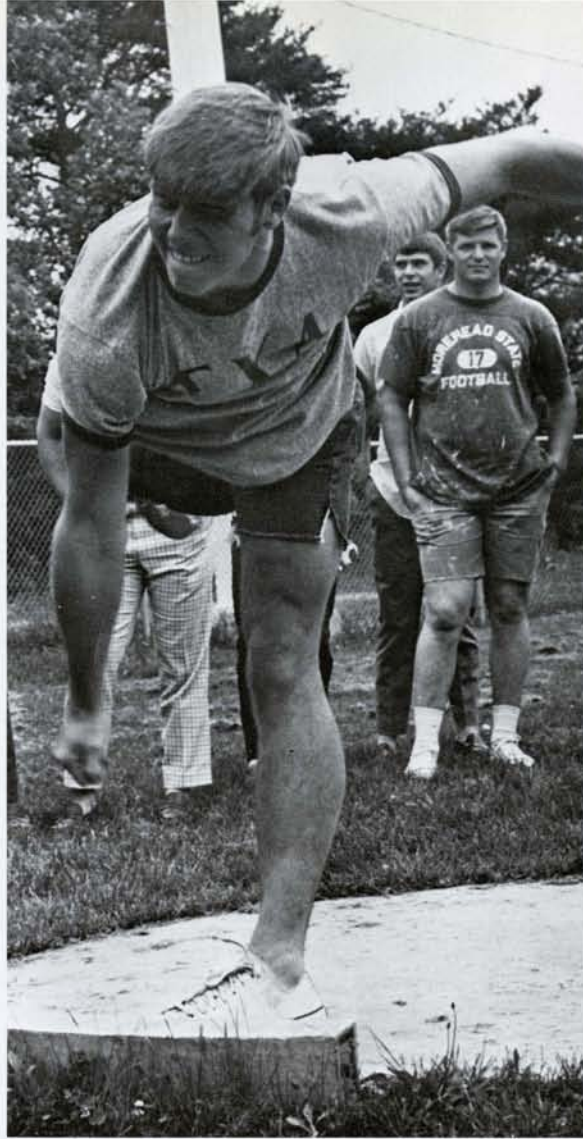

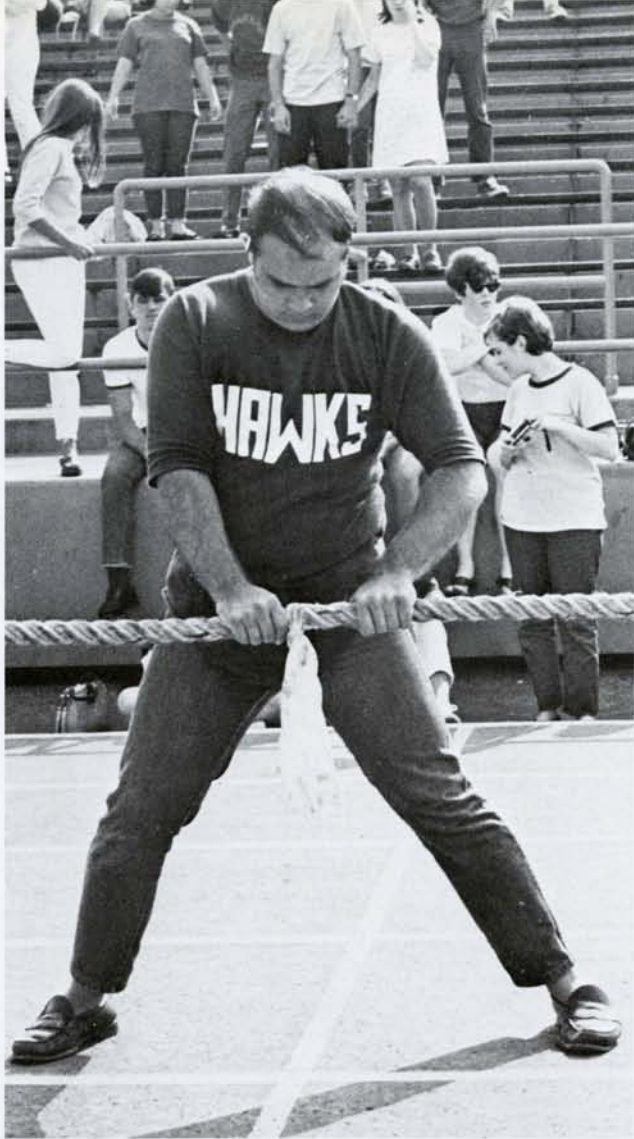

## GREEK WEEK ENDS A YEAR OF CHANGE FOR MSU GREEKS

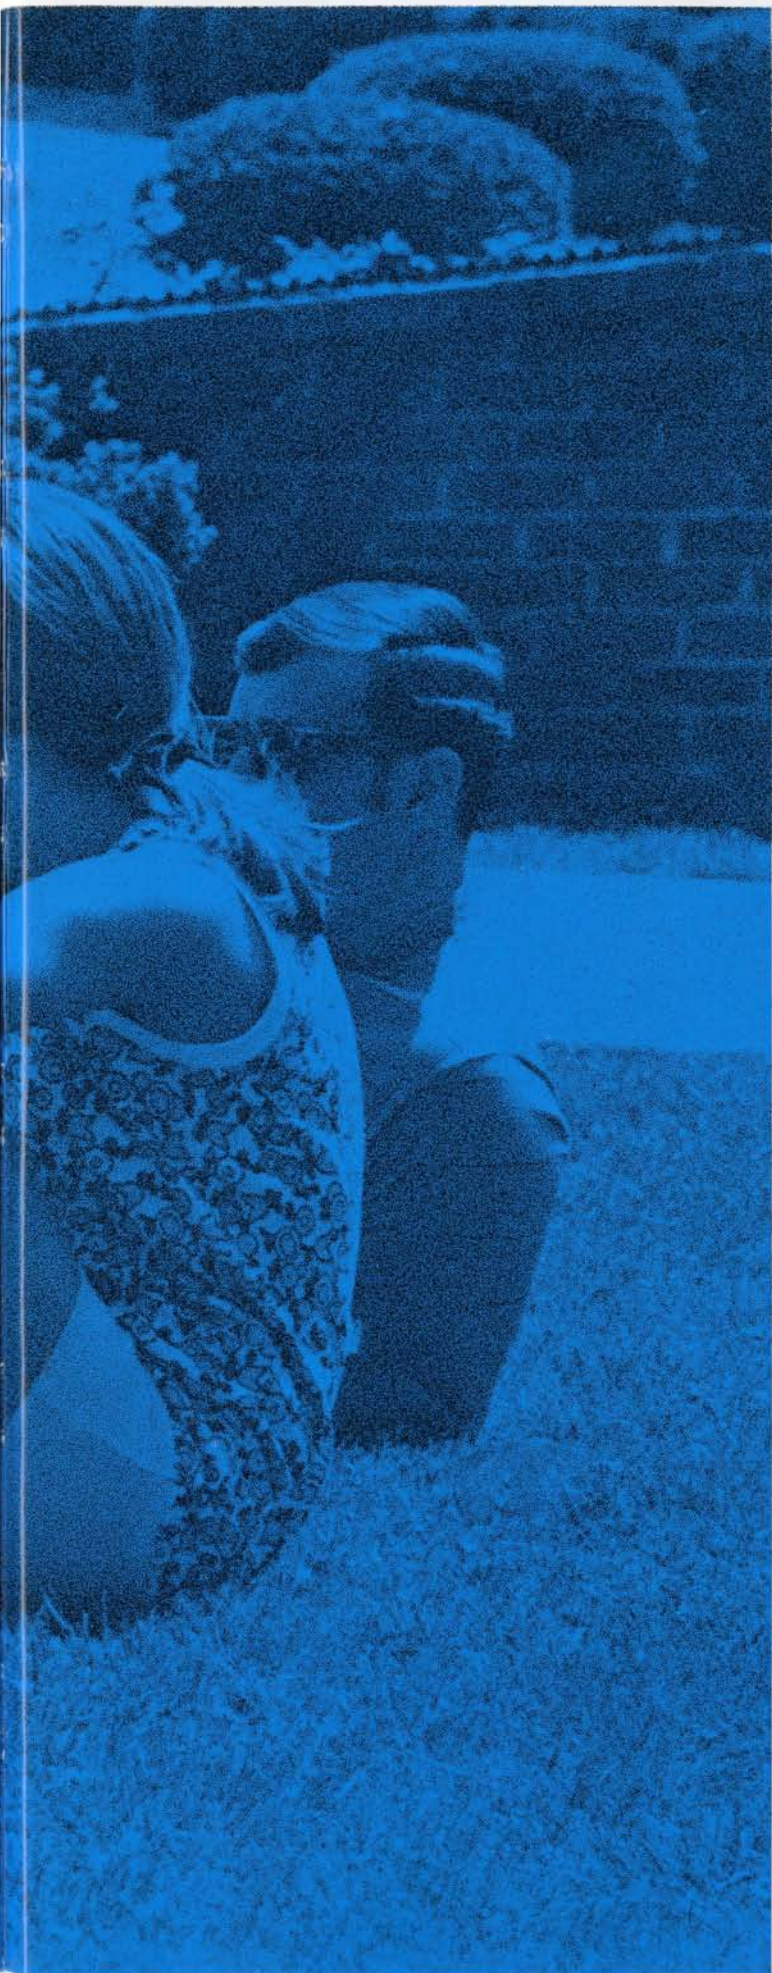

In the busy days of late spring, MSU greeks congregate their forces, their athletes, and their spirit to compete in greek week. At the end of this anxious week, the greeks joined together in an all-greek party, the climax to their busy year.

MSU's greeks have not completely fulfilled their ambitions—they probably never will. They are constantly striving, striving to make a better fraternity—they are benevolent, donating their time and work to many community and campus projects—they are leaders, leading the campus in many positions—they are changing, changing into nationals, changing the campus, changing themselves—they are searching for the new brother, the new sister, searching for new meaning, and new definitions, for answers—they are fraternal, fraternally united by common interests, goals, aims, and by a life-long experience called brotherhood.

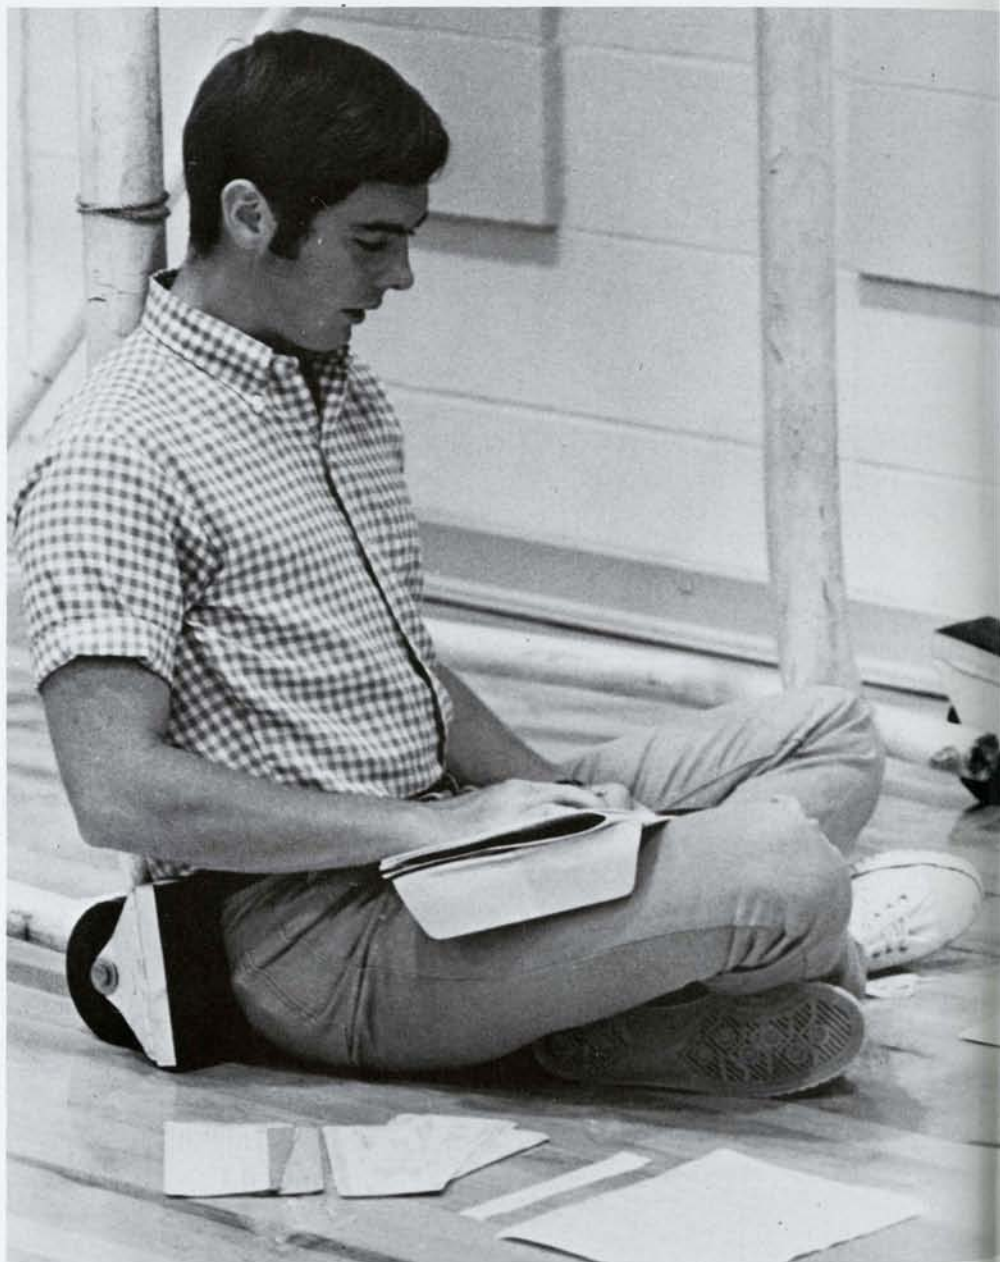

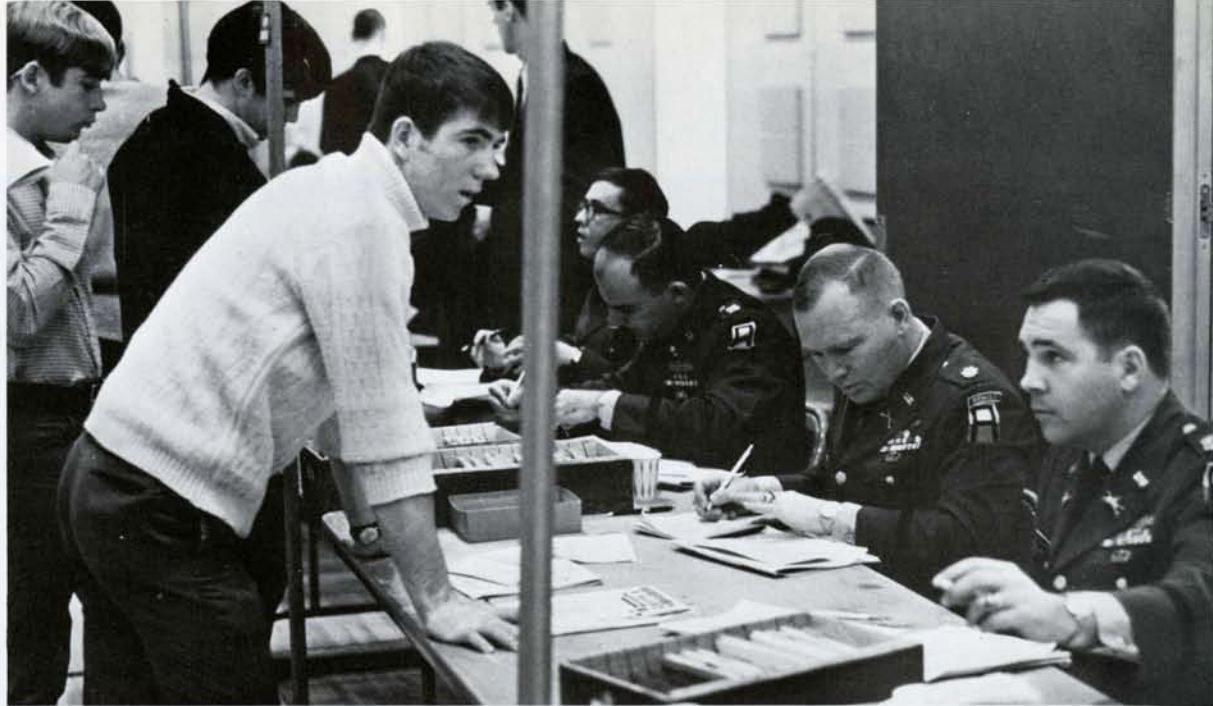

# STUDENT LIFE

# REGISTRATION PROCEDURES PERPLEX FRESHMEN

Perhaps the most perplexing part of student life is the seemingly endless task of registration for classes at the beginning of each semester.

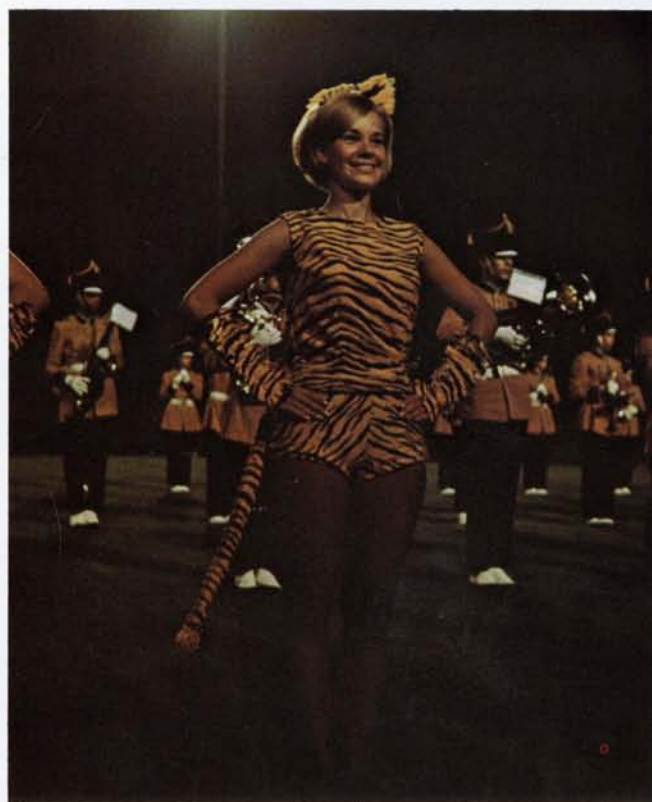

In 1969 Morehead administrative officials worked several improvements into the registration system including a better method for adding courses to the schedule and simplified data processing cards.

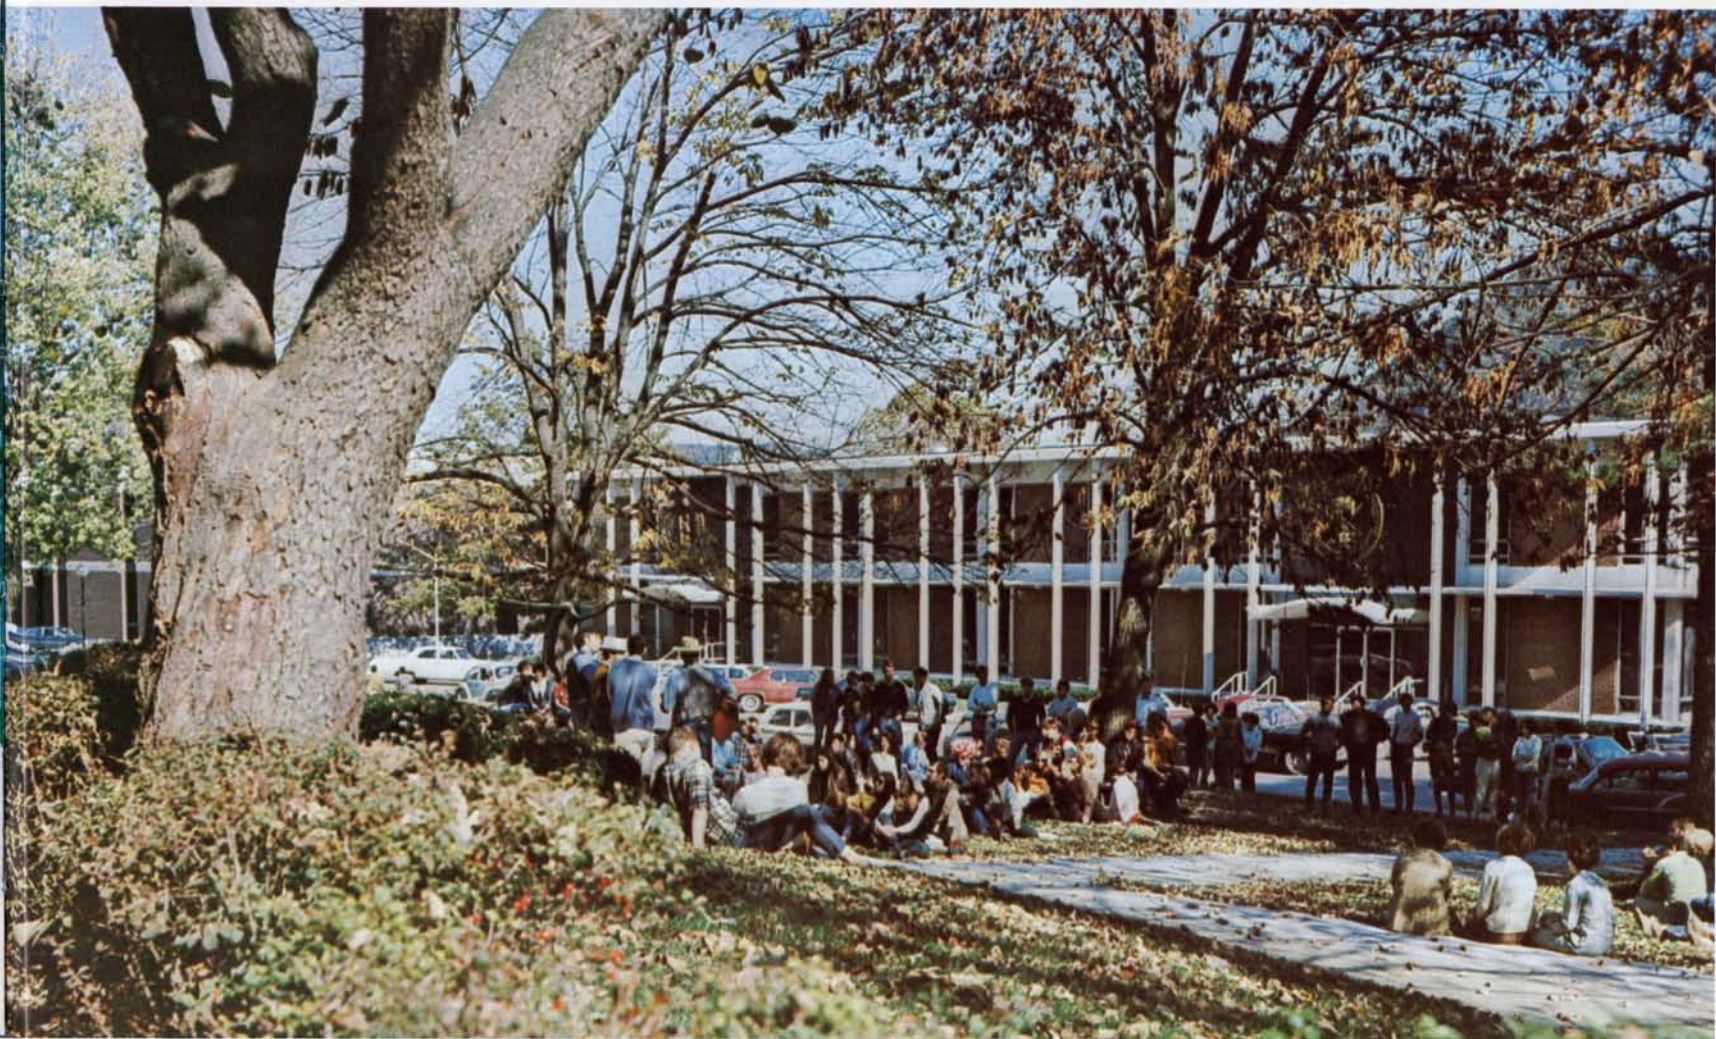

# FALL COLORS BRING ACTIVE STUDENTS OUTSIDE

Fall at Morehead State University is the most colorful time of the year as the campus turns to hundreds of different colors, and the excitement of football, pep rallies and new found friends dominates all thoughts.

Leisure time activities take many of the students into the surrounding country side for last chance picnics before the onset of winter.

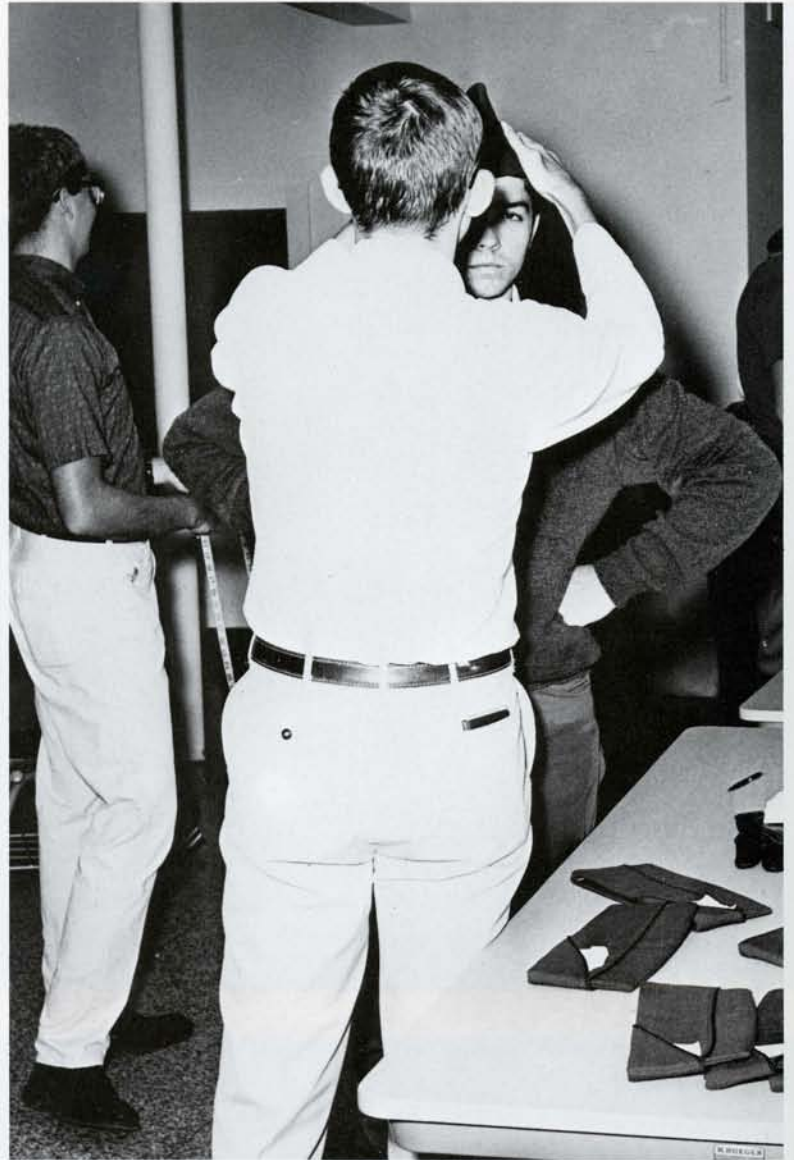

# ROTC HAS SUCCESSFUL FIRST YEAR

The newly formed Department of Military Science at Morehead State University had a successful first year in 1969, and the skills of the cadets during the spring reviews were far better than anyone had hoped.

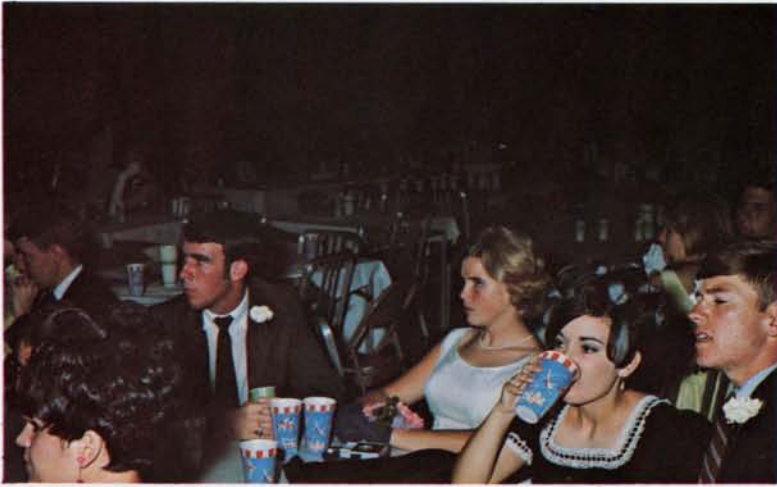

During the Spring the department held its annual Field Training Exercise utilizing the basic course cadets, the advanced course students, the regular army officers and members of the University Veterans Club.

# ROYAL HAS SUCCESS

# ANNUAL HOMECOMING TERMED BEST EVER

Highlighted by the dedication of the Claypool-Young Art Building and a football victory over the Youngstown Penguins, the annual homecoming weekend was thought by many alumni to be the best ever.

Even the weather cooperated as the day dawned with a bright blue sky that remained through the late afternoon receptions.

It all began with a concert by Count Basie in the fieldhouse on Friday evening, and ended with the traditional homecoming dance in the multipurpose room and the crowning of the queen.

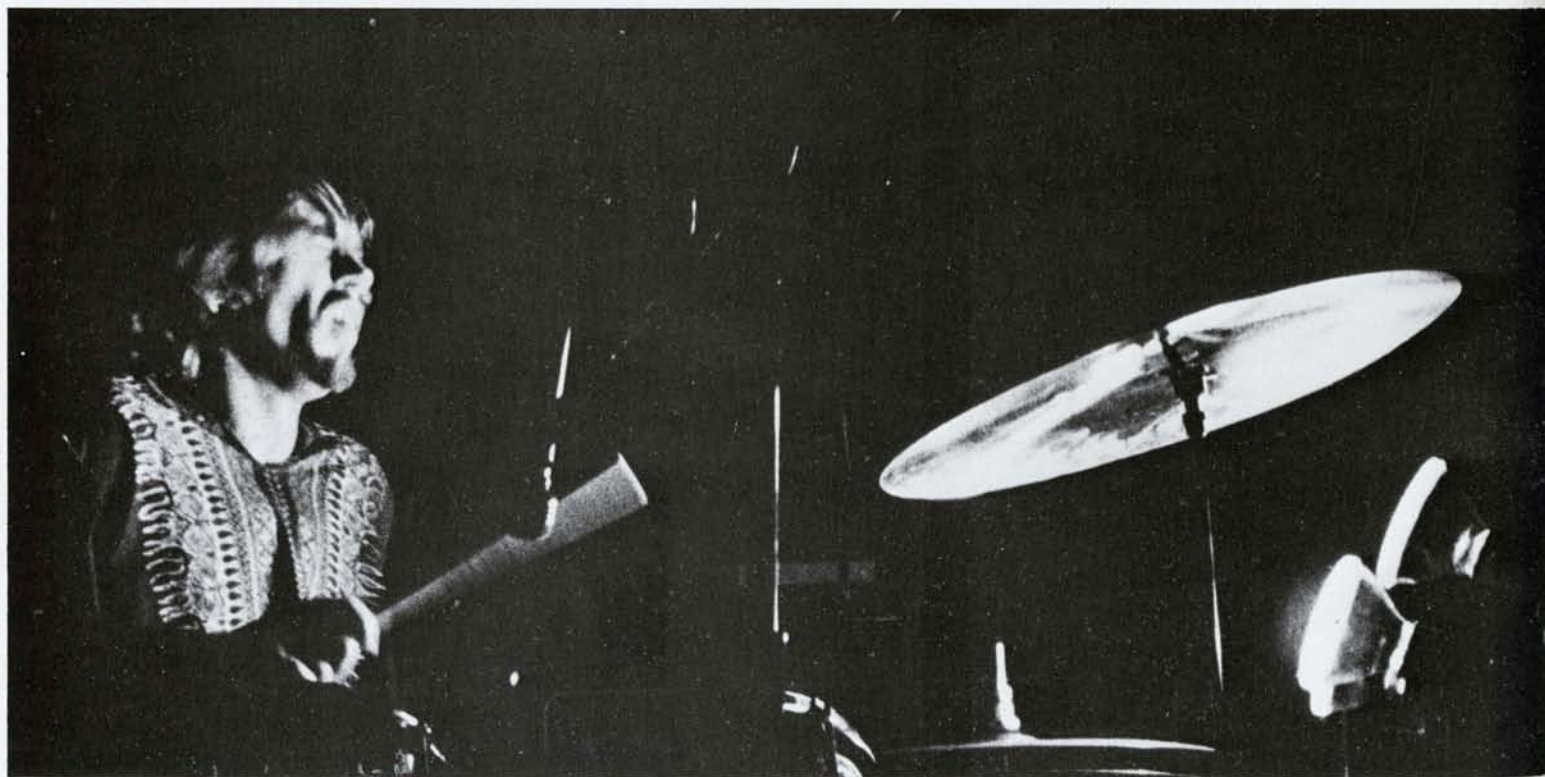

# IRON BUTTERFLY IS FIRST COUNCIL CONCERT

With "S.C. SPECIAL" stamped on several thousand ID cards, the Student Council began a free entertainment series from the student voted head tax.

First on the list of groups to visit the campus was the Iron Butterfly and their concert of hard rock and soul music was well received by the student body.

## WINTER BRINGS SNOW AND P.D.I.

Winter at Morehead is one of the most beautiful times of the year, and though there was less snow in 1969 than in other years, what did fall was enjoyed by all.

P.D.I. became a byword on the campus during the early part of the spring semester, as MSU students went to a classroom where no grades were given.

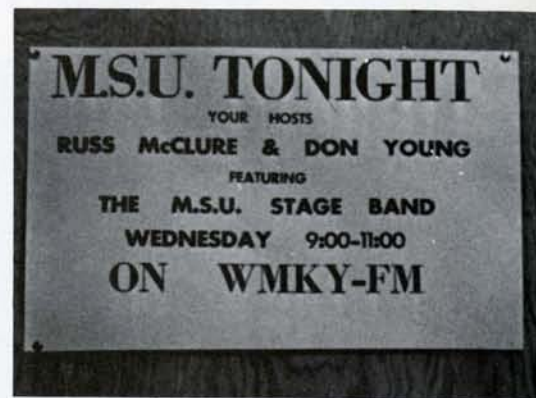

Mrs. Adron Doran brought the Personal Development Institute to the campus as a part of the Bureau of Research and Development. The classes in etiquette and social procedures brought marked changes in the students who participated.

# MSU TONIGHT — A GOOD EVENING

When the campus radio station and the University Stage Band pooled their efforts for a special broadcast the result was an evening enjoyed by all.

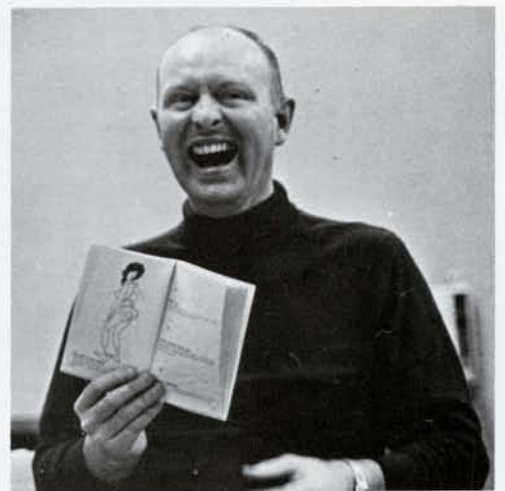

Patterned after the Johnny Carson Tonight Show, the program featured Russ McClure and Don Young as hosts and several students from outside the sponsoring organizations for added talent.

# BASKETBALL MADNESS TAKES CAMPUS

Beginning with the home basketball game against Western Kentucky the campus came alive with talk of post season tournaments and ways to get to them.

Hats bearing "Beat Western" bands were sold by the M-Club, and as the Eagles advanced the club provided replacement bands reading Tennessee Tech, East Tennessee and Murray.

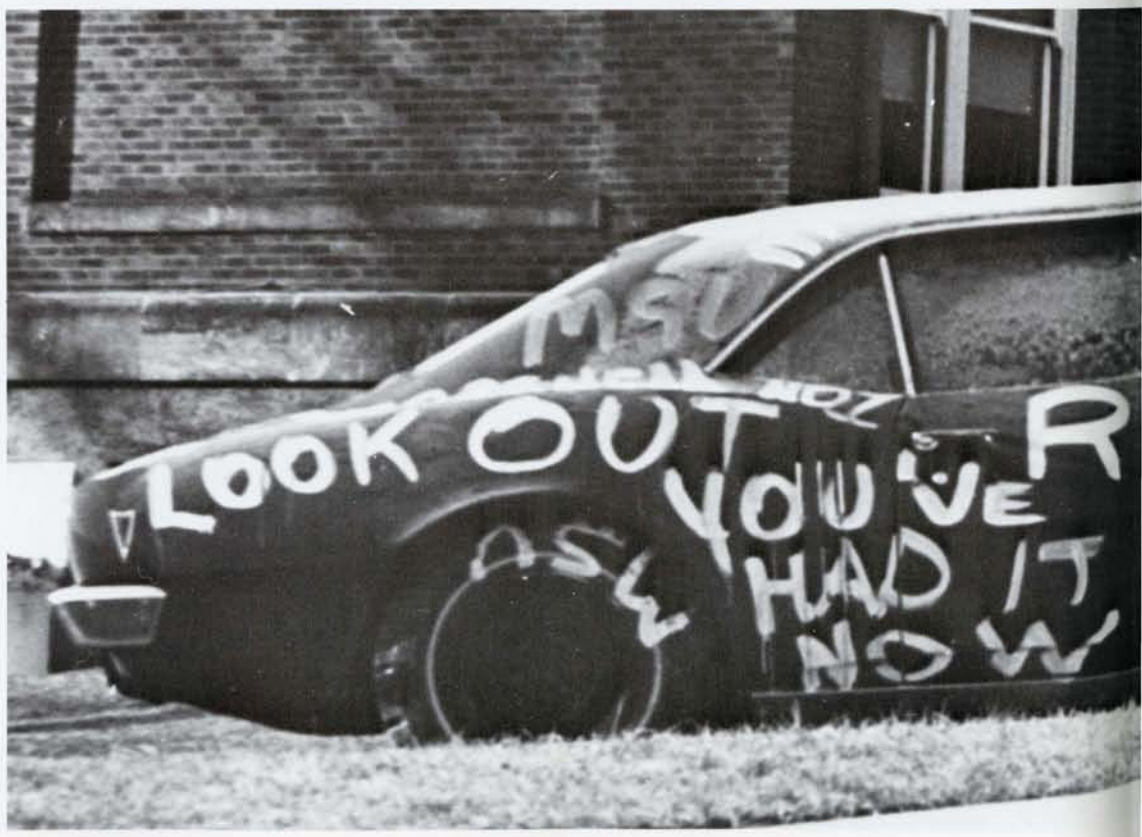

The Eagles did win and grabbed a share of the conference title with Murray.

A playoff was declared at Bowling Green, and nearly 6,000 yelling Morehead fans made the trip to Western for the game. 6,000 quiet fans returned to MSU after the racers soundly trounced the Eagles and advanced to the NCAA tournament.

ANOTHER "S. C. SPECIAL"

## LADIES AND GENTLEMEN . . . THE LETTERMEN

The Lettermen took the Fieldhouse stage for the third Student Council Special concert of the year, and the students went away singing several of their numbers.

Opening with their current best seller, "Put Your Head On My Shoulder", the group continued through "Light My Fire", "Try to Remember", "Windy", "Charish" and "By The Time I Get To Phoenix". Included in the other numbers was an audience participation number, "St. Louis Woman".

# JAY AND THE AMERICANS

Jay and the Americans was the second of the spring semester concerts presented by the student council.

Singing many of their top hits, the group was well received by the student body and was called back for encores numerous times.

# PEACHES AND HERB IS LAST S.C. SPECIAL

The comic and singing group Peaches and Herb was the last scheduled concert in the Student Council series for the Spring Semester.

Backed up by members of the University Stage Band, the group sang, joked and involved the audience in as many of the numbers as they could.

# SECOND MISS MSU PAGEANT IS WELL RECEIVED

The Second Annual Miss MSU Pageant was held in April and was again sponsored by the Interfraternity Council and the Panhellenic Council.

Contestants for the pageant were entered from each sorority and women's residence hall on the campus, and the program featured evening gown, swimsuit and talent competition for each of the girls.

Debbie Bryant, Miss America of 1966 served as Mistress of Ceremonies for the Miss MSU Pageant, and Mary Ann Buddick, the first Miss MSU returned to the campus to crown her successor.

Talent for the second pageant included singing, dancing, reading and art.

The new Miss MSU, Galye Lyon, performed a jazz dance to "Mame" to win the title and advance to the state contest.

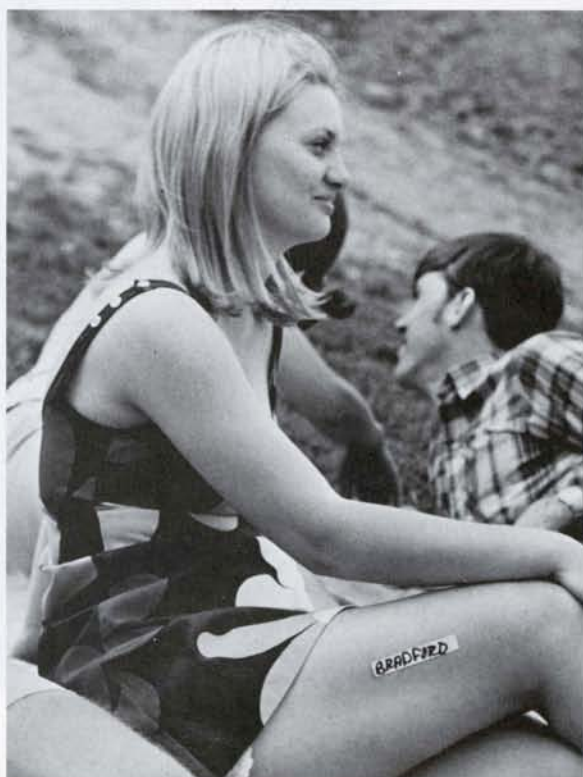

# GAYLE LYON SELECTED AS MISS MSU

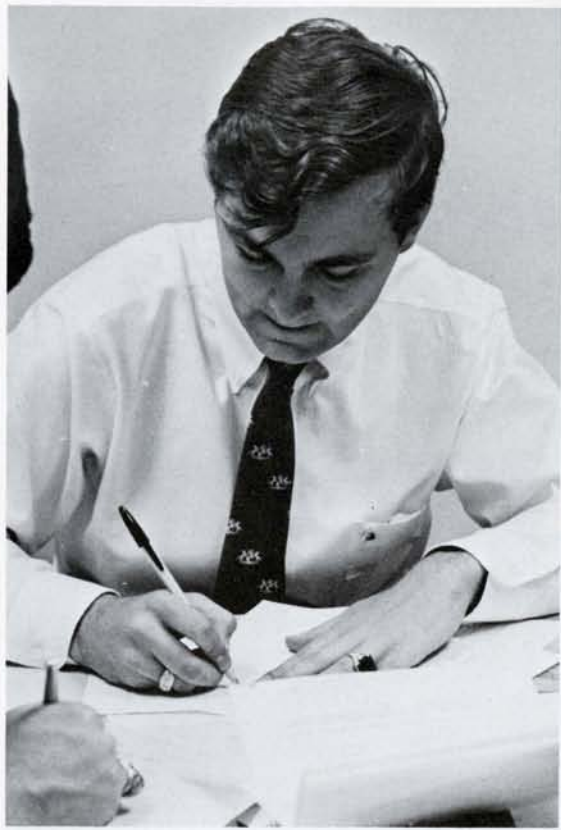

# COUNCIL CANDIDATES GO ON TV

Candidates for Student Council offices went on Television during 1968 as the Department of Instructional Media made time available for broadcast on the Campus Closed Circuit TV Cable.

Presidential candidates Bill Bradford and Darrell Carter also added several other innovative techniques to the campaign trail.

# SPRING COMMENCEMENT FEATURES 10,000th GRADUATE — BLAZER SPEAKS

Nearly 900 Morehead State University students received degrees at the annual spring commencement exercises.

Rexford S. Blazer, Chairman of the Board of Ashland Oil and Refining Co., delivered the commencement address. His speech, "Paradoxes and Perils", pointed out the dangers which are facing intellectual freedom in America.

The hour is sometime just before daylight, the day is sometime in July, I'm not sure just which one. Having just finished the last page, I sit here pounding away with a sore index finger and very blood-shot eyes. The mood is not one of elation or sadness—I'm too tired for such expensive emotions. This is an attempt to justify the other 415 pages of this volume. Those pages, hopefully, have captured and recorded a year at MSU. As these few words are written, an editor's job is finished—the year is over and its record complete.

The editor believed that the true quality of a yearbook must be based on the ability of future scholars to research student life from each edition. With this in mind he has tried to capture not only the events of the year but also the atmosphere and feelings of the student body in 1969.

To the many who worked on the '69 RACONTEUR, I offer an out-of-character but genuinely sincere "thank you." Those to whom special recognition is owed include Diane Vincent, for assistance and understanding, and Dennis Taulbee, an editorial assistant and super-staffer of amazing talent and judgment.

Special thanks are due to Russ Rivard and Gordon Caldwell, Taylor Publishing Company representatives, and Martin Huffman, advisor, who played general manager and did a fantastic job of helping me to keep my "cool" when things got rough.

The '69 RACONTEUR was printed by the offset-Lithography process on 416 pages of Warren Enamel stock by the Taylor Publishing Company of Dallas, Texas.

Portrait pictures were taken by Osborne Photographic Laboratories of Cincinnati, Ohio; and special photographic assistance was given by George Burgess and his university photographic staff.
