DR. LEONARD BLISS JOB

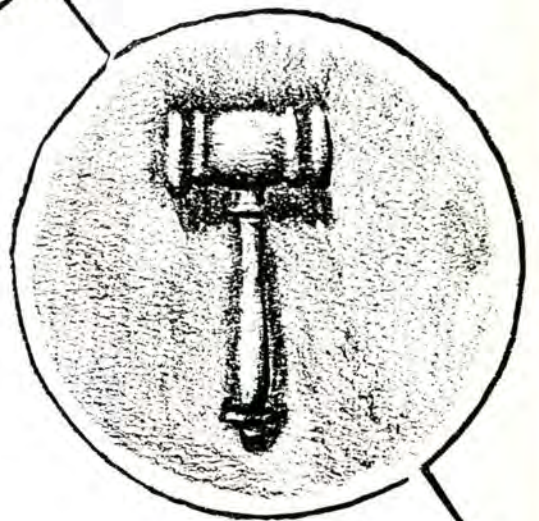

## A C R O S S   T H E   Y E A R S

For the past four years you have been the recipient of every attention the college could give you. In numerous ways the college has been the guardian of your mental, spiritual, and physical welfare. On Commencement Day we shall have discharged our last immediate major obligation to you. Our immediate stewardship of your welfare, of your talents will have been ended. For the past four years you have been in our hands. From now on we shall be in your hands. What has been our responsibility will become yours.

Our fondest hope is that each of you will assume his new responsibility as readily as we have ours; that each will be as intensively conscious of his responsibility as we have endeavored to be of ours; that each will work as hard and be as increasingly vigilant in protecting and promoting the interest of the college through your personal accomplishments as we have tried to be in our watchfulness over your interest; that you will maintain over the years as tender memories of us as we at Ithaca will of you; that you will grow in professional stature as we expect to grow through your professional achievements and that all of us may as we clasp hands "across the years" realize that ours has been a fine experience, a true community of spirit, a unity in a common cause and that knowing each other has been good indeed.

### Junior Class Officers

<i>President</i>	. . . . .	Ken Moseley
<i>Vice-President</i>	. . . . .	Betty Cornell
<i>Secretary</i>	. . . . .	Helena Rosa
<i>Treasurer</i>	. . . . .	Doris Leach

The Class of 1938 has had a very successful three years with Mrs. Rowland as its able advisor. She has been most faithful to the class, and her interest has been for the group.

During the Sophomore year the class of the '38 received the cup for the highest scholastic standing in the school.

On March 5, 1937 the Junior Class gave the Junior Promenade in honor of the Seniors. For two years the class had refrained from sponsoring social events in order that they might concentrate their time and efforts for this occasion. The festive event took place in the Bank Restaurant to the tune of Len Fennell's Band. Everyone seemed to enjoy the evening and proclaimed it a success.

## Sophomore Class

<i>President</i>	. . . . .	Leslie Barton
<i>Vice-President</i>	. . . . .	Betsy Ross
<i>Secretary-Treasurer</i>	. . . . .	Jean Heaton
<i>Ithacan Representative</i>	. . . . .	Betty Stern
<i>Class Advisor</i>	. . . . .	Mrs. Tallcott

The Sophomore Class functioning under its third set of officers since its organization in September, 1935, has to the present time made its presence here known through the medium of a Spring Sport Dance, held in the gymnasium in April 1936 and also by a general get-to-gether of the members of the class in the Green Room last November. It was the first Freshman Class in several years which sponsored a successful dance.

The class of '39 started the idea of electing officers for one term only, during their first year at college, to afford opportunities for cultivating acquaintances and thus observing those most dependable for holding offices. They elected officers in the fall and again in the spring at the beginning of the term. This class goes on record as a class favoring representation of each department on its staff of officers. The faculty advisor is Mrs. Tallcott.

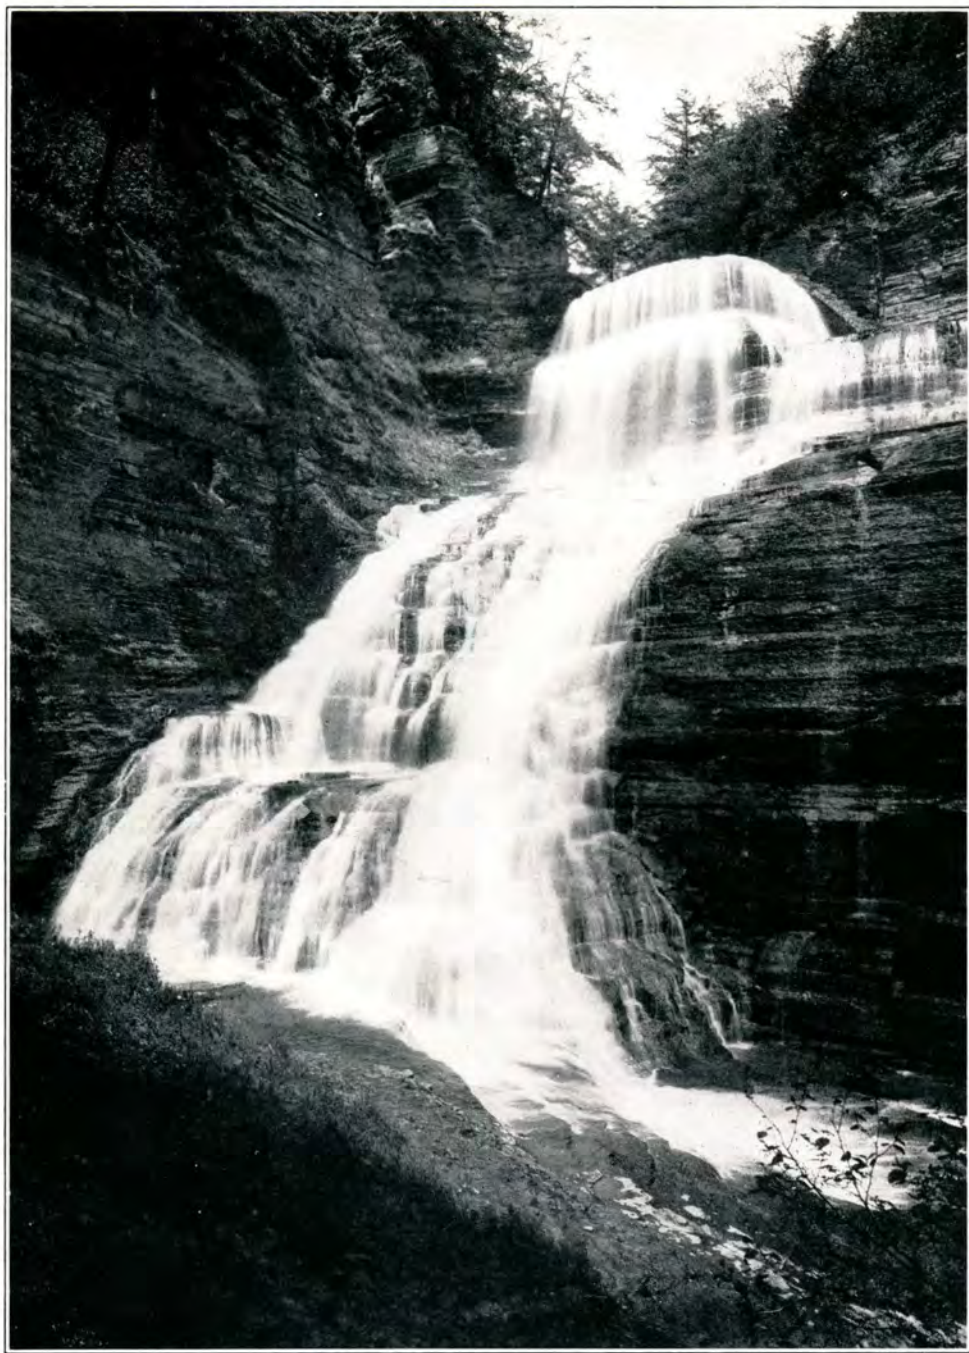

### Freshman Class

<i>President</i>	. . . . .	Robert Campbell
<i>Vice-President</i>	. . . . .	Kenneth Mattern
<i>Secretary</i>	. . . . .	Daphne Hairston
<i>Treasurer</i>	. . . . .	Salvatore Maddaloni
<i>Advisor</i>	. . . . .	Mr. Lawrence Hill

The Freshman Class made its debut to Ithaca College last fall. This class holds the honor of being the largest in the history of the college. This large group is expected to play a prominent part in all school activities during the coming three years under the guidance of Lawrence C. Hill, faculty advisor. While the Freshman activities have not been many thus far, a freshman party was held in March with preparations being made for a school dance on May 14. The class hopes to make this dance one of the outstanding events of the year.

The freshman have already come into prominence in the three departments of the school. Numerous music students have participated in evening recitals, while others are taking part in choir, band, and orchestra. In the field of athletics many of the students have shown outstanding ability in all departments of sport. It is expected that the members of the dramatic department will have many opportunities to display their talent in the productions to be presented.

## Ithaca College Band

The Ithaca College Band under the most capable leadership of Walter Beeler has continued to maintain the high standards attained in previous years. The organization has made a number of tours throughout the state where concerts of symphonic nature were presented. Perhaps the most outstanding concert of the year was given at Bailey Hall, Cornell University. From its large repertoire the band played most excellent programs in which Wagner, Ravel, Saint-Saens, Weber, Dvorak, Tschaiakowsky, Cailliet, Prokofieff, were represented. Since the Fourth Annual Band and Orchestra Clinic, held in Ithaca in November, the Band and Orchestra have presented a concert a month. The musical activities of the Department are varied and extensive.

All students in the instrumental department have the opportunity of playing in a laboratory band and orchestra. These organizations are excellent for the advantages they offer to students in adapting themselves to more than one instrument.

## Ithaca College Orchestra

During the past school year the Ithaca College orchestra under its new director Craig McHenry, has made astounding progress in the field of symphonic literature. From this larger organization are drawn members for the Little Theater Orchestra which plays for productions of the Department of English and Drama. In December this contingent rendered itself a huge success in the accompanying of Handel's *Messiah*. The splendid concerts given at the Ithaca College Little Theater include the works of Beethoven, Berlioz, Brahms, Grieg, Haydn, Wagner, Dvorak, and many contemporary composers.

## Ithaca College Choir

Bert Rogers Lyon, the outstanding conductor of the Ithaca College choir has led the group through a most profitable year. This choral group has made many public appearances in and around Ithaca. The programs showed the result of worthy and artistic efforts which are necessary for such excellent performances. Christmas and Easter Chapel services in the Little Theater and broadcasts from WESG were unusually meritorious performances. A fitting climax to the musical activities of the year was the operetta, "The Student Prince" by Sigmund Romberg, presented by the student body and directed by Bert Rogers Lyon and William Dean.

President . . . . . WILLIAM DORFMAN  
 Faculty Sponsor . . . . . SYDNEY LANDON

### MEMBERS

Florence Cape	Lucille Smith
Rheta Miller	Frank Grass
Charles Pellman	

During the year this small, but active organization, has discussed each side of the famous debates of history as well as the problems of the modern world. As a part of the club's activities, radio broadcasts are frequently scheduled to help acquaint each member with the "unseen audience".

Professor Landon, the sponsor, is talented, not only in the field of argumentation, but is well known throughout the country as an orator and entertainer as well.

## Varsity Football

The Varsity Football squad under the coaching of "Bucky" Freeman won three out of five games played during the 1936 season.

### STUDENTS PICK "CAYUGAS" AS NAME FOR TEAMS

Henceforward, all athletic teams representing Ithaca College shall be denoted by the historical Indian name derived from this section of the country—"The Cayugas". This name was selected by an overwhelming majority in the student vote taken Tuesday, January 12, on a list of names submitted for consideration.

## Girls' Athletics

Miss Mildred Elliot replaced Miss Jane Couch as director of girls' athletics. During the fall the girls participated in Soccer and Field Hockey. Basketball was played throughout the winter season during which an interclass tournament was played-off, the Juniors being victorious. These teams are excellent laboratory organizations for the purpose of promoting good sportsmanship and developing the necessary requisites for Physical Education directors.

## Soccer

The 1936 season was a successful one for the soccer team. They won three out of the total number of games played.
