General Information

About The University

History

Founded in 1922, Morehead State University has expanded and developed over the last 60-plus years into a multi-purpose regional institution of higher education. A long tradition of service to the people of the Commonwealth of Kentucky runs through its history.

A study of educational needs in the state led to the establishment of Morehead State Normal School, a private institution, in 1922. In 1926, the General Assembly changed the name to Morehead State Normal School and Teachers College, and the growing college was admitted to membership in the Kentucky Association of Colleges. It became Morehead State Teachers College in 1930. In 1941, the college admitted its first international student, and the next year became the site of an electrical training school for the United States Navy.

After the war, offerings and services were broadened, and in 1948 the General Assembly changed the name to Morehead State College—a harbinger of what came to be known as the “breakthrough” period of the 1950s.

During the 1950s, enrollment tripled, the campus acquired its first major structure in 17 years as a huge expansion of physical facilities exceeding \$50,000,000 was undertaken, and educational programs were greatly strengthened and expanded. The sound philosophy of service to the region was greatly strengthened during this period and Morehead State College became the center of regional activities for diverse groups.

Continued growth in the 1960s brought one more change in name—Morehead State University—a reflection of the changing needs of the people of the Commonwealth for higher education. With the change in status in 1966, Morehead State University reached another level in its tradition of service that now has lengthened to more than six decades. The private normal school, turned state normal school with the job of training elementary teachers, has become something its first president, Dr. Frank C. Button, would not have dreamed—a renowned regional university whose offerings reach a broad spectrum of people from all walks of life.

University Purposes

The faculty, staff, and administration are committed to carrying out the following purposes of the university:

1. The university should be a community of students, teachers, administrators, and staff where all pursue intellectual, creative, and technical development.
2. The university should foster an environment in which knowledge may be discovered, integrated, and disseminated for concerns of social significance or for the excitement of research or free inquiry.
3. The university should provide opportunity for students to recognize their potentialities and to acquire the discipline necessary for self-realization.

4. The university should be a place where the interaction of students and teachers committed to excellence creates an atmosphere in which both will be stimulated to accept the challenges of the universe.
5. The university should promote the development of those qualities of leadership necessary to meet the diverse needs of the state, nation, and world.
6. The university should develop programs to fulfill its specific mission of serving the economic, education, social, and cultural needs of Northern and Eastern Kentucky.
7. The university should respond to the demands of the present by utilizing the achievements and values of the past and by exploring the possibilities of the future.

The Campus

At the northeast edge of the city of Morehead lies the campus of Morehead State University, its gently-sloping, wooded grounds covering nearly 500 acres. Campus buildings combine the traditional and the contemporary in an imposing array of modern physical facilities set against the natural backdrop of the Daniel Boone National Forest. The university's physical plant represents an investment upwards of \$100 million in prize-winning and eye-pleasing architecture.

Regional Campus Study

The university conducts an extensive regional-campus education program. Graduate instruction is offered with the Appalachian Graduate Consortium at Pikeville College, at regional centers in Ashland, Jackson, Maysville, Prestonsburg, Whitesburg, and at selected satellite locations. All courses carry resident credit, with the quality of instruction and expected student performance equal to that of on-campus study. For further information concerning regional study contact either the secretary of regional instruction in 201 Ginger Hall, phone 1-800-262-7474 in Kentucky; 1-800-354-2090 in adjoining states; or the regional center coordinators as listed below:

Kentucky Telecommunications Consortium

The university offers several graduate courses through the Kentucky Educational Television network. The KET telecourses are made possible by the Kentucky Council on Higher Education. To obtain college credit telecourse information phone 1-800-262-7474 in Kentucky; 1-800-354-2090 in adjoining states.

International Study

Morehead State University provides study abroad programs for graduate students in Britain and Europe.

As a member of the Cooperative Center for Study in Britain consortium, the university is able to send faculty and students to Britain for educational offerings in a variety of subject areas. Programs include the December/January interim and summer sessions.

MSU is a participant in the Kentucky Institute of European Studies, a consortium allowing university faculty and students to travel to study centers in Paris, France; Bregenz, Austria; Florence, Italy; Madrid, Spain; and Munich, Germany. Courses are offered during the summer and focus on languages, humanities, and social sciences.

Graduate Study

Administration

The Dean. The dean of graduate and special academic programs is responsible for executing policies and regulations governing graduate study. Inquiries concerning graduate study at Morehead State University should be directed to the Graduate Office, located in the Division of Academic Affairs, 201 Ginger Hall, phone 783-2039.

The Graduate Committee. The Graduate Committee consists of two members selected from the graduate faculty of each of the three colleges, three graduate students, and the dean of graduate and special academic programs who serves as chairperson.

The committee is responsible for recommending policies and regulations pertaining to graduate study; for advising the graduate dean in the execution of these policies; for the approval and review of graduate programs, faculty, and courses; and for hearing graduate student appeals:

Advisors. When the graduate student is admitted to a degree program, an advisor from the graduate faculty is appointed. It is the function of this advisor to counsel the student in preparing and completing the program of graduate study. The student should consult the advisor concerning any problems that may arise in connection with his or her work.

Objectives

The graduate programs offered at Morehead State University are designed to meet the needs of three types of students—

1. those who look upon the attainment of the master's degree as their ultimate educational goal;
2. those working toward a non-degree objective beyond the baccalaureate level; and
3. those individuals who plan to pursue specialist and/or doctoral programs.

The specific goals of graduate study are to help the student to:

1. further develop abilities to read and think critically judge values and limitations;
2. improve the skills needed for concise expression—correct and coherent expositions;
3. develop the principles and techniques of research and the accepted forms of reporting research findings;
4. practice creative thinking, initiative, resourcefulness, and responsibility;
5. become specialized in an area through advanced in-depth study; and
6. develop a keen awareness of the significance of current knowledge and developments—of being an informed person.

University Services

Library

The Camden-Carroll Library houses a continually expanding collection of print and non-print materials to meet both informational and personal enrichment student needs. Within the main collection there are several individual collections, e.g., Appalachian/Kentucky, Periodicals, Government Documents and Microforms.

The Learning Resource Center provides non-print media in the form of kits, films, slides, filmstrips, audiotapes, videotapes, and record albums. A microcomputer lab is located in this area with software packages available for use with the microcomputers. Some software may be checked out for a three day period.

The library offers other services to assist in studies and research activities. Among these is the Library On-Line Information Service (LOIS). This service provides access to many computerized bibliographic networks by on-line searching. Interlibrary Loan services are available to obtain materials not owned by the library. Terminals with direct access to the university computer, typewriters, photocopy facilities, and graphic arts services are also provided. Graduate students conducting research may rent locked carrels for use during the academic year.

Information about the library and its resources may be obtained from any library staff member. Specialized tours may be scheduled by calling the reference desk.

The library is open daily. Regular library hours are 8 a.m. to 10 p.m. Monday through Thursday; 8 a.m. to 6 p.m. Friday; 9 a.m. to 4:30 p.m. Saturday; and 2 p.m. to 10 p.m. Sunday. A late night study area is open 9:30 p.m. to 12:30 a.m. Sunday through Thursday. Hours are subject to change during vacation periods.

Computer Services

Morehead State University provides a variety of computing resources in support of instruction, administrative, alumni, and research activities. These resources include six (6) computer systems. For instructional purposes, the university has a PRIME 9955II, PRIME 750, IBM 9375, over 300 microcomputers, and dial-up capabilities to the University of Kentucky for access to its supercomputer system. Administratively, the university uses the PRIME 9955 and PRIME 2350 systems. Also available is a DATA GENERAL 250 system utilized for library activities.

There are numerous devices strategically located throughout the campus to give students, faculty, and staff convenient access to these computing resources. Computing Services staff provide seminars to train users in the proper

use of various hardware and software. The university instructional programs utilize computing resources for programming drill and practice, problem solving, computer-assisted instruction, simulation, record keeping, word processing, research, and other activities.

Academic Assessment Center

The Academic Assessment Center, located in room 501 of Ginger Hall, administers and disseminates information about the national testing programs. Information and registration materials on the Graduate Record Examinations (GRE), the National Teachers Examinations (NTE), the Graduate Management Admissions Test (GMAT), the Miller Analogies Test (MAT), and the Law School Admissions Test (LSAT), may be obtained by writing or calling the Testing and Evaluation Center.

University Counseling and Health Services

The university Counseling Center, located in 322 Allie Young Hall, provides individual and group counseling services without charge to Morehead State University students. Students are encouraged to call for an appointment with a counselor to discuss any personal, social, or career-related problem or conflict.

In addition to individual and group counseling, various workshops and special programs are periodically scheduled to address specific needs of the university community.

The Caudill Health Clinic offers treatment on the campus for acute illnesses and minor injuries similar to those services rendered by a family doctor. Patients who require specialized care are referred to an appropriate specialist in the local area.

Students requiring hospitalization are referred to St. Claire Medical Center, a modern, fully-staffed, 170-bed hospital located a few blocks west of the campus.

Minority Student Services

The Office of Minority Student Affairs provides assistance and support to prospective and enrolled minority students at MSU. Coordination of campus activities is conducted throughout the year to insure provision of educational, cultural, and social programs for minority students while increasing cross-cultural understanding for the total campus community. The Office of Minority Student Affairs is located in 329 Allie Young Hall and is open Monday through Friday from 8 a.m. to 4:30 p.m. The telephone number is 783-2129.

International Student Advisor

The international student advisor provides both undergraduate and graduate international students with assistance and support for admission and orientation, immigration requirements, social and educational adjustment, and cross-cultural programs, as well as participating in the operation of both the Cross

Cultural Center and the Oppenheimer House. International students must consult the international student advisor when:

1. applying to extend visas;
2. transferring to or from the university;
3. temporarily leaving the United States;
4. entering a higher level program or pursuing a second degree at the same level at the university;
5. seeking a work permit for either part-time or summer employment;
6. applying for practical training, first and second six-month periods;
7. changing residence;
8. seeking to bring a spouse and/or relatives to the United States.

The International Student Office is open Monday through Friday from 8 a.m. to 4:30 p.m. during the academic year. Evening and vacation appointments can be scheduled by calling 783-2123 or 783-2759.

Career Planning and Placement Services

The Office of Career Planning and Placement in 321 Allie Young Hall provides career assistance to all Morehead State alumni and current students. Services include individual counseling for career planning, job search counseling, maintenance of credential files, on-campus interviews, career days, interest testing, and related career services. The office is open from 8 a.m. to 4:30 p.m. daily for walk-in visits, or appointments may be arranged by calling 783-2233.

Alumni Association

The Morehead State University Alumni Association, Inc. is an organization operated exclusively for educational and charitable purposes designed to stimulate interest in Morehead State University. Active membership in the association is available to all graduates and former students who make an annual contribution to the MSU Foundation, Inc. Associate membership is available to parents of students and other university friends, who make an annual contribution to the MSU Foundation, Inc., and request membership. All graduates receive publications of the association. Active members receive several benefits such as discounts on concert tickets and season football or basketball tickets, a financial aid program for dependent children, and invitations to special events and activities.

Housing

Graduate students who desire to reside in university housing need to contact the Office of Student Housing for information and applications. All housing arrangements should be made well in advance of the term the student expects to begin graduate study. Full-time students are permitted to live in a university residence. Part-time students who have received special permission from the Office of Student Housing may live in a university residence.

The university maintains modern comfortable housing for both single and

married students. Single graduate students may be eligible for married student housing if the apartments are not needed for assignment to married couples.

Commuting students may stay overnight in campus housing in the event of inclement weather, for academic assignments, or for other necessary reasons. A nominal fee is charged.

Housing is available for students living in residence halls who find it necessary to remain on the campus during periods when the halls are closed.

Food Services

Morehead State University maintains four dining facilities for students' convenience. The Alumni Tower Cafeteria and Alumni Grill are located on the ground floor of Alumni Tower. The Adron Doran University Center Cafeteria and Grill are located on the second floor of the Adron Doran University Center.

Students may use food services on a cash basis or purchase one of a variety of meal plans that are available on a per semester basis. In addition, declining balance Dining Club cards can be purchased at the Adron Doran University Center Cafeteria. All plans and club cards can be used at all food service outlets.

Food Services catering service, phone number 606-783-2017, is available for the convenience and use of the university community. Event planning specialists will provide quality and courteous service to insure success.

Automobile Registration

Students residing on the campus who bring cars must register them with the Office of Safety and Security. Registration information is available from the office in 100 Laughlin Health Building. A fee is assessed to register a vehicle.

An unregistered automobile cannot be parked on the campus, and once registered, the car can be parked only in the designated zone.

Student Publications

The *Raconteur* is the university's yearbook that contains photographs and a written record of the university's previous year. All full-time students receive a free copy, and part-time students may purchase a copy for half price.

The Trail Blazer, the official student newspaper, is published weekly for free distribution on the campus.

Inscape, the biannual literary magazine, solicits poetry, prose, and other creative writing sketches from university students.

Cultural, Religious, and Social Opportunities

Students may take advantage of a variety of extracurricular activities to round out the college experience. Art exhibits, dramatic productions, musical presentations, and athletic events occur throughout the year. Students may also become involved in a variety of student organizations encompassing many interests.

Morehead State University is a state-supported institution and therefore is non-denominational. Opportunities exist, however, for students to participate in

activities sponsored by Morehead's many churches. Several churches maintain student centers adjacent to the campus.

Sexual Harassment Policy

It is the policy of Morehead State University that no members of the university community may sexually harass another. Any employee or student will be subject to disciplinary action or suspension for violation of this policy.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education;
2. submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or
3. such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive employment, educational, or living environment.

Sexual harassment is illegal under both state and federal law. In some cases, it may be susceptible to prosecution under the criminal sexual conduct law.

Students' Rights in Access to Records

This information is provided to notify all students of Morehead State University of the rights and restrictions regarding inspection and release of student records contained in the Family Educational and Privacy Act of 1974 (Public Law 93-380) as amended.

Definitions

1. "Eligible student" means a student who has attained 18 years of age or is attending an institution of postsecondary education.
2. "Institutions of postsecondary education" means an institution which provides education to students beyond the secondary school level; "Secondary school level" means the educational level (not beyond grade 12), at which secondary education is provided, as determined under state law.

I. Students' Rights to Inspection of Records and Review Thereof

1. Any student or former student of Morehead State University has the right to inspect and review any and all "official records, files, and data directly related to" the student. The terms "official records, files, and data" are defined as including, but not limited to:
 - A. Identifying data
 - B. Academic work completed
 - C. Level of achievement (grades, standardized achievement test scores)
 - D. Attendance data

- E. Scores on standardized intelligence, aptitude, and psychological tests
 - F. Interest inventory results
 - G. Family background information
 - H. Teacher or counselor ratings and observations
 - I. Verified reports of serious or recurrent behavior problems
 - J. Cumulative record folder
2. The institution is not required to make available to students confidential letters of recommendation placed in their files before January 1, 1975.
 3. Students do not have the right of access to records maintained by the university's law enforcement officials.
 4. Students do not have direct access to medical, psychiatric, or similar records which are used solely in connection with treatment purposes. Students are allowed the right to have a doctor or other qualified professional of their choice inspect their medical records.
 5. Procedures have been established by the university for granting the required access to the records within a reasonable time, not to exceed 45 days from the date of the request.
 6. The university shall provide students an opportunity for a hearing to challenge the content of their records to insure that the records are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student.
 - A. *Informal Proceedings:* Morehead State University may attempt to settle a dispute with the parent of a student or the eligible student regarding the content of the student's education records through informal meetings and discussions with the parent or eligible student.
 - B. *Formal Proceedings:* Upon the request of either party (the educational institution, the parent, or eligible student), the right to a hearing is required. If a student, parent, or educational institution requests a hearing, the vice president for student affairs shall make the necessary arrangements. The hearing will be established according to the procedures delineated by the university.

II. Restrictions on the Release of Student Records

1. Morehead State University will not release records without written consent of the students except to:
 - A. Other local educational officials, including teachers of local educational agencies who have legitimate educational interest.
 - B. Officials of other schools or school systems in which the student intends to enroll, upon the condition that the student be notified of the transfer and receive a copy of the record desired, and have an opportunity to challenge the contents of the records.
 - C. Authorized representatives of the comptroller general of the United States, the secretary of health, education, and welfare, or an administrative head of an education agency, in connection with an auditor evaluation of federally supported programs; or
 - D. Parents of dependent students.

2. Morehead State University will not furnish personal school records to anyone other than the described above unless:
 - A. Written consent of the student is secured, specifying the records to be released, the reasons for the release, identifying the recipient of the records, and furnishing copies of the materials to be released to the student; or
 - B. The information is furnished in compliance with a judicial order or pursuant to a subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of compliance therewith.

III. Provisions for Students Requesting Access to Records

1. The student or former student must file a certified and official request in writing to the registrar of the university for each review.

IV. Provisions for Authorized Personnel Requesting Access to Records

1. Authorized personnel must provide positive identification and indicate reasons for each request for examination.
2. Authorized personnel who have legitimate educational interests may review students' records, showing cause.
3. Other persons must have specific approval in writing from the student for release of information. This approval must specify the limits (if any) of the request.

Financial Information

Fees

The current registration fee per academic semester for full-time Kentucky resident graduate students is \$610. For full-time graduate students who are not residents of Kentucky, the fee is \$1,750. THESE FEES DO NOT INCLUDE THE STUDENT ACTIVITY FEE ON CAMPUS ASSESSED FULL-TIME STUDENTS.

For part-time Kentucky residents, the rate is \$68 per semester hour of credit, while for those part-time graduate students who are not residents of Kentucky, it is \$195 per semester hour of credit.

Students registered for six hours of thesis or applied project will be assessed a \$10 continuation fee each semester that they are not enrolled for any other courses until the thesis or applied project is either completed or officially dropped.

Registration fees are determined by the Council on Higher Education in Kentucky and by the Morehead State University Board of Regents. All fees are subject to change periodically.

From day following second class session to end of third class session	25%
Beginning with the day following third class session there will be no refund.	

Assistantships

A number of graduate assistantships are available each year for graduate students who have been admitted unconditionally to a degree program. A graduate assistant must be a full-time student who must maintain a 3.0 grade-point average and register for 9 to 12 hours of graduate credit each semester. Twenty hours a week must be devoted to the duties of a full assistantship. A stipend of \$3,000 is paid for the academic year. The recipient pays the regular Kentucky resident and incidental fees.

Applications for graduate assistantships are available in the Graduate Office, 201 Ginger Hall.

Financial Aid

Financial aid in the form of work and loans is available to eligible graduate students at Morehead State University.

Under the Federal College or Institutional Work-Study Programs, graduate students (other than those on graduate assistantships) may be employed on campus for up to a maximum of 20 hours per week. The pay rate for all work-study programs is the current minimum wage.

Low-interest federal loans available to graduate students include Carl Perkins Loans, Guaranteed Student Loans (GSLs), and SLS loans. Interest rates on these loans range from 5 to 12% and, in general, repayment does not begin until six months after the student leaves school or graduates.

To apply for financial aid, students must submit a Kentucky Financial Aid Form and an MSU Student Financial Aid Personal Data Sheet. These forms are available in the Office of Financial Aid, 305 Howell-McDowell Administration Building. The phone number is (606) 783-2011.

Financial Aid Satisfactory Progress Standards

The Higher Education Act of 1965, as amended by Congress in 1980, mandates that institutions of higher education establish minimum standards of "satisfactory progress" for students receiving financial aid. The following satisfactory progress standards are applicable to all federal, state, and financial aid programs administered by Morehead State University.

In order initially to receive or to continue to receive financial aid, a graduate student must demonstrate satisfactory progress by meeting all of these requirements:

1. The student must complete successfully a minimum of 75 percent of the credit hours attempted during the last semester of enrollment. Successful completion for this purpose is defined as receiving a "C" or better.
2. The student must maintain a minimum 3.0 cumulative grade-point average.
3. The student must have attempted no more than 45 graduate hours at Morehead State University. (Exception: Students pursuing a clinical psychology program will be permitted to attempt no more than 80 graduate hours at this institution.)

Policies and Procedures

The specific policies and procedures to be used in applying the satisfactory progress standards are outlined below:

1. Satisfactory progress will be evaluated at the close of each semester. (Exception: For the Guaranteed Student Loan and the SLS Loan programs, evaluation will be completed prior to the certification of the loan application.)
2. Hours attempted for purposes of this policy will be defined as those for which a student receives a grade of A, B, C, D, E, F, I, R, U, or N.
3. For graduate students, grades of D, E, F, I, R, U, and N will not qualify as successful completion of hours attempted.
4. Non-credit remedial courses, courses taken for audit, and courses in which grades of K, P, or W are received are not figured in the calculation of a student's grade-point average and therefore are not calculated as hours attempted or completed in determining satisfactory academic progress.

5. If otherwise eligible, students will be given financial aid during a term in which they may be repeating a course.
6. Transfer credits from other postsecondary institutions will not be used to determine satisfactory progress.
7. A student who fails to maintain satisfactory progress as defined will not be permitted to receive federal, state, or institutional financial aid.

Procedure for Appeal of Satisfactory Progress Standards

Students who fail to meet satisfactory progress standards as defined may appeal the ruling to the Office of Financial Aid if they believe mitigating circumstances led to their failure to maintain satisfactory progress. Appeals must be written on the Satisfactory Progress Appeals Form with attached supporting documentation. Copies of the appeal form may be obtained in the Office of Financial Aid. Students will be notified in writing of the action taken as a result of their appeals.

Reinstatement of Financial Aid Eligibility

Should a student's financial aid eligibility be terminated for failure to maintain satisfactory progress as defined, the eligibility for financial aid will not be reinstated until the student enrolls for a subsequent academic term (fall, spring, or summer term) at his or her own expense and completes the term satisfying the satisfactory progress definition.

Financial aid eligibility will be reinstated immediately for all students whose appeals are upheld.

Residency for Fee Assessment Purposes

The Council on Higher Education for the Commonwealth of Kentucky, in accordance with Section 164.020(3), of the Kentucky Revised Statutes, has adopted the policy by which residency for fee assessment purposes is defined and determined. The policy is applied to determine a student's eligibility for fees assessed Kentucky residents who enroll at any state-supported institution of higher learning in the Commonwealth of Kentucky. This determination is made at the initial time of enrollment.

Every student who is not a resident of Kentucky as defined by the policy enacted by the Council on Higher Education is required to pay non-resident registration and/or entrance fees.

Any student or prospective student in doubt concerning his or her residency status must bear the responsibility for securing a ruling by completing an Application for Student Residency Reclassification for Fee Assessment Purposes and returning it to the Non-Resident Fee Committee, c/o Assistant Director of Admissions, Morehead State University. The student who becomes eligible for a change in residence classification, whether from out-of-state or the reverse, has the responsibility of immediately informing the Office of Admissions of the circumstance in writing.

Procedure for Determination of Student Residency Status for Fee Assessment Purposes

1. A student wishing to apply for a change of residency status completes the Application for Student Residency Reclassification for Fee Assessment Purposes and submits it to the Assistant Director of Admissions. In cases where the Assistant Director of Admissions desires, counsel may be sought from the Non-Resident Fee Committee. The student will be notified of the residency status decision by the Assistant Director of Admissions.
2. If the student wishes to appeal the decision of the Assistant Director of Admissions and/or the Non-Resident Fee Committee, he or she may do so by requesting in writing that a copy of his or her file be submitted to the Executive Director of the Council on Higher Education for referral to the Council's Committee on Residency Review.

Student Responsibilities

It is the responsibility of the graduate student to become thoroughly informed about the general regulations for graduate study and the specific program of study requirements as stated in this catalog. The graduate student also is responsible for completing all program requirements within the permitted time limit.

A plea of ignorance of the rules in requesting a waiver of the general regulations or program requirements as stated in this catalog will not be accepted. If an exception is to be made, based upon extenuating circumstances, such a request must be approved by the graduate dean and/or the Graduate Committee.

Admission to Graduate Study

General Requirements

Admission to graduate study is granted to students who meet the academic requirements and who hold a baccalaureate degree from Morehead State University or some other accredited institution of higher education, and to certain qualified Morehead seniors. A minimum grade-point average (g.p.a.) of 2.5 on all undergraduate work and satisfactory scores on the Aptitude Graduate Record Examinations (Graduate Management Admissions Test for the MBA program) are required for unconditional admission.

Types of Admission

Students may be admitted to graduate study in any one of several categories:

1. **Unconditionally**—Students who meet the requirements for both general admission to graduate study, and for a particular degree program.
2. **Conditionally**—Students who meet the general requirements for admission to graduate study, but fail to satisfy one or more special requirements for admission to a particular degree program. This is a temporary classification, and must be changed as soon as the specified conditions are satisfied.
3. **Unclassified**—Students who meet the requirements for admission to graduate study, but do not wish to work for a degree. Such students should note that no more than nine semester hours of credit earned as an unclassified student may later be applied toward a degree, and only then at the discretion of the advisor and the dean of graduate and special academic programs.
4. **To Qualify**—Students whose undergraduate grade-point average is slightly below 2.5, but not less than 2.3. Students so admitted may, after completing a minimum of 12 semester hours of work with at least a g.p.a. of 3.0, be considered for admission to a degree program. Upon admission to a program, six of the 12 semester hours of credit may be counted toward meeting degree requirements.
5. **To a Non-degree Program**—Students who wish to do a planned graduate program that leads to renewal or additional certification, but not to a degree. Prerequisites are a baccalaureate degree and a teaching certificate.
6. **Visiting Students**—Students who have been admitted to a graduate degree program in another institution. Such a student may enroll at Morehead State University by submitting a visiting student application upon which his or her graduate dean or registrar certifies that he or she is in good standing and has permission to enroll for graduate work at Morehead State University. A transcript of previous work is not needed.
7. **Seniors at the university**—Students in the final semester of undergraduate study who have a minimum g.p.a. of at least 2.5 may apply to enroll concurrently in courses for graduate credit according to the following limitations:

Semester Hours of Undergraduate Credit Needed	Semester Hours of Graduate Credit Allowed
9	3
6	6
3	9

If the work for a baccalaureate degree is being completed during a summer term, the combined course load is not to exceed six semester hours. Application for permission to take graduate courses is made to the dean of graduate and special academic programs prior to registration. Forms are available in the Graduate Office. Seniors taking graduate courses pay undergraduate fees. If for any reason requirements for the baccalaureate degree are not completed during the term in question, no further permission will be given to register for graduate courses until regular admission to graduate study has been granted.

Special Admission

There are two groups of students who must meet special admission requirements.

- International students**, when qualified for admission, are required to take the English Language Institute Test of the University of Michigan or the Test of English as a Foreign Language (TOEFL) given by the Educational Testing Service. A TOEFL score of 500 is required for admission to all graduate programs except the Master of Business Administration program, which requires a score of 525 for admission. International students who have completed a bachelor's degree from an accredited college or university in the United States are exempt from this requirement. International students will be officially admitted and issued a Form I-20A only after the Graduate Office has been notified that they have passed the English Test successfully and have submitted a statement certifying their ability to meet all financial obligations. The TOEFL examination is given regularly in most foreign countries. For further information regarding these tests, the applicant should contact the U.S. Consul in the country of residence. International Student Orientation is required of international students (see GOVT 101 in Undergraduate Catalog).
- Graduates of non-accredited colleges** must meet the MSU requirements for graduation before their applications for graduate study will be approved. If a student's undergraduate preparation is inadequate, this deficiency must be satisfied by taking designated courses that will not be counted as graduate credit. Courses at the 600 level will not be acceptable for this validation work. A minimum of 12 semester hours of credit for such work is required. This deficiency also may be satisfied by presenting an Aptitude Graduate Record Examination score of 1,500 or better.

Applications

Graduate study applications may be obtained from the campus Graduate Office, graduate program departments, or regional program coordinators.

Applications are returned to the Graduate Office, 201 Ginger Hall. From this office the applications are forwarded to the appropriate departments for evaluation and admission recommendations made to the graduate dean, who serves as the official graduate program admitting officer.

Changing Program

To change a program, the student must file an official change of program form in the Graduate Office. No change is effective until approved by the graduate dean.

The Second Master's Degree

Students completing one master's degree may apply for admission to another degree program. To complete a second master's degree, a student must:

1. meet admission and candidacy requirements;
2. complete a minimum of 15 semester hours of Morehead State University residence credit in approved courses. (Additional courses may be necessary to meet the degree requirements.)

A student who enters the master's degree program after completing the non-degree Fifth-Year Program must:

1. present satisfactory Graduate Record Examination scores;
2. be admitted to candidacy;
3. complete a minimum of 15 semester hours of Morehead State University residence credit. (In meeting specific degree requirements, a minimum of 18 semester hours will be required if only 12 semester hours of graduate work was done for the Fifth-Year);
4. pass a final examination.

Catalog Applicable

The university is obligated to abide by the program requirements listed in the Graduate Catalog at the time a student begins a particular course of study provided that the program is completed within the acceptable time limit. A student may elect to meet subsequent regulations cited in a later Graduate Catalog.

Certification Eligibility

Certain graduate programs also are designed to meet certification standards required by public or private agencies outside the university. Completion of these academic programs usually provides the basis for a recommendation for certification or entry into the certification examination. Final determination of the student's eligibility rests with the certifying agency at the time of application.

Degree Requirements

The university requirements for all master's degrees are:

1. A minimum of 30 semester hours without a thesis, or 24 semester hours with an acceptable thesis.

2. A minimum of 15 semester hours of credit must be earned *after* admission to candidacy.
3. No credit earned by correspondence or through testing programs may be applied on the requirements for the master's degree.
4. A minimum of 18 semester hours of graduate work must be completed in residence. Not more than nine hours of approved transferred work will be accepted toward the minimum requirements for the master's degree.
5. Fifty per cent of the *total* course work (minimum of 15 semester hours) must be earned in courses open only to graduate students (courses numbered 600 and above).
6. Fifty per cent of the total course work (minimum of 15 hours) must be earned in one field of study.
7. A minimum average of B is required on all work offered for the degree, and no credit is allowed for a mark below C.
8. A minimum of 20 semester hours must be earned in regular, organized classes other than television, independent study (excluding thesis), special problems, or workshops.
9. Satisfactory completion of a comprehensive exit examination.
For specific requirements of a particular program (which may go beyond the minimum), consult the section on the appropriate program.

Time Limitation

From the time a student begins work on any graduate program, he or she has 10 years in which to complete it. If a degree or program is not completed within the required time, suitable courses must be completed to replace those more than 10 years old.

Transfer Credit

A maximum of nine semester hours of graduate credit earned at another institution may be accepted toward meeting requirements for the graduate program provided:

1. the credit has been earned at an accredited graduate institution within 10 years of the date on which the graduate program requirements are completed;
2. the work is acceptable as credit toward a comparable program at the institution from which transfer is sought;
3. the courses to be transferred carry a mark of B or better, and the student has maintained a g.p.a. of at least 3.00 (on a 4.00 point scale) on all graduate work shown on the transcript; and
4. the courses are approved by the graduate dean and the chair of the department in which the program is located. Approval may be based on the evaluation of an institution using these criteria: length of the instructional term, frequency and length of class sessions, availability of library services, course syllabus and/or statement of requirements, and faculty member's qualifications.

Transfer credits taken during the final semester of a program will delay program completion until official transcripts of the courses have been received in the Graduate Office.

Admission to Candidacy

A student is eligible for candidacy consideration for a master's degree when:

1. At least nine, but not more than 15 semester hours of credit, have been completed with a minimum grade-point average of 3.0 (on a 4.0 scale), and
2. A recommendation initiated by the student has been received in the Graduate Office signed by the advisor and department chair.

Thesis

Prior to beginning work on a thesis, the student should come to the Graduate Office for a copy of the official guidelines.

A minimum of two copies of the final draft of the thesis, signed by the student's committee, must be submitted to the graduate dean at least one week prior to the end of the term in which the student anticipates completing all degree requirements.

Once a student has registered for six hours of thesis/applied project, a \$10 continuation fee is assessed from that student each semester that he or she is not enrolled for any other course(s) until the thesis/applied project is completed or the student officially withdraws from the six hours.

Comprehensive Exit Examination

The student must pass a final comprehensive examination—oral and/or written—in the field of study. This examination will include the defense of the student's thesis, if one is written.

Applying for the Degree

The student must file an application for the master's degree before his or her name will be placed on the list of graduates. This application should be made in the Graduate Office a minimum of two months prior to commencement.

Commencement

Commencement exercises are held at the close of the fall and spring semesters, and in August following the completion of the summer sessions.

All students who have met degree requirements are expected to participate in the graduation exercises unless given prior permission to be absent. Forms for requesting permission to graduate in absentia are available in the Office of Registrar located in 101 Ginger Hall.

Student Course Load

The minimum full-time graduate load for a semester is nine semester hours; for each summer term, it is three semester hours. The maximum load is 15 hours for a semester and six hours for each summer term.

A graduate assistant may not exceed 12 semester hours credit during a regular semester or four semester hours during each summer term.

Students who are employed full time may not carry more than six hours of credit per semester.

A student who wishes to change his or her course load after registration by adding or dropping a course may do so only by completing an official drop/add form.

Course Numbering

Numbers from 500 to 599 preceding a course title mean that it may be taken for graduate credit, while numbers from 600 to 699 preceding a title mean the course can be taken for graduate credit only.

Marking System

The faculty evaluates the work done by the graduate student on the following scale:

A—Superior work

B—Average

C—Below average, but counts as graduate credit

D—No credit allowed

E—No credit allowed

I—Work not completed by semester's end

IP—Thesis, applied project, or other major research in progress

The I mark provides a one-half semester for completion of course work that cannot, because of extenuating circumstances, be completed by the end of the term. If the course requirements are not finished by mid-term of the next semester, the I mark will be changed to a failing grade. An I mark will be considered a neutral factor in calculating a student's grade-point average. All other graduate grades are counted in computing the grade-point average.

An IP grade is used to denote the continuation of an applied project, thesis, or major research project undertaken in lieu of a thesis. The IP must be changed to either a passing or failing grade within the time limit allowed for completion of a graduate degree program. An IP grade will remain a neutral factor in determining a student's grade-point average. All other graduate grades are counted in computing the grade-point average.

With prior approval of the Graduate Committee, the IP grade may also be utilized for a 670 numbered research course that cannot be finished in one and one-half semesters. The Graduate Committee will also determine the time period during which the IP must be changed to a passing or failing grade.

Repeating Courses

A course in which a student received either a passing or failing grade may be repeated. However, both grades are used in computing the grade-point average. If both of the grades earned are C or better, the semester hours will be counted only once toward meeting program requirements. All other graduate grades are counted in computing the grade-point average.

Auditing Courses

An auditor is one who enrolls and participates in a course without expecting to receive academic credit. The same registration procedure is followed and the same fees charged as for courses taken for credit. An audited course is not applicable to any degree or certificate program. Audit enrollment will not be considered a part of the minimum number of hours required to determine full-time status or normal load. Audit enrollment will be counted in determining overload.

Regular class attendance is expected of an auditor. Other course requirements, which may be obtained in writing from the instructor, will vary depending on the nature of the course. Students interested in auditing a course should contact the instructor and discuss course requirements prior to enrolling. Failure to meet audit requirements for the course may result in the auditor being withdrawn from the course at the request of the instructor with a "WY" (Audit Withdrawal) entry made on the student's transcript. A successful audit will be recorded on the transcript with the designation "Y." Any change from audit to credit must be done by the last day to add a class. Changes from credit to audit must also be done by the last day to add a class. Deadlines for change of registration status are published in the current Directory of Classes. Refunds for withdrawals from audited courses will be prorated on the same basis as refunds for withdrawals from courses taken for credit.

Academic Grievance Procedure

The student complaint procedure for resolving an academic grievance is outlined in four steps:

Step 1

It is recommended the student discuss the complaint with the person involved. If the complaint involves a grade, the student must take the complaint to the faculty member within the first two weeks of the beginning of the following semester. If the student is not enrolled the subsequent semester, a letter of inquiry should be mailed, within the first two weeks of the beginning of the following semester, to the instructor and the instructor's department chair. Upon receipt of the letter he or she will have 30 days to file a formal complaint.

Step 2

If the question is not resolved at the instructor level, or if the student feels it is not practical to contact the instructor, the student may present the question to

the chair of the department to which the instructor is assigned. Prior to any action by the department chair, the student will be required to complete a *Student Grievance Form*. The form is available in the Office of the Vice President for Academic Affairs and should be completed and returned to the chair of the department involved. Upon receipt of the *Student Grievance Form*, the department chair will request from the instructor a response in writing, addressing the questions raised by the student. Within one week after the written grievance is filed in the department chair's office, a meeting will be arranged. The instructor, the student filing the grievance, the department chair, and the dean of the responsible college will be in attendance. The student may have his or her advisor present. It will be the purpose of the department chair and the respective college dean to review the grievance and attempt to mediate a settlement. The department chair's and the college dean's recommended solution is to be considered by both the faculty member and the student as a recommendation and not as a decision that is binding. Records of this meeting, including recommendations by the department chair and college dean, will be sent to the vice president for academic affairs and to all parties concerned.

Step 3

If the recommendations presented by the department chair and the college dean are not acceptable to the student, he or she may appeal to the *Graduate Committee*. The student must petition a hearing before the Graduate Committee within one week following the meeting with the college dean and the department chair. Requests are to be in writing and made to the vice president for academic affairs. If the procedure has been followed, the vice president will submit to the chairman of the Graduate Committee records of all action to date. Within two weeks following the application of appeal, the Graduate Committee will meet and review data and previous recommendations. The committee may request additional information and/or the parties involved to appear before the committee. The committee's decision will be sent to the vice president for academic affairs, with a copy being sent as a matter of record to the student, faculty member, department chair, and the faculty member's college dean. The vice president for academic affairs is responsible for enforcing the committee's decision. The university Graduate Committee's decision is final.

Step 4

It is understood that anyone may appeal to the president of the university when due process has been violated or when individual rights are disregarded.

Non-Degree Program: Rank I Program in Vocational Education

Master of Science in Vocational Education

A Master's Degree in Vocational Education offers emphases in agriculture, home economics, and industrial education. A minimum of 12 semester hours is required by all students in the core curriculum. Additional requirements are in the technical field or approved electives.

These programs are designed primarily for persons who have completed undergraduate programs in vocational agriculture, home economics, and industrial education.

Requirements for Admission

1. Satisfy university degree requirements.
2. Minimum standing of 3.0 in courses in major field. Students who meet all entrance requirements except the 3.0 standing in the major field may be admitted conditionally.

Admission to Candidacy

See university requirements.

Requirements for the Degree*

1. Satisfy admission requirements.
2. Completion of the required course work in the three areas outlined:

	Sem. Hrs.
A. Core area	12
VOC 630—Evaluation Techniques	3
VOC 685—Principles and Philosophy of Vocational Education	3
VOC 698—Career and Vocational Guidance	3
VOC 660—Trends and Issues in Vocational Education	3
B. Technical areas	9
Students interested primarily in agriculture, industrial education, home economics, or business education will be allowed to take all courses within these areas in the department of their choice, subject to the approval of their advisors.	
C. Approved electives	9
Students may take 6 hours of thesis plus 3 hours of electives.	
	30

*The interdisciplinary nature of this degree program necessitates the following operational procedure: The student's graduate committee will consist of at least three members of the graduate faculty with the major advisor acting as committee chairman. The two other committee members will represent the technical and elective areas. Should the student elect to write a thesis, the chairman will serve as the major thesis advisor.

Certification Programs for Vocational School Principal and Vocational Education Supervision and Coordination (Non-Degree)

Requirements for Admission

1. Satisfy university degree requirements
2. Bachelor's degree
3. Five- or 10-year teaching certificate for any one of the areas of vocational education authorized in the Kentucky State Plan for Vocational Education
4. Two years of teaching experience in vocational education

Requirements for the Program

1. The program must be planned with the student's advisor.
2. 15 semester hours* from the following four areas with a minimum of 3 hours from each area:
 - A. Organization and administration of vocational education
 - B. Administration and supervision of education personnel
 - C. Program planning, research, and evaluation in vocational education
 - D. Vocational guidance; industrial psychology; human relation
3. Completion of the program admission and course requirements will qualify a student for the Certificate for Vocational Education Supervision and Coordination. To qualify for the Certificate for Vocational School Principal a student must not only fulfill the program admission and course requirements, but also must complete satisfactorily the pertinent NTE tests and the Kentucky Speciality Test of Instructional and Administrative Practices plus one year in an internship position.

**These hours may be completed as part of the program leading to the Master of Science in Vocational Education degree.*

Rank I Program (Non-Degree)

Requirements for Admission

1. Must hold a master's degree from an accredited college or university, or have completed a Fifth-Year Program.
2. Must hold a valid teaching certificate.

Requirements for the Program

1. The program must be planned with the student's advisor.
2. A minimum of 60 graduate hours including the master's degree, or the Fifth-Year plus 30 hours.
3. A grade-point average of B or better in all work offered for the program. No credit is accepted on grades lower than C.
4. A minimum of 30 semester hours (of the total 60 hours) in courses open only to graduate students.
5. Up to nine semester hours (of the last 30) may be earned at another accredited institution.
6. Credit earned by correspondence shall not apply toward the Rank I program.
7. Student must meet university exit assessment criteria.
8. The following 12 hours are recommended for vocational technical students to qualify for a secondary standard certificate.

Rank I Program for Secondary Teachers Including the Master's Degree Option—Vocational Education (Departments: Agriculture, Business, Home Economics, Industrial Education)

The minimum of 60 graduate hours, including the master's degree, must conform to the following area distribution:

	Sem. Hrs.
I. Studies dealing with research	6-8
II. Studies dealing with the foundation of education and the nature and psychology of the learner	9-12
III. Studies dealing with the programs of the school	8-12
IV. Specialized areas and supporting courses	30-36
V. Approved electives	0-8

Minimum total 60

(The program must be planned with the student's advisor on check sheets available in his or her department.)

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Agriculture

AGR 505. Farm Business Analysis. (2-2-3); on demand. Prerequisite: consent of instructor. A basic course in the applicability of farm records to the efficiency analysis of whole farms and of specific enterprises. Actual university farm enterprises will be used to provide the data source for laboratory work.

AGR 512. Conservation. (2-2-3); on demand. Prerequisite: consent of instructor. Development of the conservation movement with broad treatment of the basic natural resources including land, water, air, minerals, forests, and wildlife.

AGR 515. Animal Nutrition. (2-2-3); II. Prerequisite: AGR 316. Chemistry, metabolism, and physiological functions of nutrients, digestibility, nutritional balances, and measures of food energy.

AGR 580. Methods in Teaching Vocational Agriculture. (4-0-4); II. The principles of methods applied to teaching vocational agriculture to high school students. Course organization, farming programs, and Future Farmers of America activities.

AGR 582. Adult and Young Farmer Education. (3-0-3); II. The principles and techniques needed in organizing and program planning in post high school vocational agriculture and conducting young farmer and adult farmer classes.

AGR 584. Teaching Vocational Agriculture. (8-0-8); II. Supervised teaching in centers selected by the state agriculture education staff and members of the teaching staff. Teacher experiences with in-school and out-of-school groups.

AGR 585. Teaching Agricultural Mechanics. (3-0-3); I. Objectives and methods, equipment and management of the shop; organization of facilities for high school and vocational technical programs.

AGR 586. Planning Programs in Vocational Agriculture. (3-0-3); II. Organization and analysis of the program of vocational agriculture. Departmental program of activities, summer programs, advisory committees, and Future Farmers of America activities.

AGR 588. Curriculum Development and Content Selections. (3-0-3); III. Each student prepares the content for a four-year program in vocational agriculture.

AGR 592. Supervision in Agriculture. (3-0-3); I, II. The principles and techniques needed in individual group supervision of vocational agricultural programs.

AGR 670. Directed Research. (1 to 6 hrs.); I, II, III. Prerequisite: One basic course or equivalent in research methodology. The student must submit a proposal or plan describing the nature of the undertaking for approval in advance of starting the work and submit a final report. A copy of the final work will be kept on file in the department. A self-directed independent study on a special problem.

AGR 671. Seminar. (1-0-1); on demand.

AGR 675. Analysis of Research. (2-0-2); on demand.

AGR 676. Directed Study. (1 to 6 hrs.); I, II, III. Prerequisite: degree in agriculture. The student must submit a proposal or plan describing the nature of the undertaking for approval in advance of starting the work and submit a final report. A copy of the final work will be kept on file in the department.

AGR 699. Thesis. (Six hours); I, II, III. Independent research and thesis writing.

Home Economics

HEC 531. Nutrition Education. (3-0-3); on demand. The study of the application of basic principles of education applied to the teaching of nutrition. Lecture.

HEC 536. Advanced Nutrition. (3-0-3); on demand. Prerequisite: HEC 329 or consent of instructor. In-depth study of the nutrients in relation to normal nutrition; review of classical and current literature; practical application of findings.

HEC 538. Experimental Foods. (1-4-3); on demand. Prerequisite: HEC 130 or consent of instructor. Experimental methods applied to food research through individual and class investigation; review and evaluation of published research.

HEC 541. Tailoring. (1-4-3); I. Prerequisite: HEC 241 or consent of instructor. Individual fitting problems and the resulting pattern alteration methods necessary for the construction of a tailored garment as well as advanced hand tailoring and couture techniques. Construction of a suit or coat required.

HEC 542. Social-Psychological Aspects of Clothing and Textiles. (3-0-3); II. Taught alternate years. Prerequisite: Six hours in clothing and textiles. Social, psychological, and economic factors in the selection and use of clothing.

HEC 543. Advanced Textile Testing. (1-4-3); on demand. Prerequisite: HEC 340. Advanced study of textile fibers and fabrics with emphasis on trends in wear and end-use testing.

HEC 544. Dyes and Finishes. (2-2-3); on demand. Prerequisite: HEC 340. Types of dyes and finishes used currently on fibers and fabrics as they affect wear, care, and storage.

HEC 545. Clothing Design in Draping. (0-6-3); II. Taught alternate years. Prerequisite: HEC 241. Original garments created by draping on the dress form. Dress form will be constructed in the course.

HEC 555. The Child and the Family. (3-0-3); I; on demand. Environmental factors favoring family life and family interaction; stages of family life and the changing role of members.

HEC 557. Interior Decoration Projects. (1-4-3); on demand. A lecture-laboratory class with emphasis on projects for the home that can be utilized in vocational, occupational, and adult classes, or in the home.

HEC 573. Curriculum Development in Home Economics. (3-0-3); I. Prerequisite: HEC 470. Development of secondary and post-secondary home economics programs; review of home economics curriculum at all grade levels for useful and gainful programs; critical survey of resources; development of competency-based curriculum in the five areas of home economics.

HEC 590. Creative Foods (1-4-3); on demand. The study and preparation of gourmet foods. Emphasis on foods from different cultural backgrounds and geographical regions. Arranged laboratories.

HEC 592. Foods for Special Occasions. (1-4-3); on demand. Prerequisite: permission of instructor and/or one food preparation course. A lecture-laboratory class with emphasis on planning, preparing, and serving foods for special occasions, including special diets, meal service, special equipment, and various budget levels. Arranged laboratories.

HEC 642. Textiles and Clothing Workshop. (1 to 6 hrs.); III. Prerequisite: degree in home economics. Current problems, trends in teaching, and research in clothing and textiles. Discussion, demonstrations, and projects planned to meet needs of students.

HEC 670. Directed Research. (1 to 6 hrs.); I, II, III. Prerequisite: degree in home economics. One basic course or equivalent in research methodology. The student must submit a proposal or plan describing the nature of the undertaking for approval

in advance of starting the work and submit a final report. A copy of the final work will be kept on file in the department. Research in a phase of home economics of special interest to the student.

HEC 672. Home Economics Education. (1 to 3 hrs.); on demand. Prerequisite: *degree in home economics.* A study in the opportunities provided by legislation for secondary schools; recent developments in vocational programs in Kentucky; study of available teaching guides; pertinent developments in phases of home economics chosen for emphasis.

HEC 674. Supervision of Home Economics. (3-0-3); on demand. Prerequisite: *degree in home economics.* The nature, function, and techniques of supervision of home economics in high school and adult programs.

HEC 675. Current Problems in Home Economics Education. (3-0-3); on demand. Prerequisite: *degree in home economics or consent of instructor.* A study of change as it relates to home economics education. Relevant topics chosen for library research and class discussion.

HEC 676. Directed Study. (1 to 6 hrs.); I, II, III. Prerequisite: *degree in home economics.* The student must submit a proposal or plan describing the nature of the undertaking for approval in advance of starting the work and submit a final report. A copy of the final work will be kept on file in the department. Original research of a technical or professional nature supported by adequate library reference work.

HEC 699. Thesis. (6 hrs.); I, II, III. Independent research and thesis writing.

Industrial Education

IET 520. Industrial Arts for the Elementary Teacher. (3-0-3); on demand. Prerequisite: *formal admission to the teacher education program.* Designed to develop professional and technical competences of preservice and in-service elementary school teachers.

IET 560. Foundations of Industrial Education. (3-0-3); on demand. Prerequisite: *upper division standing in industrial education.* Study of the philosophical positions underlying the development of industrial education; leaders, their influence and contributions; contemporary theories affecting the current programs of industrial education.

IET 588. Machine Shop III. (1-4-3); on demand. Prerequisite: *MFT 286* Advanced tool and machining theory, with emphasis on production machining and progressive tooling design for numerical control applications.

IET 590. Supervised internship (industry or administration). (1 to 6 hrs.); I, III. To provide work experience in an occupational area. Student works under supervision in an approved position. Advanced credit commensurate with time worked, type of work, variety of work experience, and research paper. A person may choose to do the internship in educational administration, in which case he or she would be assigned to work in a secondary, post-secondary or higher education instruction or for the State Bureau of Vocational Education in an administrative capacity approved by the advisor. In each case, conditions will be agreed upon by employer, student, and graduate advisor prior to registration.

IET 670. Directed Research. (1 to 6 hrs.); I, II, III. Prerequisite: *consent of instructor.* One basic course or equivalent in research methodology. The student must submit a proposal or plan describing the nature of the undertaking for approval in advance of starting the work and submit a final report. A copy of the final work will be kept on file

in the department. A self-directed independent study on a professional problem in industrial education.

IET 676. Directed Study. (1 to 6 hrs.); I, II, III. *Prerequisite: the student must submit a proposal or plan describing the nature of the undertaking for approval in advance of starting the work and submit a final report. A copy of the final work will be kept on file in the department.* Provides the creative and resourceful graduate student with the opportunity to pursue a technical problem with a laboratory orientation.

IET 699. Thesis. (6 hrs.); I, II, III. Independent research and thesis writing.

Vocational Education

VOC 630. Evaluation Techniques. (3-0-3); II. The use and development of a framework of measurement and evaluation in vocational education. Includes validity and reliability of measuring instruments, objectives, and programs, interpretation of material, statistical analysis, and research.

VOC 640. Administration and Supervision of Vocational Education. (3-0-3); on demand. Theory of administration, including regional, state, and national organizational structure of vocational education. Topics include vocational advisory and craft committees, youth organizations, and other applications of administrative concepts and theory related to vocational technical education.

VOC 650. Organization and Administration of Vocational Education (3-0-3); on demand. Continuation and practical application of the vocational education theories of administration and supervision examined in VOC 640. Additional study of state and federal legislation, fiscal requirements, community relations, and professional staff development is included.

VOC 660. Trends and issues in Vocational Education. (3-0-3); I. The identification and study of problems and issues pertaining to the new role of vocational education.

VOC 685. Principles and Philosophy of Vocational Education. (3-0-3); I. Background, development, objectives, principles, philosophy, status, and trends of vocational education; organization and administration of vocational education at all levels.

VOC 698. Career and Vocational Guidance. (3-0-3); II. Study of the importance of work; use and selection of tests to assist in the vocational choice; methods and techniques which will promote career planning and vocational development in students. Students will consider the future implications for career counseling.

211 Claypool-Young Art Building

Graduate Faculty—D. Bartlett, B. Booth, D. Ferrell, R. Franzini, R. Howard, R. Jones, J. Sartor, T. Sternal (chair), S. Tirone

Degree: Master of Arts in Art
(Art Education, Studio Art)

The Master of Arts in Art degree is available in two options: art education or studio art.

Requirements for Admission

1. General admission to graduate study.
2. Completion of an undergraduate major or its equivalent in art.
3. A minimum standing of 3.0 at the undergraduate level in art.
4. Submission of an acceptable portfolio.

Admission to Candidacy

See university requirements.

Requirements for the Degree

1. Satisfy general degree requirements.
2. Those applicants who elect an option in art education may choose to take 12 hours credit in the Department of Education.
3. Those candidates who elect a studio option for the degree must take a minimum of 25 hours in studio art.
4. All candidates for the degree must complete six hours in art history, the graduate seminar in art, and six hours of drawing at the graduate level.
5. Those candidates electing the art education option must complete an approved thesis or monograph.
6. Candidates electing the emphasis in studio art must have an individual exhibit of work completed at the graduate level in studio art.
7. All candidates will defend their theses or their exhibitions by means of an oral examination before an appointed committee.

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Art

ART 504. Drawing IV. (2-2-3); I, II. Repeatable up to 6 hours. Prerequisite: ART 404. Advanced studio in figure drawing. Further exploration of figure drawing concepts and media with emphasis on creative interpretation and expression.

ART 514. Painting Techniques IV. (2-2-3); I, II, III. Experiences leading toward individual achievements in styles and techniques.

ART 555. Advanced Art Problems. (1 to 6 hrs.); I, II, III. Prerequisite: permission of the department. A studio course involving research in an art area of the student's choice.

ART 594. Sculpture III. (2-2-3); I, II, III. Prerequisites: ART 294 and 394. Advanced problems in sculpture involving a combination of materials and their uniqueness as media.

ART 599. Art Workshop. (3-3-3); (taught on demand during summer). Participation in art activities according to individual needs.

ART 604. Drawing (3-0-3); I, II, III. Repeatable up to 6 hours. A course designed to acquaint the student with advanced problems in figure drawing and anatomy.

ART 605. Figure Painting. (3-0-3) I, II, III. Prerequisites: ART 304 and permission of the department. Use of oil paint on large canvases. Both male and female models used.

ART 606. Portrait Painting. (3-0-3); I, II, III. Prerequisite: permission of the department. A study of the techniques involved in painting the portrait. Emphasis is given to anatomy, color, and techniques of developing a proficiency in rendering the human figure.

ART 613. Painting. (3-0-3); I, II, III. Prerequisite: permission of the department. For art majors and area students who wish to do graduate work on techniques in art.

ART 614. Painting Techniques V. (2-2-3); I, II, III. The course is designed to provide the advanced graduate student with freedom of expression and the opportunity to develop an individual style in painting.

ART 627. Readings in Art Education. (3-0-3); I, II, III. Prerequisite: permission of the department. Subjects related to current research in art education will be given primary consideration. Other related educational research will be given secondary consideration.

ART 651. Graduate Printmaking Studio. (2-6); I, II, III. Repeatable to a maximum of 6 credits. Special problems in various printmaking techniques with individual problems designed to meet the specific needs of each graduate printmaking student.

ART 655. Advanced Ceramics. (3-0-3); I, II, III. Prerequisite: permission of the department. Advanced study of ceramic glazes, kiln firing procedures, kiln construction, and experimental treatment of clay bodies.

ART 661. Modern Art. (3-0-3); I (alternate years). The history of European and American Art painting, sculpture, and architecture from c. 1750 until c. 1900.

ART 662. Contemporary Art (3-0-3); II (alternate years). The painting, sculpture, and architecture of the twentieth century.

ART 663. Arts of the United States (3-0-3); I (alternate years). An in-depth study of the social, political, and cultural movements which affected the course of American artistic development.

ART 664. Spanish, Portuguese, and Latin American Art. (3-0-3); II (alternate years). A survey of painting, sculpture, and architecture of Spain, Portugal, and Latin America.

ART 670. Directed Research in Art. (1 to 3); I, II, III. Prerequisite: Research Methods or six hours of relevant studio experience. No more than 6 hours may be taken.

ART 671. Seminar. (1-0-1); I, II, III. Prerequisite: permission of the department. A course designed to familiarize students with various methods of art criticism. A discussion course in which each student is required to participate.

ART 676. Directed Graduate Studies. (1 to 3); I, II, III. Prerequisite: permission of the department. Investigation of special problems which are not included as a regular part of the curriculum: No more than six hours may be taken.

ART 680. History and Philosophy of Art Education in the United States. (3-0-3); I, II, III. Prerequisite: permission of the department. A survey of the major philosophical movements and how they relate to the changing emphasis given to art education in America.

ART 683. High Contrast Photography (2-2-3); I, II. Creative use of a variety of darkroom techniques utilizing high contrast films and papers. Techniques covered include drop-out, bas-relief, and tone-line printing; solarization; stripping; and paste-up.

ART 684. Color Photography (2-2-3); I, II. Prerequisite: ART 283. Introduction to materials and processes utilizing color films and papers.

ART 685. Alternative Photographic Printing Processes (2-2-3); I, II. Preparation and use of hand-coated photo-sensitive papers. Printing processes include cyanotype, Van Dyke, kallitype, platinotype, palladium, and gum-biochromate.

ART 686. Studio Photography (2-2-3); I, II. Study of studio photography, including use of view camera, artificial lighting, and other studio equipment as an element of commercial design.

ART 692. Sculpture: Metal Casting. (3-0-3). I, II, III. Prerequisite: permission of the department. Exploration of techniques in metal casting. A study of foundry construction, operation, and maintenance.

ART 694. Sculpture. (3-0-3); I, II, III. Prerequisite: Art 594, or permission of the department. An advanced approach to sculpture with extensive use of various materials and techniques.

ART 699. Thesis. (6 hrs.); I, II, III. Prerequisite: permission of the department.

Degree: Master of Science in Biology

Graduate students pursuing the Master of Science in Biology may elect to follow a thesis or a non-thesis route. An advisory committee of at least three

faculty members, versed in the student's specific area of interest, guides the student's graduate career.

With the approval of the student's advisory committee, up to 9 semester hours of graduate work in biology or closely related fields may be transferred as part of the student's program. The student's advisory committee may also approve up to 9 hours of graduate credit from the Gulf Coast Research Laboratory in Ocean Springs, Mississippi, with which the university is affiliated.

Additional information regarding specific courses and program possibilities and a recently-revised departmental publication, "Guidelines for Graduate Students," may be obtained by writing the Chair, Department of Biological and Environmental Sciences, Morehead State University, Morehead, Kentucky 40351, or on-campus students can inquire at 102 Lappin Hall.

Requirements for Admission

1. General admission to graduate study.
2. Completion of an undergraduate major or minor in biology, environmental science, or an equivalent course of study.
3. Minimum standing of 3.0 in all upper division biology courses.
4. Acceptable proficiency in chemistry, mathematics, and physics as determined by the biology graduate admissions committee.
5. Minimum GRE score of 1,200 for Verbal, Quantitative, and Analytical Sections.

Admission to Candidacy

See university requirements.

Requirements for the Degree (Thesis)

1. Satisfy university degree requirements.
2. Complete an approved thesis.
3. Complete a minimum of 30 semester hours of 500-600 level course work, including six hours credit for the thesis and one hour credit for graduate seminar.
4. At least 24 of the 30 hours must be completed in biological science. The remaining hours may be selected from biology or related fields (if approved by the student's advisory committee).
5. Complete at least 50 per cent of the total required semester hours taken for the degree in courses at the 600 level.
6. Take final written/oral examinations as determined by the student's advisory committee.

Requirements for the Degree (Non-Thesis)

1. Satisfy university degree requirements.
2. Complete a minimum of 32 semester hours of graduate work, at least 50 per cent of which must be earned in courses at the 600 level.

3. Complete a minimum of 24 approved semester hours in biology (of the 32 required). The remaining hours may be selected from biology or related fields (with the approval of the advisory committee.)
4. In general, the specifics of course distribution are to be arranged by the student with the advice and consent of his or her advisory committee. The following are minimum requirements:
 - A. Successful completion of at least one course from each of the six non-thesis areas of study. (See "Non-Thesis Areas of Study.")
 - B. Each student will be required to take one hour of graduate seminar and 2 to 3 hours of research problems (BIOL 670) to demonstrate the ability to perform independent research under laboratory or field conditions.
5. Take final written/oral examinations as determined by the student's advisory committee.

Gulf Coast Research Laboratory

Morehead State University is affiliated with the Gulf Coast Research Laboratory, Ocean Springs, Mississippi. This affiliation provides undergraduate and graduate students with the opportunity to take courses and conduct research in marine sciences (MSCI) at an established, well-equipped laboratory located on the Gulf of Mexico. The laboratory furnishes the staff for courses and research.

The marine sciences courses, taught only at Gulf Coast Research Laboratory during the summer, are suitable for elective courses in graduate major and minor programs of study in the College of Arts and Sciences. These courses are listed under Marine Science in the Course Descriptions which follow.

Applications for the courses and additional information are available from the on-campus coordinator in the Department of Physical Sciences. Students electing to study at Gulf Coast Research Laboratory pay the Mississippi resident rate. Payment is made to Morehead State University.

Course Descriptions

Note: Courses are arranged alphabetically by discipline. (3-0-3) following course title mean 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I—fall; II—spring; III—summer.

Biology

BIOL 505. Invertebrate Zoology. (1-4-3); II, in odd years. Major invertebrate phyla; emphasis on their evolution, taxonomy, morphology, physiology, and ecology; local representatives. Field trips required.

BIOL 510. Limnology. (2-2-3); Prerequisite BIOL 210, BIOL 215, MATH 152 or higher, eight hours of college chemistry. Ecology and biota of inland waters. Some all-day field trips required.

BIOL 513. Plant Physiology. (2-2-3); on demand. Prerequisite: BIOL 215 and CHEM 112 or equivalent. Diffusion, osmosis, cell wall and membrane structure, mineral nutrition, photosynthesis, respiration, macro-molecules, photoperiodism, and other aspects of plant growth and development.

BIOL 514. Plant Pathology. (1-4-3); on demand. Prerequisite: BIOL 215. Plant diseases; classification of fungi; diseases caused by rusts, smuts, fleshy fungi, bacteria, and viruses; physiogenic diseases; principles and procedures in the control of plant diseases; resistant varieties and culture control.

BIOL 518. Pathogenic Microbiology. (2-2-3); I. Prerequisite: BIOL 217 or 317. Medically important microorganisms; bacteria and fungi emphasized. The isolation, cultivation, and identification of pathogenic microorganisms from clinical specimens are stressed. Antimicrobial susceptibility tests, serological methods, and quality control introduced.

BIOL 519. Virology. (2-2-3); on demand. Prerequisite: BIOL 317 or consent of instructor. Morphology and chemistry of the virus particle; symptoms; identification and control of more common virus diseases of plants and animals; host-virus relationships; and research methods concerned with viruses.

BIOL 520. Histology. (2-2-3); I. Prerequisite: BIOL 210. Characteristics of tissues and organs of vertebrates.

BIOL 525. Animal Physiology. (2-2-3); I. Prerequisites: BIOL 210 and CHEM 326 or equivalents. Comparison of fundamental physiologic processes in representative vertebrate animals. Emphasis on comparative energetics and physiological adaptations of organisms to their environment.

BIOL 530. Ichthyology. (1-4-3); II in even years. Prerequisite: BIOL 210. The anatomy, physiology, taxonomy, ecology, distribution, natural history, and evolution of fish. Emphasis on collection, identification, and classification of those fresh water fish native to eastern North America. Common marine fish of the Atlantic and Gulf coasts.

BIOL 531. Herpetology. (1-4-3); II in odd years. Prerequisite: BIOL 210. The anatomy, physiology, taxonomy, ecology, distribution, natural history, and evolution of amphibians and reptiles. Emphasis on collection, identification, and classification of those herptiles found in eastern North America.

BIOL 535. Mammalogy. (1-4-3); I. Prerequisite: BIOL 210. Mammals of eastern North America with emphasis on mammals of southeastern North America. Taxonomy, adaptation, natural history, and methods of skin preparation.

BIOL 537. Ornithology. (1-4-3); II. Prerequisite: BIOL 210. Anatomy, physiology, classification, and identification of birds; life histories, habits, migration, and economic importance of native species.

BIOL 540. General Parasitology. (2-2-3); I. Prerequisite: BIOL 210. Protozoan, helminth, and arthropod parasites of man and domestic animals; emphasis on etiology, epidemiology, diagnosis, control, and general life histories of parasites.

BIOL 550. Plant Anatomy. (2-2-3); I. Prerequisite: BIOL 215. Gross and microscopic studies of internal and external structures of vascular plants. The cell, meristem, cambium, primary body, xylem and phloem; roots, stems, and leaves; flowers and fruits; ecological anatomy.

BIOL 551. Plant Natural History. (3-0-3); on demand. Prerequisite: BIOL 105 or equivalent. A survey of major taxonomic groups; emphasis on the natural history of local plants.

BIOL 552. Animal Natural History. (3-0-3); on demand. Prerequisite: BIOL 105 or equivalent. A survey of major taxonomic groups; emphasis on the natural history of local animals.

BIOL 553. Environmental Education. (2-2-3); III. Prerequisite: *Permission of instructor.* Distribution and reserve depletion of wildlife, forest, land, water, air, and mineral resources; emphasis on population, pollution, and environment. Field trips to environmentally important areas are required. (Especially designed for in-service and pre-service teachers.)

BIOL 555. Plant Morphology. (2-2-3); II. Prerequisite: BIOL 215. Fossil and living non-vascular plants (except bacteria) and vascular plants; emphasis on ecology, morphology, and evolution.

BIOL 558. East Kentucky Environmental Education Workshop. (2-0-2); III. Prerequisites: BIOL 105 or equivalent. An outdoor environmental education workshop demonstrating the use of the outdoor classroom and the resource materials available to classroom teachers. Credits generated are elective and are not substituted for required courses; prior permission from the academic advisor required if credits are to be used in an academic program. The workshop is a cooperative course involving input from various state and federal agencies.

BIOL 561. Ecology. (2-2-3); II. Prerequisites: BIOL 210, BIOL 215, MATH 152 or higher, eight hours of college chemistry. Interrelations of organisms and environment. Some all-day field trips required.

BIOL 574. Experimental Courses. (1 to 4); on demand. Prerequisite: variable. These courses are always innovative, perhaps non-traditional, and often specialized offerings designed to enhance programs in the biological and environmental sciences and other disciplines. If successful, individual courses may be assigned a standard number.

BIOL 580. History of Science. (3-0-3); III. See SCI 580.

BIOL 595. Biochemistry I. (2-4-4); I. Prerequisite: CHEM 326 or consent of instructor. Carbohydrates, lipids, and proteins; intermediary metabolism; protein synthesis; enzymology; blood chemistry; bioenergetics; fluid electrolyte balance; and vitamin and steroid chemistry.

BIOL 596. Biochemistry II. (2-4-4); II. Prerequisite: BIOL 595. Continuation of Biochemistry I. Intermediary metabolism of carbohydrates, lipids, proteins, and nucleic acids; function and mechanism of action of enzymes; energetics of living systems; and regulation of life processes.

BIOL 599. Selected Workshop Topics. (1 to 4); on demand. Prerequisites: variable. Workshops in various biological and environmental subjects will be presented periodically, based on need. Usually hands-on, experimental, and/or innovative, these workshops supplement various programs in the biological and environmental sciences or other disciplines. Individual credit towards degree programs must be approved by the student's advisor.

BIOL 601. Biological Concepts. (2-0-2); I, every third year. Selected concepts from various biological sciences; the impact of recent experimentation and discovery on basic biological principles.

BIOL 604. Modern Theories of Evolution. (2-0-2); I, every third year. History of evolutionary thought; classical evidences of evolution; factors involved in speciation and the origin of higher groups.

BIOL 606. Biology of the Vertebrates. (2-2-3); I, in even years. Vertebrate classes; emphasis on their evolution, taxonomy, morphology, physiology, and ecology; local representatives. Field trips required.

BIOL 608. Taxonomy of Vascular Plants. (2-2-3); I, in odd years. Collection, preservation, and classification of vascular plants; emphasis on ecological adaptations and evolutionary trends.

BIOL 611. Radiation Biology. (1-2-2); on demand. Radiation effects on living systems; use of isotopes with respect to techniques used in determining effects on biological systems.

BIOL 612. Speciation. (2-0-2); I, every third year. Species concepts in terms of physiological and neontological forms of reference; subspecies variation, clines, and reproductive isolation and capacity.

BIOL 615. Systematic Entomology. (1-4-3); II. Prerequisites: BIOL 334 or consent of the instructor. Insect orders with emphasis on the classification of insects to family and beyond; taxonomic keys.

BIOL 617. Mycology. (2-4-4); on demand. Morphology, taxonomy, and reproductive physiology of the fungi. Isolation and identification of medically important fungi will be emphasized.

BIOL 618. Microbial Physiology. (2-4-4); on demand. Prerequisites: BIOL 317, CHEM 326 or permission of the instructor. Advanced concepts in the physiology and cytology of microorganisms.

BIOL 620. Advanced Plant Physiology. (2-2-3); on demand. Prerequisites: BIOL 513 and CHEM 327 (calculus recommended). Physiology and biochemistry of green plants; respiratory metabolism, photosynthesis, nitrogen metabolism, terminal oxidation, and energy relationships of the cell.

BIOL 625. Advanced Genetics. (3-0-3); on demand. Discussion and research projects to meet the desires and needs of advanced students.

BIOL 630. Endocrinology. (2-2-3); I. Prerequisites: 12 hours of biology; CHEM 327 and BIOL 595 recommended. Functions of endocrine glands; embryological development, histological characteristics, and biochemical organization of endocrine cells. Emphasis on molecular regulation of synthesis, secretion, and stimulation of hormones.

BIOL 632. Reproductive Physiology. (2-2-3); II. Prerequisites: 12 hours of biology; CHEM 327 and BIOL 595 recommended. Physiological processes of reproduction in animals with emphasis on man; gonadal functions, endocrine relationships, and fertility problems.

BIOL 635. Advanced Ecology. (3-0-3); on demand. Prerequisite: BIOL 561 or equivalent. Ecological and physiological bases for adaptation, niche structure, and community organization; physiological ecology; population ecology; competition; predation; niche theory; communities; biogeography.

BIOL 650. Cellular Physiology. (2-4-4); II. Prerequisites: 12 hours of biology, CHEM 112, and CHEM 327. Generalized cell; biochemistry and biophysics of cell membranes; permeability; diffusion and osmosis; respiration and terminal oxidation; energetics of cellular processes; genetic regulation.

BIOL 670. Directed Research. (1 to 3); I, II, III. Prerequisites: undergraduate major or minor in biology or environmental science or equivalent, or permission of department chairman. Problem must be approved prior to registration; proposal or plan for investigation must be jointly (student and directed research advisor) composed before or immediately after registration. Final copies of the completed work must be filed with the directed research advisor and the department chair.

BIOL 671. Graduate Seminar. (1-0-1); I, II. Prerequisite: 18 hours of graduate biology. Report of individual research by students following completion of BIOL 699 (Thesis) or BIOL 670 (Directed Research). Required of all graduate students in biology.

BIOL 676. Directed Study. (1 to 3); on demand. Prerequisites: Consent of instructor or department chair. Specialized topics in the biological and environmental sciences, perhaps taken before beginning a thesis or directed research. Examinations and/or formal presentations before the faculty and students may be required.

BIOL 699. Thesis. (6 hrs.); I, II, III. *Prerequisite:* permission of department chair or chairman of the student's graduate advisory committee. Research and thesis writing. Required of all thesis option students. Student allowed to enroll only once; partial credit not allowed.

Marine Science

NOTE: Course numbers in parentheses in the following listing have been assigned by the Gulf Coast Research Laboratory.

MSCI 561. Comparative Histology of Marine Organisms (Zoology 408). (1 to 6 hrs.); III. *Prerequisite:* Consent of instructor. A detailed study of the histological organization of representative marine organisms. Fixation, processing, and study of tissue using light microscopy, transmission electron microscopy, and scanning electron microscopy. The relationship between structural changes and physiological changes during life cycle of organism. Histopathology with respect to tissue responses to infection and to damage by toxic agents.

MSCI 562. Salt Marsh Plant Ecology (Botany 441). (4 hrs.); III. *Prerequisites:* General botany, plant taxonomy, plant physiology, and general ecology or consent of instructor. A study with emphasis on the botanical aspects of local marshes. Plant identification, composition, structure, distribution, and development of coastal marshes. Biological and physical interrelationships. Primary productivity and relation of marshes to estuaries and associated fauna.

MSCI 563. Marine Fisheries Management (Zoology 442). (4 hrs.); III. *Prerequisite:* Consent of instructor. An overview of practical marine fishery management problems.

MSCI 564. Behavior and Neurobiology of Marine Animals (Zoology 443). (4 hrs.); III. *Prerequisites:* 16 semester hours of zoology and/or psychology or consent of the instructor. Survey of behavior, neuroanatomy, and neurophysiology of marine animals with emphasis on the neural mechanisms underlying the behavior of selected invertebrates, fishes, birds, and mammals.

MSCI 565. Marine Ecology (Zoology 452). (5 hrs.); III. *Prerequisites:* 16 hours of biological science including general zoology, general botany, and invertebrate zoology. A consideration of the relationship of marine organisms to their environment. The effects of temperature, salinity, light, nutrient concentration, currents, and food, predation, and competition on the abundance and distribution of marine organisms are considered.

MSCI 566. Marine Microbiology (Microbiology 452). (5 hrs.); III. *Prerequisites:* General microbiology and environmental microbiology or consent of instructor. Microbiology and advanced biology students are introduced to the role of microorganisms in the overall ecology of the oceans and estuaries.

MSCI 567. Parasites of Marine Animals (Zoology 461). (6 hrs.); III.

Prerequisites: General parasitology or consent of instructor. A study of parasites of marine and estuarine animals with emphasis on morphology, taxonomy, life histories, and host-parasite relationships.

MSCI 568. Aquaculture (Zoology 464). (6 hrs.); III. Prerequisites: 16 semester hours of zoology, including invertebrate and vertebrate zoology or ichthyology. A review of the technology, principles, and problems relating to the science of aquaculture with emphasis on the culture of marine species.

MSCI 569. Fauna and Faunistic Ecology of Tidal Marshes (Zoology 447). (4 hrs.); III. Prerequisites: 16 semester hours of biological sciences and junior standing or consent of instructor. Survey and discussion of the taxonomy, distribution, trophic relationships, reproductive strategies, and adaptation of tidal marsh animals with emphasis on those occurring in northern Gulf marshes.

MSCI 570. Early Life History of Marine Fishes (Zoology 570). (4 hrs.); III.

Prerequisites: Ichthyology, fisheries, biology, ecology, and/or consent of instructor. Reproductive strategies and early developmental processes of marine fishes. Includes discussion of temporal and spatial distribution patterns, population dynamics, and ecological interactions of fish eggs and larvae; role of early stages of fishes in fisheries oceanography, marine ecology, and systematics; methods of sampling and identifying fish eggs and larvae; data quantification and analysis; rearing experiments; techniques for studying larval fish dynamics.

MSCI 571. Special Problems in Marine Science (Marine Science 400). (1 to 6 hrs.); III. Prerequisites: To be set by problem director. Special problems are research oriented and grades are based on reports submitted by students.

MSCI 572. Special Topics in Marine Science (Marine Science 405). (1 to 6 hrs. as determined by topic advisor.) Prerequisites: To be set by topics advisor. The purpose of the course is to provide the opportunity for students to obtain credit for study in areas in which the Laboratory offers no formal course.

MSCI 595. Marine Science for Teachers I: Basic Techniques (Marine Science Education 431). (3 hrs.); III. Prerequisites: Biology background or consent of instructor. A course designed to introduce the students, particularly in-service teachers, to the study of marine science and to promote the teaching of marine biology at all grade levels.

MSCI 596. Marine Science for Teachers II: Advanced Studies (Marine Science Education 432). (3 hrs.); III. Prerequisite: MSI-431. A course designed to augment the knowledge gained in previous course (MSE-431) to enable the students, particularly in-service teachers, to establish further studies in the marine sciences in local school systems at all grade levels.

MSCI 597. Marine Science for Elementary Teachers (Marine Science Education 433). (3 hrs.); III. Prerequisites: Six hours in biology. A course designed to prepare teachers of elementary grade children to conduct classes using marine-related materials.

MSCI 673. Seminar (Marine Science 510). (1 hr.); III. Open to any graduate student. Required for all graduate students in residence at Gulf Coast Research Laboratory.

MSCI 698. Graduate Research in Marine Science (Marine Science 800). (Credit to be determined by graduate committee); III. Prerequisites: Admission to GCRL Graduate Research Program. Opportunities are available for master's research in

(continued on next page)

the following areas: botany, cell biology, ecology, geology, microbiology, marine chemistry, morphology, microscopy, biological oceanography, physical oceanography, organic geochemistry, parasitology, and zoology.

Degree: Master of Arts in Communications (Journalism, Radio-Television, Speech, Theatre)

The Master of Arts in Communications provides for an emphasis in the fields of journalism, radio-television, speech, and theatre, or a dual emphasis in any two of these fields.

Requirements for Admission

1. General admission to graduate study at the university.
2. Fifteen semester hours (or equivalent) of course work in a communication-related discipline.
3. Professional work experience may substitute for a lack of required undergraduate work in communications.
4. Minimum grade-point average of 3.0 (on a 4.0 scale) on all undergraduate communication course work above the freshman level.

Admission to Candidacy

See university requirements.

Requirements for the Degree

1. Satisfy general degree requirements.
2. If the option selected requires a thesis, it may take the form of either a creative or a research thesis. A creative thesis may be an original work such as a script, production, or design project related to the area of interest.
3. No more than 10 graduate hours in any combination of the following courses may count toward degree completion. Each of these is available in the academic areas of journalism, radio-television, speech, and theatre: COMM 539, Cooperative Study; COMM 647, Internship; COMM 670, Directed Research; and COMM 676, Directed Study.
4. Emphasis on either one or a combination of two of the following areas of academic specialization: journalism, radio-television, speech, or theatre.

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Communications

COMM 539. Cooperative Study. I, II, III. See the general section to the catalog for a more complete description of this cooperative study course.

COMM 600. Research Methods in Communication. (3-0-3); I, III. Methods of research in areas of communications, including fundamentals of research design, data collection and analysis, and reporting findings of communications research.

COMM 605. Psychology of the Communication Processes. (3-0-3); I, III.

Explores the ongoing and pervasive impact of communication of the actions and patterns

(continued on next page)

of everyday experiences. A discussion of key concepts related to the processes of communication as they influence human behavior.

COMM 610. Readings in Communication. (3-0-3); I, II, III. An examination of professional journals, advanced studies, textbooks, book reviews, theses, and dissertations in the field of communication.

COMM 615. Applied Communication Research. (3-0-3); II, IV. Direction in research methods and participation in either behavioral science research, historical, or creative research.

COMM 620. Seminar in Communication. (3-0-3); II, III. An exploration of problems in communication with special research projects in speech, radio- television, journalism, and theatre.

COMM 647. Internship. (1 to 3 hrs.); I, II, III. Competency-based practical experience aimed at increasing the student proficiency in the specified position to which he or she is assigned. Prior application is necessary. May be repeated.

COMM 670. Directed Research. (1 to 3 hrs.); I, II, III. Design and implementation of an independent research project under faculty direction. Tailored to fit the individual needs of the graduate student. Prior arrangement necessary; a proposal must be submitted for approval of the supervising faculty. May be repeated.

COMM 676. Directed Study. (1 to 3 hrs.); I, II, III. Self-directed original research on a special problem not included as a regular part of the graduate curriculum. Prior arrangement necessary; a proposal must be submitted for approval of the supervising faculty. May be repeated.

COMM 699. Thesis. (6 hrs.); I, II, III.

Journalism

SPA 599. Special Courses. (1 to 3 sem. hrs.). *Prerequisite: variable.* These courses are usually specialized offerings in Spanish for the advanced undergraduate and the graduate student. The purpose of these courses is to enhance the existing program in Spanish.

SPA 670. Directed Research. (1 to 3 hrs.). Original research of an approved subject under faculty supervision.

SPA 676. Directed Study. (1 to 3 hrs.). Individually planned study of a specific topic under direction of the faculty.

Department of Geography, Government, and History

(606) 783-2090

350 Rader Hall

Graduate Faculty— D. Flatt, W. Green, C. Holt, B. Jackson (chair), J. Kleber, P. LeRoy, S. Sprague

Degree: See below

The Master of Arts in History degree program currently is being revised, and students are not being admitted. However, students enrolled in other graduate programs may, with advisor approval, enroll in support courses offered by the department. A listing of these courses follows.

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Geography

GEO 500. Soviet Union. (3-0-3); on demand. Systematic and regional study, with special attention given to the resource base. Appraisal of the agricultural and industrial strength of the country; consideration of the effects of governmental policy and economic growth.

GEO 502. Geographic Factors and Concepts. (3-0-3). A general survey of the field of geography in its various branches. Designed for beginning teachers and other students lacking an adequate background for advanced work in geography.

***GEO 505. Conservation of Natural Resources. (3-0-3); I, II, III.** Natural resources basic to human welfare, emphasis on lands, water, minerals, forests, and wildlife, including their interrelationships. Field trips are required.

***GEO 510. Urban Geography. (3-0-3); II.** Origin and development of cities, urban ecology, central place theory, functional classifications, and a consideration of site, situation, and land utilization of selected cities.

***GEO 540. World Manufacturing. (3-0-3).** Interpretive analysis of the distribution and function of selected manufacturing industries; location theory; trends in regional industrial changes.

GEO 550. Geography for Teachers. (3-0-3). A study of the basic concepts, materials and techniques for the teaching of geography.

***GEO 590. Advanced Meteorology. (3-0-3); on demand. Prerequisite: GEO 390.** Weather elements; emphasis on meteorological skills; application to industrial, aviation, maritime, and military needs.

GEO 599. Selected Workshop Topics in Geography (1-4 hrs.); on demand. *Credit toward degree program must be approved by student's advisor.*

GEO 600. Political Geography. (3-0-0). A systematic study of the inter-relationships of geography and international politics; basic factors in evaluating strength of nations; application of these understandings to world political patterns.

GEO 601. Special Problems. (3-0-3). *Prerequisite: permission of the instructor.* Supervised comprehensive investigation of selected problems in the field of geography. (May be repeated to a maximum of six hours.)

GEO 623. Southeast Asia. (3-0-3). Geopolitical, socio-economic, and resource potential problems of the countries of Southeast Asia.

GEO 629. The Mediterranean. (3-0-3). The Mediterranean Sea as a focal point of Western culture, emphasis on the related areas of three continents: Southern Europe, Northern Africa, and Southwestern Asia.

GEO 631. Cultural Europe. (3-0-3); II. A culturally-oriented study of Europe, which is really not a continent in the traditional sense, but whose boundaries can best be defined in HUMAN terms. Emphasized are European life-and- thought patterns, which are the heritage of a great majority of Americans.

GEO 640. Resources and Industries. (3-0-3). The resource base, nature, structure, and distribution of industry and its function in a national economy.

GEO 676. Directed Study. (1 to 3 hrs.); I, II, III. Self-directed independent study of a special problem or topic in geography. The proposed topic must be submitted in writing and be approved by the department chair and a faculty member who will supervise the study.

*Indicates systematic geography courses.

Government And Public Affairs

GOVT 505. Environmental Law and Politics. (3-0-3); II. *Prerequisite: GOVT 141 or consent of instructor.* A study of the legal and political aspects of major environmental policies including the impact of energy policies on environmental health and safety.

GOVT 510. Law of Corrections. (3-0-3); on demand. (See Corrections 510.)

GOVT 539. Cooperative Study (1-8). I, II, III. Cooperative study course providing academic credit for participation in supervised work experience in a government environment outside the university. Prior department approval is required.

GOVT 540. Public Administration. (3-0-3). *Prerequisite: GOVT 141 or consent of the instructor.* Historical evolution; theory of organization and administration; personal, financial, and legal aspects of public administration.

GOVT 541. Public Finance. (3-0-3). (See Economics 541.) Public expenditures; public revenue; taxation; public credit, financial administration of government.

GOVT 546. Public Personnel Administration. (3-0-3). *Prerequisite: GOVT 540 or consent of the instructor.* Manpower utilization; concepts, principles and practices of the merit system; leadership; decision-making process; motivation of public employees.

GOVT 555. Internship in Public Affairs. (1 to 6 hrs.). *Prerequisite: consent of the instructor.* On-the-job work-study experience in government.

GOVT 599. Selected Workshop Topics in Government (1-4); on demand. Credit toward degree program must be approved by student's advisor.

GOVT 600. Seminar: State and Local Government. (3-0-3). *Prerequisites: GOVT 141 and 242 or consent of the instructor.* Intensive and detailed study of state and local government problems of metropolitan areas; interstate and local cooperation; compacts and regional planning.

GOVT 620. Seminar: International Relations. (3-0-3). Prerequisite: GOVT 450 or consent of the instructor. Training in methodology and use of the tools for individual research in international relations. Emphasis on Europe, Asia, Latin America, and Africa.

GOVT 660. Politics in Education. (3-0-3). Comparative case studies and discussion of policy outputs (curriculum, facilities, budget) and who wields influence in American school politics.

GOVT 670. Directed Research. (1 to 3 hrs.); on demand. Prerequisite: consent of instructor and department chair. Qualified students may arrange for a research project of some governmental related topic.

GOVT 676. Directed Study. (1 to 3 hrs.) Prerequisite: consent of the instructor. Original graduate research project or readings in a particular subject area. Classes arranged for studying a particular problem.

GOVT 680. Government for Teachers. (3-0-3); on demand. Designed for public school teachers as a "refresher" course in the study of international, national, state, and local governments. Citizenship education and Kentucky government may be included as part of the course.

History

HIS 540. Colonial America. (3-0-3); I. The nation from the Age of Discovery to the Revolutionary Wars.

HIS 541. American Revolution and Federal Period. (3-0-3); II. A continuation of 540, covering the period from the American Revolution to the Era of Good Feelings.

HIS 543. The United States, 1876-1900. (3-0-3); II. Emphasis is placed upon the rise of big business with its resultant epoch of America as a world power.

HIS 544. Kentucky Historical Tours. (3-0-3); I, II. Provides students with an opportunity to see, hear, and read about Kentucky's exciting historical places. (Does not count toward a master's degree in history.)

HIS 545. The United States, 1900-1939. (3-0-3); I. The American people from the Progressive Period through the New Deal.

HIS 546. The United States, 1939-Present. (3-0-3); II. America from World War to world leadership. Emphasis is placed upon the resultant social problems.

HIS 548. United States Foreign Relations. (3-0-3); I. A survey designed to acquaint the student with the foreign relations of the United States from its conception to our present role in the United Nations.

HIS 549. American Life and Thought. (3-0-3); II. A survey of the American intellectual heritage from Puritanism to the "mod" world.

HIS 550. The World, 1914-1939. (3-0-3); I. A study extending from the results of World War I to the outbreak of the Second World War with special emphasis on communism, facism, and nazism.

HIS 552. The World, 1939 to the Present. (3-0-3); II. A detailed study of World War II and the aftermath of a world divided.

HIS 558. The Slavery Controversy. (3-0-3); II. The issues growing out of differences concerning slavery within voluntary societies.

HIS 576. American History: Directed Readings. (1 to 3); I, II, III. Prerequisite: open only to history majors and minors with permission of the chair.

HIS 577. European History: Directed Readings. (1 to 3); I, II, III. Prerequisite: open only to majors and minors with permission of the chair.

HIS 578. Non-Western History: Directed Readings. (1 to 3); I, II, III.

Prerequisite: open only to history majors and minors with permission of the chair.

HIS 599. Selected Workshop Topics in History (1-6 hrs.); on demand. Credit in pursuit of degree programs must be approved by student's advisor.

HIS 610. American Biography. (3-0-3); I, III. The characteristics of and services rendered by men and women who have played leading roles in the history of the nation.

HIS 630. History of Historical Writing. (3-0-3); I. A study of the major historians and of the development of historical writing from early times to the present. Special emphasis will be given to historical writing in the fields of European and American history. Required for master's degree in history.

HIS 632. The French Revolution. (3-0-3); II. Study of the changing interpretations of the French Revolution.

HIS 638. The Negro in the 20th Century. (3-0-3); I. The Negro's world from a sociological, economic, political, and historical point of view.

HIS 640. Seminar: The United States to 1865. (3-0-3); I.

HIS 641. Seminar: The United States Since 1865. (3-0-3); II.

HIS 660. Seminar: Europe to 1648. (3-0-3); I.

HIS 661. Seminar: Europe Since 1648. (3-0-3); II.

HIS 671. Seminar: Non-Western History. (3-0-3); II.

HIS 676. Directed Study. (1 to 3 hrs.); I, II, III. Individually planned study on a particular topic. Program to be approved by chair of the department.

HIS 680. History for Teachers. (3-0-3); III. Designed as a "refresher" course, interpretations of history and method, for the public school teacher.

HIS 684. The Improvement of Social Studies Instruction. (3-0-3); III. Designed as a seminar to permit public school teachers to develop and to exchange ideas, strategies, techniques, and materials.

HIS 699. Thesis. (6 hrs.); I, II, III. Required of all candidates for the M.A. in history enrolled in option A and B.

Department of Music

Degree: Master of Music

(Music Education, Music Performance)

The Master of Music degree is offered with major fields of study in performance and music education.

Requirements for Admission

1. General admission to graduate study.
2. Completion of a bachelor's degree in music or its equivalent.
3. A minimum standing of 3.0 on all undergraduate music courses above the freshman level.

Admission to Candidacy

See university requirements.

Requirements for the Degree

1. Satisfy general degree requirements.
2. Completion of entrance examinations in music and one of the following options:

Emphasis on Performance

	Sem. Hrs.
Applied music	8
Graduate recital	2
Independent study (related to performance area)	1-3
Studies in Musical Style	3
Seminar in Music Research	3
Electives in music history and literature	6
**Electives	5-7
	30

(Music electives may be chosen without limitation except for applied music, in which a maximum of 8 semester hours in the major performing area may be taken. A maximum of 6 hours from disciplines other than music may be taken.)

Emphasis on Music Education

	Plan		
	A	B	C
Applied music	2	4	2
Studies in Musical Style	3	3	3
Seminar in Music Research	3	3	3
Foundations of Music Education	3	3	3
Psychology of Music	2	2	2
Independent study	0	1-3	3
Graduate recital	0	2	0
Thesis	6	0	0
Electives in music history and literature	4	4	4
**Electives	7	6-8	10
	30	30	30

(Music electives may be chosen without limitation except for applied music, in which a maximum of 8 semester hours in the major performing area may be taken. A maximum of 6 hours from disciplines other than music may be taken.)

The graduate recital may be given in composition or conducting as well as other performance areas, with the approval of the graduate faculty in these areas. In this case a minimum of 2 hours in applied music is required, along with at least 4 hours of course work in composition or conducting.

*Graduate credit in ensembles does not apply toward degree requirements.

Certification

A student who is following a Master of Music degree program may qualify for the Kentucky Standard Certificate (provided he or she holds, or is eligible to hold, a provisional certificate.) A student who expects to meet certification requirements in another state should contact the certification authority in that

state to determine specific requirements. In order to qualify for the Kentucky Standard Certificate a minimum of 12 hours of credit must be earned in courses selected from the following two areas:

	Sem. Hrs.
a. Music education	
578 Teaching of Percussion	2
579 Marching Band Workshop	2
595 Voice Pedagogy	3
616 Teaching of Strings	2
625 Psychology of Music	2
653 Teaching of Woodwinds	2
656 Teaching of Brasses	2
661 Teaching of General Music	2
680 Seminar in Music Research	3
681 Foundations of Music Education	3
b. Education	
600 Research Methods in Education	3
609 Advanced Educational Psychology	3
610 Advanced Human Growth and Development	3
630 Curriculum Construction	3
632 Elementary School Curriculum	3
634 Secondary School Curriculum	3
680 History and Philosophy of Education	3

Music Fees

One half-hour private lesson per week per semester	\$30.00
Each additional half-hour private lesson per week, per semester	30.00
Recital fee	60.00

Private Applied Music

A graduate student usually takes private instruction only in a major instrument or voice. Under certain conditions, with the approval of the advisor, a student may take private instruction for graduate credit in a secondary instrument. A student who is not following a music curriculum may take private instruction for graduate credit provided graduate proficiency can be demonstrated.

Course Descriptions

NOTE: (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Fine Arts

FNA 588. Opera. (0-2-1); I, II. An introduction to the techniques of musical theatre with emphasis placed on the integration of music and action-dramatic study of operatic roles.

FNA 660. Comparative Arts. (3-0-3); on demand. A study of music, literature, and the visual arts in relation to their social, religious, and historical backgrounds.

Music (Conducting)

MUSC 671. Advanced Conducting. (2-2-3); on demand. Advanced instruction and experience in the preparation, rehearsal, and performance of ensemble music.

Music (Education)

MUSE 515. Microcomputers and Music. (3-0-3); on demand. Applications of microcomputers and music. An introduction to the current usage, implementation, and software assessment.

MUSE 578. Teaching of Percussion. (2-0-2); on demand. A study of the development of percussion instruments, literature, and performing techniques.

MUSE 579. Marching Band Workshop. (2-0-2); I, III. Techniques of preparing marching bands for performance.

MUSE 595. Voice Pedagogy. (3-0-3); on demand. An introduction to the physiological, acoustical, and phonetic bases of singing and private voice instruction. Emphasis will be placed on the relationship between scientific fact and the practical application of principles through the use of imagery and phonetic choice.

MUSE 616. Teaching of Strings. (2-1-2); on demand. A survey of teaching techniques and materials with primary emphasis on the public school level.

MUSE 625. Psychology of Music. (2-0-2); II, III. A study of the psychological processes upon which musical behavior depends.

MUSE 635. Practicum in Music Teaching. (3 hrs.); on demand. Prerequisite: permission of the chair of the Department of Music. Practical experience on an individual basis in some areas of music teaching under the supervision of a member of the music faculty. The credit will be offered only to the student whose need can be met with an appropriate situation for supervised teaching.

MUSE 653. Teaching of Woodwinds. (2-0-2); on demand. Comparative study of the various techniques and recent trends in the teaching of woodwind instruments.

MUSE 656. Teaching of Brasses. (2-0-2); II. Comparative study of various techniques and recent trends in the teaching of brass instruments.

MUSE 661. Teaching of General Music. (2-0-2); on demand. Pedagogy course with emphasis upon music for the non-performing student in the elementary and secondary schools.

MUSE 681. Foundations of Music Education. (3-0-3); I, III. Examination of the historical, philosophical, and sociological foundations of the teaching of music in public schools.

Music (Class Applied)

MUSG 583. Studio Improvisation. (0-2-1); I, II. Prerequisite: four hours credit in MUSG 383. May be repeated for credit.

Music (History And Literature)

MUSH 565. Music in America. (3-0-3); II. A survey of the history of American music from colonial times to the present.

MUSH 581. Literature of the Piano. (3-0-3); I. Survey of the keyboard music from the sixteenth century to the present.

MUSH 591. School Band Literature. (2-0-2); on demand. Examination and criticism of music for training and concert use by groups at various levels of attainment.

MUSH 592. Vocal Literature. (3-0-3); on demand. A survey of music for solo voice and vocal ensemble, sixteenth through twentieth centuries; stylistic traits, types of compositions, sources, and performance practices.

MUSH 691. Symphonic Literature. (3-0-3); II, III. Orchestral literature from the Mannheim School to the present. Emphasis upon formal structure, harmonic idioms, and orchestration.

MUSH 693. Contemporary Music. (3-0-3); I, III. A study of the compositions and theories of those composers who have contributed significantly to the music of the twentieth century.

MUSH 694. Chamber Music. (3-0-3); II, III. A study of the literature for small ensembles from the eighteenth century to the present.

Music (Private Applied)

MUSP 501, 601. Private Flute.

MUSP 502, 602. Private Oboe.

MUSP 503, 603. Private Bassoon.

MUSP 504, 604. Private Clarinet.

MUSP 505, 605. Private Saxophone.

MUSP 506, 606. Private Horn.

MUSP 507, 607. Private Trumpet.

MUSP 508, 608. Private Euphonium.

MUSP 509, 609. Private Trombone.

MUSP 510, 610. Private Tuba.

MUSP 516, 616. Private Harp.

MUSP 519, 619. Private Percussion.

MUSP 527, 627. Private Violin.

MUSP 528, 628. Private Viola.

MUSP 529, 629. Private Cello.

MUSP 530, 630. Private Double Bass.

MUSP 535. Private Classical Guitar.

MUSP 536. Private Guitar.

MUSP 537, 637. Private Electric Bass.

MUSP 540, 640. Private Voice.

MUSP 541, 641. Private Harpsichord.

MUSP 542, 642. Private Organ.

MUSP 543, 643. Private Piano.

MUSP 562, 662. Private Composition.

MSUP 563, 663. Private Conducting.

MUSP 660. Graduate Recital. (2-0-2); I, II, III. A solo public recital of approximately one hour's duration. With the permission of the music faculty.

Music (Theory)

MUST 531. Arranging. (2-0-2); on demand. Prerequisite: MUST 237 or the equivalent. Scoring, arranging, transcribing of selected or original materials for voices and/or instruments.

MUST 532. Advanced Arranging. (2-0-2); on demand. Prerequisite: MUST 531.
Continuation of MUST 531.

MUST 563. Advanced Composition I. (1-1-2); I, II. Prerequisite: MUST 364.
Study, writing, and performance of students' original creative work. Private conferences and composition seminar in colloquium.

MUST 564. Advanced Composition II. (1-1-2); I, II. Prerequisite: MUST 563.
Continuation of MUST 563.

MUST 631. Arranging for the Marching Band. (2-0-2); II, III. Study of current trends in half-time show styles; creative experiments in arranging in various styles; attention to individual projects.

MUST 663. Creative Writing I. (2-0-2); I, II. Private coaching and critique in developing individual compositional style.

MUST 664. Creative Writing II. (2-0-2); I, II. Prerequisite: MUST 663.
Continuation of MUST 663.

MUST 690. Studies in Musical Style. (3-0-3); II, III. Detailed analysis of the music of individual composers, musical styles, and periods.

Music (Research)

MUSW 676. Directed Study. (1 to 3 hrs.); I, II, III. Definition and investigation of a problem in music. A written report of the problem, procedure, and results of the study must be submitted.

MUSW 680. Seminar in Music Research. (3-0-3); I, III. A study of the types of research appropriate to the field of music and the methodology of each.

MUSW 699. Thesis. (6 hrs.); I, II, III. Prerequisites: MUSW 680 and approval of thesis topic. May be divided among two or more semesters.

Department of Mathematics

NOTE: (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Mathematics

MATH 504. Topology. (3-0-3); II. Prerequisites: MATH 304 and 350 or consent of instructor. Elementary set theory; topological spaces; metric spaces; compactness and correctness; mappings of topological spaces; related topics.

MATH 510. Real Variables. (3-0-3); I. Prerequisite: MATH 310. Topological properties of Euclidean space; theory of differentiation and integration; sequences and series of functions; metric spaces.

MATH 511. Functional Analysis (3-0-3); I. Prerequisite: MATH 301 and 510 or consent of instructor. Linear spaces; normed and Banach spaces; Hilbert spaces, applications to sequence spaces, and Fourier series.

MATH 519. Probability. (3-0-3); I. Prerequisite: MATH 275. A course in mathematical probability and its applications to statistical analysis.

MATH 520. Mathematical Statistics. (3-0-3). Prerequisite: MATH 519. Hypothesis testing estimation; bivariate and multivariate distributions; order statistics; test of fit, non-parametric comparison of locations; distribution theory.

MATH 553. Statistical Methods. (3-0-3); I. Prerequisite: MATH 353 or 501. A second course in basic statistical methods with applications. Analysis of variance; general regression analysis; hypothesis testing; confidence intervals.

MATH 555. Nonparametric Statistics. (3-0-3); II. Prerequisite: MATH 353 or 501. A course in basic nonparametric statistical methods with applications.

MATH 573. Projective Geometry. (3-0-3); III. Prerequisites: MATH 372 or consent of instructor. A synthetic treatment of projective geometry leading into natural homogeneous coordinates; analytic projective geometry; conics; axiomatic projective geometry, some descendants of real projective geometry.

MATH 575. Selected Topics. (1 to 6 hrs.); I, II. Prerequisite: consent of instructor. Topics are offered which meet the needs of the students and which are not otherwise included in the general curriculum.

MATH 585. Vector Analysis. (3-0-3); I. Co-requisite: MATH 276. Vector functions of a single variable; scalar and vector fields; line integrals, generalizations, and applications.

MATH 586. Complex variables. (3-0-3); II. Prerequisite: MATH 310 or 585, or permission of instructor. Algebra of complex variables; analytic functions, integrals; power series; residues and poles; conformal mappings.

MATH 595. Mathematics Curriculum Workshop. (1 to 6 hrs.); III. Prerequisite: consent of instructor. New curricula developments in mathematics.

MATH 605. Advanced Topics. (3-0-3); I. Prerequisite: consent of instructor. Advanced study in some area of mathematics.

MATH 610. Real Analysis. (3-0-3); II. Prerequisite: MATH 510. Abstract measure spaces; Lebesgue integration; differentiation theory; classical Banach spaces.

MATH 631. Problem Solving and the Teaching of Mathematics in the Elementary School. (3-0-3); I, II. Prerequisite: consent of the instructor. An activity

oriented course designed for the elementary school teacher in curricular materials and problem solving.

MATH 650. Higher Algebra I. (3-0-3); I. Prerequisite: MATH 351 or consent of instructor. Groups, rings.

MATH 651. Higher Algebra II. (3-0-3); II. Prerequisite: MATH 650 or consent of instructor. Vector spaces and modules, fields, linear transformations.

MATH 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: consent of instructor. Individual research in mathematics. The problem to be investigated must be approved prior to registration.

MATH 675. Selected Topics. (1 to 6 hrs.); I, II. Prerequisite: consent of instructor. Topics are offered which meet the needs of students and which are not otherwise included in the general curriculum.

Chemistry

CHEM 599. Selected Topics in Chemistry. (1 to 6 hrs.); on demand.

Geoscience

GEOS 510. Geological History of Plants and Animals. (2-2-3); I. Prerequisites: BIOL 210 and 215 or GEOS 201. The evolutionary history of plants and animals throughout geological time.

Physics

PHYS 599. Selected Topics in Physics. (1 to 6 hrs.); on demand.

Science Education

The following list of courses may be used in graduate programs at various levels as electives with approval by the student's advisor. The courses also may be used as an emphasis for the Master of Arts in Education degree for secondary teachers.

SCI 521. Chemistry in the Modern World. (3-0-3); I. A survey of the modern chemical industry with emphasis on industrial processes and the uses of the commodities produced as finished products. The relation of the chemical industry to society will be sketched.

SCI 570. Earth Science. (3-0-3); I, II, III. *Prerequisite: permission of instructor.* Selected topics from the geological sciences.

SCI 580. History of Science. (3-0-3); I, II, III. *Prerequisite: six hours of science credit.* Development of scientific traditions, discoveries, and concepts from the time of ancient Egypt to the present.

SCI 591. Science for the Middle School Teacher. (2-2-3); on demand. *Prerequisite: the student should have completed the minimum general education requirements in sciences and mathematics and be admitted to the teacher education program.* A study of pedagogy, science content, and techniques applicable to the teaching of science to middle school or junior high children.

SCI 592. Science for the Secondary Teacher. (2-2-3); on demand. *Prerequisite: permission of instructor.* Concepts of teaching high school science with emphasis on laboratory techniques, test preparation, questioning, presentation methods, and care of equipment.

SCI 599. Selected Workshop Topics. (1 to 6 hrs.); on demand.

SCI 622. Chemistry and Your Environment. (3-0-3); on demand. *Prerequisite: permission of instructor.* A review of the role of chemistry in the environment and its relation to issues of waste generation and waste disposal, determination of environmental hazard levels, and current toxicological beliefs. Some applications to the school laboratory are included.

SCI 623. Computers in Chemistry. (3-0-3); on demand. *Prerequisite: permission of instructor.* An analysis of software available in chemistry. Applications of the Apple II series will be emphasized though a more general approach for software evaluation will be taken. A knowledge of some computer language will enrich the course, but it is not required.

SCI 670. Directed Research. (1 to 6 hrs.); I, II, III. Independent research in science education. (Problem must be approved by the Department of Physical Sciences prior to registration.)

SCI 690. Advanced Science for the Elementary School Teacher. (2-2-3); on demand. *Prerequisite: SCI 490 or equivalent.* A comprehensive overview of teacher competencies applicable to the effective teaching of elementary school science.

Degrees: Master of Business Administration
Master of Business Education

Non-Degree Program: Rank I Program in Vocational Education

Master of Business Administration

The MBA degree program is designed for persons who have completed undergraduate programs in any area. Persons with undergraduate degrees in business may complete the program with a minimum of 30 semester hours. Others without the undergraduate business core may complete the program with a maximum of 51 graduate hours.

There is no provision allowing students to pursue both the Master of Business Administration and the Master of Business Education at the same time.

Requirements for Admission

1. General admission to graduate study.
2. The Graduate Management Admissions Test (GMAT) must be taken by all applicants prior to admission.
3. Admission is determined by performance on the GMAT and undergraduate g.p.a.
4. International students must take the test of English as a Foreign Language (TOEFL). A score of 525 on this test is required for program admission; those who score below 525 will not be admitted to the program. Students scoring between 525 and 550 are required to complete English 101.
5. In special circumstances, the associate dean may recommend the waiver of one or more admission requirements.
6. Completion of the following basic core of undergraduate courses with at least a grade of C in each course.

	Sem. Hrs.
ACCT 281—Principles of Accounting I	3
ACCT 282—Principles of Accounting II	3
DATA 201—Introduction to Computers	3
ECON 201—Principles of Economics I	3
ECON 202—Principles of Economics II	3
FIN 360—Business Finance	3

(continued on next page)

	Sem. Hrs.
MATH 160—Mathematics for Business and Economics	4
MATH 354—Business Statistics	3
MKT 304—Marketing	3
MNGT 261—The Legal Environment of Business Organizations	3
MNGT 301—Principles of Management	3
MNGT 306—Production Management	3

Applicants who have not completed the undergraduate core may be admitted with the condition that the prerequisite deficiencies be removed after entering the program. Deficiencies may be satisfied by taking survey courses offered in each area of study. The survey courses are:

ACCT 600—Survey of Accounting	3
DATA 600—Survey of Data Processing and Production Management	3
ECON 604—Survey of Economic Theory	3
FIN 601—Survey of Finance	3
MNGT 600—Survey of Management and Marketing	3
MNGT 601—Survey of the Legal Environment of Business	3
MNGT 602—Survey of Quantitative Analysis for Business	3

(ACCT 600, DATA 600, ECON 604, MNGT 600, and MNGT 602 each satisfy the equivalent of 6 hours of undergraduate prerequisite courses.)

Admission to Candidacy

1. See university requirements.
2. Meet any conditions that may have been stated at the time of original admission to the MBA program.

Requirements for the Degree

1. Satisfy general degree requirements.
2. Completion of the following courses with a minimum g.p.a. of 3.0:

	Sem. Hrs.
ACCT 611—Accounting Analysis for Decision Making	3
MNGT 612—Organizational Theory	3
MNGT 619—Business Policy and Procedure	3
MNGT 620—Quantitative Business Analysis	3
ECON 661—Managerial Economics	3
FIN 660—Financial Management	3
MKT 650—Marketing Administration	3
Approved electives, 600-699 level	3
Approved electives, 500-699 level	6

3. Successful completion of a final, comprehensive MBA examination to be completed during the last semester of course work.

Master of Business Education

The MBE degree program is designed for persons who have completed undergraduate degrees in accounting, business administration, or business education. Students who have earned a provisional secondary teacher's certificate may also qualify for the standard teacher's certificate while earning the MBE degree.

There is no provision allowing students to pursue both the Master of Business Administration and the Master of Business Education at the same time.

Requirements for Admission

1. General admission to graduate study.
2. Minimum g.p.a. of 3.0 in all business courses above the freshman level.

3. Successful completion of a final, comprehensive MBE exam.

Rank I Program (Non-Degree)

Morehead State University offers programs of study beyond the master's degree for teachers, supervisors, guidance counselors, principals, and superintendents, which may qualify them for additional certification and/or for Rank I on the Kentucky salary schedule.

A Rank I Program for teachers is planned for 60 graduate hours, including the master's degree.

Requirements for Admission

1. Must hold a master's degree from an accredited college or university, or have completed a Fifth-Year Program.
2. Must hold a valid teaching certificate.

Requirements for the Program

1. The program must be planned with the student's advisor.
2. A minimum of 60 graduate hours including the master's degree, or the fifth-year plus 30 hours.
3. A grade-point average of 3.0 or better in all work offered for the program. No credit is accepted on grades lower than C.
4. A minimum of 30 semester hours (of the total 60 hours) in courses open only to graduate students.
5. Up to nine semester hours (of the last 30) may be earned at another accredited institution.
6. Credit in the restricted courses, open only to those students admitted to the administrative programs, must be obtained at Morehead State University.
7. Credit earned by correspondence shall not apply toward the Rank I Program.
8. The student must meet university exit assessment criteria.

NOTE: During the term in which the program is to be completed, the student should request from the Graduate Office that the State Department of Education and/or the local superintendent be notified that the Rank I Program has been completed. Applications for Kentucky certificates must be filed on official forms.

Rank I Program for Secondary Teachers Including the Master's Degree Option—Vocational Education (Departments: Agriculture, Business, Home Economics, Industrial Education)

The minimum of 60 graduate hours, including the master's degree, must conform to the following area distribution:

	Sem. Hrs.
I. Studies dealing with research	6-8
II. Studies dealing with the foundation of education and the nature and psychology of the learner	9-12
III. Studies dealing with the programs of the school	8-12
IV. Specialized areas and supporting courses	30-36
V. Approved electives	0-8
	Minimum total 60

(The program must be planned with the student's advisor on check sheets available in his or her department.)

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Accounting

BSED 630. Business Communications Management. (3-0-3); on demand. Designed to give the graduate student in-depth study in communication theory and practical application.

BSED 640. Introduction to Research. (3-0-3); on demand. Research design and applications in business education. Significant research reviewed.

BSED 676. Directed Study. (1-3 hrs.); I, II, III. Prerequisite: BSED 640 or equivalent. Research in business education. Designed for candidates selecting the non-thesis option of the Master of Business Education degree.

BSED 698. Advanced Supervised Field Experience. (1-6 hrs.); I, II, III. Designed to give the student actual work experiences in business and industry. Number of credit hours dependent upon number of hours worked during the semester.

BSED 699. Thesis. (6 hrs.); I, II, III. Independent research and thesis writing.

Data Processing

DATA 515. Data Processing Field Project. (3-0-3); on demand. Prerequisite: DATA 215 or 216. Experience in an actual data processing situation outside the classroom; students assigned in university's data processing center or other, approved computer facility.

DATA 516. Educational Data Processing. (3-0-3); I, II. The development of competencies in the use of microcomputers for instruction, management, information processing, computer assisted instruction, and practical high-level programming applications through programming assignments. Hardware and operating systems are covered. Designed primarily for students without previous data processing instruction.

DATA 526. Data Base Management Systems. (3-0-3); II. Prerequisite: DATA 320. Data base structures, creation, modification, processing, and physical representation.

DATA 599. Selected Workshop Topics. (1 to 4 hrs.); on demand. Workshops on various data processing subjects will be presented periodically to supplement the basic course offerings in data processing. Credit toward degree programs must be approved by the student's advisor.

DATA 600. Survey of Data Processing and Production Management. (3-0-3); I, on demand. Prerequisites: bachelor's degree and MNGT 602 or equivalent (MATH 160 and MATH 354). An introduction to data processing and production management for students with no previous formal training. Concepts of computing, including hardware, software, and business applications with emphasis on state-of-the-art.

DATA 610. Data Processing Management. (3-0-3); on demand. Prerequisites: graduate standing and DATA 600 or DATA 201. This course is intended for students majoring in business, at the graduate level, who did not have an undergraduate major in data processing. A generalized approach to computer concepts which allows the student to feel comfortable in any language implementation of typical business functions.

DATA 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: Graduate standing with minor equivalent in data processing. Provides an opportunity and challenge for directed study of data processing problems. Students must present a written statement prior to registration of an approved research problem.

Economics

Management

MNGT 506. Operations Analysis. (3-0-3); on demand. Prerequisite: MNGT 306, MATH 160 and 354, or consent of the instructor. Managerial organization for production, plant design, and layout, control of production, investment in production equipment.

MNGT 556. Small Business Institute Field Project. (3-0-3); I, II. Prerequisite: senior undergraduate or graduate standing and permission of instructor. Student serves as a member of a consulting team to a small business. Responsibility is to analyze the business operation and make recommendations for improvement of identified problem area.

MNGT 565. Organizational Behavior. (3-0-3); I. Prerequisite: senior standing or consent of instructor. A study of human interpersonal behavior to understand, evaluate, and appraise business and social situations. The emphasis is on skill and ability to work with people, groups, and institutions by demonstrations in the classrooms and use of theory and techniques.

MNGT 599. Selected Workshop Topics. (1 to 4 hrs.); on demand. Workshops on various management subjects will be presented periodically to supplement the basic course offerings in management. Credit toward degree programs must be approved by the student's advisor.

MNGT 600. Survey of Management and Marketing. (3-0-3); II. Prerequisite: *graduate standing or consent of instructor.* Course includes the fundamental concepts of the processes and organizational behavior in management and an overview of the marketing functions in the modern organization.

MNGT 601. Survey of the Legal Environment of Business. (3-0-3); on demand. A survey course for graduate students who have not completed a course in the legal environment of business. The course explores the forms of organization, the function and nature of legal systems, and the operative areas of law and their impact on business.

MNGT 602. Survey of Quantitative Analysis for Business. (3-0-3); I. Prerequisite: *graduate standing (assumes basic knowledge of algebra).* Designed to supply students with an adequate quantitative background for the MBA core courses, especially MNGT 620 and ECON 661; includes introduction to business statistics.

MNGT 611. Industrial Relations. (3-0-3); III. Deals with labor-management relations in its broadest sense. The heritage and major incidents of the aspects of the labor-management environment are explored; and labor law and the courts are considered. Strong emphasis is placed on labor-management negotiations and on grievance procedures.

MNGT 612. Organizational Theory. (3-0-3); I. Prerequisite: *MNGT 301, MKT 304 or MNGT 600, or the consent of the instructor.* An analysis of the development of management theory as found in the major schools of thought and of current literature. Executive characteristics, inter-disciplinary contributions to management thought, and influences that have molded management as a profession will be covered in this course.

MNGT 619. Business Policy and Strategy. (3-0-3); I, II. Prerequisite: *completion of or concurrent enrollment in ACCT 611, MNGT 612, MNGT 620, MKT 650, FIN 660, ECON 661, or permission of the instructor.* Designed for later stages of MBA degree completion, course gives the student an opportunity to integrate and apply specialized disciplinary skills to practical business problems of company-wide scope. The course utilizes comprehensive case materials and emphasizes the "sorting out" of a mass of facts, development of sound courses of action, presentation of these in written and oral form, and class discussion.

MNGT 620. Quantitative Business Analysis. (3-0-3); I, II. Prerequisite: *MATH 160 and 354 or MNGT 602.* Designed to give business students an understanding of quantitative methods and models used in solving many problems in business and industry. The student will have an exposure to the language of mathematics and quantitative methods used as a basis for better communication with operation researchers and systems analysis.

MNGT 655. Social Responsibilities of Business. (3-0-3); on demand. Prerequisite: *consent of instructor.* Deals with controversial areas such as the military industrial complex, urban problems, minorities, and air pollution. Discussions will also cover alienation and job satisfaction, business and less advantaged persons, and arguments for and against business assuming social responsibilities. Each graduate student will be required to be involved with cases that are related to one of the topics covered.

MNGT 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: *Graduate standing with minor equivalent in management.* Provides an opportunity and challenge for directed study of management problems. Student must present a written statement prior to registration of an approved research problem.

Marketing

MKT 552. Marketing Research and Analysis. (3-0-3); I. Prerequisite: *MKT 304 and MATH 354.* Study of use of research to minimize error in decision analysis; individual studies made by students in all areas of marketing, including advertising, packaging, and merchandising.

MKT 555. Advertising. (3-0-3); I. Prerequisite: MKT 304. Analysis of advertising as an indirect selling technique; emphasis on determining appeals, creating images, and developing coordinated campaigns. Actual campaign to be developed by each student; stress on ideas and concepts rather than mechanics.

MKT 599. Selected Workshop Topics. (1 to 4 hrs.); on demand. Workshops on various marketing subjects will be presented periodically to supplement the basic course offerings in marketing. Credit toward degree programs must be approved by the student's advisor.

MKT 650. Marketing Administration. (3-0-3); I. Prerequisite: MNGT 301, MKT 304, or MNGT 600. A systematic and comprehensive approach to marketing decision making with basic marketing strategies—the problems involved in a given decision, how they may be solved, and how solutions impinge on their strategies.

MKT 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: graduate standing with minor equivalent in marketing. Provides an opportunity and challenge for directed study of marketing problems. Student must present a written statement prior to registration of an approved research problem.

Degrees: Master of Arts in Education

(Elementary Education, Guidance and Counseling, Reading, Secondary Education, Exceptional Children Education); Master of Arts in Adult and Higher Education; Specialist in Education; Joint Doctoral (Education)

Non-degree Programs: Fifth-Year Program

(Elementary Teacher, Secondary Teacher); Rank I Program (Elementary Education, Secondary Education, Guidance and Counseling, Teachers of Exceptional Children Education, Administration and Supervision)

Master of Arts in Education

The Master of Arts in Education is a professional degree. If a student holds, or is eligible to hold, a provisional elementary or secondary teacher's certificate, a provisional certificate for teachers of special education, or provisional certificate for teachers of exceptional children, he or she may, through the different curricula leading to this degree, qualify for the corresponding standard teacher's certificate or the provisional certificate for the guidance counselor.

Following admission, the student should meet with the assigned advisor to plan a program of study. All elective courses must be approved by the advisor. After

the student-advisor conference, a written program of study will be filed and approved by the appropriate department chair and the dean of graduate programs. No student will be admitted to candidacy status until a signed program of study has been approved. Electives taken without the approval of the assigned advisor or before a program of study has been approved may not be counted in the student's program. The graduate dean, in consultation with graduate office staff, will approve or disapprove the recommended actions of the advisors.

Students completing a program for the Master of Arts in Education and meeting certificate requirements in Kentucky are generally accepted for a similar certificate in many other states. A student who expects to meet certification requirements in another state should contact the certification authority in that state to determine if there are specific requirements which should be included in the program of study for the degree.

Requirements for Admission

1. General admission to graduate study.
2. A minimum of 9 semester hours of undergraduate credit in professional education. Requirements for the Provisional Teacher Certificate must be completed before the degree is granted if these requirements were not met in the undergraduate program.

Admission to Candidacy

1. See university requirements.
2. Completion of at least 9 but not more than 15 semester hours of graduate work. This shall include:

Elementary Education

- (a) EDF 600 and
- (b) EDF 610 or EDEL 627 or EDEL 632 or EDEL 680

Secondary Education

- (a) EDF 600 and
- (b) EDF 610 or EDSE 634 or EDSE 633

Special Education

- (a) EDF 600 and
- (b) EDF 610 or one course in special education

Guidance Program

- (a) EDF 600
- (b) one course in guidance

Requirements for the Degree

1. Satisfy general degree requirements.
2. Comprehensive written examination. The test should be taken early enough to assure the return of the scores prior to the end of the semester in which the degree is to be awarded. Additional written and/or oral examinations may be required as part of the comprehensive examination.
3. Completion of one of the following programs:

Elementary Teachers

	Sem. Hrs.
EDF 600—Research Methods in Education	3
EDF 610—Advanced Human Growth and Development	3
EDEL 627—Reading in the Elementary School	3
EDEL 632—Elementary School Curriculum	3
EDEL 680—History and Philosophy of Education	3

Area of Specialization

Students will select one of the areas of specialization (A through G) and complete twelve semester hours in that specialization as approved by their advisor.

A. Elementary Curriculum	
EDEL 622, 623, SCI 690 and Math 631	12
B. Nature and Needs of Elementary Children	
EDSP 601, PSY 589 or 609 plus approved electives	12
(Students who have completed a basic course in special education may substitute EDSP 537 or 550.)	
C. Curriculum Design	
EDEL 622, 623, 630, 670, 676, MATH 631, PSY 609, or SCI 690	12
D. Academic Support	
Twelve semester hours of graduate courses in one academic area.	
Select from English, Math, Science or Social Studies	12
E. Early Childhood	
EDEC 527, 528, 529, 670 or 676	12
F. Reading	
EDEL 562, 523, 624, 625, 626, 628 or 677	12
G. Special Education	
EDSP 537, 547, 550, 551, 553, 557, 601, 602 or 604	12

Student will select six hours approved by advisor from the following

VII. <i>Student Teaching or Laboratory Experience with Elementary Schools</i> EDEL 425—Supervised Teaching Practicum (6 weeks) or other advisor option	(4-6)

*Students must complete these courses satisfactorily before they can be eligible for student teaching or laboratory experiences in the elementary school. The field experience is based upon a six weeks' requirement. EDEL 336 is a prerequisite for other reading courses. Applicants must have a minimum 2.50 undergraduate grade-point average and successfully pass the CTBS. An endorsement program must be planned with the student's advisor.

Counselor Education

The graduate programs in counseling prepare people for positions as elementary school counselors, secondary school counselors, adolescent and adult counselors in non-school settings, and student personnel workers in higher education.

To be admitted to the elementary and secondary counseling program, one must have an undergraduate teaching certificate in the area in which certification is sought. Certification as a guidance counselor requires a year of teaching at the appropriate level, which may be completed after the course work.

Successful completion of the requirements leads to a Provisional Counseling Certificate and a Standard Teaching Certificate in Kentucky.

Vocational school counselors in Kentucky are required to have a secondary counseling certificate. Students planning to work in vocational education should have an undergraduate background in the area or plan to take additional courses in the graduate program in vocational education.

One planning a career as a counselor in a community setting (non-school) or in college student personnel work should enter the degree program for the Master of Arts in Adult and Higher Education with an emphasis in counseling or the Ed.S. in the counseling program. None of these programs are designed to qualify persons for certification as public school counselors.

NOTE: Persons doing guidance and counseling outside of schools—pastors, social workers, and others—are expected to apply for the Master of Arts in Adult and Higher Education degree program with a specialty in counseling. Persons interested in counseling students in higher education should also consider the adult and higher education degree program with a specialized area in guidance counseling. This program does not qualify the candidate for certification as a guidance counselor in the public schools.

Special Education/Exceptional Children Teachers

Students may enter this program if they hold the provisional certificate for teachers of exceptional children.

The department offers a conversion program for teachers holding an old certificate in special education (teachers of special education—EMR, B.D. or E.H., N.I. or L.D.). The number of credit hours required for the conversion program will vary, depending upon the course which the teacher previously completed in special education. Teachers interested in this program should contact the Department of Elementary, Reading, and Special Education for additional information.

Master of Arts in Adult and Higher Education

The adult and higher education graduate program is designed to develop the capacity of individuals to plan, organize, and carry through a variety of education and service programs to meet adult learners' needs in post-secondary and adult

continuing education institutions. The program is flexible insofar as students may plan their programs for preparation in teaching, administration, student personnel, developmental studies, or counseling.

Requirements for Admission

1. General admission to graduate study.
2. Two years of relevant professional experience is advisable.

Admission to Candidacy

1. See university requirements.
2. Completion of 9 to 15 hours of graduate work, including EDF 600, an approved course in adult and higher education, and one course from the student's area of specialization.

Requirements for the Degree

1. Satisfy the general degree requirements.
2. Completion of the following programs:

	Sem. Hrs.
EDF 600—Research Methods in Education	3
<i>Adult and higher education selected from the following (minimum of)</i>	12
EDAH 640—Principles of Adult and Higher Education	3
EDAH 651—Human Development in Adulthood	3
EDAH 653—Program/Curriculum Development and Evaluation	3
EDAH 688—Seminar in Adult Education	3
OR	
EDAH 643—Seminar in Higher Education	3
<i>Elective selected from the following (minimum of)</i>	3
EDAH 641—Academic and Administrative Problems in Higher Education	3
EDAH 642—Student Personnel in Higher Education	3
EDAH 650—Developmental Education for Adult Students	3
<i>Area of specialization* (to be selected by student and graduate committee)</i>	12

The area of specialization that will prepare the student for his or her chosen career may be from courses in any one of several disciplines. Examples include the following: students interested in counseling should take courses in the counseling area; students pursuing teaching careers should take courses in the discipline in which they plan to teach; and students interested in administration should take additional hours from the elective area and other support areas.

NOTE: Students may write a thesis in lieu of six hours of course work. Also, with approval, EDAH 670—Directed Research, EDAH 676—Directed Study, EDAH 678—Internship, or EDAH 599—Workshop may be substituted for up to six hours of regular course work.

The program is designed to be completed in a minimum of 30 semester hours, but based on student need, additional credit hours may be required.

The Specialist in Education (Ed.S.) Degree

The Specialist in Education degree program offers students who have demonstrated superior scholastic ability and special interest and aptitude in certain areas the opportunity to gain a high level of competency in a chosen specialized field for service as instructors, superiors, or administrators. In some cases, the program may serve to advance the candidate toward the doctorate. It

should also be noted that the Education Specialist Program may qualify school personnel for Kentucky's highest salary for teachers; however, it is not intended as an alternative to the "Rank I" programs.

Programs of study for the Specialist in Education Degree are offered in:

1. Administration and Supervision
2. Adult and Higher Education
3. Curriculum and Instruction
4. Guidance and Counseling

Requirements for Admission

1. A master's degree from an accredited college or university.
2. One year of successful work experience.
3. Acceptance by the dean of graduate programs. Criteria for admissions are based upon:
 - (a) Evidence of superior scholastic performance as indicated by a grade-point average of 3.5 on the graduate work completed.
 - (b) A Graduate Record Examinations (three part aptitude test) score of 1,200*. Those individuals who score below 1,200, but above 1,050, on the GRE may take the NTE or the Miller Analogies. Those who have a minimum acceptable score on the Miller Analogies or the 50th percentile or above on the NTE will be considered for admission to the Education Specialist Program.
 - (c) Interview with the applicant conducted by the Admissions Committee. (In the case of Morehead State University graduates where the members of the committee feel that they have sufficient acquaintance with the applicant, the interview may be waived.)
 - (d) Applicant's background in the area of his or her proposed specialization.
 - (e) Recommendations from selected references.

*Admission to the guidance and counseling program requires a Graduate Record Examinations score on the Aptitude section of 1300.

Requirements for the Degree

1. Twenty-four semester hours of course work approved by the student's advisory committee.
2. Completion of an applied project (6 semester hours credit).
3. Comprehensive written or oral examinations.

Joint Doctoral Program with the University of Kentucky

Morehead State University and the University of Kentucky have an agreement whereby students desiring to pursue a doctor's degree at the University of Kentucky may, upon being admitted jointly by these institutions, complete up to one year of their course work at Morehead State University.

Application for the joint program must be filed with the dean of graduate programs at Morehead State University. A joint screening committee, composed of members from both institutions, will decide upon the applicant's eligibility.

In order to be admitted to the program, the applicant must meet the requirements for admission to the doctoral program of the College of Education at the University of Kentucky. To support the application, he or she must submit a transcript of scores on the Graduate Record Examination (Aptitude and Advanced in Education tests).

After admission to the program, the student will be assigned to a doctoral committee composed of faculty members from both institutions and will be permitted to do approximately one year of work on campus at Morehead. In any case, a minimum of one academic year (18 semester hours) in residence at the University of Kentucky will be required.

Those planning to pursue doctoral programs should, at an early stage in graduate work, familiarize themselves with the general nature and requirements for advanced graduate degrees and acquire additional information about the joint Morehead-University of Kentucky program from the dean of graduate and special academic programs at Morehead State University.

Fifth Year Program (Non-Degree)

The Fifth Year non-degree program qualifies Kentucky teachers for Rank II on the salary schedule and also may be used to renew the Provisional Teaching Certificate. The Fifth Year Program may also serve as a basis for advancement to a Rank I program for teachers.

Requirements for Admission

1. A baccalaureate degree.
2. A provisional teaching certificate.

Program Requirements

1. The program shall be planned individually with each applicant by the advisor at the beginning of the program.
2. The program shall consist of a minimum of 32-36 semester hours credit. Of the total program up to 9 semester hours may be earned at another accredited institution; at least 18-21 semester hours shall be graduate level course work; at least 12-18 semester hours of graduate credit shall be in professional education; and at least 12 semester hours shall be from areas other than professional education (exceptions are early childhood education and special education). No grade less than a C can be counted as part of the minimum 32-hour program. Students must maintain a minimum grade-point average of 2.5.
3. Once the Fifth Year Program has been planned with the individual, the advisor may authorize in advance the completion of a maximum of 6 semester hours of the program at an accredited four-year college. Course work from a two-year institution shall not apply toward the Fifth Year Program. No 100 or 200 level courses will count toward completion of the Fifth Year program.

4. Course work earned by the applicant prior to planning the Fifth Year program may be evaluated for acceptance by the advisor and graduate dean.
5. Credit earned by correspondence shall not apply toward the Fifth Year Program.
6. No course work taken to qualify for initial certification shall apply toward the Fifth Year Program.
7. From the time a student begins work on a planned Fifth Year Program, he or she has 10 years in which to complete it. If the program is not completed within the required time, suitable courses must be completed to replace those more than 10 years old.
8. The student must meet university exit assessment criteria.
9. During the term in which the program is to be completed, the student should file for program completion in the Graduate Office.

Fifth Year Program in Elementary Education

The requirements for the Fifth Year Program in elementary education are listed below. The program requires a minimum of 33 hours.

Electives	6
	36

Other program requirements are:

1. Minimum 3.0 GPA.
2. Students entering the Fifth Year Program for secondary teachers after August 1, 1988, must complete successfully a written exit examination.

Rank I Program (Non-Degree)

Morehead State University offers programs of study beyond the master's degree for teachers, supervisors, guidance counselors, principals, and superintendents, which may qualify them for additional certification and/or for Rank I on the Kentucky salary schedule.

Programs consisting of a minimum of 45 semester hours of graduate work, including the master's degree, are available for Kentucky certification of elementary principals, secondary principals, school supervisors, and directors of pupil personnel.

A Rank I Program for teachers is planned for 60 graduate hours, including the master's degree. Also, a Rank I Program for teachers is planned for 30 graduate hours in addition to the requirements for the Fifth Year Program.

If the student has not previously met the Kentucky requirements for a standard teacher's certificate, he or she must do so if he or she intends to pursue a Rank I Program in either guidance counseling or administration and supervision.

Requirements for Admission

1. Must hold a master's degree from an accredited college or university or have completed a Fifth Year Program.
2. Must hold a valid teaching certificate.
3. Must meet additional requirements of specific programs.

A. Administration and Supervision:

In addition to the above requirements, the following apply to applicants for administration and supervisory programs:

Students may qualify for admission to programs in guidance counseling, administration, or supervision by scoring 1,200 or better on the Aptitude Section of the Graduate Record Examinations. Students who score below 1,200, but above 1,050, may be considered for the program if they have earned a standing of 3.5 on all graduate work and are recommended by the department which offers the program. Applicants who hold valid and active certificates in administration or supervision may be admitted to programs in the areas in which they are certified.

B. Guidance and Counseling:

In addition to the above requirements, the following apply to applicants for the guidance counseling program. Applicants must meet two of the following three:

GRE score of 1200 on the Aptitude section;

GPA of 3.5 on the master's program;

Provisional certification in counseling.

C. Secondary Education:

In addition to the above requirements, the following apply to applicants for the secondary program:

Student must have a 3.0 GPA on all graduate course work;

Must have a minimum score of 900 on the three parts of the Aptitude section of the GRE.

4. Applicants must be recommended for admission to the guidance counseling, administration, and supervisory programs by the screening and interviewing committee. Students who are not recommended for admission may file a written appeal containing a rationale for exception to the standards with the Graduate Committee, College of Professional Studies.

Requirements for the Program

1. The program must be planned with the student's advisor at the beginning of the program.
2. A minimum of 60 graduate hours including the master's degree or the Fifth Year plus 30 hours.
3. A grade-point average of B or better in all work offered for the program. No credit is accepted on grades lower than C.
4. A minimum of 30 semester hours (of the total 60 hours) in courses open only to graduate students.
5. Up to nine semester hours (of the last 30) may be earned at another accredited institution.
6. Credit in the restricted courses, open only to those students admitted to the administrative programs, must be obtained at Morehead State University.
7. Credit earned by correspondence shall not apply toward the Rank I program.
8. The student must meet university exit assessment criteria.

NOTE: During the term in which the program is to be completed, the student should request from the Graduate Office that the State Department of Education and/or the local superintendent be notified that the Rank I program has been completed. Applications for Kentucky certificates must be filed on official forms.

Rank I Program requirements are met by following the prescribed categorical requirements in only one of the available areas, i.e., secondary principal; elementary principal; supervisor; counselor; superintendent. Further applications are needed for additional certification.

Rank I Program for Elementary Teachers Including the Master's Degree

The minimum of 60 graduate hours, including the master's degree, must conform to the following area distribution:

Education (Professional)

EDUC 582. Discipline and Classroom Management. (3-0-3); I, II, III. Designed to provide assistance in establishing organized, well-managed classroom. Emphasis on available options and alternatives in dealing with disruptive student in classroom.

EDUC 690. Supervision of Student Teachers and Field Experiences. (3-0-3); I, II, III. Planned orientation for any teacher who might work with field experience student at undergraduate level or who might supervise a student teacher.

Education (Secondary)

EDSE 516. Educational Data Processing. (3-0-3); II. Basic concepts pertaining to unit-record equipment and computers. Applications in education, research, and administration. Designed primarily for students without previous data processing instruction and batch-process computing using PRIME 550/750 computing systems.

EDSE 576. Reading in the Secondary School. (2-2-3); I, II, III. Emphasis on reading instruction in junior high and high school. Materials included for instruction and studies of administrative problems involved. (Laboratory experiences are integral part of this course.)

EDSE 599. Workshop. (1 to 3 hrs.); I, II, III. Prerequisite: upper division or graduate classification. Workshop for specifically designated task orientation in education. May be repeated in additional subject areas. Maximum of six semester hours may be earned under this course number.

EDSE 633. Effective Classroom Instruction. (3-0-3). Designed to extend student's knowledge of and ability to implement research-based recommended teacher behaviors; foundation of research findings utilized to create facilitating classroom climate and to select appropriate teaching strategies.

EDSE 634. Secondary School Curriculum. (3-0-3); I, II, III. Course designed to acquaint teacher, supervisor, and administrator with nature, development, and organization of secondary school curriculum.

EDSE 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: EDF 600; permission of instructor, completion of 15 graduate hours, and advisor approval. Supervised research investigation of professional problem. Student must submit proposal describing nature and procedure of research prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final study required for department's permanent file of completed research projects.

EDSE 671. Seminar—Problems of the Teacher. (1-0-1); I, II, III. Individual research problems and thesis; review current educational research; significant problems in education especially related to role of teacher. Oral reports and group discussion.

EDSE 676. Directed Study. (1 to 3 hrs.); I, II, III. Prerequisite: completion of 15 graduate hours and advisor approval. Supervised investigation of professional problem. Student must submit proposal describing nature and procedure of study prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final study required for department's permanent file of completed projects.

EDSE 677. Reading in the Content Areas. (3-0-3). Prerequisite: an approved course in reading. Basic reading ability and study skills needed by elementary and high school students in all types of reading materials. Emphasis placed on special skills needed for study in science, social studies, mathematics, and literature.

EDSE 683. The American Secondary School. (3-0-3); I, II, III. Traces development of American secondary school, identifying historical and philosophical

influences upon this development; related current practices to their historical bases; examines present-day trends and innovations.

EDSE 699. Thesis. (6 hrs.); I, II, III.

Education (Special)

EDSP 537. Educational Assessment of Exceptional Children. (2-2-3); I, II, III. Assessment methodology relating to identification of behavioral deficits and excesses of students which lessen their performance level in one or more core academic subject areas.

EDSP 547. The Trainable Mentally Handicapped. (3-0-3); II. Prerequisite: EDSP 230 and 550. Etiology and symptomatology of trainable mentally handicapped children. Assessment procedures appropriate for use with children severely to profoundly mentally handicapped.

EDSP 550. Characteristics of Individuals with Learning Disabilities and Behavior Disorders. (2-2-3); I, III. Prerequisite: EDSP 230 or EDSP 601. Course includes biological, physical, etiological, psychological, and educational characteristics of individuals demonstrating significant deviations in learning and behavior disorders. Likely needs of learning disabled and behavior disordered individuals discussed in light of their presenting problems.

EDSP 551. Curriculum for Pre-School Exceptional Children. (2-2-3); I, II, III. Prerequisite: EDSP 230 and 550. Designed to prepare teacher to work with pre-school children having handicapping conditions. Curriculum procedures involving perceptual-motor activities, prosthetic devices, and system approaches in special education featured.

EDSP 552. Learning Disabilities. (3-0-3); I, III. Examination of psychological, medical, and educational literature with survey, clinical, and experimental work concerning a specific learning disorder.

EDSP 553. Language Arts for Exceptional Students. (2-2-3); I, III. Prerequisites: EDSP 230, 350, 550, and 537 or consent of instructor. Designed to prepare teacher of exceptional children in curriculum development and specialized procedures for teaching language arts, including reading, spelling, handwriting, language, and written composition.

EDSP 555. Prescriptive Teaching for Children with Learning and Behavior Problems. (2-2-3); I, III. Prerequisites: EDSP 230, 350, 537, 550, and 553 or 557, or consent of instructor. Transfer of educational assessment data into behavioral objectives, instructional planning for implementing such objectives, behavior management techniques, methods and materials for instruction, and formation and terminal evaluation techniques for individuals with learning and behavior problems.

EDSP 556. Teaching the Trainable Mentally Handicapped. (2-2-3); II. Prerequisite: EDSP 547 and EDSP 550. Application of methods and materials for teaching trainable mentally retarded. Construction and use of instructional aids to be used with retarded individual.

EDSP 557. Content Areas and Career Preparation for Exceptional Students. (2-2-3); I, III. Prerequisites: EDSP 230, 350, 537, and 550 or consent of instructor. Designed to prepare teacher of exceptional children in curriculum development and specialized procedures for teaching mathematics, content areas, and preparing students for vocations.

EDSP 558. Learning Disabilities Methodology. (2-2-3); I, II, III. Prerequisite: EDSP 552. Application of materials and methods (including construction of instructional aids) for teaching student with learning disabilities.

EDSP 581. Introduction to Educational Statistics. (2-2-3); II, III. Introductory study of applications of statistical and graphical methods to educational and psychological data. Includes areas of descriptive and inferential statistics that apply to educational research.

EDSP 599. Workshop. (1 to 3 hrs.); I, II, III. Workshop for specifically designated rank orientation in special education. May be repeated in additional subject areas. Maximum of six semester hours may be earned under this course number.

EDSP 601. Survey of Exceptional Children. (3-0-3); I, II, III. Study of personality theory and psychopathology, developmental problems of exceptional children, and educational characteristics and needs of exceptional children.

EDSP 602. Speech and Language Problems. (3-0-3); I, II, III. Defines various speech and language problems and their causal factors at elementary and secondary school level. Presents methods for analysis, prevention, and correction of these problems.

EDSP 603. Assessment Methodology for the Handicapped. (2-2-3); II, III.
Prerequisite: EDSP 537. Testing and assessment procedures utilized with traditional categorical approaches in special education. Principles of norming and scaling included.

EDSP 604. Resource Concept for the Handicapped. (3-0-3); I, II, III.
Prerequisite: EDSP 230 or 601. Fundamental concepts regarding implementing and managing resource room at both elementary and secondary school levels.

EDSP 605. Programs for Young Handicapped Children. (2-2-3); I, II, III.
Prerequisite: EDSP 551. Program applications for three to six year old handicapped children, including identification procedures and parent involvement techniques.

EDSP 606. Communication Disorders. (3-0-3); I, II, III. Prerequisite: EDSP 320 or 602. Procedures and methods for working with speech and language handicapped child in public or private school setting.

EDSP 607. Employability of the Handicapped. (3-0-3); I, II, III. Prerequisite: EDSP 230 or 601. Career exploration and preparation programming for secondary students who have special learning needs.

EDSP 655. Teaching the Exceptional Child. (Three hours for each subsection of the course); I, II, III. Prerequisite: consent of instructor. A—Educable Mentally Handicapped. B—Trainable Mentally Handicapped. C—Gifted. D—Emotionally Disturbed. E—Learning Disabilities.

Evaluation and practice in use of materials, methods, and curricula sequences for special class children. Emphasis on adapting learning environments related to language, art, social skills, quantitative operations, health, and creative activities to meet demands of children with special learning disorders or talents.

EDSP 668. Organization of Special Classes. (2-2-3); II, III. Prerequisite: consent of instructor. Relation between special class teacher and students within matrices of larger school community. Techniques of parental counseling and introduction of students into work and social aspects of larger community.

EDSP 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: EDF 600 or equivalent, completion of 15 graduate hours, advisor approval, and permission of instructor. Independent research study of professional problem in special education. Proposal describing methodology and purpose of study required prior to enrollment in course. Copy of final study required for department's permanent file of completed research projects.

EDSP 675. Practicum in Special Education. (3 to 6 hrs.); I, II, III. Supervised practice in working with specific groups of exceptional children in educational, clinical, or institutional settings using a holistic, multi-discipline approach to therapy and/or

prescriptive teaching. (Application made through coordinator of professional laboratory experiences.)

EDSP 676. Directed Study. (1 to 3 hrs.); I, II, III. Prerequisite: permission of instructor, completion of 15 graduate hours, and advisor approval. Directed study, not requiring a research design, of professional problem in special education. Proposal describing purpose of study required prior to enrollment in course. Copy of final report on project required for department's permanent file of completed projects.

EDSP 678. Internship. (1 to 6 hrs.). Supervised experience in activities appropriate to area of specialization.

EDSP 699. Thesis. (6 hrs.); I, II, III.

Library Science Instructional Media

LSIM 581. Individualized Learning Systems. (3-0-3); II, III. Introduction to basic individualized learning systems; how they are designed, produced, and utilized. Student shall design and produce examples of learning activity packets and programmed instructional materials. Technological applications for individualizing learning such as programmers and portable computers will also be covered.

LSIM 583. Producing Audiovisual Materials. (3-0-3); II, III. Production of various types of audiovisual materials with emphasis upon still photography (slides-prints), motion picture photography, audio production, and classroom television production.

LSIM 588. Educational Gaming and Simulation. (3-0-3); I, III. Introduction to the design, production, utilization, and evaluation of educational games and simulations. Student shall produce educational game and educational simulation of his or her own design which will be evaluated and revised by tryout with selected target groups.

LSIM 599. Library Media Workshop. (1 to 6 hrs.); on demand. Subject matter and length of time vary; prerequisites determined for each. May be repeated but not to exceed total of six hours.

LSIM 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: EDF 600, completion of 15 graduate hours, advisor approval, and permission of instructor. Supervised research investigation of a professional problem. Student must submit proposal describing nature and procedure of research prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final report on project is required for department's permanent file of completed projects.

LSIM 676. Directed Study. (1 to 3 hrs.); I, II, III. Prerequisite: permission of instructor, completion of 15 graduate hours, and advisor approval. Guided study of a professional problem. Student must submit plan describing nature of study prior to starting. Format for the plan will be supplied by the instructor upon request. A copy of final report on study required for department's permanent file of completed projects and studies.

Degree: Master of Arts in Health, Physical Education, and Recreation

The curricula leading to the degree of Master of Arts in Health, Physical Education, and Recreation are designed to meet the needs of students who wish to further their training for a particular role as instructor, supervisor, or administrator in a health, physical education, or recreation program in the school or community.

Requirements for Admission

1. General admission to graduate study.
2. A major, minor, or a minimum of 18 approved hours in health, physical education, and recreation.

Admission to Candidacy

1. Meet university requirements.
2. Completion of 9 to 15 hours of approved graduate course work including EDF 600 and two of the following: PHED 601, 604, HLTH 601, 612, REC 630, 635.

Requirements for the Degree

1. A minimum of 30 semester hours of approved graduate course work, including the following: EDF 600, PHED 601, 604, HLTH 601 or HLTH 612, REC 630, 635. A maximum of 6 semester hours may be allowed for an acceptable thesis.
2. A minimum of 18 semester hours in courses in health, physical education, and recreation.

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.

Health

HLTH 508. Principles of General School Safety. (3-0-3); I, II, III. Review of principles and practices in establishing and maintaining healthful and safe school environment.

HLTH 518. Use and Abuse of Drugs. (3-0-3); I, II, III. Designed to survey psychoactive drugs with particular emphasis on behavioral effects of these agents.

HLTH 576. Special Problems in Health. (1 to 3 hrs.); I, II. *Prerequisite: upper division or graduate classification.* Designed to meet special needs of individual students. Intensive study of approved specific problems from area of health under direction of instructor.

HLTH 599. Workshop. (1 to 3 hrs.); I, II, III. Workshop for specifically designated task orientation in health. May be repeated in additional subject areas. Maximum of six semester hours may be earned under this course number.

HLTH 601. School Health Services. (2-0-2); I, alt. III. *Prerequisite: 12 hours of undergraduate credit in health.* Education for health; administration, ecology, management, improvement.

HLTH 612. Public Health Service. (2-0-2); II, alt. III. *Prerequisite: 12 hours of undergraduate credit in health.* Public health: history and philosophy, administration, service, future.

HLTH 614. Principles of Epidemiology. (2-2-3); I. *Prerequisite: HLTH 612.* Ecology and causes of diseases; factors influencing occurrence of diseases; critical incidents in epidemiology, epidemiologic investigations.

HLTH 670. Directed Research. (1 to 3 hrs.); I, II, III. *Prerequisite: EDF 600 and permission of instructor.* Supervised research investigation of professional problem. Student must submit proposal describing nature and procedure of research prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final study required for department's permanent file of completed research projects.

HLTH 699. Thesis. (6 hrs.); I, II, III. *Prerequisite: approval of thesis topic by thesis committee.* Maximum of six hours allowed.

Physical Education

PHED 576. Special Problems in Physical Education. (1 to 3 hrs.); I, II. *Prerequisite: upper division or graduate classification.* Designed to meet special needs of individual students. Intensive study of approved specific problems from area of physical education.

PHED 599. Workshop. (1 to 3 hrs.); I, II, III. Workshop for specifically designated task orientation in physical education. May be repeated in additional subject areas. Maximum of six semester hours may be earned under this course number.

PHED 600. Current Problems in Physical Education. (2-0-2); I, III. Identify, evaluate, and propose solutions for problems confronted by individuals and groups who are concerned with health, physical education, and recreation.

PHED 601. Tests and Measurements in Health, Physical Education, and Recreation. (3-0-3); I, III. Advanced principles of evaluation in health, physical education, and recreation.

PHED 604. History and Principles of Physical Education. (3-0-3); I, III. Development of physical education; analysis of its aims, objectives, and principles.

PHED 605. Planning Facilities for Physical Education. (2-0-2); II. Facilities, equipment, site selection, building plans, and equipment placement in programs of health, physical education, and recreation.

PHED 606. Physiological Effects of Motor Activity. (3-0-3); II, III. Physiological changes resulting from motor activity. Familiarization with, and use of, various instruments and devices for measuring physiological changes in body.

PHED 608. Analysis of Motor Skills. (3-0-3) I. Applications of principles of physics to the various skills in motor activities.

PHED 610. Readings in Health, Physical Education, and Recreation. (2-0-2); I, III. Extensive guided reading to further acquaint the student with total area of health, physical education, and recreation.

PHED 612. Curriculum Construction in Elementary Physical Education. (2-0-2); I. Evaluation of curriculum of elementary school in relation to needs of the pupil in area of health, physical education, and recreation; curricular planning to meet these needs.

PHED 615. Physical Education for the Exceptional Child. (2-0-2); II. Diagnosing abnormal child in relation to individual needs and capabilities in the areas of physical education and recreation.

PHED 616. Foundations and Trends in Health, Physical Education, and Recreation. (2-0-2); I. Physiological, psychological, sociological, and scientific foundations of health, physical education, and recreation. Current trends in health, physical education, and recreation.

PHED 625. Adaptions of Muscular Activity. (2-2-2); III. Prerequisite: PHED 575. Advanced study of physical education for exceptional student. Organization and administration of adapted physical education programs; program planning, principles, and techniques, evaluation.

PHED 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: EDF 600 and permission of instructor. Supervised research investigation of professional problem. Student must submit proposal describing nature and procedure of research prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final study required for department's permanent file of completed research projects.

PHED 699. Thesis. (6 hrs.); I, II, III. Prerequisite: Approval of thesis topic by thesis committee. Maximum of six hours allowed.

Recreation

REC 522. Park Management and Resource and Operation. (3-0-3); II. Study of theory and current practices involved in effective management and operation of parks and recreation areas, with emphasis on management policies and procedures for efficient operation. Point of primary emphasis would be practical work with local, state, and federal park systems and personnel to apply theoretical knowledge in practical situation.

REC 526. Fiscal Management in Parks and Recreation. (3-0-3); I, II. Considers recreation and park administration—tax structures, budgets, budget preparation procedure, projecting financial aspects of recreation, and items necessary to handle properly financial affairs in recreation and park field.

REC 528. Camping Administration. (2-0-2); I. Considers multitude of details necessary in successful administration and organization of camp.

REC 576. Special problems in Recreation. (1 to 3 hrs.); I, II. Prerequisite: upper division or graduate classification. Designed to meet special needs of individual students. Intensive study of approved specific problems from area of recreation under direction of instructor.

REC 580. Outdoor Interpretation. (2-2-3); II. Procedures for conducting and supervising naturalist and outdoor interpretive programs.

REC 585. Programs and Materials for Therapeutic Recreation. (0-2-3); I. In-depth study of programs and materials used in therapeutic recreation. Considers various devices, activities, and materials that can be used in programs for individuals. Practical work with individuals in therapeutic situations stressed.

REC 599. Workshop. (1 to 3 hrs.); I, II, III. Workshop for specifically designated task orientation in recreation. May be repeated in additional subject areas. Maximum of six semester hours may be earned under this course number.

REC 620. Graduate Seminar in Recreation. (1-0-1); I, II. Reviews variety of topics in profession of recreation. Fundamentally, this course will be used for program development and to prepare students to actively pursue a position in profession of recreation.

REC 624. Evaluative Techniques in Parks and Recreation. (2-0-2); II. Study of evaluative process in parks and recreation situations, and includes criteria for selection of evaluative tools, statistical treatment and interpretation of data, as well as those measurement instruments that have to do with community and area surveys that also involve projection of need and use for park and recreation facilities and programs.

REC 625. Community/School Recreation. (3-0-3); I, II, III. Factors and background necessary for successful conduct of school/college recreation program, including various factors involved in conducting intramural programs. Considers leisure life of the students in both organized activities and free time or leisure pursuits.

REC 630. Programs in Recreation. (2-0-2); II, III. Study of different media through which recreation is presented. Sponsoring groups, personnel, administration, organization, facilities, finances, maintenance, equipment, supplies, and promotion.

REC 635. Organization and Administration of Intramural Activities. (2-0-2); II. History and philosophy of intramural activities; relationship of intramural activities to education, physical education, and recreation.

REC 640. Recreation in the Senior Years. (2-0-2); I. Study of needs of older people with implications for recreation programs and activities, in addition to practical application of these ideas and programs.

REC 670. Directed Research. (1 to 3 hrs.); I, II, III. Prerequisite: EDF 600 and permission of instructor. Supervised research investigation of professional problem. Student must submit proposal describing nature and procedure of research prior to starting. Format for proposal will be supplied by instructor upon request. Copy of final study required for department's permanent file of completed research projects.

REC 699. Thesis (6 hrs.); I, II, III. Prerequisite: approval of thesis topic by thesis committee. Maximum of six hours allowed.

Degree: Master of Arts in Psychology (Clinical, Counseling, General)

Master of Arts in Psychology

Students in the Master of Arts in psychology degree program may elect an emphasis in clinical, counseling, or general psychology.

Clinical Psychology

The Master of Arts in clinical psychology is designed to lead to certification in Kentucky and other states which provide for certification of master's level psychologists. In Kentucky, certification status is awarded to an individual having a master's degree in clinical psychology by the Kentucky Board of Examiners upon successful completion of both an objective and essay examination covering both scientific psychology and clinical psychology. The student must complete a program of study based on curriculum guidelines provided by the Board of Examiners in Psychology in order to achieve entry to the certification examination.

The clinical program follows the practitioner model in agreement with the American Psychological Association's position on M.A. level psychology training. The primary emphasis is on applied clinical skills plus knowledge of the general field of psychology. Good clinical practice is based on, at least, intelligent consumership of psychological theory (in areas not limited only to clinical psychology) and psychological research. Consequently, competencies in critical analysis of theories, experimental design, and quantitative data analysis will also be expected.

The clinical program normally takes four semesters to complete, based on a recommended 60 hours of study, including a 16-week full-time internship. A thesis is not required for completion of the program but is recommended for students considering eventual application to a doctoral program.

Applications for the fall semester should be received by June 15. Admission for the spring semester should be received by December 1.

Requirements for Admission

1. General admission to graduate study.
2. Completion of 18 semester hours in psychology, including a course in experimental psychology, and a 3 hour course in statistics.
3. Undergraduate grade-point average of 3.0.

4. Preferred Graduate Record Examinations Verbal, Quantitative, and Analytical scores of 1,500.
5. Adequate interpersonal skills, as determined by a personal interview by the clinical psychology faculty.
6. Excellent letters of recommendation (two of the three letters should be from the major department faculty).

Applicants should note that enrollment in the clinical program is restricted to a specific number of students each year.

Students who lack prerequisite courses may be conditionally admitted to the program; however, credit for course work required in order to gain unconditional admission may not be applied towards the master's degree.

Students who do not have an undergraduate grade-point average of 3.0 or Verbal, Quantitative, and Analytical scores from the GRE totaling 1,500 may be admitted if there is sufficient evidence of probability of success in the program. This would be based on factors such as previous success in related work experiences, satisfactory score from the Miller's Analogy Test, or other indices normally associated with success on the part of students in graduate study in psychology.

Requirements for the Degree

1. Satisfy general degree requirements.
2. Completion of all core clinical courses (PSY 657, 658, 661, 662, 672, 673, 674, and 678) with a grade of "B" or better in each course. In order to continue in the program, students must repeat clinical courses in which grades of "C" are obtained or otherwise demonstrate to the faculty minimal competency in skills taught in these courses. No course may be repeated more than one time.
3. Successful completion of candidacy examination.
4. Successful completion of final oral examination.
5. Completion of the following program:

Counseling Psychology

Students who are interested in providing counseling and psychotherapy services to children and adults in all nonpublic school settings may elect a counseling psychology program emphasis within the department's 60-hour master's program. The program is identical to the master's program in clinical psychology except that other courses are taken in lieu of the clinical program's courses in psychometrics. The program is designed to lead to entry into the certification examination process by the various State Boards of Psychology (including Kentucky) which provides for certification for private practice in psychology at the master's level of preparation.

Requirements for Admission

1. General admission to graduate study.
2. Completion of 18 semester hours in psychology, including a course in experimental psychology, and a 3 hour course in statistics.
3. Undergraduate grade-point average of 3.0.
4. Preferred Graduate Record Examinations Verbal, Quantitative, and Analytical scores of 1,500.
5. Adequate interpersonal skills, as determined by a personal interview or conference telephone call with the clinical/counseling psychology faculty.
6. Excellent letters of recommendation (two of the three letters should be from the major department faculty). Applicants should note that enrollment in the counseling program is restricted to a specific number of students each year.

Students who lack prerequisite courses may be conditionally admitted to the program; however, credit for course work required in order to gain unconditional admission may not be applied towards the master's degree.

Students who do not have an undergraduate grade-point average of 3.0 or Verbal, Quantitative, and Analytical score from the GRE totaling 1,500 may be admitted if there is sufficient evidence of probability of success in the program. This would be based on factors such as previous success in related work experiences, satisfactory score from the Miller's Analogy Test, or other indices normally associated with success on the part of students in graduate study in psychology.

General Psychology

The department offers a 30 hour master's degree program in general psychology consisting of 15 to 18 hours of core courses and 12 to 15 hours in a specialization area either in psychology or in psychology and a related discipline. A thesis (6 semester hours) or an applied project (3 semester hours) is required. The program is designed to prepare individuals for doctoral study in psychology or for employment in a variety of settings, depending upon the specialization taken. Specializations are offered in experimental, physiological, educational,

gerontological, and rehabilitative psychology. Individuals may also elect a preclinical or precounseling specialization which may be taken part-time—the remainder of the regular clinical or counseling program can then be completed in one year of full-time study.

Requirements for Admission

1. General admission to graduate study.
2. Completion of 18 semester hours of psychology, including a course in statistics and a course in experimental psychology.
3. Preferred g.p.a. of 3.0 or above.
4. Preferred GRE V+Q+A of 1,500 or above.

Students who lack prerequisite courses may be conditionally admitted. Students who do not have satisfactory undergraduate g.p.a. or GRE scores may be admitted if there is sufficient evidence of probability of success in the program. Students who believe that they possess a strong aptitude for graduate study in general psychology but do not meet the g.p.a. or GRE requirement should contact the department regarding procedures for documenting their ability to succeed in the graduate program.

Requirements for the Degree

1. Satisfy general degree requirements.
2. Successful completion of candidacy examinations.
3. Successful completion of final oral examination.
4. Completion of the following program:

Core requirements 15-18 hours

PSY 633—Personality Theory or PSY 634—Learning Theories or

PSY 661—Psychopathology

PSY 582—Experimental Psychology or PSY 584—Perception

PSY 611 Computer Packages for the Life Sciences

PSY 554—Seminar in Social Psychology

PSY 690—Applied Project or PSY 699—Thesis

Area requirements 12-15 hours

Area requirements for the various areas are determined by the student with the approval of the advisor and department chair.

School Psychology

Students interested in a school psychology emphasis should contact the department for information relating to both admission and requirements for the program.

Admission to Candidacy

Candidacy examinations are required for all programs. In addition to the university requirements for admission, students shall take written comprehensive examinations in four of the following categories:

Group I

1. Learning
2. Physiological Psychology
3. Research Design and Statistics
4. Social Psychology

Group II

1. Personality
2. Human Development
3. Psychological Testing
4. Psychotherapy and Psychopathology

No more than three elected areas are to be chosen from a single group.

These examinations will be given two weeks following the mid-semester grade due date of each of the three regular semesters. Applications for candidacy examinations must be submitted to the department chair prior to the mid-semester grade due date of the semester in which the student applies for candidacy.

Students will be recommended for candidacy after having achieved or completed the following five requirements:

1. A satisfactory grade on each of the four candidacy qualifying examinations.
2. A 3.0 or higher grade-point average with a minimum of eight hours of graduate credit.
3. Recommendation of the student's advisor and graduate committee members.
4. Removal of all admission conditions for students who have been conditionally admitted to the program.

Department of Sociology, Social Work, and Corrections

(606) 783-2656

347 Rader Hall

Graduate Faculty—R. Bylund, T. Munson, E. Reeves, D. Rudy (chair), J. Seelig, A. Wheeler, M. Whitson

Degree: Master of Arts in Sociology (General, Corrections, Gerontology)

The Master of Arts in Sociology allows options in three areas: (1) general sociology, (2) corrections, and (3) gerontology. All options require basic courses in theory and research methods. The corrections and gerontology options also require a practicum in a professional setting.

In addition to these options the department participates in a cooperative Master of Social Work degree with the University of Kentucky. All of the

program courses are offered on the Morehead State University campus. The program, fully accredited by the Council on Social Work Education, results in a Master of Social Work degree from the University of Kentucky.

Requirements for Admission

1. General admission to graduate study.
2. Completion of 18 semester hours of undergraduate work in sociology.
3. A minimum standing of 3.0 on all sociology courses above the freshman level.

Admission to Candidacy

See university requirements. ✓

Requirements for the Degree

1. Satisfy general degree requirements.
2. All students must take SOC 615, Sociological Research, and SOC 650, Sociological Thought and Theory.
3. Completion of one of the three options: general sociology, corrections, gerontology.

General Sociology Option

Students electing this option must complete one of the following plans:

Plan A

- a. Completion of a minimum of 30 semester hours of approved graduate work in sociology. At least 15 hours of the sociology credit must be earned in courses at the 600 level.
- b. Completion of an approved thesis.
- c. A reading knowledge of a modern foreign language.

Plan B

Same as Plan A, except a written comprehensive examination is substituted for a reading knowledge of a modern foreign language.

Plan C

- a. Completion of a minimum of 30 semester hours of approved graduate work in sociology. At least 15 hours of the sociology credit must be earned in courses at the 600 level.
- b. A reading knowledge of an approved foreign language.
- c. A written comprehensive examination.

Plan D

- a. Completion of a minimum of 33 semester hours of approved graduate work in sociology. At least 15 hours of sociology credit must be earned in courses at the 600 level.
- b. A written comprehensive examination.

Corrections Option

- a. Students electing this option must complete a minimum of 18 semester hours in sociology and 18 semester hours in corrections. Twelve semester hours of the corrections requirement will be earned in a practicum in a professional corrections situation.
- b. A written comprehensive examination.

Gerontology Option

- a. Completion of a minimum of 27 semester hours of approved graduate work in sociology, of which nine must be a professional practicum in social agencies or independent research.
- b. Completion of a minimum of 9 semester hours in an approved cognate area.
- c. A written comprehensive examination.

Course Descriptions

NOTE: Courses are arranged alphabetically by discipline. (3-0-3) following course title means 3 hours class, no laboratory, 3 hours credit. Roman numerals I, II, III following the credit hours allowance indicate the term in which the course is normally scheduled: I-fall; II-spring; III-summer.
