

Facts About Facts Here & Abroad

ELECTION
The National Recovery Act has been extended for less than a year, the reelection of President Roosevelt virtually guaranteed. The relief fund of \$4,000,000, 600 appropriated recently. Half of that has been received. The number of employment under eight separate administrative boards. That number is sufficient to provide work for approximately 3,000,000 men and women for two years on the present commodity level.

PREDICTION
A year ago, interest in the sales tax was high, but today, not even the sponsor of the bill is eager to discuss it. Of the eight or nine gubernatorial candidates, not one has dared to uphold the tax. The majority of the candidates have announced an anti-sales tax platform, and it is certain that no representative or senator will be elected to a seat in the General Assembly who wishes to extend the tax, the measure which is due to expire in June, 1935. But while the bill has been introduced, several bills have been mentioned. The sales tax is netting the State of Kentucky about \$13,000,000, and \$11,000,000 yearly, and an appreciable part of the State's expense is absorbed by the tax. Only two bills stipulate are worth considering: one is a revised and amended sales tax and an increased whiskey tax. Two of them, if not all three, are certainly to be considered by the next General Assembly. In all three, action is taken on them, the burden of taxation in Kentucky will be borne by the Blue Grass section. An income tax would be a severe blow to the Blue Grass section. The proposed revision of the retail excise tax would mean the whiskey tax would be more evenly distributed. It is easy to predict that when and if the sales tax is passed, it will mean a real fight will take place.

DROUGHT
With conditions in the Middle West going from bad to worse, the Department of Agriculture is exhausting every resource in an effort to check the rapid erosion of soil from the fertile western plains. Lately, the Gobi desert to search for the dust-creating grains. Some few weeks ago, a plan to strip garbage over the dry area was considered and discussed. Since there are no other ideas have been advanced but none have been practicable.

BUSINESS
From 1929 to 1929, Southern States registered a tremendous advance in the development of industry, but the collapse of the financial pyramid has stopped the forward progress and extreme retrogression set in. However, reports from the manufacturing districts of North Carolina, Georgia and Alabama indicate that all of the sections of the United States the South has increased more since the close of the depression. Most critics agree that there is no hope for the War Between the States, the South will be wholly dependent on the rest in the last 20 years. A decided increase in manufacturing has been noted.

MARDI GRAS NO. 2
The Kentucky Derby was definitely established as a degraded and vulgar New Orleans Mardi Gras parade. The New Orleans demands of race fans from every section of the country. The parade was held on the lawn of the grandstand. The parade was held on the lawn of the grandstand. The parade was held on the lawn of the grandstand.

VOLUME VI

VAGHANS HAS 100 TEACHERS CAN PRACTICE

Unexpected Demand by Student Teachers To Be Met by Administration.
The principal announced that the College with unusual students this year. With the Training School facilities, approximately 100 students will be able to take practice teaching during the first summer term and a much smaller number will be able to get practice teaching in the second quarter school the second summer term, according to Dean W. H. Vaughan.

Arrangements are being made to offer a substitute course, probably directed elsewhere, for approximately 500 more applicants. This will enable slightly more than the number of students working during the first summer term. An effort is being made to provide substitute teachers for the 500 substitutes for those who must have it during the summer school. Many are asking for practice teaching who could take other courses in education and it is recommended that students be encouraged to meet the requirements for the provisional high school certificate. This certificate is good for four years in valid teaching either in the elementary or high school. It may be renewed for

CAPACITY CROWD SEES OPERETTA

Waters And Nickell Star in Roles Of Dream Lady and Hamelin Piper.

"The Pied Piper of Hamelin," an operatic arrangement of the classic poem by Robert Browning, was presented in the College auditorium, Thursday evening, before a capacity house. L. H. Horton, head of the department, music, conducted and directed the production.

The prologue was sung by Harold Blair, baritone. The augmented Foster Opera Club took part of the citizens of Hamelin and sang the introduction and opening chorus. In the first scene, Harold Blair, an outbroken townswan, asks the Mayor, Kenneth Ward and Howard Meyer, agree to his proposal. The piper plays and the rats follow him and perish. The piper asks for his reward. He is paid by the citizens. He plays a tune and the children of the town, enacted by the Senior High School's glee club.

Y. M. C. A. CHANGES TO MEN'S HALL FOR MEET

The Y. M. C. A. held its regular Monday meeting in the lobby of the Men's Hall on Wednesday evening. The meeting was held on the lawn of the grandstand. The meeting was held on the lawn of the grandstand.

MOREHEAD, KENTUCKY, SATURDAY, MAY 11, 1934

Alumni President Extends Greetings COUNCIL VOTES SCHOOL HEADS 4 YEARS WORK

Sup't. J. H. Richmond States Council Has No Power To Effect Changes.

In a meeting at Frankfort Monday, the State Council on Higher Learning voted to recommend to the State Board of Examiners that all applicants for admission to administrators in Kentucky schools be required to have four years of college work. As the recommendation is interpreted, superintendents, principals, business agents and all other employes working in an administrative capacity will be compelled to qualify.

Superintendent of Public Instruction James H. Richmond declares the council does not have the authority to order changes in the educational set-up, but could only recommend the adjustments to the examiners.

D. D. GAUDILL Caudill Urges Students Out Other Days To Return To Alma Mater For Day.

I am taking this opportunity to invite and urge each member of the Morehead State Teachers College Alumni Association to be present when we will again gather at our Alma Mater, May 29, for a full day of business and pleasure.

The committee on arrangements for the annual meeting of the Morehead State Teachers College Alumni Association in the history of the association. The administrative and faculty of the college are putting forth every effort to make our day with them most pleasant. It is suggested to the graduates to make Alumni Day a distinct success by being present and participating in all of the scheduled activities.

I am especially urging you to be present at the luncheon-banquet meeting. At that time, a constitution will be adopted by the association. The success of the organization will depend in large measure on the success of this meeting. All the interests and ideals of the association will be established; policies for the future will be formulated.

Come back to Morehead this year with one objective—to build a bigger and better alumni association. Let us resolve to make our organization more than a name; may it become a real institution. Morehead State Teachers College.

(Signed) D. D. Caudill, President of Morehead Alumni Association.

Commemoration Week Programme Released

"Mock Chapel" Expected To Be Highlight Of Class Day Programme.

The closing days of the spring semester will be filled with important events including commencement, the basketball season, a banquet, a play and art exhibit, according to Registrar Mary Kay Milton.

Mary E. George's annual drama in three acts by Sutton Vane, will be presented by the Revellers Dramatic Club under the direction of Lucille Clark Wednesday evening, May 22.

The following Sunday, Dr. Charles W. Gilkey, dean of the division of the University of Chicago, will be the central bacchanalian sermon.

The center bacchanalian sermon, varied programme for class day, which has been arranged, May 25. A "mock chapel" is the bacchanalian service as class officers. Marvin E. George's annual drama in three acts by Sutton Vane, will be presented by the Revellers Dramatic Club under the direction of Lucille Clark Wednesday evening, May 22.

"HAPPY LANDINGS" WEDNESDAY NIGHT IN AUDITORIUM

NUMBER 23

JEISTERS TO PLAY FOR FORT SATURDAY NIGHT

Junior Class officers announced today that a troupe would be held at the Junior Club on Saturday night, June 16, in conjunction with the King's Jesters orchestra. The dance will be open to all students.

An informal party for all members of the club only, will be held on the gym Monday night from 7:30 to 9:30 o'clock. All members of the Junior Club are invited to attend.

MOREHEAD LIGHT INITIAL NAME OF LOCAL NEWSPAPER

BY PAUL HOLMAN

Devising back into the files of the TRAIL BLAZER, one may find many interesting facts concerning the history and background of the Morehead state publication, as far as we have been able to ascertain. The first newspaper published in the campus was in the fall of 1917, called THE TRAIL BLAZER, and was edited by J. H. Richmond.

The council recommended that a magazine of two years of college work be written for elementary certificates and four years for high school certificates. In the event the State Board of Examiners accepts the recommendation, the college would become effective Sept. 1.

Meeting in the office of the state superintendent of public instruction, Mr. J. H. Richmond and John H. Cherry and Charles G. Franklin, Eastern State Teachers College; Dr. H. H. Brown and John H. Judge, Jr. of Howard Payne and W. W. Cary and B. L. Trevathan, Morehead State Teachers College. Members of the State Board of Education, including Dr. Charles H. T. Johnson, and other college officials, were also present at the meeting.

QUILL AND QUAIRE TO EDIT MAGAZINE

Short Stories Solicited By Sponsors; Printed By Selected By Majors.

"Quill and Quaire" has been selected by Quill and Quaire, English literature magazine, to edit the forthcoming literary publication. The magazine will be a twenty-four page magazine of about the best literary work of students.

The magazine will contain poems, short stories, free essays and other articles. At the present time there is a scarcity of short story material and anyone who has a short story to contribute should get in touch with Paul Holman and "Looking After" himself, or to Woodruff Spear, English department.

The annual drama in three acts by Sutton Vane, will be presented by the Revellers Dramatic Club under the direction of Lucille Clark Wednesday evening, May 22.

The following Sunday, Dr. Charles W. Gilkey, dean of the division of the University of Chicago, will be the central bacchanalian sermon.

The center bacchanalian sermon, varied programme for class day, which has been arranged, May 25. A "mock chapel" is the bacchanalian service as class officers.

Dr. John Howard Payne delivered the commencement address to the senior class at the University of Chicago School yesterday. He is scheduled to go to Yarns High School for another Tuesday.

BANQUET. BALL ON PROGRAMME OF ALUMNI DAY

Business Meeting Set For Noon Hour In College Cafeteria by Frege.

Morehead State Teachers College's graduates are scheduled to return to their alma mater for the annual Alumni Day Wednesday, May 30, according to a announcement made yesterday by Dr. Caudill, president of the Morehead Alumni Association and principal of the Morehead High School.

Features include an all-day meeting at the annual banquet and alumni reunion ball in the evening. According to a statement received yesterday by Dr. Caudill, the Jesters orchestra has been engaged to play for the dance.

Through the courtesy of the Benf material will be open for an exclusive use of the homecoming committee.

President and Mrs. John Howard Payne plan a tea and reception for the alumni at 7:00 Wednesday afternoon at the hotel.

Through the courtesy of the College Theatre and Maxine V. Hollie, a free showing of Richard Dix in WEST OF THE PECOS has been scheduled for the evening.

In the morning, an alumni chapel will be held in the auditorium. Prominent speakers will be present and will be heard at that time.

Luncheon and the semi-annual meeting of the alumni will be held at 12:00 in the College cafeteria. Incoming grades will register at 1:00 Wednesday morning in the gymnasium.

According to the secretary of the alumni association, Mrs. Mary Alice Calver, invitations to the alumni have been extended to every graduate of the college. Reports are that a majority of the former students will make the annual trip to Morehead this year.

As more than 60 names were added to the role of the association, the alumni association will meet August last year, a larger number is expected to participate in the annual meeting this year than ever before.

NATIONAL MUSIC WEEK OBSERVED

Convocation Periods Turned Over To Musicians; Music Department Entertains.

Music Week was the feature at each convocation. The program page this week, on Monday a program was presented by the faculty and the students were in charge.

Mary's programme was opened with two new songs from "Roumoune" by Schubert and "Swiss Dance" by Debussy. The madrigal quartet, composed by Sarah Waters, Mr. G. G. Jones, G. George and L. H. Horton, "Prepared Day to Sing" by Anne, "The Song of the Lark" by De B. C. Hazen, and "Country Gardens" by English.

Keith Davis, violin instructor, played "Prelude in E Major" by Bach-Grove, and "Ave Maria" by Schubert. The madrigal quartet, composed of the quartet with "The Song of the Lark" by De B. C. Hazen, "Serenade" by Hayden and "The Song of the Lark" by De B. C. Hazen.

The student's program opened with "Procession" by Elgar and "Pilgrims' Chorus" by Wagner, presented by a quartet. The madrigal quartet, composed of Keith Davis, the Junior High School's glee club, under the direction of Paul Holman.

OMAHA EQUALS FATHER'S WIN IN 61st DERBY

Nellie Flag And Southern Fade In Long Stretch Run; Wet Track Shows Running.

Omaha, William Woodson's son of Gallant Fox, won the Kentucky Derby over Saturday before one of the largest crowds ever to attend the Derby. Omaha finished first in the stretch to beat out Roman Soldier, second place winner and Whiskalo in third place.

Today, and tomorrow, highly considered entries, were the big disappointments of the day as they finished far back in the field. Nellie Flag, favored filly, ran a good race and after being crowded at the barrier and in the early part of the race, fought back and finished fourth a length back of Whiskalo.

Omaha will defend his title this afternoon when he meets five of his Derby opponents in the Preakness at Pimlico Maryland. Warren Wright's Nellie Flag, the strapping filly which disappointed her followers in the Derby, heads the quintet which includes E. K. Bradley's Boston, Mrs. Dodge Stone's Psyche, Mrs. Walter M. Jefferson's Commonwealth and Mrs. W. S. Kilmer's Sun Fairplay. There also is a chance that Whiskalo, which carried the title of Mrs. P. C. Maxey Milky Way farm to third place in the Derby, may be among the dozen or more entries when they are started Friday morning.

The hopes of Bradley received a setback when the Maryland state racing commission announced Don Meade, the stable's first string jockey, was ineligible to ride as the result of a five day suspension received at Churchill Downs Wednesday for rough riding. Eymaned "Sonny" Workman, one of the turf's foremost jockeys, will replace Meade. Although the one and three-quarter mile of the Preakness is one sixteenth mile shorter than the Derby, the stretches are shorter and the turns are sharper than at the Downs.

SPORTS FORUM

By J. K. WELLS

I was rather disappointed with the result of the Eagles' game with Western last Friday. My disappointment, however, was prompted by the fact that Western made more runs than the Eagles, not by the showing the Eagles made. The score, 14 to 7, is really a poor indication of the type of ball the two teams displayed. The Hilltoppers had the advantage of three weeks practice and two games already under their belts over the Eagles and this better conditioning, more than anything else provided their winning margin. The loss may be attributed to the fact that the Eagles are holed, tired during the latter innings of the game and this in turn may be attributed to the fact that he had had only one week of practice.

Another weakness, apparent last Friday, at several points, had been pointed out by Coach Dowling. He has drilled Charles Clayton, back hitting, backstop to third, Wynn, regular third catcher, to second and has placed Carter Wynn behind the bat.

Bill (Cap) Scroggins, freshman manager, was on a scouting trip to Big Sandy last week, looking for material for next year's first foot ball team. He says his trip was successful and we know that if the Big Sandy team will all be as generous with their material as Louie was last year, this year's fresh aggregation will be the best in the state.

After picking Omaha's Boston, Mrs. Dodge Stone's Psyche, Mrs. Walter M. Jefferson's Commonwealth and Mrs. W. S. Kilmer's Sun Fairplay, there also is a chance that Whiskalo, which carried the title of Mrs. P. C. Maxey Milky Way farm to third place in the Derby, may be among the dozen or more entries when they are started Friday morning.

College and professional baseball teams are made up of all players who started playing at a very early racing commission announced Don Meade, the stable's first string jockey, was ineligible to ride as the result of a five day suspension received at Churchill Downs Wednesday for rough riding. Eymaned "Sonny" Workman, one of the turf's foremost jockeys, will replace Meade. Although the one and three-quarter mile of the Preakness is one sixteenth mile shorter than the Derby, the stretches are shorter and the turns are sharper than at the Downs.

COOKS DEFEAT PROFS TO TOP LEAGUE CHASE

Kafkat's Outlaws Take Second Place In League

The seasonal winning streak of Chief Cannonball's Cafeteria team featured the second week of the Intramural Soft Ball League which got under way here Wednesday after being delayed the early part of the week because of wet grounds.

The Cafeteria's renamed Center County Wednesday and triumphed in the History Department team pitching by Tinsley, downed Center County, 12 to 8. The Cafeteria team while striving frequently, turned in a smooth performance at bat and in the field.

Carter captured by swamping a crippled Newvie team, 21 to 2 in the initial game Friday. The two center teams seemed well matched but numerous errors by the entire Newvie team gave the Center County an easy victory. Knapp for the Newvie and Sparks for Center County were both effective, but superior hitting gave Sparks his first victory of the year.

The slugging Cafeteria outfit continued their rampage by downing Earl King Smith's Historians 18 to 6 in the final contest Friday. Miller for the Cafeteria nursed in an excellent pitching performance by granting only four hits and no earned runs.

CONNECTION

In the last issue of THE TRAIL BLAZER two faculty members were mentioned as being members of Phi Beta Kappa, national honor society fraternity. The third member of the faculty who is a member of the fraternity is Mrs. Mildred Silver, critic teacher in the training school.

"AG" PROF GOES INTO POULTRY BUSINESS

H. C. Haggard, head of the department of agriculture and horticulture at this school, has added still another feat to his growing list of achievements. He announced last week that he would be raising poultry. At this writing, he has approximately 200 incubated chickens in the basement of the administration building. They were in care from babies to fliers. They would have never been discovered by the press except for the fact that one of the hens was left open long enough for the peeps to be heard in the corridor.

"THEY DON'T GET YOUR WIND" ATHLETES SAY

The mild cigarette the athletes smoke
is the mild cigarette for YOU!

A cigarette so mild you can smoke all you want—that's what athletes say about Camels. And when a champion talks about "condition"—"wind"—healthy nerves—real tobacco mildness—he's got to say:

Gene Sarazen says: "Playing as much as I do—I have to keep in condition. I smoke Camels steadily. They are so mild they never get my wind—never upset my nerves."

Other athletes back him up. "I smoke all the Camels I want, and keep in top condition," says Mel Ott, slugger of the New York Giants. . . . Georgia Coleman, Olympic

diver, says: "Camels don't cut down on my wind. . . . Bill Miller, oxymoron Jim Lancaster, N. Y. U.'s 1934 basketball captain; John Skillman, pro squash racquets champion—hundreds of sports stars smoke Camels regularly and report that Camels never get their "wind" or nerves.

What this mildness means to you! . . . It means you can smoke Camels all you want! Athletes have made this discovery: Camels' costlier tobaccos are so mild, they can smoke all they please, without disturbing their "wind" or nerves.

CONDITION IS IMPORTANT TO YOU TOO—on vacation, in college, at home. You can keep "in condition" yet smoke all you please. Athletes say: "Camels never get your wind."

SO MILD
YOU CAN SMOKE
ALL YOU WANT!

Camels COSTLIER TOBACCO!

● Camels are made from finer, MORE EXPENSIVE TOBACCOES
—Turkish and Domestic— than any other popular brand.
