# SEADOM MUSIC LIBRARY COOPERATIVE PLAN

College of Music, Mahidol University,

30 Mar 2014.

Proposed by Stephen Luttmann & Jittapim Yamprai

# TOPICS FOR DISCUSSION:

- INTER LIBRARY LOAN AGREEMENT
- REQUEST FOR DONATION MATERIALS
- SEMINAR & TRAINING
- COMPOSITION EXCHANGE: SCORES,  
RECORDINGS, BIB EXCHANGE
- FUTURE PLAN

# I. INTERLIBRARY LOAN

# Present Situation

WHY WE DON'T  
HAVE THE SCORES  
OF HINDEMITH AT  
ALL

WE HAVE  
WHAT WE  
HAVE, DEAL  
WITH IT!

# I. Interlibrary loan system

## OUR CHALLENGE!

- Difference in collection size
- Difference in library fund

OCLC membership/ Union catalog/ ILL software is too expensive for small institutions

# What resources do all our libraries have?

- Email

- Access to postal mail

# Easy Solution that will work!

- Establish E-mail distribution list including e-address of all libraries
- Requests are communicated to distribution list

# Easy Solution that will work!

- Member library with item offer to
  - a) send physical copy (book, score, CD) or
  - b) send a digital reproduction (pdf) if
    - i. library owning the item can prepare a pdf as part of the work flow
    - ii. Library can make legal digital copy

# Easy Solution that will work!

---

- Lending library checks out item to borrowing library

# Fears about participation

- Larger libraries:  
Will we get too many requests?
- Smaller libraries:  
Will we be able to get what we need?

# Each library has the right to:

## ■ Borrowing

- Who is allowed to borrow (faculty, grad.stu, all students)
- How many items a borrower may borrow
- Whether to borrow if free item is available online (IMSLP)
- Respond to users who do not return the item
  - Fine
  - Replacement
  - Termination the right to borrow

# Each library has the right to:

## ■ Lending

- How many items allowed to be loaned per year
- How many items allowed for a specific library per year
- Length of time allowed
- Use by end user:
  - Use on site
  - Use outside the library

# Each library is responsible for:

- Honoring the terms established by lending lib.
- If item is allowed to be used outside the lib.
  - Checkout procedure (paper or online)
  - Provide a due date to return item to the library
- Covering postage costs
  - Lending library pays to send item
  - Borrowing library pays to return item
  - Each library needs to set their own annual budget for estimated shipping costs

# Conflict Resolution

- If borrowing library cannot return an item, the lending lib may terminate future requests
- If multiple libraries are able to provide a requested item:
  - Smaller collection library provide the item
  - The first library that makes the first offer

# HOW DOES THIS WORK:

Patron makes request

Staff makes decision

Email request to participant libraries via distribution lists

- Author/comp  
oser
- Title
- Edition
- Publication  
name & date
- format

# HOW DOES THIS WORK:

**LIBRARY  
B**

Receive  
request/Decision  
making

Email Library A  
to confirm  
shipping date &  
borrowing  
condition

Library B sent  
material to  
Library A with a  
note showing  
the return date  
& conditions

# LIBRARY A

Determines the date  
for the end user

Create online record

Check out item or in-  
house use

Contact person who  
requested the item

Return  
the item

Lib A return the item  
to Lib B

Determine method of  
shipping (insurance)

Keep record of  
shipping

Not  
Return  
the item

Lib A take action against user

Lib B makes  
decision for  
future loan

# QUESTION?

- ARE WE ALL ON BOARD?
- WHEN TO START?

## II. DONATION MATERIAL

**HOW CAN I GET HELP?**

---
