Dear Supervisor:

I have ask your counselees to talk with you concerning their enrollment for next semester. They will bring to you a typed sheet showing the subjects which they still must take to complete their work, whether it be a 60 hr. or a degree certificate. I have had a conference with each one and know that the subjects listed on the sheet are correct. If you do not remember the name of your counselees I will be glad to send them to you again.

Horace Mann to Hold Open House

National Education Week will be observed by Open House at Horace Mann Laboratory School Wednesday from 7 to 9 p.m.

Each child will show his parents through the school, explain the equipment in his room, and the material he is using. The parents will also be shown other rooms in the building, such as the library, auditorium and kitchen. During the evening a film, "The History of Horace Mann," will be shown in the auditorium. Punch and wafers will be served throughout the evening.

All parents and friends of the school are cordially invited to this informal open house visitation.

Dear Parents:

Since this is the close of the college semester, the Horace Mann School will be dismissed Friday, January 23rd, and Monday and Tuesday, January 26th and 27th. This time is needed by the Supervisors to complete reports and to help in the college enrollment Monday and Tuesday. We hope this will not inconvenience your plans. School will be dismissed at the regular time Thursday, January 22nd and regular school work will resume Wednesday, January 21st. We hope you and yours are escaping the "flu".

Dear Parents:

The Immunization Program for the Horace Mann Laboratory School children will be given Wednesday, January 21, at 9:30 a.m.

If there are any pre-school children to be immunized the Mothers should bring them to school by the time designated above, 9:30 a.m., as the Doctors wish the pre-school children to come first on the schedule for the day. Please bring these children to the Horace Mann Auditorium.

Sincerely,

Jane M. Carroll

Whooping Cough is more often fatal in the very young than at older ages and should be prevented during the first year of life. Statistics show that 50 per cent of deaths from whooping cough occur in children during the first year of life.

Immunization of thirteen million members of the armed services against Tetanus with outstanding protective results has proved this of value, and is likewise recommended early in life.

A new vaccine is now available that will immunize the child against Whooping Cough and Tetanus as well as Diphtheria. This is the Triple Antigen (Diphtheria, Whooping Cough, Tetanus), and is administered in the same manner as the Plain Diphtheria Toxoid. Three (3) injections of one-half (1/2) cc at intervals of one month are required with a refresher dose one year after completion of the initial series.

The County Commissioners have arranged with the local physicians to furnish the immunizations and vaccinations free of charge for all children up to 10 years of age. The Commissioners request that every parent whose children have not previously received these immunizations avail themselves of this offer for the protection of their children. In order to take advantage of these immunizations, you must sign the attached request slip indicating your desires, and return it to the teacher of your school district. You will be notified of the time, place, and the date the immunizations will be given.

DIPHTHERIA, WHOOPING COUGH, TETANUS, AND SMALLPOX ARE PREVENTABLE

TO PARENTS AND GUARDIANS: KEEP THIS INFORMATION HANDY.

Diphtheria is one of the most dangerous diseases of childhood. The death rate is high among children less than five years of age. Be sure to have the pre-school children in your family immunized.

One method of immunization against diphtheria consists in giving injections of toxoid under the skin. Two doses are recommended at four (4) week intervals. Few reactions occur in children up to seven years of age, but in older children occasionally a local reaction may occur lasting from one to three days. The baby should be given toxoid before it becomes nine months of age. An additional one (1) cc of toxoid should be given the child one year after the initial series and again on becoming of school age, if three or more years have elapsed since the last booster.

Let us make sure that no child shall strangle to death from diphtheria, as hundreds of Kansas children did every year before the diphtheria immunization was discovered. There has been a 95 per cent reduction in cases and a 98 per cent reduction in the number of deaths since 1921 as compared with the years prior to 1921, when there were practically no children in the state who had received the immunization against diphtheria. The result of these immunizations is apparent to any person. DIPHTHERIA CAN BE PREVENTED.

A successful vaccination is the only protection against SMALLPOX. There has been developed the multiple pressure method of vaccination. By this method the skin is not broken and only rarely do severe sore arms occur as a result of vaccination.

Whooping Cough is more often fatal in the very young than at older ages and should be prevented during the first year of life. Statistics show that 50 per cent of deaths from whooping cough occur in children during the first year of life.

Away in a Manger

Away in a manger, no crib for His bed, The little Lord Jesus lay down His sweet head. The stars in the heavens looked down where He lay, The little Lord Jesus asleep on the hay.

The cattle are lowing; the baby awakes; But little Lord Jesus no crying He makes. I love thee, Lord Jesus look down from the sky, and stay by my cradle till morning is nigh.

Silent Night

Silent Night! Holy Night! All is calm, all is bright. Round yon virgin Mother and Child! Holy Infant, so tender and mild, Sleep in heavenly peace, Sleep in heavenly peace.

Silent Night! Holy Night! Shepherds quake at the sight! Glories stream from Heaven afar, Heavenly hosts sing Alleluia, Christ, the Savior is born! Christ, the Savior, is born!

Ave Maria

Ave Maria! gratia plena, Maria, gratia plena, Maria, gratia plena, Ave Ave! Dominus, Dominus tecum. Benedicta tu in mulieribus, et benedictus, et benedictus fructus ventris, ventris tui, Jesus Ave Mari

Gesu Bambino

When blossoms flowered mid the snows Upon a winter night Was born the Child, the Christmas Rose, The King of Love and Light. The angels sang, the shepherds sang, The grateful earth rejoiced, And at His blessed birth the stars Their exultation voiced.

Oh come let us adore Him, O come let us adore Him, O come let us adore Him Christ the Lord.

Dear Supervisor:

If you are agreeable I should like to work out the grades for the Elementary School Methods Class a bit differently. I believe it will save some time and you may have access to all the grades later, if you wish.

- (1) Please list the final grade for each of the members of the class on this paper.
- (2) I will combined them on one sheet, average them as we have in the past, and send you the final average.
- (3) We will meet tomorrow, January 22, at 12:30 to discuss the grades, if that is alright with you people.

Dear Parents:

This note contains two important announcements:

1. Because of the celebration for the birthday of the Kansas State Teachers College, which is known as "Apple Day", the Horace Mann Laboratory School children will be dismissed at noon Thursday, March 5. Regular school work will be resumed Friday, March 6, 9:00 a.m.

2. It is time to renew the Horace Mann membership in Junior Red Cross. As you know the Junior Red Cross is a very worthwhile organization and we feel that our children profit greatly from being members. If you wish your child to join the organization, please have him bring money to give to the supervisor by Friday, March 6. Any contribution is acceptable from a penny to a dollar.

Dear Supervisor:

We will dismiss Thursday, March 5 at 11:50 a.m., please do not dismiss at an earlier period. If you wish to take your children to the "Apple Day" program, feel free to do so. It is at 10:00 a.m. The program is not a pageant this year but is speeches and solos. We have been asked to sit on the north side of the middle aisle in the balcony. The High School is to have the south side so please arrange the children accordingly if you plan to take them.

F.T.A.'s Hold Their Annual Banquet

Future Teachers of America held its annual banquet last Thursday, at the Hotel Stilwell. Miss Ursula Henley, curricula supervisor for the state department of public instruction, was the main speaker. Her topic was "Guide Posts for Young Teachers."

A St. Patrick's motif was carried throughout the banquet. The programs were green shamrocks outlined with silver. Lighted candles with green candleholders added to the St. Patrick's atmosphere.

Greetings were extended by President Rees H. Hughes and Dr. William A. Black. Rowland Clink, F.T.A. president, was toastmaster.

The program consisted of a vocal solo, "The Lilac Tree," by Mary Buckner, who was accompanied by Jane Roberts. Jo Ann Goodwin sang "Mother McCrea," accompanied by Edna Riley. Group singing was led by Velma Beasley accompanied by Edna Riley.

Approximately 70 members were present. Faculty guests were Dr. and Mrs. Homer L. Johnson, Mrs. Perva Hughes, Mrs. Daphne Cross, Miss Thelma Carnegie, Miss Velda Williams, Mrs. Ethel Peck, and Miss Callie King, former supervisor at Horace Mann. Other guests included Mrs. Rees H. Hughes and Mrs. William A. Black.

The committee sponsors are Dr. Jane M. Carroll, Professor W. S. Davison and Dr. Paul T. Dixon.

Dear Supervisor:

There is a rumor on the Campus that the college may be dismissed tomorrow at assembly period time. If this is true, please keep the children until regular dismissal time in the evening.

There is another rumor that an extra day will be given for the vacation period and if so the day will be Wednesday, April 8. This would mean that the children would not need to return for work until Thursday, April 9.

In case the second rumor is true, and the vacation is extended a day I have a note ready to get to the children before they are dismissed. Please, see that the children get this note before you dismiss them tomorrow, if you learn that vacation is extended through Wednesday. The announcement will probably be made at the Assembly period.

WORDS OF SONGS FOR THE OPERETTA

(1)

Dance and Be Merry

Dance and Be Merry,
Dance and Be Merry,
Let's all be very gay today.
Dance and Be Merry,
Dance and Be Merry,
Let's have a happy holiday.

Ring around the rosie,
Raise a little toezy,
Hop, skip and jump and whirl away,
Keep in time to the chime of a happy little rhyme,
and let's all be very gay today.

(2)

In Italy

In Italy, in Italy,
The rose exhales an ecstasy,
The rose exhales an ecstasy;
Each humble heart acts well its part,
And welcomes thee, whoe'er thou art.

In Italy, in Italy
The sky steps down to meet the sea,
The red bird swings, with flame he sings,
And shakes the sun-set from his wings.

Ah, in Italy,
Oh, life is one long Arcady!
Oh, life is one long Arcady!
In Italy.

(3)

Marseillaise Hymn

Ye sons of France, awake to glory!
Hark! Hark! what myriads bid you rise!
Your children, wives, and grand-sires hoary,
Behold their tears and hear their cries!
Behold their tears and hear their cries!
Shall hateful tyrants, mischief breeding,
With hireling hosts, a ruffian band,
Affright and desolate the land,
While peace and liberty lie bleeding?

Chorus To arms, to arms, ye brave!
 Th' avenging sword unsheathed!
 March on, march on!
 All hearts resolved on victory or death.

When Irish Eyes Are Smiling

Chorus

When Irish eyes are smiling,
Sure its like a morn in Spring.
In the lilt of Irish laughter,
You can hear the angels sing.
When Irish hearts are happy,
All the world seems bright and gay,
And when Irish eyes are smiling,
Sure they steal your heart away.

From Lucerne to Weggis

1. Up the hill and down the way,
Hol-di-ri-di-a hol-di-ri-a,
We shall wear no shoes today,
Hol-di-ri-di-a hol-di-a.

Chorus Hol-di-ri-di-a, hol-di-ri-di-a hol-di-ri-a,
Hol-di-ri-di-a, hol-di-ri-di-a hol-di-a.

2. No more shoes than fishes wear,
Hol-di-ri-di-a hol-di-ri-a,
In the brook that wanders near,
Hol-di-ri-di-a hol-di-a.

Chorus

3. Barefoot as the birds we'll roam,
Hol-di-ri-di-a hol-di-ri-a
Up the hills and down, and home,
Hol-di-ri-di-a hol-di-a

Chorus

The Stars and Stripes Forever

West is the flag of flags,
The flag of Freedom's nation,
Hurrah for the flag of the free,
May it wave as our standard forever,
The gem of the land and the sea,
The Banner of the Right.
Let des pots remember the day
When our fathers with mighty endeavor
Proclaim'd as they march'd to the fray,
That by their might, and by their right,
It waves forever!

(8)

From the Land of the Sky-Blue Water

From the Land of the Sky-blue Water,
They brought a captive maid;
And her eyes they are lit with lightnings.
Her heart is not afraid!
But I steal to her lodge at dawning,
I woo her with my flute;
She is sick for the Sky-blue Water,
The captive maid is mute.

(9)

Indian Love Call

When I'm calling you oo-oo-oo
Will you answer too oo-oo
That means I offer my love to you to be your own.
If you refuse me I will be blue,
And waiting all alone;
But if when you hear my call ringing clear
And I hear your answering echo so dear,
Then will I know our love will come true;
You'll belong to me I belong to you!

Cast Thy Burden Upon the Lord

Cast thy burden upon the Lord; and He shall sustain thee;
He never will suffer the righteous to fall,
He is at thy right hand.
Thy mercy, Lord, is great, and far above the heav'ns,
Let none be made ashamed, that wait upon Thee!

Lords Prayer

Our Father, which are in heaven,
Hallowed be thy name.
Thy kingdom come. Thy will be done in earth,
As it is in heaven.
Give us this day our daily bread,
And forgive us our debts, As we forgive our debtors.
And lead us not into temptation; But deliver us from power,
and the glory, forever, Amen.

The Quilting Party

In the sky the bright stars glittered,
On the bank the pale moon shone;
And 'twas from Aunt Dinah's quilting party
I was seeing Nellie home.

Chorus

I was seeing Nellie home, I was seeing Nellie Home:

Merry Medley

I've been workin' on the railroad, All the live long day;
I've been workin' on the railroad, Just to pass the time away.
Don't you hear the whistles blowing, Rise up so early in the
morn;
Don't you hear the captain shouting: "Dinah, blow your horn!"
Hear them bells, don't you hear them bells, They are ringing
out the glory of the Lord.
Hear them bells, don't you hear them bells, They are ringing
out the glory of the Lord.

Chorus

The Camptown ladies sing this song, Doo-dah Doo-dah,
The Camptown race-track five miles long, Oh, doo-dah-day!
I come down here with my hat caved in, Doo-dah,
I go back home with a pocket full of tin,
Oh, Doo-dah-day! Goin' to run all night, Goin' to run all day,
I'll bet my money on the bobtail nag, somebody bet on the bay!

Short'nin' Bread

Put on de skillet, put on de lead,
Mammy's goin' to bake a little short'nin' bread,
Dat ain't all shes goin' to do,
Mammy's goin' to make a little coffee, too.

Mammy's little baby loves short'nin' short'nin'
Mammy's little baby loves short'nin' bread,
Mammy's little baby loves short'nin' short'nin'
Mammy's little baby loves short'nin' bread.

Three little babies lyin' in bed,
Two wuz sick an' de other mos' dead!
Sent for' de doctor, de doctor said,
"Fee dose babies on short'nin' bread."

(15)

Steal Away

My Lord calls me, He calls me by the Thunder;
The trumpet sounds within a my soul: I ain't got long to stay
here.

Chorus

Steal away, steal away, steal away to Jesus!
Steal away, steal away home, I ain't got long to stay here.

(16)

Swing Low, Sweet Chariot

I looked over Jordan and what did I see,
Coming for to carry me home?
A band of angels coming after me,
Coming for to carry me home.

Swing low, sweet chariot, Coming for to carry me home.
Swing low, sweet chariot, Coming for to carry me home.

All Day on the Prairie

All day on the prairie in the saddle I ride,
Not even a dog, boys, to trot by my side.
My fire I must kindle with chips gathered round,
And boil my own coffee without being ground.

My ceiling's the sky, boys,
My floor is the grass,
My music's the lowing of herds as they pass;
My books are the rivers, my sermons the stones,
My parson's a wolf on his pulpit of bones.

Island Song

Isles of Hawaii, Verdant in the ocean,
Gleaming in the sunlight, Gleaming in the Sea.

Flow'rs are thy necklace, Greenest woods thy dress,
Balmy trade winds blowing, Breathe thy scented breath.

Farewell To Thee

Farewell to thee, farewell to thee,
Our golden days are coming to an end,
But we will hope for brighter days to come,
When friend shall meet with friend.

(20)

Elest Be The Tie That Binds

Elest be the tie that binds Our hearts in Christian love;
The fellowship of kindred minds - Is like to that above.

Before our Father's throne, We put our ardent pray'rs,
Our fears, our hopes, our aims are one, Our comforts and our
cares.

The Star-Spangled Banner

Oh say! can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous flight,
O'er the ramparts we watch'd, were so gallantly steaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say does that Star-spangled Banner yet wave
O'er the land of the free and the home of the brave?

Oh, thus be it ever when free men shall stand
between their lov'd homes and the war's desolation!
Blest with vict'ry and peace, may the heav'n rescued land
Praise the Pow'r that hath made and preserved us a nation!

Then conquer we must, when our cause it is just,
And this be our Motto: "In God is our trust!"
And the Star-spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

Second Grade

RULES FOR 1953 CLEAN UP CONTEST
PITTSBURG CHAMBER OF COMMERCE

Dates -- April 3-10 inclusive.

1. Eligibility -- All pupils from first to sixth grades, inclusive, at Lakeside, Westside, Eugene Field, Lincoln, Horace Mann, Washington and St. Mary's.
2. Prizes -- Free theatre tickets from Tom Steele and the Fox Midwest theatres to all eligible grade students who submit letters to their room teachers showing an effort made by the pupils toward helping in the sixth annual Chamber of Commerce clean up drive. The free show will be held at 10:30 a.m., Saturday, April 18, at the Colonial, following a parade down Broadway starting from the Senior High School grounds at 10 a.m.

Cash building prizes of \$1 each for the boy and girl pupils in each school showing the best effort in their school in the clean up, except that the top three prize winners in each class in the city contest will receive other prizes instead of the building awards. This makes eight school cash prizes.

Grand awards -- two bicycles, a boy's and a girl's -- for the best showing in the clean up effort from the 14 building winners, who will include one boy and one girl from each building. In addition, the Chamber of Commerce committee will make second place awards of a watch each to the two runners up in the city contest, also to be selected from the 14 building winners. In addition, a cash prize of \$5 to two third place winners, a boy and a girl, will be given.

Thus, every pupil who enters will receive a free theatre ticket, eight of them also will receive \$1 cash prizes; two others will receive \$5 cash prizes and two will receive new bicycles and two will receive watches.

3. Rules -- Starting Friday, April 3, and ending Friday, April 10, pupils competing for the prizes should make a clean up effort around their homes and neighborhoods. After the work is finished, the pupil should write a brief letter telling what he or she has done toward cleaning up the city this spring. In case of the younger pupils, parents may write the letter, if necessary. The letter, signed by the pupil and counter-signed by the parents, should be turned in to the pupil's room teacher before the close of school on Friday, April 10. Each teacher should list the names of the entrants in her room and take this list, together with the letters, to the principal of her school, who will make arrangements to select the boy and girl winners at that school for the two \$1 building prizes offered by the Chamber of Commerce civic affairs committee.

The decision should be made on the best effort in the clean up drive and not on the merits of the letter itself, which is only the signed statement of what has been done by the pupil.

In this way, each of the seven schools will have one boy and one girl in the final contest for the city championships for the two \$5 prizes and two bicycles and the two watches.

The principals will send the names of the two school winners and their winning letters to the Chamber of Commerce office not later than Tuesday, April 14, at 5 p.m. A report on the number of entries at each school also should be made at the same time so arrangements can be made to furnish the schools with the required number of theatre tickets. Principals also are reminded to keep the list of names from their school so each child entered will be certain to receive the tickets due.

The Chamber of Commerce civic affairs committee will select the two grand prize winners and the second and third place winners from the 14 building winners submitted to it. The committee will meet Wednesday noon, April 15, for this purpose and the grand prizes probably will be presented to the winners at special assemblies on Thursday, April 16.

Remember, the letters must be in the hands of the room teachers by the close of school on April 10, to be considered, and the principals must get the names of the school winners and their letters to the Chamber of Commerce office by 5 p.m. on April 14, to be eligible. The cash prizes and the show tickets will be sent to the principals for distribution by April 17.

The city champions on their new bicycles will lead the April 18 parade down Broadway before the free show. The other eight building winners will ride on the Pittsburg fire departments new truck next in line, with other contestants marching. Only ticket holders will be admitted to the free show and all going to the show must march in the parade.

2. Afternoon Classes

Dear Parents:

Attached please find the summer school program. Since we are restricting enrollment in each grade, it is urgent that you let us know as soon as possible whether or not you wish to enroll your child in the Horace Mann School for this summer. We will select children in the following order: the children of summer school students, the children regularly enrolled during the year who live in our Horace Mann district, and then the children from outside of our district to a total of not more than thirty-two children for grades Kindergarten through six.

As before, there will be swimming, both vocal and instrumental music, and organized playground activities in addition to regular classroom work.

We are following the same policy as in the past, to excuse those children who wish to attend Bible schools and scout camps.

Please talk this over with your child and if you both decide he will be in regular attendance this summer, sign the attached sheet and return to the supervisor by Monday, May 18.

POSED FOR THE CAMERAMAN are the members of the "Flag of the Free" Horace Mann operetta cast. The first performance will be tonight at 7:30 p.m. in Carney hall and the second at the same hour on June 4.

Patriotic Flair to School Pageant

'Flag of the Free' To Be Stage Feature Tonight

Performances of the Horace Mann operetta, "The Flag of the Free," will be given by Horace Mann laboratory school students in Carney hall auditorium tonight at 7:30 p.m. and also on Thursday, June 4, for the benefit of summer students.

The operetta is a pageant showing that the United States is made up of the people from many countries. The cast portrays the different nationalities through singing and dancing in the costumes of their country.

The costumes were designed by Horace Mann supervisors and made by the children's parents. They represent 11 countries and nine eras of American history.

The student teachers, under the direction of Miss Evelyn Triplett, have been helping with the dancing and the children have learned the songs in their music classes.

The production stars consist of the following: arranger and director, Mrs. Edwina Fowler; general manager, Dr. Jane M. Carroll; dance director, Miss Evelyn Triplett and student teachers; stage setting, Mrs. Ellen Underwood; lighting and stage, Professor David Moore; and make-up, Eugene DeGruson. Accompanists are: pianists, Mrs. Jeanette Navarre Wright and Kenneth Cooper; organists: Mrs. Wright; and on the drums; Mr. Cooper; the trumpet, Connie Faulk; and the clarinet, Roger Coppenbarger.

In the middle ages and early modern times, storms caused several floods in the Netherlands, each of which took some 1,000,000 lives.

We would like you to know that we have enjoyed the acquaintance of your daughter and that we appreciate working with her in Alpha Sigma Alpha this year. We are interested in her college work and feel that she is a fine addition to the college and to the sorority.

Parents sometime have the opportunity to hear and see only the fun things that the sorority girls do, but the advisors have the opportunity of seeing many worthwhile learnings developed which come only through working in a happy cooperative group.

One of the most important Alpha dates in the school year is the time when we honor our Alpha parents and seniors. It is important because it is the party where all Alphas, all Alpha mothers and all Alpha fathers' attend together. The date this year for this event is Sunday, May 4. The following is the plan for the day:

7:30 a.m. - All parents and daughters come to the Besse Hotel to participate in an Initiation Service for the mothers.

8:00 a.m. - Breakfast for mothers, fathers and daughters in the Collegiate Room.

11:00 a.m. - Baccalaureate Service, College Auditorium

We hope you will plan to be with us. Please send your reservation for the breakfast by May 21 to Yvonne Dunham, 201 E. Williams, Pittsburg, Kansas.

Sincerely,

Perva Hughes

Dear _____:

Louise Gibson and I purchased gifts for Doris Gant and Margaret Blaine. We bought each a knife, fork and salad fork in sterling silver, according to the pattern chosen. Louise is taking money for Margaret Blaine's gift and if you have your name with her, please see her. I am taking the money for Doris Gant. The gift for Doris is \$1.44 per person. Will you please pay Margaret and sign the card when you pay.

Jane M. Carroll

Dear Supervisor:

Would you like to contribute .25 or .50 to purchase a small gift for Mrs. Grandle, if you wish to do so, please give the money to Margaret.

Dear Parents:

It has been a privilege and a pleasure to work with you and your children this school year. With the exception of two years away for study, one to work in the United States Office of Education and last year when Dr. Jack Hall was with us, I have filled the position of principal of the Horace Mann Laboratory School since 1928. During these years I could not have asked for a closer relationship between parents, children and staff. I am taking this opportunity to thank you and others who have been so faithful to the Laboratory School through these many years for your wonderful cooperation.

During this year we have interviewed many applicants for the principalship and have finally decided on Mr. Aldon Bebbs. We sincerely hope we have found the right man for the position; we believe we have. Mr. Bebbs is a young man with a family. He has received his training in Greeley College and the University of Iowa. He has had several years of teaching experience. Mr. Bebbs will arrive on the Campus about the middle of June and will take over his responsibilities and duties about that time. I predict that he will develop an excellent program for the children and that is what we all wish.

I will continue teaching college classes and will be glad to see and visit with you at any time. I again wish to thank you for the privilege of working with you and your children through these many years. Best Wishes to you all.

Sincerely,

Dear Supervisor:

Attached you will find:

1. Suggestions for writing letters to parents.

As to number one above, I would suggest that you immediately assign to each of your teachers children -- one, two, three or more, as necessary -- for them to study and finally write a letter to the parents concerning the children. These letters would necessarily need to be checked by you and in some cases rewritten. However, I believe in most cases only suggestions would be needed. Your name would finally be signed to the letter sent to the parents -- not the student teacher's name.

If you wish enough of these "Suggestions for Writing Letters to Parents" for each one of your teachers, we will be glad to supply you.

Sincerely,

Dr. Jane M. Carroll

In May 1953, the supervisors of the Horace Mann Laboratory School, gave a tea honoring Dr. Jane M. Carroll. Parents and friends of the laboratory school were the invited guests. Miss Gladys Rinehart, fifth grade supervisor, made the following talk:

The other supervisors of the Horace Mann Laboratory School have asked me to say a few words about why we planned this occasion.

We wished to openly express our love and appreciation for one whom we all know very well, Dr. Jane Carroll, or "Jane" as we all call her when we are not around the children or the student teachers, and even then it slips out occasionally.

If time can give a better understanding of, and insight into human nature, then I should be able to speak with confidence about our honored guest, as I have been associated with her in work and play for more than twenty five years.

However, it does not take long to observe in her certain qualities. Whether working one year, five years, or twenty-five years with Dr. Jane Carroll, one can easily see in her outstanding qualities of character and personality.

I should like to bring to your attention a few of these which we supervisors have observed and which have stood out during our association together.

One of her outstanding characteristics has been that of loyalty, Loyalty to the parents, loyalty to the children, to student teachers and the supervisors, and loyalty to the college of which our school is a part.

A second quality that has always been outstanding is a high degree of intelligence which displays itself through good common sense. As any one knows it is no easy job to be principal of a laboratory school. There are numerous responsibilities and problems coupled at times with large or small irritations.

Which leads to the third characteristic which Dr. Jane Carroll has always shown to have, that is a sense of humor. This ability to clear up the atmosphere at times by seeing the funny side, she probably inherited from her Irish ancestry.

The fourth and last, but by no means least, quality which I shall mention is one of which every supervisor has at some time been definitely aware, that of kindness and sympathy. Many times in the past years she has added to an already crowded schedule, by taking over work for one who has been ill or has illness in the home. She has also at times taken over our work to permit us to experience some happy event in our homes or outside of school. She has listened sympathetically to our tales of joy and sorrows. We knew any confidence would be kept.

With these few words, I hope I have been able to convey to you, and to her, at least a part of the esteem, love, and appreciation, which we supervisors feel for Dr. Jane M. Carroll who is "Jane" to us.

Please talk with your children concerning this new ruling and tell them not to appear in the auditorium except on scheduled days. Another ruling that I feel it is necessary to observe is that there must be a teacher with the group. SCHOOL'S OUT

SUMMER 1953

A Message to Parents & Children

Yes, the schools are closed for the summer, but the minds of children will continue to remain open.

"What'll We Do" will soon be the question children will be asking, and until September, parents have the job of helping to answer this question.

The purpose of this pamphlet is to offer suggestions for planning the vacation days ahead so they can be happy and profitable experiences for the entire family.

The City of Pittsburg presents many opportunities for making the summer months ahead a period filled with many varied and worthwhile activities for its youth.

This summer can be a wonderful experience for children, if cooperatively planned by parents and children, making use of the many agencies and facilities which are available in the City of Pittsburg for this purpose.

... as a result of vaccination.

Whooping Cough is more often fatal in the very young than at older ages and should be prevented during the first year of life. Statistics show that 50 per cent of deaths from whooping cough occur in children during the first year of life.

Immunization of thirteen million members of the armed services against Tetanus with outstanding protective results has proved this of value, and is likewise recommended early in life.

A new vaccine is now available that will immunize the child against Whooping Cough and Tetanus as well as Diphtheria. This is the Triple Antigen (Diphtheria, Whooping Cough, Tetanus), and is administered in the same manner as the Plain Diphtheria Toxoid. Three (3) injections of one-half (1/2) cc at intervals of one month are required with a refresher dose one year after completion of the initial series.

The County Commissioners have arranged with the local physicians to furnish the immunizations and vaccinations free of charge for all children up to 10 years of age. The Commissioners request that every parent whose children have not previously received these immunizations avail themselves of this offer for the protection of their children. In order to take advantage of these immunizations, you must sign the attached request slip indicating your desires, and return it to the teacher of your school district. You will be notified of the time, place, and the date the immunizations will be given.

vaccination.

Whooping Cough is more often fatal in the very young than at older ages and should be prevented during the first year of life. Statistics show that 50 per cent of deaths from whooping cough occur in children during the first year of life.

Immunization of thirteen million members of the armed services against Tetanus with outstanding protective results has proved this of value, and is likewise recommended early in life.

A new vaccine is now available that will immunize the child against Whooping Cough and Tetanus as well as Diphtheria. This is the Triple Antigen (Diphtheria, Whooping Cough, Tetanus), and is administered in the same manner as the Plain Diphtheria Toxoid. Three (3) injections of one-half (1/2) cc at intervals of one month are required with a refresher dose one year after completion of the initial series.

Dear Parents:

Please have your child bring her Operetta costume, used in the Irish Lilt, Monday, May 4 so that the hems can be measured the same distance from the floor.

Sincerely,

Jessie D. Grandle
