# *Kansas State College*

Manhattan, Kansas

Dean of Academic Administration

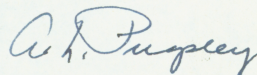

November 9, 1956

Miss Eva Jessye  
22 School Street  
Lawrence, Massachusetts

Dear Miss Jessye:

It is really superfluous for me to write to you concerning the appreciation of the College for your appearance here at an all-college student assembly on Friday, November 2, 1956, since the repeated and enthusiastic ovations accorded your group by a standing room audience of 2000 was ample evidence of their delight and enjoyment in your program. Nevertheless my own personal appreciation leads me to express our gratitude again and to hope that your busy schedule will include a stop at Kansas State College again sometime in the future. One cannot resist the spontaneity, charm and delightful blending of the voices in your group.

Sincerely,

A. L. Pugsley
