AMERICAN SOCIETY OF COMPOSERS, AUTHORS AND PUBLISHERS  
575 MADISON AVENUE  
NEW YORK 22, N. Y.

June 16, 1952

To Certain Publisher Members:

As you probably know, we are regularly sending to all licensed radio stations, lists of new recordings of works included in our repertoire.

During the last few years, the number of recording companies has been increased to such an extent that it seems to be impossible for our Record Department to secure complete information covering all new record releases.

May we therefore suggest that, in the future, you notify us of any compositions in your catalog which have been recorded and, at the same time, advise us the name of the Company making the recording, the names of the recording artists and the record numbers? If we receive such lists by the 15th of each month, we shall be able to include the compositions in the "Record Releases" for the following month.

Kindly send the above information to the attention of Miss Carol Bridgman, Index Department.

Thanking you for your past and continued cooperation,

Very truly yours,

AMERICAN SOCIETY OF COMPOSERS,  
AUTHORS AND PUBLISHERS
