Research and Creative Productions Committee
April 2008

PREFACE

The Annual Report of Research and Creative Productions of Faculty and Staff represents a compilation of information as submitted to the Research and Creative Productions Committee by faculty and staff members. The committee has made no effort to assess the artistic or scholarly merit of the entries. The formatting of the entries follows discipline standards.

Only publications, professional meeting presentations, published abstracts, art exhibits, performances, compositions, and research and creative production grants awarded between January 1, 2007, and December 31, 2007, were included in this Annual Report. References to entries forthcoming by being published, performed, or exhibited in 2008 were excluded.

Although all external grants are meritorious, this publication only features research and creative production grants. All external grants are recognized in the annual MSU Today, Focus Edition, published by the Division of University Relations in conjunction with the Division of Academic Affairs, Office of Research and Sponsored Programs and the Research and Creative Productions Committee.

"Architecture and Coding of the KySat-1 Ground Station Software," NASA EPSCOR, PI, \$45,000

CHRISTIE A. PERRY**Assistant Professor of Mathematics****Professional Meeting Presentations**

"Making Sense of Area and Volume Formulas," National Council of Teachers of Mathematics Annual Meeting, Atlanta, GA, March (with Cyrus).

"Promote Probability with Stimulating Simulations," National Council of Teachers of Mathematics Regional Conference and Exposition, Richmond, VA, October (with Cyrus).

"Connecting Probability and Geometry," National Council of Teachers of Mathematics Regional Conference and Exposition, Houston, TX, November (with Cyrus).

SHERIF S. RASHAD**Assistant Professor of Computer Science****Publications**

"PAC-WHN: Predictive Admission Control for Wireless Heterogeneous Networks," *Proceedings of the 2007 IEEE Symposium on Computers and Communications (ISCC'07)*, pp. 139-144, Aveiro, Portugal, July (with Kantardzic and Kumar).

"MSP-CACRR: Multidimensional Sequential Patterns Based Call Admission Control and Resource Reservation for Next-Generation Wireless Cellular Networks," *Proceedings of the 2007 IEEE*

Symposium on Computational Intelligence and Data Mining (CIDM 2007), pp. 552-559, Honolulu, HI, April (with Kantardzic and Kumar).

Professional Meeting Presentation

"Predictive Location Management in Wireless Cellular Network," the 93rd Annual Meeting of the Kentucky Academy of Science, Computer and Information Science Section, University of Louisville, November.

Grant

"Architecture and Coding of the KySat-1 Ground Station Software," KY Space Grant Consortium and Double Matching from MSU (Co-PI), \$45,146.

CHRISTOPHER SCHROEDER**Assistant Professor of Mathematics****Professional Meeting Presentations**

"Survivability of Tablet PCs in a Calc III Environment," KYMAA Annual Meeting, Northern Kentucky University, Highland Heights, KY, March (with May and O'Brien).

"Calculus III on a Tablet PC," Poster Presentation, Kentucky Council on Postsecondary Education 2007 SOTL: Engaging Campus and Community Conference, Lexington, KY, May (with May and O'Brien).

"Calculus to Go: A Mobile Approach to the Calculus," Poster Presentation, HP Technology for Teaching Higher Education Worldwide Conference, Monterey, CA, February.

R. DUANE SKAGGS**Technology Coordinator****Grant**

"Separation Problems on Chessboards," KY NSF EPSCoR Research Enhancement Grant Program, Co-PI, \$25,000 (with Blankenship, Chatham (PI) and Doyle).

DEPARTMENT OF NURSING**DONNA J. CORLEY****Associate Professor of Nursing****Professional Meeting Presentation**

"Nutritional Intake and Nutritional Status of Patients with Heart Failure and Similarly-Aged Healthy Elders," Southern Nursing Research Society.

Grant

"Social, Cultural, and Environmental Factors Affecting Sodium and Other Nutrient Intake of Adults with Heart Failure Living in Central Appalachian Eastern Kentucky," Northeast Kentucky Area Health Education Center and Sigma Theta Tau International-Delta Psi Chapter.

DEPARTMENT OF PHYSICAL SCIENCES

IGNACIO BIRRIEL

Associate Professor of Physics

Professional Meeting Presentations

- "Using Gamma Scout In the Nuclear Science Laboratory," Kentucky Association of Physics Teachers, Lexington KY, March (with Hinds).
- "Nuclear Science Laboratories Utilizing a Multi-Channel Analyzer," Kentucky Association of Physics Teachers, Lexington, KY, March (with Garland).
- "Expanding the Educational Experience in Advanced Physics Lab Using Gamma-Scout," American Association of Physics Teachers, Greensboro, NC, August.
- "The Measurement of Radioactivity in the Sunbury and Ohio Shale and Its Environmental Implications in the Town of Farmers, Kentucky," Kentucky Academy of Science, Louisville, KY, November (with Aldridge).
