Silver Anniversary Will Attract All Middlewest

Mammoth Jubilee With President Brandenburg's Twenty-five Years of Distinctive Service As Theme Assembles As Eminent A Group of Visitors As The Campus Has Seen

Collegio March 11, 1938

Students, faculty, Pittsburgers, alumni, and many eminent visitors will unite next week in a series of programs known as the Brandenburg Silver Anniversary to do honor to Dr. W. A. Brandenburg for his twenty-fifth year in the presidency of K. S. T. C.

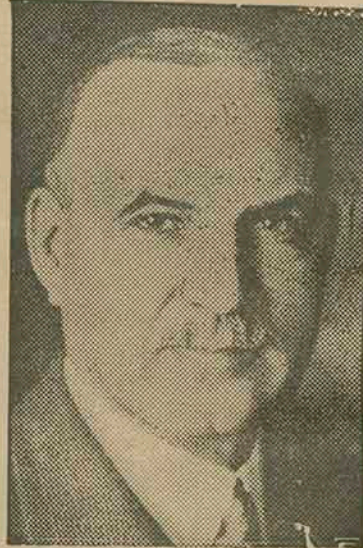

Radio broadcasts, dinners, open house, concerts, receptions, and public meeting will be the various forms the festivities will take. There will be no day between March 14 and March 19 without its program. Yet there will also be little interruption to the regular work of the week at the College.

Dr. O. P. Dellinger, chairman of the executive committee in charge of the anniversary, will open the series of program with a series of broadcasts over radio station KOAM at 4:30 Monday, the only special event for Monday. But activities will be under way fully Tuesday afternoon with open house in every department and branch of the College. The Anniversary will reach its climax Friday with "Visitors' Day" and the many distinguished guest the day will bring. Yet Alumni Day Saturday will be no anticlimax, for there will be something doing from early morn till night, and President Brandenburg will address the old grads in a meeting that afternoon.

Faculty Have Open House

For Open House Tuesday every faculty and staff member is to be in his office or at his post from 3 to 5 p.m. and again from 7 to 8. At night every building is to be brightly lighted. Visitors will be free to stroll from building to building and from department to department finding everywhere someone to make all necessary explanations.

For Wednesday the Anniversary program will shift in part to Coffeyville. The teachers of that city, a large number of whom are former

students and graduates of K.S.T.C., will honor President Brandenburg with a banquet. The speaking from the banquet table, beginning at 7 o'clock, will be broadcast over KGGF, Coffeyville. President Brandenburg and Miss Eulalia Roseberry, head of the geography department, will be the speakers. Miss Roseberry will sketch the history of President Brandenburg's administration.

In many cities of this district alumni groups will be gathered to hear President Brandenburg and Miss Roseberry. They will thus participate in the Anniversary celebration. Many of these groups will form permanent organizations that evening and many members of the groups will come Saturday for Alumni Day.

Governor Huxman Friday

Governor Huxman and three former Kansas governors will be here in tribute to President Brandenburg Friday, with Governor Huxman giving the principal address. The former governors will be Ben S. Paulen, Jonathan M. Davis, and Clyde M. Reed.

F. M. Harris of Ottawa, a member of the Board of Regents, will represent the board on the program. Kansas colleges and the Kansas public schools will also be represented in the program.

The Pittsburg Chamber of Commerce will afterwards entertain a number of the eminent guests with a luncheon and there will also be a tour of the city in the afternoon. A

capacity crowd is expected for the dinner that night.

C. M. Harger, chairman of the Board of Regents for many years, will be the principal speaker at the alumni dinner Saturday night. A pageant directed by Miss Irma Gene Nevins will be one of the features after the dinner.
