Dear Dr. Jesse:

The WTVS television production of Detroit Black Journal is in the process of producing a program entitled, "Legacies." This will be a special 60:00 presentation scheduled to air for Black History Month of 1983.

The program will highlight prominent Black people who have played a significant role in the course of Black history. It will be a tribute that will document the memory and on-going work of Black elders who have made and are making a valuable contribution to improving the quality of all our lives.

We at Detroit Black Journal though it would be both fitting and appropriate to chronicle the vast amount of work and influence you have made in contributing towards Black culture, especially in the music genre.

It is hoped that we could secure an interview with you regarding your work. I look forward to your response.

If you have any further questions regarding this project, please call Deborah Ray at WTVS, Channel 56 at 313-873-7200. I will be calling you soon.

Sincerely,

Deborah Ray
Producer, WTVS
