Dear Dr. Vollen:

At the 62nd Annual Convention of the National Association of Negro Musicians, Inc. in Birmingham, Alabama in August we were honored to have Dr. Eva Jessye as one of our special guests. Her life and her career is an inspiration to us and we are excited about the work that she is doing there at Pittsburg State University.

Please keep us on your mailing list and send us notices about the activities of the Music Department. We also would like information about the Eva Jessye Collection and Scholarship.

Enclosed please find a copy of our Newsletter for your file. Best wishes for a productive season.

Sincerely,

Betty Jackson King

enc.

P.S. The photographer took some pictures of Dr. Jessye and the guests and delegates. I shall send you some as soon as they arrive.
