I have the pleasure of seeing a letter of yours to
Bro Gibson I was truly sorry to find that after
all the expressions of love and Friendship of scores
of precious Friends of Barnesville and elsewhere you
wanted some further evidence to prove to you that
you had a real Friend on Earth. I feel quite con-
fident that more than twenty persons of Barnes-
ville would go 50 Miles to serve you, however
thought we could easily account for your state of
mind by Bodily affliction & the bearer of
this letter is a particular Friend of Mr. Gibson
and a Young man of first standing and respectability
he has some thoughts of settling in your County
he is a Physician you can see his credentials & show
to him what assistance you can
