THE ANN ARBOR NEWS
ANN ARBOR, MICHIGAN 48106

August 19, 1975

Dear Dr. Jessye,

Thank you for your note of Aug. 13. It was my pleasure to write about your Madison Square Garden program of 1944 and I am certainly in your debt for providing me with the material. As you said, one never really knows what part of our lives will some day become an important part of history. The "Order of the Day" presentation certainly has added significance today.

I'm enclosing with this letter the folders you sent along as I know they will always be valuable keepsakes for you. I was home in Massachusetts on vacation when you had your "Oklahoma Report" program at the Stearns building but I'm sure it was another outstanding success.

Thank ~~xxxx~~ you again for your help in providing excellent column material and best wishes for a continuing string of productive efforts. Ann Arbor is lucky to have you here !

Sincerely,

Bill Trem1
