Program Notes

Each and every piece on this program holds a very specific meaning for me. Some are dedicated to friends, present and past, some are monuments to very specific times in my life. Some I am incredibly proud of, some I can't stand any more. Some were finished yesterday, some written before I even came to Ithaca College. Some might live on for a while, some may never be performed again. No matter what, I wouldn't be the same person or musician without having taken the time and energy to explore these musical ideas.

Thanks to Dr. Grossmann and Dr. Sammoutis for always pushing me forward.

Thanks to all of the performers for contributing their incredible talent to some of my music.

Thanks to my friends for understanding the nights when I'd stay home and cram for my next deadline.

And thank you for taking the time to listen.
